

04/03/2009) Com o advento da Lei 14.112/2020, há, agora, previsão expressa de encerramento do processo falimentar, quando ausente a arrecadação de ativo, ou quando aqueles que forem arrecadados forem insuficientes ao pagamento das despesas do processo, verbis: Art. 114-A. Se não forem encontrados bens para serem arrecadados, ou se os arrecadados forem insuficientes para as despesas do processo, o administrador judicial informará imediatamente esse fato ao juiz, que, ouvido o representante do Ministério Público, marcará, por meio de edital, o prazo de 10 (dez) dias para os interessados requererem o que for a bem dos seus direitos. § 1º Um ou mais credores poderão requerer o prosseguimento da falência, desde que paguem a quantia necessária às despesas e aos honorários do administrador judicial, que serão consideradas despesas essenciais nos termos estabelecidos no inciso I-A do caput do art. 84 desta Lei. § 2º Na hipótese de não haver apresentação de requerimento pelos credores, o administrador judicial promoverá a venda dos bens arrecadados no prazo máximo de 30 (trinta) dias, para bens móveis, e de 60 (sessenta) dias, para bens imóveis, e apresentará o seu relatório, nos termos e para os efeitos dispostos neste artigo. § 3º Proferida a decisão, a falência será encerrada pelo juiz nos autos. No caso dos autos, inútil a possibilidade de se oportunizar aos credores o prosseguimento do feito, uma vez que o feito tramita desde 2008 e nenhum ativo foi arrecadado e tampouco foi vislumbrada qualquer possibilidade de imposição de responsabilidade patrimonial para terceiro por intermédio da ação prevista no art. 82 da Lei 11.101/2005, devendo ser aplicado o parágrafo 3º do mencionado art. 114-A, trazido pela nova legislação. No mais, as demandas em andamento não possuem expectativa de recuperação real de créditos, pois ainda se encontram em fase de conhecimento, havendo longo caminho para os respectivos desfechos. Assim, não há sentido em se promover a suspensão do presente processo sem que haja efetiva probabilidade de retorno financeiro em proveito dos credores da massa, os quais podem exercer seus direitos individuais nas ações judiciais em andamento. Isso porque, como bem observa Sérgio Campinho: Professamos a orientação de que o fim maior e imediato do instituto falimentar é o de propor providência judicialmente realizável para resolver a situação jurídica de insolvência do devedor empresário. Está vocacionado, na nova lei, a promover a liquidação do patrimônio insolvente, saneando mercado e assegurando a proteção do crédito. Impossibilitado o pagamento de débitos pela ausência de ativos, ainda assim o feito falimentar pode chegar a seu termo com resolução de mérito, pela necessidade de saneamento do mercado, com a extinção da sociedade empresária, nos termos dos arts. 1.044 e 1.087, ambos do Código Civil. Posto isso, declaro encerrada a falência da AUTO POSTO 3N LTDA., nos termos do art. 114-A da Lei 11.101/05, com a redação conferida pela Lei 14.112/2020. Providencie o administrador judicial o relatório final para que conste do feito. Com a juntada do relatório final, deverá a serventia, por ato ordinatório, promover as comunicações previstas no art. 156 da Lei 11.101/2005, inclusive para a baixa do CNPJ da falida na Secretaria da Receita Federal do Brasil. Publique-se o QGC juntado às fls. 1.652/1.653. Poderá o MP requisitar a instauração de inquérito policial para investigação de crime falimentar, caso vislumbre a existência de indícios da prática de ilícito pelos sócios da falida.768. Cumpridas as determinações finais, arquivem-se os autos. P.R.I.C.”.

Para que produza seus regulares efeitos de direito, é expedido o presente edital, por extrato, afixado e publicado na forma da lei. NADA MAIS. Dado e passado nesta cidade de São Paulo, aos 27 de maio de 2021.
