1.0 INTRODUCTION

- 1.1 On August 13, 2024, in Supreme Court of British Columbia Action No. S-245481, Vancouver Registry (the “**CCAA Proceedings**”), the Supreme Court of British Columbia (the “**Court**”) granted BC Tree Fruits Cooperative (“**BCTFC**”), BC Tree Fruits Industries Limited (“**BCTF Industries**”) and Growers Supply Company Limited (“**GSC**”, together with BCTFC and BCTF Industries, the “**BCTF Group**” or the “**Petitioners**”) an initial order (“**Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended. Among other things, the Initial Order granted the BCTF Group an initial stay of proceedings up to and including August 23, 2024 (the “**Stay Period**”) and appointed Alvarez & Marsal Canada Inc. (“**A&M**”) as the monitor of the BCTF Group (the “**Monitor**”) with enhanced powers.
- 1.2 The Stay Period has been extended multiple times, most recently until August 29, 2025, pursuant to an order issued by the Court on January 29, 2025.
- 1.3 On August 26, 2024, the Court granted an order: (i) approving a sales and investment solicitation process in respect of certain assets of BCTFC (the “**BCTF SISP**”); (ii) approving a sales and investment solicitation process in respect of the assets of GSC and certain real property of BCTFC (together with the BCTF SISP, the “**SISPs**”); and (iii) authorizing and directing the Monitor and the Petitioners to do all things necessary or desirable to perform their obligations under the SISPs.
- 1.4 The Court has granted several orders authorizing the sale of certain real properties and other assets of the Petitioners, all of which have now been completed.
- 1.5 On May 16, 2025, upon the application of the Monitor, the Court granted an order (the “**Approval and Vesting Order**”) approving an agreement dated May 1, 2025 (the “**Wildstone APA**” and the transaction contemplated by the Wildstone APA, the “**Transaction**”) for the sale of all the Petitioners’ remaining real property and other assets to Manage Wildstone Partnership (the “**Purchaser**”). Following the granting of the Approval and Vesting Order, the closing date under the Wildstone APA (the “**Closing Date**”) was adjusted from May 30, 2025 to July 25, 2025. Since then, the Purchaser sought, and the Monitor consented to, an adjusted Closing Date on July 24, 2025. As a result, the Transaction closed on July 24, 2025.
- 1.6 Concurrently with the filing of this Fourteenth Report of the Monitor (the “**Fourteenth Report**”), the Monitor has filed an application seeking the following orders:
 - a) an order authorizing the Petitioners to change the names of BCTFC and GSC (the “**Name Change Order**”);

- b) an order (the “**Payment Order**”) approving payments to the Petitioners’ creditors whose claims were proven in accordance with the Claims Assignment Order or the Claims Process Order (a “**Proven Claim**”); and
- c) an order (the “**Receivership Order**”) transitioning the *CCAA* proceedings into receivership proceedings under the *Law and Equity Act* (BC) (the “**Receivership Proceedings**”).

1.7 Further information regarding the *CCAA* Proceedings, including copies of all orders made in these proceedings and all affidavits, reports of the Monitor and other Court-filed documents and notices (other than anything filed under seal) are available on the Monitor’s website at www.alvarezandmarsal.com/bctreefruits.

2.0 PURPOSE OF REPORT

2.1 This Fourteenth Report has been prepared by the Monitor to provide information to this Honourable Court with information regarding the following matters:

- f) the proposed Payment Order;
- g) the proposed receivership; and

2.2 This Fourteenth Report should be read in conjunction with the materials filed in the *CCAA* Proceedings (collectively, the “**Filed Materials**”), including Affidavit #1 of Doug Pankiw dated August 12, 2024. Background information contained in the Filed Materials has not been included herein to avoid unnecessary duplication. Capitalized terms not otherwise defined in this Report have the meanings ascribed to them in the Filed Materials.

3.0 TERMS OF REFERENCE

3.1 In preparing this report, A&M has necessarily relied upon unaudited financial and other information supplied, and representations made to it, by certain former senior management of the

BCTF Group (“**Management**”). Accordingly, A&M expresses no opinion and does not provide any other form of assurance on the accuracy and/or completeness of any information contained in this Report or otherwise used to prepare this Report.

3.2 Certain information referred to in this Report consists of financial forecasts and/or projections prepared by Management. An examination or review of financial forecasts and projections and procedures as outlined by the Chartered Professional Accountants of Canada has not been performed. Readers are cautioned that since financial forecasts and/or projections are based upon assumptions about future events and conditions that are not ascertainable, actual results will vary from those forecasts and/or projected, and the variations could be significant.

5.0 THE TRANSACTION AND PROPOSED NAME CHANGE

- 5.1 As noted above, on July 24, 2025, the Transaction between BCTFC, GSC and the Purchaser closed.
- 5.2 As a result of the closing of the Transaction, the remaining three union employees who were maintaining the controlled-atmosphere storage properties were terminated on July 26, 2025, and BCTFC's VP of Operations was terminated on July 28, 2025.
- 5.3 The remainder of the BCTF Group's employees were terminated by the Monitor on August 15, 2025. Select terminated employees were offered contracts to assist the Monitor with the wind-up of the BCTF Group, including to (i) assist with the Claims Process, (ii) vacate the current office facilities and (iii) respond to any inquiries from the Monitor.
- 5.4 According to the terms of the Wildstone APA, the Monitor is required to apply to Court to change the names of BCTFC (i.e. BC Tree Fruits Cooperative) and GSC (i.e. Growers Supply Company Limited) to names not containing "BC Tree Fruits", "Growers Supply Company", "BCTF" or "GSC" within 60 days of closing (which was July 24, 2025). Accordingly, the Monitor is making an application to this Honourable Court for an order authorizing the Petitioners to execute and file articles of amendment or such other documents or instruments as may be required to change each of the Petitioners' corporate and business names, among other things, without the requirement (if any) of obtaining director, member or shareholder approval pursuant to any federal or provincial legislation or otherwise.
- 5.5 The Monitor notes the following in relation to the proposed name changes:
 - a) upon the closing of the Transaction, the Purchaser is the owner of all the BCTF Group's intellectual property, which includes the trade names and the related trademarks; and
 - b) the Purchaser intends to use the acquired trade names for its fruit packing and processing operations.
- 5.6 BCTFC's name is established by Article 1 of the Memorandum of Association of Okanagan Tree Fruit Cooperative dated May 15, 2008 (the "**Memorandum**"), and the Certificate of Change of Name issued under the *Cooperative Association Act* (BC) (the "**Co-op Act**"), changing the name from Okanagan Tree Fruit Cooperative to BC Tree Fruits Cooperative.

- 5.7 Article 142 of the Rules of BCTFC, revised on November 16, 2021 (the “**Rules**”), provides that any amendments to the Memorandum must be in accordance with the *Co-op Act*, and the Rules. The Rules are silent on the process to approve an amendment, however, section 68 of the *Co-op Act* provides that a special resolution is required to change an association’s name.
- 5.8 The Monitor is of the view that it would be inefficient for the members and directors of BCTFC to call a special general meeting to amend the Memorandum to effect the name change required under the Transaction.
- 5.9 Accordingly, the Monitor is of the view that the proposed name changes are reasonable in the circumstances.

6.0 CASH FLOW VARIANCE FOR THE PERIOD ENDED AUGUST 17, 2025

- 6.1 As part of the ongoing oversight and monitoring of the business and financial affairs of the BCTF Group, the Monitor has set up a weekly cash flow review protocol with the Petitioners to compare actual cash flows against the Fourth Cash Flow Forecast. The Petitioners’ actual cash receipts and disbursements compared to the Fourth Cash Flow Forecast during the period April 14, 2025 to August 17, 2025 (the “**Reporting Period**”) is summarized below.

BC Tree Fruits Cooperative & Growers Supply Company Limited

6.2 The Petitioners experienced a net favorable cash flow variance of \$21.0 million during the Reporting Period, primarily attributable to the following factors:

- receipts were \$1.3 million lower than anticipated, largely due to lower than anticipated draws on the Pillar DIP facility, offset by collections of aged AR, interest income, and timing differences on the collection of rent;
- disbursements for insurance premiums and property taxes were \$589,000 and \$339,000 lower than anticipated, respectively, as insurance premiums and property taxes were paid on a prorated basis (rather than annually) due to the completion of the Transaction. Additionally, premium refunds were received for properties that were previously sold during the Reporting Period;
- GST refunds of \$78,000 was received during the Reporting Period;

- d) professional fees—including payments to the Monitor, Fasken, NRF and the counsel for the current members’ representative were \$886,000 higher than anticipated. This variance is primarily due to the reversal of timing differences noted in the Twelfth Report of the Monitor dated May 8, 2025, and additional professional fees incurred for activities not contemplated in the Fourth Cash Flow Forecast, including but not limited to the negotiation and closing of the Transaction and the administration of the Claims Process;
- e) Pillar DIP Fees and Interest were \$172,000 lower than anticipated due to the earlier-than-anticipated repayment of the Pillar DIP facility; and
- f) other receipts and disbursements were \$21.9 million higher than anticipated due to proceeds from the Transaction totaling \$22.9 million. Transaction proceeds were slightly offset by \$950,000 as the bins located at 333-3345 Sexsmith Road, Kelowna, B.C. (the “**Sexsmith Property**”) were included in the sale of the Sexsmith Property and not sold separately as previously forecast.

6.3 As at August 10, 2025, the Monitor’s trust accounts held a combined total of \$38.3 million in cash and guaranteed investment certificates.

7.0 FIFTH CASH FLOW FORECAST

7.1 The Monitor has prepared a cash flow projection for the BCTF Group on a weekly basis for the Fifth Forecast Period, using the probable and hypothetical assumptions set out in the notes to the Fifth Cash Flow Forecast. A copy of the Fifth Cash Flow Forecast along with its notes and assumptions are attached hereto as Appendix “A”. The Fifth Cash Flow Forecast is summarized below:

BC Tree Fruits Cooperative & Growers Supply Company Limited

Closing	15,101

7.2 The Fifth Cash Flow Forecast projects that the BCTF Group will experience a net cash outflow of approximately \$23.2 million over the Fifth Forecast Period and is based on the following key assumptions:

- during the Fifth Forecast Period, the BCTF Group expects to collect \$254,000 in the form of settlements for outstanding accounts receivable and refunds for various items including GST and insurance;
- the BCTF Group will collect \$293,000 from funds that are held in escrow to satisfy certain contractual obligations to BCTF Group's employees (as noted below);
- the BCTF Group will continue its efforts to collect outstanding accounts receivable. For the purpose of the Fifth Cash Flow Forecast, no collections (other than those subject to an agreement) are included in the forecast;
- total operating disbursements are forecast to be \$684,000, consisting of final payroll runs for the terminated BCTF Group employees, release of severance payment to a former employee as part of the release of escrow funds, ongoing contractor payments to former employees on an

as-needed basis, utilities and general and administrative costs, audit and tax fees, and the cost of the Directors' and Officers' insurance runoff policy required for the anticipated termination of the *CCAA* Proceedings (subsequently discussed) and resignation of the board of directors;

- e) professional fees are forecast to total approximately \$1.2 million during the Fifth Forecast Period. This amount includes both currently outstanding and anticipated fees payable to the Petitioners' counsel, the Monitor and its counsel, counsel for the current members' representative, and counsel for the former members' representative; and
- f) distributions totaling approximately \$21.9 million, pursuant to the Distribution Order (if granted), are included in the Fifth Forecast Period and discussed in further detail below.

7.3 The Monitor's review of the Fifth Cash Flow Forecast consisted of inquiries, analytical procedures, and discussions relating to information gathered by the Monitor. Since hypothetical assumptions need not be supported, the procedures with respect to them were limited to evaluating whether they were consistent with the purposes of the Fifth Cash Flow Forecast. The Monitor also considered the probable assumptions and the preparation and presentation of the Fifth Cash Flow Forecast.

7.4 Based on the Monitor's review of the Fifth Cash Flow Forecast, nothing has come to its attention that causes it to believe that, in all material respects:

- a) the hypothetical assumptions are not consistent with the purpose of the Fifth Cash Flow Forecast;
- b) as at the date of this Fourteenth Report, the probable assumptions developed are not suitably supported and consistent with the plans of the Petitioners or do not provide a reasonable basis for the Fifth Cash Flow Forecast, given the hypothetical assumptions; or
- c) the Fifth Cash Flow Forecast does not reflect the probable and hypothetical assumptions.

7.5 Since the Fifth Cash Flow Forecast is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, the Monitor expresses no assurance as to whether the Fifth Cash Flow Forecast will be accurate. The Monitor expresses no opinion or other form of assurance with respect to the accuracy of any financial information presented in this report or relied upon by it in preparing this Report.

7.6 The Fifth Cash Flow Forecast has been prepared solely for the purpose described in Note 1 to the Fifth Cash Flow Forecast, and readers are cautioned that it may not be appropriate for other purposes.

8.0 CLAIMS PROCESS

- 8.1 As noted in the Thirteenth Report of the Monitor dated July 9, 2025 (the “**Thirteenth Report**”), the Monitor received 42 proofs of claims in the Claims Process. NORDs were delivered to 34 parties on June 26, 2025 and June 27, 2025. Parties who received a NORD who wished to dispute their claim were to deliver a Notice of Dispute (“the “**NOD**”) to the Monitor within 14 days after the date of the NORD.
- 8.2 As of the date of this Fourteenth Report, the deadline for parties to respond to the NORDs has lapsed. The Monitor received a total of 14 NODs, with disputed amounts totaling approximately \$3 million. Of the 14 NODs, three of the claims have been resolved. Accordingly, as at the date of this Fourteenth Report, there are a total of 1,242 Proven Claims totaling \$21.9 million.
- 8.3 The Monitor will continue working to resolve the remaining 11 NODs, which total approximately \$2.4 million. As necessary, the Monitor will seek directions from this Honourable Court to facilitate further distributions in respect of such claims.
- 8.4 In addition to the foregoing, the Monitor is in the process of calculating additional restructuring claims arising from the recent termination of all remaining employees of the BCTF Group. Based on the Monitor’s calculations, these claims are expected to be in the range of \$770,000. The Monitor will be seeking further directions from this Honourable Court as these claims are adjudicated.
- 8.5 A summary of the current status of the Claims Process is set out below:

BCTF Group Claims Summary as at August 22, 2025		
	Number of Claims	Amount
Proven claims	1,242	\$ 21,856,174.22
Claims in dispute	11	2,414,650.55
Additional restructuring claims	6	771,703.22
Total	1,259	\$ 25,042,527.99

9.0 PAYMENT ORDER

- 9.1 As noted above, the BCTF Group currently holds approximately \$38.3 million of cash in its bank accounts. Accordingly, the Monitor is of the view that it would be appropriate to pay to all creditors the full amounts of their Proven Claims (the “**First Payments**”).
- 9.2 The list of creditors with Proven Claims to be included in the First Payments is attached hereto as Appendix “B”.

- 9.3 The distributions will be subject to any deductions and withholdings from any such payments as may be required under any applicable laws, including, without limitation, any tax withholdings, statutory deductions and any employment insurance overpayments, and to remit such amounts to the appropriate governmental authority (e.g. payments made to terminated employees by Service Canada under WEPPA).
- 9.4 As noted in the Fifth Cash Flow Forecast, after the proposed First Payments are made, the Monitor is expected to have approximately \$15.1 million of cash on hand. Given the amount of the remaining outstanding claims — including disputed claims and additional restructuring claims — is estimated to be approximately \$3.2 million, the Monitor is of the view that there are more than sufficient funds on hand to make the First Payments.

10.0 TRANSITION TO RECEIVERSHIP

- 10.1 As of the date of this Fourteenth Report, substantially all of BCTF Group's assets have been sold, and the BCTF Group's employees have all been terminated. At this time, the outstanding matters to be resolved are to conclude the Claims Process and, subsequently, to distribute all remaining funds on hand (the "**Remaining Matters**").
- 10.2 While the Monitor has enhanced powers under the ARIO, the BCTFC board of directors is still in place, and BCTFC continues to pay director fees of approximately \$10,000/month to its directors. Given there are no longer any operations that may require board of directors' involvement, and that all employees (including BCTFC's interim CEO and CFO) are terminated, the Monitor is of the view that there is no practical reason for the continuation of a debtor-in-possession proceeding, and the Monitor is of the view that the Petitioners' stakeholders who have an interest in the remaining sale proceeds would stand to benefit from the reduced costs that would result from having this proceeding transition to a receivership under the *Law and Equity Act* (BC), where the receiver can administer the Remaining Matters.
- 10.3 The Monitor understands that the current directors of BCTFC are expected to resign from their positions in the near future. Although the directors and management had a limited role in the Petitioners' operations as a result of the Monitor's enhanced powers, a receivership proceeding would allow for their resignation and permit A&M – as receiver – to direct and manage the companies without any involvement on the part of the directors or management of the Petitioners.
- 10.4 It is noted that, in the proposed Receivership Order, the receiver would have the ability, if so directed by the Court pursuant to further order, to provide notice of and convene any meeting of the voting members of BCTFC, adjourn such meeting, tabulate and report on the outcome of any

votes held at any such meeting and otherwise administer such meeting. The Receivership Order is also without prejudice to the rights, claims and positions of the current and former members of BCTFC with respect of any entitlement of the current members of BCTFC to apply to this Court for an order to cause the Receiver to convene a special meeting of the current members to consider any resolution the current members wish to put forward at such meeting.

- 10.5 The Monitor is seeking its discharge concurrently with the transition of these proceedings to a receivership.
- 10.6 The Receivership Order provides for certain releases of (i) the current and former directors, officers, employees, consultants, legal counsel and advisors of the Petitioners, and (ii) the Monitor and its legal counsel and their respective current and former directors, officers, partners, employees, consultants and advisors (collectively, the “**Released Parties**”), for any and all present and future claims against the Released Parties in respect of these *CCAA* Proceedings.
- 10.7 In consideration of the extensive efforts expended by the Released Parties, the Monitor is of the opinion that the releases sought are reasonable in the circumstances.
- 10.8 The proposed Receivership Order provides that the Receiver’s Charge shall rank *pari passu* with the Administration Charge, as defined in and created by ARIO. It also contemplates the discharge of the Directors’ Charge (as defined in and created by the ARIO), the Interim Lender’s Charge (as defined in and created by the ARIO) and the New Interim Lender’s Charge (as defined in and created by the order made in these proceedings on January 31, 2025).
- 10.9 The Monitor believes it is reasonable to terminate and discharge the Directors’ Charge due to the abovementioned releases sought. The Monitor also supports the termination and discharge of the Interim Lender’s Charge and the New Interim Lender's Charge as the respective interim financings have been repaid in full.

11.0 OTHER MATTERS

- 11.1 It is the Monitor’s understanding that, following the appointment of the Former Members’ Representative Counsel, discussions have taken place between the Current Members’ Representative Counsel and the Former Members’ Representative to schedule a court hearing concerning the proposed Special General Meeting by the current BCTFC members.
- 11.2 The Monitor was advised that the Former Members’ Representative Counsel has submitted a request to appear in front of this Honourable Court on October 3, 2025.

12.0 CONCLUSION AND RECOMMENDATIONS

12.1 The Monitor respectfully recommends that this Honourable Court grant the following orders:

- a) the Name Change Order;
- b) the Payment Order; and
- c) the Receivership Order.

All of which is respectfully submitted to this Honourable Court this 25th day of August, 2025.

For the period August 18, 2025 - November 28, 2025

There are no representations, warranties or other assurances that any of the estimates, forecasts, or projections will be realized. The projections are based upon certain estimates and assumptions discussed below and may be amended from time to time during the CCAA Proceedings. Upon such amendments, the Monitor will update its cash flow forecast accordingly as included herein.
