Remedy claimed or sought: Alvarez & Marsal Canada Inc. (the "**Receiver**"), in its capacity as court appointed receiver of Do All Industries Ltd. ("**Do All**") and P&O Assets Ltd. ("**P&O**", and Do All and P&O collectively referred to as the "**Debtors**") pursuant to the order issued by Justice A.D. Macleod in the within proceedings on February 6, 2014 (the "**Receivership Order**") under the

Bankruptcy and Insolvency Act (Canada) (the “**BIA**”) applies for an order (the “**Order**”) substantially in the form attached as Schedule “**A**” hereto:

1. Declaring that this application (the “**Application**”) is properly returnable on May 14, 2014, that service of the Application and the fifth report of the Receiver, dated May 7, 2014 (the “**Fifth Receiver’s Report**”) is validated and that no persons other than those on the Service List are entitled to service of the Application or the Fifth Receiver’s Report.
2. Approving the Offer and Sale Agreement (the “**Agreement**”) between the Receiver, in its capacity as receiver of the assets, properties and undertakings of the Debtors and Maynards Industries Ltd. (the “**Purchaser**”) and the sale and transfer of the Assets (as defined in the Agreement and set out in Schedule “**A**” of the Order) and vesting title in the Assets in the Purchaser, free and clear of all encumbrances, upon closing and as contemplated in the Agreement.
3. Ordering and declaring that the Receiver is authorized and empowered to distribute the net proceeds from the sale of the Assets, less the amount of builders’ liens registered against the Assets, to the National Bank of Canada (“**NBC**”) on account of the secured indebtedness owing by the Debtors to NBC, and directing that the funds remaining from the sale of the Assets, after the aforementioned distributions are made, be held by the Receiver, pending further order of this Honourable Court.
4. Authorizing the Receiver to assign P&O into bankruptcy and to serve as trustee in bankruptcy of its estate.
5. Ordering and declaring that Division 4, Part 6 of the Alberta Rules of Court, A.R. 124/2010 (the “**Rules**”) does not apply to this Application and sealing Appendixes “**A**” and “**B**” to the Fifth Receiver’s Report (collectively, the “**Confidential Appendix**”) for a period of twelve (12) months from the date of any order issued on the within application.
6. Such further and other relief as counsel for the Receiver may advise.

Grounds for making this application: The grounds for the Application are as follows:

7. The Receiver was appointed as receiver of the Debtors pursuant to the Receivership Order.

8. The Receiver is empowered and authorized to sell the Assets with the approval of this Honourable Court pursuant to the Receivership Order. The Receiver and the Purchaser have entered into the Agreement. The Agreement is conditional, *inter alia*, on the approval of this Honourable Court.

9. The Assets have been subject to a complete and thorough marketing process and the Agreement represents the highest price that can be obtained for the Assets in the circumstances. The sale of the Assets, as proposed, is in the best interests of the estate of the stakeholders of the Debtors.

10. NBC has valid and enforceable security against the Debtors and it is therefore appropriate to authorize distributions to NBC.

11. The Confidential Appendix contains commercially sensitive information pertaining to the sale of the Assets. It is necessary for the Confidential Appendix to be temporarily sealed on the court file so as protect against the disclosure of such information pertaining and to avoid causing prejudice to future marketing efforts in the event that the Agreement fails to close.

12. Such further and other grounds as counsel for the Receiver may advise.

Material or Evidence to be relied On: The Receiver will rely on the following material:

13. The Fifth Receiver's Report.
