March 20, 2020

A&M Managing Director Rocco Grillo was interviewed for Part Two of Data Breach Today's article series that focuses on best practices around responding to data breaches. In the article, Rocco discusses incident response essentials for organizations to consider if they are subject to a data breach which include:

1. Notify Stakeholders
2. Activate External Service Providers
3. Respect Crisis Communications
4. Know the Ins/Outs of Cyber Insurance
5. Decide: Forensics-Led or Intelligence-Led
6. Comply with Breach-Reporting Rules
7. Avoid Internal Communications Roadblocks
8. Maintain Confidentiality
