June 06, 2023

In this episode, host Geoff Angulo, Senior Director, sits down with two Managing Directors with Alvarez & Marsal - Energy, Al Carnrite and Francois Bardi. Tune in to listen to discussions on the changes in innovation, demand, employee turnover and recruiting. They discuss the emergence of new market opportunities in the energy industry, including the growth of renewable energy sources and the potential for energy storage solutions. Francois and Al highlight the importance of adopting new pricing strategies in the energy industry, including the potential for dynamic pricing models. You won't want to miss this episode!
