MANAGING DIRECTOR

DENVER

## quick facts

- 20+ years of experience working on transactions valued at 10 million to 20+ billion
- Focuses on global M&A Tax advisory for both strategic and private equity investments
- Expertise advising on tax issues unique to closely held companies

Jon de Jong is a Managing Director with Alvarez & Marsal Tax, LLC in Denver. With more than 20 years of experience advising one of the nation's largest closely held corporations and its affiliates, Mr. de Jong focuses on global structuring and M&A tax advisory for both strategic companies and private equity investors. He occasionally serves as an interim Head of Tax for companies facing complex tax situations.

Mr. de Jong approaches every engagement with the unique perspective of a professional who has led an in-house M&A tax function of a company regularly involved in transactions valued from \$10 million to \$20+ billion.

Teaming with his clients' worldwide tax, legal, finance, IT, and accounting resources lets him develop and help implement risk-appropriate strategies that optimize the results for all stakeholders in internal structurings, acquisitions, post-acquisition integrations, operations and divestitures.

Mr. de Jong's broad structuring and transactional background, practical approach to problem-solving, deep experience in cross-border situations across a wide array of industries and ability to communicate complex tax concepts to non-tax professionals make him a valued contributor to any deal team from the very outset of a potential transaction.

Mr. de Jong also has extensive experience providing advice on tax issues unique to closely held companies and their respective equity holders. He also taught tax courses for several years in the Master of Accountancy program at Wichita State University.

Mr. de Jong earned a bachelor's degree from Arizona State University (summa cum laude), a J.D. from the University of Kansas, and a master's of law degree (taxation) from the University of Missouri—Kansas City. He is admitted to practice in both Colorado and Kansas.
