APPLICATION

1. The applicant, Sungard Availability Services (Canada) Ltd./Sungard, Services de Continuite des Affaires (Canada) Ltee (“**Sungard AS Canada**”) brings this application as the proposed foreign representative (in such capacity, Sungard AS Canada or the “**Proposed Foreign Representative**”) of itself and the other Debtors (defined below) for certain relief pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”).
2. On this Application, Sungard AS Canada seeks, three orders as set out below:
 - (a) an interim order, among other things, staying proceedings (the “**Interim Stay**”) against Sungard AS Canada as well as Sungard AS New Holdings III, LLC and Sungard Availability Services LP (the “**Guarantor Debtors**”), which have guaranteed certain lease obligations of Sungard AS Canada but have no assets in Canada, other than certain registered intellectual property rights, pending the determination of the relief set out below (the “**Interim Order**”);
 - (b) an order, among other things, finding that Sungard AS Canada is the foreign representative (in such capacity, the “**Foreign Representative**”) of the Debtors (as defined below), finding that the centre of main interests for Sungard AS Canada is the United States, and recognizing the case (the “**Chapter 11 Case**” and together with the cases commenced by the other Debtors (listed below), the “**Chapter 11 Cases**”) under Chapter 11, title 11 of the United States Code (the “**Bankruptcy Code**”) commenced by Sungard AS Canada in the United States Bankruptcy Court for the Southern District of Texas (the “**U.S. Bankruptcy Court**”) as a foreign main proceeding under Part IV of the CCAA (the “**Initial Recognition Order**”); and

(c) an order, among other things (i) recognizing certain orders of the U.S. Bankruptcy Court, if made in the Chapter 11 Cases (the “**U.S. Orders**”), (ii) appointing Alvarez & Marsal Canada Inc. as information officer in respect of these proceedings (in such capacity, the “**Information Officer**”) and (iii) granting the Administration Charge (as defined below) and the DIP Agents’ Charges (as defined below) (the “**Supplemental Order**”).

3. This Application is proposed to proceed in stages. At the initial return date, Sungard AS Canada will seek only (i) the Interim Order; and (ii) the scheduling of the hearing for the Initial Recognition Order and Supplemental Order.

4. The grounds for the application are:

The Chapter 11 Cases

(a) On April 11, 2022, the Sungard AS Canada and 11 US-based affiliated companies¹ (each a “**Debtor**” and collectively, the “**Debtors**”) filed voluntary petitions for relief under the Bankruptcy Code in the U.S. Bankruptcy Court, resulting in an automatic stay of proceedings. Contemporaneously therewith, the Debtors filed motions seeking, among other things, authority to continue to operate their business in the ordinary course, authority to enter into and borrow under the DIP Facilities (defined below), and entry of the Foreign Representative Order (defined below).

(b) A hearing (the “**First Day Hearing**”) in respect of the motions filed in the Chapter 11 Cases of each of the Debtors, including Sungard AS Canada, is expected to be

¹ “**Debtors**” means the following entities that are “debtors” in the Chapter 11 Cases: InFlow LLC; Sungard AS New Holdings, LLC; Sungard AS New Holdings II, LLC; Sungard AS New Holdings III, LLC; Sungard Availability Network Solutions Inc.; Sungard Availability Services (Canada) Ltd./Sungard, Services de Continuite des Affaires (Canada) Ltee; Sungard Availability Services Holdings (Canada), Inc.; Sungard Availability Services Holdings (Europe), Inc.; Sungard Availability Services Holdings, LLC; Sungard Availability Services Technology, LLC; Sungard Availability Services, LP; and Sungard Availability Services, Ltd.

scheduled in the next business day. If the U.S. Bankruptcy Court grants the requested orders, including the Foreign Representative Order, the orders are expected to be available later in the week.

- (c) No other foreign proceedings in respect of Sungard AS Canada have been commenced, although an affiliate of Sungard AS Canada is in administration in the United Kingdom.

The Company

- (d) For approximately 40 years, the Debtors and their non-Debtor affiliates (the “**Company**”) has established and maintained resilient and recoverable information technology environments for myriad businesses, including financial institutions, healthcare, manufacturing, logistics, transportation and general services. The Company operates through four main business units—Colocation & Network Services, Cloud & Managed Services, Recovery Services and Workplace Recovery. Through these business units, the Company helps its approximately 2,000 of customers worldwide in essential industries achieve uninterrupted access to their mission-critical data and IT systems through high availability, cloud-connected infrastructure services built to deliver business resilience in the event of an unplanned business disruption caused by, among other things, man-made events or natural disasters (e.g., cyberattacks, power outages, telecommunication disruptions, acts of terrorism, floods, hurricanes and earthquakes).
- (e) Headquartered in Wayne, Pennsylvania, the Debtors employ approximately 585 individuals in the United States and Canada. The Company (including non-Debtor entities) operates 55 facilities (the “**Facilities**”) (comprising 24 data centers and 31 Workplace Recovery centers (as defined below)) and provides services to its

customers across nine countries—the United States, the United Kingdom, Canada, Ireland, France, India, Belgium, Luxembourg and Poland. The Company works with its customers to tailor and seamlessly integrate infrastructure solutions to meet customers' application requirements and to optimize business IT outcomes, using either a consumption-based pricing model or a solution backed by a managed, service level agreement.

Sungard AS Canada

- (f) Sungard AS Canada is a corporation formed by amalgamation under the *Ontario Business Corporations Act* on October 1, 2002. Its registered office is a law firm in Toronto, Ontario that maintains the corporate minute books. Sungard AS Canada is also extra-provincially registered in Alberta, British Columbia, Manitoba, and Quebec.
- (g) The Canadian business relies entirely on shared services provided by other entities within the Company and decision-makers employed by the other Debtors and located in the United States. Sungard AS Canada has only 6 locations (four leased locations in Ontario and two in Quebec) compared to the Company's 55 Facilities worldwide and during fiscal 2021, represented approximately 6% of the Company's consolidated revenue. Sungard AS Canada's operations are therefore small in terms of financial and operational scope, vis-à-vis the consolidated business operations of the Company.
- (h) Sungard AS Canada is a borrower or a guarantor on the three of the Company's primary secured debt facilities, with principal amounts outstanding under those facilities in excess of USD\$400 million. Sungard AS Canada has granted security to the lenders or agents for the lenders as security for those loans.

Restructuring

- (i) Operational liabilities, including long-term fixed costs for the Facilities' leases, have weighed on the Company's performance and ability to implement its business plan and growth opportunities—efforts that have been further strained by the COVID-19 pandemic, faster than expected declines in demand for the Company's legacy products and increased competition for the Company's more current, cloud-based products. While the Company has been successful in certain of its tactics to execute on its business plan, the persistence of declining revenues, significant uneconomical leases and protracted pandemic conditions prompted the need for a thorough evaluation of the Company's strategic alternatives, both in the short-term and the long-term, including more comprehensive asset sales.
- (j) While this strategic review was ongoing, the Company's subsidiary in the United Kingdom, Sungard Availability Services (UK) Limited ("**Sungard AS UK**") was hit by historic energy price increases that had a devastating effect on its operations. As a result, the directors of Sungard AS UK, determined that it was necessary for Sungard AS UK to commence an administration proceeding under UK insolvency law, which it did on March 25, 2022.
- (k) The swift decline of Sungard AS UK's financial position and the continuing challenges for the rest of the Company accelerated the Company's need to pursue a more comprehensive restructuring transaction and, after exploring all available options, it determined to commence the Chapter 11 Cases with respect to all of the Debtors. In the weeks leading up to the filing and with the assistance of its advisors, the Company engaged in expedited yet arm's-length negotiations with

an ad hoc group of term loan lenders (the “**Ad Hoc Group**”) over the terms of a potential chapter 11 restructuring.

- (l) Certain members of the Ad Hoc Group agreed to provide the Company with incremental term loans under the Prepetition 1L Term Loan Credit Agreement (as defined in the Affidavit of Michael K. Robinson sworn April 11, 2022, the “**Robinson Affidavit**”) to support the continuation of ongoing discussions regarding potential financing and restructuring transactions.
- (m) The terms of the restructuring have now been memorialized in a restructuring support agreement (the “**RSA**”). The RSA was entered into on April 10, 2022 among the Debtors and holders in excess of 80% of the term loans under the Prepetition 1L Term Loan Credit Agreement and 80% of the term loan under the Prepetition New 2L Credit Agreement (as defined in the Robinson Affidavit). The RSA provides a flexible structure that will enable the parties to explore the most value-maximizing restructuring alternative available—whether through the sale of all, substantially all or one or more subsets of the Debtors’ assets (the “**Sale Scenario**”) or an equitization of the Debtors’ prepetition funded debt and compromise of other prepetition liabilities through a chapter 11 plan of reorganization (the “**Equitization Scenario**”).
- (n) To fund the Chapter 11 Cases, the proposed recognition proceedings, and the processes contemplated by the RSA, subject to U.S. Bankruptcy Court approval, the Company further secured access to debtor in possession financing facilities in the aggregate amount of USD\$335.9 million comprising (i) a USD\$50 million senior secured revolving credit facility (the “**ABL DIP Facility**”) and (ii) a USD\$285.9 million senior secured multi-draw term loan facility, consisting of up to USD\$95.3

million in new money loans and up to USD\$190.6 million in “rolled up” prepetition obligations (the “**Term Loan DIP Facility**” and, together with the ABL DIP Facility, the “**DIP Facilities**”).

- (o) Importantly, the Debtors’ proposed lenders under the Term Loan DIP Facility, (the “**Term Loan DIP Lenders**”) and the lenders under the prepetition term loan agreements (the “**Prepetition Term Loan Lenders**”) party to the RSA have agreed that they will establish a “reserve price” for each group of the Debtors’ assets and, alternatively, for the assets comprising the Debtors’ business as a whole. With the implementation of the reserve price structure, the Term Loan DIP Lenders and Prepetition Term Loan Lenders have agreed to cap any credit bid they may make for the Debtors’ assets at the reserve price such that if one or more third parties submit qualified bids for the Debtors’ assets that, standing alone or in the aggregate, exceed the applicable reserve price, the Term Loan DIP Lenders and Prepetition Term Loan Lenders will agree not to bid above the reserve price. This structure assures interested bidders that they are not competing against “credit bid currency” up to the full amount of the Debtors’ postpetition and prepetition secured indebtedness and the Debtors are hopeful that such cap will increase the likelihood of a robust auction process for the Debtors’ assets. Indeed, the Debtors and their prepetition secured lenders are eager to (i) ensure a true market test on the value of the Debtors and their assets and (ii) maximize the value of the Debtors’ estates for the benefit of all stakeholders. This reserve price feature, which will be incorporated into formal bidding procedures to be filed in the near term, and will allow the Debtors to build on their prepetition marketing efforts and run a comprehensive sale process over the next approximately 90 days that

will enable the Debtors to solicit and assess any bid or combination of bids that may maximize the value of their estates for the benefit of all parties in interest.

- (p) Recognition of Sungard AS Canada's Chapter 11 Case as a foreign main proceeding will provide the Company the opportunity to complete a comprehensive sale or restructuring of its North American business, including the Canadian business, in an efficient manner, thereby maximizing value for stakeholders.

The Interim Order is Necessary

- (q) The formal order appointing Sungard AS Canada as the Foreign Representative will not be available when Sungard AS Canada seeks the proposed Interim Order; at the earliest, the order, if granted, will be available after the First Day Hearing.
- (r) The Interim Stay of proceedings accounts for the gap in time between the imposition of an automatic stay in favour of the Debtors in the Chapter 11 Cases which arose on electronic filing of the petition under the Bankruptcy Code and the time when Sungard AS Canada is able to obtain an order for its appointment as Foreign Representative and return to this Court to seek the relief available in an Initial Recognition Order and Supplemental Order pursuant to Part IV of the CCAA.
- (s) The Court has jurisdiction to grant an interim stay of proceedings and it is reasonably necessary in the circumstances of this case for such relief to be granted to protect Sungard AS Canada's business and its customers.

The Chapter 11 Cases are Foreign Main Proceedings

- (t) Sungard AS Canada has filed a Chapter 11 Case which constitutes a "foreign proceeding" under section 45(1) of the CCAA. The Debtors anticipate seeking an order appointing Sungard AS Canada as the Foreign Representative of all of the

Debtors at the First Day Hearing. If such order is granted, Sungard AS Canada will fall within the definition of “foreign representative” under section 45(1) of the CCAA.

- (u) Pursuant to section 47(1) of the CCAA, this Court shall make an order recognizing the Chapter 11 Cases if it is satisfied that the application relates to a “foreign proceeding” and that the applicant is a “foreign representative” and if granted section 47(2) requires that the Court specify whether the foreign proceeding is a “foreign main proceeding” or a “foreign non-main proceeding.”
- (v) Section 45(1) of the CCAA provides that a “foreign main proceeding” is a foreign proceeding in a jurisdiction where the debtor company has the “centre of its main interests” (“**COMI**”). The rebuttable presumption under section 45(2) is that, absent evidence to the contrary, a debtor’s COMI is presumed to be the location of its registered office. COMI is a substantive determination dependent on a number of factors.
- (w) Sungard AS Canada’s COMI is in the United States, where senior management, decision-making, and key functions take place. No significant management, financial or executive decision making occurs in Canada.
- (x) Sungard AS New Holdings III, LLC and Sungard Availability Services LP have guaranteed or indemnified three of the Sungard AS Canada Leases and own certain intellectual property rights registered in Canada. However, for purposes of cost and efficiency, Sungard AS Canada is not seeking recognition of any of the other Chapter 11 Cases at this time.

A Stay of Proceedings is Required and Appropriate

- (a) Under section 48 of the CCAA, this Court shall, in the case of a foreign main proceeding, exercise its jurisdiction to prohibit the commencement or furtherance of any action, suit, or proceeding against Sungard AS Canada, subject to any terms and conditions it considers appropriate.
- (b) Considering the requirements under the CCAA and the challenges facing Sungard AS Canada and the Guarantor Debtors, a stay of proceedings in Canada is essential to facilitate the Chapter 11 Cases and the Debtors' emergence from the reorganization process.

The Initial Recognition Order and Supplemental Order should be Granted

- (c) In addition, section 49 of the CCAA grants this Court broad discretion to make any order that it considers appropriate, if it is satisfied that the order is necessary for the protection of the debtor company's property or the interests of creditors.
- (d) The Debtors are seeking several orders in the Chapter 11 Cases that, if granted, Sungard AS Canada requests be recognized in this CCAA proceeding;

The Appointment of an Information Officer is Appropriate

- (e) A&M is a licensed insolvency trustee, well-known for its expertise in CCAA matters (including cross-border plenary and ancillary proceedings under the CCAA) and has consented to act as the Information Officer in the within proceeding and will assist the Court and Canadian stakeholders of Sungard AS Canada.

The Administration Charge is Necessary and Appropriate

- (f) Sungard AS Canada proposes a charge for the benefit of its legal counsel, the proposed Information Officer, and the Information Officer's counsel in the amount of CAD\$500,000 (the "**Administration Charge**").
- (g) Approval of the Administration Charge and appointment of professionals by this Court is appropriate, as the professionals will be providing services before this Court.
- (h) The size of the Administration Charge is reasonable in the circumstances having regard to the size and complexity of these proceedings and the different contributions the beneficiaries of the charge will make.

Granting the DIP Agents' Charges is Necessary and Appropriate

- (i) In connection with the Chapter 11 Cases, the Debtors are seeking approval from the U.S. Bankruptcy Court of the DIP Facilities.
- (j) Relief from the U.S. Bankruptcy Court will be sought in two stages – an interim order which will approve certain emergency funding for the Debtors (the "**Interim DIP Order**") and a final order (the "**Final DIP Order**") which if granted, will approve additional funding and protections for the applicable lenders. The proposed Interim DIP Order will grant certain superpriority liens and claims, with the relative priority between the two DIP Facilities on the terms set out therein.
- (k) The proposed DIP Facilities are as follows:
 - (i) **The ABL DIP Facility.** The ABL DIP Facility consists of a USD\$50,000,000 senior secured revolving credit facility pursuant to which:

- (A) upon entry of the Interim DIP Order, the first proceeds of the applicable collateral shall be deemed to reduce the obligations under the petition revolving credit agreement (the “**Revolving Credit Agreement Obligations**”) and will be converted, on a dollar for dollar basis, into new postpetition loans or commitments. In addition, the Debtors will reduce the Revolving Credit Agreement Obligations by USD\$13,500,000.
 - (B) any Revolving Credit Agreement Obligations that remain outstanding as of the entry of the Final DIP Order shall also, under the proposed terms of the ABL DIP Facility, be automatically converted into postpetition loans or commitments.
- (ii) **The Term Loan DIP Facility.** The Term Loan DIP Facility comprises up to USD\$95,300,000 of senior secured multi-draw term loans, consisting of:
- (A) **Tranche A:** up to USD\$41.15 million in new money loans available upon entry of the Interim DIP Order, up to USD\$54.15 million in new money loans available upon entry of the Final DIP Order.
 - (B) **Tranche B:** Subject to the terms of the Final DIP Order, a roll-up of certain obligations under the Prepetition 1L Term Loan Credit Agreement on a 2:1 ratio, meaning that for every dollar of new money advanced, the lender shall be entitled to roll up 2 dollars of obligations under the Prepetition 1L Term Loan Credit Agreement.

- (iii) Tranche C: Subject to the terms of the Final DIP Order, a roll-up of certain obligations under the Prepetition New 2L Credit Agreement on terms similar to Tranche B and subject to the terms of the Final DIP Order.
- (iv) In addition to the relief sought in the US, including superpriority claims and liens over the U.S. assets, Sungard AS Canada is seeking recognition of the Interim DIP Order and two charges (collectively the “**DIP Agents’ Charges**”) with respect to interim financing over the property of Sungard AS Canada in Canada -- one in respect of the ABL DIP Facility and one in respect of the Term Loan DIP Facility.
- (l) The DIP Facilities provide much needed liquidity that will allow the Debtors to meet immediate operational needs. Without the financing provided through the DIP Facilities, the Debtors would be unable to operate in the ordinary course. The DIP Facilities will also reassure the Company’s customers and employees that the Company will be able to continue to meet its commitments during these Chapter 11 Cases and that the Company’s businesses are likely to continue as a going concern, whether pursuant to the Sale Scenario or the Equitization Scenario..

General

- (m) CCAA, including Part IV.
 - (n) *Courts of Justice Act*, RSO 1990, c C.43, including section 106.

**AFFIDAVIT OF MICHAEL K. ROBINSON
(sworn April 11, 2022)**

I, Michael K. Robinson, of the City of Wilmington, in the state of North Carolina, MAKE
OATH AND SAY:

1. I am the Chief Executive Officer and President of each of the Debtors¹ (together with their direct and indirect non-Debtor subsidiaries, the "**Company**"), including Sungard Availability Services (Canada) Ltd./Sungard, Services de Continuite des Affaires (Canada) Ltee ("**Sungard AS Canada**"). I have served in this position since May 2019. I also serve on the Board of

¹ "**Debtors**" means the following entities that are "debtors" in the Chapter 11 Cases: InFlow LLC; Sungard AS New Holdings, LLC; Sungard AS New Holdings II, LLC; Sungard AS New Holdings III, LLC; Sungard Availability Network Solutions Inc.; Sungard Availability Services (Canada) Ltd./Sungard, Services de Continuite des Affaires (Canada) Ltee; Sungard Availability Services Holdings (Canada), Inc.; Sungard Availability Services Holdings (Europe), Inc.; Sungard Availability Services Holdings, LLC; Sungard Availability Services Technology, LLC; Sungard Availability Services, LP; and Sungard Availability Services, Ltd.

Managers of the Company's ultimate parent Sungard AS New Holdings, LLC ("**Sungard AS**") and the applicable governing body of each other Debtor.

2. As a result of my tenure with the Company, my review of public and non-public documents, and my discussions with other senior executives, I am generally familiar with the Company's businesses, financial condition, day-to-day operations, and books and records, and, as such, have knowledge of the matters contained in this affidavit. Where I do not possess such personal knowledge, I have stated the source of my information and, in all such cases, believe the information to be true. In preparing this affidavit, I have consulted with legal, financial and other advisors to the Company, and other members of the senior management team of the Company.

3. I swear this affidavit in support of the application of the applicant, Sungard AS Canada, for certain relief pursuant to Part IV of the *Companies' Creditors Arrangement Act* R.S.C., 1985, c. C-36, as amended, (the "**CCAA**"). Sungard AS Canada seeks, among other things:

- (a) an interim order staying proceedings (the "**Interim Stay**") against Sungard AS Canada as well as Sungard AS New Holdings III, LLC and Sungard Availability Services LP (the "**Guarantor Debtors**"), which have guaranteed certain lease obligations of Sungard AS Canada but have no assets in Canada, other than certain registered intellectual property rights, pending the determination of the relief set out below (the "**Interim Order**");
- (b) an order finding that Sungard AS Canada is the foreign representative (in such capacity, the "**Foreign Representative**") of the Debtors (as defined below), finding that the centre of main interests for Sungard AS Canada is the United States, and recognizing the case (the "**Chapter 11 Case**" and together with the cases commenced by the other Debtors (listed below), the "**Chapter 11 Cases**") under Chapter 11, title 11 of the United States Code (the "**Bankruptcy Code**")

commenced by Sungard AS Canada in the United States Bankruptcy Court for the Southern District of Texas (the “**U.S. Bankruptcy Court**”) as a foreign main proceeding under Part IV of the CCAA (the “**Initial Recognition Order**”); and

- (c) an order (i) recognizing certain orders of the U.S. Bankruptcy Court, if made in the Chapter 11 Cases (the “**U.S. Orders**”), (ii) appointing Alvarez & Marsal Canada Inc. (“**A&M**”) as information officer in respect of these proceedings (in such capacity, the “**Information Officer**”) and (iii) granting the Administration Charge (as defined below) and the DIP Agents’ Charges (as defined below) (the “**Supplemental Order**”).

4. The above relief is being sought in stages. It is expected that at the initial hearing in this application, certain of the U.S. Orders (including the order appointing Sungard AS Canada as the Foreign Representative (the “**Foreign Representative Order**”)) will not yet be granted by the U.S. Bankruptcy Court. To protect Sungard AS Canada’s assets and business in Canada in the intervening period following commencement of the Chapter 11 Cases, pursuant to the Interim Order, Sungard AS Canada will seek an interim stay pending the issuance of the Foreign Representative Order. Once the Foreign Representative Order and the remaining “first day” relief have been formally issued and granted by the U.S. Bankruptcy Court, then Sungard AS Canada will return to the Ontario Superior Court of Justice (Commercial List) (the “**Canadian Court**”) to seek the Initial Recognition Order and the Supplemental Order.

I. OVERVIEW

A. The Chapter 11 Filing

5. On April 11, 2022 (the “**Petition Date**”) the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the U.S. Bankruptcy Court, resulting in an automatic stay of proceedings. Contemporaneously therewith, the Debtors filed pleadings seeking, among other things, authority

to continue to operate their business in the ordinary course, authority to enter into and borrow under the DIP Facilities (defined below), and entry of the Foreign Representative Order.

6. I am not aware of any foreign insolvency proceedings involving Sungard AS Canada other than the Chapter 11 Cases, but a non-Debtor affiliate of the Company is in an administration proceeding in the United Kingdom (“**U.K.**”).

7. A copy of the Chapter 11 petition for Sungard AS Canada is attached as **Exhibit “A”** hereto. For cost and efficiency reasons, Sungard AS Canada, as proposed Foreign Representative, is not seeking to recognize the proceedings of the remaining 11 Debtors at this time, but the petitions are or will be available on the claims agent’s website at the following link: <https://cases.ra.kroll.com/SungardAS>.

8. My declaration on behalf of the Debtors (the “**U.S. First Day Declaration**”) filed in the Chapter 11 Cases is attached hereto as **Exhibit “B”** without exhibits. The U.S. First Day Declaration provides a comprehensive overview of the Company and the events leading up to the commencement of the Chapter 11 Cases. This affidavit provides more information on Sungard AS Canada, including an overview of Sungard AS Canada’s operations, customer base, and goals for the CCAA proceeding.

B. The Company

9. For approximately 40 years, the Company has established and maintained resilient and recoverable information technology (“**IT**”) environments for myriad businesses, including financial institutions, healthcare, manufacturing, logistics, transportation and general services. As described in further detail in the U.S. First Day Declaration, the Company operates through four main business units—Colocation & Network Services, Cloud & Managed Services, Recovery Services and Workplace Recovery. Through these business units, the Company helps its approximately 2,000 customers worldwide in a wide-range of industries achieve uninterrupted

access to their mission-critical data and IT systems through high availability, cloud-connected infrastructure services built to deliver business resilience in the event of an unplanned business disruption caused by, among other things, man-made events or natural disasters (e.g., cyberattacks, power outages, telecommunication disruptions, acts of terrorism, floods, hurricanes and earthquakes).

10. Headquartered in Wayne, Pennsylvania, the Debtors employ approximately 585 individuals in the United States and Canada. The Company operates 55 facilities (the “**Facilities**”) (comprising 24 data centers and 31 Workplace Recovery centers (as defined below)) and provides services to its customers across nine countries—the United States, the United Kingdom, Canada, Ireland, France, India, Belgium, Luxembourg and Poland. The Company works with its customers to tailor and seamlessly integrate infrastructure solutions to meet customers’ application requirements and to optimize business IT outcomes, using either a consumption-based pricing model or a solution backed by a managed, service level agreement

11. The Canadian business relies entirely on shared services provided by other entities within the Company and decision-makers employed by the other Debtors and located in the United States. Sungard AS Canada has only 6 locations compared to the Company’s 55 Facilities worldwide and during fiscal 2021, represented approximately 6% of the Company’s consolidated revenue. Sungard AS Canada’s operations are therefore small in terms of financial and operational scope, vis-à-vis the consolidated business operations of the Company. Sungard AS Canada is a borrower or a guarantor on the Revolving Credit Agreement, the Prepetition 1L Term Loan Credit Agreement and the Prepetition New 2L Credit Agreement (each as defined below), with principal amounts outstanding under those facilities in excess of USD\$400 million. Sungard AS Canada has granted security to the lenders or agents for the lenders as security for those loans.

C. The Restructuring

12. Although the Company undertook a chapter 11 restructuring in 2019 to address its funded debt,² operational liabilities, including long-term fixed costs for the Facilities' leases, have continued to weigh on the Company's performance and ability to implement its business plan and growth opportunities—efforts that have been further strained by the COVID-19 pandemic, faster than expected declines in demand for the Company's legacy products and increased competition for the Company's more current, cloud-based products. While the Company has been successful in certain of its tactics to execute on its business plan—including selling Workplace Recovery Facilities in the Midwest and completing sale-leaseback transactions of data centers in the U.S. and Canada—the persistence of declining revenues, significant uneconomical leases and protracted pandemic conditions prompted the need for a thorough evaluation of the Company's strategic alternatives, both in the short-term and the long-term, including more comprehensive asset sales.

13. While this strategic review was ongoing, the Company's subsidiary in the United Kingdom, Sungard Availability Services (UK) Limited ("**Sungard AS UK**")—which was facing the same declines in revenue and uneconomic leases as the rest of the Company—was hit by historic energy price increases that had a devastating effect on its operations. As a result, the directors of Sungard AS UK, determined that it was necessary for Sungard AS UK to commence an administration proceeding under UK insolvency law, which it did on March 25, 2022. A detailed discussion of matters relevant to the administration proceeding, its impact on the Company and

² Sungard AS Canada was not a debtor in the prior chapter 11 process.

the Debtors specifically and the need for the Debtors to provide Sungard AS UK with financial support is set out in paragraphs 45-50 of the U.S. First Day Declaration.

14. The swift decline of Sungard AS UK's financial position and the continuing challenges for the rest of the Company accelerated the Company's need to pursue a more comprehensive restructuring transaction and, after exploring all available options, it determined to commence the Chapter 11 Cases with respect to all of the Debtors. In the weeks leading up to the filing and with the assistance of its advisors, the Company engaged in expedited yet arm's-length negotiations with an ad hoc group of term loan lenders (the "**Ad Hoc Group**") over the terms of a potential chapter 11 restructuring.

15. Certain members of the Ad Hoc Group (the "**Initial Incremental Prepetition 1L Term Loan Lenders**") agreed to provide the Company with incremental term loans under the Prepetition 1L Term Loan Credit Agreement to support the continuation of ongoing discussions regarding potential financing and restructuring transactions (the "**Bridge Facility**"). On April 7, 2022, the Company and the Initial Incremental Prepetition 1L Term Loan Lenders closed the Amendment No. 2 to the Prepetition 1L Term Loan Credit Agreement, which provided the Company with USD\$7 million in working capital.

16. The terms of the restructuring have now been memorialized in a restructuring support agreement (the "**RSA**"), a copy of which is attached hereto as **Exhibit "C"**. The RSA was entered into on April 11, 2022 among Sungard AS and the other Debtors with holders in excess of 80% of the term loans under the Prepetition 1L Term Loan Credit Agreement and 80% of the term loan under the Prepetition New 2L Credit Agreement. The RSA provides a flexible structure that will enable the parties to explore the most value-maximizing restructuring alternative available—whether through the sale of all, substantially all or one or more subsets of the Debtors' assets (the "**Sale Scenario**") or an equitization of the Debtors' prepetition funded debt and compromise of other prepetition liabilities through a chapter 11 plan of reorganization (the "**Equitization**

Scenario”). To fund the Chapter 11 Cases, the proposed recognition proceedings, and the processes contemplated by the RSA, subject to U.S. Bankruptcy Court approval, the Company further secured access to debtor in possession financing facilities in the aggregate amount of USD\$335.9 million comprising (i) a USD\$50 million senior secured revolving credit facility (the **“ABL DIP Facility”**) and (ii) a USD\$285.9 million senior secured multi-draw term loan facility, consisting of up to USD\$95.3 million in new money loans and up to USD\$190.6 million in “rolled up” prepetition obligations (the **“Term Loan DIP Facility”** and, together with the ABL DIP Facility, the **“DIP Facilities”**), which are described further below and in the U.S. First Day Declaration.

17. Among other things, the RSA incorporates flexibility that would enable the Debtors to implement the Sale Scenario or the Equitization Scenario. Importantly, the Debtors’ proposed lenders under the Term Loan DIP Facility, (the **“Term Loan DIP Lenders”**) and the Prepetition Term Loan Lenders (defined in the U.S. First Day Declaration) party to the RSA have agreed that they will establish a “reserve price” for each group of the Debtors’ assets and, alternatively, for the assets comprising the Debtors’ business as a whole. With the implementation of the reserve price structure, the Term Loan DIP Lenders and Prepetition Term Loan Lenders have agreed to cap any credit bid they may make for the Debtors’ assets at the reserve price such that if one or more third parties submit qualified bids for the Debtors’ assets that, standing alone or in the aggregate, exceed the applicable reserve price, the Term Loan DIP Lenders and Prepetition Term Loan Lenders will agree not to bid above the reserve price. This structure assures interested bidders that they are not competing against “credit bid currency” up to the full amount of the Debtors’ postpetition and prepetition secured indebtedness and the Debtors are hopeful that such cap will increase the likelihood of a robust auction process for the Debtors’ assets. Indeed, the Debtors and their prepetition secured lenders are eager to (i) ensure a true market test on the value of the Debtors and their assets and (ii) maximize the value of the Debtors’ estates for the benefit of all stakeholders. This reserve price feature, which will be incorporated into formal

bidding procedures to be filed in the near term, and will allow the Debtors to build on their prepetition marketing efforts (as further described in the U.S. First Day Declaration) and run a comprehensive sale process over the next approximately 90 days that will enable the Debtors to solicit and assess any bid or combination of bids that may maximize the value of their estates for the benefit of all parties in interest.

18. Recognition of Sungard AS Canada's Chapter 11 Case as a foreign main proceeding will provide the Company the opportunity to complete a comprehensive sale or restructuring of its North American business, including the Canadian business, in an efficient manner, thereby maximizing value for stakeholders.

II. COMPANY AND BUSINESS OVERVIEW

A. The Company's Business

19. Sungard AS was incorporated in Delaware in April 2019, and it became the parent of the Sungard AS enterprise when the Company emerged from a prior chapter 11 process, undertaken to restructure its balance sheet, on May 3, 2019. The Board of Managers of Sungard AS currently comprises the following individuals: (i) Robert Guth, as Chairman; (ii) Jarrett Appleby; (iii) Patrick J. Bartels Jr.; and (iv) myself.³

20. The Company, as it exists today, is the result of a series of transactions beginning with the spin-off, in 1983, by Sun Oil Company of its computer services division, which was re-branded as Sundata Corp., later known as SunGard Data Systems Inc. ("**SDS**"). In August 2005, SDS and its affiliates (including its parent companies, Sungard Capital Corp. and Sungard Capital Corp. II) were taken private by a consortium of private equity firms. On March 31, 2014, SDS and

³ Between March 18, 2022 and March 24, 2022, three members of the Board resigned. The resigning members, and observer representatives of two firms, were representatives of significant debt and equity holders. Once it became clear that the Company would be pursuing restructuring negotiations and transactions, the representation of these parties on the Board was no longer appropriate.

its parent companies spun off the Sungard Availability Services business unit, including certain of the Debtors and their predecessors.

21. The Company's main operations and product offerings can be grouped into four general business units: (i) Colocation & Network Services; (ii) Cloud & Managed Services; (iii) Recovery Services; and (iv) Workplace Recovery.

- **Colocation & Network Services:** The Company offers colocation⁴ services through its Facilities and connectivity at those Facilities to support customers, providing space, reliable power with backup and fully-redundant network connectivity. The Company also offers customers the option of having the Company procure, manage and deploy network services on their behalf, including traffic management, carrier diversity and workload optimization.
- **Cloud & Managed Services:** The Company offers both public cloud services (through, for example, Amazon Web Services and Microsoft Azure) and private cloud services. Through its managed services, the Company acts as a trusted partner to customers by providing tools to ensure that they have a simple, secure and integrated model that enables cross-platform deployments and meets compliance, scalability and availability requirements.
- **Recovery Services:** The Company's Recovery Services offerings include cloud recovery, disaster recovery as a service (DRaaS), business continuity management, data protection, recovery management, infrastructure recovery and discovery and dependency mapping.⁵
- **Workplace Recovery:** The Company's Workplace Recovery services are primarily offered in the form of either dedicated or shared business continuity locations, where customers' employees can resume work duties even if their primary office space is disrupted.

22. These services are provided through the Company's leased Facilities, which represent over four million gross square feet and over one million square feet of sellable space. Of the 55 total Facilities, 27 are leased by Debtors and 27 are leased by non-Debtors. The remaining Facility is the Company's owned campus in Lognes, France. The owner of such Facility is non-

⁴ Colocation involves renting out physical space within data centers and providing associated services, such as power, interconnection, environmental controls, monitoring and security, while allowing customers to deploy and manage their servers, storage and other equipment in secure data centers.

⁵ DRaaS is a cloud-based disaster recovery service that allows an organization to back up its data and IT infrastructure in a third-party cloud computing environment and provide all the disaster recovery tools through a SaaS ("software as a service") solution.

Debtor Sungard Availability Services (France) SAS. The Debtors' leased Facilities are located across North America, including, among other locations, Pennsylvania, New Jersey, Georgia, Massachusetts, Colorado, California and Texas in the United States and in the Toronto and Montreal areas in Canada.

III. CANADIAN OPERATIONS AND ASSETS

A. Sungard AS Canada

23. Sungard AS Canada is a corporation formed by amalgamation under the *Ontario Business Corporations Act* on October 1, 2002. Its registered office is a law firm in Toronto, Ontario that maintains the corporate minute books. Sungard AS Canada is also extra-provincially registered in Alberta, British Columbia, Manitoba, and Quebec. A copy of the Ontario corporate profile report for Sungard AS Canada dated April 7, 2022 is attached hereto as **Exhibit "D"**.

24. Sungard AS Canada is wholly owned by the Debtor Sungard Availability Services Holdings (Canada), Inc., a Delaware corporation ("**Sungard AS Canada Parent**"). An organizational chart of the Debtors and their non-Debtor affiliates, prepared in conjunction with the Chapter 11 Cases, is attached hereto as **Exhibit "E"**. The Company's international affiliates other than Sungard AS Canada are not debtors in the Chapter 11 Cases.

25. Sungard AS Canada operates 6 locations – four in Ontario and two in Quebec. Both Quebec locations and two of the Ontario locations are Workplace Recovery sites that provide, among other things, office space for businesses unable to use their regular workspace. The two additional Ontario locations also house data centers (Colocation and Network Services). Sungard AS Canada employs approximately 35 people in sales, technical operations, colocation services, recovery services, data center operations, and consulting.

B. Integration of Canadian Operations with U.S.

26. Sungard AS Canada is administratively intertwined with the other Debtors. The Company operates as a consolidated business and all executive management and senior management decision-making for the broader corporate group, including Sungard AS Canada, is centralized in the United States in Wayne, Pennsylvania. Having no back-office employees of its own, Sungard AS Canada is entirely reliant upon the Company's management team in the United States to fulfil all key management functions, including accounting, finance, treasury, legal, and other executive-level functions. All of the directing minds of Sungard AS Canada are located in the United States. Sungard AS Canada has a country manager, who serves as Sungard AS Canada's resident director in Ontario and as an officer of Sungard AS Canada. All other directors and officers are located in the United States and are employees of the U.S.- based Debtors.

27. Certain customers who utilize Sungard AS Canada's services are also customers of the Company's U.S. and U.K. affiliates. As a result, while Sungard AS Canada represents only a small portion of the Company's business, negative impacts from disruption of operations in Canada may unsettle customers with contracts in the U.S., Europe and the U.K., and Canada and create broader disruption in the reorganization.

28. As described in detail below, Sungard AS Canada is a borrower or guarantor in respect of the Revolving Credit Agreement, the Prepetition 1L Term Loan Credit Agreement and the Prepetition New 2L Credit Agreement and has pledged substantially all of its assets as security for such obligations.

C. Financial Position of Sungard AS Canada

29. Other than unaudited financial statements prepared annually for Canadian income tax purposes, financial statements have not historically been prepared for Sungard AS Canada. The Company's finance and accounting team based in the United States reports on the financial

position and results of Sungard AS Canada through an unaudited, internal trial balance. Attached as **Exhibit “F”** is a summarized balance sheet derived from the unaudited, internal trial balance for Sungard AS Canada as of December 31, 2021, which excludes the obligations under the Revolving Credit Agreement, the Prepetition 1L Term Loan Credit Agreement and the Prepetition New 2L Credit Agreement.

30. As of December 2021, Sungard AS Canada had total assets of USD\$62.5 million with an unaudited book value of approximately USD\$33.4 million and liabilities of approximately USD\$29.1 million (excluding the funded debt of more than USD\$400 million).

D. Canadian Cash Management System

31. Sungard AS Canada has two bank accounts – one denominated in Canadian dollars and one in U.S. dollars – that are used for payments to landlords and suppliers and also to deposit payments from customers. Both bank accounts are at Bank of Montreal and are controlled entirely by Company personnel in the United States; there are no Canada based signatories on the Canadian accounts. The accounts are not linked to the Company's cash management system, but as described below, are subject to a blocked account agreement with the ABL Agent, the Prepetition 1L Agent and the Prepetition 2L Agent (each as defined below). Sungard AS Canada also has a lockbox account, operated by Symcor, where certain customers direct payments. The amounts deposited into the lockbox are forwarded on a daily basis to the BMO accounts.

32. From time to time, Sungard AS Canada has loaned funds to Debtor Sungard Availability Services, LP pursuant to promissory notes issued to Sungard AS Canada. The notes are unsecured and bear interest at the rates set forth therein. As of the Petition Date, there were four notes outstanding in a total amount of approximately USD\$30 million. The most recent note in the amount of approximately USD\$2.25 million was issued on April 1, 2022.

33. I understand that the cash in Canada and the U.S. is subject to the security interests granted in connection with the Revolving Credit Agreement, the Prepetition 1L Term Loan Credit Agreement and the Prepetition New 2L Credit Agreement and that the intercompany notes, as receivables of Sungard AS Canada, are pledged to the agent under the Revolving Credit Agreement and that the amounts owing under such intercompany notes to Sungard AS Canada are subordinated to the amounts owing by the Debtors to the Prepetition Agents (as defined below) pursuant to the terms of the applicable notes and/or the security delivered by Sungard AS Canada to the Prepetition Agents.

E. Sungard AS Canada Employees

34. Sungard AS Canada employs approximately 35 full-time employees, all based in Canada, working in Ontario (Mississauga and Markham) and in Quebec (St. Laurent), as well as virtually within the province of Ontario. Sungard AS Canada's employees are paid bi-weekly, with overtime paid in arrears. Sungard AS Canada uses a payroll service, Nethris, to facilitate its Canadian payroll. Canadian payroll is typically funded 2 days before the applicable pay date. Source deductions are remitted by the payroll provider.

35. Sungard AS Canada employees are eligible for various incentive-based compensation programs. The programs include incentives for (a) individual management by objective performance measures and global performance measures based on company business and financial targets and results, (b) consulting services performance, and (c) sales performance. Employees' eligibility is based on management's discretion and the employee's role. The programs are formulated and overseen by Company management in the United States.

36. Sungard AS Canada provides a group registered retirement savings plan (the "**RRSP**") provided through Industrial Alliance Financial Group. The RRSP is voluntary and Sungard AS

Canada offers matching contributions up to 5% of the employee's salary, including bonuses and commissions.

37. Sungard AS Canada also provides benefits to full time employees, including basic life insurance, basic accidental death and disability insurance, long term disability insurance, short term disability insurance, and extended health care coverage. On a monthly basis, employees contribute approximately CAD\$3,000 to such benefits and Sungard AS Canada contributes approximately CAD\$15,500.

38. As of the filing date, Sungard AS Canada had approximately CAD\$100,000 outstanding in wages, including incentive compensation that has been accrued but not yet paid, but I understand that the Debtors have requested authority from the U.S. Bankruptcy Court to pay outstanding all wages and benefits, and to continue to pay wages and benefits, including commissions and incentives, in the ordinary course.

IV. DEBT STRUCTURE AND PRINCIPAL SECURED AND UNSECURED CREDITORS

A. The Company's Indebtedness

39. The funded debt of the Company is summarized in the chart below and described in detail at paragraphs 20-29 of the U.S. First Day Declaration. Sungard AS Canada is not an obligor on the Prepetition Non-Extending 2L Credit Agreement but is an obligor under the other three facilities.⁶

Facility	Principal Amount Outstanding (\$USD M)	Sungard AS Canada Relationship
Revolving Credit Agreement	\$29.0	Borrower and Guarantor
Prepetition 1L Term Loan Credit Agreement	\$108.233	Guarantor
Prepetition Non-Extending 2L Credit Agreement	\$8.912	Not an Obligor
Prepetition New 2L Credit Agreement	\$277.622	Guarantor
Total Outstanding	\$423.767	

⁶ "Prepetition Non-Extending 2L Credit Agreement" means that certain agreement, dated May 3, 2019 (as amended, restated, modified, and/or supplemented) among Sungard AS New Holdings III, LLC ("Sungard AS III"), as borrower, certain of the Debtors, as guarantors, Alter Domus Products Corp., as administrative agent and the lenders party thereto from time to time.

40. In May 2021, the Company completed an amendment to the Revolving Credit Agreement⁷; as part of the amendment, Sungard AS Canada joined the Revolving Credit Agreement as a loan party, both as a borrower and guarantor. Sungard AS Canada delivered an Ontario law governed guarantee and an Ontario law governed security agreement granting a security interest and lien in favour of the ABL Agent over all of Sungard AS Canada's present and future property and assets except for certain commonly excluded assets. Sungard AS Canada also delivered, in favour of the ABL Agent, a short form intellectual property security agreement granting a lien against Sungard AS Canada's Canadian registered intellectual property, and that intellectual property security agreement was registered with the Canadian Intellectual Property Office ("**CIPO**"). The other loan parties under the Revolving Credit Agreement that own Canadian registered intellectual property also delivered security in favour of the ABL Agent and that security was registered with CIPO. In connection with the Revolving Credit Agreement, Sungard AS Canada Parent pledged all of Sungard AS Canada's shares (collectively, the "**Sungard AS Canada Shares**").

41. Sungard AS Canada is also a loan party under both the Prepetition 1L Term Loan Credit Agreement⁸ and the Prepetition New 2L Credit Agreement.⁹ Sungard AS Canada delivered (i) guarantees to the Prepetition 1L Agent and Prepetition 1L Term Loan Lenders and the Prepetition

⁷ "**Revolving Credit Agreement**" means that certain Revolving Credit Agreement, dated August 6, 2019 (as amended, restated, modified, and/or supplemented and as in effect immediately prior to the Petition Date) among Sungard AS III, certain other Debtor borrowers, each of the other Debtors, as guarantors, PNC Bank, National Association ("**PNC**") as administrative agent (in such capacity, the "**ABL Agent**") and the lenders party thereto from time to time.

⁸ "**Prepetition 1L Term Loan Credit Agreement**" means that certain Credit Agreement, dated as of December 22, 2020 (as amended, restated, modified, and/or supplemented) among Sungard AS III, as borrower, certain of the Debtors, as guarantors, Alter Domus Products Corp. as administrative agent (in such capacity, the "**Prepetition 1L Agent**") and the lenders party thereto from time to time (the "**Prepetition 1L Term Loan Lenders**").

⁹ "**Prepetition New 2L Credit Agreement**" means that certain Junior Lien Credit Agreement, dated as of December 22, 2020 (as amended, restated, modified, and/or supplemented) among Sungard AS III, as borrower, certain of the Debtors, as guarantors, Alter Domus Products Corp. as administrative agent (in such capacity, the "**Prepetition 2L Agent**") and collectively with the ABL Agent and the Prepetition 1L Agent, the "**Prepetition Agents**") and the lenders party thereto from time to time (the "**Prepetition New 2L Term Loan Lenders**").

2L Agent and the Prepetition New 2L Term Loan Lenders, and (ii) Ontario law governed security agreements in favour of each of the Prepetition 1L Agent and the Prepetition 2L Agent, each security agreement granting a security interest and lien in favour of the applicable agent over all of Sungard AS Canada's present and future property and assets except for certain commonly excluded assets. Sungard AS Canada and other Debtors that own Canadian registered intellectual property also delivered short form intellectual property security agreements in favour of the applicable agents granting a lien against the Canadian registered intellectual property owned by such Company entities, which security agreements were registered with CIPO. In connection with each of the Prepetition 1L Term Loan Credit Agreement and the Prepetition New 2L Credit Agreement, Sungard AS Canada Parent pledged the Sungard AS Canada Shares.

42. The ABL Agent, the Prepetition 1L Agent, the Prepetition 2L Agent and Sungard AS Canada also entered into an amended and restated blocked account agreement with Bank of Montreal on May 27, 2021 in connection with the two bank accounts maintained in Canada by Sungard AS Canada, discussed above.

43. As described in the U.S. First Day Declaration, the Debtors are party to an amended and restated intercreditor agreement, dated as of December 22, 2020, with Alter Domus Products Corp., as first lien collateral agent, Alter Domus Products Corp., as second lien collateral agent, Alter Domus Products Corp., as existing first lien collateral agent and Alter Domus Products Corp., as existing second lien collateral agent, governing, among other things, distributions of payments and treatment of collateral between the lenders under the Prepetition 1L Term Loan Credit Agreement, the Prepetition New 2L Credit Agreement and the Prepetition Non-Extending 2L Credit Agreement.

44. In addition, the Debtors are party to a second amended and restated intercreditor agreement, dated as of May 25, 2021 with PNC, as ABL agent, Alter Domus Products Corp., as new first lien term agent, Alter Domus Products Corp., as existing second lien term agent and

Alter Domus Products Corp., as new second lien term agent, governing, among other things, distributions of payments and treatment of collateral between the lenders under the Revolving Credit Agreement, the Prepetition 1L Term Loan Credit Agreement, the Prepetition New 2L Credit Agreement and the Prepetition Non-Extending 2L Credit Agreement.

45. I understand that the loan and security documents described in this Affidavit have been provided to the proposed Information Officer for its review.

B. Sungard AS Canada's Liabilities

46. Sungard AS Canada's liabilities, other than the funded debt obligations and employee wages (described above), generally consist of (a) obligations under a shared services agreement for services rendered by other Company entities, (b) obligations to landlords under the Sungard AS Canada Leases (as defined below), (c) certain ordinary course trade indebtedness and (d) taxes. Each of these categories is discussed below.

(a) Shared Services

47. Because Sungard AS Canada has no back office, it relies entirely on the other Debtors for all administrative, tax, accounting, invoicing, technical support, customer care, human resources, legal and other functions. Sungard AS Canada is party to the Intergroup Business Support Services Agreement dated January 1, 2018 (the "**Shared Services Agreement**"). Pursuant to the Shared Services Agreement and a related transfer pricing report, certain of the Debtors and non-Debtors have agreed to share administrative services in exchange for a fee paid by the recipient of services to the provider. Costs are allocated pursuant to the methods set out in the transfer pricing report and marked up to simulate an arm's length transaction. Sungard AS Canada typically makes monthly payments under the Shared Services Agreement and, pursuant to an arrangement established in May 2021, has prepaid an estimated amount for 3 months of services. The last payment by Sungard AS Canada on account of shared services was USD\$1,198,332 on

March 16, 2022. The Debtors have filed a motion seeking authority from the U.S. Bankruptcy Court to continue these arrangements post-filing.

(b) Sungard AS Canada Leases

48. Sungard AS Canada is party to four leases of real property located in Ontario in the Greater Toronto Area, and one lease of two real properties in St. Laurent, Quebec, each as summarized below (collectively, the “**Sungard AS Canada Leases**”):

[illegible]

49. Both of the Guarantor Debtors are Debtors in the Chapter 11 Cases. Neither Guarantor Debtor has assets or operations in Canada, other than the guarantees/indemnity of the three leases noted above and certain registered intellectual property rights. As described in detail below, Sungard AS Canada, in its role as proposed Foreign Representative, is not seeking recognition of Chapter 11 Cases of the Guarantor Debtors or the other nine Debtors, but it is seeking a stay of proceedings in Canada with respect to the Guarantor Debtors.

50. As of the Petition Date, Sungard AS Canada estimates that it has unpaid rent obligations in respect of the Sungard AS Canada Leases of approximately CAD\$1,438,550, which includes an amount of CAD\$453,522 for Harmonized Sales Tax ("**HST**") which was not invoiced by the landlord until recently. Sungard AS Canada is also obligated under certain of the leases to pay amounts in respect of property taxes.

51. The Sungard AS Canada Leases include substantial Workplace Recovery space that has been underutilized during the COVID-19 pandemic, when employers shifted employees to virtual offices. In addition, many of customers delayed spending decisions or reduced their IT costs, leading to further customer attrition through decisions not to renew contracts. As part of any restructuring, Sungard AS Canada intends to further examine the use of all of its Facilities.

(c) Trade Debt

(i) Utility Providers

52. Sungard AS Canada has utility obligations for electricity and natural gas, among other things, to approximately 10 entities, which in some instances are reimbursement obligations to the landlords for the Sungard AS Canada Leases. Energy and other usual utility costs are approximately USD\$210,000 per month, excluding utility costs due to landlords.

53. Sungard AS Canada also pays for the use of network circuits from several telecommunications providers. These circuits provide improved network connectivity for Sungard AS Canada's data centers and Workplace Recovery centers, which is essential for Sungard AS Canada to carry on its business. The cost for use of the network circuits is approximately CAD\$92,000 per month.

54. The Debtors, including Sungard AS Canada, intend to make monthly utility payments, including for the network circuits, going forward, and applicable utility providers may apply, under the procedures provided for in the Chapter 11 Cases, to seek additional payment assurances or other arrangements with Sungard AS Canada under the proposed procedures.

(i) Other Trade Creditors

55. In the ordinary course of its business, Sungard AS Canada incurs trade debt with vendors such as equipment suppliers and lessors and other suppliers and service providers such as security and cleaners. Sungard AS Canada estimates this liability at approximately CAD\$418,000.

(i) Taxes

56. Sungard AS Canada collects and remits HST/GST monthly in arrears. As set out in the Taxes Motion (defined below), Sungard AS Canada estimates that it owes approximately CAD\$260,000 in HST for the prepetition period that will become due and payable after the Petition Date. The Debtors also estimate that they owe approximately CAD\$440,000 in corporate income taxes that will become due and payable after the Petition Date. I understand the Debtors are

seeking authority from the U.S. Bankruptcy Court to remit sales and use taxes and other taxes in the ordinary course following the Petition Date.

C. PPSA Searches

57. I am advised by Natalie Levine of Cassels Brock & Blackwell LLP ("**Cassels**"), Canadian counsel to Sungard AS Canada, and do verily believe that lien searches were conducted on or about April 7, 2022 against Sungard AS Canada under the applicable personal property lien registries in Alberta, British Columbia, Manitoba, Ontario and Quebec (the "**PPSA Searches**"). Cassels has provided me with a summary of the PPSA Searches, which is attached hereto as **Exhibit "G"**.

58. The Ontario and Alberta PPSA Searches for Sungard AS Canada each disclose registrations in favour of the ABL Agent, the Prepetition 1L Agent, and the Prepetition 2L Agent. No other registrations were disclosed in any of the PPSA Searches.

V. THE NEED FOR CHAPTER 11 AND CCAA RELIEF SOUGHT

59. The Debtors commenced the Chapter 11 Cases to pursue the transactions described under the RSA and the term sheet attached thereto. The proposed transactions are described in detail in the U.S. First Day Declaration.

60. The Debtors believe that the restructuring, including the proposed CCAA recognition proceedings, are the best path available to maximize value for stakeholders.

A. Interim Order

61. Sungard AS Canada is seeking the Interim Order to provide for the Interim Stay in Canada (in addition to the automatic stay in the U.S. created by the filing of the Chapter 11 Cases) until Sungard AS Canada returns before this Court to seek the Initial Recognition Order and the Supplemental Order, pursuant to Part IV of the CCAA.

62. The filing of a chapter 11 petition by Sungard AS Canada under the Bankruptcy Code is effected by electronic filing with the U.S. Bankruptcy Court which results in the imposition of an automatic stay in favour of Sungard AS Canada in the Chapter 11 Cases. The Debtors, including Sungard AS Canada, will then appear before the U.S. Bankruptcy Court, for a hearing expected to be early in the day on April 12, 2022, to request certain relief pursuant to the first day orders, including the appointment of Sungard AS Canada as the Foreign Representative. I understand that a motion to appoint the Foreign Representative was filed shortly following the filing of Sungard AS Canada's petition for chapter 11 relief. If the relief requested is granted, it is expected that the formal order would be available at some point later in the week.

63. The Interim Stay, if granted, would ensure a stay of proceedings between the imposition of an automatic stay in the U.S. in favour of Sungard AS Canada in the Chapter 11 Cases, which became effective when that entity filed a voluntary Bankruptcy Code petition on April 11, 2022, and the time when Sungard AS Canada, having been appointed by the U.S. Bankruptcy Court as Foreign Representative, is able to return to the Canadian Court to seek the relief available in an Initial Recognition Order and Supplemental Order pursuant to Part IV of the CCAA. Sungard AS Canada has received written demands for rent from certain of its landlords and may be subject to self-help remedies by the landlords and other creditors if the stay is not granted. Because of the nature of the data stored at certain of Sungard AS Canada's facilities – including healthcare institutions and financial institutions – disruption in the customers' access to safe and reliable data services could cause significant harm to customers. An Interim Order granting the Interim Stay is necessary to safeguard the Company's assets and operations in Canada in this interim period and while the Debtors seek access to, among other things, the funding necessary to operate during the pendency of the proceedings.

B. Recognition of Foreign Main Proceedings

64. Notwithstanding the fact that Sungard AS Canada's registered office is a law firm in Toronto, the centre of main interests for Sungard AS Canada is in the United States, because, among other things:

- (a) its operating mind and management are in all respects located in the United States. All corporate decision making is made by Company personnel in the United States;
- (b) there are only two directors of Sungard AS Canada, one of whom is located in the United States and also serves as the CEO of Sungard AS;
- (c) four of the five officers of Sungard AS Canada are located in the United States and are employees of the U.S.-based Debtors;
- (d) all back-office functions (including administrative, tax, accounting, invoicing, technical support, customer care, human resources, legal and other functions) are directed by senior management in the United States;
- (e) all authorized signatories for the bank accounts reside in the United States;
- (f) Sungard AS Canada does not have separate audited financial statements;
- (g) Sungard AS Canada operates on an integrated basis with the Company and would be unable to operate independently;
- (h) the addresses for notice to Sungard AS Canada under the Sungard AS Canada Leases are exclusively U.S. addresses, save for one lease which includes both a Canadian and U.S. address, making it clear to landlords that leasing issues will be addressed by decision-makers outside of Canada; and

- (i) other than certain corporate records maintained by counsel in Canada, most books and records of Sungard AS Canada are situated and maintained in the United States.

65. The remaining Company entities, including the Guarantor Debtors, have no material presence, property or direct business operations in Canada, save for having provided limited indemnities or guarantees of three Sungard AS Canada Leases and owning certain intellectual property rights. The registered offices for the Guarantor Debtors are in the United States.

66. I believe that a recognition order, including a stay of proceedings affecting all of its Canadian creditors, will support the Company's goals in the Chapter 11 Cases. I believe that the position of Sungard AS Canada's unique creditors will not be materially prejudiced by the recognition of Sungard AS Canada's Chapter 11 Case, by the imposition of the stay of proceedings, or by permitting Sungard AS Canada to continue operations during the pendency of its CCAA proceeding.

C. Appointment of an Information Officer, Administration Charge, and Notice

67. As part of the restructuring process, A&M, if appointed as Information Officer, will report to the Court from time to time on the status of the Chapter 11 Cases and these proceedings.

68. A&M is a licensed insolvency trustee, well-known for its expertise in CCAA matters (including cross-border plenary and ancillary proceedings under the CCAA) and has consented to act as Information Officer in this proceeding.

69. Sungard AS Canada requests that the Court grant the proposed Information Officer, its legal counsel (Bennett Jones LLP) and Sungard AS Canada's Canadian legal counsel, Cassels, an administration charge with respect to their fees and disbursements in the maximum amount of CAD\$500,000 (the "**Administration Charge**") on Sungard AS Canada's property in Canada.

Sungard AS Canada has paid retainers to the proposed Information Officer and its counsel in the amount of CAD\$75,000 each. The quantum of the Administration Charge was agreed to in the material agreements the Debtors have entered into in connection with the Chapter 11 Cases with the lenders of their funded debt and the DIP Facilities. Approval of the Administration Charge and appointment of professionals by the Canadian Court is appropriate because the professionals will be providing services in respect of these proceedings before the Canadian Court. I believe the amount of the Administration Charge to be reasonable in the circumstances, having regard to the size and complexity of these proceedings and the roles that will be required of Sungard AS Canada's legal counsel, the proposed Information Officer, and its legal counsel.

70. The initial hearing of this application will be brought on notice to the proposed Information Officer and the agents under the current secured debt facilities to which Sungard AS Canada is a party. If the initial relief sought is granted, a wider scope of notice is intended with regards to the hearing to recognize the Chapter 11 Case of Sungard AS Canada as a foreign main proceeding and grant related orders at that time, including notice to the applicable landlords, Canada Revenue Agency (through the Department of Justice), the Ontario Ministry of Finance (through its legal branch) and Revenu Quebec.

71. The proposed Supplemental Order provides that the Information Officer will publish a notice in a national newspaper. In addition, notice of the Chapter 11 Cases will be given through notices mandated by the U.S. Court. Both the claims agent in the Chapter 11 Cases and the proposed Information Officer will maintain websites providing detailed information regarding the Chapter 11 Cases and these proceedings, respectively.

D. The DIP Facilities and the DIP Agents' Charge

72. In connection with the Chapter 11 Cases, the Debtors are seeking approval from the U.S. Bankruptcy Court of two interim financing facilities (the "**DIP Facilities**"). The Debtors have only

approximately USD\$5 million of cash on hand, net of a USD\$13,500,000 “liquidity block” established in favour of the lenders under the Revolving Credit Facility, meaning that without the proposed funding, there will be no ability to continue the Chapter 11 Cases or the proposed recognition proceedings.

73. Relief from the U.S. Bankruptcy Court will be sought in two stages – an interim order which will approve certain emergency funding for the Debtors (the “**Interim DIP Order**”) and a final order (the “**Final DIP Order**”) which if granted, will approve additional funding and protections for the applicable lenders. The proposed Interim DIP Order will grant superpriority liens and claims, with the relative priority between the two DIP Facilities on the terms set out therein.

74. Pursuant to the Interim DIP Order, the Debtors are seeking authorization to utilize the proceeds of the DIP Facilities and the cash collateral of the secured lenders on hand to, among other things, (i) repay in full, in cash the Bridge Facility, (ii) reduce the outstanding obligations under the Revolving Credit Agreement (the “**Prepetition ABL Obligations**”) by USD\$13,500,000 (being the amount of the “liquidity block” noted above); and (iii) provide up to USD\$10,000,000 in financial support for the U.K. administration process of Sungard AS UK. Each of these uses is necessary and appropriate for the reasons further described in the DIP Motion (defined below) and the declarations in support thereof filed in the Chapter 11 Cases.

75. The proposed DIP Facilities are as follows:

(a) **The ABL DIP Facility**. The ABL DIP Facility consists of a USD\$50,000,000 senior secured revolving credit facility pursuant to which:

(i) upon entry of the Interim DIP Order, the first proceeds of the ABL Priority Collateral (as defined in the Interim DIP Order) shall be deemed to reduce the Prepetition ABL Obligations (including letters of credit) and will be converted, on a dollar for dollar basis, into new postpetition loans or

commitments. In addition, the Debtors will reduce the outstanding Prepetition ABL Obligations by USD\$13,500,000.

- (ii) any Prepetition ABL Obligations that remain outstanding as of the entry of the Final DIP Order shall also, under the proposed terms of the ABL DIP Facility, be automatically converted into postpetition loans or commitments.

(b) **The Term Loan DIP Facility.** The Term Loan DIP Facility comprises up to USD\$285,900,000 of senior secured multi-draw term loans, consisting of (x) up to USD\$95,300,000 in new money loans and (y) subject to entry of the Final DIP Order, a roll-up of up to \$190,600,000 of certain obligations under the Prepetition 1L Term Loan Credit Agreement and Prepetition New 2L Term Loan Credit Agreement:

- (i) **Tranche A:** up to USD\$41.15 million in new money loans available upon entry of the Interim DIP Order (the “**Interim Term Loan DIP Amount**”), up to USD\$54.15 million in new money loans available upon entry of the Final DIP Order (the “**Final Term Loan DIP Amount**”).
- (ii) **Tranche B:** Subject to the terms of the Final DIP Order, a roll-up of certain obligations under the Prepetition 1L Term Loan Credit Agreement on a 2:1 ratio, meaning that for every dollar of new money advanced, the lender shall be entitled to roll up 2 dollars of obligations under the Prepetition 1L Term Loan Credit Agreement.
- (iii) **Tranche C:** Subject to the terms of the Final DIP Order, a roll-up of certain obligations under the Prepetition New 2L Credit Agreement on terms similar to Tranche B and subject to the terms of the Final DIP Order (Tranches B and C together, the “**Term Loan DIP Roll-Up Obligations**”).

76. In addition to the relief sought in the US, including superpriority claims and liens over the U.S. assets, Sungard AS Canada is seeking recognition of the Interim DIP Order and two charges (collectively the **“DIP Agents’ Charges”**) with respect to interim financing over the property of Sungard AS Canada in Canada -- one in respect of the ABL DIP Facility (the **“ABL DIP Agent’s Charge”**) and one in respect of the Term Loan DIP Facility (**“Term Loan DIP Agent’s Charge”**).

77. At a subsequent hearing (the **“Final DIP Hearing”**), the Debtors will return to the U.S. Bankruptcy Court and seek final approval of both DIP Facilities. At the Final DIP Hearing, the Debtors will request authority to roll up the balance owing of the Revolving Credit Agreement. With respect to the Term Loan DIP Facility, the Debtors will seek approval of the Term Loan DIP Roll-Up Obligations. Participation in the Term Loan DIP Facility will be offered to all lenders under the Prepetition 1L Term Loan Credit Agreement. I understand that each of the DIP Facilities and the provisions described herein will be subject to review by the U.S. Bankruptcy Court and stakeholders participating in the Chapter 11 Cases.

78. The DIP Facilities provide much needed liquidity that will allow the Debtors to meet immediate operational needs. Without the financing provided through the DIP Facilities, the Debtors would not be able to continue operate in the ordinary course. The DIP Facilities will also reassure the Company’s customers and employees that the Company will be able to continue to meet its commitments during these Chapter 11 Cases and that the Company’s businesses are likely to continue as a going concern, whether pursuant to the Sale Scenario or the Equitization Scenario.

E. Recognition of U.S. Orders

79. By operation of the Bankruptcy Code, the Debtors each obtained the benefit of a stay of proceedings upon filing the Bankruptcy Code petitions with the U.S. Bankruptcy Court. However,

in order to continue their operations, the Debtors require additional relief from the U.S. Bankruptcy Court.

80. The Debtors have filed various motions in the Chapter 11 Cases, including but not limited to the motions listed below. Sungard AS Canada intends to seek recognition in Canada of the orders sought, if granted by the U.S. Bankruptcy Court. I understand copies of the filed material will be provided to the Canadian Court in a separate affidavit:

3. I am knowledgeable of and familiar with the Debtors' day-to-day operations, businesses and financial affairs, books and records and the circumstances leading to the commencement of these chapter 11 cases. I submit this declaration (this "Declaration") to assist the Court and parties in interest in understanding the events and circumstances that led to the commencement of these chapter 11 cases and in support of the Debtors' petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") filed on the date hereof (the "Petition Date"). I am authorized by each of the Debtors to submit this Declaration on their behalf.

4. Except as otherwise indicated herein, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by the Debtors or advisors to the Debtors or my opinion based upon my experience and knowledge. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

Introduction

5. For approximately 40 years, the Company has established and maintained resilient and recoverable information technology ("IT") environments for myriad businesses, including financial institutions, healthcare, manufacturing, logistics, transportation and general services. As described in further detail in Part I of this Declaration, the Company operates through four main business units: Colocation & Network Services, Cloud & Managed Services, Recovery Services

and Workplace Recovery. Through these business units, the Company helps its approximately 2,000 customers worldwide in essential industries achieve uninterrupted access to their mission-critical data and IT systems through high availability, cloud-connected infrastructure services built to deliver business resilience in the event of an unplanned business disruption caused by, among other things, man-made events or natural disasters (*e.g.*, cyberattacks, power outages, telecommunication disruptions, acts of terrorism, floods, hurricanes and earthquakes).

6. Headquartered in Wayne, Pennsylvania, the Debtors employ approximately 585 individuals in the United States and Canada. The Company operates 55 facilities (the “Facilities”) (comprising 24 data centers and 31 workplace recovery centers) and provides services to approximately 2,001 customers across nine countries—the United States, the United Kingdom, Canada, Ireland, France, India, Belgium, Luxembourg and Poland. The Company works with its customers to tailor and seamlessly integrate infrastructure solutions to meet customers’ application requirements and to optimize business IT outcomes, using either a consumption-based pricing model or a solution backed by a managed, service level agreement.

7. As described in more detail herein, the Debtors’ capital structure consists of approximately \$424 million in aggregate principal amount of prepetition funded debt obligations in the form of a revolving credit facility and three term loan facilities.² This capital structure resulted from a consensual restructuring negotiated by the Company and its then-stakeholders in 2019 and implemented through prepackaged chapter 11 cases in May 2019 (the “Prior Cases”). While the Prior Cases effectuated a swift and successful balance sheet restructuring, they did not comprehensively address the Company’s operating cost structure and capacity utilization challenges. After emerging from the Prior Cases, these operational issues have continued to weigh

² The Debtors also are party to certain capital leases. As of December 31, 2021, the outstanding balance on such capital leases was approximately \$15 million.

on the Company's performance and ability to implement its business plan and invest in growth opportunities—efforts that have been further strained by the COVID-19 global pandemic. These challenges are reflected in, among other things, the Company's declining revenue numbers. More specifically, the Company's revenue fell from approximately \$833.4 million in 2019 to approximately \$587.3 million in 2021 (a decline of \$246.1 million, or 29.5%). In addition, the Company's total comprehensive net loss across all of its business lines has grown in the past year from \$114.8 million to \$169.4 million (an increase in net loss of \$54.6 million, or 47.6%).

8. The Company has attempted to address its operational liabilities in a variety of ways. The Company has implemented cost-cutting measures, including reductions in force of over 40% of their workforce, with the latest occurring in December 2021. In addition, since 2019, the Company has been opportunistically marketing certain of its business assets (as further described herein) and, more recently, the Company has sought to consensually restructure certain uneconomical leases for its data centers and workplace recovery sites. While the Company has been successful in certain of these efforts—including selling workplace recovery facilities in the Midwest and completing sale-leaseback transactions of data centers in the U.S. and Canada—the persistence of declining revenues, significant uneconomical leases and protracted pandemic conditions prompted the need for a thorough evaluation of the Company's strategic alternatives, both in the short-term and the long-term, including more comprehensive asset sales.

9. While this strategic review was ongoing, the Company's subsidiary in the United Kingdom, Sungard Availability Services (UK) Limited ("Sungard AS UK")—which was facing the same declines in revenue and uneconomical leases as the rest of the Company—was hit by historic energy price increases that had a devastating effect on its operations. As a result, the directors of Sungard AS UK determined that it was necessary for Sungard AS UK to commence

an administration proceeding under UK insolvency law on March 25, 2022. A detailed discussion of matters pertinent to the administration proceeding, its impact on the Company and the Debtors specifically and the need for the Debtors to provide Sungard AS UK with financial support is set forth below in paragraphs 45 to 50.

10. The swift decline of Sungard AS UK's financial position and the continuing challenges for the rest of the Company accelerated the Company's need to pursue a more comprehensive restructuring transaction and, after exploring all available options, it determined to commence these chapter 11 cases as to the Debtors. In the weeks leading up to the filing and with the assistance of its advisors, the Company engaged in expedited yet arm's-length negotiations with an ad hoc group of term loan lenders represented by Proskauer Rose LLP (the "Ad Hoc Group") over the terms of a potential chapter 11 restructuring process, which has been memorialized in a restructuring support agreement (the "Restructuring Support Agreement"), as further described herein and attached hereto as **Exhibit 1**.

11. The Restructuring Support Agreement provides a flexible structure that will enable the parties to explore the most value-maximizing restructuring alternative available—whether through the sale of all, substantially all or one or more subsets of the Debtors' assets (the "Sale Scenario") or an equitization of the Debtors' prepetition funded debt and compromise of other prepetition liabilities through a chapter 11 plan of reorganization (the "Equitization Scenario"). To fund these chapter 11 cases and the processes contemplated by the Restructuring Support Agreement, subject to Court approval, the Company further secured access to debtor in possession financing facilities in the aggregate amount of \$335.9 million, comprising (i) a \$50 million senior secured revolving credit facility (the "ABL DIP Facility") and (ii) a \$285.9 million senior secured multi-draw term loan facility, consisting of up to \$95.3 million in new money loans and up to

\$190.6 million in “rolled up” prepetition obligations (the “Term Loan DIP Facility” and, together with the ABL DIP Facility, the “DIP Facilities”).

12. Among other things, the Restructuring Support Agreement incorporates flexibility that would enable the Debtors to implement the Sale Scenario or the Equitization Scenario. Importantly, the Debtors’ proposed lenders under the Term Loan DIP Facility (the “Term Loan DIP Lenders”) and the Prepetition Term Loan Lenders (as defined herein) party to the Restructuring Support Agreement have agreed that they will establish a “reserve price” for each group of the Debtors’ assets and, alternatively, for the assets comprising the Debtors’ business as a whole. With the implementation of the reserve price structure, the Term Loan DIP Lenders and Prepetition Term Loan Lenders have agreed to cap any credit bid they may make for the Debtors’ assets at the reserve price, such that if one or more third parties submit qualified bids for the Debtors’ assets that, standing alone or in the aggregate, exceed the applicable reserve price, the Term Loan DIP Lenders and Prepetition Term Loan Lenders will agree not to bid above the reserve price. This structure assures interested bidders that they are not competing against “credit bid currency” up to the full amount of the Debtors’ postpetition and prepetition secured indebtedness and the Debtors are hopeful that such cap will increase the likelihood of a robust auction process for the Debtors’ assets. Indeed, the Debtors and their prepetition secured lenders are eager to (i) ensure a true market test on the value of the Debtors and their assets and (ii) maximize the value of the Debtors’ estates for the benefit of all stakeholders. This reserve price feature, which will be incorporated into formal bidding procedures (the “Bidding Procedures”) to be filed in the near term and will allow the Debtors to build on their prepetition marketing efforts (as further described below) and run a comprehensive sale process over the next approximately 90 days that will enable the Debtors

to solicit and assess any bid or combination of bids that may maximize the value of their estates for the benefit of all parties in interest.

13. Accordingly, and with the support of the parties to the Restructuring Support Agreement, the Debtors intend to move efficiently through these chapter 11 cases and ensure that the value of the Debtors' enterprise is maximized for the benefit of the Debtors' stakeholders with complete transparency and cooperation.

Background

14. On the Petition Date, the Debtors filed their voluntary petitions for relief under chapter 11 of the Bankruptcy Code with the Court. The Debtors have filed various motions and pleadings seeking certain "first day" relief (collectively, the "First Day Pleadings") to minimize any disruption that filing these chapter 11 cases may have on their businesses. I am familiar with the contents of each First Day Pleading, and I believe the relief sought therein is necessary to permit the Debtors to have a smooth transition into chapter 11. I further believe that the relief requested in the First Day Pleadings will preserve the value of the Debtors' estates. The facts set forth in each of the First Day Pleadings are incorporated herein by reference.

15. To familiarize the Court with the Debtors, their businesses and the circumstances leading to these chapter 11 cases, I have organized this Declaration as follow:

- **Part I** provides an overview of the Debtors' history and businesses;
- **Part II** describes the Debtors' prepetition capital structure;
- **Part III** describes the circumstances leading to the commencement of these chapter 11 cases;
- **Part IV** describes the Restructuring Support Agreement entered into between the Debtors and certain of the Debtors' prepetition creditors and equity holders and provides a summary of the Debtors' proposed DIP Facilities; and
- **Part V** describes evidentiary support for the First Day Pleadings.

I. Overview of the Company's History and Businesses.

16. Sungard AS was incorporated in Delaware in April 2019, and became the parent of the Sungard AS enterprise when the entities that comprised the Prior Debtors (as defined herein) emerged from the Prior Cases on May 3, 2019. Before such date, the Company's controlling parent entity was Sungard Availability Services Capital, Inc. ("Predecessor Sungard AS"). The Company is privately held. A corporate organization chart depicting the ownership structure of the Debtors and their non-Debtor affiliates is attached as Exhibit 2. The Board of Managers of Sungard AS currently comprises the following individuals: (i) Robert Guth, as Chairman; (ii) Jarrett Appleby; (iii) Patrick J. Bartels, Jr.; and (iv) myself.³

17. The Company, as it exists today, is the result of a series of transactions beginning with the 1983 spin-off by Sun Oil Company of its computer services division, which was re-branded as Sundata Corp. and later known as SunGard Data Systems Inc. ("SDS"). In August 2005, SDS and its affiliates (including its parent companies, Sungard Capital Corp. and Sungard Capital Corp. II) were taken private by a consortium of private equity firms in an \$11.4 billion leveraged buyout, which, at that time, was the largest privatization of a technology company and one of the largest leveraged buyouts. On March 31, 2014, SDS and its parent companies spun off the Sungard Availability Services business unit, including Predecessor Sungard AS and its affiliates.

³ Between March 18, 2022 and March 24, 2022, three members of the Board resigned. The resigning members, and observer representatives of two firms, were representatives of significant debt and equity holders. Two of the former Board members are now part of the four-member Ad Hoc Group and had held Board seats since emergence from the Prior Cases; the other two members of the Ad Hoc Group were observers. Once it became clear that the Debtors would be pursuing restructuring negotiations and transactions, the representation of these parties on the Board was no longer appropriate. Accordingly, on or before their respective resignations, these former Board members and observers sought separate counsel. The Ad Hoc Group and the Debtors have acted at arm's-length at all times.

18. While the Company in its current form offers a diverse suite of services, the Company's main operations and product offerings can be grouped into the following four general business units: (i) Colocation & Network Services; (ii) Cloud & Managed Services; (iii) Recovery Services; and (iv) Workplace Recovery.

- **Colocation & Network Services:** The Company offers colocation⁴ services through its Facilities and connectivity at those Facilities to support customers, providing space, reliable power with backup and fully-redundant network connectivity. The Company also offers customers the option of having the Company procure, manage and deploy network services on their behalf, including traffic management, carrier diversity and workload optimization.
- **Cloud & Managed Services:** The Company offers both public cloud services (through, for example, Amazon Web Services and Microsoft Azure) and private cloud services. Through its managed services, the Company acts as a trusted partner to customers by providing tools to ensure that they have a simple, secure and integrated model that enables cross-platform deployments and meets compliance, scalability and availability requirements.
- **Recovery Services:** The Company's Recovery Services offerings include cloud recovery, disaster recovery as a service (DRaaS), business continuity management, data protection, recovery management, infrastructure recovery and discovery and dependency mapping.⁵
- **Workplace Recovery:** The Company's Workplace Recovery services are primarily offered in the form of either dedicated or shared business continuity locations, where customers' employees can resume work duties even if their primary office space is disrupted.

19. These services are provided through the Company's leased Facilities, which represent over four million gross square feet and over one million square feet of sellable space. Of the 55 total Facilities, 27 are leased by Debtors and 27 are leased by non-Debtors. The remaining Facility is the Company's owned campus in Lognes, France. The owner of such Facility is non-

⁴ Colocation involves renting out physical space within data centers and providing associated services, such as power, interconnection, environmental controls, monitoring and security, while allowing customers to deploy and manage their servers, storage and other equipment in secure data centers.

⁵ DRaaS is a cloud-based disaster recovery service that allows an organization to back up its data and IT infrastructure in a third-party cloud computing environment and provide all the disaster recovery tools through a SaaS ("software as a service") solution.

Debtor Sungard Availability Services (France) SAS. The Debtors' leased Facilities are located across North America, including, among other locations, Pennsylvania, New Jersey, Georgia, Massachusetts, Colorado and Texas in the United States and Toronto and Montreal in Canada.

On April 7, 2022, the Debtors and the Initial Incremental Prepetition 1L Term Loan Lenders closed Amendment No. 2 to the Prepetition 1L Term Loan Credit Agreement, which provided the Company with \$7.0 million in working capital.

25. As of the Petition Date, approximately \$108,233,409.28 in principal amount was outstanding under the Prepetition 1L Term Loan Credit Agreement.

As described below, on December 22, 2020, Sungard AS III purchased, acquired and assumed approximately \$298 million of the amount then-outstanding under the Prepetition Non-Extending 2L Credit Agreement (approximately \$312 million). Those lenders that chose not to exchange their loans for new loans under the Prepetition New 2L Credit Agreement comprise the Non-Extending 2L Lenders. As is customary for a global enterprise of the Company's size and scale, the Debtors are parties to a series of relationships with their affiliates, with whom the Debtors transact on a regular basis in the ordinary course of business. The Debtors engage in such intercompany transactions in order to, among other things, provide enterprise-wide support services, divide the costs of management fees, complete transactions with administrative ease and facilitate operations on a daily basis. These transactions are recorded in a number of different ways, including through accounts receivable / payable relationships, intercompany loans and dividends.

G. The Debtors' Current Cash Position

33. As of the Petition Date, the Debtors have approximately \$5 million in cash on hand.

III. Events Leading to These Chapter 11 Cases

34. To summarize the events leading to these chapter 11 cases, set forth below is an overview of the following: (i) the Prior Cases and the operational challenges the Company has faced since; (ii) the Company's prepetition sales and marketing efforts; (iii) the administration proceedings in relation to Sungard AS UK; and (iv) the Debtors' entry into the Restructuring Support Agreement and the proposed DIP Facilities.

A. The Prior Cases and Operational Challenges

35. In 2018, it became evident that the Company's legacy capital structure was no longer sustainable. At that time, the Company commenced efforts to improve its balance sheet while simultaneously ensuring that the Company's customers could continue to trust and rely on the Company for its services. In connection therewith, the Company engaged in substantial discussions with its key stakeholders through the end of 2018 and into 2019 on the terms of a comprehensive restructuring transaction, which was ultimately memorialized in a restructuring support agreement with the majority of its then-existing capital structure (the "2019 RSA").

36. Pursuant to the 2019 RSA, on May 1, 2019, Predecessor Sungard AS and certain of its subsidiaries commenced the Prior Cases in the United States Bankruptcy Court for the Southern District of New York. On May 3, 2019, less than 48 hours after commencing the Prior Cases, the Company successfully emerged from chapter 11, having (i) reduced its funded indebtedness by over \$800 million, (ii) preserved the value of the Sungard AS brand and (iii) protected the jobs of the Company's invaluable employees.⁹ All parties anticipated at the time that this swift and efficient balance-sheet restructuring would set Sungard AS on course to be a stronger company with a more sustainable capital structure, well positioned to pursue an investment and growth plan and service its existing and new customers.

37. The Company, however, continued to face strong and often unexpected headwinds following its emergence from the Prior Cases. While the Prior Cases addressed the Company's

⁹ The debtors in the Prior Cases were as follows (collectively, the "Prior Debtors"): Sungard Availability Services Capital, Inc.; Sungard Availability Services Holdings, LLC; Sungard Availability Network Solutions, Inc.; Sungard Availability Services Technology, LLC; Sungard Availability Services, LP; Inflow, LLC; and Sungard Availability Services Vericenter, Inc. The Prior Cases were jointly administered under the caption *In re Sungard Availability Servs. Capital, Inc.*, Case No. 19-22915 (RDD) (Bankr. S.D.N.Y.). Each of the foregoing entities, other than Sungard Availability Services Capital, Inc. and Sungard Availability Services Vericenter, Inc. are debtors and debtors in possession in these chapter 11 cases. Predecessor Sungard AS was dissolved as part of the restructuring transactions effectuated through the Prior Cases, and Sungard Availability Services Vericenter, Inc. was merged into its wholly-owned parent company, Sungard Availability Services, LP, in August 2021.

significant funded debt obligations, the Company did not restructure its other fixed-costs—most notably, its lease expenses and capacity underutilization—in connection therewith. Specifically, while the Company’s leases for the Facilities are fixed long-term costs, the revenue the Company generates from those Facilities (such as the price of colocation rent) has been falling, depressing the Company’s margins. In addition to rent at its Facilities, the Company continues to be burdened by other sizable fixed costs, including equipment leases, software licenses, hardware maintenance, subcontracting and temporary labor costs and other Facility-related operating costs, such as security.

38. Moreover, the Company’s business plan was premised on transitioning from an infrastructure-focused vendor to a services-oriented partner to its customers. But faster than expected declines in demand for the Company’s legacy products (*i.e.*, its infrastructure offerings) restricted the Company’s ability to invest in and grow its newer offerings to offset its losses. For example, the Company’s transition from legacy infrastructure-based colocation disaster recovery solutions that had high profit margins to cloud-based DRaaS has proven challenging because of increased competition from hyperscale cloud providers, such as AWS and Microsoft Azure. The cloud-based solutions are cheaper than legacy disaster recovery and customers can more easily migrate to other service providers. Further, DRaaS solutions have changed the way disaster recovery services are now delivered, adding flexibility and remote working.

39. Compounding these trends, the prolonged duration of the global pandemic has had a significant negative effect on various parts of the Company’s businesses and, in particular, its previously high-margin Workplace Recovery services segment. With traditional offices shifting rapidly to remote working environments due to quarantines, “shelter in place” and “stay at home” orders and other measures to control the spread of the virus, demand for the Company’s Workplace

Recovery services has decreased dramatically. Even after quarantines were lifted, customers had realized that their workforces could work effectively remotely, reducing current and future demand for the Company's Workplace Recovery services. In addition, many of the Company's customers delayed spending decisions or reduced their IT costs, leading to further customer attrition through decisions not to renew contracts.

40. The Company's challenges are reflected in its declining revenue. In 2019, the Company had revenue of approximately \$833.4 million; by 2021, the Company's revenue had fallen to approximately \$587.3 million, a decline of 29.5% or \$246.1 million. New customer contracts signed in 2019 and 2020 have been insufficient to replace revenue lost to non-renewal of contracts at expiration and renewals at lower prices, and long lead times for introducing new products and bringing new customers onto the Company's systems and offerings prevent any improvements derived from new strategic initiatives and products from reversing the trend of revenue declines on the timeline necessitated by the Company's liquidity position.

41. While the Company has continued to make substantial investments in its businesses and has attempted to sell assets, its cash flow projections demonstrate that, absent the commencement of these chapter 11 cases, the Company would not have a viable path to repay its existing debt. In the past year, the total comprehensive net loss across all of the Company's business unit has grown from approximately \$114.8 million to \$169.4 million (an increase in net loss of \$54.6 million or 47.6%), resulting from high customer churn, uneconomical leases, restructuring costs in the United Kingdom over the last two years and, more recently, dramatic increases in energy prices in the United Kingdom, costs that the Company is largely unable to pass on to customers.

B. The Company's Prepetition Sale and Marketing Efforts

42. Following its emergence from the Prior Cases, the Company continued to engage in a series of discrete marketing and sale efforts to dispose of various non-core assets as contemplated by its business plan. To that end, in December 2019, the Company again retained an investment banker specializing in technology-based assets, DH Capital, LLC ("DH"), to carry out the potential asset sale processes.¹⁰ The sale processes included the following:

- **Sale-Leaseback of Owned Data Centers (Smyrna, 1800 Argentia and Lognes Campus).** Beginning on or around February 2020, DH contacted approximately 24 parties to explore interest in three of the Company's owned data centers located in (i) Smyrna, Georgia, (ii) Mississauga, Ontario and (iii) Lognes, France. Ultimately, and despite the impact of COVID-19 on the marketing process, two of the three data-centers were sold, generating approximately \$50 million in gross proceeds for the Company.
- **Sale-Leaseback of Workplace Recovery Centers (Cypress, Northbrook and Grand Prairie).** Beginning on or around November 2020, DH contacted approximately 33 parties to explore interest in three of the Company's owned workplace recovery centers located in (i) Cypress, California, (ii) Northbrook, Illinois and (iii) Grand Prairie, Texas. Ultimately, all three properties were sold, generating approximately \$21 million in gross proceeds for the Company.

43. In addition to the above, DH is engaged in ongoing marketing and sale efforts for three leased Workplace Recovery centers, two of which are in Luxembourg and one of which is in Belgium, and is currently in discussions with certain interested parties regarding certain of the Company's other Facilities. Finally, beginning on or around July 2021, the Company, through DH, launched a marketing process to solicit interest in a transaction that would include a carve-out of one of the Company's business units.

¹⁰ DH's relationship with the Company dates back to 2015, when DH assisted the Company in marketing three data-centers in the Atlanta market. Subsequently, DH was retained in 2018 to market two additional data-centers in the Chicago market. In 2019, DH was retained on behalf of an ad hoc group of creditors in the Prior Cases and, following emergence from the Prior Cases, the Company retained DH to assist with implementing the Company's business plan.

44. These efforts remain ongoing, and the Debtors anticipate seeking authority to continue a sales and marketing process for all or any subset of their businesses in the near term while also continuing to negotiate with landlords.

C. Administration Proceedings in Relation to Sungard AS UK

45. As noted above, Sungard AS UK has faced particularly strong headwinds in recent months. Among other things, Sungard AS UK is a party to certain substantial leases that require the payment of above-market rent obligations, where the rent costs are not defrayed from revenue generated from the leased space because the aggregate facility space leased exceeds market demand and is thus (often substantially) under-utilized. This issue is compounded by the fact that, under its existing customer contracts, Sungard AS UK is unable to pass incremental energy price increases on to customers. Sungard AS UK initially attempted to address these headwinds by engaging in negotiations with certain of its landlords in an effort to extract bilateral concessions, which would then (if obtained) have been combined with a statutory compromise of Sungard AS UK's liabilities to all of its landlords through either a company voluntary arrangement (under UK insolvency legislation) (a "CVA") or a restructuring plan (under UK companies legislation) (an "RP").

46. To that end and against the backdrop of rapidly escalating energy costs, beginning on or around February 2022, Sungard AS UK accelerated its negotiations with its largest landlords in the hope of achieving a permanent material reduction in the liabilities owed to such landlords and negotiated with the shareholders of Sungard AS a commitment letter to support its operations if necessary.¹¹ Concurrently with these negotiations and having obtained the SAS UK

¹¹ Specifically, on February 3, 2022, Sungard AS UK together with non-Debtor affiliate Guardian iT, as borrowers, entered into a certain commitment letter that provides, subject to conditions, a commitment for a \$20.5 million senior secured delayed draw facility (the "SAS UK Commitment Letter") from certain existing shareholders of Sungard AS. The facility contemplated by the SAS UK Commitment Letter has not been documented or drawn.

Commitment Letter, Sungard AS UK filed its audited financials for the 2020 fiscal year with the UK Companies House on a going concern basis on February 4, 2022. After a period of engaging with two of Sungard AS UK's largest landlords, however, it became evident that there was little prospect of reaching a compromise agreement with at least one of the landlords, and thus the requisite statutory majority to approve a CVA or RP could not be achieved.

47. While Sungard AS UK worked to obtain acceptable lease concessions that might have prevented an administration filing, Russia's invasion of Ukraine heightened the liquidity challenges facing Sungard AS UK by causing an even more dramatic increase in energy costs. As noted above, Sungard AS UK was largely unable to pass these increased energy costs through to its customers under its existing customer contracts. Instead, Sungard AS UK was compelled to pay those increased energy costs from its own limited resources.

48. In light of Sungard AS UK's unprofitability, the steep increase in energy costs, lack of viable funding to meet its obligations and lack of reasonable prospects for a consensual restructuring, the directors of Sungard AS UK determined that insolvency was unavoidable and that the appointment of administrators, pursuant to the UK Insolvency Act 1986, would be in the best interests of Sungard AS UK and its general body of creditors. Accordingly, on March 25, 2022, the directors appointed administrators to Sungard AS UK.¹² The administrators are Benjamin Dymant and Ian Colin Wormleighton (collectively, the "Administrators") of Teneo Financial Advisory Limited ("Teneo").¹³

¹² While Sungard AS UK is not a borrower or guarantor under the Debtors' prepetition funded debt, the appointment of administrators to Sungard AS UK would have triggered events of default under the applicable prepetition funded debt agreements. In order to avoid this cross-default (which, in turn, may have subjected the Debtors to cash dominion by their revolving credit lender), the Debtors negotiated a series of waivers with its prepetition lenders to avoid this outcome. Those waivers were executed on March 25, 2022, concurrent with the appointment of administrators to Sungard AS UK, thereby avoiding any immediate risk of default.

¹³ Prior to the administration of Sungard AS UK, Teneo and the Administrators were advisors to Sungard AS UK regarding its restructuring efforts.

49. The administration of Sungard AS UK, without funding to continue the operation of its business (referred to as a “shutdown” administration), could have had dire consequences for the Company as an overall enterprise and the Debtors, specifically. If faced with a shutdown administration, the Administrators likely would have: (i) advised all customers of Sungard AS UK that it was ceasing to operate; (ii) surrendered all leased sites to the landlords to avoid the continued incurrence of rent and other payments; (iii) notified all creditors that the business had ceased to operate and that they should stop all services and products from being provided or delivered to Sungard AS UK; and (iv) terminated employees, except for those necessary to complete a wind-down of the assets or for those who serve global functions and would be employed by other Company entities. The Company operates as a single global brand for its customers, who in turn may purchase multiple services from one or more entities in multiple jurisdictions. A cessation of the Company’s operations in the United Kingdom, with little warning or notice to its customers, would be diametrically opposed to the Company’s core business of providing uninterrupted mission-critical services—including to regulated banks, healthcare, the UK government, utilities and other large enterprises—eroding any trust those customers have in the Company. Simply put, the risk of contagion from a shutdown administration could have destroyed the value of the entire enterprise.

50. Accordingly, to preserve the value of Sungard AS UK’s assets in administration and to minimize disruption and damage to the rest of the Company, the directors of both Sungard AS and Sungard AS UK determined that a “trading administration”—whereby the Administrators would continue operating the business of Sungard AS UK, while exploring the orderly sale of assets and the potential transfer of customer contracts to other suppliers—would be in the best interests of creditors of Sungard AS UK (and, by extension, the Company as a whole). In order to

implement a “trading” administration that would inure to the benefit of all Company stakeholders, Sungard AS UK required funding. To that end, Sungard AS negotiated a short-term funding agreement with the Administrators, acting on behalf of Sungard AS UK, whereby Sungard AS would provide a loan facility in an aggregate principal amount not exceeding \$7.0 million (or approximately £5.3 million at current exchange rates), subject to the terms and conditions of a certain funding agreement, dated March 25, 2022 (the “UK Funding Agreement”). The Company determined that, given the importance of its customer relationships and the potentially disastrous effects that a shutdown administration could have had on the entire enterprise, entry into the UK Funding Agreement was in the best interest of all stakeholders. In light of the foregoing, the Debtors have obtained a commitment under the proposed DIP Facilities to allow for the continued funding of the administration, subject to the terms and conditions set forth in the DIP Term Sheet.

D. Debtors’ Prepetition Restructuring Efforts and Stakeholder Engagement

51. In February 2022, when it became evident that a more comprehensive restructuring of the Company would be required, the Debtors retained the services of Akin Gump Strauss Hauer & Feld LLP (“Akin Gump”)¹⁴ as restructuring counsel and FTI Consulting, Inc. as financial advisor who, along with DH, began to assist with the development of possible restructuring alternatives. In addition, given the increasing likelihood that any restructuring would need to be effectuated through the commencement of chapter 11 cases and given that restructuring is not a core practice of DH, the Debtors determined to hire Houlihan Lokey Capital, Inc. (“Houlihan”) as its restructuring investment banker. The Debtors, with the assistance of these advisors, explored various alternatives, including whether it was practicable to effectuate an out-of-court restructuring, and ultimately determined that an in-court restructuring was necessary.

¹⁴ Since the Company’s emergence from the Prior Cases, Akin Gump has acted as corporate counsel to the Company. Akin Gump was engaged as restructuring counsel in February 2022.

52. In addition, as set forth above, in order to ensure a smooth landing into chapter 11, the Debtors obtained additional liquidity from certain members of the Ad Hoc Group in the form of the Bridge Financing in the amount of \$7.0 million.

IV. The Restructuring Support Agreement and the Proposed DIP Financing

53. As discussed and after considering various alternatives, the Debtors began negotiations regarding potential restructuring transactions with the Ad Hoc Group in March 2022. These good-faith negotiations resulted in the applicable parties' entry into the Restructuring Support Agreement, which is attached hereto as **Exhibit 1**.

A. The Restructuring Support Agreement

54. On April 11, 2022, Sungard AS and the other Company parties that are Debtors in these chapter 11 cases entered into the Restructuring Support Agreement with holders of in excess of 80% of the term loans under the Prepetition 1L Term Loan Credit Agreement and in excess of 80% of the term loans under the Prepetition New 2L Credit Agreement. The Restructuring Support Agreement contemplates a comprehensive restructuring achieved either through the Sale Scenario or through the Equitization Scenario. The key components of the Restructuring Support Agreement are as follows:

- **Sale Scenario:** The Debtors will file a motion seeking approval of Bidding Procedures that will provide a structure for the sale of all, substantially all or one or more groups of the Debtors' assets to one or more purchasers pursuant to Bankruptcy Code section 363. The Sale Scenario may be consummated pursuant to one or more of (x) an asset purchase agreement, (y) a share purchase agreement or (z) a plan of reorganization. As set forth above, in the event of a bid by the Consenting Stakeholder Purchaser (as defined in the Restructuring Support Agreement), the amount of any credit bid by the Consenting Stakeholder Purchaser as part of its proposed purchase price will not exceed a to-be-determined "reserve price."
- **Equitization Scenario:** Concurrently with the contemplated sale process, the Debtors will file and seek confirmation of a chapter 11 plan (the "Plan"). Among other things, the Plan will provide for the distribution of equity in any reorganized Debtor to the Consenting Stakeholders (subject to dilution in

connection with any exit financing, management incentive plan or post-effective date issuances). The Plan will provide for, among other things, (i) the treatment of claims against and interests in the Debtors consistent with the rights and entitlements set forth under the Bankruptcy Code and (ii) customary releases and exculpation provisions. The Plan will be withdrawn or modified and prosecuted based on the results of the Sale Scenario.

55. The Restructuring Support Agreement includes a broad “fiduciary out” that provides, in part, that nothing will require the Debtors to take any action or to refrain from taking any action with respect to the restructuring transactions to the extent taking or failing to take such action would be inconsistent with applicable law or its fiduciary obligations under applicable law. In addition, Section 7.02 of the Restructuring Support Agreement permits the Debtors to, among other things, consider, respond to and facilitate “Alternative Restructuring Proposals” (as defined under the Restructuring Support Agreement) and maintain and continue discussions with respect thereto.

56. In sum, the Restructuring Support Agreement provides the Company with the flexibility it needs to pursue value-maximizing transactions or reorganize for continued operation. Preserving value for the benefit of the Company’s stakeholders depends, in large part, on the Company’s ability to proceed swiftly to a viable exit alternative and minimize the effects of the Debtors’ chapter 11 cases on the value of the Company’s brand—a critical component of the value of the Company’s businesses—and the Company’s ongoing liquidity position. Given that customer sentiment in the industry shifts rapidly and stakeholders need their IT services running at all times, time is of the essence. The Company intends to proceed with a fair and efficient process to preserve and maximize value for all stakeholders, which ultimately will inure to the substantial benefit of all parties in interest.

B. The DIP Financing Process¹⁵

57. Pursuant to the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Repay Certain Prepetition Secured Indebtedness, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief* (the "DIP Motion"), filed concurrently herewith, the Debtors seek, among other things, approval of the proposed DIP Facilities and the postpetition use of the Prepetition Secured Parties' Cash Collateral. The DIP Facilities provide much needed liquidity that will allow the Debtors to meet immediate operational needs, including immediate access to \$41,150,000.00 upon entry of the Interim Order and the remaining amount of the DIP Facilities upon entry of the Final Order, and provide the liquidity for a smooth transition into chapter 11. The DIP Facilities will also reassure the Company's customers and employees that the Company will be able to continue to meet its commitments during these chapter 11 cases and that the Company's businesses are likely to continue as a going concern, whether pursuant to the Sale Scenario or the Equitization Scenario.

1. The Debtors' Need for Interim Relief

58. The Debtors require immediate access to the DIP Facilities and the Prepetition Secured Parties' Cash Collateral. As of the Petition Date, the Debtors are not projected to generate sufficient operating cash flow in the ordinary course of business to operate their businesses, pay postpetition debts as they come due, pay amounts requested under the First Day Pleadings and fund other administrative expenses during the first 21 days of these chapter 11 cases. The Debtors'

¹⁵ Capitalized terms used in this Section, but not otherwise defined herein, have the meaning ascribed to such terms in the DIP Motion or the Interim DIP Order, as applicable.

businesses are cash intensive, with significant daily costs required to satisfy obligations to vendors, landlords and employees. Without securing access to the \$41,150,000.00 available upon entry of the Interim Order, the Debtors will be unable to operate their businesses and pay debts as they come due during the first 21 days of these chapter 11 cases. Indeed, without the financing provided through the DIP Facilities, the Debtors would not be able to continue to operate in the ordinary course. As such, and given their current limited liquidity, the Debtors require immediate access to postpetition financing and the use of the Prepetition Secured Parties' Cash Collateral to operate their businesses. Further, the failure to obtain access to the DIP Facilities and the Prepetition Secured Parties' Cash Collateral will result in immediate and irreparable harm to the Debtors and their stakeholders and materially diminish the value of the Debtors' estates.

2. The DIP Sizing Process

59. As more thoroughly described in the *Declaration of Christopher Nicholls in Support of Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Senior Secured Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Repay Certain Prepetition Secured Indebtedness, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief* (the "Nicholls Declaration"), filed contemporaneously herewith, in connection with their liquidity situation and the prospect of a chapter 11 filing, the Debtors, with the assistance of FTI, analyzed their projected cash needs and prepared a 13-week DIP cash flow forecast (the "Budget") for the interim period that includes reasonable and necessary foreseeable expenses to be incurred in connection with the operation of the Debtors' businesses. I believe that

the Budget demonstrates that, with access to the DIP Facilities and the use of Cash Collateral, the Debtors will have adequate liquidity during the interim period.

60. The Debtors believe that the proposed DIP Facilities are critical to operate their businesses and satisfy all administrative costs and expenses associated with these chapter 11 cases as they come due while the Debtors explore value-maximizing restructuring transactions.

3. Efforts to Obtain Postpetition Financing

61. As described in the *Declaration of Tom Hedus in Support of Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Senior Secured Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Repay Certain Prepetition Secured Indebtedness, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief* (the “Hedus Declaration”), filed contemporaneously herewith, the Debtors retained Houlihan to assist with exploring and analyzing restructuring alternatives, including reaching out to potential third-party financing sources to secure additional liquidity that the Debtors need in order to operate during these chapter 11 cases.

62. I understand that Houlihan contacted a number of financial institutions, including existing lenders, for the purposes of exploring potential DIP financing, and that many of these financial institutions signed non-disclosure agreements. Ultimately, the Debtors, in consultation with their advisors and based on feedback that Houlihan received from potential third-party lenders, determined that it was unlikely that any potential lender outside of the Debtors’ current capital structure would both be interested in providing financing and would be able to move quickly enough to align with the Debtors’ timeline for these chapter 11 cases. Further, I understand

that no third-party was willing to provide financing on subordinated basis to the Debtors' prepetition secured indebtedness nor were any such parties or the Debtors prepared to engage in a potentially value-destructive priming fight.

63. I believe that the terms of the DIP Facilities constitute the only terms the Debtors could achieve on which the DIP Lenders will extend the necessary postpetition financing. Among other things, it is my understanding that the "creeping roll-up" of the obligations under the Revolving Credit Agreement—by applying the prepetition collateral proceeds in reduction of the obligations under the Revolving Credit Agreement in exchange for a DIP Claim on a dollar-for-dollar basis—is a key component of consideration for PNC, without which they have indicated they were unwilling to consent to the DIP Facilities.

64. Based on the results of this process, and given the facts and circumstances of these chapter 11 cases, I understand that the DIP Facilities are the Debtors' best available financing option.

4. Repayment of the Bridge Financing

65. As set forth in paragraphs 24 and 52 and as further described in the Hedus Declaration, certain members of the Ad Hoc Group agreed to provide the Debtors with the Bridge Financing. The proceeds of the Bridge Financing were necessary to ensure that the Debtors could fund critical payments relating to insurance premiums, certain vendor and lease payments, employee compensation and professional fees and thereby ensure an orderly transition into chapter 11.

66. As I understand, it is proposed that proceeds of the Term Loan DIP Facility will be used to repay the obligations under the Bridge Financing upon interim approval of the DIP Facilities. The repayment of such obligations from the proceeds of the Term Loan DIP Facility

was a point of vigorous negotiation between the Debtors and the Initial Incremental Prepetition 1L Term Loan Lenders. In my view, without the commitment that the Debtors would repay the obligations under the Bridge Financing through the Term Loan DIP Facility, the Debtors would not have been able to obtain the Term Loan DIP Facility. In addition, the interest rate under the Bridge Financing is substantially greater than the interest rate for the new money loans under the Term Loan Facility and, accordingly, the repayment of the obligations under the Bridge Financing will stop the accrual of such interest during the pendency of the chapter 11 cases.

5. The Proposed Adequate Protection

67. For the reasons discussed above, the Debtors require access to the Prepetition Secured Parties' Prepetition Collateral. I understand that the Debtors propose to provide the Prepetition Secured Parties with the following as adequate protection, among other things:

- replacement liens on the Prepetition Collateral;
- superpriority administrative expense claims for any diminution in value of the Prepetition Collateral; and
- payment of reasonable and documented professional fees and expenses of advisors to the Prepetition Secured Parties.

68. I have been advised that the required percentages of the Prepetition Secured Parties have agreed to the foregoing adequate protection package in connection with the incurrence of the DIP Facility and the use of Cash Collateral.

C. CCAA Proceedings

69. Concurrent with the filing of this Declaration, the Debtors are filing the Foreign Representative Motion (defined below), by which the Debtors will ask this Court to confirm that Sungard Availability Services (Canada) Ltd. ("Sungard AS Canada") may act as the "foreign representative" before the Ontario Superior Court of Justice (Commercial List) ("Canadian Court") in connection with proposed recognition proceedings pursuant to Part IV of the Companies'

Creditors Arrangement Act (Canada) R.S.C. 1985, c. C-36, as amended (the “CCAA”). If the relief requested in the Foreign Representative Motion is granted, Sungard AS Canada will then ask the Canadian Court to recognize Sungard AS Canada’s chapter 11 case as a “foreign main proceeding” in order to, among other things, protect the Debtors’ assets located in Canada. Sungard AS Canada will also ask the Canadian Court to recognize and enforce in Canada certain of the first day and other orders, if granted, to ensure that the Canadian business continues to operate uninterrupted during these proceedings. In the interim period, and following the filing of the petitions for these chapter 11 cases, Sungard AS Canada intends to apply to the Canadian Court for an emergency temporary stay of proceedings in Canada.

V. Evidentiary Support for First Day Pleadings

70. Along with this Declaration, the Debtors have filed the First Day Pleadings, seeking orders granting various forms of relief intended to stabilize the Debtors’ business operations, facilitate the efficient administration of these chapter 11 cases and expedite the restructuring of the Debtors. The First Day Pleadings include:

- *“Equity Trading Motion”: Debtors’ Emergency Motion for Entry of an Order (I) Approving Notification and Hearing Procedures for Certain Transfers of Beneficial Ownership and Declarations of Worthlessness with Respect to Membership Interests and (II) Granting Related Relief*

71. The First Day Pleadings seek authority to, among other things, honor employee-related wages and benefits obligations, allow for the payment of certain vendor claims and ensure the continuation of the Debtors’ cash management systems and other business operations without interruption, which I believe is essential so that the Debtors can continue to operate their businesses in the ordinary course during these chapter 11 cases.

72. Specifically, with respect to the Debtors’ vendors and suppliers and as set forth further in the Critical Vendor Motion, the Debtors rely on the continuing access to, and relationships with, a network of vendors and service providers. The Debtors, with the assistance of their advisors, thoroughly examined each of these relationships to determine which vendors were critical to preserving the value of the Debtors’ estates and ensuring a seamless transition into chapter 11. The vendors identified through this process provide services that support and maintain the core of the Debtors’ businesses (the Facilities that house data centers and workplace recovery facilities) or provide essential goods and services that allow the Debtors to continue their day-to-day operations, such as contractors and software providers. On an aggregate basis and consistent with the Approved Budget (as defined in the DIP Motion), the Debtors seek authority to pay up to \$4 million on account of Critical Vendor Claims, and approximately \$3.2 million on an interim

basis. I believe that allowing the Debtors' discretion to satisfy Critical Vendor Claims will be to the benefit of the Debtors' estates by helping prevent Critical Vendors from ceasing to provide goods to the Debtors or stop providing critical services.

73. I believe that the relief requested in the First Day Pleadings is also necessary to allow the Debtors to negotiate a successful restructuring, whether through a plan of reorganization or one or more sale processes, and thereby promptly emerge from chapter 11.

74. Several of the First Day Pleadings request authority to pay certain prepetition claims. I understand that Federal Rule of Bankruptcy Procedure 6003 provides, in relevant part, that the Court shall not consider motions to pay prepetition claims during the first 21 days following the filing of a chapter 11 petition, "except to the extent relief is necessary to avoid immediate and irreparable harm." In light of this requirement, the Debtors have narrowly tailored their requests for immediate authority to pay certain prepetition claims to those circumstances where the failure to pay such claims would cause immediate and irreparable harm to the Debtors and their estates. Other relief will be deferred for consideration at a later hearing.

75. I am familiar with the contents and substance of each First Day Pleading and believe that the relief sought in each First Day Pleading is necessary to enable the Debtors to operate in chapter 11 with minimal disruption or loss of productivity and value and best serves the Debtors' estates and creditors' interests. The facts set forth in each First Day Pleading are incorporated herein by reference.

Conclusion

76. This Declaration illustrates the factors that have precipitated the commencement of the chapter 11 cases and the critical need for the Debtors to obtain the relief requested in the First Day Pleadings.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

8.02. Upon compliance with the requirements of Section 8.01, the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests. This Agreement shall in no way be construed to preclude any Consenting Stakeholder from acquiring additional Company Claims/Interests to the extent such acquisition will not adversely impact the Company Parties; provided, however, that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the Consenting Stakeholders, if applicable) and (b) such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to the Company Parties within three (3) Business Days of such acquisition. In the event any Qualified Marketmaker is a Consenting Stakeholder as of the Agreement Effective Date, its obligations hereunder shall be limited to the Claims/Interests it beneficially owns as of the Agreement Effective Date.

8.07. Notwithstanding anything to the contrary in this Section 8, the restrictions on Transfer set forth in this Section 8 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

however, that in the event the Consenting Stakeholder Purchaser's bid is the only Qualified Bid for such assets, this Milestone shall be automatically extended by seven (7) days and, should the Consenting Stakeholder Purchaser elect to consummate such transaction through the Plan pursuant to the Required Consenting Stakeholder Election, this Milestone shall not apply. To the extent Bravo or Eagle is not included in such transaction, the sale of Bravo or Eagle will be subject to Milestones to be agreed upon, by no later than July 14, 2022, by the Debtors and the Required Consenting Stakeholders which shall include Milestones for (i) the Bid Deadline, (ii) an auction, (iii) the Bankruptcy Court's entry of an order approving the sale, and (iv) the closing of the sale; and

- (D) by no later than July 29, 2022, subject to Sections 11.03(xiv) and 11.04(i)(C), the closing of sale(s) of all or substantially all assets of the Debtors, including Bravo and Eagle, shall have occurred; *provided, however*, that (i) such date may be extended for an additional one month, solely to the extent that the Company Parties have otherwise complied with the terms of the Definitive Documents and all other events and actions necessary for the occurrence of the closing of such sale have occurred other than the receipt of regulatory or other approval of a governmental unit necessary for occurrence of the closing and (ii) the Parties shall negotiate in good faith for a further reasonable extension of the closing date of such sale if the Company Parties have otherwise complied with the terms of the Definitive Documents and all other events and actions necessary for the occurrence of the closing of such sale have occurred other than the receipt of regulatory or other approval of a governmental unit necessary for occurrence of the closing.

11.05. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among the Required Consenting Stakeholders and each Company Party.

11.06. Automatic Termination. This Agreement shall terminate automatically without any further required action or notice upon the consummation of the Plan on (i) the Plan Effective Date, or (ii) in the event an Acceptable Sale or Multiple Sales are to be implemented under the Plan or another joint chapter 11 plan with respect to the Company Parties, upon the effective date of the Plan, such other joint chapter 11 plan or any other plan in respect of the Company Parties proposed under chapter 11 of the Bankruptcy Code after consummation of an Acceptable Sale or Multiple Sales, as the case may be.

11.07. Effect of Termination. Upon the occurrence of a Consenting First Lien Lender/Second Lien Lender Termination Event, unless waived by the applicable Parties, each Party subject to such termination shall be released from its commitments, undertakings, and

agreements under or related to this Agreement and any of the Definitive Documents and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims/Interests or causes of action, and there shall be no liability or obligation hereunder on the part of any Party hereto; provided that in no event shall any such termination relieve a Party hereto from (i) liability for its breach or non-performance of its obligations under this Agreement before the date of such Consenting First Lien Lender/Second Lien Lender Termination Event or (ii) obligations under this Agreement which expressly survive any such termination pursuant to Section 14.21 hereunder. Upon the occurrence of a Consenting First Lien Lender/Second Lien Lender Termination Event prior to the Plan Effective Date, or in the event of the Sale Scenario, after the consummation of an Acceptable Sale or Multiple Sales, prior to the effective date of the Plan, such other joint chapter 11 plan or any other plan proposed in respect of the Company Parties under chapter 11 of the Bankruptcy Code, any and all consents, agreements, undertakings, tenders, waivers, forbearances, and ballots tendered or delivered by the Parties subject to such termination before such Consenting First Lien Lender/Second Lien Lender Termination Event shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise; provided, however, any Consenting Stakeholder withdrawing or changing its vote pursuant to this Section 11.07 shall promptly provide written notice of such withdrawal or change to each other Party to this Agreement and, if such withdrawal or change occurs on or after the Petition Date, file notice of such withdrawal or change with the Bankruptcy Court before the entry of the Confirmation Order by the Bankruptcy Court. The automatic stay imposed by section 362 of the Bankruptcy Code shall not prohibit a Party from taking any action necessary to effectuate the termination of and otherwise enforce this Agreement pursuant to and in accordance with the terms hereof, and the Company Parties hereby waive the automatic stay for such purposes. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserves its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholder, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Stakeholder. No purported termination of this Agreement shall be effective under this Section 11.07 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement. For the avoidance of doubt, the automatic stay arising pursuant to section 362 of the Bankruptcy Code shall be deemed waived or modified for purposes of providing notice or exercising rights hereunder.

Section 12. *Amendments and Waivers.*

(a) This Agreement may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 12.

(b) Subject to the consent rights set forth in Section 3.02 hereof, this Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by each Company Party and the Required Consenting Stakeholders; provided, however, that if the proposed modification, amendment, waiver, or supplement has a material, disproportionate (as compared to other Consenting Stakeholders holding Company Claims/Interests within the same class as provided for in the Restructuring Term Sheet), and adverse effect on any of the Company Claims/Interests held by a Consenting Stakeholder, the consent of each such affected Consenting Stakeholder shall also be required to effectuate such proposed modification, amendment, waiver, or supplement.

(c) Any proposed modification, amendment, waiver or supplement that does not comply with this Section 12 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 13. *Releases.*

13.01. Releases, Exculpation, Injunction. In connection with the Restructuring Transactions, each of the Parties shall provide customary releases to the maximum extent permissible by law to the Parties hereto and their respective affiliates, employees, officers, directors, professionals and other entities typically included in customary releases for transactions similar to the Restructuring Transactions. Section 14. *Miscellaneous.*

14.01. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer, acceptance or solicitation with respect to any securities, loans or other instruments or a solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer, acceptance or solicitation will be made only in compliance with all applicable provisions of securities Laws, provisions of the Bankruptcy Code, and other applicable Law.

14.02. Exhibits Incorporated by Reference; Conflicts. Each of the exhibits, annexes, signatures pages, and schedules attached hereto is expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to the exhibits, annexes, and schedules hereto) and the exhibits, annexes, and schedules hereto, this Agreement (without reference to the exhibits, annexes, and schedules thereto) shall govern.

14.03. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transactions, as applicable.

14.04. Complete Agreement. Except as otherwise explicitly provided herein, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Confidentiality Agreement.

14.05. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION. Notwithstanding the foregoing consent to jurisdiction in either a state or federal court of competent jurisdiction in the State and County of New York, upon the commencement of the Chapter 11 Cases, each of the Parties hereby agrees that, if the Chapter 11 Cases are pending, the Bankruptcy Court shall have exclusive jurisdiction over all matters arising out of or in connection with this Agreement. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

14.06. TRIAL BY JURY WAIVER. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14.07. Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

14.08. Rules of Construction. This Agreement is the product of negotiations among the Company Parties and the Consenting Stakeholders, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The Company Parties and the Consenting Stakeholders were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

14.09. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. 14.11. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

14.12. Enforceability of Agreement. Each of the Parties to the extent enforceable waives any right to assert that the exercise of termination rights under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

14.13. Waiver. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

14.14. Specific Performance. It is understood and agreed by the Parties that, without limiting any other remedies available at law or in equity, money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

14.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

14.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

14.17. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

14.18. Capacities of Consenting Stakeholders. Each Consenting Stakeholder has entered into this agreement on account of all Company Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

14.19. Relationship Among Consenting Stakeholders.

(a) None of the Consenting Stakeholders shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities to each other, any Consenting Stakeholder, the Company Parties or their affiliates, or any of the Company Parties' or their affiliates' creditors or other stakeholders, including, without limitation, any holders of Credit Agreement Claims or Company Claims/Interests, and, other than as expressly set forth in this Agreement, there are no commitments among or between the Consenting Stakeholders. It is understood and agreed that any Consenting Stakeholder may trade in any debt or equity securities of the Company without the consent of the Company or any other Consenting Stakeholder, subject to applicable securities laws, this Agreement (including Section 8 of this Agreement), and any applicable Confidentiality Agreement. No prior history, pattern or practice of sharing confidences among or between any of the Consenting Stakeholders and/or the Company shall in any way affect or negate this understanding and agreement.

(b) The Company Parties understand that the Consenting Stakeholders are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Company Parties acknowledge and agree that the obligations set forth in this Agreement shall only apply to the Consenting Stakeholders and shall not apply to any affiliate of a Consenting Stakeholder.

14.20. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 3.02, Section 12, or otherwise, including a written approval by the Company Parties or the Required Consenting Stakeholders, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent,

acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

14.21. Survival.

(a) Notwithstanding (i) any transfer of any Company Claims/Interests in accordance with this Agreement or (ii) the termination of this Agreement in accordance with its terms, the agreements and obligations of the Parties in Section 14 (excluding Section 14.23) and Section 8.03 shall survive such transfer or termination and shall continue in full force and effect for the benefit of the Parties in accordance with the terms hereof; provided that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

(b) Each of the Parties acknowledges and agrees that this Agreement is being executed in connection with negotiations concerning a possible restructuring of the Company Parties and in contemplation of possible chapter 11 filings by the Company Parties and that the rights granted in this Agreement are enforceable by each signatory hereto without approval of any court, including the Bankruptcy Court.

14.22. Tax. To the extent practicable and applicable, and subject to the consent of the Required Consenting Stakeholders, the Restructuring Transactions will be structured so as to preserve or otherwise maximize the availability and/or use of favorable tax attributes (including tax basis) of the Company Parties and to otherwise obtain the most beneficial structure for the Company Parties or the Reorganized Debtors and the holders of the equity of any Reorganized Debtor post-Plan Effective Date, and the Company Parties will cooperate on a reasonable basis with the Consenting Stakeholders in connection with making such determination, including by timely providing the Consenting Stakeholders with reasonable information relevant to making such determination.

14.23. Publicity.

(a) The Company Parties shall not (i) use or disclose to any person the name of any Consenting Stakeholder, including in any press release, without such Consenting Stakeholder's prior written consent or (ii) disclose to any person, other than legal, accounting, financial and other advisors to the Company Parties who have a need to know such information in connection with the Restructuring, the amount or percentage of any the Loans held by any Consenting Stakeholder; provided that the Company shall be permitted to disclose at any time the aggregate amount of, and aggregate percentage of Loans or Interests held by the Consenting Stakeholders. The Consenting Stakeholders hereby consent to the disclosure by the Company in the Definitive Documents, or in any motion or other pleading seeking approval of any aspect of the Restructuring Transactions, or as otherwise required by law or regulation or by the Company's existing financing agreements, of the execution, terms and contents of this Agreement and the aggregate amount of, and aggregate percentage of, the Loans and Interests held by the Parties.

(b) In the event that the Company Parties seek to disseminate a press release, public filing, public announcement or other communications (collectively, an "Announcement") regarding the commencement of the Chapter 11 Cases, the Restructuring Transactions or any terms thereof, it shall use commercially reasonable efforts to provide a draft of such Announcement to

counsel to the Consenting Stakeholders for review and comment at least 24 hours before the public disclosure of such Announcement and shall act in good faith in considering and consulting with respective counsel to the Consenting Stakeholders regarding the form and substance of any such Announcement.

SUPPLEMENTAL ORDER¹
(FOREIGN MAIN² PROCEEDING)

THIS APPLICATION, made by ~~[NAME OF FOREIGN REPRESENTATIVE]~~Sungard
Availability Services (Canada) Ltd./Sungard, Services de Continuite des Affaires (Canada)

¹ ~~As noted in several footnotes in this model order, practice under Part IV of the CCAA is still developing, and as certain issues are determined by Canadian courts, this model order will be amended to reflect the development of the law in this area.~~

² ~~If the Canadian Court has recognized a foreign proceeding as a "main" proceeding, then section 48 of the CCAA provides that the Court must grant certain relief, subject to any terms and conditions it considers appropriate. The provisions of the model Initial Recognition Order (Foreign Main Proceeding) fulfill the mandatory requirements of section 48 with respect to a foreign main proceeding. Section 49 of the CCAA also allows the Court to make any order that it considers appropriate for the protection of the debtor company's property or the interests of a creditor or creditors. This Supplemental Order contains discretionary relief that might be granted by the Court in the appropriate circumstances. The Model Order Subcommittee has attempted to make the provisions of this model Order consistent with similar provisions in other model Orders. Supplemental relief (whether contained in this Order or in subsequent Orders) may also include provisions dealing with the sale of assets, the recognition of critical vendors, a claims process, or any number of other matters, or may recognize foreign orders or laws granting such relief.~~

Ltee (the "Canadian Debtor") in its capacity as the proposed foreign representative (the ~~"Foreign Representative"~~) ~~of the Debtors, pursuant to the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "CCAA")~~ of the Canadian Debtor and the other Debtors (as defined in the affidavit of Michael K Robinson sworn April 11, 2022 (the "**Robinson Affidavit**") in respect of the proceedings (the "**Foreign Proceeding**") commenced on April [10], 2022, in the United States Bankruptcy Court for the Southern District of Texas (the "**U.S. Bankruptcy Court**") for an Order substantially in the form enclosed in the Application Record, was heard ~~this day at 330 University Avenue, by judicial videoconference via Zoom at~~ Toronto, Ontario due to the COVID-19 crisis.

ON READING the Notice of Application, the ~~affidavit of [NAME] sworn [DATE], [the preliminary report of [NAME] Robinson Affidavit, the affidavits of Stephanie Fernandes sworn April 11, 2022 and April 11, 2022, the Pre-Filing Report of the Alvarez & Marsal Canada Inc.,~~ in its capacity as proposed information officer (the "**Proposed Information Officer**") dated ~~[DATE]~~ April ●, 2022, each filed, and on being advised that the secured creditors who are likely to be affected by the charges created herein were given notice, and on hearing the submissions of counsel for the Foreign Representative, ~~[counsel for the proposed information officer,] counsel for [OTHER PARTIES],~~ counsel for the Proposed Information Officer, counsel for the other parties appearing on the participant information form, and no one appearing for ~~[NAME]~~³ any other party although duly served as appears from the ~~affidavit~~ affidavits of service of ~~[NAME]~~ Jeremy Bornstein sworn ~~[DATE]~~ April 11, 2022 and April ●, 2022, and on reading the consent of ~~[NAME OF PROPOSED INFORMATION OFFICER]~~ Alvarez & Marsal Canada Inc. to act as the information officer, each filed:

SERVICE

1. THIS COURT ORDERS that the time for service of the Notice of Application and the Application Record is hereby abridged and validated⁴ so that this Application is properly returnable today and hereby dispenses with further service thereof.

³ ~~Include names of secured creditors or other persons who must be served before certain relief in this model Order may be granted. See, for example, CCAA Sections 11.2(1) and 11.52(1).~~

⁴ ~~If service is effected in a manner other than as authorized by the Ontario Rules of Civil Procedure, an order validating irregular service is required pursuant to Rule 16.08 of the Rules of Civil Procedure and may be granted in the appropriate circumstances.~~

INITIAL RECOGNITION ORDER

2. THIS COURT ORDERS that any capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Initial Recognition Order (Foreign Main Proceeding) dated ~~[DATE]~~ April 9, 2022 (the "~~Initial Recognition Order~~") or the Robinson Affidavit.

3. THIS COURT ORDERS that the provisions of this Supplemental Order shall be interpreted in a manner complementary and supplementary to the provisions of the Initial Recognition Order, provided that in the event of a conflict between the provisions of this Supplemental Order and the provisions of the Initial Recognition Order, the provisions of the Initial Recognition Order shall govern.

RECOGNITION OF FOREIGN ORDERS⁵

4. THIS COURT ORDERS that the following orders (collectively, the "~~Foreign Orders~~" of ~~[NAME OF FOREIGN COURT]~~ of the U.S. Bankruptcy Court made in the Foreign Proceeding are hereby recognized and given full force and effect⁶ in all provinces and territories of Canada pursuant to Section 49 of the CCAA:

- (a) ~~[List Foreign Orders, or portions of Foreign Orders, copies of which should be attached as schedules to this Order], attached as Schedule A to this Order, Order~~ (I) Authorizing Sungard Availability Services (Canada) Ltd./Sungard, Services De Continuite Des Affaires (Canada) Ltee to Act as Foreign Representative and (II) Granting Related Relief, a copy of which is attached hereto as Schedule "A".

⁵ This model Order adopts an approach that might be applicable to some foreign proceedings, but not others. For example, U.S. proceedings will typically generate court orders that will be brought to the Canadian Courts for recognition. Other jurisdictions may have statutory or regulatory rights (rather than court orders) that need to be recognized in Canada.

⁶ Section 50 of the CCAA provides that an order made under Part IV of the CCAA may be made on any terms and conditions that the Court considers appropriate in the circumstances. Such terms and conditions would presumably need to be consistent with the orders or laws applicable to the foreign proceeding, subject to (i) the limitations imposed by section 48(2) (an order made under section 48(1) must be consistent with any order made under the CCAA), and (ii) the limitations imposed in section 61 (which provides that the Court may apply legal or equitable rules that are not inconsistent with the CCAA, and further that the Court may refuse to do something that would be contrary to public policy). All of the Foreign Orders should be reviewed by counsel with these issues in

- (b) Order (I) Authorizing the Debtors to Redact Certain Personal Identification Information, (II) Approving the Form and Manner of Notice of the Commencement of These Chapter 11 Cases and (III) Granting Related Relief, a copy of which is attached hereto as **Schedule "B"**:
- (c) Interim Order (I) Authorizing Debtors to Pay Certain Prepetition Trade Claimants, (II) Confirming Administrative Expense Priority of Outstanding Purchase Orders and (III) Granting Related Relief, a copy of which is attached hereto as **Schedule "C"**:
- (d) Order (I) Authorizing Debtors to (A) Continue Insurance Coverage Entered into Prepetition and Satisfy Prepetition Obligations Related Thereto, and (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule "D"**:
- (e) Order (I) Approving Debtors' Proposed Form of Adequate Assurance of Payment for Future Utility Services, (II) Approving Adequate Assurance Procedures, (III) Prohibiting Utility Providers from Altering, Refusing or Discontinuing Service, and (IV) Granting Related Relief, a copy of which is attached hereto as **Schedule "E"**:
- (f) Order (I) Authorizing but not Directing, the Debtors to (A) Pay Prepetition Employee Wages, Salaries, and Other Compensation and Reimbursable Employee Expenses and (B) Continue Employee Compensation and Benefits Programs; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule "F"**:
- (g) Order (I) Authorizing, but not Directing, the Payment of Certain Taxes and Fees and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule "G"**:
- (h) Interim Order (I) Approving Notification and Hearing Procedures for Certain Transfers of Beneficial Ownership and Declarations of Worthlessness with

mind, and the Court may require confirmation from counsel that there is nothing in the Foreign Orders that is inconsistent with the CCAA or that would raise the public policy exception referenced in section 61 of the CCAA.

Respect to Membership Interests and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule "H"**.

(i) Order (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts, (B) Maintain Existing Business Forms and (C) Perform Intercompany Transactions and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule "I"**; and

(j) Interim Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Repay Certain Prepetition Secured Indebtedness, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing; and (VIII) Granting Related Relief (the "**Interim DIP Order**"), a copy of which is attached hereto as **Schedule "J"**;

provided, however, that in the event of any conflict between the terms of the Foreign Orders and the Orders of this Court made in the within proceedings, the Orders of this Court shall govern with respect to Property (as defined below) in Canada.

APPOINTMENT OF INFORMATION OFFICER⁷

5. THIS COURT ORDERS that ~~[NAME OF INFORMATION OFFICER]~~ Alvarez & Marsal Canada Inc. (the ~~"Information Officer"~~) is hereby appointed as an officer of this Court, with the powers and duties set out herein and in any other Order made in these proceedings.

⁷~~The appointment of an Information Officer is not required by the CCAA, and is in the discretion of the Court. Information Officers are normally trustees licensed under the *Bankruptcy and Insolvency Act*.~~

**NO PROCEEDINGS AGAINST THE CANADIAN DEBTOR, THE GUARANTOR DEBTORS,
THE BUSINESS OR THE PROPERTY⁸**

6. THIS COURT ORDERS that until such date as this Court may order (the "Stay Period") no proceeding, application, or enforcement process in any court or tribunal in Canada (each, a "Proceeding") shall be commenced or continued against, or in respect of the ~~Debtors~~ Canadian Debtor or the entities identified on Schedule "K" hereto (collectively, the "Guarantor Debtors") or affecting their business (the "Business") or their current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate including all proceeds thereof (the "Property"), except with leave of this Court,⁹ and any and all Proceedings currently under way against or in respect of any of the Canadian Debtor or the Guarantor Debtors or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

7. THIS COURT ORDERS that during the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being "Persons" and each being a "Person") against or in respect of the Canadian Debtor or the Guarantor Debtors ~~[or the Foreign Representative]~~, or affecting the Business or the Property, are hereby stayed and suspended except with leave of this Court, provided that nothing in this Order shall (i) prevent the assertion of or the exercise of rights and remedies outside of Canada, (ii) empower any of the Canadian Debtor or the Guarantor Debtors to carry on any business in Canada which that Canadian Debtor or Guarantor Debtor is not lawfully entitled to carry on, (iii) ~~[affect such investigations or~~

⁸ ~~The Model Order Subcommittee notes that a "Non-Derogation of Rights" section (found, for example, in the Model Initial CCAA Order) has not been included in this model Order. In a 'full' CCAA proceeding, which would typically include a stay of proceedings made under section 11.02 of the CCAA, a number of actions or steps cannot be stayed, or the stay is subject to certain limits and restrictions. See, for example, CCAA Sections 11.01, 11.04, 11.06, 11.07, 11.08, and 11.1(2). However, in a Part IV proceeding, section 48 of the CCAA (rather than section 11.02 of the CCAA) is being relied upon when a stay of proceedings is being sought, and despite the wording of section 48(2) and section 61, it is not clear if the restrictions applicable to a section 11.02 stay of proceedings are also applicable to a section 48 stay of proceedings, or would restrict the recognition of foreign proceedings or foreign orders that include a stay of proceedings broader than permitted in a section 11.02 stay of proceedings. These issues remain open for determination by Canadian courts.~~

⁹ ~~Where the Court considers it to be appropriate, it may authorize other Persons, including a Court-appointed Information Officer, to provide consent to any Proceeding. This same comment applies in paragraphs 6 through 11 of this Order.~~

Proceedings by a regulatory body as are permitted by section 11.1 of the CCAA,¹ (iv) prevent the filing of any registration to preserve or perfect a security interest, ~~or~~ (v) prevent the registration of a claim for lien; or (vi) prevent the DIP Agents (as defined in the Interim DIP Order) under the post-filing financing approved in the Foreign Proceeding pursuant to the Interim DIP Order (the "DIP Facilities") or the DIP Agents from making any filing or any registration contemplated by or consistent with the DIP Facilities or the Interim DIP Order.

NO INTERFERENCE WITH RIGHTS

8. THIS COURT ORDERS that during the Stay Period, no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, lease, licence or permit in favour of or held by ~~any of the Debtors~~ Canadian Debtor and affecting the Business in Canada, except with leave of this Court.

¹⁰ ~~Section 11.01 of the CCAA provides that no order made under section 11 or 11.02 has the effect of (a) prohibiting a person from requiring immediate payment for good, services, etc. provided after the order is made, or (b) requiring the further advance of money or credit. It is unclear whether these provisions also apply to an order made pursuant to section 48 of the CCAA. Please see the discussion in footnote 8 above.~~

VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

22. ~~21.~~ THIS COURT ORDERS that the priorities of the Administration Charge, the ABL DIP Agent's Charge, and the Term DIP Lender Agent's Charge, as among them, shall be as follows:¹⁴

First – Administration Charge (to the maximum amount of \$~~[AMOUNT]~~ 500,000); and

¹³ This restriction appears in the interim financing provisions found in section 11.2(1) of the CCAA. It is unclear if this prohibits the recognition of a foreign order that creates a DIP Lender's Charge securing pre-filing obligations.

¹⁴ The ranking of these Charges is for illustration purposes only, and is not meant to be determinative. This ranking may be subject to negotiation, and should be tailored to the circumstances of the case before the Court. Similarly, the quantum and caps applicable to the Charges should be considered in each case. Please also note that the CCAA now permits Charges in favour of critical suppliers and others, which should also be incorporated into this Order (and the rankings, above), where appropriate.

Second – ABL DIP Lender's Charge Agent's Charge and the Term DIP Agent's Charge, as further set forth in the Interim DIP Order.

23. ~~22.~~ THIS COURT ORDERS that the filing, registration or perfection of the Administration Charge or the DIP ~~Lender's Charge~~ Agents' Charges (collectively, the ~~"Charges"~~) shall not be required, and that the Charges shall be valid and enforceable for all purposes, including as against any right, title or interest filed, registered, recorded or perfected subsequent to the Charges coming into existence, notwithstanding any such failure to file, register, record or perfect the Charges.

24. ~~23.~~ THIS COURT ORDERS that each of the Administration Charge and the DIP ~~Lender's Charge~~ Agents' Charges (all as constituted and defined herein) shall constitute a charge on the Property in Canada and such Charges shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, ~~"Encumbrances"~~) in favour of any Person.

25. ~~24.~~ THIS COURT ORDERS that except as otherwise expressly provided for herein, or as may be approved by this Court, the ~~Debtors~~ Canadian Debtor shall not grant any Encumbrances over any Property in Canada that rank in priority to, or *pari passu* with, the Administration Charge or the DIP ~~Lender's Charge~~ Agents' Charges, unless the ~~Debtors~~ Canadian Debtor also ~~obtain~~ obtains the prior written consent of the Information Officer and the applicable DIP ~~Lender~~ Agent.

26. ~~25.~~ THIS COURT ORDERS that the Administration Charge and the DIP ~~Lender's Charge~~ Agents' Charges shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Charges (collectively, the ~~"Chargees"~~) shall not otherwise be limited or impaired in any way by (i) the pendency of these proceedings and the declarations of insolvency made herein; (ii) any application(s) for bankruptcy order(s) issued pursuant to ~~BIA~~ the Bankruptcy and Insolvency Act, R.S.C., 1985, c. B-3 (the "BIA"), or any bankruptcy order made pursuant to such applications; (iii) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (iv) the provisions of any federal or provincial statutes; or (v) any negative covenants, prohibitions or other similar provisions with respect to borrowings, incurring debt or the creation of Encumbrances, contained in any existing loan documents, lease, sublease, offer to lease or

other agreement (collectively, an **"Agreement"**) which binds ~~any~~ the Canadian Debtor, and notwithstanding any provision to the contrary in any Agreement:

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by ~~a~~ the Canadian Debtor of any Agreement to which it is a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by the ~~Debtors~~ Canadian Debtor to the Chargees pursuant to this Order, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

27. ~~26.~~ THIS COURT ORDERS that any Charge created by this Order over leases of real property in Canada shall only be a Charge in the ~~applicable~~ Canadian Debtor's interest in such real property leases.
