

DAVID JUNEAU

MANAGING DIRECTOR

HOUSTON

quick facts

- 14+ years of experience providing valuation services
- Expertise in financial reporting, tax planning, restructuring, and transaction valuations
- Provides valuation analysis of businesses and assets

David Juneau is a Managing Director with Alvarez & Marsal's Valuation Services in Houston. He brings over fourteen years of experience providing valuation advisory services for a broad range of purposes and industries.

Mr. Juneau has extensive experience leading valuations for financial reporting, tax reporting, tax planning, and other advisory purposes. He has performed valuations supporting fresh start accounting (ASC 852), purchase price allocations (ASC 805 / IRC 1060), goodwill & asset impairments (ASC 350 / ASC 360), fresh start accounting (ASC 852), equity-based compensation (IRC 409A / ASC 718), and valuations supporting planning for intercompany and third-party transactions.

Mr. Juneau has significant experience providing fair value analyses, valuing businesses and a diverse array of intangible assets including customer relationships and contracts, backlog, patented technology, trademarks and trade names, brands, proprietary know-how, license agreements, in-process research and development, internally developed software and non-compete/non-solicitation agreements.

Mr. Juneau's recent engagement highlights include leading the valuation analysis to support fresh start accounting for a multi-national corporation with a reorganized enterprise value of \$4+ billion and the valuation analysis of a multi-reporting unit business to support business combination accounting with a transaction value over \$2 billion. He has led engagements across various industries, including building products, industrial services, healthcare, financial services, energy, software development, and chemicals sectors.

Prior to joining A&M, Mr. Juneau was a Managing Director at Kroll (f.k.a Duff & Phelps) in their valuation advisory group. He began his career with Duff & Phelps and spent over twelve years there.

Mr. Juneau earned a bachelor's degree in finance from Louisiana State University. He is a non-CPA member of the AICPA.
