continuance of the amount of hypothec: from the date of the Deed at the rate of 25% per annum, calculated semi-annually, not in advance.

a) The Hypothecary Representative hereby authorizes each Grantor to collect all Rent; however, each Grantor shall not collect in advance more than one (1) month of Rent nor (other than a security deposit) shall it renounce to the payment of any Rent. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

b) Collection.

Upon the occurrence of an Event of Default which is continuing, the Hypothecary Representative may, upon prior written notice to the applicable Grantor, collect all claims and other Charged Property referred to in Section 1.1.5 (collectively the "Claims"), in accordance with what is provided for by law; it may further exercise any rights regarding such property and more particularly, it may grant or refuse any consent which may be required from a Grantor in its capacity as owner of such property, and shall not, in the exercise of such right, be required to obtain the consent of any Grantor, nor shall it be under any obligation to establish that any Grantor has refused or neglected to exercise such rights, grant delays, take or abandon any security, transact with debtors of the hypothecated Claims, make compromises, grant releases and may generally deal at its discretion with matters concerning all Claims without the intervention or consent of any Grantor.

Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing in accordance with what is provided for by law, with respect to all or any part of the hypothecated Claims, and the Hypothecary Representative may then effect such collection and shall then be entitled to any of the rights referred to in paragraph b) above; each Grantor shall, upon request of the Hypothecary Representative then remit to the Hypothecary Representative all records, books, invoices, bills, contracts, titles, papers and other documents related to the Claims. a) The Hypothecary Representative hereby authorizes each Grantor to collect all Rent; however, each Grantor shall not collect in advance more than one (1) month of Rent nor (other than a security deposit) shall it renounce to the payment of any Rent. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

a) The Hypothecary Representative hereby authorizes each Grantor to collect all Rent; however, each Grantor shall not collect in advance more than one (1) month of Rent nor (other than a security deposit) shall it renounce to the payment of any Rent. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

continuance of the amount of hypothec: from the date of the Deed at the rate of 25% per annum, calculated semi-annually, not in advance.

a) The Hypothecary Representative hereby authorizes each Grantor to collect all Rent; however, each Grantor shall not collect in advance more than one (1) month of Rent nor (other than a security deposit) shall it renounce to the payment of any Rent. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

b) Collection.

Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing in accordance with what is provided for by law, with respect to all or any part of the hypothecated Claims, and the Hypothecary Representative may then effect such collection and shall then be entitled to any of the rights referred to in paragraph b) above; each Grantor shall, upon request of the Hypothecary Representative then remit to the Hypothecary Representative all records, books, invoices, bills, contracts, titles, papers and other documents related to the Claims. The parties hereto hereby agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 Definitions. Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1.

1.2 Accounting Terms. All accounting terms not specifically defined herein shall be construed in accordance with GAAP; provided that, if Borrowers notify Agent that Borrowers request an amendment to any provision hereof to eliminate the effect of any Accounting Change occurring after the Closing Date or in the application thereof on the operation of such provision (or if Agent notifies Borrowers that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such Accounting Change or in the application thereof, then Agent and Borrowers agree that they will negotiate in good faith amendments to the provisions of this Agreement that are directly affected by such Accounting Change with the intent of having the respective positions of the Lenders and Borrowers after such Accounting Change conform as nearly as possible to their respective positions as of the date of this Agreement and, until any such amendments have been agreed upon and agreed to by the Required Lenders, the provisions in this Agreement shall be calculated as if no such Accounting Change had occurred. Notwithstanding the foregoing or any other provision in the Loan Documents to the contrary, (a) all leases treated as operating leases for purposes of GAAP on December 19, 2018 shall continue to be accounted for as operating leases hereunder, including for purposes of the definition of “Capital Lease Obligations”, regardless of any Accounting Changes after such date, (b) for all periods on or prior to the date annual audited financial statements are first delivered to the Agent and Lenders under clause (c) of Schedule 5.1 (the “GAAP Conversion Date”), at the sole election of the Administrative Borrower, (i) any reference herein to GAAP shall be deemed a reference to IFRS or to the accounting principles applicable to the historical financial statements of the Target and its Subsidiaries (the “Target Historical Accounting Principles”), and (ii) any requirement herein that any financial information (including any financial statements or other documents) be prepared in accordance with GAAP shall be deemed satisfied if prepared in accordance with IFRS or the Target Historical Accounting Principles, and (c) on or prior to the date financial statements are delivered pursuant to Schedule 5.1(a) for the first fiscal

quarter ending after the GAAP Conversion Date, the Administrative Borrower may irrevocably elect to calculate the Financial Covenants in accordance with IFRS or the Target Historical Accounting Principles on and after such date and thereafter all calculations of the Financial Covenants and components thereof shall be made and reported in accordance with such accounting principles. When used herein, the term “financial statements” shall include the notes and schedules thereto. Whenever the term “Administrative Borrower” is used in respect of a financial covenant or a related definition, it shall be understood to mean Administrative Borrower and its Subsidiaries on a consolidated basis, unless the context clearly requires otherwise. Notwithstanding anything to the contrary contained herein, all financial statements delivered hereunder shall be prepared, and all financial covenants contained herein shall be calculated, without giving effect to any election under the Statement of Financial Accounting Standards No. 159 (or any similar accounting principle) permitting a Person to value its financial liabilities or Indebtedness at the fair value thereof.

1.3 Code; PPSA; CCQ. Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, that (i) to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern and (ii) any such terms used in this Agreement that are defined in the PPSA or CCQ, shall have the meanings ascribed to such terms in the PPSA or CCQ, as the case may be, when used in relation to Collateral subject to the PPSA or CCQ, as the case may be.

in each case, at the option of Administrative Borrower (Administrative Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made in the case of any Permitted Acquisition (including by way of merger or amalgamation) or similar Permitted Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction, (y) the public announcement of an intention to make an offer in respect of the target of such Limited Condition Transaction or (z) the consummation of such Limited Condition Transaction (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Administrative Borrower or any of its Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or

basket (after giving effect to such Limited Condition Transaction on a Pro Forma Basis), such ratio, test or basket shall be deemed to have been complied with on the date such action or transaction is actually taken. For the avoidance of doubt, if Administrative Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or Consolidated Total Assets of Administrative Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If Administrative Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability with respect to any other related transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated on the LCT Test Date, except that (other than solely with respect to the incurrence test under which such Limited Condition Transaction is being made) EBITDA, Consolidated Total Assets, Consolidated Net Income, the Fixed Charge Coverage Ratio and the Senior Secured Net Leverage Ratio (in each case, and all components thereof) of any target of such Limited Condition Transaction shall only be used in the determination of the relevant ratio, test and/or basket if and when such Limited Condition Transaction has been consummated. Notwithstanding anything to the contrary in this Section 1.7, if an LCT Election is made with respect to a Limited Condition Transaction that requires minimum pro forma Excess Availability after giving effect to such Limited Condition Transaction, such requirement shall be tested on a pro forma basis at the time of the consummation of such Limited Condition Transaction.

1.8 Classification and Reclassification. It is understood and agreed that any Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness under Section 6.1, but may instead be permitted in part under any combination thereof (it being understood that Administrative Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Fixed Charge Coverage Ratio, the Senior Secured Net Leverage Ratio, the Payment Conditions or the Distribution Conditions, prior to amounts under any other category) and Administrative Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. It is understood and agreed that any Lien, sale, lease or other disposition of assets, Restricted Payment, Investment, or prepayment of Indebtedness need not be permitted solely by reference to one category of permitted Lien, sale, lease or other disposition of assets, Restricted Payment, Investment, or prepayment of Indebtedness under Sections 6.2, 6.4, 6.6(a), 6.7 and 6.9, respectively, but may instead be permitted in part under any combination thereof (it being understood that Administrative Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Fixed Charge Coverage Ratio, the Senior Secured Net Leverage Ratio, the Payment Conditions or the Distribution Conditions prior to amounts under any other category).

1.9 Pro Forma Calculations.

(a) For all purposes hereunder, EBITDA (including Consolidated Net Income), Capital Expenditures, the Fixed Charge Coverage Ratio and the Senior Secured Net Leverage Ratio (and all components thereof) shall be calculated in the manner prescribed by this Section 1.9. Notwithstanding anything to the contrary in this Section 1.9, when calculating the Financial Covenants (and all components thereof) for purposes of determining actual compliance (and not Pro Forma Compliance or compliance on

a Pro Forma Basis) with the Financial Covenants under Section 7, any events, actions or other circumstances (including any repayments, prepayments, incurrence or other extinguishment of Indebtedness) that occurred subsequent to the end of the applicable four-quarter reference period shall not be given pro forma effect (it being understood, for the avoidance of doubt, that compliance with Section 7 shall be determined on an actual basis and not on a Pro Forma Basis).

(b) In the event that Administrative Borrower or any Subsidiary (i) incurs, redeems, assumes, retires, repays or extinguishes any Indebtedness (including Indebtedness issued, incurred or assumed or repaid or redeemed as a result of, or to finance, any relevant transaction and for which any such test, financial ratio, basket or covenant is being calculated) (but excluding the identifiable proceeds of any Indebtedness being incurred substantially simultaneously therewith or as part of the same transaction or series of related transactions for purposes of netting cash to calculate the applicable ratio) or (ii) issues or redeems Disqualified Equity Interests subsequent to the commencement of the period for which such ratio or amount is being calculated but prior to or simultaneously with the event for which the calculation of such ratio or amount is made (a “Calculation Date”), then such ratio or amount shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Equity Interests, as if the same had occurred on the first day of the applicable four-quarter period.

(c) For purposes of making the computation referred to above, (i) Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the relevant Calculation Date, and (ii) other operational changes that Administrative Borrower or any of its Subsidiaries has made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with such Calculation Date (including any such event occurring at a Person who became a Subsidiary of the subject Person or was merged or consolidated with or into the subject Person or any other Subsidiary of the subject Person during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with such Calculation Date) shall, in each case, be calculated on a *pro forma* basis for such four-quarter reference period assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period; provided that all operational changes that would result in an increase to EBITDA for the applicable period shall be subject to, and included in, the cap set forth in clause (A) of the proviso to clause (d)(i) of the definition of “EBITDA”. If since the beginning of such period any Person that subsequently became a Subsidiary or was amalgamated or merged with or into Administrative Borrower or any of its Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then such ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period; provided that all operational changes that would result in an increase to EBITDA for the applicable period shall be subject to, and included in, the cap set forth in clause (A) of the proviso to clause (d)(i) of the definition of “EBITDA”.

1.10 Currency Matters. Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agent and the Lenders shall be payable in Dollars. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in currencies other than Dollars shall

be converted to the Equivalent Amount of Dollars on the date of calculation, comparison, measurement or determination. Unless expressly provided otherwise, where a reference is made to a Dollar amount, the amount is to be considered as the amount in Dollars and, therefore, each other currency shall be converted into the Equivalent Amount thereof in Dollars. If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

2. LOANS AND TERMS OF PAYMENT.

2.1 Revolving Loans.

(a) Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Revolving Lender agrees (severally, not jointly or jointly and severally) to make revolving loans ("Revolving Loans") in Dollars to Borrowers in an aggregate amount at any one time outstanding not to exceed the lesser of:

(i) such Lender's Revolver Commitment, and

(ii) such Lender's Pro Rata Share of an amount equal to the lesser of:

(A) the amount equal to (1) the Maximum Revolver Amount less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time, and

(B) the amount equal to (1) the Borrowing Base as of such date (based upon the most recent Borrowing Base Certificate delivered by Borrowers to Agent), less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Revolving Loans, together with interest accrued and unpaid thereon, shall constitute Obligations and shall be due and payable on the Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation) to establish and increase or decrease Dilution Reserves, Receivables Reserves, Spare Parts Reserves, Bank Product Reserves, Canadian Priority Payables Reserves and other Reserves against the Borrowing Base or, if greater, the Maximum Revolver Amount, in each case, in its Permitted Discretion.

2.2 [Intentionally Omitted].

2.3 Borrowing Procedures and Settlements.

(a) **Procedure for Borrowing Revolving Loans.** Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered through Agent's electronic platform or portal) and received by Agent no later than 11:00 a.m. (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, (ii) on the Business Day that is one Business Day prior to the requested Funding Date in the case of a request for a Base Rate Loan and (iii) on

the Business Day that is 3 Business Days prior to the requested Funding Date in the case of all other requests, specifying (A) the amount of such Borrowing, and (B) the requested Funding Date (which shall be a Business Day); provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 11:00 a.m. on the applicable Business Day; provided further that, notwithstanding the foregoing, requests for Borrowings to be made on the Closing Date may be delivered to Agent no later than 10:00 a.m. on the Closing Date. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowing shall not be made until the completion of) Agent's authentication process (with results reasonably satisfactory to Agent) prior to the funding of any such requested Borrowing.

(b) **Making of Swing Loans.** In the case of a request for a Revolving Loan as a Swing Loan and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, minus all payments or other amounts applied to Swing Loans since the last Settlement Date, plus the amount of the requested Swing Loan does not exceed \$20,000,000, or (ii) Swing Lender, in its sole discretion, agrees to make a Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a Revolving Loan (any such Revolving Loan made by Swing Lender pursuant to this Section 2.3(b) being referred to as a "Swing Loan" and all such Revolving Loans being referred to as "Swing Loans") available to Borrowers on the Funding Date applicable thereto by transferring immediately available funds in the amount of such requested Borrowing to the Designated Account. Each Swing Loan shall be deemed to be a Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other Revolving Loans, except that all payments (including interest) on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make and shall not be obligated to make any Swing Loan if Swing Lender has actual knowledge that (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (2) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The Swing Loans shall be secured by Agent's Liens, constitute Revolving Loans and Obligations, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans.

(c) **Making of Revolving Loans.**

(i) In the event that Swing Lender is not obligated to make a Swing Loan or if the requested Revolving Loan is not to be made as a Swing Loan, then after receipt of a request for a Borrowing pursuant to Section 2.3(a), Agent shall notify the Lenders by telecopy, telephone, email, or other electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business Day that is (A) in the case of a Base Rate Loan, at least one Business Day prior to the requested Funding Date, or (B) in the case of a LIBOR Rate Loan, prior to 1:00 p.m. at least three Business Days prior to the requested Funding Date. If Agent has notified the Lenders of a requested Borrowing on the Business Day that is one Business Day prior to the Funding Date, then each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, not later than 10:00 a.m. on the Business Day that is the requested Funding Date. After Agent's receipt of the proceeds of such Revolving Loans from the Lenders, Agent shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Account; provided that, subject to the provisions of Section 2.3(d)(ii), no Lender shall have an obligation to make any Revolving Loan, if (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (2) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers a corresponding amount. If, on the requested Funding Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrowers such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrowers such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Defaulting Lender Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.3(c)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Revolving Loan for all purposes of this Agreement. If such amount is not made available to Agent by such Lenders on the Business Day following the Funding Date, Agent will notify Borrowers of such failure to fund and, if such amount has been made available by Agent to Borrowers, upon demand by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Revolving Loans composing such Borrowing.

(d) Protective Advances and Optional Overadvances.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), at any time (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, Agent hereby is authorized by Borrowers and the Lenders, from time to time, in Agent's sole discretion, to make Revolving Loans to, or for the benefit of, Borrowers, on behalf of the Revolving Lenders, that Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (the Revolving Loans described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"). Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed 10% of the Maximum Revolver Amount (or if the Maximum Revolver Amount is reduced to zero, the amount of the Maximum Revolver Amount immediately prior to such reduction).

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Revolving Loans (including Swing Loans) to Borrowers notwithstanding that an Overadvance exists or would be created thereby, so long as immediately after giving effect to such Revolving Loans, the outstanding Revolver Usage (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) does not exceed the Maximum Revolver Amount. In the event Agent obtains actual knowledge that the Revolver Usage exceeds the amount permitted by the

immediately foregoing provisions, regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders with Revolver Commitments thereupon shall, together with Agent, jointly determine the terms of arrangements that shall be implemented with Borrowers intended to reduce, within a reasonable time, the outstanding principal amount of the Revolving Loans to Borrowers to an amount permitted by the preceding sentence. In such circumstances, if any Lender with a Revolver Commitment objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. The foregoing provisions are meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Section 2.4(e)(i). Each Lender with a Revolver Commitment shall be obligated to settle with Agent as provided in Section 2.3(e) (or Section 2.3(g), as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent reported to such Lender, any intentional Overadvances made as permitted under this Section 2.3(d)(ii), and any Overadvances resulting from the charging to the Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be a Revolving Loan hereunder, except that no Extraordinary Advance shall be eligible to be a LIBOR Rate Loan and, prior to Settlement therefor, all payments on the Extraordinary Advances shall be payable to Agent solely for its own account. The Extraordinary Advances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans. The provisions of this Section 2.3(d) are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrowers (or any other Loan Party) in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: (A) no Extraordinary Advance may be made by Agent if such Extraordinary Advance would cause the aggregate principal amount of Extraordinary Advances outstanding to exceed an amount equal to 10% of the Maximum Revolver Amount in effect at the time such Extraordinary Advance is made, and (B) to the extent that the making of any Extraordinary Advance causes the aggregate Revolver Usage to exceed the Maximum Revolver Amount, such portion of such Extraordinary Advance shall be for Agent's sole and separate account and not for the account of any Lender and shall be entitled to priority in repayment in accordance with Section 2.4(b).

(e) **Settlement.** It is agreed that each Lender's funded portion of the Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Revolving Loans. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Revolving Loans, the Swing Loans, and the Extraordinary Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent in its sole discretion (1) on behalf of Swing Lender, with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to Borrowers' or any of their Subsidiaries' payments or other amounts received from such Persons, as to each by notifying the Lenders by telecopy, telephone, or other

similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the “Settlement Date”). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans, Swing Loans, and Extraordinary Advances for the period since the prior Settlement Date. Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the Revolving Loans (including Swing Loans and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender’s Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances), and (z) if the amount of the Revolving Loans (including Swing Loans, and Extraordinary Advances) made by a Lender is less than such Lender’s Pro Rata Share of the Revolving Loans (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent’s Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans or Extraordinary Advances and, together with the portion of such Swing Loans or Extraordinary Advances representing Swing Lender’s Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender’s balance of the Revolving Loans, Swing Loans, and Extraordinary Advances is less than, equal to, or greater than such Lender’s Pro Rata Share of the Revolving Loans, Swing Loans, and Extraordinary Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrowers and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Extraordinary Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Extraordinary Advances or Swing Loans. Between Settlement Dates, Agent, to the extent no Extraordinary Advances or Swing Loans are outstanding, may pay over to Swing Lender any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Swing Lender’s Pro Rata Share of the Revolving Loans. If, as of any Settlement Date, payments or other amounts of Parent or its Subsidiaries received since the then immediately preceding Settlement Date have been applied to Swing Lender’s Pro Rata Share of the Revolving Loans other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Extraordinary Advances, and each Lender with respect to the Revolving Loans other than Swing Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or

rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this Section 2.3(e) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(f) **Notation.** Agent, as a non-fiduciary agent for Borrowers, shall maintain a register showing the principal amount of the Revolving Loans, owing to each Lender, including the Swing Loans owing to Swing Lender, and Extraordinary Advances owing to Agent, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(g) **Defaulting Lenders.**

(i) Notwithstanding the provisions of Section 2.4(b)(iii), Agent shall not be obligated to transfer to a Defaulting Lender any payments made by Borrowers to Agent for the Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, paid by the Defaulting Lender, (B) second, to Issuing Bank, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, paid by the Defaulting Lender, (C) third, to each Non-Defaulting Lender ratably in accordance with their Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of a Revolving Loan (or other funding obligation) was funded by such other Non-Defaulting Lender), (D) fourth, to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrowers (upon the request of Borrowers and subject to the conditions set forth in Section 3.2) as if such Defaulting Lender had made its portion of Revolving Loans (or other funding obligations) hereunder, and (E) fifth, from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (N) of Section 2.4(b)(iii). Subject to the foregoing, Agent may hold and, in its discretion, re-lend to Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fee payable under Section 2.10(b), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Revolver Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Sections 14.1(a)(i) through 14.1(a)(iii). The provisions of this Section 2.3(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, Agent, Issuing Bank, and Borrowers shall have waived, in writing, the application of this Section 2.3(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by Agent pursuant to Section 2.3(g)(ii) shall be released to Borrowers). The operation of this Section 2.3(g) shall not be construed to increase or otherwise affect the Revolver Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to Agent, Issuing Bank, or to the Lenders other

than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle Borrowers, at their option, upon written notice to Agent, to arrange for a substitute Lender to assume the Revolver Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than Bank Product Obligations, but including (1) all interest, fees, and other amounts that may then be due and payable in respect thereof, and (2) an assumption of its Pro Rata Share of its participation in the Letters of Credit); provided, that any such assumption of the Revolver Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.3(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.3(g) shall control and govern.

(ii) If any Swing Loan or Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender then:

(A) such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares but only to the extent (x) the sum of all Non-Defaulting Lenders' Revolving Loan Exposures plus such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure does not exceed the total of all Non-Defaulting Lenders' Revolver Commitments, and (y) the conditions set forth in Section 3.2 are satisfied at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one Business Day following notice by the Agent (x) first, prepay such Defaulting Lender's Swing Loan Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), and (y) second, cash collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), pursuant to a cash collateral agreement to be entered into in form and substance reasonably satisfactory to the Agent, for so long as such Letter of Credit Exposure is outstanding; provided, that Borrowers shall not be obligated to cash collateralize any Defaulting Lender's Letter of Credit Exposure if such Defaulting Lender is also the Issuing Bank;

(C) if Borrowers cash collateralize any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to this Section 2.3(g)(ii), Borrowers shall not be required to pay any Letter of Credit Fees to Agent for the account of such Defaulting Lender pursuant to Section 2.6(b) with respect to such cash collateralized portion of such Defaulting Lender's Letter of Credit Exposure during the period such Letter of Credit Exposure is cash collateralized;

(D) to the extent the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.3(g)(ii), then the Letter of Credit Fees payable to the Non-Defaulting Lenders pursuant to Section 2.6(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Letter of Credit Exposure;

(E) to the extent any Defaulting Lender's Letter of Credit Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.3(g)(ii), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all Letter of Credit Fees that would have otherwise been payable to such Defaulting Lender under Section 2.6(b) with respect to such portion of such Letter of Credit Exposure shall instead be payable to the Issuing Bank until such portion of such Defaulting Lender's Letter of Credit Exposure is cash collateralized or reallocated;

(F) so long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to make any Swing Loan and the Issuing Bank shall not be required to issue, amend, or increase any Letter of Credit, in each case, to the extent (x) the Defaulting Lender's Pro Rata Share of such Swing Loans or Letter of Credit cannot be reallocated pursuant to this Section 2.3(g)(ii), or (y) the Swing Lender or Issuing Bank, as applicable, has not otherwise entered into arrangements reasonably satisfactory to the Swing Lender or Issuing Bank, as applicable, and Borrowers to eliminate the Swing Lender's or Issuing Bank's risk with respect to the Defaulting Lender's participation in Swing Loans or Letters of Credit; and

(G) Agent may release any cash collateral provided by Borrowers pursuant to this Section 2.3(g)(ii) to the Issuing Bank and the Issuing Bank may apply any such cash collateral to the payment of such Defaulting Lender's Pro Rata Share of any Letter of Credit Disbursement that is not reimbursed by Borrowers pursuant to Section 2.11(d).

(h) **Independent Obligations.** All Revolving Loans (other than Swing Loans and Extraordinary Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loan (or other extension of credit) hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.4 Payments; Prepayments.

(a) Payments by Borrowers.

(i) Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds, no later than 1:30 p.m. on the date specified herein. Any payment received by Agent later than 1:30 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrowers prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers do not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(b) **Apportionment and Application.**

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account or for the separate account of Issuing Bank) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Revolver Commitment or Obligation to which a particular fee or expense relates.

(ii) Subject to Sections 2.4(b)(v) and 2.4(f), all payments to be made hereunder by Borrowers shall be remitted to Agent and all such payments, and all proceeds of Collateral received by Agent, shall be applied, so long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, to reduce the balance of the Revolving Loans outstanding and, thereafter, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iii) At any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(A) first, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the Loan Documents, until paid in full and to pay interest and principal on Extraordinary Advances that are held solely by Agent pursuant to the terms of Section 2.3(d)(iv), until paid in full,

(B) second, to pay any fees or premiums then due to Agent under the Loan Documents, until paid in full,

(C) third, to pay interest due in respect of all Protective Advances, until paid in full,

(D) fourth, to pay the principal of all Protective Advances, until paid in full,

(E) fifth, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the Loan Documents, until paid in full,

(F) sixth, ratably, to pay any fees or premiums then due to any of the Lenders under the Loan Documents, until paid in full,

(G) seventh, to pay interest accrued in respect of the Swing Loans, until paid in full,

(H) eighth, to pay the principal of all Swing Loans, until paid in full,

(I) ninth, ratably, to pay interest accrued in respect of the Revolving Loans (other than Protective Advances), until paid in full,

(J) tenth, ratably,

i. to pay the principal of all Revolving Loans (other than Protective Advances), until paid in full,

ii. (1) to Agent, to be held by Agent, for the benefit of Issuing Bank (and for the ratable benefit of each of the Lenders that have an obligation to pay to Agent, for the account of Issuing Bank, a share of each Letter of Credit Disbursement), as cash collateral in an amount up to 103% of the Letter of Credit Usage (to the extent permitted by applicable law, such cash collateral shall be applied to the reimbursement of any Letter of Credit Disbursement as and when such disbursement occurs and, if a Letter of Credit expires undrawn, the cash collateral held by Agent in respect of such Letter of Credit shall, to the extent permitted by applicable law, be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), and (2) in the amount (after taking into account any amounts previously paid pursuant to this clause "ii(2)" during the continuation of the applicable Application Event) of the most recently established Bank Product Reserve, (I) to the Bank Product Providers based upon amounts then certified by the applicable Bank Product Provider to Agent (in form and substance satisfactory to Agent) to be due and payable to such Bank Product Providers on account of Bank Product Obligations, and (II) with any balance to be paid to Agent, to be held by Agent, for the benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(K) eleventh, ratably, to pay any other Obligations other than Obligations owed to Defaulting Lenders (including being paid, ratably, to the Bank Product Providers on account of all amounts then due and payable in respect of Bank Product Obligations), with any balance to be paid to Agent, to be held by Agent, for the ratable benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(L) twelfth, ratably, to pay any Obligations owed to Defaulting Lenders, until paid in full, and

(M) thirteenth, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iv) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided in Section 2.3(e).

(v) In each instance, so long as no Application Event has occurred and is continuing, Section 2.4(b)(ii) shall not apply to any payment made by Borrowers to Agent and specified by Borrowers to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document.

(vi) For purposes of Section 2.4(b)(iii), “paid in full” of a type of Obligation means payment in full in cash or immediately available funds of all amounts owing on account of such type of Obligation, irrespective of whether any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding provided, that for purposes of this clause (vi), “Obligations” shall not include any Obligations excluded from the meaning of “paid in full” pursuant to Section 1.4(b).

(vii) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.3(g) and this Section 2.4, then the provisions of Section 2.3(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.4 shall control and govern.

(c) **Reduction of Revolver Commitments.** The Revolver Commitments shall terminate on the Maturity Date. Borrowers may reduce the Revolver Commitments, without premium or penalty, to an amount (which may be zero) not less than the sum of (i) the Revolver Usage as of such date, plus (ii) the principal amount of all Revolving Loans not yet made as to which a request has been given by Borrowers under Section 2.3(a), plus (iii) the amount of all Letters of Credit not yet issued as to which a request has been given by Borrowers pursuant to Section 2.11(a). Each such reduction shall be in an amount which is not less than \$10,000,000 (unless the Revolver Commitments are being reduced to zero and the amount of the Revolver Commitments in effect immediately prior to such reduction are less than \$10,000,000), shall be made by providing not less than 5 Business Days (or such shorter period of time as is acceptable to Agent) prior written notice by Administrative Borrower to Agent, and shall be irrevocable, except to the extent delivered in connection with a refinancing of the Obligations or other event, in which case such notice shall not be irrevocable until such refinancing or other event is consummated. Once reduced, the Revolver Commitments may not be increased. Each such reduction of the Revolver Commitments shall reduce the Revolver Commitments of each Lender proportionately in accordance with its ratable share thereof.

(d) **Optional Prepayments.** Borrowers may prepay the principal of any Revolving Loan at any time in whole or in part, without premium or penalty, in accordance with Section 2.4(b)(ii), and any such prepayment pursuant to this Section 2.4(d) shall not result in a reduction of the Maximum Revolver Amount or any Revolver Commitments.

(e) **Mandatory Prepayments.**

(i) If, at any time, the Revolver Usage on such date exceeds the Line Cap, then Borrowers shall promptly, but in any event within 1 Business Day, prepay, without premiums or penalty, the Obligations in accordance with Section 2.4(f) in an aggregate amount equal to the amount of such excess.

(ii) In addition to mandatory prepayments pursuant to the foregoing clause (i), within 10 days following each date on or after the Closing Date upon which any Borrower receives any Net Cash Proceeds from any asset sale or other disposition of, or from any policy of insurance as a result of a Casualty Event with respect to the loss of, any Eligible Fleet Assets or Eligible Real Property, Borrower shall prepay, without premium or penalty, the Obligations (which shall not, for the avoidance of doubt, result in any reduction in the Maximum Revolver Amount or any Revolver Commitments) in accordance with Section 2.4(b)(ii) in an aggregate amount equal to such Net Cash Proceeds; provided, however, with respect to no more than \$10,000,000 in the aggregate of such Net Cash Proceeds received by Borrowers in

any calendar year, such Net Cash Proceeds shall not be required to be so applied or used to make mandatory repayments of Obligations. Notwithstanding the foregoing, Borrowers may apply all or a portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of the Borrowers within 180 days following the date of receipt of such Net Cash Proceeds (or, if within such 180-day period, a Borrower enters into a binding commitment to so reinvest such Net Cash Proceeds, within 180 days following such 180-day period during which such Borrower is so committed to such plan of reinvestment); provided, further, that if within 180 days (or, to the extent applicable, 360 days) after the date of receipt by the applicable Borrower of such Net Cash Proceeds, the Borrowers have not so used all or a portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment of the Obligations in the same manner as provided above in this clause (ii).

(f) **Application of Payments.** Each prepayment pursuant to Section 2.4(e)(i) shall, (A) so long as no Application Event shall have occurred and be continuing, be applied, first, to the outstanding principal amount of the Revolving Loans, until paid in full, and second, to provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Usage (in each case, without a corresponding permanent reduction in the Maximum Revolver Amount or any Revolver Commitments, as applicable), and (B) if an Application Event shall have occurred and be continuing, be applied in the manner set forth in Section 2.4(b)(iii).

2.5 Promise to Pay; Promissory Notes.

(a) Borrowers agree to pay the Lender Group Expenses on the earlier of (i) the first day of the month following the date on which the applicable Lender Group Expenses were first incurred, or (ii) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of Section 2.6(d) (and in accordance with the last sentence thereof) shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (ii)). Borrowers promise to pay all of the Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) in full on the Maturity Date or, if earlier, on the date on which the Obligations (other than the Bank Product Obligations) become due and payable pursuant to the terms of this Agreement. Borrowers agree that their obligations contained in the first sentence of this Section 2.5(a) shall survive payment or satisfaction in full of all other Obligations.

(b) Any Lender may request that any portion of its Revolver Commitments or the Loans made by it be evidenced by one or more promissory notes substantially in the form attached hereto as Exhibit N-1. In such event, Borrowers shall execute and deliver to such Lender the requested promissory notes payable to the order of such Lender in a form furnished by Agent and reasonably satisfactory to Borrowers. Thereafter, the portion of the Commitments and Loans evidenced by such promissory notes and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the order of the payee named therein.

2.6 Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations.

(a) **Interest Rates.** Except as provided in Section 2.6(c), all Obligations (except for undrawn Letters of Credit) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest as follows:

(i) if the relevant Obligation is a LIBOR Rate Loan, at a *per annum* rate equal to the LIBOR Rate plus the Applicable Margin in effect from time to time, or

(ii) otherwise, at a *per annum* rate equal to the Base Rate plus the Applicable Margin in effect from time to time applicable to Base Rate Loans.

(b) **Letter of Credit Fee.** Borrowers shall pay Agent (for the ratable benefit of the Revolving Lenders), a Letter of Credit fee (the “Letter of Credit Fee”) (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.11(k)) that shall accrue at a *per annum* rate equal to the Applicable Margin from time to time used to determine the interest rate on LIBOR Rate Loans pursuant to Section 2.6(a)(i) times the average amount of Letter of Credit Usage during the immediately preceding quarter.

(c) **Default Rate.** Upon the occurrence and during the continuation of an Event of Default under Section 8.1, 8.4 or 8.5, subject to the *Interest Act* (Canada):

(i) all Obligations (other than the Letter of Credit Fee) consisting of principal, interest and fees shall bear interest at a *per annum* rate equal to 2.00 percentage points above the *per annum* rate otherwise applicable thereunder, and

(ii) the Letter of Credit Fee shall be increased to 2.00 percentage points above the *per annum* rate otherwise applicable thereto.

(d) **Payment.** Except to the extent provided to the contrary in Section 2.10, 2.11(k) or 2.12(a), (i) all interest and all other fees payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each quarter (or, in the case of any Letter of Credit Fees, the first Business Day of such quarter), and (ii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all Lender Group Expenses shall be due and payable on (x) with respect to Lender Group Expenses outstanding as of the Closing Date for which the Administrative Borrower has received an invoice at least one Business Day prior to the Closing Date, the Closing Date, and (y) otherwise, the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred (subject to the last sentence of this clause (d)), and (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Borrowers hereby authorize Agent, from time to time without prior notice to Borrowers, to charge to the Loan Account (A) on the first day of each quarter, all interest accrued during the prior quarter on the Revolving Loans hereunder, (B) on the first Business Day of each quarter, all unpaid Letter of Credit Fees accrued or chargeable hereunder during the prior quarter, (C) as and when incurred or accrued, all fees provided for in Section 2.10(a), (D) on the first day of each quarter, the Unused Line Fee accrued during the prior quarter pursuant to Section 2.10(b), (E) as and when incurred or accrued, the fronting fees and all commissions, other fees, charges and expenses provided for in Section 2.11(k), (F) on the Closing Date and thereafter as and when incurred or accrued, all other Lender Group Expenses and all fees and costs provided for in Section 2.10(c) (provided that any such expenses fees and costs incurred on or prior to the Closing Date shall only be due and payable on the Closing Date to the extent the Administrative Borrower has received an invoice in respect thereof at least one Business Day prior to the Closing Date, and (G) as and when due and payable all other fees and payment obligations payable under this Agreement, any other Loan Document, or any Bank Product Agreement (including any amounts due and payable to the Bank Product Providers in respect of Bank Products). Subject to the last sentence of this clause (d), all amounts (including interest, fees, costs, expenses, Lender Group Expenses, or other amounts payable hereunder or under any

other Loan Document or under any Bank Product Agreement) charged to the Loan Account shall thereupon constitute Revolving Loans hereunder, shall constitute Obligations hereunder, and shall initially accrue interest at the rate then applicable to Revolving Loans that are Base Rate Loans (unless and until converted into LIBOR Rate Loans in accordance with the terms of this Agreement). Notwithstanding the foregoing or any other provision of the Loan Documents, so long as no Event of Default has occurred and is continuing at the time of delivery of an invoice in respect thereof, Agent shall not charge to the Loan Account prior to the 5th Business Day following delivery by Agent to Borrowers of an invoice in respect thereof any fees, costs, and expenses for which the applicable Loan Documents or Bank Product Agreements do not provide (i) an express amount or express calculation to arrive at such an amount, and (ii) an express fixed date for payment, in each case, and then only to the extent that the Borrowers have not objected thereto describing the error or errors contained in such invoice.

(e) **Computation.** All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue; provided, however, all computations of interest on Base Rate Loans determined by reference to the Base Rate shall be made on the basis of a year of 365/366 days (as applicable) for the actual number of days occurring in the period for which such interest is payable. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate. For each period for which interest is calculated, subject to the provisions of Section 2.12 relating to interest calculated on LIBOR Rate Loans, interest shall be determined based on the daily balance of the Obligations charged to the Loan Account on each day during the applicable period.

(f) **Intent to Limit Charges to Maximum Lawful Rate.** In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrowers and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, *ipso facto*, as of the date of this Agreement, Borrowers are and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(g) If any provision of this Agreement or of any of the other Loan Documents would obligate a Canadian Loan Party to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (i) first, by reducing the amount or rate of interest required to be paid by such Canadian Loan Party to such Lender pursuant to this Agreement, and (ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by such Canadian Loan Party to such Lender which would constitute “interest” for purposes of Section 347 of the Criminal Code (Canada). Any amount or rate of interest referred to in this Section 2.6(g) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan or other amount remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over

the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Agent shall be conclusive for the purposes of such determination.

(h) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively. EACH CANADIAN BORROWER FOR AND ON BEHALF OF ITSELF AND EACH CANADIAN GUARANTOR CONFIRMS THAT IT FULLY UNDERSTANDS AND IS ABLE TO CALCULATE THE RATES OF INTEREST APPLICABLE UNDER THE LOAN DOCUMENTS BASED ON THE METHODOLOGY FOR CALCULATING PER ANNUM RATES PROVIDED FOR IN THIS AGREEMENT. Agent agrees that, if requested in writing by a Canadian Borrower, it will calculate the nominal and effective per annum rate of interest on any Loan or other amount outstanding hereunder at the time of such request and provide such information to such Canadian Borrower promptly following such request, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve any Canadian Borrower or any Canadian Guarantor of any of its obligations under this Agreement or any other Loan Document, nor result in any liability of Agent or any Lender.

2.7 Crediting Payments. The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrowers shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 1:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 Designated Account. Agent is authorized to make the Revolving Loans, and Issuing Bank is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.6(d). Borrowers agree to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the proceeds of the Revolving Loans requested by Borrowers and made by Agent or the Lenders hereunder. Unless otherwise agreed by Agent and Borrowers, any Revolving Loan or Swing Loan requested by Borrowers and made by Agent or the Lenders hereunder shall be made to the Designated Account.

2.9 Maintenance of Loan Account; Statements of Obligations. Agent shall maintain an account on its books in the name of Borrowers (the "Loan Account") on which Borrowers will be charged with all Revolving Loans (including Extraordinary Advances and Swing Loans) made by Agent, Swing Lender, or the Lenders to Borrowers or for Borrowers' account, the Letters of Credit issued or arranged by Issuing Bank for Borrowers' account, and with all other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and Lender Group Expenses. In accordance with Section 2.7, the Loan Account will be credited with all payments received by Agent from Borrowers or for Borrowers' account. Agent shall make available to Borrowers monthly statements regarding the Loan Account, including the principal amount of the Revolving Loans, interest accrued

hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses constituting Lender Group Expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrowers and the Lender Group unless, within 30 days after Agent first makes such a statement available to Borrowers, Borrowers shall deliver to Agent written objection thereto describing the error or errors contained in such statement.

2.10 Fees.

(a) **Agent Fees.** Borrowers shall pay to Agent, for the account of Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) **Unused Line Fee.** Borrowers shall pay to Agent, for the ratable account of the Revolving Lenders, an unused line fee (the “Unused Line Fee”) in an amount equal to the Applicable Unused Line Fee Percentage per annum times the result of (i) the Maximum Revolver Amount, minus (ii) the average amount of the Revolver Usage during the immediately preceding quarter (or portion thereof), which Unused Line Fee shall be due and payable on the first day of each quarter from and after the Closing Date up to the first day of the quarter prior to the date on which the Revolver Commitments are terminated and which Unused Line Fee shall be due and payable on the date on which the Revolver Commitments are terminated for the portion of the applicable quarter occurring prior to such date.

(c) **Field Examination and Other Fees.** Borrowers shall pay to Agent field examination, appraisal, and valuation fees and charges when due and payable in accordance with Section 2.6(d), in connection with any inspections permitted by Section 5.7 (subject to clause (b) thereof), which fees and charges shall be as follows: (i) a fee of \$1,000 per day, per examiner, plus out-of-pocket expenses (including travel, meals, and lodging) for each field examination of any Borrower performed by personnel employed by Agent, and (ii) the fees or charges paid or incurred by Agent (but, in any event, no less than a charge of \$1,000 per day, per Person, plus out-of-pocket expenses (including travel, meals, and lodging)) if it elects to employ the services of one or more third Persons to perform field examinations of Parent or its Subsidiaries, to establish electronic collateral reporting systems, to appraise the Collateral, or any portion thereof, or to assess Parent’s or its Subsidiaries’ business valuation.

2.11 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, upon the request of Borrowers made in accordance herewith, and prior to the Maturity Date, Issuing Bank agrees to issue a requested Letter of Credit for the account of Borrowers. By submitting a request to Issuing Bank for the issuance of a Letter of Credit, Borrowers shall be deemed to have requested that Issuing Bank issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment, renewal, or extension of any outstanding Letter of Credit, shall be (x) made in writing by an Authorized Person, (y) delivered to Issuing Bank via facsimile or other electronic method of transmission reasonably acceptable to Issuing Bank and reasonably in advance of the requested date of issuance, amendment, renewal, or extension and (z) subject to Issuing Bank’s authentication procedures with results reasonably acceptable to Issuing Bank. Each such request shall be in form and substance reasonably satisfactory to Issuing Bank and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as Agent or Issuing Bank

may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that Issuing Bank generally requests for Letters of Credit in similar circumstances. Bank's records of the content of any such request will be conclusive absent manifest error. Anything contained herein to the contrary notwithstanding, Issuing Bank may, but shall not be obligated to, issue a Letter of Credit that supports the obligations of a Loan Party or one of its Subsidiaries in respect of (x) a lease of real property, or (y) an employment contract.

(b) Issuing Bank shall have no obligation to issue, amend or extend a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment or extension:

(i) the Letter of Credit Usage would exceed \$55,000,000,

(ii) the Letter of Credit Usage would exceed the Maximum Revolver Amount less the outstanding amount of Revolving Loans (including Swing Loans), or

(iii) the Letter of Credit Usage would exceed the Borrowing Base at such time less the outstanding principal balance of the Revolving Loans (including Swing Loans) at such time.

(c) In the event there is a Defaulting Lender as of the date of any request for the issuance of a Letter of Credit, the Issuing Bank shall not be required to issue or arrange for such Letter of Credit to the extent (i) the Defaulting Lender's Letter of Credit Exposure with respect to such Letter of Credit may not be reallocated pursuant to Section 2.3(g)(ii)(A) and cash collateral is not provided by Borrowers pursuant to Section 2.3(g)(ii)(B), or (ii) the Issuing Bank has not otherwise entered into arrangements reasonably satisfactory to it and Borrowers to eliminate the Issuing Bank's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include Borrowers cash collateralizing such Defaulting Lender's Letter of Credit Exposure in accordance with Section 2.3(g)(ii). Additionally, Issuing Bank shall have no obligation to issue a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Bank from issuing such Letter of Credit, or any law applicable to Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Bank shall prohibit or request that Issuing Bank refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (B) the issuance of such Letter of Credit would violate one or more policies of Issuing Bank applicable to letters of credit generally, or (C) amounts demanded to be paid under any Letter of Credit will or may not be in Dollars.

(d) Any Issuing Bank (other than Wells Fargo or any of its Affiliates) shall notify Agent in writing no later than the Business Day immediately following the Business Day on which such Issuing Bank issued any Letter of Credit; provided that (i) until Agent advises any such Issuing Bank that the provisions of Section 3.2 are not satisfied, or (ii) unless the aggregate amount of the Letters of Credit issued in any such week exceeds such amount as shall be agreed by Agent and such Issuing Bank, such Issuing Bank shall be required to so notify Agent in writing only once each week of the Letters of Credit issued by such Issuing Bank during the immediately preceding week as well as the daily amounts outstanding for the prior week, such notice to be furnished on such day of the week as Agent and such Issuing Bank may agree. Each Letter of Credit shall be in form and substance reasonably acceptable to Issuing Bank. If Issuing Bank makes a payment under a Letter of Credit, Borrowers shall pay to Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day following the date such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to Revolving Loans that are Base Rate Loans. If a Letter of Credit

Disbursement is deemed to be a Revolving Loan hereunder, Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Issuing Bank shall be automatically converted into an obligation to pay the resulting Revolving Loan. Promptly following receipt by Agent of any payment from Borrowers pursuant to this paragraph, Agent shall distribute such payment to Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.11(e) to reimburse Issuing Bank, then to such Revolving Lenders and Issuing Bank as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(d), each Revolving Lender agrees to fund its Pro Rata Share of any Revolving Loan deemed made pursuant to Section 2.11(d) on the same terms and conditions as if Borrowers had requested the amount thereof as a Revolving Loan and Agent shall promptly pay to Issuing Bank the amounts so received by it from the Revolving Lenders. By the issuance of a Letter of Credit (or an amendment, renewal, or extension of a Letter of Credit), and without any further action on the part of Issuing Bank or the Revolving Lenders, Issuing Bank shall be deemed to have granted to each Revolving Lender, and each Revolving Lender shall be deemed to have purchased, a participation in each Letter of Credit issued by Issuing Bank, in an amount equal to its Pro Rata Share of such Letter of Credit, and each such Revolving Lender agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of any Letter of Credit Disbursement made by Issuing Bank under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of each Letter of Credit Disbursement made by Issuing Bank and not reimbursed by Borrowers on the date due as provided in Section 2.11(d), or of any reimbursement payment that is required to be refunded (or that Agent or Issuing Bank elects, based upon the advice of counsel, to refund) to Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to deliver to Agent, for the account of Issuing Bank, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such Revolving Lender fails to make available to Agent the amount of such Revolving Lender's Pro Rata Share of a Letter of Credit Disbursement as provided in this Section, such Revolving Lender shall be deemed to be a Defaulting Lender and Agent (for the account of Issuing Bank) shall be entitled to recover such amount on demand from such Revolving Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) Each Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including Issuing Bank and its branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including Issuing Bank, a "Letter of Credit Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable and documented fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any such Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of:

- (i) any Letter of Credit or any pre-advice of its issuance;
- (ii) any transfer, sale, delivery, surrender or endorsement of any Drawing Document at any time(s) held by any such Letter of Credit Related Person in connection with any Letter of Credit;

(iii) any action or proceeding arising out of, or in connection with, any Letter of Credit (whether administrative, judicial or in connection with arbitration), including any action or proceeding to compel or restrain any presentation or payment under any Letter of Credit, or for the wrongful dishonor of, or honoring a presentation under, any Letter of Credit;

(iv) any independent undertakings issued by the beneficiary of any Letter of Credit;

(v) any unauthorized instruction or request made to Issuing Bank in connection with any Letter of Credit or requested Letter of Credit, or any error, omission, interruption or delay in such instruction or request, whether transmitted by mail, courier, electronic transmission, SWIFT or any other method of communication, including through a correspondent;

(vi) an adviser, confirmer or other nominated person seeking to be reimbursed, indemnified or compensated;

(vii) any third party seeking to enforce the rights of an applicant, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds or holder of an instrument or document;

(viii) the fraud, forgery or illegal action of parties other than the Letter of Credit Related Person;

(ix) Issuing Bank's performance of the obligations of a confirming institution or entity that wrongfully dishonors a confirmation;

(x) the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto governmental or regulatory authority or cause or event beyond the control of the Letter of Credit Related Person; or

(xi) any prohibition on payment or delay in payment of any amount payable by Issuing Bank to a beneficiary or transferee beneficiary of a Letter of Credit arising out of Anti-Corruption Laws, Anti-Money Laundering Laws, or Sanctions;

in each case, including that resulting from the Letter of Credit Related Person's own negligence (other than gross negligence as provided below); provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification under clauses (i) through (x) above to the extent that such Letter of Credit Indemnified Costs may be determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. Borrowers hereby agree to pay the Letter of Credit Related Person claiming indemnity on demand from time to time all amounts owing under this Section 2.11(f). If and to the extent that the obligations of Borrowers under this Section 2.11(f) are unenforceable for any reason, Borrowers agree to make the maximum contribution to the Letter of Credit Indemnified Costs permissible under applicable law. This indemnification provision shall survive termination of this Agreement and all Letters of Credit.

(g) The liability of Issuing Bank (or any other Letter of Credit Related Person) under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by Borrowers that are caused directly by Issuing Bank's gross negligence, willful misconduct or bad faith (as determined in a final, non-appealable judgment of a court of competent jurisdiction) in (i) honoring a presentation under a

Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. Issuing Bank shall be deemed to have acted with due diligence and reasonable care if Issuing Bank's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement. Borrowers' aggregate remedies against Issuing Bank and any Letter of Credit Related Person for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by Borrowers to Issuing Bank in respect of the honored presentation in connection with such Letter of Credit under Section 2.11(d), plus interest at the rate then applicable to Base Rate Loans hereunder. Borrowers shall take action to avoid and mitigate the amount of any damages claimed against Issuing Bank or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by Borrowers under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had Borrowers taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing Issuing Bank to effect a cure.

(h) Borrowers are responsible for preparing or approving the final text of the Letter of Credit as issued by Issuing Bank, irrespective of any assistance Issuing Bank may provide such as drafting or recommending text or by Issuing Bank's use or refusal to use text submitted by Borrowers. Borrowers are solely responsible for the suitability of the Letter of Credit for Borrowers' purposes.

(i) Borrowers' reimbursement and payment obligations under this Section 2.11 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit or this Agreement or any other Loan Document or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) Issuing Bank or any of its branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) Issuing Bank or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that Parent or any of its Subsidiaries may have at any time against any beneficiary, any assignee of proceeds, Issuing Bank or any other Person;

(vi) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.11(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Borrower's or any of its Subsidiaries'

reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against Issuing Bank, the beneficiary or any other Person;

(vii) the fact that any Default or Event of Default shall have occurred and be continuing; or

(viii) Issuing Bank or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at Issuing Bank's counter or are different from the electronic presentation thereof;

provided, that subject to Section 2.11(g), the foregoing shall not release Issuing Bank from such liability to Borrowers as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against Issuing Bank following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to Issuing Bank arising under, or in connection with, this Section 2.11 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, Issuing Bank and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and Issuing Bank's rights and remedies against Borrowers and the obligation of Borrowers to reimburse Issuing Bank for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document, or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than Issuing Bank's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that Issuing Bank in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to Borrowers;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and any Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any paying or negotiating bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where Issuing Bank has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by Issuing Bank if subsequently Issuing Bank or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by Issuing Bank to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) Borrowers shall pay immediately upon demand to Agent for the account of Issuing Bank as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.11(k)): (i) a fronting fee which shall be imposed by Issuing Bank upon the issuance of each Letter of Credit of 0.125% per annum of the undrawn face amount thereof, plus (ii) any and all other customary commissions, fees and charges then in effect imposed by, and any and all expenses incurred by, Issuing Bank, or by any adviser, confirming institution or entity or other nominated person, relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit (including transfers, assignments of proceeds, amendments, drawings, renewals or cancellations).

(l) If by reason of (x) any Change in Law, or (y) compliance by Issuing Bank or any other member of the Lender Group with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board of Governors as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued or caused to be issued hereunder or hereby, or

(ii) there shall be imposed on Issuing Bank or any other member of the Lender Group any other condition regarding any Letter of Credit,

and the result of the foregoing is to increase, directly or indirectly, the cost to Issuing Bank or any other member of the Lender Group of issuing, making, participating in, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Agent may, at any time within a reasonable period after the additional cost (other than Taxes, which shall be governed by Section 16) is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate Issuing Bank or any other member of the Lender Group for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, that (A) Borrowers shall not be required to provide any compensation pursuant to this Section 2.11(l) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Borrowers, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section 2.11(l), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(m) Unless otherwise expressly agreed by Issuing Bank and Borrowers when a Letter of Credit is issued, (i) the rules of the ISP and the UCP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(n) Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is (i) 1 year after the date of the issuance of such Letter of Credit (or such other longer period of time as Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, 1 year after such renewal or extension) and (ii) unless Letter of Credit Collateralization has been provided with respect thereto or other credit support provided to the reasonable satisfaction of Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than 12 months after the Letter of Credit Expiration Date), the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of Administrative Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of 12 months or less (but, subject to the foregoing, not beyond the date that is after the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(o) In the event of a direct conflict between the provisions of this Section 2.11 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11 shall control and govern.

2.12 LIBOR Option.

(a) **Interest and Interest Payment Dates.** In lieu of having interest charged at the rate based upon the Base Rate, Borrowers shall have the option, subject to Section 2.12(b) (the “LIBOR Option”) to have interest on all or a portion of the Revolving Loans be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a LIBOR Rate Loan, or upon continuation of a LIBOR Rate Loan as a LIBOR Rate Loan) at a rate of interest based upon the LIBOR Rate. Interest on LIBOR Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto; provided, that subject to the following clauses (ii) and (iii), in the case of any Interest Period greater than 3 months in duration, interest shall be payable at 3 month intervals after the

commencement of the applicable Interest Period and on the last day of such Interest Period), (ii) the date on which all or any portion of the Obligations are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Borrowers have properly exercised the LIBOR Option with respect thereto, the interest rate applicable to such LIBOR Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans of the same type hereunder. At any time that an Event of Default has occurred and is continuing, at the written election of the Required Lenders and written notice thereof from Agent to Borrowers, Borrowers no longer shall have the option to request that Revolving Loans bear interest at a rate based upon the LIBOR Rate.

(b) LIBOR Election.

(i) Borrowers may, at any time and from time to time, so long as Borrowers have not received a notice from Agent (which notice Agent may only give if directed to give such notice by the Required Lenders, in which case, it shall give the notice to Borrowers), after the occurrence and during the continuance of an Event of Default, to terminate the right of Borrowers to exercise the LIBOR Option during the continuance of such Event of Default, elect to exercise the LIBOR Option by notifying Agent prior to 11:00 a.m. at least 3 Business Days prior to the commencement of the proposed Interest Period (the “LIBOR Deadline”). For the avoidance of doubt, upon all such Events of Default ceasing to be continuing, Borrowers may resume the election of the LIBOR Option. Notice of Borrowers’ election of the LIBOR Option for a permitted portion of the Revolving Loans and an Interest Period pursuant to this Section 2.12 shall be made by delivery to Agent of a LIBOR Notice received by Agent before the LIBOR Deadline. Promptly upon its receipt of each such LIBOR Notice, Agent shall provide a copy thereof to each of the affected Lenders.

(ii) Each LIBOR Notice shall be irrevocable and binding on Borrowers. In connection with each LIBOR Rate Loan, each Borrower shall indemnify, defend, and hold Agent and the Lenders harmless against any loss, cost, or expense actually incurred by Agent or any Lender as a result of (A) the payment of any principal of any LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of any LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any LIBOR Rate Loan on the date specified in any LIBOR Notice delivered pursuant hereto (such losses, costs, or expenses, “Funding Losses”). A certificate of Agent or a Lender delivered to Borrowers setting forth in reasonable detail any amount or amounts that Agent or such Lender is entitled to receive pursuant to this Section 2.12 shall be conclusive absent manifest error. Borrowers shall pay such amount to Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate. If a payment of a LIBOR Rate Loan on a day other than the last day of the applicable Interest Period would result in a Funding Loss, Agent may, in its sole discretion at the request of Borrowers, hold the amount of such payment as cash collateral in support of the Obligations until the last day of such Interest Period and apply such amounts to the payment of the applicable LIBOR Rate Loan on such last day, it being agreed that Agent has no obligation to so defer the application of payments to any LIBOR Rate Loan and that, in the event that Agent does not defer such application, Borrowers shall be obligated to pay any resulting Funding Losses.

(iii) Unless Agent, in its sole discretion, agrees otherwise, Borrowers shall have not more than eight LIBOR Rate Loans in effect at any given time. Borrowers may only exercise the LIBOR Option for proposed LIBOR Rate Loans of at least \$100,000.

(c) Conversion; Prepayment. Borrowers may convert LIBOR Rate Loans to Base Rate Loans or prepay LIBOR Rate Loans at any time; provided, that in the event that LIBOR Rate Loans

are converted or prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any prepayment through the required application by Agent of any payments or proceeds of Collateral in accordance with Section 2.4(b) or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, each Borrower shall indemnify, defend, and hold Agent and the Lenders and their Participants harmless against any and all Funding Losses in accordance with Section 2.12(b)(ii).

(d) **Special Provisions Applicable to LIBOR Rate.**

(i) The LIBOR Rate may be adjusted by Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs to such Lender maintaining or obtaining any eurodollar deposits or increased costs, in each case, due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including any Changes in Law (including any changes in tax laws (except changes of general applicability in corporate income tax laws or laws relating to Excluded Taxes)) and changes in the reserve requirements imposed by the Board of Governors, which additional or increased costs would increase the cost of funding or maintaining loans bearing interest at the LIBOR Rate. In any such event, the affected Lender shall give Borrowers and Agent notice of such a determination and adjustment and Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, Borrowers may, by notice to such affected Lender (A) require such Lender to furnish to Borrowers a statement setting forth in reasonable detail the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment, or (B) repay the LIBOR Rate Loans of such Lender with respect to which such adjustment is made (together with any amounts due under Section 2.12(b)(ii)).

(ii) In the event that any change in market conditions or any Change in Law shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain LIBOR Rate Loans or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to Agent and Borrowers and Agent promptly shall transmit the notice to each other Lender and (A) in the case of any LIBOR Rate Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Rate Loans, and interest upon the LIBOR Rate Loans of such Lender thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and (B) Borrowers shall not be entitled to elect the LIBOR Option until such Lender determines that it would no longer be unlawful or impractical to do so.

(iii) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if Agent determines (which determination shall be conclusive absent manifest error), or Administrative Borrower or the Required Lenders notify Agent (with, in the case of the Required Lenders, a copy to Administrative Borrower) that Administrative Borrower or Required Lenders (as applicable) have determined, that:

(A) adequate and reasonable means do not exist for ascertaining the LIBOR Rate for any requested Interest Period, including because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary;

(B) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over Agent has made a public statement identifying a specific date after which the LIBOR Rate or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"); or

(C) [reserved];

then, reasonably promptly after such determination by Agent or receipt by Agent of such notice from Administrative Borrower or a Lender, as applicable, Agent and Administrative Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein and/or the applicable margin with respect thereto), giving due consideration to (x) any selection, endorsement or recommendation of a replacement rate and/or replacement spread or the mechanism for determining such a rate or spread by the Board of Governors (or a committee convened by the Board of Governors) in effect at such time and (y) any evolving or then existing convention for similar Dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “LIBOR Successor Rate”), together with any proposed LIBOR Successor Rate Conforming Changes, and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Agent shall have posted such proposed amendment to all Lenders and Administrative Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to Agent written notice that such Required Lenders do not accept such amendment.

(iv) If no LIBOR Successor Rate has been determined and the circumstances under clause (iii)(A) above exist or the Scheduled Unavailability Date has occurred (as applicable), Agent will promptly so notify Administrative Borrower and each Lender. Thereafter, until any LIBOR Successor Rate Conforming Changes or amendment pursuant to Section 2.12(d)(iii) has occurred, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) the LIBOR Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, Administrative Borrower may revoke any pending LIBOR Notice for a Borrowing of LIBOR Rate Loans, and any pending LIBOR Notice for a conversion to or continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods), and any such LIBOR Notice that is not so revoked by Administrative Borrower will be deemed converted into a request for a Borrowing, conversion or continuation, as applicable, of Base Rate Loans on the date such action is to be taken pursuant to such notice (subject to the foregoing clause (y)) in the amount specified therein.

(v) Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

(e) **No Requirement of Matched Funding.** Anything to the contrary contained herein notwithstanding, neither Agent, nor any Lender, nor any of their Participants, is required actually to acquire eurodollar deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate.

2.13 Capital Requirements.

(a) If, after the date hereof, Issuing Bank or any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies or regarding Taxes to which such Lender is subject (other than Excluded Taxes or Indemnified Taxes), or (ii) compliance by Issuing Bank or such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on Issuing Bank's, such Lender's, or such holding companies' capital or liquidity as a consequence of Issuing Bank's or such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which Issuing Bank, such Lender, or such holding companies could have achieved but for such Change in

Law or compliance (taking into consideration Issuing Bank's, such Lender's, or such holding companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount reasonably deemed by Issuing Bank or such Lender to be material, then Issuing Bank or such Lender may notify Borrowers and Agent thereof. Following receipt of such notice, Borrowers agree to pay Issuing Bank or such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by Issuing Bank or such Lender of a statement in the amount and setting forth in reasonable detail Issuing Bank's or such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Issuing Bank or such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of Issuing Bank or any Lender to demand compensation pursuant to this Section 2.13 shall not constitute a waiver of Issuing Bank's or such Lender's right to demand such compensation; provided, that Borrowers shall not be required to compensate Issuing Bank or a Lender pursuant to this Section 2.13 for any reductions in return incurred more than 180 days prior to the date that Issuing Bank or such Lender notifies Borrowers of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further, that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If Issuing Bank or any Lender requests additional or increased costs referred to in Section 2.11(l) or 2.12(d)(i) or amounts under Section 2.13(a) or sends a notice under Section 2.12(d)(ii) relative to changed circumstances or makes a claim for compensation under Section 16 (such Issuing Bank or Lender, an "Affected Lender"), then, at the request of Administrative Borrower, such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or would eliminate the illegality or impracticality of funding or maintaining LIBOR Rate Loans and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrowers' obligation to pay any future amounts to such Affected Lender pursuant to Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or to enable Borrowers to obtain LIBOR Rate Loans, then Borrowers (without prejudice to any amounts then due to such Affected Lender under Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable) may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or indicates that it is no longer unlawful or impractical to fund or maintain LIBOR Rate Loans, may designate a different Issuing Bank or substitute a Lender, in each case, reasonably acceptable to Agent to purchase the Obligations owed to such Affected Lender and such Affected Lender's commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender shall assign to the Replacement Lender its Obligations and commitments pursuant to an Assignment and Acceptance in accordance with Section 14.2, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement and such Affected Lender shall cease to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Sections 2.11(l), 2.12(d), and 2.13 shall be available to Issuing Bank and each Lender (as applicable) regardless of any

possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for issuing banks or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, neither Issuing Bank nor any Lender shall demand compensation pursuant to this Section 2.13 if it shall not at the time be the general policy or practice of Issuing Bank or such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.14 Accordion.

(a) At any time during the period from and after the Closing Date through but excluding the date that is the Maturity Date, at the option of Borrowers (but subject to the conditions set forth in this clause (a) and clause (b) below), the Revolver Commitments and the Maximum Revolver Amount may be increased by an amount in the aggregate for all such increases of the Revolver Commitments and the Maximum Revolver Amount not to exceed the Available Revolver Increase Amount (each such increase, an “Increase”); provided, that in no event shall (i) the Revolver Commitments and the Maximum Revolver Amount be increased by an amount in excess of the Available Revolver Increase Amount, (ii) any Lender be obligated to increase its Revolver Commitment unless such Lender agrees to provide an Increase, (iii) any Issuing Bank be obligated to act as an Issuing Bank or issue Letters of Credit under any Increase without such Issuing Bank’s consent or (iv) any Swing Lender be obligated to act as a Swing Lender or make Swing Loans under any Increase without such Swing Lender’s consent. For any proposed Increase, the Borrowers shall first invite each existing Lender to increase its Revolver Commitments (each of which Lenders shall be entitled to agree or decline to participate in any such Increase in its sole discretion by providing notice to the Borrowers), and if sufficient existing Lenders do not agree to increase their Revolver Commitments in an aggregate amount not less than the amount of such proposed Increase within ten (10) Business Days of receipt of the aforesaid invitation from Borrowers, the Borrowers may invite, subject to clause (b)(i) below, prospective lenders to become a Lender in connection with a proposed Increase so long as any such prospective lender is an Eligible Transferee (it being acknowledged and agreed that any Lender that has not accepted any such proposed Increase (or portion thereof) within ten (10) Business Days of receiving such invitation from Borrowers shall be deemed to have declined to participate in such proposed Increase). Any Increase shall be in an amount of at least \$10,000,000 and integral multiples of \$1,000,000 in excess thereof, and there shall be no more than four Increases. For the avoidance of doubt, it is understood and agreed that in no event shall the aggregate amount of the Increases to the Revolver Commitments exceed \$100,000,000. Any Increase otherwise permitted hereunder (and subject to the satisfaction of the conditions precedent hereunder with respect to any such Increase) shall result in a proportionate increase in the maximum amount of Swing Loans permitted under Section 2.3(b)(i) and the maximum amount of Letters of Credit permitted under Section 2.11(b)(i), so long as consented to by the Swing Lender and Issuing Banks, respectively, party hereto at the time of such Increase.

(b) Each of the following shall be conditions precedent to any Increase of the Revolver Commitments and the Maximum Revolver Amount in connection therewith:

(i) Agent or Borrowers shall have obtained the commitment of one or more Lenders or other prospective lenders with the prior written consent of Agent (such consent with respect to any prospective lender (x) not to be unreasonably withheld, delayed or conditioned and (y) only required to the extent Agent would have consent rights under Section 13 in connection with an assignment by a Lender of its Revolving Loans, Revolver Commitments or other Obligations to any such prospective lender), and any such Lenders (or prospective lenders), Borrowers, and Agent shall have signed (and Agent hereby agrees to sign, subject to satisfaction of the conditions in subclause (ii) below) a joinder agreement

to this Agreement (an “Increase Joinder”), in form and substance reasonably satisfactory to Agent, to which such Lenders (or prospective lenders), Borrowers, and Agent are party; and

(ii) subject to Section 1.7, each of the conditions precedent set forth in Sections 3.2(a) and 3.2(b) shall have been satisfied or waived by the Lenders (or prospective lenders) at the time of such Increase.

(c) The terms and provisions of the Increase shall be identical to the Revolving Loans and the Revolver Commitments (other than arranger, upfront fees and other similar fees) and, for purposes of this Agreement and the other Loan Documents, all Revolving Loans made under the Increase shall be deemed to be Revolving Loans. Without limiting the generality of the foregoing, (i) in no event shall the final maturity date of any Revolving Loans under an Increase at the time of establishment thereof be different than the Maturity Date, (ii) the Increase shall require no scheduled amortization or mandatory commitment reduction, (iii) the rate of interest and letter of credit participation fees applicable to the Increase shall be the same as the rate of interest and letter of credit participation fees applicable to the existing Revolving Loans and Letters of Credit, respectively, (iv) unused line fees applicable to the Increase shall be calculated using the same Applicable Unused Line Fee Percentages applicable to the existing Revolving Loans, (v) the Increase shall share ratably in any mandatory prepayments of the Revolving Loans, (vi) after giving effect to such Increases, the Pro Rata Share of the Revolver Commitments of each Lender may be adjusted to give effect to the total Revolver Commitment as increased by such Increase, and (vii) the Increase shall rank *pari passu* in right of payment and security with the existing Revolving Loans. Each joinder agreement and any amendment to any Loan Document requested by Agent in connection with the establishment of the Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement (an “Increase Amendment”) and the other Loan Documents as may be reasonably necessary or appropriate, in the opinion of Agent and Administrative Borrower, to effect the provisions of this Section 2.14.

(d) Unless otherwise specifically provided herein, all references in this Agreement and any other Loan Document to Revolving Loans shall be deemed, unless the context otherwise requires, to include Revolving Loans made pursuant to the increased Revolver Commitments and Maximum Revolver Amount after giving effect to all Increases pursuant to this Section 2.14.

(e) Each of the Lenders having a Revolver Commitment prior to the date of the effectiveness of an Increase (such date, the “Increase Date”, and such Lenders, the “Pre-Increase Revolver Lenders”) shall assign to any Lender which is acquiring a new or additional Revolver Commitment on the Increase Date (the “Post-Increase Revolver Lenders”), and such Post-Increase Revolver Lenders shall purchase from each Pre-Increase Revolver Lender, at the principal amount thereof, such interests in the Revolving Loans and participation interests in Letters of Credit on such Increase Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans and participation interests in Letters of Credit will be held by Pre-Increase Revolver Lenders and Post-Increase Revolver Lenders ratably in accordance with their Pro Rata Share after giving effect to such Increase.

(f) The Revolving Loans, Revolver Commitments, and Maximum Revolver Amount established pursuant to this Section 2.14 shall constitute Revolving Loans, Revolver Commitments, and Maximum Revolver Amount under, and shall be provided pursuant to the same terms (except as permitted above) and entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from any guarantees and the security interests created by the Loan Documents. Borrowers shall take any actions required by Agent in its Permitted Discretion to ensure and demonstrate that the Liens and security interests granted by the Loan Documents

continue to be perfected under the Code, the PPSA, CCQ or otherwise after giving effect to the establishment of any such new Revolver Commitments and Maximum Revolver Amount.

2.15 [Intentionally Omitted].

2.16 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.16), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligation until such time as all of the Obligations are paid in full.

(d) The Obligations of each Borrower under the provisions of this Section 2.16 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.16(d)) or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Revolving Loans or Letters of Credit issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement). Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by Agent or Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Agent or Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.16 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part,

from any of its Obligations under this Section 2.16, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of each Borrower under this Section 2.16 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.16 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or any Agent or Lender.

(f) Each Borrower represents and warrants to Agent and Lenders that such Borrower is currently informed of the financial condition of Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) The provisions of this Section 2.16 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and permitted assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or permitted assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.16 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.16 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to Agent or Lenders with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any member of the Lender Group hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(i) Each Borrower hereby agrees that after the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to Agent for application to the Obligations in accordance with Section 2.4(b).

(j) Notwithstanding any other provision contained herein or in any other Loan Document, if a “secured creditor” (as that term is defined under the *BIA*) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint and several basis, then such Person’s Obligations (and the Obligations of each other Canadian Loan Party or any other applicable Loan Party), to the extent such Obligations are secured, shall be several obligations and not joint and several obligations.

3. CONDITIONS; TERM OF AGREEMENT.

3.1 Conditions Precedent to the Initial Extension of Credit. The effectiveness of this Agreement and the obligation of each Lender to make the initial extensions of credit on the Closing Date requested by Borrowers hereunder is subject solely to the satisfaction (or waiver by Agent and each Lender), of each of the conditions precedent set forth on Schedule 3.1 (the making of such initial extensions of credit by a Lender being conclusively deemed to be such satisfaction or waiver of the conditions precedent).

3.2 Conditions Precedent to all Extensions of Credit. The obligation of the Lender Group (or any member thereof) to make any Revolving Loans hereunder (or to extend any other credit hereunder (including any amendment to, or any extension of, any Letters of Credit)) at any time after the Closing Date shall be subject solely to the following conditions precedent:

(a) the representations and warranties of Parent or its Subsidiaries contained in this Agreement or in the other Loan Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on and as of the date of such extension of credit, as though made on and as of such date (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date);

(b) no Default or Event of Default shall have occurred and be continuing on the date of such extension of credit, nor shall either immediately result from the making thereof;

(c) in the case of a request for Borrowing Revolving Loans, Agent shall have received a notice requesting such Borrowing meeting the requirements of Section 2.3 and in the case of a request for a Letter of Credit (including any amendment thereto or extension thereof), Issuing Bank shall have received a notice requesting such issuance (or amendment thereto or extension thereof) meeting the requirements of Section 2.11; and

(d) Availability immediately prior to such Borrowing or issuance of Letter of Credit shall not be less than the amount of such Borrowing or Letter of Credit, as applicable.

3.3 Maturity. This Agreement shall continue in full force and effect for a term ending on the Maturity Date.

3.4 Effect of Maturity. On the Maturity Date, all commitments of the Lender Group to provide additional credit hereunder shall automatically be terminated and all of the Obligations (excluding any unasserted contingent indemnification Obligations) immediately shall become due and payable without notice or demand and Borrowers shall be required to repay all of the Obligations in full. No termination of the obligations of the Lender Group or termination of the term of this Agreement as provided in Section 3.3 shall relieve or discharge any Loan Party of its duties, obligations, or covenants hereunder (including

under Section 10.3) or under any other Loan Document and Agent's Liens in the Collateral shall continue to secure the Obligations and shall remain in effect, in each case until all Obligations have been paid in full. When all of the Obligations have been paid in full, Agent will, at Borrowers' sole expense, execute and deliver any termination statements, lien releases, discharges of security interests, and other similar discharge or release documents (and, if applicable, in recordable form) as are reasonably necessary to release, as of record, Agent's Liens and all notices of security interests and liens previously filed by Agent.

3.5 Early Termination by Borrowers. Borrowers have the option, at any time upon 10 days prior written notice to Agent, to terminate this Agreement and terminate the Revolver Commitments hereunder by repaying to Agent all of the Obligations in full. The foregoing notwithstanding, (a) Borrowers may rescind termination notices relative to proposed payments in full of the Obligations with the proceeds of third party Indebtedness or proceeds of other events if the closing for such issuance or incurrence or such other event does not occur, and (b) Borrowers may extend the date of such requested termination at any time with the consent of Agent (which consent shall not be unreasonably withheld, conditioned, or delayed).

3.6 Conditions Subsequent. The obligation of the Lender Group (or any member thereof) to continue to make Revolving Loans (or otherwise extend credit hereunder) is subject to the fulfillment, on or before the date applicable thereto, of the conditions subsequent set forth on Schedule 3.6 (the failure by Borrowers to so perform or cause to be performed such conditions subsequent as and when required by the terms thereof (unless such date is extended, in writing, by Agent, which Agent may do without obtaining the consent of the other members of the Lender Group), shall constitute an Event of Default).

4. REPRESENTATIONS AND WARRANTIES.

In order to induce the Lender Group to enter into this Agreement, Parent and each Borrower make the following representations and warranties to the Lender Group, in each case after giving effect to consummation of the Closing Date Acquisition:

4.1 Due Organization and Qualification; Subsidiaries.

(d) Except as set forth on Schedule 4.1(d) (as such Schedule may be updated from time to time to reflect changes resulting from transactions not prohibited under this Agreement) there are no subscriptions, options, warrants, or calls relating to any shares of any Borrower's or any of its Subsidiaries' Equity Interests, including any right of conversion or exchange under any outstanding security or other instrument.

4.3 Governmental Consents. The execution, delivery, and performance by each Loan Party of the Loan Documents to which such Loan Party is a party and the consummation of the transactions contemplated by the Loan Documents do not and will not require any registration with, consent, or approval of, or notice to, or other action with or by, any Governmental Authority, other than registrations, consents, approvals, notices, or other actions that: (a) on or prior to the Closing Date, have been obtained and are still in force and effect; or (b) if required after the Closing Date, will be obtained and kept in full force and effect as and when required pursuant to this Agreement (including Section 3.6) and the other Loan Documents.

4.4 Binding Obligations; Perfected Liens.

(a) Each Loan Document has been duly executed and delivered by each Loan Party that is a party thereto and is the legally valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its respective terms, except as enforcement may be limited by equitable principles or by bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or limiting creditors' rights generally.

(b) Agent's Liens on the Collateral are validly created and perfected (other than (i) in respect of money, (ii) in respect of letter-of-credit rights (other than those that, by the terms of the Guaranty and Security Agreement or the Canadian Guarantee and Security Agreement are required to be perfected), (iii) commercial tort claims of a Loan Party (other than those that, by the terms of the Guaranty and Security Agreement or the Canadian Guarantee and Security Agreement are required to be perfected by a method other than the filing of a financing statement), (iv) Real Property (other than Eligible Real Property included

(j) equity issuances not prohibited by this Agreement.

6.11 Parent as Holding Company. Parent will not engage in any business other than its ownership of the capital stock of, and the management of the Borrowers and, indirectly, their Subsidiaries and activities incidental thereto; provided that Parent may engage in those activities that are incidental to (i) the maintenance of its existence in compliance with applicable law, (ii) legal, tax and accounting matters in connection with any of the foregoing or following activities, (iii) the entering into, and performing its obligations under, this Agreement and the other Loan Documents to which it is a party, (iv) the issuance, sale or repurchase of its Equity Interests and the receipt and making of capital contributions, (v) the making of Restricted Payments to the extent permitted under Section 6.7, (vi) the filing of registration statements, and compliance with applicable reporting and other obligations, under federal, state or other securities laws, (vii) the listing of its equity securities and compliance with applicable reporting and other obligations in connection therewith, (viii) the retention of (and the entry into, and exercise of rights and performance of obligations in respect of, contracts and agreements with) transfer agents, private placement agents, underwriters, counsel, accountants and other advisors and consultants, (ix) the performance of obligations under and compliance with its Governing Documents, or any applicable law, ordinance, regulation, rule, order, judgment, decree or permit, including as a result of or in connection with the activities of its Subsidiaries permitted under this Agreement, (x) the incurrence and payment of its operating and business expenses and any taxes for which it may be liable (including reimbursement to Affiliates for such expenses paid on its behalf), (xi) the consummation of the transactions contemplated hereby (including the Transaction), (xii) the making of loans to or other Investments in, or incurrence of Indebtedness from, the Borrowers or in the case of incurrence of Indebtedness, from any Wholly-Owned Domestic Subsidiary, which is a Guarantor, as and to the extent permitted by Section 6.9, (xiii) the guaranteeing of obligations (other than Indebtedness) of the Administrative Borrower and its Subsidiaries, and (ix) any other activity expressly contemplated by this Agreement to be engaged in by Parent.

6.12 Modification of Terms of Credit Card Accounts. Without the prior written consent of Agent, no Borrower shall (a) rescind or cancel any indebtedness evidenced by any Credit Card Accounts or modify any term thereof or make any adjustment with respect thereto, or settle any dispute, claim, suit or legal proceeding relating thereto or (b) sell any Credit Card Accounts or interest therein, in each case, except in the ordinary course of business consistent with prudent business practice.

7. FINANCIAL COVENANTS.

Each Borrower covenants and agrees that, until payment in full of the Obligations, if at any time a Financial Covenant Period has commenced and is continuing, Administrative Borrower and its Subsidiaries shall have, for any Test Period ending immediately prior to the date such Financial Covenant Period commenced for which financial statements have been delivered (or are required to have been delivered) pursuant to Section 5.1, and for each Test Period ending at any time thereafter for which financial statements have been delivered (or are required to have been delivered) pursuant to Section 5.1 during such Financial Covenant Period, (a) a Fixed Charge Coverage Ratio of at least 1.00:1.00, and (b) a Senior Secured Net Leverage Ratio of not more than 4.75 to 1.00. For the avoidance of doubt (and without limiting the generality of the provisions of Section 8), it is hereby acknowledged and agreed that, the failure to comply with the foregoing financial covenants shall, subject to Section 9.3, constitute an immediate Default under this Agreement and, to the extent not cured pursuant to Section 9.3 within the time period specified therein or otherwise waived in accordance with the provisions of this Agreement, shall constitute an immediate Event of Default after such period shall have concluded.

8. EVENTS OF DEFAULT.

Any one or more of the following events shall constitute an event of default (each, an “Event of Default”) under this Agreement:

8.1 Payments. If Borrowers fail to pay when due and payable, or when declared due and payable in accordance with the terms hereof, (a) all or any portion of the Obligations consisting of interest, fees, or charges due the Lender Group, reimbursement of Lender Group Expenses, or other amounts (other than any portion thereof constituting principal) constituting Obligations (including any portion thereof that accrues after the commencement of an Insolvency Proceeding, regardless of whether allowed or allowable in whole or in part as a claim in any such Insolvency Proceeding), and such failure continues for a period of 5 Business Days, (b) all or any portion of the principal of the Loans or (c) any reimbursement obligation in respect of any Letter of Credit Disbursement.

8.2 Covenants. If any Loan Party or any of its Subsidiaries:

(a) fails to perform or observe any covenant or other agreement applicable to it contained in any of (i) Section 3.6, 5.1 (solely with respect to paragraph (j) of Schedule 5.1), 5.2 (solely with respect to paragraph (a) of Schedule 5.2), 5.3 (solely if any Borrower is not in good standing in its jurisdiction of organization), 5.4, 5.7 (solely if any Borrower refuses to allow Agent or its representatives or agents to visit any Borrower’s properties, inspect its assets or books or records, examine and make copies of its books and records, or discuss Borrowers’ affairs, finances, and accounts with officers and employees of any Borrower), 5.15 or 5.16, (ii) Section 6, (iii) Section 7 or (iv) Section 7 of the Guaranty and Security Agreement or Section 7 of the Canadian Guarantee and Security Agreement;

(b) fails to perform or observe any covenant or other agreement applicable to it contained in any of paragraph (a), (b), (c), (d) or (e) of Schedule 5.1 and such failure continues for a period of five (5) days after the earlier of (i) the date on which such failure shall first become known to any senior

officer of any Loan Party, or (ii) the date on which written notice thereof is given to Borrowers by Agent or any Lender; or

(c) fails to perform or observe any covenant or other agreement applicable to it contained in this Agreement, or in any of the other Loan Documents, in each case, other than any such covenant or agreement that is the subject of another provision of this Section 8 (in which event such other provision of this Section 8 shall govern), and such failure continues for a period of 30 days after the earlier of (i) the date on which such failure shall first become known to any senior officer of any Loan Party, or (ii) the date on which written notice thereof is given to Borrowers by Agent or any Lender.

8.3 Judgments. If one or more judgments, orders, or awards for the payment of money involving an aggregate amount of \$20,000,000 (the “Judgment Threshold”) or more during the term of the Agreement (excluding from the Judgment Threshold the amount of any such judgment that is covered by insurance for which the relevant insurer is not insolvent and has not denied coverage therefor) is entered or filed against Parent or any of its Subsidiaries (other than an Immaterial Subsidiary), or with respect to any of their respective assets, and either (a) there is a period of 30 consecutive days at any time after the entry of any such judgment, order, or award during which (i) the same is not released, discharged, satisfied, vacated, or bonded pending appeal, or (ii) a stay of enforcement thereof is not in effect, or (b) enforcement proceedings are commenced upon such judgment, order, or award.

8.4 Voluntary Bankruptcy, etc. (i) If an Insolvency Proceeding is commenced by a Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) or (ii) any Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or the board of directors (or similar governing body) of such Loan Party or such Subsidiary, or any committee thereof, shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to in this Section 8.4.

8.5 Involuntary Bankruptcy, etc.

(a) If an Insolvency Proceeding is commenced against a Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) and any of the following events occur: (a) such Loan Party or such Subsidiary consents to the institution of such Insolvency Proceeding against it, (b) the petition commencing the Insolvency Proceeding is not timely controverted, (c) the petition commencing the Insolvency Proceeding is not dismissed within 60 calendar days of the date of the filing thereof, (d) an interim trustee is appointed to take possession of all or any substantial portion of the properties or assets of, or to operate all or any substantial portion of the business of, such Loan Party or its Subsidiary, or (e) an order for relief shall have been issued or entered therein.

(b) Any order, judgment or decree shall be entered against any Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) decreeing the dissolution or split up of such Loan Party or such Subsidiary and such order shall remain undischarged or unstayed for a period in excess of 60 consecutive calendar days.

8.6 Default Under Other Agreements.

If there is a default in one or more agreements evidencing Indebtedness of any Loan Party or any of its Subsidiaries with an aggregate principal amount of \$20,000,000 or more, and such default (a) consists of a failure to pay, when due, any principal of or interest on any such Indebtedness, or (b) results in a right by the holder or holders of such Indebtedness (or a trustee on behalf of such holder(s)) that is then exercisable but irrespective of whether actually exercised, to accelerate the maturity of such Loan Party's

or its Subsidiary's obligations thereunder; provided that, notwithstanding the foregoing, a default described in the foregoing clause (b) occurring under a Capital Lease shall not give rise to a Default or Event of Default hereunder or under any other Loan Document unless (i) the holder (or holders) of such Indebtedness (or a trustee on behalf of such holder(s)) accelerates the maturity of such Loan Party's or its Subsidiary's obligations thereunder as a result of such default, or (ii) such default is continuing for a period of more than 45 consecutive days.

8.7 Representations, etc. Any warranty, representation, certification or statement made or deemed made by any Loan Party herein or in any other Loan Document or delivered in writing to Agent or any Lender in connection with this Agreement or any other Loan Document proves to be untrue in any material respect (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of the date of making or deemed making thereof.

8.8 Guaranty. If the obligation of any Guarantor under the guaranty contained in the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement shall cease to be in full force and effect or any Guarantor shall deny or disaffirm in writing such Guarantor's obligations under its guaranty contained in the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement, as applicable (other than, in each case, in accordance with the terms of this Agreement or the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement, as applicable).

8.9 Security Documents. If the Guaranty and Security Agreement, Canadian Guarantee and Security Agreement, Deed of Hypothec or any other Loan Document that purports to create a Lien shall, for any reason, fail or cease to create a valid, perfected, first priority Lien on any Collateral with a value of \$5,000,000 or more which is covered thereby, or Agent does not have or cease to have a valid and perfected Lien in any Collateral with a value of \$5,000,000 or more which is purported to be covered by the Loan Documents with the priority required by the relevant Loan Document, in each case except (a) to the extent of Permitted Liens which are entitled to priority as a matter of law, (b) as a result of a disposition of the applicable Collateral in a transaction permitted under this Agreement or such Loan Document, or (c) solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party; provided that, with respect to any Fleet Asset, so long as the Loan Parties are in compliance with the Fleet Asset Perfection Requirements with respect to such Fleet Asset, the Loan Documents shall be deemed to create, and the Agent shall be deemed to have, a valid, perfected, first priority Lien on such Fleet Asset.

8.10 Loan Documents. Any Loan Document shall cease to be in full force and effect or the validity or enforceability thereof shall at any time for any reason (other than solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party) be declared in writing to be null and void by any Loan Party, or a proceeding shall be commenced by a Loan Party or its Subsidiaries, or by any Governmental Authority having jurisdiction over a Loan Party or its Subsidiaries, seeking to establish the invalidity or unenforceability thereof, or a Loan Party or its Subsidiaries shall contest in writing the validity or enforceability of any Loan Document or deny in writing that it has any further liability, including with respect to future advances by the Lenders, under any Loan Document to which it is a party or shall contest in writing the validity or perfection of any Lien in any Collateral purported to be covered by the Loan Documents.

8.11 Change of Control. A Change of Control shall occur.

8.12 ERISA. (a) An ERISA Event has occurred with respect to a Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in a Material Adverse Effect, (b) there is or arises Unfunded Pension Liability which has resulted or could reasonably be expected to result in a Material Adverse Effect, or (c) there is or arises any Withdrawal Liability, which has resulted or could reasonably be expected to result in a Material Adverse Effect.

8.13 Subordinated Indebtedness. Any Subordinated Indebtedness permitted hereunder, or the guarantees thereof, shall cease, for any reason (other than solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party), to be validly subordinated to the Obligations in accordance with the applicable subordination provisions thereof or subordination agreement with respect thereto.

8.14 Canadian Plans. Any Canadian Pension Event shall occur.

9. RIGHTS AND REMEDIES.

9.1 Rights and Remedies. Upon the occurrence and during the continuation of an Event of Default, Agent shall, at the instruction of the Required Lenders (in each case under clause (a) or (b) of this Section 9.1 by written notice to Borrowers), in addition to any other rights or remedies provided for hereunder or under any other Loan Document or by applicable law, do any one or more of the following:

(a) (i) declare the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents to be immediately due and payable, whereupon the same shall become and be immediately due and payable and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by each Borrower, and (ii) direct Borrowers to provide (and Borrowers agree that upon receipt of such notice Borrowers will provide) Letter of Credit Collateralization to Agent to be held as security for Borrowers' reimbursement obligations for drawings that may subsequently occur under issued and outstanding Letters of Credit;

(b) declare the Revolver Commitments terminated, whereupon the Revolver Commitments shall immediately be terminated together with (i) any obligation of any Revolving Lender to make Revolving Loans, (ii) the obligation of the Swing Lender to make Swing Loans, and (iii) the obligation of Issuing Bank to issue Letters of Credit; and

(c) exercise all other rights and remedies available to Agent or the Lenders under the Loan Documents, under applicable law, or in equity (subject to any notice provisions in the Loan Documents); provided, that with respect to any Event of Default resulting solely from failure of Borrowers to comply with the Financial Covenants, neither Agent nor the Required Lenders may exercise the foregoing remedies in this Section 9.1 except as provided in Section 9.3(d).

The foregoing notwithstanding, upon the occurrence of any Event of Default described in Section 8.4 or 8.5, in addition to the remedies set forth above, without any notice to Borrowers or any other Person or any act by the Lender Group, the Revolver Commitments shall automatically terminate and the Obligations (other than the Bank Product Obligations), inclusive of the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents, shall

automatically become and be immediately due and payable and Borrowers shall automatically be obligated to repay all of such Obligations in full (including Borrowers being obligated to provide (and Borrowers agree that they will provide) (1) Letter of Credit Collateralization to Agent to be held as security for Borrowers' reimbursement obligations in respect of drawings that may subsequently occur under issued and outstanding Letters of Credit, and (2) Bank Product Collateralization to Agent to be held as security for Borrowers' or their Subsidiaries' obligations in respect of outstanding Bank Products), without presentment, demand, protest, or notice or other requirements of any kind, all of which are expressly waived by Parent and Borrowers.

9.2 Remedies Cumulative. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, the PPSA, the CCQ, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election, and no waiver by the Lender Group of any Event of Default shall be deemed a waiver of any other Event of Default or future Event of Default. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

9.3 Curative Proceeds.

(a) For purposes of determining compliance with the Financial Covenants for any Test Period, any proceeds of cash equity contributions (which equity shall be common equity or otherwise in a form reasonably acceptable to the Agent) made to Parent (which shall all be contributed in cash to the common equity of Administrative Borrower) or cash proceeds of Subordinated Indebtedness issued to the Sponsor by Parent or Borrowers (which in the case of any such proceeds received by Parent shall all be contributed in cash to the common equity of Administrative Borrower), following the end of such Test Period and on or prior to the date (the "Cure Expiration Date") that is 10 Business Days after (i) in the case of testing compliance when Administrative Borrower and its Subsidiaries initially become subject to testing the Financial Covenants, the date Administrative Borrower and its Subsidiaries become subject to testing the Financial Covenants for such Test Period or (ii) in the case of any subsequent testing of the Financial Covenants while Administrative Borrower and its Subsidiaries continue to be subject to testing of the Financial Covenants after the applicable date referred to in the foregoing clause (i), the date of delivery of the financial statements required to be delivered pursuant to paragraph (a) or (c), as applicable, of Schedule 5.1 with respect to the fiscal quarter or fiscal year, as applicable, most recently ended for the relevant Test Period, will, at the request of Administrative Borrower pursuant to a notice (a "Cure Notice") delivered to Agent on or prior to the Cure Expiration Date, be included in the calculation of EBITDA solely for the purposes of determining compliance with the Financial Covenants at the end of such Test Period and applicable subsequent Test Periods which include the last fiscal quarter of such Test Period (any such contribution so included in the calculation of EBITDA, a "Specified Contribution"); provided that (i) the amount of any Specified Contributions included in the calculation of EBITDA shall be no greater than the amount required to cause compliance with both Financial Covenants on a Pro Forma Basis, and (ii) any Specified Contributions for any Test Period shall be included in the calculation of EBITDA solely for purposes of determining compliance with the Financial Covenants for such Test Period and shall be disregarded for all other purposes, including for purposes of the definition of "Payment Condition" and determining any baskets calculated on the basis of EBITDA contained herein and in the other Loan Documents.

(b) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no cure right set forth in this Section 9.3 is exercised and (ii) there shall be no pro forma reduction in Indebtedness with the Specified Contribution for determining compliance with the Financial Covenants for the fiscal quarter with respect to which such Specified Contribution was made.

(c) There can be no more than four fiscal quarters in which the cure rights set forth in this Section 9.3 are exercised during the term of the Agreement.

(d) With respect to any Default or Event of Default that has occurred and is continuing as a result of a breach of any Financial Covenant prior to Agent's receipt of a Cure Notice and Administrative Borrower's receipt of the Specified Contribution in accordance with the terms of Section 9.3(a), any Event of Default that has occurred as a result of a breach of a Financial Covenant shall be deemed to be continuing; provided that prior to the Cure Expiration Date neither Agent nor any Lender may exercise any rights or remedies under the Loan Documents on the basis of any such Default or Event of Default solely resulting from a breach of a Financial Covenant unless and until Administrative Borrower fails to timely deliver a Cure Notice, it being understood that during such period, notwithstanding anything to the contrary contained herein, neither any Lender nor Issuing Bank shall be required to make any Revolving Loan or other extension of credit without the consent of the Required Lenders until such time as the Specified Contribution is actually received by Administrative Borrower in accordance with the terms of Section 9.3(a). Upon Administrative Borrower's receipt of a Specified Contribution in accordance with the terms of Section 9.3(a) for any Test Period end, any Default or Event of Default existing as a result of (i) a breach of the Financial Covenants for such Test Period end, (2) the failure to give notice of any Default or Event of Default described in this sentence, and (3) any breach of a representation or warranty in the Loan Documents solely as a result of the existence of any Default or Event of Default described in this sentence, in each case, shall be deemed cured and no longer existing.

10. WAIVERS; INDEMNIFICATION.

10.1 Demand; Protest; etc. Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which any Borrower may in any way be liable.

10.2 The Lender Group's Liability for Collateral. Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the PPSA or CCQ, as applicable, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person (except, in each case, for liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence, bad faith or willful misconduct of Agent or any member of the Lender Group), and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3 Indemnification. Each Borrower shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons, and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable and documented out-of-pocket fees and disbursements of attorneys (limited, in the case of legal expenses, to one primary counsel to Agent and Lenders to be retained by Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction (which may include a single firm of counsel acting in multiple jurisdictions) and, in the case of an actual or perceived conflict of interest where any Indemnified Person affected by such conflict informs Administrative Borrower of such conflict, of a single additional firm of counsel in each relevant jurisdiction for all similarly situated affected Indemnified Persons), experts, or consultants and all other reasonable and documented out-of-pocket costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are

incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrowers shall not be liable for costs and expenses (including attorneys fees) of any Lender (other than Wells Fargo) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Parent's and its Subsidiaries' compliance with the terms of the Loan Documents (provided, that the indemnification in this clause (a) shall not extend to claims that a court of competent jurisdiction finally determines to have resulted from (i) disputes solely between or among the Lenders that do not involve any acts or omissions of any Loan Party, or (ii) disputes solely between or among the Lenders and their respective Affiliates that do not involve any acts or omissions of any Loan Party; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) any Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim, (b) with respect to any actual or prospective investigation, litigation, or proceeding related to this Agreement, any other Loan Document, the making of any Loans or issuance of any Letters of Credit hereunder, or the use of the proceeds of the Loans or the Letters of Credit provided hereunder (irrespective of whether any Indemnified Person is a party thereto, but including if any Loan Party is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by any Borrower or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of any Borrower or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing notwithstanding, no Borrower shall have any obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from (A) the gross negligence, willful misconduct, or bad faith of such Indemnified Person or its officers, directors, employees, attorneys, or agents or (B) any breach in any material respect by such Indemnified Person of any Loan Documents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrowers were required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrowers with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON (OTHER THAN ACTS OR OMISSIONS THAT A COURT OF COMPETENT JURISDICTION FINALLY DETERMINES TO HAVE RESULTED FROM GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR BAD FAITH).**

NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT AGENT MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(e) NO CLAIM MAY BE MADE BY ANY LOAN PARTY AGAINST THE AGENT, THE SWING LENDER, ANY OTHER LENDER, ISSUING BANK, OR ANY AFFILIATE, DIRECTOR, OFFICER, EMPLOYEE, COUNSEL, REPRESENTATIVE, AGENT,

OR ATTORNEY-IN-FACT OF ANY OF THEM FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES OR LOSSES IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION, OR EVENT OCCURRING IN CONNECTION THEREWITH, AND EACH LOAN PARTY HEREBY WAIVES, RELEASES, AND AGREES NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOR.

(f) IN THE EVENT ANY LEGAL PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA (THE “COURT”) BY OR AGAINST ANY PARTY HERETO IN CONNECTION WITH ANY CLAIM AND THE WAIVER SET FORTH IN CLAUSE (C) ABOVE IS NOT ENFORCEABLE IN SUCH PROCEEDING (AND EACH PARTY TO SUCH ACTION DOES NOT SUBSEQUENTLY EFFECTIVELY WAIVE UNDER CALIFORNIA LAW ITS RIGHT TO A TRIAL BY JURY), THE PARTIES HERETO AGREE AS FOLLOWS:

(i) WITH THE EXCEPTION OF THE MATTERS SPECIFIED IN SUBCLAUSE (ii) BELOW, ANY CLAIM SHALL BE DETERMINED BY A GENERAL REFERENCE PROCEEDING IN ACCORDANCE WITH THE PROVISIONS OF CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 638 THROUGH 645.1. THE PARTIES INTEND THIS GENERAL REFERENCE AGREEMENT TO BE SPECIFICALLY ENFORCEABLE. VENUE FOR THE REFERENCE PROCEEDING SHALL BE IN THE COUNTY OF LOS ANGELES, CALIFORNIA.

(ii) THE FOLLOWING MATTERS SHALL NOT BE SUBJECT TO A GENERAL REFERENCE PROCEEDING: (A) NON-JUDICIAL FORECLOSURE OF ANY SECURITY INTERESTS IN REAL OR PERSONAL PROPERTY, (B) EXERCISE OF SELF-HELP REMEDIES (INCLUDING SET-OFF OR RECOUPMENT), (C) APPOINTMENT OF A RECEIVER, AND (D) TEMPORARY, PROVISIONAL, OR ANCILLARY REMEDIES (INCLUDING WRITS OF ATTACHMENT, WRITS OF POSSESSION, TEMPORARY RESTRAINING ORDERS, OR PRELIMINARY INJUNCTIONS). THIS AGREEMENT DOES NOT LIMIT THE RIGHT OF ANY PARTY TO EXERCISE OR OPPOSE ANY OF THE RIGHTS AND REMEDIES DESCRIBED IN CLAUSES (A) THROUGH (D) AND ANY SUCH EXERCISE OR OPPOSITION DOES NOT WAIVE THE RIGHT OF ANY PARTY TO PARTICIPATE IN A REFERENCE PROCEEDING PURSUANT TO THIS AGREEMENT WITH RESPECT TO ANY OTHER MATTER.

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN TEN DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). THE REFEREE SHALL BE APPOINTED TO SIT WITH ALL OF THE POWERS PROVIDED BY LAW. PENDING APPOINTMENT OF THE REFEREE, THE COURT SHALL HAVE THE POWER TO ISSUE TEMPORARY OR PROVISIONAL REMEDIES.

(iv) EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE REFEREE SHALL DETERMINE THE MANNER IN WHICH THE REFERENCE

PROCEEDING IS CONDUCTED INCLUDING THE TIME AND PLACE OF HEARINGS, THE ORDER OF PRESENTATION OF EVIDENCE, AND ALL OTHER QUESTIONS THAT ARISE WITH RESPECT TO THE COURSE OF THE REFERENCE PROCEEDING. ALL PROCEEDINGS AND HEARINGS CONDUCTED BEFORE THE REFEREE, EXCEPT FOR TRIAL, SHALL BE CONDUCTED WITHOUT A COURT REPORTER, EXCEPT WHEN ANY PARTY SO REQUESTS A COURT REPORTER AND A TRANSCRIPT IS ORDERED, A COURT REPORTER SHALL BE USED AND THE REFEREE SHALL BE PROVIDED A COURTESY COPY OF THE TRANSCRIPT. THE PARTY MAKING SUCH REQUEST SHALL HAVE THE OBLIGATION TO ARRANGE FOR AND PAY THE COSTS OF THE COURT REPORTER, PROVIDED THAT SUCH COSTS, ALONG WITH THE REFEREE'S FEES, SHALL ULTIMATELY BE BORNE BY THE PARTY WHO DOES NOT PREVAIL, AS DETERMINED BY THE REFEREE.

(v) THE REFEREE MAY REQUIRE ONE OR MORE PREHEARING CONFERENCES. THE PARTIES HERETO SHALL BE ENTITLED TO DISCOVERY, AND THE REFEREE SHALL OVERSEE DISCOVERY IN ACCORDANCE WITH THE RULES OF DISCOVERY, AND SHALL ENFORCE ALL DISCOVERY ORDERS IN THE SAME MANNER AS ANY TRIAL COURT JUDGE IN PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA.

(vi) THE REFEREE SHALL APPLY THE RULES OF EVIDENCE APPLICABLE TO PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA AND SHALL DETERMINE ALL ISSUES IN ACCORDANCE WITH CALIFORNIA SUBSTANTIVE AND PROCEDURAL LAW. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY JUDGMENT. THE REFEREE SHALL REPORT HIS OR HER DECISION, WHICH REPORT SHALL ALSO INCLUDE FINDINGS OF FACT AND CONCLUSIONS OF LAW. THE REFEREE SHALL ISSUE A DECISION AND PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE, SECTION 644, THE REFEREE'S DECISION SHALL BE ENTERED BY THE COURT AS A JUDGMENT IN THE SAME MANNER AS IF THE ACTION HAD BEEN TRIED BY THE COURT. THE FINAL JUDGMENT OR ORDER FROM ANY APPEALABLE DECISION OR ORDER ENTERED BY THE REFEREE SHALL BE FULLY APPEALABLE AS IF IT HAS BEEN ENTERED BY THE COURT.

(vii) THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR OWN CHOICE, EACH PARTY HERETO KNOWINGLY AND VOLUNTARILY AND FOR THEIR MUTUAL BENEFIT AGREES THAT THIS REFERENCE PROVISION SHALL APPLY TO ANY DISPUTE BETWEEN THEM THAT ARISES OUT OF OR IS RELATED TO THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations

owed to it and its Revolver Commitment) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an “Assignee”), with the prior written consent (such consent not be unreasonably withheld, conditioned, or delayed) of:

(A) Administrative Borrower; provided, that no consent of Administrative Borrower shall be required (1) if an Event of Default has occurred and is continuing under Section 8.1, 8.4, or 8.5, or (2) in connection with an assignment to a Person that is a Lender, an Affiliate (other than natural persons) of a Lender or a Related Fund; provided further, that Administrative Borrower shall be deemed to have consented to a proposed assignment unless it objects thereto by written notice to Agent within 10 Business Days after having received written notice thereof, and

(B) Agent, Swing Lender, and Issuing Bank.

(ii) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made (i) to an Ineligible Institution, unless an Event of Default has occurred and is continuing under Section 8.1, 8.4 or 8.5, or (ii) to a natural person,

(B) no assignment may be made to a Loan Party, an Affiliate of a Loan Party, or Sponsor,

(C) the amount of the Revolver Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000),

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement,

(E) the parties to each assignment shall execute and deliver to Agent and Administrative Borrower an Assignment and Acceptance; provided, that Borrowers and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Borrowers and Agent by such Lender and the Assignee,

(F) no assignment may be made to a Defaulting Lender,

(G) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent’s separate account, a processing fee in the amount of \$3,500, and

(H) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the “Administrative Questionnaire”).

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be

a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a “Lender” and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Sections 10.3 and 16) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender’s rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender’s obligations under Sections 15 and 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, (vi) such assignee is not an Ineligible Institution; provided that no such confirmation shall be required if an Event of Default has occurred and is continuing under Section 8.1, 8.4 or 8.5, and (vii) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent’s receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Revolver Commitments arising therefrom. The Revolver Commitment allocated to each Assignee shall reduce such Revolver Commitments of the assigning Lender *pro tanto*.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (in each case, other than a Person to which an assignment is not permitted under Section 13.1(a)(ii)(A) or 13.1(a)(ii)(B)) (a “Participant”) participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the “Originating Lender”) hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a “Lender” for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a “Lender” hereunder or under the other Loan Documents and the Originating Lender’s obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection

with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, in each case of the foregoing clauses (A) through (E), except to the extent any such amendment or consent is permitted to be effected by only the Required Lenders pursuant to Section 14.1 (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to a Loan Party, an Affiliate of a Loan Party, Sponsor, or an Affiliate of Sponsor, and (vii) all amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrowers, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR § 203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of Borrowers) shall maintain, or cause to be maintained, a register (the "Register") on which it enters the name and address of each Lender as the registered owner of the Revolving Loans (and the principal amount thereof and stated interest thereon) held by such Lender (each, a "Registered Loan"). Other than in connection with an assignment by a Lender of all or any portion of its portion of the Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender (i) a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated

assignee(s) or transferee(s). The entries in the Register shall be conclusive absent manifest error, and Borrowers, the Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as Lender hereunder for all purposes of this Agreement. Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrowers shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Lender of all or any portion of its Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender, and which assignment is not recorded in the Register, the assigning Lender, on behalf of Borrowers, shall maintain a register comparable to the Register. The Register shall be available for inspection by Borrowers and any Lender at any reasonable time during business hours and from time to time upon reasonable notice.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrowers, shall maintain (or cause to be maintained) a register on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(j) Agent shall make a copy of the Register (and each Lender shall make a copy of its Participant Register to the extent required pursuant to clause (i) above) available for review by Borrowers from time to time as Borrowers may reasonably request.

(k) Notwithstanding anything in any Loan Document to the contrary, Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Ineligible Institutions, except to make the list of Ineligible Institutions available to Lenders upon request. Without limiting the generality of the foregoing and notwithstanding anything in any Loan Document to the contrary, Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is an Ineligible Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, Commitment or other Obligations, or disclosure of confidential information, to any Ineligible Institution. Furthermore, Agent shall have the right, and Borrowers hereby expressly authorize Agent, to disclose the list of Ineligible Institutions to each Lender requesting the same.

13.2 Successors. This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, that no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders’ prior written consent and any prohibited assignment shall be absolutely void ab initio. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Borrower is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 Amendments and Waivers.

(a) No amendment, waiver or other modification of any provision of this Agreement or any other Loan Document (other than Bank Product Agreements or the Fee Letter), and no consent with respect to any departure by Parent or any Borrower therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders, in the case of this Agreement), the Agent, in the case of all other Loan Documents, and the Loan Parties that are party thereto, and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders directly affected thereby and all of the Loan Parties that are party thereto, do any of the following:

(i) increase the amount of or extend the expiration date of any Commitment of any Lender (other than with respect to any Increases pursuant to Section 2.14 to which such Lender has agreed) or amend, modify, or eliminate the last sentence of Section 2.4(c), (it being understood that waivers or modifications of conditions precedent, waivers of Defaults, Events of Default or mandatory prepayments or any amendment or modification of financial ratios or defined terms used in the financial covenants in this Agreement shall not constitute an increase of or an extension of the expiration date of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender),

(ii) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees, or other amounts due hereunder or under any other Loan Document (other than the date of any mandatory prepayment pursuant to Section 2.4(e)),

(iv) amend, modify, or eliminate this Section 14.1 or any provision of this Agreement providing for consent or other action by all Lenders or all Lenders directly affected thereby, as applicable,

(v) amend, modify, or eliminate Section 3.1 or 3.2,

(vi) amend, modify, or eliminate Section 15.11,

(vii) other than as permitted by Section 15.11, release Agent's Lien in and to any of the Collateral,

(viii) amend, modify, or eliminate the definition of "Required Lenders", "Supermajority Lenders", or "Pro Rata Share",

(ix) contractually subordinate any of Agent's Liens except as otherwise expressly permitted hereunder,

(x) other than in connection with a merger, amalgamation, liquidation, dissolution or sale of such Person expressly permitted by the terms hereof or the other Loan Documents, release any Borrower or any Guarantor from any obligation for the payment of money or consent to the assignment or transfer by any Borrower or any Guarantor of any of its rights or duties under this Agreement or the other Loan Documents,

(xi) amend, modify, or eliminate any of the provisions of Section 2.4(b)(i), 2.4(b)(ii), 2.4(b)(iii), 2.4(f) or 15.12(b),

(xii) amend, modify, or eliminate any of the provisions of Section 13.1 with respect to assignments to, or participations with, Persons who are Loan Parties, Affiliates of Loan Parties, Sponsor, or Affiliates of Sponsor, or

(xiii) at any time that any Real Property is included in the Collateral, increase or extend any Commitment hereunder (other than pursuant to an Increase Amendment so long as such Real Property was Collateral immediately prior to the Increase effected pursuant to such amendment) until the completion of flood due diligence, documentation and coverage as required by the Flood Laws or as otherwise satisfactory to all such affected Lenders.

(b) No amendment, waiver, modification, or consent shall amend, modify, waive, or eliminate,

(i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and Borrowers (and shall not require the written consent of any of the Lenders), or

(ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders.

(c) No amendment, waiver, modification, elimination, or consent shall, without the written consent of Agent, Borrowers and the Supermajority Lenders:

(i) (x) increase the percentages set forth in the definition "Borrowing Base" or add any new classes of eligible assets thereto or (y) otherwise amend, modify, or eliminate the definition of "Borrowing Base" or any of the defined terms (including any of the defined terms for any of the Eligible Assets) that are used in such definition to the extent that any such change results in more credit being made available to Borrowers based upon the Borrowing Base, but not otherwise, or

(ii) amend, modify, or eliminate this Section 14.1(c).

(d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Bank, or any other rights or duties of Issuing Bank under this Agreement or the other Loan Documents, without the written consent of Issuing Bank, Agent, Borrowers, and the Required Lenders.

(e) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrowers, and the Required Lenders.

(f) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of Parent or any Borrower, shall not require consent by or the agreement of any Loan Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender.

(g) Anything in this Section 14.1 to the contrary notwithstanding, if following the Closing Date, Agent and Borrowers shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then Agent and the Loan Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

14.2 Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, (ii) any Lender makes a claim for compensation under Section 16 or (iii) any Lender becomes a Defaulting Lender, then Borrowers or Agent, upon at least five Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a “Non-Consenting Lender”), any Lender that made a claim for compensation (a “Tax Lender”) or any Defaulting Lender, in each case, with one or more Replacement Lenders, and the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due in payable in respect thereof, and (ii) an assumption of its Pro Rata Share of participations in the Letters of Credit). If the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or on behalf of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one

or more Replacement Lenders shall have acquired all of the Obligations, the Revolver Commitments, and the other rights and obligations of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall remain obligated to make the Non-Consenting Lender's, Tax Lender's or Defaulting Lender's, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of participations in such Letters of Credit.

14.3 No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Parent and Borrowers of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1 Appointment and Authorization of Agent. Each Lender hereby designates and appoints Wells Fargo as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (c) make Revolving Loans, for

itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

15.2 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 Liability of Agent. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries.

15.4 Reliance by Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5 Notice of Default or Event of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have

received written notice from a Lender or Borrowers referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a “notice of default.” Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 Credit Decision. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent’s or its Affiliates’ or representatives’ possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7 Costs and Expenses; Indemnification. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by

Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence, willful misconduct or bad faith nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8 Agent in Individual Capacity. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though Wells Fargo were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

15.9 Successor Agent. Agent may resign as Agent upon 30 days (ten days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrowers (unless such notice is waived by Borrowers) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as Issuing Bank or the Swing Lender, such resignation shall also operate to effectuate its resignation as Issuing Bank or the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrowers, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such

event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term “Agent” shall mean such successor Agent and the retiring Agent’s appointment, powers, and duties as Agent shall be terminated. After any retiring Agent’s resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent’s notice of resignation, the retiring Agent’s resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10 Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11 Collateral Matters.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release (or, in the case of clause (v), release or subordinate), and Agent agrees to release (or subordinate as applicable), any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrowers certify to Agent that the sale or disposition thereof is permitted under Section 6.4 or the other Loan Documents (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which Parent or its Subsidiaries did not own any interest at the time Agent’s Lien was granted nor at any time thereafter, (iv) constituting property leased or licensed to Parent or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, (v) constituting assets or property subject, or to become subject to, a Lien permitted by clause (e), (f), (r) or (t) of the definition of “Permitted Lien”, (vi) in connection with a credit bid or purchase authorized under this Section 15.11, or (vii) having a value of less than \$5,000,000 in the aggregate during any calendar year. If Agent releases any Lien pursuant to the foregoing sentence on any motor vehicles (including Fleet Assets), then Agent shall request certificates of title with respect to such motor vehicles from the Custodian in possession of such certificates of title and, upon receipt of such certificates of title, Agent will promptly deliver such certificates of title to the Administrative Borrower. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (a) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, or

any Canadian Insolvency Law, as applicable, (b) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Section 9-610 or 9-620 of the Code or the PPSA or CCQ, as applicable, or (c) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Borrowers at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that (1) anything to the contrary contained in any of the Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrowers in respect of) any and all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Each Lender further hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to irrevocably authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness. Notwithstanding the provisions of this Section 15.11, Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) (i) to verify or assure that the Collateral exists or is owned by Parent or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria

applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise expressly provided herein.

15.12 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, enforcement, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13 Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code, the PPSA or the STA, as applicable, can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14 Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent.

Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15 Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16 Certain Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, (i) a copy of each field examination report respecting Parent or its Subsidiaries, and (ii) a copy of each appraisal of the Collateral obtained by Agent (each, a “Report”) prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any field examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent’s and its Subsidiaries’ books and records, as well as on representations of Borrowers’ personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender’s participation in, or the indemnifying Lender’s purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(f) In addition to the foregoing, (i) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or its Subsidiaries to Agent that has not been contemporaneously provided by Parent or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (ii) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender’s notice to Agent, whereupon Agent promptly shall

request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (iii) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17 Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Revolver Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Revolver Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18 Agent acting as Hypothecary Representative. Without limiting the powers of the Agent under this Agreement and the Canadian Guarantee and Security Agreement, for the purposes of holding any hypothec granted by any Canadian Loan Party pursuant to the laws of the Province of Quebec, each Canadian Loan Party and Lender hereby irrevocably appoints and authorizes the Agent and, to the extent necessary, ratifies the appointment and authorization of the Agent, to act as the hypothecary representative of the Canadian Loan Parties and the Lenders as contemplated under Article 2692 of the CCQ, and to enter into, to take and to hold on its behalf, and for its benefit, any such hypothec, and to exercise the powers and duties that are conferred upon the Agent under any hypothec. The Agent shall (a) have the sole and exclusive right and authority to exercise, except as otherwise specifically restricted by this Agreement, all rights and remedies given to the Agent pursuant to any such hypothec, applicable law or otherwise, (b) benefit from and be subject to all provisions of this Agreement with respect to the Agent mutatis mutandis in its capacity as hypothecary representative, including all such provisions with respect to the liability or responsibility to and indemnification by the Canadian Loan Parties and the Lenders, and (c) be entitled to delegate from time to time any of its powers or duties under any hypothec on such terms and conditions as it may determine from time to time. Any Person who becomes a Lender will, by its execution of an Assignment and Acceptance, be deemed to have consented to and confirmed the Agent as the Person acting as hypothecary representative holding those hypothecs and to have ratified, as of the date it becomes a Lender, all actions taken by the Agent in that capacity. The appointment of a successor Agent pursuant to this Agreement also constitutes the appointment of a successor hypothecary representative under this Section. Notwithstanding anything in this Agreement to the contrary, this Section 15.18 is governed by the laws of the Province of Quebec and the federal laws of Canada applicable in Quebec.

15.19 Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and Documentation Agents. Each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall not have any right, power, obligation, liability, responsibility, or duty under this Agreement other than those applicable to it in its capacity as a Lender, as Agent, as Swing Lender, or as Issuing Bank, as applicable. Without limiting the foregoing, each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall not

have or be deemed to have any fiduciary relationship with any Lender or any Loan Party. Each Lender, Agent, Swing Lender, Issuing Bank, and each Loan Party acknowledges that it has not relied, and will not rely, on the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any) in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall be entitled to resign solely in such capacities by giving notice to Agent and Borrowers.

16. WITHHOLDING TAXES.

16.1 Payments. All payments made by or on account of any obligation of a Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, except as required by law, and in the event any deduction or withholding of Taxes is required by applicable law, Borrowers shall comply with the next sentence of this Section 16.1. If any Taxes are required to be so withheld or deducted, Borrowers shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then, Borrowers agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts to the extent that the increase in such amount payable results from Agent's or such Lender's own willful misconduct, gross negligence or bad faith (as finally determined by a court of competent jurisdiction). If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Administrative Borrower, then Borrowers may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax. Borrowers will furnish to Agent as promptly as practicable after the date the payment of any Indemnified Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by Borrowers or other documentation reasonably acceptable to Agent. Borrowers agree to pay, or at the option of Agent timely reimburse it for the payment of, any Other Taxes. Borrowers shall indemnify Agent, Issuing Bank or any Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Person or required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Administrative Borrower by a Lender (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

16.2 Exemptions.

(a) Each Lender or Participant agrees with and in favor of Agent and Borrowers, to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation) one of the following (in each case originally signed) before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers or Agent):

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrowers (within the meaning of Section 871(h)(3)(B) of the IRC),

or (III) a controlled foreign corporation related to Borrowers within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, Form W-8BEN-E or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or Form W-8BEN-E;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender or Participant, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is not the beneficial owner of payments made under any Loan Document, (A) a properly completed and executed copy of IRS Form W-8IMY (with proper attachments), and (B) the relevant forms described in clauses (i), (ii), (iii) and (v) of this Section 16.2 that would be required of each such beneficial owner, if such beneficial owner were a Lender or Participant; or

(v) if such Lender or Participant is a U.S. Person (as defined in Section 7701(a)(30) of the IRC) a properly completed and executed copy of IRS Form W-9 certifying that such Lender or Participant is exempt from U.S. federal backup withholding tax.

(b) Each Lender or Participant shall on or prior to the date on which it becomes a Lender or Participant hereunder provide the above forms (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower) and shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and will promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) In the case of a Lender or Participant that would be subject to Tax imposed by FATCA on payments made under this Agreement or any other Loan Document if such Lender or Participant fails to comply with the applicable reporting requirements of FATCA, such Lender or Participant shall provide such documentation prescribed by applicable law and such additional documentation reasonably requested by Borrowers or Agent (which, in the case of a Participant, shall be provided to the Lender granting the participation) as may be necessary for Borrowers or Agent to comply with its obligations under FATCA and to determine that such Lender or Participant has complied with such Lender's or such Participant's obligations under FATCA or to determine the amount to deduct and withhold from any such payments. Solely for purposes of this Section 16.2(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) If a Lender or Participant is entitled to an exemption from or reduction in withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Agent and Administrative Borrower (which, in the case of a Participant, shall be provided to the Lender granting the participation) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower), but only if such Lender or such Participant is legally able to deliver such forms. In addition, any Lender or Participant, if reasonably requested by Agent or Administrative Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or Agent as will enable the Loan

Parties or Agent to determine whether or not such Lender or Participant is subject to backup withholding or information reporting obligations. Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction. Notwithstanding anything to the contrary in the preceding three sentences, nothing in this Section 16.2(d) shall require a Lender or Participant to disclose any information that it reasonably deems to be confidential (including its tax returns) or any documentation or information that, in the Lender's or Participant's reasonable judgment, the completion, execution or submission of which would subject such Lender or Participant to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or Participant.

(e) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent and Administrative Borrower (or, in the case of a Participant, the Lender granting the participation) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent and Borrowers will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(a), 16.2(c) or 16.2(d) as no longer valid. With respect to such percentage amount, such Participant or Assignee shall provide new documentation, pursuant to Section 16.2(a), 16.2(c) or 16.2(d), if applicable. Upon the reasonable request of Agent, a Lender shall also provide to Agent documentation provided to such Lender by a Participant pursuant to Section 16.2(a) or 16.2(c). Borrowers agree that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Revolver Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto and provided that a Participant shall not be entitled to any additional amounts pursuant to this Section 16 in excess of the amount to which Lender granting the participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

16.3 Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent), then Agent (and, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, the Lender granting the participation or Agent) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation or Agent) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (and, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (and, in the case of a Participant, the Lender granting the participation or Agent), as tax or otherwise,

including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent only) under this Section 16, together with all costs and expenses (including attorneys fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4 Refunds. If Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes paid by the Borrowers pursuant to this Section 16, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses (including Taxes) of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agree to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct, gross negligence or bad faith of Agent hereunder) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to Borrowers or any other Person.

16.5 Survival. Each party's obligations under this Section 16 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

17. GENERAL PROVISIONS.

17.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by Parent, each Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Parent or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 Bank Product Providers. Each Bank Product Provider in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits

of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrowers may obtain Bank Products from any Bank Product Provider, although Borrowers are not required to do so. Each Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6 Debtor-Creditor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein. Each Borrower and each other Loan Party and its Subsidiaries acknowledges that its business and financial relationships with the Lenders are unique from its relationship with any other of its creditors. Each Borrower and each other Loan Party and its Subsidiaries agrees that it shall not file any plan of arrangement under the CCAA or proposal under the BIA which provides for, or would permit, directly or indirectly, the Lenders to be classified with any other creditors of such Borrower and each other Loan Party and its Subsidiaries for purposes of such CCAA plan of arrangement, BIA proposal or otherwise.

17.7 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity,

enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

17.8 Revival and Reinstatement of Obligations; Certain Waivers. If any member of the Lender Group or any Bank Product Provider repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of Collateral) previously paid or transferred to such member of the Lender Group or such Bank Product Provider in full or partial satisfaction of any Obligation or on account of any other obligation of any Loan Party under any Loan Document or any Bank Product Agreement, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code or any Canadian Insolvency Law relating to fraudulent transfers, preferences, transfers at undervalue or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group or Bank Product Provider elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group or Bank Product Provider elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys fees of such member of the Lender Group or Bank Product Provider related thereto, (i) the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist, and (ii) Agent's Liens securing such liability shall be effective, revived, and remain in full force and effect, in each case, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) Agent's Liens shall have been released or terminated, or (B) any provision of this Agreement shall have been terminated or cancelled, Agent's Liens, or such provision of this Agreement, shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligation of any Loan Party in respect of such liability or any Collateral securing such liability.

17.9 Confidentiality.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided, that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation, and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process,

provided, that (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process, and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 17.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 17.9 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, (i) Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services, and (ii) Agent may disclose information concerning the terms and conditions of this Agreement, with the prior written consent of the Sponsor (such consent not to be unreasonably withheld, delayed, or conditioned) in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of any Borrower or the other Loan Parties and the Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent. No Lender may make any such announcement without the prior written consent of Agent and Sponsor (such consent of Agent and Sponsor to be given or withheld in Agent's and Sponsor's, as applicable, sole and absolute discretion).

(c) The Loan Parties hereby acknowledge that Agent or its Affiliates may make available to the Lenders materials or information provided by or on behalf of Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks, SyndTrak or another similar electronic system (the "Platform"). The Platform is provided "as is" and "as available". Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. The Loan Parties hereby acknowledge that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Loan

Parties or their securities). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked “PUBLIC” or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor” (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as “Public Investor” (or such other similar term).

17.10 Survival. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Bank, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or been terminated.

17.11 Patriot Act, Due Diligence. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, to the extent any of Agent or any Lender is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners, including (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties, (b) OFAC/PEP searches and customary individual background checks for the Loan Parties’ senior management and key principals and (c) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the legal and beneficial owners of the Loan Parties. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.13 Administrative Borrower as Agent for Borrowers. Each Borrower hereby irrevocably appoints Administrative Borrower, as the borrowing agent and attorney-in-fact for all Borrowers which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (a) to provide Agent with all notices with respect to Revolving Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this

Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from members of the Lender Group (and any notice or instruction provided by any member of the Lender Group to Administrative Borrower in accordance with the terms hereof shall be deemed to have been given to each Borrower), and (c) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Revolving Loans and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that Lender Group shall not incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Lender Group to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify each member of the Lender Group and hold each member of the Lender Group harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender Group by any Borrower or by any third party whosoever, arising from or incurred by reason of (i) the handling of the Loan Account and Collateral of Borrowers as herein provided, or (ii) the Lender Group's relying on any instructions of Administrative Borrower, except that Borrowers will have no liability to the relevant Agent-Related Person or Lender-Related Person under this Section 17.13 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of such Agent-Related Person or Lender-Related Person, as the case may be.

17.14 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

17.15 Canadian Anti-Terrorism Laws.

(a) Each Loan Party acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and “know your client” laws, Agent and Lenders may be required to obtain, verify and record information regarding each Loan Party, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of such Loan Party, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by Agent or any Lender, or any prospective assignee or participant of Agent or a Lender, in order to comply with any such laws, whether now or hereafter in existence.

(b) If Agent has ascertained the identity of any Loan Party or any authorized signatories of any Loan Party for the purposes of the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and “know your client” laws, then Agent:

(i) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a “written agreement” in such regard between each Lender and Agent within the meaning of such laws; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of any Loan Party or any authorized signatories of any Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

17.16 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be the Spot Rate on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable law).

This Promissory Note (this “Note”) is issued pursuant to that certain Credit Agreement, dated as of April 16, 2019 (as amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”; all capitalized terms used herein, unless otherwise specifically defined in this Note, shall have the meanings ascribed to them in the Credit Agreement), by and among **PROJECT KENWOOD INTERMEDIATE HOLDINGS III, LLC**, a Delaware limited liability company (“Parent”), **PROJECT KENWOOD ACQUISITION, LLC**, a Delaware limited liability company (“Administrative Borrower”), the other borrowers party thereto (together with Administrative Borrower, are referred to hereinafter each individually as a “Borrower”, and individually and collectively, jointly and severally, as the “Borrowers”), the lenders party thereto as “Lenders” (each of such Lenders, together with its successors and assigns, is referred to hereinafter as a “Lender”), and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association, as administrative agent for each member of the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, “Agent”), and is entitled to all of the benefits and security of the Credit Agreement. All of the terms, covenants and conditions of the Credit Agreement and the other Loan Documents (as such term is defined by the Credit Agreement) are hereby made a part of this Note and are deemed incorporated herein in full. FORM OF SOLVENCY CERTIFICATE

[See Attached]

Solvency Certificate

Date: [_____]

This Solvency Certificate is being executed and delivered on the date hereof after giving effect to the Acquisition and other Transactions pursuant to clause (I) of Schedule 3.1 to that certain Credit Agreement dated as of the date hereof by and among Project Kenwood Intermediate Holdings III, LLC, a Delaware limited liability company (the "Company"), Project Kenwood Acquisition, LLC, a Delaware limited liability company, the other Borrowers listed on the signature pages thereto, the lenders from time to time party thereto, and Wells Fargo Bank, National Association, as Agent (the "Credit Agreement"); the terms defined therein being used herein as therein defined.

I, the undersigned, the authorized officer of the Company, in that capacity only and not in my individual capacity (and without personal liability), do hereby certify as of the date hereof, that I am duly authorized to execute this Solvency Certificate on behalf of the Company pursuant to the Credit Agreement, and based upon facts and circumstances as they exist as of the date hereof (and disclaiming any responsibility for changes in such fact and circumstances after the date hereof), that:

1. For purposes of this certificate, the terms below shall have the following definitions:

- (a) "Fair Value"

The amount at which the assets (both tangible and intangible), in their entirety, of the Company and its Subsidiaries taken as a whole would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

- (b) "Present Fair Salable Value"

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets (both tangible and intangible) of the Company and its Subsidiaries taken as a whole are sold on a going concern basis with reasonable promptness in an arm's-length transaction under present conditions for the sale of comparable business enterprises insofar as such conditions can be reasonably evaluated.

- (c) "Stated Liabilities"

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of the Company and its Subsidiaries taken as a whole, as of the date hereof after giving effect to the consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof), determined in accordance with GAAP consistently applied.

- (d) "Identified Contingent Liabilities"

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities of the Company and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof) (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of

their nature and estimated magnitude by responsible officers of the Company (irrespective of whether such contingent liabilities meet the criteria for accrual under Statement of Financial Accounting Standard No. 5).

(e) “Will be able to pay their Stated Liabilities and Identified Contingent Liabilities as they mature”

The Company and its Subsidiaries taken as a whole will have sufficient assets and cash flow to pay their respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or (in the case of Identified Contingent Liabilities) otherwise become payable, in light of business conducted or anticipated to be conducted by the Company and its Subsidiaries as reflected in the projected financial statements and in light of the anticipated credit capacity.

(f) “Do not have Unreasonably Small Capital”

The Company and its Subsidiaries taken as a whole after consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof) is a going concern and has sufficient capital to reasonably ensure that it will continue to be a going concern for such period. I understand that “unreasonably small capital” depends upon the nature of the particular business or businesses conducted or to be conducted, and I have reached my conclusion based on the needs and anticipated needs for capital of the business conducted or anticipated to be conducted by the Company and its Subsidiaries as reflected in the projected financial statements and in light of the anticipated credit capacity.

2. For purposes of this certificate, I, or officers of the Company under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

(a) I have reviewed the financial statements (including the pro forma financial statements) referred to in clause (q) of Schedule 3.1 to the Credit Agreement.

(b) I have knowledge of and have reviewed to my satisfaction the Credit Agreement.

(c) As the senior financial officer of the Company, I am familiar with the financial condition of the Company and its Subsidiaries, and I have made such other investigations and inquiries as I have deemed appropriate.

3. Based on and subject to the foregoing, I hereby certify on behalf of the Company that after giving effect to the consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof), it is my opinion that (i) the Fair Value of the assets of the Company and its Subsidiaries taken as a whole exceed their Stated Liabilities and Identified Contingent Liabilities, (ii) the Present Fair Salable Value of the assets of the Company and its Subsidiaries taken as a whole exceeds the amount that will be required to pay the probable liability of their Stated Liabilities and Identified Contingent Liabilities; (iii) the Company and its Subsidiaries taken as a whole are not engaged in, and are not about to engage in, business for which they have Unreasonably Small Capital; (iv) the Company and its Subsidiaries taken as a whole will be able to pay their Stated Liabilities and Identified Contingent Liabilities as they mature; and (v) the Company and each of its Subsidiaries are not an “insolvent person” as such term is defined in the BIA.

* * *

IN WITNESS WHEREOF, the Company has caused this certificate to be executed on its behalf by the authorized officer as of the date first written above.

EXHIBIT Q-2

FORM OF BENEFICIAL OWNERSHIP CERTIFICATE

[See Attached]

Certification of Beneficial Owners

What is this form?

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed and signed by an authorized person¹ who may open a new account or relationship on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth, and social security number (or in the case of non-U.S. persons, a passport number or other similar government identification number) for each beneficial owner listed on this form:

Beneficial owners are:

- i. Each individual, if any, who owns, directly or indirectly, **25 percent or more** of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- ii. An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section B, depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section B, you must provide the identifying information of one individual under section C. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the president of a company who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section C), and up to five individuals (i.e., one individual under section C and four 25 percent equity holders under section B).

Wells Fargo may also ask to see a copy of a driver's license or other government-issued identification or document for each beneficial owner listed on this form.

¹ An authorized person is defined as a natural person with control or authority on the account.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

I. GENERAL INSTRUCTIONS

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any other similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, date of birth, address, and Social Security number (or passport number or other similar information, in the case of foreign persons) for the following individuals (i.e., the **beneficial owners**):

- (i) Under the Ownership Prong, each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) Under the Control Prong, a single individual (natural person) with significant responsibility to control, manage or direct a legal entity customer, including an executive officer or senior manager or any other individual who regularly performs similar functions. (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.

NOTE: The following legal entity customers are only subject to the Control Prong of the beneficial ownership requirement, either because ownership interests tend to fluctuate or because they do not exist:

- A Pooled Investment Vehicle that is operated or advised by a financial institution that is **not** an Excluded Legal Entity (such as non-U.S. managed mutual funds, hedge funds and private equity funds); and
- Any legal entity that is established as a nonprofit corporation or similar entity (including a charitable, nonprofit, not-for-profit, nonstock, public benefit or similar corporation) and has filed its organizational documents with the appropriate State authority as necessary.

2. Guarantee.

(a) In recognition and in consideration of the direct and indirect benefits to be received by Guarantors from the proceeds of the Revolving Loans, the issuance of the Letters of Credit, and the entering into of the Bank Product Agreements and by virtue of the financial accommodations to be made to Borrowers, each of the Guarantors, jointly and severally, hereby unconditionally and irrevocably guarantees as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration, or otherwise, of all of the Guaranteed Obligations. If any or all of the Obligations constituting Guaranteed Obligations becomes due and payable, each of the Guarantors, unconditionally and irrevocably, and without the need for demand, protest, or any other notice or formality, promises to pay such indebtedness to Agent, for the benefit of the Secured Parties, together with any and all expenses (including Lender Group Expenses) that may be incurred by any Secured Party in demanding, enforcing, or collecting any of the Guaranteed Obligations (including the enforcement of any collateral for such Guaranteed Obligations or any collateral for the obligations of the Guarantors under this Guarantee). If claim is ever made upon any Secured Party for repayment or recovery of any amount or amounts received in payment of or on account of any or all of the Guaranteed Obligations and any Secured Party repays all or part of said amount by reason of (i) any judgment, decree, or order of any court or administrative body having jurisdiction over such payee or any of its property, or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Borrower or any Guarantor), then and in each such event, each of the Guarantors agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Guarantors, notwithstanding any revocation (or purported revocation) of this Guarantee or other instrument evidencing any liability of any Grantor, and the Guarantors shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

(b) Additionally, each of the Guarantors unconditionally and irrevocably guarantees the payment of any and all of the Guaranteed Obligations to Agent, for the benefit of the Secured Parties, whether or not due or payable by any Loan Party upon the occurrence of any Event of Default specified in Section 8.4 or 8.5 of the Credit Agreement, and irrevocably and unconditionally promises to pay such indebtedness to Agent, for the benefit of the Secured Parties, without the requirement of demand, protest, or any other notice or other formality, in lawful money of the United States.

(c) The liability of each of the Guarantors hereunder is primary, absolute, and unconditional, and is independent of any security for or other guarantee of the Guaranteed Obligations, whether executed by any other Guarantor or by any other Person, and the liability of each of the Guarantors hereunder shall not be affected or impaired by (i) any payment on, or in reduction of, any such other guarantee or undertaking, (ii) any dissolution, termination, or increase, decrease, or change in personnel by any Grantor, (iii) any payment made to any Secured Party on account of the Obligations which such Secured Party repays to any Grantor pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding (or any settlement or compromise of any claim made in such a proceeding relating to such payment), and each of the Guarantors waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (iv) any action or inaction by any Secured Party, or (v) any invalidity, irregularity, avoidability, or unenforceability of all or any part of the Obligations or of any security therefor.

(d) This Guarantee includes all present and future Guaranteed Obligations including any under transactions continuing, compromising, extending, increasing, modifying, releasing, or renewing the Guaranteed Obligations, changing the interest rate, payment terms, or other terms and conditions thereof, or creating new or additional Guaranteed Obligations after prior Guaranteed Obligations have been satisfied in whole or in part. To the maximum extent permitted by law, each Guarantor hereby waives any right to revoke this Guarantee as to future Guaranteed Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Guarantor acknowledges and agrees that (i) no such revocation shall be effective until written notice thereof has been received by Agent, (ii) no such revocation shall apply to any Guaranteed Obligations in existence on the date of receipt by Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms, or other terms and conditions thereof), (iii) no such revocation shall apply to any Guaranteed Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of any Secured Party in existence on the date of such revocation, (iv) no payment by any Guarantor, any Borrower, or from any other source, prior to the date of Agent's receipt of written notice of such revocation shall reduce the maximum obligation of such Guarantor hereunder, and (v) any payment by any Borrower or from any source other than such Guarantor subsequent to the date of such revocation shall first be applied to that portion of the Guaranteed Obligations as to which the revocation is effective and which are not, therefore, guaranteed hereunder, and to the extent so applied shall not reduce the maximum obligation of such Guarantor hereunder. This Guarantee shall be binding upon each Guarantor, its successors and assigns and inure to the benefit of and be enforceable by Agent (for the benefit of the Secured Parties) and its successors, transferees, or assigns.

(e) The guarantee by each of the Guarantors hereunder is a guarantee of payment and not of collection. The obligations of each of the Guarantors hereunder are independent of the obligations of any other Guarantor or Grantor or any other Person and a separate action or actions may be brought and prosecuted against one or more of the Guarantors whether or not action is brought against any other Guarantor or Grantor or any other Person and whether or not any other Guarantor or Grantor or any other Person be joined in any such action or actions. Each of the Guarantors waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement hereof.

(f) Each of the Guarantors authorizes the Secured Parties without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(i) change the manner, place, or terms of payment of, or change or extend the time of payment of, renew, increase, accelerate, or alter: (A) any of the Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), or (B) any security therefor or any liability incurred directly or indirectly in respect thereof, and this Guarantee shall apply to the Obligations as so changed, extended, renewed, or altered;

(ii) take and hold security for the payment of the Obligations and, while an Event of Default has occurred and is continuing, subject to any notice requirements in the Loan Documents, sell, exchange, release, impair, surrender, realize upon, collect, settle, or otherwise deal with in any manner and in any order any property at any time pledged or mortgaged to secure the Obligations or any of the Guaranteed Obligations (including any of the obligations of all or any of the Guarantors under this Guarantee) incurred directly or indirectly in respect thereof or hereof, or any offset on account thereof;

(iii) exercise or refrain from exercising any rights against any Grantor;

(iv) release or substitute any one or more endorsers, guarantors, any Grantor, or other obligors;

(v) settle or compromise any of the Obligations, any security therefor, or any liability (including any of those of any of the Guarantors under this Guarantee) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Grantor to its creditors;

(vi) apply any sums by whomever paid or however realized to any liability or liabilities of any Grantor to any Secured Party regardless of what liability or liabilities of such Grantor remain unpaid;

(vii) consent to or waive any breach of, or any act, omission, or default under, this Agreement, any other Loan Document, any Bank Product Agreement, or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify, or supplement this Agreement, any other Loan Document, any Bank Product Agreement, or any of such other instruments or agreements; or

(viii) take any other action that could, under otherwise applicable principles of law, give rise to a legal or equitable discharge of one or more of the Guarantors from all or part of its liabilities under this Guarantee.

(g) It is not necessary for any Secured Party to inquire into the capacity or powers of any of the Guarantors or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

(h) Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation, or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The obligations of each Guarantor under this Guarantee are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any other Guarantor or whether any other Guarantor is joined in any such action or actions. The liability of each Guarantor under this Guarantee shall be absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defense it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(ii) any change in the time, manner, or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including any increase in the Guaranteed Obligations resulting from the extension of additional credit;

(iii) any taking, exchange, release, or non-perfection of any Lien in and to any Collateral, or any taking, release, amendment, waiver of, or consent to departure from any other guarantee, for all or any of the Guaranteed Obligations;

(iv) the existence of any claim, set-off, defense, or other right that any Guarantor may have at any time against any Person, including any Secured Party;

(v) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor;

(vi) any right or defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any Grantor or any other guarantors or sureties;

(vii) any change, restructuring, amalgamation or termination of the corporate, limited liability company, or partnership structure or existence of any Grantor; or

(viii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor or any other guarantor or surety.

(i) To the fullest extent not prohibited by applicable law:

(i) Each of the Guarantors waives any right (except as shall be required by applicable statute and cannot be waived) to require any Secured Party to (i) proceed against any other Grantor or any other Person, (ii) proceed against or exhaust any security held from any other Grantor or any other Person, or (iii) protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Grantor, any other Person, or any collateral, or (iv) pursue any other remedy in any Secured Party's power whatsoever. Each of the Guarantors waives any defense based on or arising out of any defense of any Grantor or any other Person, other than payment of the Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Grantor or any other Person, or the validity, legality, or unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Grantor other than payment of the Obligations to the extent of such payment. Agent may, at the election of the Required Lenders, foreclose or otherwise realize upon any Collateral held by Agent by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy any Secured Party may have against any Grantor or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Guarantors hereunder except to the extent the Guaranteed Obligations have been paid.

(ii) Each of the Guarantors waives all presentments, demands for performance, protests and notices, including notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guarantee, and notices of the existence, creation, or incurring of new or additional Obligations or other financial accommodations. Each of the Guarantors waives notice of any Default or Event of Default under any of the Loan Documents. Each of the Guarantors assumes all responsibility for being and keeping itself informed of each Grantor's financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope, and extent of the risks which each of the Guarantors assumes and incurs hereunder, and agrees that no Secured Party shall have any duty to advise any of the Guarantors of information known to them regarding such circumstances or risks.

(iii) Each Guarantor hereby waives: (A) any right to assert against any Secured Party, any defense (legal or equitable), set-off, counterclaim, or claim which each Guarantor may now or at any time hereafter have against any Borrower or any other party liable to any Secured Party (other than payment in full of the Guaranteed Obligations), (B) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency,

validity, or enforceability of the Guaranteed Obligations or any security therefor, (C) any right or defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any Borrower or other guarantors or sureties, and (D) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement thereof, and any act (including any payment by such Guarantor) which shall defer or delay the operation of any statute of limitations applicable to the Guaranteed Obligations shall similarly operate to defer or delay the operation of such statute of limitations applicable to such Guarantor's liability hereunder

(d) Letter-of-Credit Rights. If the Grantors (or any of them) are or become the beneficiary of letters of credit having a face amount of \$1,500,000 or more in the aggregate for all letters of credit, then the applicable Grantor or Grantors shall promptly (and in any event within ten Business Days (or such longer period as may be determined by Agent in its sole discretion) after becoming a beneficiary), notify Agent thereof and, promptly (and in any event within five Business Days (or such longer period as

may be determined by Agent in its sole discretion)) after request by Agent, enter into a tri-party agreement with Agent and the issuer or confirming bank with respect to letter-of-credit rights assigning such letter-of-credit rights to Agent and directing all payments thereunder to Agent's Account, all in form and substance reasonably satisfactory to Agent.

(e) Government Contracts. Upon the occurrence and during the continuance of an Event of Default, if any Account or Chattel Paper arises out of a contract or contracts with Canada or a Province of Canada or any department, agency, or instrumentality thereof, the value of which exceeds \$1,500,000 in the aggregate, Grantors shall promptly (and in any event within ten Business Days of the creation thereof) notify Agent thereof and, promptly (and in any event within ten Business Days (or such longer period as may be agreed to by Agent in its sole discretion)) after request by Agent, execute any instruments or take any steps reasonably required by Agent in order that all moneys due or to become due under such contract or contracts shall be assigned to Agent, for the benefit of the Secured Parties, and shall provide written notice thereof under the *Financial Administration Act* (Canada) or other applicable law.

(f) Intellectual Property.

(i) Upon the written request of Agent, in order to facilitate filings with the Canadian Intellectual Property Office, each Grantor shall execute and deliver to Agent one or more Canadian Intellectual Property Security Agreements to further evidence Agent's Lien on such Grantor's Patents, Trademarks, Designs or Copyrights registered with the Canadian Intellectual Property Office, and the General Intangibles of such Grantor relating thereto or represented thereby, in each case, that constitutes Collateral;

(ii) Each Grantor shall have the duty, with respect to Intellectual Property that is necessary in or material to the conduct of such Grantor's business, to protect and diligently enforce and defend at such Grantor's expense its Intellectual Property, in each case, to the extent consistent with good business judgment as reasonably determined by such Grantor, including, (A) to diligently enforce and defend, including suing for infringement, misappropriation, or dilution and to recover any and all damages for such infringement, misappropriation, or dilution, and filing for opposition, interference, and cancellation against conflicting Intellectual Property rights of any Person, (B) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, (C) to prosecute diligently any patent application that is part of the Patents pending as of the date hereof or hereafter until the termination of this Agreement, and (D) to take all reasonable and necessary action to preserve and maintain all of such Grantor's Trademarks, Patents, Designs, Copyrights, Intellectual Property Licenses, and its rights therein, including paying all maintenance fees and filing of applications for renewal, affidavits of use, and affidavits of noncontestability. Each Grantor shall have the duty, with respect to Intellectual Property that is necessary in or material to the conduct of such Grantor's business, to require all employees, consultants, and contractors of each Grantor who were involved in the creation or development of such Intellectual Property to sign agreements containing assignment of Intellectual Property rights and obligations of confidentiality. Each Grantor further agrees not to abandon any Intellectual Property or Intellectual Property License (other than Permitted Dispositions or in connection with any transaction permitted under Section 6.3 of the Credit Agreement) that is necessary in or material to the conduct of such Grantor's business. Each Grantor hereby agrees to take the steps described in this Section 9(e)(ii) with respect to all new or acquired Intellectual Property to which it or any of its Subsidiaries is now or later becomes entitled that is necessary in or material to the conduct of such Grantor's business;

(iii) Grantors acknowledge and agree that the Lender Group shall have no duties with respect to any Intellectual Property or Intellectual Property Licenses of any Grantor. Without limiting the generality of this Section 9(e)(iii), Grantors acknowledge and agree that no member of the

Lender Group shall be under any obligation to take any steps necessary to preserve rights in the Collateral consisting of Intellectual Property or Intellectual Property Licenses against any other Person, but Agent may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all out-of-pocket expenses incurred in connection therewith (including reasonable out-of-pocket fees and expenses of legal counsel and other professionals) shall be for the sole account of Borrowers and shall be chargeable to the Loan Account in accordance with the terms of the Credit Agreement; and

(iv) On each date on which a Compliance Certificate is required to be delivered pursuant to Section 5.1 of the Credit Agreement (or, if an Event of Default has occurred and is continuing, more frequently if requested by Agent), each Grantor shall provide Agent with a written report of all new Patents, Trademarks or Copyrights that are registered or the subject of pending applications for registrations with the Canadian Intellectual Property Office, and of all Canadian Intellectual Property Licenses that are material to the conduct of such Grantor's business, in each case, which were acquired, registered, or for which applications for registration were filed by any Grantor during the prior period and any statement of use or amendment to allege use with respect to intent to use trademark applications. In the case of Intellectual Property registrations or applications therefor, which were acquired by any Grantor, each such Grantor shall file the necessary documents with the appropriate Governmental Authority identifying the applicable Grantor as the owner (or as a co-owner thereof, if such is the case) of such Intellectual Property. In each of the foregoing cases, the applicable Grantor shall promptly cause to be prepared, executed, and delivered to Agent supplemental schedules to the applicable Loan Documents to identify such Patent, Trademark and Copyright registrations and the applications therefor (with the exception of Trademark applications filed on an intent to use basis for which no statement of use or amendment to allege use has been filed) and Canadian Intellectual Property Licenses as being subject to the security interests created thereunder.

(g) Investment Property.

(i) If any Grantor shall acquire, obtain, receive or become entitled to receive any Pledged Interests after the Closing Date, it shall promptly (and in any event within ten Business Days (or such longer period as may be agreed to by Agent in its sole discretion) of acquiring or obtaining such Collateral) deliver to Agent a duly executed Pledged Interests Addendum identifying such Pledged Interests;

(ii) Upon the occurrence and during the continuance of an Event of Default, following the written request of Agent, all sums of money and property paid or distributed in respect of the Investment Property that are received by any Grantor shall be held by the Grantors in trust for the benefit of Agent segregated from such Grantor's other property, and such Grantor shall deliver it forthwith to Agent in the exact form received;

(iii) Without the prior written consent of Agent, no Grantor shall make or consent to any amendment or other modification or waiver with respect to any Pledged Interests, or Pledged Partnership Agreement, or enter into any agreement or permit to exist any restriction with respect to any Pledged Interests, in each case, if the same is prohibited pursuant to the Loan Documents;

(iv) Each Grantor agrees that it will cooperate with Agent in obtaining all necessary approvals and making all necessary filings requested by Agent in its Permitted Discretion under federal, provincial, territorial, local, or foreign law to effect the perfection of the Security Interest on the Investment Property and, if an Event of Default has occurred and is continuing, to effect any sale or transfer thereof; and

(v) As to all partnership interests constituting Pledged Interests and issued under any Pledged Partnership Agreement, each Grantor hereby covenants that the Pledged Interests issued pursuant to such agreement (A) are not and shall not be dealt in or traded on securities exchanges or in securities markets, (B) do not and will not constitute investment company securities, and (C) are not and will not be held by such Grantor in a securities account. In addition, none of the Pledged Partnership Agreements, or any other agreements governing any of the Pledged Interests issued under any Pledged Partnership Agreement, provide or shall provide that such Pledged Interests are securities governed by the STA; provided, that Pledged Partnership Agreements, or any other agreements governing any of the Pledged Interests issued under any Pledged Partnership Agreement may provide that such Pledged Interests are securities governed by the STA so long as the applicable Grantor provides Agent with (1) prior written notice thereof, and (2) if such securities are certificated, delivery of such certificates, or if such securities are not certificated, a Control Agreement with respect to such securities.

(h) [Reserved].

(i) Transfers and Other Liens. Grantors shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Collateral, except for Permitted Dispositions, Permitted Liens and other transactions expressly permitted under the Credit Agreement, or (ii) create or permit to exist any Lien upon or with respect to any of the Collateral of any Grantor, except for Permitted Liens. The inclusion of Proceeds in the Collateral shall not be deemed to constitute Agent's consent to any sale or other disposition of any of the Collateral except as expressly permitted by this Agreement or the other Loan Documents.

(j) Controlled Accounts; Controlled Investments.

(i) Each Grantor shall (A) establish and maintain cash management services of a type and on terms reasonably satisfactory to Agent at one or more of the banks set forth on Schedule 4 (each a "Controlled Account Bank"), and shall take reasonable steps to ensure that all of its Account Debtors forward payment of the amounts owed by them directly to such Controlled Account Bank, and (B) deposit or cause to be deposited promptly, and in any event no later than the second Business Day after the date of receipt thereof, all of their Collections (including those sent directly by their account debtors to a Grantor) into a bank account of such Grantor (any such account that is not an Excluded Account, a "Controlled Account") at one of the Controlled Account Banks;

(ii) Each Grantor shall, no later than 120 days after the Closing Date (or such later date as Agent may agree to in its sole discretion), establish and maintain Controlled Account Agreements with Agent and the applicable Controlled Account Bank with respect to Controlled Accounts maintained at such bank, in form and substance reasonably acceptable to Agent. Each such Controlled Account Agreement shall provide, among other things, that (A) the Controlled Account Bank will comply with any instructions originated by Agent directing the disposition of the funds in such Controlled Account without further consent by the applicable Grantor and (B) upon the instruction of Agent (an "Activation Instruction"), the Controlled Account Bank will forward by daily sweep all amounts in the applicable Controlled Account to the Agent's Account. Agent agrees not to issue an Activation Instruction with respect to the Controlled Accounts unless a Liquidity Period has commenced and is continuing at the time such Activation Instruction is issued. Agent agrees to promptly issue to the applicable Controlled Account Bank a notice of Agent's rescission of an Activation Instruction and to otherwise use commercially reasonable efforts to rescind an Activation Instruction (the "Rescission") if a Liquidity Period no longer exists;

(iii) So long as no Default or Event of Default has occurred and is continuing, Borrowers may amend Schedule 3 or 4 to add or replace an account bank or bank account and shall upon

such addition or replacement provide to Agent an amended Schedule 3 or 4, as applicable; provided, however, that prior to the time of the opening of such Controlled Account (or when required under Section 5.12 in the case of a Controlled Account of a newly formed or acquired Subsidiary), the applicable Grantor and any prospective Controlled Account Bank shall have executed and delivered to Agent a Controlled Account Agreement; and

(iv) Other than amounts on deposit in Excluded Accounts, no Grantor will, and no Grantor will permit its Subsidiaries to, make, acquire, or permit to exist Permitted Investments consisting of cash, Cash Equivalents, or amounts credited to Deposit Accounts or Securities Accounts unless Grantor or its Subsidiary, as applicable, and the applicable bank or securities intermediary have entered into Control Agreements with Agent governing such Permitted Investments in order to perfect (and further establish) Agent's Liens in such Permitted Investments within the timeframe provided in Section 5.16 of the Credit Agreement.

(k) Name, Etc. No Grantor will, nor will any Grantor permit any of its Subsidiaries to, change its name, jurisdiction of organization or organizational identity (other than pursuant to a transaction permitted under Section 6.3 of the Credit Agreement); provided, that any Grantor or any of its Subsidiaries may change its name upon at least ten days prior written notice to Agent of such change (or such shorter period as Agent may agree to in its sole discretion).

(l) Fleet Assets. With respect to any Fleet Asset of any Grantor, each such Grantor shall comply with the Fleet Asset Perfection Requirements.

10. Relation to Other Security Documents. The provisions of this Agreement shall be read and construed with the other Loan Documents referred to below in the manner so indicated.

(a) Credit Agreement. In the event of any conflict between any provision in this Agreement and a provision in the Credit Agreement, such provision of the Credit Agreement shall control.

(b) Canadian Intellectual Property Security Agreements. The provisions of the Canadian Intellectual Property Security Agreements are supplemental to the provisions of this Agreement, and nothing contained in the Canadian Intellectual Property Security Agreements shall limited any of the rights or remedies of the Agent hereunder. In the event of any conflict between any provision in this Agreement and a provision in a Canadian Intellectual Property Security Agreement, such provision of this Agreement shall control.

11. Further Assurances.

(a) Each Grantor agrees that from time to time, at its own expense, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that Agent may reasonably request, in order to perfect and protect the Security Interest granted hereby, to create, perfect or protect the Security Interest purported to be granted hereby or to enable Agent to exercise and enforce its rights and remedies hereunder with respect to any of the Collateral.

(b) Each Grantor authorizes the filing by Agent of financing or continuation statements, or amendments thereto, and such Grantor will execute and deliver to Agent such other instruments or notices, as Agent may reasonably request, in order to perfect and preserve the Security Interest granted or purported to be granted hereby.

(c) Each Grantor authorizes Agent at any time and from time to time to file, transmit, or communicate, as applicable, financing statements or financing change statements and amendments (i)

describing the Collateral as “all personal property of debtor” or “all assets of debtor” or words of similar effect, (ii) describing the Collateral as being of equal or lesser scope or with greater detail, or (iii) that contain any information required by the PPSA for the sufficiency or filing office acceptance of such financing statement, financing change statement or amendment, as the case may be. Each Grantor also hereby ratifies any and all financing statements, financing change statements or amendments previously filed by Agent in any jurisdiction.

(d) Each Grantor acknowledges that it is not authorized to file any financing statement, financing change statement or amendment or termination statement with respect to any financing statement or financing change statement filed to perfect Agent’s Lien in connection with this Agreement without the prior written consent of Agent.

12. Agent’s Right to Perform Contracts, Exercise Rights, etc. Upon the occurrence and during the continuance of an Event of Default, Agent (or its designee) (a) may proceed to perform any and all of the obligations of any Grantor contained in any contract, lease, or other agreement and exercise any and all rights of any Grantor therein contained as fully as such Grantor itself could, (b) shall have the right to use any Grantor’s rights under Intellectual Property Licenses in connection with the enforcement of Agent’s rights hereunder, including the right to prepare for sale and sell any and all Inventory and Equipment now or hereafter owned by any Grantor and now or hereafter covered by such licenses (but only to the extent (i) such license, sublicense, or agreement does not prohibit (and if such prohibition exists, is enforceable under the PPSA and applicable law) such use by Agent, and (ii) such Grantor will not be in default under such license, sublicense, or other agreement as a result of such use by Agent), and (c) shall have the right to request that any Equity Interests that are pledged hereunder be registered in the name of Agent or any of its nominees.

13. Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints Agent and any Receiver appointed by court or Agent as provided herein its attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, at such time as an Event of Default has occurred and is continuing under the Credit Agreement, to take any action and to execute any instrument which Agent may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Accounts or any other Collateral of such Grantor;

(b) to receive and open all mail addressed to such Grantor and to notify postal authorities to change the address for the delivery of mail to such Grantor to that of Agent (other than with respect to mail from legal counsel for any Grantor or any of its Affiliates);

(c) to receive, indorse, and collect any drafts or other instruments, documents, Negotiable Collateral or Chattel Paper;

(d) to file any claims or take any action or institute any proceedings which Agent may deem necessary or advisable for the collection of any of the Collateral of such Grantor or otherwise to enforce the rights of Agent with respect to any of the Collateral;

(e) to repair, alter, or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to such Grantor in respect of any Account of such Grantor;

(f) to use any Intellectual Property or Intellectual Property Licenses of such Grantor, including but not limited to any labels, Patents, Trademarks, trade names, URLs, domain names, Designs, Copyrights, or advertising matter, in preparing for sale, advertising for sale, or selling Inventory or other Collateral (but only to the extent (i) such license, sublicense, or agreement does not prohibit (and if such prohibition exists, is enforceable under the PPSA and applicable law) such use by Agent, and (ii) such Grantor will not be in default under such license, sublicense, or other agreement as a result of such use by Agent) and to collect any amounts due under Accounts, contracts or Negotiable Collateral of such Grantor; and

(g) without the obligation to do so, to bring suit in its own name to enforce the Intellectual Property and Intellectual Property Licenses and, if Agent shall commence any such suit, the appropriate Grantor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Agent in aid of such enforcement.

To the extent permitted by law, each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated.

14. Agent May Perform. If any Grantor fails to perform any agreement contained herein, Agent may itself, upon prior written notice to Administrative Borrower (to the extent it is reasonably practicable for Agent to provide such notice), perform, or cause performance of, such agreement, and the reasonable out-of-pocket expenses of Agent incurred in connection therewith shall be payable, jointly and severally, by Grantors in accordance with the terms of the Credit Agreement.

15. Agent's Duties. The powers conferred on Agent hereunder are solely to protect Agent's interest in the Collateral, for the benefit of the Secured Parties, and shall not impose any duty upon Agent to exercise any such powers. Except for the safe custody of any Collateral in its actual possession and the accounting for moneys actually received by it hereunder, Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its actual possession if such Collateral is accorded treatment substantially equal to that which Agent accords its own property.

16. Collection of Accounts, Intangibles and Negotiable Collateral. At any time upon the occurrence and during the continuance of an Event of Default, Agent or Agent's designee may (a) notify Account Debtors of any Grantor that the Accounts, Intangibles, Chattel Paper or Negotiable Collateral of such Grantor have been assigned to Agent, for the benefit of the Secured Parties, or that Agent has a security interest therein, and (b) collect the Accounts, Intangibles and Negotiable Collateral of any Grantor directly, and any out-of-pocket collection costs and expenses shall constitute part of such Grantor's Secured Obligations under the Loan Documents.

17. Disposition of Pledged Interests by Agent. Except for any Pledged Interests consisting of Securities Entitlements, none of the Pledged Interests existing as of the date of this Agreement are, and none of the Pledged Interests hereafter acquired on the date of acquisition thereof will be, registered or qualified under the various applicable federal, provincial, state, territorial or foreign securities laws and regulations and disposition thereof after an Event of Default has occurred and is continuing may be restricted to one or more private (instead of public) sales in view of the lack of such registration. Each Grantor understands that in connection with such disposition, Agent may approach only a restricted number of potential purchasers and further understands that a sale under such circumstances may yield a lower price for the Pledged Interests than if the Pledged Interests were registered and qualified pursuant to applicable federal, provincial, state, territorial or foreign securities laws and regulations and sold on the open market.

Each Grantor, therefore, agrees that: (a) if Agent shall, pursuant to the terms of this Agreement, sell or cause the Pledged Interests or any portion thereof to be sold at a private sale, Agent shall have the right to rely upon the advice and opinion of any nationally recognized brokerage or investment firm (but shall not be obligated to seek such advice and the failure to do so shall not be considered in determining the commercial reasonableness of such action) as to the best manner in which to offer the Pledged Interest or any portion thereof for sale and as to the best price reasonably obtainable at the private sale thereof, and (b) such reliance shall be conclusive evidence that Agent has handled the disposition in a commercially reasonable manner.

18. Voting and Other Rights in Respect of Pledged Interests.

(a) Upon the occurrence and during the continuation of an Event of Default (unless such Event of Default is an Event of Default specified in Section 8.4 or 8.5 of the Credit Agreement, in which case no such notice need be given), (i) Agent may, at its option, and with 3 Business Days' prior notice to any Grantor, and in addition to all rights and remedies available to Agent under any other agreement, at law, in equity, or otherwise, exercise all voting rights, or any other ownership or consensual rights (including any dividend or distribution rights) in respect of the Pledged Interests owned by such Grantor, but under no circumstances is Agent obligated by the terms of this Agreement to exercise such rights, and (ii) if Agent duly exercises its right to vote any of such Pledged Interests, each Grantor hereby appoints Agent, such Grantor's true and lawful attorney-in-fact and IRREVOCABLE PROXY to vote such Pledged Interests in any manner Agent deems advisable for or against all matters submitted or which may be submitted to a vote of shareholders, partners or members, as the case may be. The power-of-attorney and proxy granted hereby is coupled with an interest and shall be irrevocable.

(b) For so long as any Grantor shall have the right to vote the Pledged Interests owned by it, such Grantor covenants and agrees that, except in connection with a Permitted Disposition, a Permitted Lien, or any transfer permitted under Section 6.3 of the Credit Agreement, it will not, without the prior written consent of Agent, vote or take any consensual action with respect to such Pledged Interests which would materially adversely affect the rights of Agent, the other Secured Parties, or the value of the Pledged Interests.

(c) Each Grantor, in its capacities as a "Managing Partner" of each of its Subsidiaries (as applicable), hereby irrevocably:

(i) waives, to the extent not prohibited by applicable law, any and all provisions of any partnership agreement of each Subsidiary of such Grantor (as applicable) that (A) prohibit, restrict, condition or otherwise affect the grant hereunder of any Lien on any of the Pledged Interests (or any enforcement action which may be taken in respect of any such Lien, including, without limitation, any foreclosure upon, substitution of, or subsequent disposition of such Equity Interest by Agent or any other Secured Party) or (B) otherwise conflict with the terms of this Agreement; and

(ii) agrees that, notwithstanding anything to the contrary contained in any partnership agreement of each Subsidiary of such Grantor (as applicable), (A) such Grantor's pledge of its ownership interest in its Subsidiaries, including all economic rights, control rights and status rights as a "Managing Partner", pursuant to this Agreement to Agent, for the benefit of each Secured Party, and any transfer of such ownership interest in its Subsidiaries and such rights pursuant to the Agent's exercise of remedies in connection with such pledge shall be permitted under any such partnership or management agreement, limited liability company agreement, and operating agreement of each Subsidiary of such Grantor (as applicable) with no further action or approval required by Grantor, (B) Agent shall have the right, as set forth in and subject to the terms and conditions of this Agreement and the other Loan Documents (including the notice required under Section 16(a)), and without further approval of any Grantor and without

becoming a “Managing Partner” under any such partnership agreement of each Subsidiary of such Grantor (as applicable), to exercise the membership or partnership voting rights of the Grantor thereunder, and (C) following the transfer of all membership interests of a Subsidiary of such Grantor to the Agent or the transferee or designee of the Agent in accordance with the terms and conditions of this Agreement and the other Loan Documents, such pledging Grantor, at the election of the Agent or the transferee or designee of the Agent, as the case may be, shall cease to be a “Managing Partner”, as applicable, and shall have no further rights or powers under the partnership agreement of the applicable Subsidiary of such Grantor.

In furtherance of the foregoing, each Grantor hereby agrees that, by its signature below, this Agreement shall constitute the consent and approval of such Grantor under each such partnership agreement of each Subsidiary of such Grantor to each of the transactions contemplated hereby (including, without limitation, any foreclosure upon or subsequent disposition of such Equity Interest by Agent or any other Secured Party), to the extent any such consent or approval is required thereunder for all purposes.

19. Remedies. Upon the occurrence and during the continuance of an Event of Default:

(a) Agent may, and, at the instruction of the Required Lenders, shall exercise in respect of the Collateral, in addition to other rights and remedies provided for herein, in the other Loan Documents, or otherwise available to it, all the rights and remedies of a secured party on default under the PPSA or any other applicable law. Without limiting the generality of the foregoing, each Grantor expressly agrees that, in any such event, Agent without demand of performance or other demand, advertisement or notice of any kind (except a notice specified below of time and place of public or private sale) to or upon any Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the PPSA or any other applicable law), may (subject to any notice required by applicable law) take immediate possession of all or any portion of the Collateral and (i) require Grantors to, and each Grantor hereby agrees that it will at its own expense and upon request of Agent forthwith, assemble all or part of the Collateral as directed by Agent and make it available to Agent at one or more locations where such Grantor regularly maintains Inventory, and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Agent’s offices or elsewhere, for cash, on credit, and upon such other terms as Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notification of sale shall be required by law, at least ten days notification by mail to the applicable Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification and specifically such notification. Agent shall not be obligated to make any sale of Collateral regardless of any notification of sale having been given. Agent may adjourn any public sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that the internet shall constitute a “place” for purposes of Section 63(2) of the PPSA. Each Grantor agrees that any sale of Collateral to a licensor pursuant to the terms of a license agreement between such licensor and a Grantor is sufficient to constitute a commercially reasonable sale (including as to method, terms, manner, and time) within the meaning of Section 63(2) of the PPSA.

(b) Agent may, and at the instruction of the Required Lenders, shall appoint or reappoint by instrument in writing, any Person or Persons, whether an officer or officers or an employee or employees of Agent or not, to be an interim receiver, receiver or receivers (hereinafter called a “Receiver”, which term when used herein shall include a receiver and manager) of Collateral (including any interest, income or profits therefrom), or may institute proceedings in any court of competent jurisdiction for the appointment of such Receiver, and may remove any Receiver so appointed and appoint another in his/her/its stead. The Agent may from time to time fix the Receiver's remuneration and the Grantors shall pay the amount of such remuneration to the Agent. The Agent may appoint one or more Receivers and appoint another or others in his/her/its stead from time to time. A court need not appoint, ratify the appointment by

Agent, or otherwise supervise the manner of the actions, of any Receiver. Any such Receiver shall, so far as concerns responsibility for his/her/its acts, be deemed the agent of the applicable Grantor and not Agent or any of the Secured Parties, and neither Agent nor any Secured Party shall be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver or his/her/its servants, agents or employees. Subject to the provisions of the instrument appointing him/her/it and the provisions of applicable law, any such Receiver shall have power to take possession of Collateral, to preserve Collateral or its value, to carry on or concur in carrying on all or any part of the business of the applicable Grantor and to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of Collateral. To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others, including the applicable Grantor, enter upon, use and occupy all premises owned or occupied by the applicable Grantor wherein Collateral may be situate, maintain Collateral upon such premises, borrow money on a secured or unsecured basis and use Collateral directly in carrying on the applicable Grantor's business or as security for loans or advances to enable the Receiver to carry on the applicable Grantor's business or otherwise, as such Receiver shall, in its discretion, determine. Except as may be otherwise directed by Agent, all money received from time to time by such Receiver in carrying out his/her/its appointment shall be received in trust for and be paid over to Agent. Every such Receiver may, in the discretion of Agent, be vested with all or any of the rights and powers of Agent. Agent may, either directly or through its agents or nominees, exercise any or all of the powers and rights given to a Receiver by virtue of this Section 19(b).

(c) Agent is hereby granted a license or other right to use, without liability for royalties or any other charge, each Grantor's Intellectual Property, including but not limited to, any labels, Patents, Trademarks, trade names, URLs, domain names, Designs, Copyrights, and advertising matter, whether owned by any Grantor or with respect to which any Grantor has rights under license, sublicense, or other agreements (including any Intellectual Property License) (but only to the extent (i) such license, sublicense, or agreement does not prohibit (and if such prohibition exists, is enforceable under the PPSA and applicable law) such use by Agent, and (ii) such Grantor will not be in default under such license, sublicense, or other agreement as a result of such use by Agent), as it pertains to the Collateral, in preparing for sale, advertising for sale and selling any Collateral, and each Grantor's rights under all licenses and all franchise agreements shall inure to the benefit of Agent.

(d) Agent may, in addition to other rights and remedies provided for herein, in the other Loan Documents, or otherwise available to it under applicable law and without the requirement of notice to or upon any Grantor or any other Person (which notice is hereby expressly waived to the maximum extent permitted by the PPSA or any other applicable law), (i) with respect to any Grantor's Deposit Accounts for which a Control Agreement has been executed, instruct the bank maintaining such Deposit Account for the applicable Grantor to pay the balance of such Deposit Account to or for the benefit of Agent, and (ii) with respect to any Grantor's Securities Accounts in which Agent's Liens are perfected by control under the PPSA, instruct the securities intermediary maintaining such Securities Account for the applicable Grantor to (A) transfer any cash in such Securities Account to or for the benefit of Agent, or (B) liquidate any financial assets in such Securities Account that are customarily sold on a recognized market and transfer the cash proceeds thereof to or for the benefit of Agent.

(e) Any cash held by Agent as Collateral and all cash proceeds received by Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied against the Secured Obligations in the order set forth in the Credit Agreement. In the event the proceeds of Collateral are insufficient to satisfy all of the Secured Obligations in full, each Grantor shall remain jointly and severally liable for any such deficiency.

(f) Each Grantor hereby acknowledges that the Secured Obligations arise out of a commercial transaction, and agrees that if an Event of Default shall occur and be continuing Agent shall

have the right to an immediate writ of possession without notice of a hearing. Agent shall have the right to the appointment of a receiver for the properties and assets of each Grantor, and each Grantor hereby consents to such rights and such appointment and hereby waives any objection such Grantor may have thereto or the right to have a bond or other security posted by Agent.

20. Remedies Cumulative. Each right, power, and remedy of Agent or any other Secured Party as provided for in this Agreement, the other Loan Documents or any Bank Product Agreement now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Agreement, the other Loan Documents and the Bank Product Agreements or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by Agent or any other Secured Party, of any one or more of such rights, powers, or remedies shall not preclude the simultaneous or later exercise by Agent or such other Secured Party of any or all such other rights, powers, or remedies.

21. Marshaling. Agent shall not be required to marshal any present or future collateral security (including but not limited to the Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, each Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Agent's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

22. Expenses. Grantors, jointly and severally, shall, to the extent required under the Credit Agreement, upon written demand, pay to Agent (or Agent, may charge to the Loan Account) all the Lender Group Expenses which Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or, upon an Event of Default, the sale of, collection from, or other realization upon, any of the Collateral in accordance with this Agreement and the other Loan Documents, (iii) the exercise or enforcement of any of the rights of Agent hereunder or (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

23. Merger, Amendments; Etc. THIS AGREEMENT, TOGETHER WITH THE OTHER LOAN DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES. No waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No amendment of any provision of this Agreement shall be effective unless the same shall be in writing and signed by Agent and each Grantor to which such amendment applies.

24. Addresses for Notices. All notices and other communications provided for hereunder shall be given in the form and manner and delivered to Agent at its address specified in the Credit Agreement, and to any of the Grantors at Parent's and Borrowers' notice address specified in the Credit Agreement, or, as to any party, at such other address as shall be designated by such party in a written notice to the other party.

25. Continuing Security Interest: Assignments under Credit Agreement.

(a) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Obligations have been paid in full in accordance with the provisions of the Credit Agreement and the Revolver Commitments have expired or have been terminated, (ii) be binding upon each Grantor, and their respective successors and assigns, and (iii) inure to the benefit of, and be enforceable by, Agent, and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (iii), any Lender may, in accordance with the provisions of the Credit Agreement, assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise. Upon payment in full of the Secured Obligations in accordance with the provisions of the Credit Agreement and the expiration or termination of the Revolver Commitments, the Guarantee made and the Security Interest granted hereby shall terminate and all rights to the Collateral shall revert to Grantors or any other Person entitled thereto. At such time, upon any Grantor's request, Agent will authorize the filing of appropriate termination statements to terminate such Security Interest and will execute and deliver to any Grantor all documents, and take such other action, that any Grantor shall reasonably request to evidence such termination and release. No transfer or renewal, extension, assignment, or termination of this Agreement or of the Credit Agreement, any other Loan Document, or any other instrument or document executed and delivered by any Grantor to Agent nor any additional Revolving Loans or other loans made by any Lender to Borrowers, nor the taking of further security, nor the retaking or re-delivery of the Collateral to Grantors, or any of them, by Agent, nor any other act of any Secured Party, or any of them, shall release any Grantor from any obligation, except a release or discharge executed in writing by Agent in accordance with the provisions of the Credit Agreement. Agent shall not by any act, delay, omission or otherwise, be deemed to have waived any of its rights or remedies hereunder, unless such waiver is in writing and signed by Agent and then only to the extent therein set forth. A waiver by Agent of any right or remedy on any occasion shall not be construed as a bar to the exercise of any such right or remedy which Agent would otherwise have had on any other occasion.

(b) Each Grantor and each Guarantor agrees that, if any payment made by any Grantor, Guarantor, or other Person and applied to the Secured Obligations is at any time annulled, avoided, set, aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of any Collateral are required to be returned by any Secured Party to such Guarantor or Grantor, or its estate, trustee, receiver or any other party, including any Grantor, under any bankruptcy law, including the *Bankruptcy and Insolvency Act* (Canada) or the *Companies' Creditors Arrangement Act* (Canada), state, provincial, territorial or federal law, common law or equitable cause (each a "Voidable Transfer"), or because such Secured Party elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such Secured Party elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable and documented costs, expenses and legal counsel fees of such Secured Party related thereto, (i) the liability of the Loan Parties with respect to such amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist, and (ii) any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) any Lien or other Collateral securing any Grantor's liability hereunder shall have been released or terminated by virtue of the foregoing clause (a), or (B) any provision of the Guarantee hereunder shall have been terminated, cancelled or surrendered, such Lien, other Collateral or provision shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Grantor in respect of any Lien or other Collateral securing such obligation or the amount of such payment.

(c) Upon consummation of a Permitted Disposition of Collateral by a Grantor to any Person (other than another Grantor) or upon the consummation of any Permitted Disposition or other transaction permitted pursuant to Section 6.3 or 6.4 of the Credit Agreement whereby any existing Grantor shall cease to be a Subsidiary of Parent, Agent shall promptly execute and deliver, upon the Administrative Borrower's written request therefor and so long as such release is authorized under Section 15.11(a) of the Credit Agreement, such releases or other evidence of termination of the Security Interest in such Collateral or, as applicable, the release of any such Grantor from its obligations (including its guarantee furnished under this Agreement), in each case, as reasonably requested by Administrative Borrower.

26. Survival. All representations and warranties made by the Grantors in this Agreement and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Lender, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any loan or any fee or any other amount payable under the Credit Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Revolver Commitments have not expired or terminated.

27. CHOICE OF LAW AND VENUE; JURY TRIAL WAIVER; JUDICIAL REFERENCE PROVISION.

(a) THE VALIDITY OF THIS AGREEMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO, AND ANY CLAIMS, CONTROVERSIES OR DISPUTES ARISING HEREUNDER OR RELATED HERETO SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN.

(b) THE PARTIES AGREE THAT ALL ACTIONS OR PROCEEDINGS ARISING IN CONNECTION WITH THIS AGREEMENT MAY BE TRIED AND LITIGATED IN THE COURTS LOCATED IN THE CITY OF TORONTO, THE PROVINCE OF ONTARIO; PROVIDED, THAT ANY SUIT SEEKING ENFORCEMENT AGAINST ANY COLLATERAL OR OTHER PROPERTY MAY BE BROUGHT, AT AGENT'S OPTION, IN THE COURTS OF ANY JURISDICTION WHERE AGENT ELECTS TO BRING SUCH ACTION OR WHERE SUCH COLLATERAL OR OTHER PROPERTY MAY BE FOUND.

(c) TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EACH GRANTOR AND AGENT HEREBY WAIVE THEIR RESPECTIVE RIGHTS, IF ANY, TO A JURY TRIAL OF ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION DIRECTLY OR INDIRECTLY BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS (EACH A "CLAIM"). EACH GRANTOR AND AGENT REPRESENT THAT EACH HAS REVIEWED THIS WAIVER AND EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(d) EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS LOCATED IN THE CITY OF TORONTO, PROVINCE OF ONTARIO, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT AGENT MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST ANY GRANTOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(e) NO CLAIM MAY BE MADE BY ANY GRANTOR AGAINST AGENT, THE SWING LENDER, ANY OTHER LENDER, ISSUING LENDER, OR THE UNDERLYING ISSUER, OR ANY AFFILIATE, DIRECTOR, OFFICER, EMPLOYEE, COUNSEL, REPRESENTATIVE, AGENT, OR ATTORNEY-IN-FACT OF ANY OF THEM FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR PUNITIVE DAMAGES IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, OR ANY ACT, OMISSION, OR EVENT OCCURRING IN CONNECTION HERewith, AND EACH GRANTOR HEREBY WAIVES, RELEASES, AND AGREES NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOR.

28. New Subsidiaries. Pursuant to Section 5.12 of the Credit Agreement, certain Subsidiaries (whether by acquisition or creation) of any Grantor are required to enter into this Agreement by executing and delivering in favor of Agent a Joinder to this Agreement in substantially the form of Annex 1. Upon the execution and delivery of Annex 1 by any such new Subsidiary, such Subsidiary shall become a Guarantor and a Grantor, in each case, hereunder with the same force and effect as if originally named as a Guarantor and Grantor, as applicable, herein. The execution and delivery of any instrument adding an additional Guarantor or Grantor as a party to this Agreement shall not require the consent of any Guarantor or Grantor hereunder. The rights and obligations of each Guarantor and Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor or Grantor hereunder.

29. Agent. Each reference herein to any right granted to, benefit conferred upon or power exercisable by the "Agent" shall be a reference to Agent, for the benefit of each Secured Party.

30. Composite Agreement. This Agreement is a composite security agreement covering Collateral located in various provinces and territories of Canada and in other jurisdictions and, as to any Collateral located in a particular jurisdiction, this Agreement shall be a separate security agreement enforceable against each Grantor without regard to the application of this Agreement to Collateral located in other jurisdictions. All provisions of this Agreement shall apply separately to the Collateral located in each separate jurisdictions with the same effect as if a separate security agreement with respect to that Collateral had been executed and delivered by the applicable Grantor.

31. Miscellaneous.

(a) This Agreement is a Loan Document. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed

counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

(b) Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

(c) Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

(d) Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against any member of the Lender Group or any Grantor, whether under any rule of construction or otherwise. This Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

32. [Reserved].

33. ULC Limitation. Notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other document or agreement among all or some of the parties hereto, each Grantor is as of the date of this Agreement the sole registered and beneficial owner of all Pledged ULC Shares (if any) more particularly described in Schedule 1 to this Agreement and will remain so until such time as such Pledged ULC Shares are fully and effectively transferred into the name of Agent or any other person on the books and records of such ULC. Nothing in this Agreement, the Credit Agreement or any other document or agreement delivered among all or some of the parties hereto is intended to or shall constitute Agent or any person other than a Grantor to be a member or shareholder of any ULC until such time as written notice is given to the applicable Grantor and all further steps are taken so as to register Agent or other person as holder of the Pledged ULC Shares. The granting of the pledge and security interest pursuant to Section 3 does not make Agent a successor to any Grantor as a member or shareholder of any ULC, and neither Agent nor any of its respective successors or assigns hereunder shall be deemed to become a member or shareholder of any ULC by accepting this Agreement or exercising any right granted herein unless and until such time, if any, when Agent or any successor or assign expressly becomes a registered member or shareholder of any ULC. Each Grantor shall be entitled to receive and retain for its own account any dividends or other distributions if any, in respect of the Collateral, and shall have the right to vote such Pledged ULC Shares and to control the direction, management and policies of the ULC issuing such Pledged ULC Shares to the same extent as such Grantor would if such Pledged ULC Shares were not pledged to Agent or to any other person pursuant hereto. To the extent any provision hereof would have the effect of constituting Agent to be a member or shareholder of any ULC prior to such time, such provision shall be severed herefrom and ineffective with respect to the relevant Pledged ULC Shares without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral other than Pledged ULC Shares. Notwithstanding anything herein to the contrary (except to the extent, if any, that Agent or any of its successors or assigns hereafter expressly becomes a registered member or shareholder of any ULC), neither Agent nor any of its respective successors or assigns shall be deemed to have assumed or otherwise become liable for any debts or obligations of any ULC. Except upon the exercise by Agent or other persons of

rights to sell or otherwise dispose of Pledged ULC Shares or other remedies following the occurrence and during the continuance of an Event of Default, each Grantor shall not cause or permit, or enable any ULC in which it holds Pledged ULC Shares to cause or permit, Agent to: (a) be registered as member or shareholder of such ULC; (b) have any notation entered in its favour in the share register of such ULC; (c) be held out as member or shareholder of such ULC; (d) receive, directly or indirectly, any dividends, property or other distributions from such ULC by reason of Agent or other person holding a security interest in the Pledged ULC Shares; or (e) act as a member or shareholder of such ULC, or exercise any rights of a member or shareholder of such ULC, including the right to attend a meeting of such ULC or vote the shares of such ULC.

34. Amalgamation. Each Grantor acknowledges and agrees that, in the event it amalgamates with any other corporation or corporations, it is the intention of the parties hereto that the terms “Grantor” and “Grantors”, when used herein, shall apply to each of the amalgamating corporations and to the amalgamated corporation, such that the security interest granted hereby:

(a) shall extend to “Collateral” (as that term is herein defined) owned by each of the amalgamating corporations and the amalgamated corporation at the time of amalgamation and to any “Collateral” thereafter owned or acquired by the amalgamated corporation, and

(b) shall secure all “Secured Obligations” (as that term is herein defined) of each of the amalgamating corporations and the amalgamated corporation to Agent and Secured Parties at the time of amalgamation and all “Secured Obligations” of the amalgamated corporation to Agent and Secured Parties thereafter arising. The security interest shall attach to all “Collateral” owned by each corporation amalgamating with any Grantor, and by the amalgamated company, at the time of the amalgamation, and shall attach to all “Collateral” thereafter owned or acquired by the amalgamated corporation when such becomes owned or is acquired.

35. Limitation Periods. To the extent that any limitation period applies to any claim for payment of the Secured Obligations or remedy for enforcement of the Secured Obligations, each Grantor and each Guarantor agrees that:

(a) any limitation period is expressly excluded and waived entirely if permitted by applicable law;

(b) if a complete exclusion and waiver of any limitation period is not permitted by applicable law, any limitation period is extended to the maximum length permitted by applicable law;

(c) any applicable limitation period shall not begin before an express demand for payment of the Secured Obligations is made in writing by the Agent to the applicable Grantor or Guarantor;

(d) any applicable limitation period shall begin afresh upon any payment or other acknowledgment of the Secured Obligations by the applicable Grantor or Guarantor; and

(e) this agreement is a “business agreement” as defined in the *Limitations Act, 2002* (Ontario).

36. Financing Statements. Each Grantor and Guarantor acknowledges receipt of an executed copy of this agreement and waives all rights to receive from the Agent a copy of any financing statement, financing change statement or verification statement filed or issue, as the case may be, at any time in respect of this agreement or any amendments to this agreement.

WHEREAS, initially capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Canadian Guarantee and Security Agreement or, if not defined therein, in the Credit Agreement, and this Joinder shall be subject to the rules of construction set forth in Section 1(b) of the Canadian Guarantee and Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*; and

WHEREAS, Grantors have entered into the Canadian Guarantee and Security Agreement in order to induce the Secured Parties to make certain financial accommodations to Borrowers as provided for in the Credit Agreement, the other Loan Documents, and the Bank Product Agreements; and

WHEREAS, pursuant to Section 5.12 of the Credit Agreement and Section 28 of the Canadian Guarantee and Security Agreement, certain Subsidiaries of the Loan Parties, must execute and deliver certain Loan Documents, including the Guarantor and Security Agreement, and the joinder to the Canadian Guarantee and Security Agreement by the undersigned new Grantor or Grantors (collectively, the “New Grantors”) may be accomplished by the execution of this Joinder in favor of Agent, for the benefit of the Secured Parties; and

NOW, THEREFORE, for and in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each New Grantor hereby agrees as follows:

1. In accordance with Section 28 of the Canadian Guarantee and Security Agreement, each New Grantor, by its signature below, becomes a “Grantor” and “Guarantor” under the Canadian Guarantee and Security Agreement with the same force and effect as if originally named therein as a “Grantor” and “Guarantor” and each New Grantor hereby (a) agrees to all of the terms and provisions of the Canadian Guarantee and Security Agreement applicable to it as a “Grantor” or “Guarantor” thereunder and (b) represents and warrants that the representations and warranties made by it as a “Grantor” or “Guarantor” thereunder are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that are already qualified or modified by materiality in the text thereof) on and as of the date hereof; provided, that to the extent any representations and warranties refer solely to an earlier date (including without limitation the Closing Date), such representations and warranties shall be deemed instead to refer to the date hereof. In furtherance of the foregoing, each New Grantor hereby (a) jointly and severally unconditionally and irrevocably guarantees as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration, or otherwise, of all of the Guaranteed Obligations, and (b) unconditionally grants, assigns, and pledges to Agent, for the benefit of the Secured Parties, to secure the Secured Obligations, a continuing security interest in and to all of such New Grantor’s right, title and interest in and to the Collateral. Each reference to a “Grantor” or “Guarantor” in the Canadian Guarantee and Security Agreement shall be deemed to include each New Grantor. The Canadian Guarantee and Security Agreement is incorporated herein by reference.

2. Schedule 1, “Pledged Companies”, Schedule 2, Name; Chief Executive Office, Registered Office and Head Office; Corporation Numbers, Locations of Tangible Assets, Schedule 3, “Deposit Accounts and Securities Accounts”, Schedule 4, “Controlled Account Banks”, Schedule 5, “Copyrights”, Schedule 6 “Intellectual Property Licenses”, Schedule 7 “Patents”, Schedule 8 “Trademarks”, Schedule 9 “List of PPSA Filing Jurisdictions”, and Schedule 10, “Motor Vehicles and VINs”, attached hereto supplement Schedule 1, Schedule 2, Schedule 3, Schedule 4, Schedule 5, Schedule 6, Schedule 7, Schedule 8, Schedule 9 and Schedule 10 respectively, to the Canadian Guarantee and Security Agreement and shall be deemed a part thereof for all purposes of the Canadian Guarantee and Security Agreement.

3. Each New Grantor authorizes Agent at any time and from time to time to file, transmit, or communicate, as applicable, financing statements, financing change statements and amendments thereto (i) describing the Collateral as “all personal property of debtor” or “all assets of debtor” or words of similar effect, (ii) describing the Collateral as being of equal or lesser scope or with greater detail, or (iii) that contain any information required by the PPSA for the sufficiency or filing office acceptance. Each New Grantor also hereby ratifies any and all financing statements, financing change statements or amendments previously filed by Agent in any jurisdiction in connection with the Loan Documents.

4. Each New Grantor represents and warrants to Agent and each other Secured Party that this Joinder has been duly executed and delivered by such New Grantor and constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium, or other similar laws affecting creditors’ rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity).

Any terms used in this Agreement that are defined in the UCC shall be construed and defined as set forth in the UCC unless otherwise defined herein; provided, that, to the extent that the UCC is used to define any term herein and such term is defined differently in different Articles of the UCC, the definition of such term contained in Article 9 of the UCC shall govern.

1.3 Construction. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall” and vice-versa. Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document shall be construed as referring to such agreement, instrument or other document as from time to time amended, modified, supplemented, extended, renewed, restated or replaced (subject to any restrictions on such amendments, supplements or modifications set forth in any Loan Document), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import when used in any Loan Document, shall be construed to refer to such Loan Document in its entirety and not to any particular provision thereof, (d) all references in a Loan Document to Sections, Exhibits and Schedules shall be construed to refer to Sections of, and Exhibits and Schedules to, the Loan Document in which such references appear, (e) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing, recodifying, supplementing or interpreting such law and any reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (f) the words “asset”

Section headings in any Loan Document are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document. Each schedule and exhibit to this Agreement is incorporated by reference herein and is made a part of this Agreement. Any capitalized term used in any schedule or exhibit to this Agreement shall have the meaning assigned to such term herein, unless otherwise defined in such schedule or exhibit. Any reference to an obligation of a Borrower or a Loan Party or to the Borrowers or Loan Parties, or to any Borrower or any Loan Party, as the case may be, shall mean that each Borrower or each Loan Party, as the case may be, is jointly and severally liable with each other Borrower or Loan Party in respect of such obligation. No provision of any Loan Documents shall be construed against any party by reason of such party having, or being deemed to have, drafted the provision. Any reference to an agreement or other matter being “reasonably satisfactory” to Lender shall mean a determination made in the exercise of reasonable judgment from the perspective of a lender. Any reference to expenses of Lender in any Loan Document shall include all Lender Expenses. Notwithstanding any other provision contained herein, solely with respect to the treatment of a lease as an operating lease, all terms of an accounting or financial nature used herein shall be construed without giving effect to any election under Accounting Standards Codification Topic 842 regarding the treatment of a lease as an operating lease such that all leases that are or would be characterized as operating lease obligations prior to giving effect to Accounting Standards Codification Topic 842 shall be accounted for as operating lease obligations (and not as Capitalized Lease Obligations) for purposes of this Agreement notwithstanding the implementation of Accounting Standards Codification Topic 842.

1.4 Time References. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, all references to time of day refer to Eastern Time, as in effect in New York City on such day. For purposes of the computation of a period of time from a specified date to a later specified date, unless otherwise expressly provided, the word “from” means “from and including” and the words “to” and “until” each means “to and including”; provided, that, with respect to a computation of fees or interest payable to Lender, such period shall in any event consist of at least one full day.

1.5 Payment in Full. Any reference in any Loan Document to the satisfaction, repayment, or payment in full of the Obligations shall mean (a) the payment in full in cash of the principal and accrued and unpaid interest with respect to the Loan, (b) the payment in full in cash of all fees, charges and expenses that have accrued and are unpaid regardless of whether payment has been demanded or is otherwise due and (c) the receipt by Lender of cash collateral in order to secure any other contingent Obligations for which a claim or demand for payment has been made on or prior to such time or in respect of matters or circumstances known to Lender at such time that are reasonably expected to result in any loss, cost, damage, or expense (including attorneys’ fees and legal expenses), such cash collateral to be in such amount as Lender reasonably determines is appropriate to secure such contingent Obligations.

1.6 Resolution of Drafting Ambiguities. Each Loan Party acknowledges and agrees that it was represented by counsel in connection with the execution and delivery of the Loan Documents, that it and its counsel reviewed and participated in the preparation and negotiation of the Loan Documents and that any rule of construction to the effect that ambiguities are to be resolved against Lender as the drafting party shall not be applicable in the interpretation of the Loan Documents.

1.7 Interpretation Regarding Incorporation by Reference. The Borrowers agree that for the purposes of this Agreement the provisions that are incorporated by reference from the Existing Credit Agreement and the Existing Loan Documents shall be deemed to include defined terms, referenced provisions, schedules and other terms and provisions of the Existing Credit Agreement and Existing Loan Documents as required for the full interpretation and operation of the provisions incorporated by reference into this Agreement (collectively, together with all the incorporated provisions referenced in Sections 5.1

or 6.1 or other sections of this Agreement, the “Incorporated Provisions”) and shall be treated for the mutual benefit of Lender as if such provisions and definitions were set forth in this Agreement. To the extent any Incorporated Provisions include limited permitted exceptions or “baskets,” elections under the Existing Credit Agreement or amounts included in such exceptions, baskets or on schedules to the Existing Credit Agreement shall be deemed to be included in the same manner since the closing date of the Existing Credit Agreement or such other measurement period set forth in the Existing Credit Agreement and shall not be interpreted as being reset for the purposes of this Agreement. Unless interpretation is inappropriate under Lender’s reasonable interpretation, references to (a) the terms “Lenders” or similar terms used in the Existing Credit Agreement or the Existing Loan Documents that are contained in the Incorporated Provisions shall be interpreted to refer to Lender pursuant to this Agreement, (b) if the Obligations are secured, then references to collateral or similar references in the Incorporated Provisions shall be deemed to refer to the collateral securing this Agreement and if the Obligations are unsecured, then such references shall be deemed to refer to the collateral pursuant to the Existing Credit Agreement and the Existing Loan Documents and may be disregarded for purposes of this Agreement and (c) “Closing Date” or similar language in the Existing Credit Agreement and the Existing Loan Documents shall be deemed to be such closing date and not the Closing Date or Funding Date of this Agreement. In the event the indebtedness under the Existing Credit Agreement and Existing Loan Documents is repaid in full as required thereunder or terminated in accordance with their terms, the Incorporated Provisions as in effect on the date of such payment in full or termination shall continue to be deemed incorporated into this Agreement as set forth in this Section 1.7 regardless of such payment in full of the indebtedness thereunder or termination thereof.

1.8 Collateral Exclusions. No mortgage, deed of trust, deed to secure debt, or similar real estate collateral agreement (“Lien Document”), nor any personal property security agreement (“Other Security Agreement”), shall secure the Loan unless such Lien Document or Other Security Agreement specifically describes the Loan as a part of the indebtedness secured thereby. This exclusion shall apply notwithstanding the fact that such Lien Document or Other Security Agreement may appear to secure the Loan by virtue of a cross-collateralization provision or other provisions expanding the scope of the secured obligations.

2. MAIN STREET LOAN.

2.1 Loan.

(a) Subject to the terms and conditions of this Agreement and the other Loan Documents, and in reliance upon the representations and warranties set forth in this Agreement and the other Loan Documents, Lender agrees to make the Loan to the Borrowers on the Funding Date in a principal amount equal to \$35,000,000. Any principal amount of the Loan that is repaid may not be reborrowed.

2.2 Payments; Prepayments.

(a) Payments by the Borrowers. Except as otherwise expressly provided herein, all payments by a Borrower shall be made to the Lender Payment Account or such other place as Lender may designate in writing to a Borrower from time to time and shall be made in immediately available funds, no later than 1:30 p.m. on the dates specified herein. Any payment received by Lender later than 1:30 p.m. shall be deemed to have been received (unless Lender, in its discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day. All payments of Obligations shall be made in Dollars, without offset, counterclaim or defense of any kind, free and clear of (and without deduction for) any taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein, and all interest, penalties or similar liabilities with respect thereto. If any payment is due on a day that is not a Business Day, the date for

payment shall be extended to the next succeeding Business Day. None of the Loan Parties or any of their Subsidiaries will fund any repayment of the Loan with proceeds of any property that is directly or indirectly derived from any transaction or activity that is prohibited by Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws, or that could otherwise cause Lender or any other party to any Loan Document to be in breach of Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws. The Borrowers authorize Lender to collect all amounts due to Lender from the Borrowers under this Agreement or any other Loan Document on the Funding Date (including for payment of the fees set forth on Schedule 2.3 and Lender Expenses) by (i) withholding a portion of the proceeds of the Loan made on the Funding Date or (ii) making an advance under the revolving credit facility under the Existing Credit Agreement (it being agreed that the Borrowers shall be deemed to have given any required notice set forth therein), in each case in an amount equal to such amounts due to Lender on the Funding Date. After the Funding Date, the Borrowers authorize Lender to collect all amounts due to Lender from the Borrowers under this Agreement or any other Loan Document (whether for principal, interest, fees or Lender Expenses) that have not been timely paid by debiting any deposit account maintained by any Borrower with Lender for the full amount thereof. Should there be insufficient funds in the Borrowers' deposit accounts with Lender to pay all such sums when due, the full amount of such deficiency shall be immediately due and payable by the Borrowers.

(b) Application of Payments. Subject to the other terms and conditions contained herein, Lender shall apply payments received or collected from a Borrower or for the account of a Borrower as follows: first, to the payment in full of any fees, indemnities, or expense reimbursements then due to Lender; second, to the payment in full of interest due in respect of the Loan; third, to the payment in full of principal in respect of the Loan, whether or not then due (such principal payments to be applied to the next scheduled principal payments due in direct order); fourth, to the payment in full of any Swap Obligations owed to Lender; and fifth, to pay or prepay any other Obligations, whether or not then due (to be applied in such order and manner as Lender directs).

(c) Optional Prepayments. The Borrowers may, upon at least three (3) Business Days' prior written notice to Lender, prepay the principal of the Loan at any time in whole or in part, without premium or penalty. Each prepayment made pursuant to this Section 2.2(c) shall be in minimum principal amounts of \$5,000,000 and in multiples of \$1,000,000, and each prepayment made after the first anniversary of the Closing Date shall be accompanied by the payment of accrued interest to the date of such payment on the amount prepaid and shall be applied in accordance with Section 2.2(b). For the avoidance of doubt, for any optional prepayments made prior to the first anniversary of the Closing Date, the Loan will continue to accrue PIK Interest at the lower principal amount after the date of such prepayment until the first anniversary date following the Closing Date.

(d) Amortization. The Borrowers shall repay the principal amount of the Loan in consecutive annual installments on the last Business Day on or preceding each anniversary of the Closing Date commencing on the third anniversary of the Closing Date as set forth below:

PAYMENT DATE	PRINCIPAL INSTALLMENT
Third anniversary of the Closing Date	15% of the Adjusted Principal Amount
Fourth anniversary of the Closing Date	15% of the Adjusted Principal Amount
Maturity Date	The remaining principal amount of the Loan

The outstanding unpaid principal balance and all accrued and unpaid interest on the Loan shall be due and payable on the earlier of (i) the Maturity Date, and (ii) the date on which the Loan otherwise becomes due and payable pursuant to the terms of this Agreement.

(e) Mandatory Prepayment. If, on any date (such date, a “Trigger Date”), the Board of Governors of the Federal Reserve System or a designee thereof has, after consultation with Lender, notified Lender in writing that any Borrower has materially breached, made a material misrepresentation with respect to or otherwise failed to comply with certifications in Section 2 (CARES Act Borrower Eligibility Certifications and Covenants) or Section 3 (FRA and Regulation A Borrower Eligibility Certifications) of the Borrower Certifications and Covenants in any material respect or that any such certification has failed to be true and correct in any material respect, then Lender shall promptly so notify the Borrowers and the Borrowers shall, no later than two (2) Business Days after such Trigger Date, prepay the Loan in full, along with any accrued and unpaid interest thereon.

(f) Indemnity for Returned Payments. If after any payment is applied to the payment of any of the Obligations, Lender is required to surrender or return such payment or proceeds to any Person for any reason, then the Obligations intended to be satisfied by such payment or proceeds shall be reinstated and continue and this Agreement shall continue in full force and effect as if such payment or proceeds had not been received by Lender. Each Loan Party shall be jointly and severally liable to pay to Lender, and does hereby agree to indemnify and hold Lender harmless for, the amount of any payments or proceeds surrendered or returned. This Section 2.2(f) shall remain effective notwithstanding any contrary action which may be taken by Lender in reliance upon such payment or proceeds. This Section 2.2(f) shall survive the payment in full of the Obligations and the termination of this Agreement.

(g) Crediting Payments. The receipt of any payment item by Lender shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available funds made to the Lender Payment Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then the Borrowers shall be deemed not to have made such payment. Notwithstanding anything to the contrary contained herein, any payment item shall be deemed received by Lender only if it is received into the Lender Payment Account on a Business Day on or before 1:30 p.m. If any payment item is received into the Lender Payment Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Lender, in its discretion, elects to credit it on the date received), it shall be deemed to have been received by Lender as of the opening of business on the immediately following Business Day.

(h) Evidence of Debt. Lender may request that the Loan made by it be evidenced by a promissory note. In such event, each Borrower shall execute and deliver to Lender a promissory note payable to the order of Lender (or, if requested by Lender, to Lender and its registered assigns) and in a form approved by Lender. Thereafter, the Loan evidenced by such promissory note and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

2.3 Interest and Fees.

(a) Rates and Payment of Interest.

(i) All Obligations, which shall be calculated at the average daily outstanding amount of the Loan during such Interest Period (other than for the initial Interest Period, which shall be calculated at the average daily outstanding amount of the Loan during such Interest Period beginning on the Funding Date), shall bear interest at LIBOR in effect from time to time, plus the Applicable Margin,

except, (A) for the avoidance of doubt, interest shall begin to accrue on the Funding Date upon the funding of the Loans, (B) Obligations shall bear interest at the Default Rate (whether before or after any judgment) automatically on and after an Event of Default under Section 8.1(d) and automatically upon written notice by Lender to a Borrower on and during the continuance of any other Event of Default so long as such Event of Default continues, and (C) as otherwise provided in Section 2.5. At the end of each Interest Period and subject to Schedule 2.5, the Loan shall automatically, and without further action, continue to bear interest at LIBOR with a one (1) month Interest Period plus the Applicable Margin.

(ii) Interest payments due and payable on the Obligations for the first year following the Closing Date shall be paid-in-kind in lieu of cash in arrears on the last day of each Interest Period (such paid-in-kind interest, "PIK Interest"); provided, that upon repayment of the Loan in full, all accrued and unpaid interest shall be paid in full in cash. The amount of PIK Interest payable for each such Interest Period shall be capitalized and added to the principal amount of the Loan on such date and shall thereafter be treated in all respects as outstanding principal under the Loan Documents on which further interest (including PIK Interest) shall accrue until the date the entire unpaid principal amount shall be paid in full. After the first year following the Closing Date, interest on the Obligations will be due and payable in cash in arrears on the last day of each Interest Period. All computations of fees and interest provided hereunder shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365/366-day year). Each determination by Lender of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate, refund or proration.

(b) Indemnity. The Borrowers hereby indemnify Lender against any loss or expense (including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain the Loan or from fees payable to terminate the deposits from which such funds were obtained) which may arise or be attributable to Lender's obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan (i) as a consequence of any failure by the Borrowers to make any payment when due of any amount due hereunder in connection with the Loan or (ii) due to any payment or prepayment of any portion of the Loan on a date other than the last day of the Interest Period therefor. The amount of such loss or expense shall be determined, in Lender's sole discretion, based upon the assumption that Lender funded the Loan in the London interbank market and using any reasonable attribution, averaging or other methods which Lender deems appropriate and practical. A certificate of Lender setting forth the basis for determining such amount or amounts necessary to compensate Lender shall be delivered to the Borrowers and shall be conclusively presumed to be correct save for manifest error. All of the obligations of the Loan Parties under this Section 2.3(b) shall survive the repayment, satisfaction or discharge of all obligations under any Loan Document. Notwithstanding the foregoing or anything to the contrary contained herein, none of Lender nor any of its Affiliates shall have any liability with respect to any actions or omissions with respect to the submission of the Loan Documents (or any other documents, agreements or certificates) to the SPV or any other Governmental Authority as required under the MSNLF, or provision or transmission of information on behalf of the Borrowers or any of their Affiliates.

(c) Fees; Expenses. Each Borrower shall pay to Lender the fees and Lender Expenses in the amounts and at the time specified in Schedule 2.3.

2.4 Intent to Limit Charges to Maximum Lawful Rate. In no event shall the interest rate or rates payable under any Loan Document, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. If at any time the interest rate set forth in any of the Loan Documents exceeds the maximum interest rate allowable under applicable law, the interest rate will be deemed to be such maximum interest rate allowable under applicable law.

2.5 Illegality; Market Conditions. Notwithstanding anything to the contrary contained herein, other than as a result of the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as such terms are defined in Schedule 2.5, if (a) any Change in Law makes it unlawful for Lender to make or maintain the Loan based on LIBOR or (b) Lender determines in good faith (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (i) it has become impractical as a result of a circumstance that adversely affects the London interbank market or the position of Lender in such market to ascertain LIBOR (if applicable), (ii) LIBOR cannot be determined pursuant to the definition thereof, or (iii) adequate and fair means do not exist for ascertaining the interest rate applicable to the Loan on the basis provided for in the definition of LIBOR, then Lender shall give notice thereof to a Borrower and may require that the outstanding Loan made by Lender be converted immediately to a Loan bearing interest at the Benchmark Replacement (as such term is defined in Schedule 2.5) rate, or, provided that Lender reasonably believes that such rate complies with regulations promulgated by the Federal Reserve Board with respect to the Loan (or similarly made loans), otherwise at such other rate reasonably determined by Lender that complies with such regulations, in which event the outstanding Loan shall be so converted and all Obligations shall bear interest at such rate plus the Applicable Margin. Schedule 2.5 is incorporated herein by this reference.

2.6 Increased Costs. If any Change in Law shall: (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, Lender (except any reserve requirement reflected in LIBOR); (b) subject Lender to any taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein, and all interest, penalties or similar liabilities with respect thereto of any kind whatsoever with respect to any Loan Document or the Loan made by it, or change the basis of taxation of payments to Lender in respect thereof; or (c) impose on Lender or the London interbank market any other condition, cost or expense affecting any Loan Document or the Loan, and the result of any of the foregoing shall be to increase the cost to Lender of making or maintaining the Loan, or to increase the cost to Lender or to reduce the amount of any sum received or receivable by Lender hereunder (whether of principal, interest or any other amount) then, upon request of Lender, each Borrower will pay to Lender, such additional amount or amounts as will compensate Lender, as the case may be, for such additional costs incurred or reduction suffered.

2.7 Capital Requirements. If Lender determines that any Change in Law affecting Lender or any lending office of Lender or Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on Lender's capital or on the capital of Lender's holding company, if any, as a consequence of any Loan Document or the Loan to a level below that which Lender or Lender's holding company could have achieved but for such Change in Law (taking into consideration Lender's policies and the policies of Lender's holding company with respect to capital adequacy), then from time to time each Borrower will pay to Lender such additional amount or amounts as will compensate Lender or Lender's holding company for any such reduction suffered.

2.8 Certificates for Reimbursement. A certificate of Lender setting forth the amount or amounts necessary to compensate Lender or its holding company, as the case may be, as specified in Section 2.6 or 2.7 and delivered to any Borrower shall be conclusive absent manifest error. Each Borrower shall pay Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

2.9 Delay in Requests. Failure or delay on the part of Lender to demand compensation pursuant to Section 2.6 or 2.7 shall not constitute a waiver of Lender's right to demand such compensation, provided that a Borrower shall not be required to compensate Lender pursuant to this Section 2.9 for any increased costs incurred or reductions occurring more than one hundred eighty (180) days prior to the date that Lender becomes aware of the event giving rise to Lender's claim for compensation therefor (except

that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

3. CONDITIONS; TERM OF AGREEMENT

(iii) To the extent the incurrence of the Loan would result in a mandatory prepayment (other than with respect to mandatory prepayments of de minimis amounts of indebtedness), Lender shall have received a written consent, waiver or amendment from the holders of such indebtedness, in form and substance reasonably satisfactory to Lender, as to the incurrence of the Loan and the waiver of such mandatory prepayment.

(iv) Lender shall have received such other documents and certifications required by Lender in connection with the MSNLF.

No Default or Event of Default shall have occurred and be continuing on the Funding Date, or shall result from the making of the Loan.

To induce Lender to enter into this Agreement and to induce Lender to make the Loan, (a) each of the representations and warranties under the Existing Credit Agreement and each of the Existing Loan Documents is incorporated herein by reference, *mutatis mutandis*, as of the Closing Date and the Funding Date (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date), except as otherwise expressly provided herein, and (b) each Loan Party hereby represents and warrants to Lender the following, both before and after giving effect to the transactions contemplated to occur hereunder on the applicable date on which such representations and warranties are made or deemed to be made, which representations and warranties shall be made or deemed to be made on the Closing Date and the Funding Date and shall survive the execution and delivery of this Agreement:

4.1 Existing Credit Agreement. Each of the representations and warranties contained in the Existing Credit Agreement and the other Existing Loan Documents are true and correct in all material respects (except for any representation and warranty that is qualified by materiality or reference to Material Adverse Effect, which such representation and warranty shall be true and correct in all respects) on and as of the Closing Date or the Funding Date, as applicable, with the same effect as if made on and as of the Closing Date or the Funding Date, as applicable (except for any such representation and warranty that by its terms is made only as of an earlier date, which representation and warranty shall remain true and correct in all material respects as of such earlier date, except for any representation and warranty made as of an earlier date that is qualified by materiality or reference to Material Adverse Effect, which such representation and warranty shall be true and correct in all respects as of such earlier date).

4.2 Main Street Representations.

(a) Taking into account the extension of the Loan to be made to the Borrowers on the Funding Date, the Loan Parties have a reasonable basis to believe that they have the ability to meet their financial obligations for at least ninety (90) days and do not expect to file for bankruptcy during such ninety (90) days.

(c) Each Loan Party shall comply with the following compensation limitations until twelve (12) months after the Loan is repaid: (i) for any employee or officer (excluding employees whose compensation is determined by a collective bargaining agreement in place prior to March 1, 2020) whose Total Compensation for the year ended December 31, 2019 exceeded \$425,000, Total Compensation for such employee during any 12-month period may not exceed Total Compensation levels for the year ended December 31, 2019, (ii) for any employee or officer whose Total Compensation for the year ended December 31, 2019 exceeded \$3,000,000, Total Compensation for such employee during any 12-month period may not exceed the sum of (A) \$3,000,000 million plus (B) 50% of the amount of Total Compensation for the year ended December 31, 2019 over \$3,000,000 million and (iii) for any Person subject to clause (i), severance upon termination may not exceed two times Total Compensation for the year ended December 31, 2019.

(d) As soon as available, but in any event within sixty (60) days after the end of each fiscal quarter of the Loan Parties, the Loan Parties shall deliver to Lender financial reporting in a form and substance reasonably acceptable to Lender setting forth the financial information, and where applicable reasonably detailed calculations of the required data, set forth on Exhibit C as at the end of such fiscal quarter of the Loan Parties, which financial reporting and calculations, in each case, shall be true and accurate in all material respects and, where applicable, present fairly in all material respects the financial condition of the Loan Parties for the period covered thereby in accordance with GAAP, consistently applied.

(f) The Loan Parties shall cooperate with and shall promptly provide Lender information requested to satisfy requirements applicable to MSNLF.

5.3 Compliance with Laws; OFAC; Sanctions, Etc. Each Loan Party shall comply with the requirements of all applicable laws, rules, regulations, and orders of any Governmental Authority, other than laws, rules, regulations, and orders the non-compliance with which, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. Each Loan Party will, and will cause each other member of the Loan Party Group to, (a) comply with Sanctions and (b) comply, in all material respects, with Anti-Money Laundering Laws and Anti-Corruption Laws.

6. NEGATIVE COVENANTS

6.1 Incorporated Negative Covenants. Each of the negative covenants in the Existing Credit Agreement (other than the negative covenants set forth in Sections 6.2 and 6.12 of the Existing Credit Agreement) is incorporated herein by reference, *mutatis mutandis*.

6.2 Main Street Covenants.

(a) The Loan Parties shall refrain from prepaying the principal balance of, or paying any interest on, any indebtedness until the Loan is repaid in full; provided, that for the avoidance of doubt, nothing in this Section 6.2(a) shall prohibit (i) repaying the principal balance of, or paying any interest on, any indebtedness that is mandatory and due, (ii) repaying a line of credit (including a credit card) in accordance with any such Loan Party's normal course of business usage for such line of credit, (iii) taking on and paying additional indebtedness obligations required in the normal course of business and on standard terms, including inventory and equipment financing, provided that such indebtedness is secured only by the newly acquired property (e.g., inventory or equipment), and, apart from such security, is of equal or lower priority than the Loan, or (iv) refinancing maturing indebtedness.

(b) The Loan Parties will not seek to cancel or reduce any of their committed lines of credit with Lender or any other lender.

(c) The Loan Parties will not permit the Loan to be contractually subordinated to any other indebtedness of the Loan Parties, whether in or out of any Insolvency Proceeding. Notwithstanding the foregoing, the prohibition on contractual subordination set forth in this Section 6.2(c) with respect to the Loan does not prevent the incurrence of obligations that have mandatory priority under the Bankruptcy Code or other insolvency laws that apply to entities generally.

6.3 Use of Proceeds. Each Loan Party will not, and will not permit any of its Subsidiaries to, use the proceeds of the Loan made hereunder for any purpose other than (a) to pay the fees, costs, and expenses incurred in connection with this Agreement, the other Loan Documents, and the transactions contemplated hereby and thereby, and (b) thereafter, for working capital purposes; provided that no part of the proceeds of the Loan will be used to purchase or carry any Margin Stock or to extend credit to others for the purpose of purchasing or carrying any such Margin Stock or for any purpose that violates the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System. Each Loan Party will not, and will cause each other member of the Loan Party Group not to, directly or indirectly, use any of the Loan to fund, finance or facilitate any activities, business or transactions that would be prohibited by (i) Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws or (ii) Sanctions if conducted by Lender, or any other party hereto.

7. TERMINATION. To the extent the SPV either rejects Lender's request for the SPV Commitment Letter or fails to accept such request within fourteen (14) Business Days after such request is made, this Agreement and any other Loan Documents executed by any Person party hereto or thereto shall automatically terminate without any further action by any Person party hereto or thereto; provided, that notwithstanding anything to the contrary contained herein, Sections 9.2, 9.6, 9.7, 9.8, 9.9 and 9.10 shall survive any such termination in all respects.

8. EVENTS OF DEFAULT AND REMEDIES

8.1 Events of Default. The occurrence of any of the following will constitute an "Event of Default" under any Loan Document:

(a) Payments. Any Loan Party (i) fails to make any payment of principal or interest hereunder when due or (ii) fails to pay fees, Lender Expenses or any of the other Obligations within three (3) Business Days after the due date thereof.

(b) Covenants. (i) A Loan Party fails to perform any of the covenants contained in Sections 5.2, 5.3, 6.2 or 6.3, (ii) a Loan Party fails to perform any of the covenants contained in Sections 5.1 and 6.1 and such default continues for more than the applicable cure period set forth in the Existing Credit Agreement, or (iii) a Loan Party fails to perform any of the terms, covenants, conditions or provisions contained in any Loan Document other than those otherwise described in this Article 8 and, with respect to such failures that are susceptible of cure, such failure shall continue for thirty (30) days after the earlier of (i) the date on which such failure shall first become known to any officer of any Loan Party or (ii) the date on which written notice thereof is given to any Loan Party by Lender.

(c) Judgments. One or more judgments, orders, or awards for the payment of money in excess of the Material Amount in any one case or in the aggregate (except to the extent covered (other than to the extent of customary deductibles) by insurance pursuant to which the insurer has not denied or disputed coverage) is entered or filed against a Loan Party or any of its Subsidiaries (other than Immaterial Subsidiaries), or with respect to any of its assets, shall remain undischarged or unvacated for a period in excess of thirty (30) days or execution shall at any time not be effectively stayed, or any judgment other than for the payment of money, or injunction, attachment, garnishment or execution is rendered against a Loan Party or any of its Subsidiaries (other than Immaterial Subsidiaries) having a value in excess of the Material Amount in any one case or in the aggregate.

(d) Voluntary Bankruptcy, Involuntary Bankruptcy, Etc. (i) An Insolvency Proceeding is commenced by a Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) or (ii) an Insolvency Proceeding is commenced against a Loan Party, any of its Subsidiaries (other than an Immaterial Subsidiary) or all or any part of their properties and such petition or application is not dismissed within sixty (60) days after the date of its filing or such Loan Party or such Subsidiary (other than an Immaterial Subsidiary) shall file any answer admitting or not contesting such petition or application or indicates its consent to, acquiescence in or approval of, any such action or proceeding or the relief requested is granted sooner.

(e) Dissolution, Division or Liquidation. Any Loan Party or any of its directors, stockholders or members effects or takes any actions seeking to effect the dissolution, division, or liquidation of such Loan Party.

(f) Default Under Other Agreements. Any default occurs in respect of any Material Indebtedness and such default (i) consists of a failure to pay, when due, any principal of or interest on any such Material Indebtedness, or (ii) results in a right by the holder or holders of such Material Indebtedness

(or a trustee on behalf of such holder(s)) that is then exercisable but irrespective of whether actually exercised, to accelerate the maturity of such Loan Party's or its Subsidiary's obligations thereunder; provided that, notwithstanding the foregoing, any such default under a Capital Lease shall not give rise to a Default or Event of Default hereunder or under any other Loan Document unless (x) the holder (or holders) of such Material Indebtedness (or a trustee on behalf of such holder(s)) accelerates the maturity of such Loan Party's or its Subsidiary's obligations thereunder as a result of such default, or (y) such event of default is continuing for a period of more than 45 consecutive days.

(g) Representations, Etc. Any warranty, representation, certificate, statement, or record made in any Loan Document or delivered in writing to Lender in connection with any Loan Document proves to be untrue in any material respect (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality or Material Adverse Effect) as of the date of issuance or making or deemed making thereof.

(h) Guaranty. The obligation of any Loan Party under a Guaranty, or other Person under any guaranty of any Obligations, is limited or terminated by operation of law or by such Loan Party or other Person (other than in accordance with the terms of any Loan Document) or any Loan Party or such other Person repudiates or revokes or purports to repudiate or revoke such Guaranty or any such guaranty.

(i) Reserved.

(j) Loan Documents. The validity or enforceability of any Loan Document shall at any time for any reason (other than solely as the result of an action or failure to act on the part of Lender) be declared to be null and void, or a proceeding shall be commenced by a Loan Party, or by any Governmental Authority having jurisdiction over a Loan Party, seeking to establish the invalidity or unenforceability of any Loan Document, or a Loan Party shall deny that such Loan Party has any liability or obligation purported to be created under any Loan Document.

(k) Change of Control. A Change of Control shall occur, whether directly or indirectly.

(l) Cross-Acceleration. (i) Any Borrower or any Subsidiary shall fail to make any payment when due (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any indebtedness (other than indebtedness under the Loan Documents) owing to Lender or any commonly controlled Affiliate of Lender, in each case beyond the applicable grace period with respect thereto, if any; or (ii) any Borrower or any Subsidiary shall fail to observe or perform any other agreement or condition relating to any such indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which failure to make a payment, default or other event described in clause (i) or (ii) is to cause such indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such indebtedness to be made, prior to its stated maturity; provided that clause (ii) shall not apply to secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such indebtedness and such indebtedness is repaid when required under the documents providing for such indebtedness.

8.2 Remedies.

(a) At any time an Event of Default exists, Lender shall have any and all rights and remedies provided in any Loan Document, the UCC and other applicable law, all of which rights and remedies may be exercised without notice to or consent by a Loan Party, except as such notice or consent

is expressly provided for under any applicable Loan Document or required by applicable law. All rights, remedies and powers granted to Lender under any Loan Document, the UCC or other applicable law are cumulative, are not exclusive and are enforceable, in Lender's discretion, alternatively, successively, or concurrently on any one or more occasions, and shall include the right to apply to a court of equity for an injunction to restrain a breach or threatened breach by a Loan Party of any Loan Document.

(b) Without limiting the generality of the foregoing, at any time an Event of Default exists, Lender may accelerate the payment of all or any portion of the Obligations upon notice to the Borrowers and demand immediate payment thereof to Lender (provided, that, upon the occurrence of any Event of Default described in Section 8.1(d), all Obligations shall automatically become immediately due and payable without notice).

9. NOTICES, AMENDMENTS, WAIVERS, INDEMNIFICATION, ETC.

9.1 Demand; Protest; Counterclaims, Etc. Each Loan Party waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by Lender on which any Loan Party may in any way be liable. No notice to or demand on a Loan Party which Lender may elect to give shall entitle a Loan Party to any other or further notice or demand in the same, similar or other circumstances. Each Loan Party waives all rights to interpose any claims, deductions, setoffs or counterclaims of any nature (other than compulsory counterclaims) in any action or proceeding with respect to any Loan Document, the Obligations, or any matter arising therefrom or relating hereto or thereto.

9.2 Indemnification. Each Loan Party shall pay, indemnify, defend, and hold Lender and its Affiliates, officers, directors, employees, attorneys, and agents (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable and documented out-of-pocket fees and disbursements of attorneys, experts, or consultants and all other reasonable and documented costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery, enforcement, performance, or administration (including any restructuring or workout with respect hereto) of any Loan Document, or the transactions contemplated thereby, (b) with respect to any actual or prospective investigation, litigation, or proceeding related to any Loan Document, the making of the Loan or the use of the proceeds of the Loan, or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of hazardous materials at, on, under, to or from any assets or properties owned, leased or operated by any Loan Party or otherwise related to compliance with applicable environmental laws (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, no Loan Party shall have any obligation to any Indemnified Person under this Section 9.2 with respect to any Indemnified Liability that a court of competent jurisdiction determines in a final non-appealable order to have resulted from the gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or agents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which a Loan Party was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by each Loan Party with respect thereto. THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF

ANY OTHER PERSON. Notwithstanding the foregoing or anything to the contrary contained herein, none of Lender or any of its Affiliates shall have any liability with respect to any actions or omissions with respect to the submission of the Loan Documents (or any other documents, agreements or certificates) to the SPV or any other Governmental Authority as required under the MSNLF, or provision or transmission of information on behalf of the Borrowers or any of their Affiliates.

9.3 Notices. Unless otherwise provided in this Agreement, all notices or demands relating to any Loan Document shall be in writing and shall be personally delivered or sent by registered or certified mail (postage prepaid, return receipt requested), overnight courier, or electronic mail (at such email addresses as a party may designate in accordance herewith). In the case of notices or demands to any Loan Party or Lender, as the case may be, they shall be sent to the address set forth next to its signature hereto. Any party hereto may change the address at which they are to receive notices hereunder, by notice in writing in the foregoing manner given to the other parties. All notices or demands sent in accordance with this Section 9.3 shall be deemed received on the earlier of the date of actual receipt or three (3) Business Days after the deposit thereof in the mail; provided, that, (a) notices sent by overnight courier service shall be deemed to have been given when received, (b) notices by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient) and (c) notices by electronic mail shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgment). Notices required to be provided in or in connection with any Incorporated Provision (including elections for baskets, pro forma calculations and similar information) shall also be provided by the Borrowers to Lender in accordance with the notice provisions of this Agreement. In addition, the Borrowers shall to provide Lender with at least ten (10) Business Days prior written notice of the execution of any facility that will replace the Existing Credit Agreement and prior written notice of any amendment, waiver or modification respecting the Existing Credit Agreement and in each case the Borrowers will promptly provide copies of such documents after such documents are effective.

9.4 Assignments; Successors; Participations. This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that, no Loan Party may assign this Agreement or any rights or duties hereunder without Lender's prior written consent and any prohibited assignment shall be absolutely *void ab initio*. No consent to assignment by Lender shall release any Loan Party from its Obligations. Lender may assign the Loan Documents in whole or in part and its rights and duties thereunder or grant participations in the Obligations and no consent or approval by any Loan Party is required in connection with any such assignment or participation. Without limiting the foregoing, the Borrowers acknowledge and agree that Lender (for this purpose, "Originating Lender") reserves the right to, and shall be permitted to, sell or offer to sell participation interests in the Loan to the SPV; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the SPV shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations and (iii) the Borrowers and Lender shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, in each case, unless the participation interest of the SPV is elevated to an assignment as permitted under the CARES Act. Unless the participation interest of the SPV is elevated to an assignment as permitted under the CARES Act, the rights of the SPV only shall be derivative through the Originating Lender and the SPV shall not have any rights under this Agreement or the other Loan Documents or any direct rights as to the Borrowers or otherwise in respect of the Obligations. Notwithstanding the foregoing, the Borrowers and Lender acknowledge and agree that the SPV shall have the voting rights with respect to the Loan Documents pursuant to the terms of the Participation Agreement (and such voting rights shall be divisible to the extent the SPV exercises any of its voting rights pursuant to the Participation Agreement,

the Co-Lender Agreement or otherwise). For the avoidance of doubt and notwithstanding anything to the contrary contained herein, to the extent any of the terms of the Participation Agreement or the Co-Lender Agreement conflict with the terms of this Agreement, the provisions of the Participation Agreement or the Co-Lender Agreement, as applicable, shall apply.

9.5 Amendments; Waivers. No amendment or modification of any Loan Document shall be effective unless it has been agreed to by Lender and the Loan Parties party to such Loan Document in a writing that specifically states that it is intended to amend or modify such Loan Document. No failure by Lender to exercise any right, remedy, or option under any Loan Document, or delay by Lender in exercising the same, will operate as a waiver thereof. No waiver by Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Lender on any occasion shall affect or diminish Lender's rights thereafter to require strict performance by any Loan Party of any provision of any Loan Document. Lender's rights under the Loan Documents will be cumulative and not exclusive of any other right or remedy that Lender may have.

9.6 GOVERNING LAW. 10. GENERAL PROVISIONS

10.1 Effectiveness; Section Headings; Severability. This Agreement shall be binding and deemed effective upon the satisfaction of the conditions precedent set forth in Section 3.1. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

10.2 Counterparts; Electronic Execution. This Agreement and the other Loan Documents may be executed in multiple counterparts and all of such counterparts taken together shall be deemed to constitute one and the same instrument. The words "executed," "signed," "signature," and words of like import as used above and elsewhere in this Agreement or any other Loan Document shall include, in addition to manually executed signatures, images of manually executed signatures transmitted by facsimile or other electronic format (including "pdf", "tif" or "jpg") and other electronic signatures (including any electronic sound, symbol, or process, attached to or logically associated with a contract or other record and executed or adopted by a Person with the intent to sign the record). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including any State law based on the Uniform Electronic Transactions Act or the UCC. Each fully executed counterpart of this Agreement and any other Loan Document shall be deemed to be a duplicate original.

10.3 Patriot Act. Lender hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies each Person or corporation who opens an account or enters into a business relationship with it, which information includes the name and address of such Loan Party and other information that will allow Lender to identify such

Person in accordance with the Patriot Act and any other applicable law. Each Loan Party is hereby advised that the Loan is subject to satisfactory results of such verification. Lender shall have the right to periodically conduct due diligence on each Loan Party, its senior management and key principals and legal and beneficial owners. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Lender shall constitute Lender Expenses for which Lender is entitled to reimbursement as provided herein and be for the account of Borrowers.

10.4 Integration. The Loan Documents reflect the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the Closing Date. The foregoing to the contrary notwithstanding, all agreements for bank products, if any, are independent agreements governed by the written provisions of the agreements for them, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such agreement.

10.5 Disclosure. Section 17.9 of the Existing Credit Agreement is incorporated herein by reference, *mutatis mutandis*, as of the Closing Date including all amendments and modifications thereto made on or prior to the Closing Date. Further, the Loan Parties acknowledge that Lender may disclose information concerning the terms and conditions of the Loan Documents to the SPV or any other Governmental Authority as required under the MSNLF, including without limitation, the names and details of the Loan Parties, the amount of the Loan and interest rate, the overall costs, revenues and fees for the Loan, and the SPV or any other Governmental Authority may further disclose or publicize such information.

10.6 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

10.7 Joint and Several Liability.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender under

this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 10.7), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them. Accordingly, each Borrower hereby waives any and all suretyship defenses that would otherwise be available to such Borrower under applicable law.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due, whether upon maturity, acceleration, or otherwise, or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations until such time as all of the Obligations are paid in full, and without the need for demand, protest, or any other notice or formality.

(d) The Obligations of each Borrower constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 10.7(d)) or any other circumstances whatsoever.

(e) Without limiting the generality of the foregoing and except as otherwise expressly provided in this Agreement, each Borrower hereby waives presentments, demands for performance, protests and notices, including notices of acceptance of its joint and several liability, notice of any loan made under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Agreement, notices of the existence, creation, or incurring of new or additional Obligations or other financial accommodations or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by the Lender under or in respect of any of the Obligations, any right to proceed against any other Borrower or any other Person, to proceed against or exhaust any security held from any other Borrower or any other Person, to protect, secure, perfect, or insure any Lien on any property subject thereto or exhaust any right to take any action against any other Borrower, any other Person, or any collateral, to pursue any other remedy in the Lender's power whatsoever, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement), any right to assert against the Lender, any defense (legal or equitable), set-off, counterclaim, or claim which any Borrower may now or at any time hereafter have against any other Borrower or any other party liable to Lender, any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Obligations or any security therefor, and any right or defense arising by reason of any claim or defense based upon an election of remedies by the Lender including any defense based upon an impairment or elimination of such Borrower's rights of subrogation, reimbursement, contribution, or indemnity of such Borrower against any other Borrower. Without limiting the generality of the foregoing, each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by the Lender at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of any Loan Document, any and all other indulgences whatsoever by the Lender in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any

Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of the Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 10.7 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations, it being the intention of each Borrower that, so long as any of the Obligations remain unsatisfied, the Obligations of each Borrower shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or the Lender. Each of the Borrowers waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement hereof. Any payment by any Borrower or other circumstance which operates to toll any statute of limitations as to any Borrower shall operate to toll the statute of limitations as to each of the Borrowers. Each of the Borrowers waives any defense based on or arising out of any defense of any Borrower or any other Person, other than payment of the Obligations to the extent of such payment, based on or arising out of the disability of any Borrower or any other Person, or the validity, legality, or unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower other than payment of the Obligations to the extent of such payment. Lender may foreclose upon any collateral held by Lender by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy Lender may have against any Borrower or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Borrowers hereunder except to the extent the Obligations have been paid.

(f) Each Borrower represents and warrants to Lender that such Borrower is currently informed of the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Lender that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) The provisions of this Section 10.7 are made for the benefit of Lender and its successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of Lender or any of its successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations or to elect any other remedy. The provisions of this Section 10.7 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 10.7 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights that arise from the existence, payment, performance or enforcement of the provisions of this Section 10.7, including rights of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Lender against any Borrower, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Borrower, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security

solely on account of such claim, remedy or right, unless and until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to Lender hereunder are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor. If any amount shall be paid to any Borrower in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of Lender, and shall forthwith be paid to Lender to be credited and applied to the Obligations and all other amounts payable under this Agreement, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as collateral for any Obligations or other amounts payable under this Agreement thereafter arising. Notwithstanding anything to the contrary contained in this Agreement, no Borrower may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Borrower, including after payment in full of the Obligations, if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of such other Borrower whether pursuant to this Agreement or otherwise.

Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, that (i) to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern and (ii) any such terms used in this Agreement that are defined in the PPSA or CCQ, shall have the meanings ascribed to such terms in the PPSA or CCQ, as the case may be, when used in relation to Collateral subject to the PPSA or CCQ, as the case may be.

(b) Any reference herein or in any other Loan Document to the satisfaction, repayment, or payment in full of the Obligations (or the Obligations having been (or required to be) paid in full or repaid in full) or words of similar import shall mean (a) the payment or repayment in full in immediately available funds of (i) the principal amount of, and interest accrued and unpaid with respect to, all outstanding Loans, together with the payment of any premium applicable to the repayment of the Loans (including interest accrued after the commencement of any Insolvency Proceeding, default interest, and

(c) Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, Excluded Subsidiary, Immaterial Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

(d) For purposes of any Collateral located in the province of Quebec or charged by any deed of hypothec (or any other Loan Document) and for all other purposes pursuant to which the interpretation or construction of a Loan Document may be subject to the laws of the province of Quebec or a court or tribunal exercising jurisdiction in the province of Quebec, (a) “personal property” shall be deemed to include “movable property”, (b) “real property” shall be deemed to include “immovable property”, (c) “tangible property” shall be deemed to include “corporeal property”, (d) “intangible property” shall be deemed to include “incorporeal property”, (e) “security interest”, “mortgage” and “lien” shall be deemed to include a “hypothec”, “prior claim” and a “resolatory clause”, (f) all references to filing, registering or recording under the Code or the PPSA shall be deemed to include publication under the Civil Code of Quebec, (g) all references to “perfection” of or “perfected” Liens shall be deemed to include a reference to “opposable” or “set up” Liens as against third parties, (h) any “right of offset”, “right of setoff” or similar expression shall be deemed to include a “right of compensation”, (i) “goods” shall be deemed to include “corporeal movable property” other than chattel paper, documents of title, instruments, money and securities, (j) an “agent” shall be deemed to include a “mandatary”, (k) “construction liens” shall be deemed to include “legal hypothecs”, (l) “joint and several” shall be deemed to include “solidary”, (m) “gross negligence or willful misconduct” shall be deemed to be “intentional or gross fault”, (n) “beneficial ownership” shall be deemed to include “ownership on behalf of another as mandatory”, (o) “easement” shall be deemed to include “servitude”, (p) “priority” shall be deemed to include “prior claim”, (q) “survey” shall be deemed to include “certificate of location and plan”, (r) a “land surveyor” shall be deemed to include an “arpenteur-géomètre”, (s) “fee simple title” shall be deemed to include “absolute ownership” and (t) all references to an “examiner” shall be deemed to mean an examiner appointed under Section 509 of the Irish Companies Act and “examinership” shall be construed accordingly. The parties to this Agreement confirm that it is their wish that this Agreement and any other document executed in connection with the transactions contemplated herein be drawn up in the English language only and that all other

documents contemplated thereunder or relating thereto, including notices, may also be drawn up in the English language only. *Les parties aux présentes confirment que c'est leur volonté que cette convention et les autres documents de crédit soient rédigés en langue anglaise seulement et que tous les documents, y compris tous avis, envisagés par cette convention et les autres documents peuvent être rédigés en la langue anglaise seulement.* With respect to any Fleet Asset, any provision in the Loan Documents that requires that the Agent's Lien on such Fleet Asset be perfected (including with a certain priority) or that is a covenant by the Loan Parties to provide such perfection (including such priority) or a representation and warranty by the Loan Parties as to such perfection (including such priority), in each case, shall be deemed satisfied, complied with and correct, as applicable, to the extent that the Loan Parties are in compliance with the Fleet Asset Perfection Requirements with respect to such Fleet Asset.

1.5 Time References. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, all references to time of day refer to Pacific standard time or Pacific daylight saving time, as in effect in Los Angeles, California on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and including"; provided, that with respect to a computation of fees or interest payable to Agent or any Lender, such period shall in any event consist of at least one full day.

1.6 Schedules and Exhibits. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

1.7 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement but subject in all respects to the last sentence of this Section 1.7, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with the conditions specified in the definition of "Permitted Acquisition" or, in the case of Permitted Investments in Third Parties, "Permitted Investments" which requires:

- (i) the calculation of any financial ratio or test, including the Fixed Charge Coverage Ratio and the Senior Secured Net Leverage Ratio;
- (ii) testing availability under baskets (including baskets determined by reference to EBITDA or Consolidated Total Assets); or
- (iii) determining the accuracy of any representation and warranty or the determination that no Default or Event of Default (or any specified type of Default or Event of Default) has occurred, is continuing or would immediately result therefrom;

in each case, at the option of Administrative Borrower (Administrative Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made in the case of any Permitted Acquisition (including by way of merger or amalgamation) or similar Permitted Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction, (y) the public announcement of an intention to make an offer in respect of the target of such Limited Condition Transaction or (z) the consummation of such Limited Condition Transaction (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Administrative Borrower or any of its Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or

basket (after giving effect to such Limited Condition Transaction on a Pro Forma Basis), such ratio, test or basket shall be deemed to have been complied with on the date such action or transaction is actually taken. For the avoidance of doubt, if Administrative Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or Consolidated Total Assets of Administrative Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If Administrative Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability with respect to any other related transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated on the LCT Test Date, except that (other than solely with respect to the incurrence test under which such Limited Condition Transaction is being made) EBITDA, Consolidated Total Assets, Consolidated Net Income, the Fixed Charge Coverage Ratio and the Senior Secured Net Leverage Ratio (in each case, and all components thereof) of any target of such Limited Condition Transaction shall only be used in the determination of the relevant ratio, test and/or basket if and when such Limited Condition Transaction has been consummated. Notwithstanding anything to the contrary in this Section 1.7, if an LCT Election is made with respect to a Limited Condition Transaction that requires minimum pro forma Excess Availability after giving effect to such Limited Condition Transaction, such requirement shall be tested on a pro forma basis at the time of the consummation of such Limited Condition Transaction.

1.8 Classification and Reclassification. It is understood and agreed that any Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness under Section 6.1, but may instead be permitted in part under any combination thereof (it being understood that Administrative Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Fixed Charge Coverage Ratio, the Senior Secured Net Leverage Ratio, the Payment Conditions or the Distribution Conditions, prior to amounts under any other category) and Administrative Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. It is understood and agreed that any Lien, sale, lease or other disposition of assets, Restricted Payment, Investment, or prepayment of Indebtedness need not be permitted solely by reference to one category of permitted Lien, sale, lease or other disposition of assets, Restricted Payment, Investment, or prepayment of Indebtedness under Sections 6.2, 6.4, 6.6(a), 6.7 and 6.9, respectively, but may instead be permitted in part under any combination thereof (it being understood that Administrative Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Fixed Charge Coverage Ratio, the Senior Secured Net Leverage Ratio, the Payment Conditions or the Distribution Conditions prior to amounts under any other category).

1.9 Pro Forma Calculations.

(a) For all purposes hereunder, EBITDA (including Consolidated Net Income), Capital Expenditures, the Fixed Charge Coverage Ratio and the Senior Secured Net Leverage Ratio (and all components thereof) shall be calculated in the manner prescribed by this Section 1.9. Notwithstanding anything to the contrary in this Section 1.9, when calculating the Financial Covenants (and all components thereof) for purposes of determining actual compliance (and not Pro Forma Compliance or compliance on

a Pro Forma Basis) with the Financial Covenants under Section 7, any events, actions or other circumstances (including any repayments, prepayments, incurrence or other extinguishment of Indebtedness) that occurred subsequent to the end of the applicable four-quarter reference period shall not be given pro forma effect (it being understood, for the avoidance of doubt, that compliance with Section 7 shall be determined on an actual basis and not on a Pro Forma Basis).

(b) In the event that Administrative Borrower or any Subsidiary (i) incurs, redeems, assumes, retires, repays or extinguishes any Indebtedness (including Indebtedness issued, incurred or assumed or repaid or redeemed as a result of, or to finance, any relevant transaction and for which any such test, financial ratio, basket or covenant is being calculated) (but excluding the identifiable proceeds of any Indebtedness being incurred substantially simultaneously therewith or as part of the same transaction or series of related transactions for purposes of netting cash to calculate the applicable ratio) or (ii) issues or redeems Disqualified Equity Interests subsequent to the commencement of the period for which such ratio or amount is being calculated but prior to or simultaneously with the event for which the calculation of such ratio or amount is made (a “Calculation Date”), then such ratio or amount shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Equity Interests, as if the same had occurred on the first day of the applicable four-quarter period.

(c) For purposes of making the computation referred to above, (i) Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the relevant Calculation Date, and (ii) other operational changes that Administrative Borrower or any of its Subsidiaries has made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with such Calculation Date (including any such event occurring at a Person who became a Subsidiary of the subject Person or was merged or consolidated with or into the subject Person or any other Subsidiary of the subject Person during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with such Calculation Date) shall, in each case, be calculated on a *pro forma* basis for such four-quarter reference period assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period; provided that all operational changes that would result in an increase to EBITDA for the applicable period shall be subject to, and included in, the cap set forth in clause (A) of the proviso to clause (d)(i) of the definition of “EBITDA”. If since the beginning of such period any Person that subsequently became a Subsidiary or was amalgamated or merged with or into Administrative Borrower or any of its Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then such ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period; provided that all operational changes that would result in an increase to EBITDA for the applicable period shall be subject to, and included in, the cap set forth in clause (A) of the proviso to clause (d)(i) of the definition of “EBITDA”.

1.10 Currency Matters. Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agent and the Lenders shall be payable in Dollars. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in currencies other than Dollars shall

be converted to the Equivalent Amount of Dollars on the date of calculation, comparison, measurement or determination. Unless expressly provided otherwise, where a reference is made to a Dollar amount, the amount is to be considered as the amount in Dollars and, therefore, each other currency shall be converted into the Equivalent Amount thereof in Dollars. If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

2. LOANS AND TERMS OF PAYMENT.

2.1 Revolving Loans.

(a) Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Revolving Lender agrees (severally, not jointly or jointly and severally) to make revolving loans ("Revolving Loans") in Dollars to Borrowers in an aggregate amount at any one time outstanding not to exceed the lesser of:

(i) such Lender's Revolver Commitment, and

(ii) such Lender's Pro Rata Share of an amount equal to the lesser of:

(A) the amount equal to (1) the Maximum Revolver Amount less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time, and

(B) the amount equal to (1) the Borrowing Base as of such date (based upon the most recent Borrowing Base Certificate delivered by Borrowers to Agent), less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Revolving Loans, together with interest accrued and unpaid thereon, shall constitute Obligations and shall be due and payable on the Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation) to establish and increase or decrease Dilution Reserves, Receivables Reserves, Spare Parts Reserves, Bank Product Reserves, Canadian Priority Payables Reserves and other Reserves against the Borrowing Base or, if greater, the Maximum Revolver Amount, in each case, in its Permitted Discretion.

2.2 [Intentionally Omitted].

2.3 Borrowing Procedures and Settlements.

(a) **Procedure for Borrowing Revolving Loans.** Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered through Agent's electronic platform or portal) and received by Agent no later than 11:00 a.m. (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, (ii) on the Business Day that is one Business Day prior to the requested Funding Date in the case of a request for a Base Rate Loan and (iii) on

the Business Day that is 3 Business Days prior to the requested Funding Date in the case of all other requests, specifying (A) the amount of such Borrowing, and (B) the requested Funding Date (which shall be a Business Day); provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 11:00 a.m. on the applicable Business Day; provided further that, notwithstanding the foregoing, requests for Borrowings to be made on the Closing Date may be delivered to Agent no later than 10:00 a.m. on the Closing Date. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowing shall not be made until the completion of) Agent's authentication process (with results reasonably satisfactory to Agent) prior to the funding of any such requested Borrowing.

(b) **Making of Swing Loans.** In the case of a request for a Revolving Loan as a Swing Loan and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, minus all payments or other amounts applied to Swing Loans since the last Settlement Date, plus the amount of the requested Swing Loan does not exceed \$20,000,000, or (ii) Swing Lender, in its sole discretion, agrees to make a Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a Revolving Loan (any such Revolving Loan made by Swing Lender pursuant to this Section 2.3(b) being referred to as a "Swing Loan" and all such Revolving Loans being referred to as "Swing Loans") available to Borrowers on the Funding Date applicable thereto by transferring immediately available funds in the amount of such requested Borrowing to the Designated Account. Each Swing Loan shall be deemed to be a Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other Revolving Loans, except that all payments (including interest) on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make and shall not be obligated to make any Swing Loan if Swing Lender has actual knowledge that (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (2) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The Swing Loans shall be secured by Agent's Liens, constitute Revolving Loans and Obligations, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans.

(c) **Making of Revolving Loans.**

(i) In the event that Swing Lender is not obligated to make a Swing Loan or if the requested Revolving Loan is not to be made as a Swing Loan, then after receipt of a request for a Borrowing pursuant to Section 2.3(a), Agent shall notify the Lenders by telecopy, telephone, email, or other electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business Day that is (A) in the case of a Base Rate Loan, at least one Business Day prior to the requested Funding Date, or (B) in the case of a LIBOR Rate Loan, prior to 1:00 p.m. at least three Business Days prior to the requested Funding Date. If Agent has notified the Lenders of a requested Borrowing on the Business Day that is one Business Day prior to the Funding Date, then each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, not later than 10:00 a.m. on the Business Day that is the requested Funding Date. After Agent's receipt of the proceeds of such Revolving Loans from the Lenders, Agent shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Account; provided that, subject to the provisions of Section 2.3(d)(ii), no Lender shall have an obligation to make any Revolving Loan, if (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (2) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers a corresponding amount. If, on the requested Funding Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrowers such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrowers such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Defaulting Lender Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.3(c)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Revolving Loan for all purposes of this Agreement. If such amount is not made available to Agent by such Lenders on the Business Day following the Funding Date, Agent will notify Borrowers of such failure to fund and, if such amount has been made available by Agent to Borrowers, upon demand by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Revolving Loans composing such Borrowing.

(d) Protective Advances and Optional Overadvances.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), at any time (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, Agent hereby is authorized by Borrowers and the Lenders, from time to time, in Agent's sole discretion, to make Revolving Loans to, or for the benefit of, Borrowers, on behalf of the Revolving Lenders, that Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (the Revolving Loans described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"). Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed 10% of the Maximum Revolver Amount (or if the Maximum Revolver Amount is reduced to zero, the amount of the Maximum Revolver Amount immediately prior to such reduction).

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Revolving Loans (including Swing Loans) to Borrowers notwithstanding that an Overadvance exists or would be created thereby, so long as immediately after giving effect to such Revolving Loans, the outstanding Revolver Usage (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) does not exceed the Maximum Revolver Amount. In the event Agent obtains actual knowledge that the Revolver Usage exceeds the amount permitted by the

immediately foregoing provisions, regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders with Revolver Commitments thereupon shall, together with Agent, jointly determine the terms of arrangements that shall be implemented with Borrowers intended to reduce, within a reasonable time, the outstanding principal amount of the Revolving Loans to Borrowers to an amount permitted by the preceding sentence. In such circumstances, if any Lender with a Revolver Commitment objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. The foregoing provisions are meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Section 2.4(e)(i). Each Lender with a Revolver Commitment shall be obligated to settle with Agent as provided in Section 2.3(e) (or Section 2.3(g), as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent reported to such Lender, any intentional Overadvances made as permitted under this Section 2.3(d)(ii), and any Overadvances resulting from the charging to the Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be a Revolving Loan hereunder, except that no Extraordinary Advance shall be eligible to be a LIBOR Rate Loan and, prior to Settlement therefor, all payments on the Extraordinary Advances shall be payable to Agent solely for its own account. The Extraordinary Advances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans. The provisions of this Section 2.3(d) are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrowers (or any other Loan Party) in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: (A) no Extraordinary Advance may be made by Agent if such Extraordinary Advance would cause the aggregate principal amount of Extraordinary Advances outstanding to exceed an amount equal to 10% of the Maximum Revolver Amount in effect at the time such Extraordinary Advance is made, and (B) to the extent that the making of any Extraordinary Advance causes the aggregate Revolver Usage to exceed the Maximum Revolver Amount, such portion of such Extraordinary Advance shall be for Agent's sole and separate account and not for the account of any Lender and shall be entitled to priority in repayment in accordance with Section 2.4(b).

(e) **Settlement.** It is agreed that each Lender's funded portion of the Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Revolving Loans. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Revolving Loans, the Swing Loans, and the Extraordinary Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent in its sole discretion (1) on behalf of Swing Lender, with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to Borrowers' or any of their Subsidiaries' payments or other amounts received from such Persons, as to each by notifying the Lenders by telecopy, telephone, or other

similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the “Settlement Date”). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans, Swing Loans, and Extraordinary Advances for the period since the prior Settlement Date. Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the Revolving Loans (including Swing Loans and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender’s Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances), and (z) if the amount of the Revolving Loans (including Swing Loans, and Extraordinary Advances) made by a Lender is less than such Lender’s Pro Rata Share of the Revolving Loans (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent’s Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans or Extraordinary Advances and, together with the portion of such Swing Loans or Extraordinary Advances representing Swing Lender’s Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender’s balance of the Revolving Loans, Swing Loans, and Extraordinary Advances is less than, equal to, or greater than such Lender’s Pro Rata Share of the Revolving Loans, Swing Loans, and Extraordinary Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrowers and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Extraordinary Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Extraordinary Advances or Swing Loans. Between Settlement Dates, Agent, to the extent no Extraordinary Advances or Swing Loans are outstanding, may pay over to Swing Lender any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Swing Lender’s Pro Rata Share of the Revolving Loans. If, as of any Settlement Date, payments or other amounts of Parent or its Subsidiaries received since the then immediately preceding Settlement Date have been applied to Swing Lender’s Pro Rata Share of the Revolving Loans other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Extraordinary Advances, and each Lender with respect to the Revolving Loans other than Swing Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or

rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this Section 2.3(e) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(f) **Notation.** Agent, as a non-fiduciary agent for Borrowers, shall maintain a register showing the principal amount of the Revolving Loans, owing to each Lender, including the Swing Loans owing to Swing Lender, and Extraordinary Advances owing to Agent, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(g) **Defaulting Lenders.**

(i) Notwithstanding the provisions of Section 2.4(b)(iii), Agent shall not be obligated to transfer to a Defaulting Lender any payments made by Borrowers to Agent for the Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, paid by the Defaulting Lender, (B) second, to Issuing Bank, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, paid by the Defaulting Lender, (C) third, to each Non-Defaulting Lender ratably in accordance with their Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of a Revolving Loan (or other funding obligation) was funded by such other Non-Defaulting Lender), (D) fourth, to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrowers (upon the request of Borrowers and subject to the conditions set forth in Section 3.2) as if such Defaulting Lender had made its portion of Revolving Loans (or other funding obligations) hereunder, and (E) fifth, from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (N) of Section 2.4(b)(iii). Subject to the foregoing, Agent may hold and, in its discretion, re-lend to Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fee payable under Section 2.10(b), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Revolver Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Sections 14.1(a)(i) through 14.1(a)(iii). The provisions of this Section 2.3(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, Agent, Issuing Bank, and Borrowers shall have waived, in writing, the application of this Section 2.3(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by Agent pursuant to Section 2.3(g)(ii) shall be released to Borrowers). The operation of this Section 2.3(g) shall not be construed to increase or otherwise affect the Revolver Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to Agent, Issuing Bank, or to the Lenders other

than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle Borrowers, at their option, upon written notice to Agent, to arrange for a substitute Lender to assume the Revolver Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than Bank Product Obligations, but including (1) all interest, fees, and other amounts that may then be due and payable in respect thereof, and (2) an assumption of its Pro Rata Share of its participation in the Letters of Credit); provided, that any such assumption of the Revolver Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.3(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.3(g) shall control and govern.

(ii) If any Swing Loan or Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender then:

(A) such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares but only to the extent (x) the sum of all Non-Defaulting Lenders' Revolving Loan Exposures plus such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure does not exceed the total of all Non-Defaulting Lenders' Revolver Commitments, and (y) the conditions set forth in Section 3.2 are satisfied at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one Business Day following notice by the Agent (x) first, prepay such Defaulting Lender's Swing Loan Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), and (y) second, cash collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), pursuant to a cash collateral agreement to be entered into in form and substance reasonably satisfactory to the Agent, for so long as such Letter of Credit Exposure is outstanding; provided, that Borrowers shall not be obligated to cash collateralize any Defaulting Lender's Letter of Credit Exposure if such Defaulting Lender is also the Issuing Bank;

(C) if Borrowers cash collateralize any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to this Section 2.3(g)(ii), Borrowers shall not be required to pay any Letter of Credit Fees to Agent for the account of such Defaulting Lender pursuant to Section 2.6(b) with respect to such cash collateralized portion of such Defaulting Lender's Letter of Credit Exposure during the period such Letter of Credit Exposure is cash collateralized;

(D) to the extent the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.3(g)(ii), then the Letter of Credit Fees payable to the Non-Defaulting Lenders pursuant to Section 2.6(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Letter of Credit Exposure;

(E) to the extent any Defaulting Lender's Letter of Credit Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.3(g)(ii), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all Letter of Credit Fees that would have otherwise been payable to such Defaulting Lender under Section 2.6(b) with respect to such portion of such Letter of Credit Exposure shall instead be payable to the Issuing Bank until such portion of such Defaulting Lender's Letter of Credit Exposure is cash collateralized or reallocated;

(F) so long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to make any Swing Loan and the Issuing Bank shall not be required to issue, amend, or increase any Letter of Credit, in each case, to the extent (x) the Defaulting Lender's Pro Rata Share of such Swing Loans or Letter of Credit cannot be reallocated pursuant to this Section 2.3(g)(ii), or (y) the Swing Lender or Issuing Bank, as applicable, has not otherwise entered into arrangements reasonably satisfactory to the Swing Lender or Issuing Bank, as applicable, and Borrowers to eliminate the Swing Lender's or Issuing Bank's risk with respect to the Defaulting Lender's participation in Swing Loans or Letters of Credit; and

(G) Agent may release any cash collateral provided by Borrowers pursuant to this Section 2.3(g)(ii) to the Issuing Bank and the Issuing Bank may apply any such cash collateral to the payment of such Defaulting Lender's Pro Rata Share of any Letter of Credit Disbursement that is not reimbursed by Borrowers pursuant to Section 2.11(d).

(h) **Independent Obligations.** All Revolving Loans (other than Swing Loans and Extraordinary Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loan (or other extension of credit) hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.4 Payments; Prepayments.

(a) Payments by Borrowers.

(i) Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds, no later than 1:30 p.m. on the date specified herein. Any payment received by Agent later than 1:30 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrowers prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers do not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(b) **Apportionment and Application.**

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account or for the separate account of Issuing Bank) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Revolver Commitment or Obligation to which a particular fee or expense relates.

(ii) Subject to Sections 2.4(b)(v) and 2.4(f), all payments to be made hereunder by Borrowers shall be remitted to Agent and all such payments, and all proceeds of Collateral received by Agent, shall be applied, so long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, to reduce the balance of the Revolving Loans outstanding and, thereafter, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iii) At any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(A) first, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the Loan Documents, until paid in full and to pay interest and principal on Extraordinary Advances that are held solely by Agent pursuant to the terms of Section 2.3(d)(iv), until paid in full,

(B) second, to pay any fees or premiums then due to Agent under the Loan Documents, until paid in full,

(C) third, to pay interest due in respect of all Protective Advances, until paid in full,

(D) fourth, to pay the principal of all Protective Advances, until paid in full,

(E) fifth, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the Loan Documents, until paid in full,

(F) sixth, ratably, to pay any fees or premiums then due to any of the Lenders under the Loan Documents, until paid in full,

(G) seventh, to pay interest accrued in respect of the Swing Loans, until paid in full,

(H) eighth, to pay the principal of all Swing Loans, until paid in full,

(I) ninth, ratably, to pay interest accrued in respect of the Revolving Loans (other than Protective Advances), until paid in full,

(J) tenth, ratably,

i. to pay the principal of all Revolving Loans (other than Protective Advances), until paid in full,

ii. (1) to Agent, to be held by Agent, for the benefit of Issuing Bank (and for the ratable benefit of each of the Lenders that have an obligation to pay to Agent, for the account of Issuing Bank, a share of each Letter of Credit Disbursement), as cash collateral in an amount up to 103% of the Letter of Credit Usage (to the extent permitted by applicable law, such cash collateral shall be applied to the reimbursement of any Letter of Credit Disbursement as and when such disbursement occurs and, if a Letter of Credit expires undrawn, the cash collateral held by Agent in respect of such Letter of Credit shall, to the extent permitted by applicable law, be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), and (2) in the amount (after taking into account any amounts previously paid pursuant to this clause "ii(2)" during the continuation of the applicable Application Event) of the most recently established Bank Product Reserve, (I) to the Bank Product Providers based upon amounts then certified by the applicable Bank Product Provider to Agent (in form and substance satisfactory to Agent) to be due and payable to such Bank Product Providers on account of Bank Product Obligations, and (II) with any balance to be paid to Agent, to be held by Agent, for the benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(K) eleventh, ratably, to pay any other Obligations other than Obligations owed to Defaulting Lenders (including being paid, ratably, to the Bank Product Providers on account of all amounts then due and payable in respect of Bank Product Obligations), with any balance to be paid to Agent, to be held by Agent, for the ratable benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(L) twelfth, ratably, to pay any Obligations owed to Defaulting Lenders, until paid in full, and

(M) thirteenth, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iv) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided in Section 2.3(e).

(v) In each instance, so long as no Application Event has occurred and is continuing, Section 2.4(b)(ii) shall not apply to any payment made by Borrowers to Agent and specified by Borrowers to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document.

(vi) For purposes of Section 2.4(b)(iii), “paid in full” of a type of Obligation means payment in full in cash or immediately available funds of all amounts owing on account of such type of Obligation, irrespective of whether any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding provided, that for purposes of this clause (vi), “Obligations” shall not include any Obligations excluded from the meaning of “paid in full” pursuant to Section 1.4(b).

(vii) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.3(g) and this Section 2.4, then the provisions of Section 2.3(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.4 shall control and govern.

(c) **Reduction of Revolver Commitments.** The Revolver Commitments shall terminate on the Maturity Date. Borrowers may reduce the Revolver Commitments, without premium or penalty, to an amount (which may be zero) not less than the sum of (i) the Revolver Usage as of such date, plus (ii) the principal amount of all Revolving Loans not yet made as to which a request has been given by Borrowers under Section 2.3(a), plus (iii) the amount of all Letters of Credit not yet issued as to which a request has been given by Borrowers pursuant to Section 2.11(a). Each such reduction shall be in an amount which is not less than \$10,000,000 (unless the Revolver Commitments are being reduced to zero and the amount of the Revolver Commitments in effect immediately prior to such reduction are less than \$10,000,000), shall be made by providing not less than 5 Business Days (or such shorter period of time as is acceptable to Agent) prior written notice by Administrative Borrower to Agent, and shall be irrevocable, except to the extent delivered in connection with a refinancing of the Obligations or other event, in which case such notice shall not be irrevocable until such refinancing or other event is consummated. Once reduced, the Revolver Commitments may not be increased. Each such reduction of the Revolver Commitments shall reduce the Revolver Commitments of each Lender proportionately in accordance with its ratable share thereof.

(d) **Optional Prepayments.** Borrowers may prepay the principal of any Revolving Loan at any time in whole or in part, without premium or penalty, in accordance with Section 2.4(b)(ii), and any such prepayment pursuant to this Section 2.4(d) shall not result in a reduction of the Maximum Revolver Amount or any Revolver Commitments.

(e) **Mandatory Prepayments.**

(i) If, at any time, the Revolver Usage on such date exceeds the Line Cap, then Borrowers shall promptly, but in any event within 1 Business Day, prepay, without premiums or penalty, the Obligations in accordance with Section 2.4(f) in an aggregate amount equal to the amount of such excess.

(ii) In addition to mandatory prepayments pursuant to the foregoing clause (i), within 10 days following each date on or after the Closing Date upon which any Borrower receives any Net Cash Proceeds from any asset sale or other disposition of, or from any policy of insurance as a result of a Casualty Event with respect to the loss of, any Eligible Fleet Assets or Eligible Real Property, Borrower shall prepay, without premium or penalty, the Obligations (which shall not, for the avoidance of doubt, result in any reduction in the Maximum Revolver Amount or any Revolver Commitments) in accordance with Section 2.4(b)(ii) in an aggregate amount equal to such Net Cash Proceeds; provided, however, with respect to no more than \$10,000,000 in the aggregate of such Net Cash Proceeds received by Borrowers in

any calendar year, such Net Cash Proceeds shall not be required to be so applied or used to make mandatory repayments of Obligations. Notwithstanding the foregoing, Borrowers may apply all or a portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of the Borrowers within 180 days following the date of receipt of such Net Cash Proceeds (or, if within such 180-day period, a Borrower enters into a binding commitment to so reinvest such Net Cash Proceeds, within 180 days following such 180-day period during which such Borrower is so committed to such plan of reinvestment); provided, further, that if within 180 days (or, to the extent applicable, 360 days) after the date of receipt by the applicable Borrower of such Net Cash Proceeds, the Borrowers have not so used all or a portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Cash Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment of the Obligations in the same manner as provided above in this clause (ii).

(f) **Application of Payments.** Each prepayment pursuant to Section 2.4(e)(i) shall, (A) so long as no Application Event shall have occurred and be continuing, be applied, first, to the outstanding principal amount of the Revolving Loans, until paid in full, and second, to provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Usage (in each case, without a corresponding permanent reduction in the Maximum Revolver Amount or any Revolver Commitments, as applicable), and (B) if an Application Event shall have occurred and be continuing, be applied in the manner set forth in Section 2.4(b)(iii).

2.5 Promise to Pay; Promissory Notes.

(a) Borrowers agree to pay the Lender Group Expenses on the earlier of (i) the first day of the month following the date on which the applicable Lender Group Expenses were first incurred, or (ii) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of Section 2.6(d) (and in accordance with the last sentence thereof) shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (ii)). Borrowers promise to pay all of the Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) in full on the Maturity Date or, if earlier, on the date on which the Obligations (other than the Bank Product Obligations) become due and payable pursuant to the terms of this Agreement. Borrowers agree that their obligations contained in the first sentence of this Section 2.5(a) shall survive payment or satisfaction in full of all other Obligations.

(b) Any Lender may request that any portion of its Revolver Commitments or the Loans made by it be evidenced by one or more promissory notes substantially in the form attached hereto as Exhibit N-1. In such event, Borrowers shall execute and deliver to such Lender the requested promissory notes payable to the order of such Lender in a form furnished by Agent and reasonably satisfactory to Borrowers. Thereafter, the portion of the Commitments and Loans evidenced by such promissory notes and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the order of the payee named therein.

2.6 Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations.

(a) **Interest Rates.** Except as provided in Section 2.6(c), all Obligations (except for undrawn Letters of Credit) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest as follows:

(i) if the relevant Obligation is a LIBOR Rate Loan, at a *per annum* rate equal to the LIBOR Rate plus the Applicable Margin in effect from time to time, or

(ii) otherwise, at a *per annum* rate equal to the Base Rate plus the Applicable Margin in effect from time to time applicable to Base Rate Loans.

(b) **Letter of Credit Fee.** Borrowers shall pay Agent (for the ratable benefit of the Revolving Lenders), a Letter of Credit fee (the “Letter of Credit Fee”) (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.11(k)) that shall accrue at a *per annum* rate equal to the Applicable Margin from time to time used to determine the interest rate on LIBOR Rate Loans pursuant to Section 2.6(a)(i) times the average amount of Letter of Credit Usage during the immediately preceding quarter.

(c) **Default Rate.** Upon the occurrence and during the continuation of an Event of Default under Section 8.1, 8.4 or 8.5, subject to the *Interest Act* (Canada):

(i) all Obligations (other than the Letter of Credit Fee) consisting of principal, interest and fees shall bear interest at a *per annum* rate equal to 2.00 percentage points above the *per annum* rate otherwise applicable thereunder, and

(ii) the Letter of Credit Fee shall be increased to 2.00 percentage points above the *per annum* rate otherwise applicable thereto.

(d) **Payment.** Except to the extent provided to the contrary in Section 2.10, 2.11(k) or 2.12(a), (i) all interest and all other fees payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each quarter (or, in the case of any Letter of Credit Fees, the first Business Day of such quarter), and (ii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all Lender Group Expenses shall be due and payable on (x) with respect to Lender Group Expenses outstanding as of the Closing Date for which the Administrative Borrower has received an invoice at least one Business Day prior to the Closing Date, the Closing Date, and (y) otherwise, the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred (subject to the last sentence of this clause (d)), and (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Borrowers hereby authorize Agent, from time to time without prior notice to Borrowers, to charge to the Loan Account (A) on the first day of each quarter, all interest accrued during the prior quarter on the Revolving Loans hereunder, (B) on the first Business Day of each quarter, all unpaid Letter of Credit Fees accrued or chargeable hereunder during the prior quarter, (C) as and when incurred or accrued, all fees provided for in Section 2.10(a), (D) on the first day of each quarter, the Unused Line Fee accrued during the prior quarter pursuant to Section 2.10(b), (E) as and when incurred or accrued, the fronting fees and all commissions, other fees, charges and expenses provided for in Section 2.11(k), (F) on the Closing Date and thereafter as and when incurred or accrued, all other Lender Group Expenses and all fees and costs provided for in Section 2.10(c) (provided that any such expenses fees and costs incurred on or prior to the Closing Date shall only be due and payable on the Closing Date to the extent the Administrative Borrower has received an invoice in respect thereof at least one Business Day prior to the Closing Date, and (G) as and when due and payable all other fees and payment obligations payable under this Agreement, any other Loan Document, or any Bank Product Agreement (including any amounts due and payable to the Bank Product Providers in respect of Bank Products). Subject to the last sentence of this clause (d), all amounts (including interest, fees, costs, expenses, Lender Group Expenses, or other amounts payable hereunder or under any

other Loan Document or under any Bank Product Agreement) charged to the Loan Account shall thereupon constitute Revolving Loans hereunder, shall constitute Obligations hereunder, and shall initially accrue interest at the rate then applicable to Revolving Loans that are Base Rate Loans (unless and until converted into LIBOR Rate Loans in accordance with the terms of this Agreement). Notwithstanding the foregoing or any other provision of the Loan Documents, so long as no Event of Default has occurred and is continuing at the time of delivery of an invoice in respect thereof, Agent shall not charge to the Loan Account prior to the 5th Business Day following delivery by Agent to Borrowers of an invoice in respect thereof any fees, costs, and expenses for which the applicable Loan Documents or Bank Product Agreements do not provide (i) an express amount or express calculation to arrive at such an amount, and (ii) an express fixed date for payment, in each case, and then only to the extent that the Borrowers have not objected thereto describing the error or errors contained in such invoice.

(e) **Computation.** All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue; provided, however, all computations of interest on Base Rate Loans determined by reference to the Base Rate shall be made on the basis of a year of 365/366 days (as applicable) for the actual number of days occurring in the period for which such interest is payable. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate. For each period for which interest is calculated, subject to the provisions of Section 2.12 relating to interest calculated on LIBOR Rate Loans, interest shall be determined based on the daily balance of the Obligations charged to the Loan Account on each day during the applicable period.

(f) **Intent to Limit Charges to Maximum Lawful Rate.** In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrowers and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, *ipso facto*, as of the date of this Agreement, Borrowers are and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(g) If any provision of this Agreement or of any of the other Loan Documents would obligate a Canadian Loan Party to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (i) first, by reducing the amount or rate of interest required to be paid by such Canadian Loan Party to such Lender pursuant to this Agreement, and (ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by such Canadian Loan Party to such Lender which would constitute “interest” for purposes of Section 347 of the Criminal Code (Canada). Any amount or rate of interest referred to in this Section 2.6(g) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan or other amount remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over

the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Agent shall be conclusive for the purposes of such determination.

(h) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively. EACH CANADIAN BORROWER FOR AND ON BEHALF OF ITSELF AND EACH CANADIAN GUARANTOR CONFIRMS THAT IT FULLY UNDERSTANDS AND IS ABLE TO CALCULATE THE RATES OF INTEREST APPLICABLE UNDER THE LOAN DOCUMENTS BASED ON THE METHODOLOGY FOR CALCULATING PER ANNUM RATES PROVIDED FOR IN THIS AGREEMENT. Agent agrees that, if requested in writing by a Canadian Borrower, it will calculate the nominal and effective per annum rate of interest on any Loan or other amount outstanding hereunder at the time of such request and provide such information to such Canadian Borrower promptly following such request, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve any Canadian Borrower or any Canadian Guarantor of any of its obligations under this Agreement or any other Loan Document, nor result in any liability of Agent or any Lender.

2.7 Crediting Payments. The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrowers shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 1:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 Designated Account. Agent is authorized to make the Revolving Loans, and Issuing Bank is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.6(d). Borrowers agree to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the proceeds of the Revolving Loans requested by Borrowers and made by Agent or the Lenders hereunder. Unless otherwise agreed by Agent and Borrowers, any Revolving Loan or Swing Loan requested by Borrowers and made by Agent or the Lenders hereunder shall be made to the Designated Account.

2.9 Maintenance of Loan Account; Statements of Obligations. Agent shall maintain an account on its books in the name of Borrowers (the "Loan Account") on which Borrowers will be charged with all Revolving Loans (including Extraordinary Advances and Swing Loans) made by Agent, Swing Lender, or the Lenders to Borrowers or for Borrowers' account, the Letters of Credit issued or arranged by Issuing Bank for Borrowers' account, and with all other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and Lender Group Expenses. In accordance with Section 2.7, the Loan Account will be credited with all payments received by Agent from Borrowers or for Borrowers' account. Agent shall make available to Borrowers monthly statements regarding the Loan Account, including the principal amount of the Revolving Loans, interest accrued

hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses constituting Lender Group Expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrowers and the Lender Group unless, within 30 days after Agent first makes such a statement available to Borrowers, Borrowers shall deliver to Agent written objection thereto describing the error or errors contained in such statement.

2.10 Fees.

(a) **Agent Fees.** Borrowers shall pay to Agent, for the account of Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) **Unused Line Fee.** Borrowers shall pay to Agent, for the ratable account of the Revolving Lenders, an unused line fee (the “Unused Line Fee”) in an amount equal to the Applicable Unused Line Fee Percentage per annum times the result of (i) the Maximum Revolver Amount, minus (ii) the average amount of the Revolver Usage during the immediately preceding quarter (or portion thereof), which Unused Line Fee shall be due and payable on the first day of each quarter from and after the Closing Date up to the first day of the quarter prior to the date on which the Revolver Commitments are terminated and which Unused Line Fee shall be due and payable on the date on which the Revolver Commitments are terminated for the portion of the applicable quarter occurring prior to such date.

(c) **Field Examination and Other Fees.** Borrowers shall pay to Agent field examination, appraisal, and valuation fees and charges when due and payable in accordance with Section 2.6(d), in connection with any inspections permitted by Section 5.7 (subject to clause (b) thereof), which fees and charges shall be as follows: (i) a fee of \$1,000 per day, per examiner, plus out-of-pocket expenses (including travel, meals, and lodging) for each field examination of any Borrower performed by personnel employed by Agent, and (ii) the fees or charges paid or incurred by Agent (but, in any event, no less than a charge of \$1,000 per day, per Person, plus out-of-pocket expenses (including travel, meals, and lodging)) if it elects to employ the services of one or more third Persons to perform field examinations of Parent or its Subsidiaries, to establish electronic collateral reporting systems, to appraise the Collateral, or any portion thereof, or to assess Parent’s or its Subsidiaries’ business valuation.

2.11 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, upon the request of Borrowers made in accordance herewith, and prior to the Maturity Date, Issuing Bank agrees to issue a requested Letter of Credit for the account of Borrowers. By submitting a request to Issuing Bank for the issuance of a Letter of Credit, Borrowers shall be deemed to have requested that Issuing Bank issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment, renewal, or extension of any outstanding Letter of Credit, shall be (x) made in writing by an Authorized Person, (y) delivered to Issuing Bank via facsimile or other electronic method of transmission reasonably acceptable to Issuing Bank and reasonably in advance of the requested date of issuance, amendment, renewal, or extension and (z) subject to Issuing Bank’s authentication procedures with results reasonably acceptable to Issuing Bank. Each such request shall be in form and substance reasonably satisfactory to Issuing Bank and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as Agent or Issuing Bank

may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that Issuing Bank generally requests for Letters of Credit in similar circumstances. Bank's records of the content of any such request will be conclusive absent manifest error. Anything contained herein to the contrary notwithstanding, Issuing Bank may, but shall not be obligated to, issue a Letter of Credit that supports the obligations of a Loan Party or one of its Subsidiaries in respect of (x) a lease of real property, or (y) an employment contract.

(b) Issuing Bank shall have no obligation to issue, amend or extend a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment or extension:

(i) the Letter of Credit Usage would exceed \$55,000,000,

(ii) the Letter of Credit Usage would exceed the Maximum Revolver Amount less the outstanding amount of Revolving Loans (including Swing Loans), or

(iii) the Letter of Credit Usage would exceed the Borrowing Base at such time less the outstanding principal balance of the Revolving Loans (including Swing Loans) at such time.

(c) In the event there is a Defaulting Lender as of the date of any request for the issuance of a Letter of Credit, the Issuing Bank shall not be required to issue or arrange for such Letter of Credit to the extent (i) the Defaulting Lender's Letter of Credit Exposure with respect to such Letter of Credit may not be reallocated pursuant to Section 2.3(g)(ii)(A) and cash collateral is not provided by Borrowers pursuant to Section 2.3(g)(ii)(B), or (ii) the Issuing Bank has not otherwise entered into arrangements reasonably satisfactory to it and Borrowers to eliminate the Issuing Bank's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include Borrowers cash collateralizing such Defaulting Lender's Letter of Credit Exposure in accordance with Section 2.3(g)(ii). Additionally, Issuing Bank shall have no obligation to issue a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Bank from issuing such Letter of Credit, or any law applicable to Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Bank shall prohibit or request that Issuing Bank refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (B) the issuance of such Letter of Credit would violate one or more policies of Issuing Bank applicable to letters of credit generally, or (C) amounts demanded to be paid under any Letter of Credit will or may not be in Dollars.

(d) Any Issuing Bank (other than Wells Fargo or any of its Affiliates) shall notify Agent in writing no later than the Business Day immediately following the Business Day on which such Issuing Bank issued any Letter of Credit; provided that (i) until Agent advises any such Issuing Bank that the provisions of Section 3.2 are not satisfied, or (ii) unless the aggregate amount of the Letters of Credit issued in any such week exceeds such amount as shall be agreed by Agent and such Issuing Bank, such Issuing Bank shall be required to so notify Agent in writing only once each week of the Letters of Credit issued by such Issuing Bank during the immediately preceding week as well as the daily amounts outstanding for the prior week, such notice to be furnished on such day of the week as Agent and such Issuing Bank may agree. Each Letter of Credit shall be in form and substance reasonably acceptable to Issuing Bank. If Issuing Bank makes a payment under a Letter of Credit, Borrowers shall pay to Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day following the date such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to Revolving Loans that are Base Rate Loans. If a Letter of Credit

Disbursement is deemed to be a Revolving Loan hereunder, Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Issuing Bank shall be automatically converted into an obligation to pay the resulting Revolving Loan. Promptly following receipt by Agent of any payment from Borrowers pursuant to this paragraph, Agent shall distribute such payment to Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.11(e) to reimburse Issuing Bank, then to such Revolving Lenders and Issuing Bank as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(d), each Revolving Lender agrees to fund its Pro Rata Share of any Revolving Loan deemed made pursuant to Section 2.11(d) on the same terms and conditions as if Borrowers had requested the amount thereof as a Revolving Loan and Agent shall promptly pay to Issuing Bank the amounts so received by it from the Revolving Lenders. By the issuance of a Letter of Credit (or an amendment, renewal, or extension of a Letter of Credit), and without any further action on the part of Issuing Bank or the Revolving Lenders, Issuing Bank shall be deemed to have granted to each Revolving Lender, and each Revolving Lender shall be deemed to have purchased, a participation in each Letter of Credit issued by Issuing Bank, in an amount equal to its Pro Rata Share of such Letter of Credit, and each such Revolving Lender agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of any Letter of Credit Disbursement made by Issuing Bank under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of each Letter of Credit Disbursement made by Issuing Bank and not reimbursed by Borrowers on the date due as provided in Section 2.11(d), or of any reimbursement payment that is required to be refunded (or that Agent or Issuing Bank elects, based upon the advice of counsel, to refund) to Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to deliver to Agent, for the account of Issuing Bank, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such Revolving Lender fails to make available to Agent the amount of such Revolving Lender's Pro Rata Share of a Letter of Credit Disbursement as provided in this Section, such Revolving Lender shall be deemed to be a Defaulting Lender and Agent (for the account of Issuing Bank) shall be entitled to recover such amount on demand from such Revolving Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) Each Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including Issuing Bank and its branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including Issuing Bank, a "Letter of Credit Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable and documented fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any such Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of:

- (i) any Letter of Credit or any pre-advice of its issuance;
- (ii) any transfer, sale, delivery, surrender or endorsement of any Drawing Document at any time(s) held by any such Letter of Credit Related Person in connection with any Letter of Credit;

(iii) any action or proceeding arising out of, or in connection with, any Letter of Credit (whether administrative, judicial or in connection with arbitration), including any action or proceeding to compel or restrain any presentation or payment under any Letter of Credit, or for the wrongful dishonor of, or honoring a presentation under, any Letter of Credit;

(iv) any independent undertakings issued by the beneficiary of any Letter of Credit;

(v) any unauthorized instruction or request made to Issuing Bank in connection with any Letter of Credit or requested Letter of Credit, or any error, omission, interruption or delay in such instruction or request, whether transmitted by mail, courier, electronic transmission, SWIFT or any other method of communication, including through a correspondent;

(vi) an adviser, confirmer or other nominated person seeking to be reimbursed, indemnified or compensated;

(vii) any third party seeking to enforce the rights of an applicant, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds or holder of an instrument or document;

(viii) the fraud, forgery or illegal action of parties other than the Letter of Credit Related Person;

(ix) Issuing Bank's performance of the obligations of a confirming institution or entity that wrongfully dishonors a confirmation;

(x) the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto governmental or regulatory authority or cause or event beyond the control of the Letter of Credit Related Person; or

(xi) any prohibition on payment or delay in payment of any amount payable by Issuing Bank to a beneficiary or transferee beneficiary of a Letter of Credit arising out of Anti-Corruption Laws, Anti-Money Laundering Laws, or Sanctions;

in each case, including that resulting from the Letter of Credit Related Person's own negligence (other than gross negligence as provided below); provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification under clauses (i) through (x) above to the extent that such Letter of Credit Indemnified Costs may be determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. Borrowers hereby agree to pay the Letter of Credit Related Person claiming indemnity on demand from time to time all amounts owing under this Section 2.11(f). If and to the extent that the obligations of Borrowers under this Section 2.11(f) are unenforceable for any reason, Borrowers agree to make the maximum contribution to the Letter of Credit Indemnified Costs permissible under applicable law. This indemnification provision shall survive termination of this Agreement and all Letters of Credit.

(g) The liability of Issuing Bank (or any other Letter of Credit Related Person) under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by Borrowers that are caused directly by Issuing Bank's gross negligence, willful misconduct or bad faith (as determined in a final, non-appealable judgment of a court of competent jurisdiction) in (i) honoring a presentation under a

Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. Issuing Bank shall be deemed to have acted with due diligence and reasonable care if Issuing Bank's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement. Borrowers' aggregate remedies against Issuing Bank and any Letter of Credit Related Person for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by Borrowers to Issuing Bank in respect of the honored presentation in connection with such Letter of Credit under Section 2.11(d), plus interest at the rate then applicable to Base Rate Loans hereunder. Borrowers shall take action to avoid and mitigate the amount of any damages claimed against Issuing Bank or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by Borrowers under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had Borrowers taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing Issuing Bank to effect a cure.

(h) Borrowers are responsible for preparing or approving the final text of the Letter of Credit as issued by Issuing Bank, irrespective of any assistance Issuing Bank may provide such as drafting or recommending text or by Issuing Bank's use or refusal to use text submitted by Borrowers. Borrowers are solely responsible for the suitability of the Letter of Credit for Borrowers' purposes.

(i) Borrowers' reimbursement and payment obligations under this Section 2.11 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit or this Agreement or any other Loan Document or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) Issuing Bank or any of its branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) Issuing Bank or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that Parent or any of its Subsidiaries may have at any time against any beneficiary, any assignee of proceeds, Issuing Bank or any other Person;

(vi) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.11(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Borrower's or any of its Subsidiaries'

reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against Issuing Bank, the beneficiary or any other Person;

(vii) the fact that any Default or Event of Default shall have occurred and be continuing; or

(viii) Issuing Bank or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at Issuing Bank's counter or are different from the electronic presentation thereof;

provided, that subject to Section 2.11(g), the foregoing shall not release Issuing Bank from such liability to Borrowers as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against Issuing Bank following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to Issuing Bank arising under, or in connection with, this Section 2.11 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, Issuing Bank and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and Issuing Bank's rights and remedies against Borrowers and the obligation of Borrowers to reimburse Issuing Bank for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document, or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than Issuing Bank's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that Issuing Bank in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to Borrowers;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and any Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any paying or negotiating bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where Issuing Bank has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by Issuing Bank if subsequently Issuing Bank or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by Issuing Bank to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) Borrowers shall pay immediately upon demand to Agent for the account of Issuing Bank as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.11(k)): (i) a fronting fee which shall be imposed by Issuing Bank upon the issuance of each Letter of Credit of 0.125% per annum of the undrawn face amount thereof, plus (ii) any and all other customary commissions, fees and charges then in effect imposed by, and any and all expenses incurred by, Issuing Bank, or by any adviser, confirming institution or entity or other nominated person, relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit (including transfers, assignments of proceeds, amendments, drawings, renewals or cancellations).

(l) If by reason of (x) any Change in Law, or (y) compliance by Issuing Bank or any other member of the Lender Group with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board of Governors as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued or caused to be issued hereunder or hereby, or

(ii) there shall be imposed on Issuing Bank or any other member of the Lender Group any other condition regarding any Letter of Credit,

and the result of the foregoing is to increase, directly or indirectly, the cost to Issuing Bank or any other member of the Lender Group of issuing, making, participating in, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Agent may, at any time within a reasonable period after the additional cost (other than Taxes, which shall be governed by Section 16) is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate Issuing Bank or any other member of the Lender Group for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, that (A) Borrowers shall not be required to provide any compensation pursuant to this Section 2.11(l) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Borrowers, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section 2.11(l), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(m) Unless otherwise expressly agreed by Issuing Bank and Borrowers when a Letter of Credit is issued, (i) the rules of the ISP and the UCP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(n) Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is (i) 1 year after the date of the issuance of such Letter of Credit (or such other longer period of time as Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, 1 year after such renewal or extension) and (ii) unless Letter of Credit Collateralization has been provided with respect thereto or other credit support provided to the reasonable satisfaction of Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than 12 months after the Letter of Credit Expiration Date), the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of Administrative Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of 12 months or less (but, subject to the foregoing, not beyond the date that is after the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(o) In the event of a direct conflict between the provisions of this Section 2.11 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11 shall control and govern.

2.12 LIBOR Option.

(a) **Interest and Interest Payment Dates.** In lieu of having interest charged at the rate based upon the Base Rate, Borrowers shall have the option, subject to Section 2.12(b) (the “LIBOR Option”) to have interest on all or a portion of the Revolving Loans be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a LIBOR Rate Loan, or upon continuation of a LIBOR Rate Loan as a LIBOR Rate Loan) at a rate of interest based upon the LIBOR Rate. Interest on LIBOR Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto; provided, that subject to the following clauses (ii) and (iii), in the case of any Interest Period greater than 3 months in duration, interest shall be payable at 3 month intervals after the

commencement of the applicable Interest Period and on the last day of such Interest Period), (ii) the date on which all or any portion of the Obligations are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Borrowers have properly exercised the LIBOR Option with respect thereto, the interest rate applicable to such LIBOR Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans of the same type hereunder. At any time that an Event of Default has occurred and is continuing, at the written election of the Required Lenders and written notice thereof from Agent to Borrowers, Borrowers no longer shall have the option to request that Revolving Loans bear interest at a rate based upon the LIBOR Rate.

(b) LIBOR Election.

(i) Borrowers may, at any time and from time to time, so long as Borrowers have not received a notice from Agent (which notice Agent may only give if directed to give such notice by the Required Lenders, in which case, it shall give the notice to Borrowers), after the occurrence and during the continuance of an Event of Default, to terminate the right of Borrowers to exercise the LIBOR Option during the continuance of such Event of Default, elect to exercise the LIBOR Option by notifying Agent prior to 11:00 a.m. at least 3 Business Days prior to the commencement of the proposed Interest Period (the “LIBOR Deadline”). For the avoidance of doubt, upon all such Events of Default ceasing to be continuing, Borrowers may resume the election of the LIBOR Option. Notice of Borrowers’ election of the LIBOR Option for a permitted portion of the Revolving Loans and an Interest Period pursuant to this Section 2.12 shall be made by delivery to Agent of a LIBOR Notice received by Agent before the LIBOR Deadline. Promptly upon its receipt of each such LIBOR Notice, Agent shall provide a copy thereof to each of the affected Lenders.

(ii) Each LIBOR Notice shall be irrevocable and binding on Borrowers. In connection with each LIBOR Rate Loan, each Borrower shall indemnify, defend, and hold Agent and the Lenders harmless against any loss, cost, or expense actually incurred by Agent or any Lender as a result of (A) the payment of any principal of any LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of any LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any LIBOR Rate Loan on the date specified in any LIBOR Notice delivered pursuant hereto (such losses, costs, or expenses, “Funding Losses”). A certificate of Agent or a Lender delivered to Borrowers setting forth in reasonable detail any amount or amounts that Agent or such Lender is entitled to receive pursuant to this Section 2.12 shall be conclusive absent manifest error. Borrowers shall pay such amount to Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate. If a payment of a LIBOR Rate Loan on a day other than the last day of the applicable Interest Period would result in a Funding Loss, Agent may, in its sole discretion at the request of Borrowers, hold the amount of such payment as cash collateral in support of the Obligations until the last day of such Interest Period and apply such amounts to the payment of the applicable LIBOR Rate Loan on such last day, it being agreed that Agent has no obligation to so defer the application of payments to any LIBOR Rate Loan and that, in the event that Agent does not defer such application, Borrowers shall be obligated to pay any resulting Funding Losses.

(iii) Unless Agent, in its sole discretion, agrees otherwise, Borrowers shall have not more than eight LIBOR Rate Loans in effect at any given time. Borrowers may only exercise the LIBOR Option for proposed LIBOR Rate Loans of at least \$100,000.

(c) Conversion; Prepayment. Borrowers may convert LIBOR Rate Loans to Base Rate Loans or prepay LIBOR Rate Loans at any time; provided, that in the event that LIBOR Rate Loans

are converted or prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any prepayment through the required application by Agent of any payments or proceeds of Collateral in accordance with Section 2.4(b) or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, each Borrower shall indemnify, defend, and hold Agent and the Lenders and their Participants harmless against any and all Funding Losses in accordance with Section 2.12(b)(ii).

(d) **Special Provisions Applicable to LIBOR Rate.**

(i) The LIBOR Rate may be adjusted by Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs to such Lender maintaining or obtaining any eurodollar deposits or increased costs, in each case, due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including any Changes in Law (including any changes in tax laws (except changes of general applicability in corporate income tax laws or laws relating to Excluded Taxes)) and changes in the reserve requirements imposed by the Board of Governors, which additional or increased costs would increase the cost of funding or maintaining loans bearing interest at the LIBOR Rate. In any such event, the affected Lender shall give Borrowers and Agent notice of such a determination and adjustment and Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, Borrowers may, by notice to such affected Lender (A) require such Lender to furnish to Borrowers a statement setting forth in reasonable detail the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment, or (B) repay the LIBOR Rate Loans of such Lender with respect to which such adjustment is made (together with any amounts due under Section 2.12(b)(ii)).

(ii) In the event that any change in market conditions or any Change in Law shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain LIBOR Rate Loans or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to Agent and Borrowers and Agent promptly shall transmit the notice to each other Lender and (A) in the case of any LIBOR Rate Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Rate Loans, and interest upon the LIBOR Rate Loans of such Lender thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and (B) Borrowers shall not be entitled to elect the LIBOR Option until such Lender determines that it would no longer be unlawful or impractical to do so.

(iii) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if Agent determines (which determination shall be conclusive absent manifest error), or Administrative Borrower or the Required Lenders notify Agent (with, in the case of the Required Lenders, a copy to Administrative Borrower) that Administrative Borrower or Required Lenders (as applicable) have determined, that:

(A) adequate and reasonable means do not exist for ascertaining the LIBOR Rate for any requested Interest Period, including because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary;

(B) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over Agent has made a public statement identifying a specific date after which the LIBOR Rate or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"); or

(C) [reserved];

then, reasonably promptly after such determination by Agent or receipt by Agent of such notice from Administrative Borrower or a Lender, as applicable, Agent and Administrative Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein and/or the applicable margin with respect thereto), giving due consideration to (x) any selection, endorsement or recommendation of a replacement rate and/or replacement spread or the mechanism for determining such a rate or spread by the Board of Governors (or a committee convened by the Board of Governors) in effect at such time and (y) any evolving or then existing convention for similar Dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “LIBOR Successor Rate”), together with any proposed LIBOR Successor Rate Conforming Changes, and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Agent shall have posted such proposed amendment to all Lenders and Administrative Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to Agent written notice that such Required Lenders do not accept such amendment.

(iv) If no LIBOR Successor Rate has been determined and the circumstances under clause (iii)(A) above exist or the Scheduled Unavailability Date has occurred (as applicable), Agent will promptly so notify Administrative Borrower and each Lender. Thereafter, until any LIBOR Successor Rate Conforming Changes or amendment pursuant to Section 2.12(d)(iii) has occurred, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) the LIBOR Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, Administrative Borrower may revoke any pending LIBOR Notice for a Borrowing of LIBOR Rate Loans, and any pending LIBOR Notice for a conversion to or continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods), and any such LIBOR Notice that is not so revoked by Administrative Borrower will be deemed converted into a request for a Borrowing, conversion or continuation, as applicable, of Base Rate Loans on the date such action is to be taken pursuant to such notice (subject to the foregoing clause (y)) in the amount specified therein.

(v) Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

(e) **No Requirement of Matched Funding.** Anything to the contrary contained herein notwithstanding, neither Agent, nor any Lender, nor any of their Participants, is required actually to acquire eurodollar deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate.

2.13 Capital Requirements.

(a) If, after the date hereof, Issuing Bank or any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies or regarding Taxes to which such Lender is subject (other than Excluded Taxes or Indemnified Taxes), or (ii) compliance by Issuing Bank or such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on Issuing Bank's, such Lender's, or such holding companies' capital or liquidity as a consequence of Issuing Bank's or such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which Issuing Bank, such Lender, or such holding companies could have achieved but for such Change in

Law or compliance (taking into consideration Issuing Bank's, such Lender's, or such holding companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount reasonably deemed by Issuing Bank or such Lender to be material, then Issuing Bank or such Lender may notify Borrowers and Agent thereof. Following receipt of such notice, Borrowers agree to pay Issuing Bank or such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by Issuing Bank or such Lender of a statement in the amount and setting forth in reasonable detail Issuing Bank's or such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Issuing Bank or such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of Issuing Bank or any Lender to demand compensation pursuant to this Section 2.13 shall not constitute a waiver of Issuing Bank's or such Lender's right to demand such compensation; provided, that Borrowers shall not be required to compensate Issuing Bank or a Lender pursuant to this Section 2.13 for any reductions in return incurred more than 180 days prior to the date that Issuing Bank or such Lender notifies Borrowers of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further, that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If Issuing Bank or any Lender requests additional or increased costs referred to in Section 2.11(l) or 2.12(d)(i) or amounts under Section 2.13(a) or sends a notice under Section 2.12(d)(ii) relative to changed circumstances or makes a claim for compensation under Section 16 (such Issuing Bank or Lender, an "Affected Lender"), then, at the request of Administrative Borrower, such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or would eliminate the illegality or impracticality of funding or maintaining LIBOR Rate Loans and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrowers' obligation to pay any future amounts to such Affected Lender pursuant to Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or to enable Borrowers to obtain LIBOR Rate Loans, then Borrowers (without prejudice to any amounts then due to such Affected Lender under Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable) may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 16, 2.11(l), 2.12(d)(i) or 2.13(a), as applicable, or indicates that it is no longer unlawful or impractical to fund or maintain LIBOR Rate Loans, may designate a different Issuing Bank or substitute a Lender, in each case, reasonably acceptable to Agent to purchase the Obligations owed to such Affected Lender and such Affected Lender's commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender shall assign to the Replacement Lender its Obligations and commitments pursuant to an Assignment and Acceptance in accordance with Section 14.2, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement and such Affected Lender shall cease to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Sections 2.11(l), 2.12(d), and 2.13 shall be available to Issuing Bank and each Lender (as applicable) regardless of any

possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for issuing banks or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, neither Issuing Bank nor any Lender shall demand compensation pursuant to this Section 2.13 if it shall not at the time be the general policy or practice of Issuing Bank or such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.14 Accordion.

(a) At any time during the period from and after the Closing Date through but excluding the date that is the Maturity Date, at the option of Borrowers (but subject to the conditions set forth in this clause (a) and clause (b) below), the Revolver Commitments and the Maximum Revolver Amount may be increased by an amount in the aggregate for all such increases of the Revolver Commitments and the Maximum Revolver Amount not to exceed the Available Revolver Increase Amount (each such increase, an “Increase”); provided, that in no event shall (i) the Revolver Commitments and the Maximum Revolver Amount be increased by an amount in excess of the Available Revolver Increase Amount, (ii) any Lender be obligated to increase its Revolver Commitment unless such Lender agrees to provide an Increase, (iii) any Issuing Bank be obligated to act as an Issuing Bank or issue Letters of Credit under any Increase without such Issuing Bank’s consent or (iv) any Swing Lender be obligated to act as a Swing Lender or make Swing Loans under any Increase without such Swing Lender’s consent. For any proposed Increase, the Borrowers shall first invite each existing Lender to increase its Revolver Commitments (each of which Lenders shall be entitled to agree or decline to participate in any such Increase in its sole discretion by providing notice to the Borrowers), and if sufficient existing Lenders do not agree to increase their Revolver Commitments in an aggregate amount not less than the amount of such proposed Increase within ten (10) Business Days of receipt of the aforesaid invitation from Borrowers, the Borrowers may invite, subject to clause (b)(i) below, prospective lenders to become a Lender in connection with a proposed Increase so long as any such prospective lender is an Eligible Transferee (it being acknowledged and agreed that any Lender that has not accepted any such proposed Increase (or portion thereof) within ten (10) Business Days of receiving such invitation from Borrowers shall be deemed to have declined to participate in such proposed Increase). Any Increase shall be in an amount of at least \$10,000,000 and integral multiples of \$1,000,000 in excess thereof, and there shall be no more than four Increases. For the avoidance of doubt, it is understood and agreed that in no event shall the aggregate amount of the Increases to the Revolver Commitments exceed \$100,000,000. Any Increase otherwise permitted hereunder (and subject to the satisfaction of the conditions precedent hereunder with respect to any such Increase) shall result in a proportionate increase in the maximum amount of Swing Loans permitted under Section 2.3(b)(i) and the maximum amount of Letters of Credit permitted under Section 2.11(b)(i), so long as consented to by the Swing Lender and Issuing Banks, respectively, party hereto at the time of such Increase.

(b) Each of the following shall be conditions precedent to any Increase of the Revolver Commitments and the Maximum Revolver Amount in connection therewith:

(i) Agent or Borrowers shall have obtained the commitment of one or more Lenders or other prospective lenders with the prior written consent of Agent (such consent with respect to any prospective lender (x) not to be unreasonably withheld, delayed or conditioned and (y) only required to the extent Agent would have consent rights under Section 13 in connection with an assignment by a Lender of its Revolving Loans, Revolver Commitments or other Obligations to any such prospective lender), and any such Lenders (or prospective lenders), Borrowers, and Agent shall have signed (and Agent hereby agrees to sign, subject to satisfaction of the conditions in subclause (ii) below) a joinder agreement

to this Agreement (an “Increase Joinder”), in form and substance reasonably satisfactory to Agent, to which such Lenders (or prospective lenders), Borrowers, and Agent are party; and

(ii) subject to Section 1.7, each of the conditions precedent set forth in Sections 3.2(a) and 3.2(b) shall have been satisfied or waived by the Lenders (or prospective lenders) at the time of such Increase.

(c) The terms and provisions of the Increase shall be identical to the Revolving Loans and the Revolver Commitments (other than arranger, upfront fees and other similar fees) and, for purposes of this Agreement and the other Loan Documents, all Revolving Loans made under the Increase shall be deemed to be Revolving Loans. Without limiting the generality of the foregoing, (i) in no event shall the final maturity date of any Revolving Loans under an Increase at the time of establishment thereof be different than the Maturity Date, (ii) the Increase shall require no scheduled amortization or mandatory commitment reduction, (iii) the rate of interest and letter of credit participation fees applicable to the Increase shall be the same as the rate of interest and letter of credit participation fees applicable to the existing Revolving Loans and Letters of Credit, respectively, (iv) unused line fees applicable to the Increase shall be calculated using the same Applicable Unused Line Fee Percentages applicable to the existing Revolving Loans, (v) the Increase shall share ratably in any mandatory prepayments of the Revolving Loans, (vi) after giving effect to such Increases, the Pro Rata Share of the Revolver Commitments of each Lender may be adjusted to give effect to the total Revolver Commitment as increased by such Increase, and (vii) the Increase shall rank *pari passu* in right of payment and security with the existing Revolving Loans. Each joinder agreement and any amendment to any Loan Document requested by Agent in connection with the establishment of the Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement (an “Increase Amendment”) and the other Loan Documents as may be reasonably necessary or appropriate, in the opinion of Agent and Administrative Borrower, to effect the provisions of this Section 2.14.

(d) Unless otherwise specifically provided herein, all references in this Agreement and any other Loan Document to Revolving Loans shall be deemed, unless the context otherwise requires, to include Revolving Loans made pursuant to the increased Revolver Commitments and Maximum Revolver Amount after giving effect to all Increases pursuant to this Section 2.14.

(e) Each of the Lenders having a Revolver Commitment prior to the date of the effectiveness of an Increase (such date, the “Increase Date”, and such Lenders, the “Pre-Increase Revolver Lenders”) shall assign to any Lender which is acquiring a new or additional Revolver Commitment on the Increase Date (the “Post-Increase Revolver Lenders”), and such Post-Increase Revolver Lenders shall purchase from each Pre-Increase Revolver Lender, at the principal amount thereof, such interests in the Revolving Loans and participation interests in Letters of Credit on such Increase Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans and participation interests in Letters of Credit will be held by Pre-Increase Revolver Lenders and Post-Increase Revolver Lenders ratably in accordance with their Pro Rata Share after giving effect to such Increase.

(f) The Revolving Loans, Revolver Commitments, and Maximum Revolver Amount established pursuant to this Section 2.14 shall constitute Revolving Loans, Revolver Commitments, and Maximum Revolver Amount under, and shall be provided pursuant to the same terms (except as permitted above) and entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from any guarantees and the security interests created by the Loan Documents. Borrowers shall take any actions required by Agent in its Permitted Discretion to ensure and demonstrate that the Liens and security interests granted by the Loan Documents

continue to be perfected under the Code, the PPSA, CCQ or otherwise after giving effect to the establishment of any such new Revolver Commitments and Maximum Revolver Amount.

2.15 [Intentionally Omitted].

2.16 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.16), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligation until such time as all of the Obligations are paid in full.

(d) The Obligations of each Borrower under the provisions of this Section 2.16 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.16(d)) or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Revolving Loans or Letters of Credit issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement). Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by Agent or Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Agent or Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.16 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part,

from any of its Obligations under this Section 2.16, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of each Borrower under this Section 2.16 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.16 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or any Agent or Lender.

(f) Each Borrower represents and warrants to Agent and Lenders that such Borrower is currently informed of the financial condition of Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) The provisions of this Section 2.16 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and permitted assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or permitted assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.16 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.16 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to Agent or Lenders with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any member of the Lender Group hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(i) Each Borrower hereby agrees that after the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to Agent for application to the Obligations in accordance with Section 2.4(b).

(j) Notwithstanding any other provision contained herein or in any other Loan Document, if a “secured creditor” (as that term is defined under the *BIA*) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint and several basis, then such Person’s Obligations (and the Obligations of each other Canadian Loan Party or any other applicable Loan Party), to the extent such Obligations are secured, shall be several obligations and not joint and several obligations.

3. CONDITIONS; TERM OF AGREEMENT.

3.1 Conditions Precedent to the Initial Extension of Credit. The effectiveness of this Agreement and the obligation of each Lender to make the initial extensions of credit on the Closing Date requested by Borrowers hereunder is subject solely to the satisfaction (or waiver by Agent and each Lender), of each of the conditions precedent set forth on Schedule 3.1 (the making of such initial extensions of credit by a Lender being conclusively deemed to be such satisfaction or waiver of the conditions precedent).

3.2 Conditions Precedent to all Extensions of Credit. The obligation of the Lender Group (or any member thereof) to make any Revolving Loans hereunder (or to extend any other credit hereunder (including any amendment to, or any extension of, any Letters of Credit)) at any time after the Closing Date shall be subject solely to the following conditions precedent:

(a) the representations and warranties of Parent or its Subsidiaries contained in this Agreement or in the other Loan Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on and as of the date of such extension of credit, as though made on and as of such date (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date);

All such policies of insurance shall be with financially sound and reputable (to the extent not maintained with an Insurance Subsidiary) insurance companies acceptable to Agent in its Permitted Discretion (it being agreed that, as of the Closing Date, the insurance companies used by Borrowers on the Closing Date are acceptable to Agent) and in such amounts as is carried generally in accordance with sound business practice by companies in similar businesses similarly situated and located and, in any event, in amount, adequacy, and scope reasonably satisfactory to Agent in its Permitted Discretion (it being agreed that the amount, adequacy, and scope of the policies of insurance of Borrowers in effect as of the Closing Date are acceptable to Agent). All property insurance policies covering the Collateral are to be made payable to Agent for the benefit of Agent and the Lenders, as their interests may appear, in case of loss, pursuant to a standard loss payable endorsement with a standard non-contributory "lender" or "secured party" clause and are to contain such other provisions as Agent may reasonably require to fully protect the Lenders' interest in the Collateral and to any payments

to be made under such policies. All certificates of property and general liability insurance are to be delivered to Agent, with the loss payable (but only in respect of Collateral) and additional insured endorsements in favor of Agent and, to the extent the applicable insurance policy provider provides in its policies and procedures, shall provide for not less than thirty days (ten days in the case of non-payment) prior written notice to Agent of the exercise of any right of cancellation. If Parent or its Subsidiaries fails to maintain such insurance, Agent may arrange for such insurance, but at Borrowers' expense and without any responsibility on Agent's part for obtaining the insurance, the solvency of the insurance companies, the adequacy of the coverage, or the collection of claims. Borrowers shall give Agent prompt notice of any loss exceeding \$7,500,000 with respect to (x) any Casualty Event involving Eligible Assets included in the Borrowing Base or (y) any business interruption insurance claims that have been submitted to the insurer. Upon the occurrence and during the continuance of an Event of Default, Agent shall have the sole right (except as may otherwise be agreed to by Agent in a writing signed by Agent in its sole discretion) to file claims under any property and general liability insurance policies in respect of the Collateral, to receive, receipt and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies.

(b) If at any time any Real Property Collateral is a Flood Hazard Property, the relevant Borrower or the relevant Loan Party, as applicable, shall keep and maintain at all times flood insurance on terms and in an amount sufficient to comply with the rules and regulations promulgated under the Flood Program and otherwise acceptable to Agent in its Permitted Discretion. In the case of a parcel of Real Property Collateral that is a Flood Hazard Property acquired after the Closing Date, any evidence of the flood insurance required to be maintained under this Section 5.6(b) in respect of such Flood Hazard Property shall be delivered to Agent in accordance with the timeframes provided in Sections 5.12 and 5.13.

Additionally, at its election and expense, a Borrower may have appraisals with respect to any Fleet Assets conducted in consultation with Agent and, upon delivery thereof to Agent, such appraisals shall constitute a Current Appraisal until a subsequent appraisal is delivered to Agent. With respect to any Real Property that a Borrower requests to be included as Eligible Real Property under clause (B) of the definition of “Eligible Real Property” following the Closing Date, any appraisal with respect to such Real Property conducted pursuant to clause (c) of the definition of “Eligible Real Property” as a condition to inclusion in the Borrowing Base shall not count against the limits (as pertain to Agent) on appraisals of Eligible Real Property herein.

(a) transactions (other than the payment of management, consulting, monitoring, or advisory fees) between any Borrower or its Subsidiaries, on the one hand, and any Affiliate of Parent or its Subsidiaries, on the other hand, so long as such transactions are no less favorable, taken as a whole, to such Borrower or its Subsidiaries, as applicable, than would be obtained in an arm's length transaction with a non-Affiliate (as determined in good faith by the board of directors (or comparable governing body) of such Borrower or such Subsidiary);

(b) so long as it has been approved by such Borrower's or its applicable Subsidiary's board of directors (or comparable governing body) in accordance with applicable law, any indemnity provided for the benefit of directors (or comparable managers) of any Parent Company or its applicable Subsidiary in the ordinary course of business;

7. FINANCIAL COVENANTS.

Each Borrower covenants and agrees that, until payment in full of the Obligations, if at any time a Financial Covenant Period has commenced and is continuing, Administrative Borrower and its Subsidiaries shall have, for any Test Period ending immediately prior to the date such Financial Covenant Period commenced for which financial statements have been delivered (or are required to have been delivered) pursuant to Section 5.1, and for each Test Period ending at any time thereafter for which financial statements have been delivered (or are required to have been delivered) pursuant to Section 5.1 during such Financial Covenant Period, (a) a Fixed Charge Coverage Ratio of at least 1.00:1.00, and (b) a Senior Secured Net Leverage Ratio of not more than 4.75 to 1.00. For the avoidance of doubt (and without limiting the generality of the provisions of Section 8), it is hereby acknowledged and agreed that, the failure to comply with the foregoing financial covenants shall, subject to Section 9.3, constitute an immediate Default under this Agreement and, to the extent not cured pursuant to Section 9.3 within the time period specified therein or otherwise waived in accordance with the provisions of this Agreement, shall constitute an immediate Event of Default after such period shall have concluded.

8. EVENTS OF DEFAULT.

Any one or more of the following events shall constitute an event of default (each, an “Event of Default”) under this Agreement:

8.1 Payments. If Borrowers fail to pay when due and payable, or when declared due and payable in accordance with the terms hereof, (a) all or any portion of the Obligations consisting of interest, fees, or charges due the Lender Group, reimbursement of Lender Group Expenses, or other amounts (other than any portion thereof constituting principal) constituting Obligations (including any portion thereof that accrues after the commencement of an Insolvency Proceeding, regardless of whether allowed or allowable in whole or in part as a claim in any such Insolvency Proceeding), and such failure continues for a period of 5 Business Days, (b) all or any portion of the principal of the Loans or (c) any reimbursement obligation in respect of any Letter of Credit Disbursement.

(b) fails to perform or observe any covenant or other agreement applicable to it contained in any of paragraph (a), (b), (c), (d) or (e) of Schedule 5.1 and such failure continues for a period of five (5) days after the earlier of (i) the date on which such failure shall first become known to any senior

officer of any Loan Party, or (ii) the date on which written notice thereof is given to Borrowers by Agent or any Lender; or

(c) fails to perform or observe any covenant or other agreement applicable to it contained in this Agreement, or in any of the other Loan Documents, in each case, other than any such covenant or agreement that is the subject of another provision of this Section 8 (in which event such other provision of this Section 8 shall govern), and such failure continues for a period of 30 days after the earlier of (i) the date on which such failure shall first become known to any senior officer of any Loan Party, or (ii) the date on which written notice thereof is given to Borrowers by Agent or any Lender.

8.3 Judgments. If one or more judgments, orders, or awards for the payment of money involving an aggregate amount of \$20,000,000 (the “Judgment Threshold”) or more during the term of the Agreement (excluding from the Judgment Threshold the amount of any such judgment that is covered by insurance for which the relevant insurer is not insolvent and has not denied coverage therefor) is entered or filed against Parent or any of its Subsidiaries (other than an Immaterial Subsidiary), or with respect to any of their respective assets, and either (a) there is a period of 30 consecutive days at any time after the entry of any such judgment, order, or award during which (i) the same is not released, discharged, satisfied, vacated, or bonded pending appeal, or (ii) a stay of enforcement thereof is not in effect, or (b) enforcement proceedings are commenced upon such judgment, order, or award.

8.4 Voluntary Bankruptcy, etc. (i) If an Insolvency Proceeding is commenced by a Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) or (ii) any Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or the board of directors (or similar governing body) of such Loan Party or such Subsidiary, or any committee thereof, shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to in this Section 8.4.

8.5 Involuntary Bankruptcy, etc.

(a) If an Insolvency Proceeding is commenced against a Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) and any of the following events occur: (a) such Loan Party or such Subsidiary consents to the institution of such Insolvency Proceeding against it, (b) the petition commencing the Insolvency Proceeding is not timely controverted, (c) the petition commencing the Insolvency Proceeding is not dismissed within 60 calendar days of the date of the filing thereof, (d) an interim trustee is appointed to take possession of all or any substantial portion of the properties or assets of, or to operate all or any substantial portion of the business of, such Loan Party or its Subsidiary, or (e) an order for relief shall have been issued or entered therein.

(b) Any order, judgment or decree shall be entered against any Loan Party or any of its Subsidiaries (other than an Immaterial Subsidiary) decreeing the dissolution or split up of such Loan Party or such Subsidiary and such order shall remain undischarged or unstayed for a period in excess of 60 consecutive calendar days.

8.6 Default Under Other Agreements.

If there is a default in one or more agreements evidencing Indebtedness of any Loan Party or any of its Subsidiaries with an aggregate principal amount of \$20,000,000 or more, and such default (a) consists of a failure to pay, when due, any principal of or interest on any such Indebtedness, or (b) results in a right by the holder or holders of such Indebtedness (or a trustee on behalf of such holder(s)) that is then exercisable but irrespective of whether actually exercised, to accelerate the maturity of such Loan Party's

or its Subsidiary's obligations thereunder; provided that, notwithstanding the foregoing, a default described in the foregoing clause (b) occurring under a Capital Lease shall not give rise to a Default or Event of Default hereunder or under any other Loan Document unless (i) the holder (or holders) of such Indebtedness (or a trustee on behalf of such holder(s)) accelerates the maturity of such Loan Party's or its Subsidiary's obligations thereunder as a result of such default, or (ii) such default is continuing for a period of more than 45 consecutive days.

8.7 Representations, etc. Any warranty, representation, certification or statement made or deemed made by any Loan Party herein or in any other Loan Document or delivered in writing to Agent or any Lender in connection with this Agreement or any other Loan Document proves to be untrue in any material respect (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of the date of making or deemed making thereof.

8.8 Guaranty. If the obligation of any Guarantor under the guaranty contained in the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement shall cease to be in full force and effect or any Guarantor shall deny or disaffirm in writing such Guarantor's obligations under its guaranty contained in the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement, as applicable (other than, in each case, in accordance with the terms of this Agreement or the Guaranty and Security Agreement or Canadian Guarantee and Security Agreement, as applicable).

8.9 Security Documents. If the Guaranty and Security Agreement, Canadian Guarantee and Security Agreement, Deed of Hypothec or any other Loan Document that purports to create a Lien shall, for any reason, fail or cease to create a valid, perfected, first priority Lien on any Collateral with a value of \$5,000,000 or more which is covered thereby, or Agent does not have or cease to have a valid and perfected Lien in any Collateral with a value of \$5,000,000 or more which is purported to be covered by the Loan Documents with the priority required by the relevant Loan Document, in each case except (a) to the extent of Permitted Liens which are entitled to priority as a matter of law, (b) as a result of a disposition of the applicable Collateral in a transaction permitted under this Agreement or such Loan Document, or (c) solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party; provided that, with respect to any Fleet Asset, so long as the Loan Parties are in compliance with the Fleet Asset Perfection Requirements with respect to such Fleet Asset, the Loan Documents shall be deemed to create, and the Agent shall be deemed to have, a valid, perfected, first priority Lien on such Fleet Asset.

8.10 Loan Documents. Any Loan Document shall cease to be in full force and effect or the validity or enforceability thereof shall at any time for any reason (other than solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party) be declared in writing to be null and void by any Loan Party, or a proceeding shall be commenced by a Loan Party or its Subsidiaries, or by any Governmental Authority having jurisdiction over a Loan Party or its Subsidiaries, seeking to establish the invalidity or unenforceability thereof, or a Loan Party or its Subsidiaries shall contest in writing the validity or enforceability of any Loan Document or deny in writing that it has any further liability, including with respect to future advances by the Lenders, under any Loan Document to which it is a party or shall contest in writing the validity or perfection of any Lien in any Collateral purported to be covered by the Loan Documents.

8.11 Change of Control. A Change of Control shall occur.

8.12 ERISA. (a) An ERISA Event has occurred with respect to a Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in a Material Adverse Effect, (b) there is or arises Unfunded Pension Liability which has resulted or could reasonably be expected to result in a Material Adverse Effect, or (c) there is or arises any Withdrawal Liability, which has resulted or could reasonably be expected to result in a Material Adverse Effect.

8.13 Subordinated Indebtedness. Any Subordinated Indebtedness permitted hereunder, or the guarantees thereof, shall cease, for any reason (other than solely as the result of any action(s) taken by Agent (or its designee (including any Custodian)) or the failure of Agent (or its designee (including any Custodian)) to take any action(s) within its control, or any combination thereof, which does not arise from a breach of the Loan Documents by a Loan Party), to be validly subordinated to the Obligations in accordance with the applicable subordination provisions thereof or subordination agreement with respect thereto.

8.14 Canadian Plans. Any Canadian Pension Event shall occur.

9. RIGHTS AND REMEDIES.

9.1 Rights and Remedies. Upon the occurrence and during the continuation of an Event of Default, Agent shall, at the instruction of the Required Lenders (in each case under clause (a) or (b) of this Section 9.1 by written notice to Borrowers), in addition to any other rights or remedies provided for hereunder or under any other Loan Document or by applicable law, do any one or more of the following:

(a) (i) declare the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents to be immediately due and payable, whereupon the same shall become and be immediately due and payable and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by each Borrower, and (ii) direct Borrowers to provide (and Borrowers agree that upon receipt of such notice Borrowers will provide) Letter of Credit Collateralization to Agent to be held as security for Borrowers' reimbursement obligations for drawings that may subsequently occur under issued and outstanding Letters of Credit;

(b) declare the Revolver Commitments terminated, whereupon the Revolver Commitments shall immediately be terminated together with (i) any obligation of any Revolving Lender to make Revolving Loans, (ii) the obligation of the Swing Lender to make Swing Loans, and (iii) the obligation of Issuing Bank to issue Letters of Credit; and

(c) exercise all other rights and remedies available to Agent or the Lenders under the Loan Documents, under applicable law, or in equity (subject to any notice provisions in the Loan Documents); provided, that with respect to any Event of Default resulting solely from failure of Borrowers to comply with the Financial Covenants, neither Agent nor the Required Lenders may exercise the foregoing remedies in this Section 9.1 except as provided in Section 9.3(d).

The foregoing notwithstanding, upon the occurrence of any Event of Default described in Section 8.4 or 8.5, in addition to the remedies set forth above, without any notice to Borrowers or any other Person or any act by the Lender Group, the Revolver Commitments shall automatically terminate and the Obligations (other than the Bank Product Obligations), inclusive of the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents, shall

automatically become and be immediately due and payable and Borrowers shall automatically be obligated to repay all of such Obligations in full (including Borrowers being obligated to provide (and Borrowers agree that they will provide) (1) Letter of Credit Collateralization to Agent to be held as security for Borrowers' reimbursement obligations in respect of drawings that may subsequently occur under issued and outstanding Letters of Credit, and (2) Bank Product Collateralization to Agent to be held as security for Borrowers' or their Subsidiaries' obligations in respect of outstanding Bank Products), without presentment, demand, protest, or notice or other requirements of any kind, all of which are expressly waived by Parent and Borrowers.

9.2 Remedies Cumulative. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, the PPSA, the CCQ, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election, and no waiver by the Lender Group of any Event of Default shall be deemed a waiver of any other Event of Default or future Event of Default. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

9.3 Curative Proceeds.

(a) For purposes of determining compliance with the Financial Covenants for any Test Period, any proceeds of cash equity contributions (which equity shall be common equity or otherwise in a form reasonably acceptable to the Agent) made to Parent (which shall all be contributed in cash to the common equity of Administrative Borrower) or cash proceeds of Subordinated Indebtedness issued to the Sponsor by Parent or Borrowers (which in the case of any such proceeds received by Parent shall all be contributed in cash to the common equity of Administrative Borrower), following the end of such Test Period and on or prior to the date (the "Cure Expiration Date") that is 10 Business Days after (i) in the case of testing compliance when Administrative Borrower and its Subsidiaries initially become subject to testing the Financial Covenants, the date Administrative Borrower and its Subsidiaries become subject to testing the Financial Covenants for such Test Period or (ii) in the case of any subsequent testing of the Financial Covenants while Administrative Borrower and its Subsidiaries continue to be subject to testing of the Financial Covenants after the applicable date referred to in the foregoing clause (i), the date of delivery of the financial statements required to be delivered pursuant to paragraph (a) or (c), as applicable, of Schedule 5.1 with respect to the fiscal quarter or fiscal year, as applicable, most recently ended for the relevant Test Period, will, at the request of Administrative Borrower pursuant to a notice (a "Cure Notice") delivered to Agent on or prior to the Cure Expiration Date, be included in the calculation of EBITDA solely for the purposes of determining compliance with the Financial Covenants at the end of such Test Period and applicable subsequent Test Periods which include the last fiscal quarter of such Test Period (any such contribution so included in the calculation of EBITDA, a "Specified Contribution"); provided that (i) the amount of any Specified Contributions included in the calculation of EBITDA shall be no greater than the amount required to cause compliance with both Financial Covenants on a Pro Forma Basis, and (ii) any Specified Contributions for any Test Period shall be included in the calculation of EBITDA solely for purposes of determining compliance with the Financial Covenants for such Test Period and shall be disregarded for all other purposes, including for purposes of the definition of "Payment Condition" and determining any baskets calculated on the basis of EBITDA contained herein and in the other Loan Documents.

(b) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no cure right set forth in this Section 9.3 is exercised and (ii) there shall be no pro forma reduction in Indebtedness with the Specified Contribution for determining compliance with the Financial Covenants for the fiscal quarter with respect to which such Specified Contribution was made.

(c) There can be no more than four fiscal quarters in which the cure rights set forth in this Section 9.3 are exercised during the term of the Agreement.

(d) With respect to any Default or Event of Default that has occurred and is continuing as a result of a breach of any Financial Covenant prior to Agent's receipt of a Cure Notice and Administrative Borrower's receipt of the Specified Contribution in accordance with the terms of Section 9.3(a), any Event of Default that has occurred as a result of a breach of a Financial Covenant shall be deemed to be continuing; provided that prior to the Cure Expiration Date neither Agent nor any Lender may exercise any rights or remedies under the Loan Documents on the basis of any such Default or Event of Default solely resulting from a breach of a Financial Covenant unless and until Administrative Borrower fails to timely deliver a Cure Notice, it being understood that during such period, notwithstanding anything to the contrary contained herein, neither any Lender nor Issuing Bank shall be required to make any Revolving Loan or other extension of credit without the consent of the Required Lenders until such time as the Specified Contribution is actually received by Administrative Borrower in accordance with the terms of Section 9.3(a). Upon Administrative Borrower's receipt of a Specified Contribution in accordance with the terms of Section 9.3(a) for any Test Period end, any Default or Event of Default existing as a result of (i) a breach of the Financial Covenants for such Test Period end, (2) the failure to give notice of any Default or Event of Default described in this sentence, and (3) any breach of a representation or warranty in the Loan Documents solely as a result of the existence of any Default or Event of Default described in this sentence, in each case, shall be deemed cured and no longer existing.

10. WAIVERS; INDEMNIFICATION.

10.1 Demand; Protest; etc. Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which any Borrower may in any way be liable.

10.2 The Lender Group's Liability for Collateral. Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the PPSA or CCQ, as applicable, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person (except, in each case, for liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence, bad faith or willful misconduct of Agent or any member of the Lender Group), and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3 Indemnification. Each Borrower shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons, and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable and documented out-of-pocket fees and disbursements of attorneys (limited, in the case of legal expenses, to one primary counsel to Agent and Lenders to be retained by Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction (which may include a single firm of counsel acting in multiple jurisdictions) and, in the case of an actual or perceived conflict of interest where any Indemnified Person affected by such conflict informs Administrative Borrower of such conflict, of a single additional firm of counsel in each relevant jurisdiction for all similarly situated affected Indemnified Persons), experts, or consultants and all other reasonable and documented out-of-pocket costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are

incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrowers shall not be liable for costs and expenses (including attorneys fees) of any Lender (other than Wells Fargo) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Parent's and its Subsidiaries' compliance with the terms of the Loan Documents (provided, that the indemnification in this clause (a) shall not extend to claims that a court of competent jurisdiction finally determines to have resulted from (i) disputes solely between or among the Lenders that do not involve any acts or omissions of any Loan Party, or (ii) disputes solely between or among the Lenders and their respective Affiliates that do not involve any acts or omissions of any Loan Party; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) any Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim, (b) with respect to any actual or prospective investigation, litigation, or proceeding related to this Agreement, any other Loan Document, the making of any Loans or issuance of any Letters of Credit hereunder, or the use of the proceeds of the Loans or the Letters of Credit provided hereunder (irrespective of whether any Indemnified Person is a party thereto, but including if any Loan Party is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by any Borrower or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of any Borrower or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing notwithstanding, no Borrower shall have any obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from (A) the gross negligence, willful misconduct, or bad faith of such Indemnified Person or its officers, directors, employees, attorneys, or agents or (B) any breach in any material respect by such Indemnified Person of any Loan Documents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrowers were required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrowers with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON (OTHER THAN ACTS OR OMISSIONS THAT A COURT OF COMPETENT JURISDICTION FINALLY DETERMINES TO HAVE RESULTED FROM GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR BAD FAITH).**

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations

owed to it and its Revolver Commitment) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an “Assignee”), with the prior written consent (such consent not be unreasonably withheld, conditioned, or delayed) of:

(A) Administrative Borrower; provided, that no consent of Administrative Borrower shall be required (1) if an Event of Default has occurred and is continuing under Section 8.1, 8.4, or 8.5, or (2) in connection with an assignment to a Person that is a Lender, an Affiliate (other than natural persons) of a Lender or a Related Fund; provided further, that Administrative Borrower shall be deemed to have consented to a proposed assignment unless it objects thereto by written notice to Agent within 10 Business Days after having received written notice thereof, and

(B) Agent, Swing Lender, and Issuing Bank.

(ii) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made (i) to an Ineligible Institution, unless an Event of Default has occurred and is continuing under Section 8.1, 8.4 or 8.5, or (ii) to a natural person,

(B) no assignment may be made to a Loan Party, an Affiliate of a Loan Party, or Sponsor,

(C) the amount of the Revolver Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000),

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement,

(E) the parties to each assignment shall execute and deliver to Agent and Administrative Borrower an Assignment and Acceptance; provided, that Borrowers and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Borrowers and Agent by such Lender and the Assignee,

(F) no assignment may be made to a Defaulting Lender,

(G) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent’s separate account, a processing fee in the amount of \$3,500, and

(H) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the “Administrative Questionnaire”).

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be

a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a “Lender” and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Sections 10.3 and 16) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender’s rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender’s obligations under Sections 15 and 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, (vi) such assignee is not an Ineligible Institution; provided that no such confirmation shall be required if an Event of Default has occurred and is continuing under Section 8.1, 8.4 or 8.5, and (vii) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent’s receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Revolver Commitments arising therefrom. The Revolver Commitment allocated to each Assignee shall reduce such Revolver Commitments of the assigning Lender *pro tanto*.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (in each case, other than a Person to which an assignment is not permitted under Section 13.1(a)(ii)(A) or 13.1(a)(ii)(B)) (a “Participant”) participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the “Originating Lender”) hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a “Lender” for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a “Lender” hereunder or under the other Loan Documents and the Originating Lender’s obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection

with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, in each case of the foregoing clauses (A) through (E), except to the extent any such amendment or consent is permitted to be effected by only the Required Lenders pursuant to Section 14.1 (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to a Loan Party, an Affiliate of a Loan Party, Sponsor, or an Affiliate of Sponsor, and (vii) all amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrowers, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR § 203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of Borrowers) shall maintain, or cause to be maintained, a register (the "Register") on which it enters the name and address of each Lender as the registered owner of the Revolving Loans (and the principal amount thereof and stated interest thereon) held by such Lender (each, a "Registered Loan"). Other than in connection with an assignment by a Lender of all or any portion of its portion of the Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender (i) a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated

assignee(s) or transferee(s). The entries in the Register shall be conclusive absent manifest error, and Borrowers, the Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as Lender hereunder for all purposes of this Agreement. Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrowers shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Lender of all or any portion of its Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender, and which assignment is not recorded in the Register, the assigning Lender, on behalf of Borrowers, shall maintain a register comparable to the Register. The Register shall be available for inspection by Borrowers and any Lender at any reasonable time during business hours and from time to time upon reasonable notice.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrowers, shall maintain (or cause to be maintained) a register on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(j) Agent shall make a copy of the Register (and each Lender shall make a copy of its Participant Register to the extent required pursuant to clause (i) above) available for review by Borrowers from time to time as Borrowers may reasonably request.

(k) Notwithstanding anything in any Loan Document to the contrary, Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Ineligible Institutions, except to make the list of Ineligible Institutions available to Lenders upon request. Without limiting the generality of the foregoing and notwithstanding anything in any Loan Document to the contrary, Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is an Ineligible Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, Commitment or other Obligations, or disclosure of confidential information, to any Ineligible Institution. Furthermore, Agent shall have the right, and Borrowers hereby expressly authorize Agent, to disclose the list of Ineligible Institutions to each Lender requesting the same.

13.2 Successors. This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, that no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders’ prior written consent and any prohibited assignment shall be absolutely void ab initio. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Borrower is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 Amendments and Waivers.

(a) No amendment, waiver or other modification of any provision of this Agreement or any other Loan Document (other than Bank Product Agreements or the Fee Letter), and no consent with respect to any departure by Parent or any Borrower therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders, in the case of this Agreement), the Agent, in the case of all other Loan Documents, and the Loan Parties that are party thereto, and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders directly affected thereby and all of the Loan Parties that are party thereto, do any of the following:

(i) increase the amount of or extend the expiration date of any Commitment of any Lender (other than with respect to any Increases pursuant to Section 2.14 to which such Lender has agreed) or amend, modify, or eliminate the last sentence of Section 2.4(c), (it being understood that waivers or modifications of conditions precedent, waivers of Defaults, Events of Default or mandatory prepayments or any amendment or modification of financial ratios or defined terms used in the financial covenants in this Agreement shall not constitute an increase of or an extension of the expiration date of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender),

(ii) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees, or other amounts due hereunder or under any other Loan Document (other than the date of any mandatory prepayment pursuant to Section 2.4(e)),

(iii) reduce the principal of, or the rate of interest on (except as a result of the adoption of a LIBOR Successor Rate in accordance with Section 2.12(b)(iii)), any loan or other extension of credit hereunder, or reduce any fees or other amounts payable hereunder or under any other Loan Document (except (y) in connection with the waiver of any payment required by Section 2.4(e)(ii) or any waiver of the applicability of Section 2.6(c) (which any such waiver shall, in each case, be effective with the written consent of the Required Lenders), and (z) it being understood that waivers or modifications of conditions precedent, waivers of Defaults, Events of Default or mandatory prepayments or any amendment or modification of financial ratios or defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or a reduction of fees for purposes of this clause (iii)),

(iv) amend, modify, or eliminate this Section 14.1 or any provision of this Agreement providing for consent or other action by all Lenders or all Lenders directly affected thereby, as applicable,

(v) amend, modify, or eliminate Section 3.1 or 3.2,

(vi) amend, modify, or eliminate Section 15.11,

(vii) other than as permitted by Section 15.11, release Agent's Lien in and to any of the Collateral,

(viii) amend, modify, or eliminate the definition of "Required Lenders", "Supermajority Lenders", or "Pro Rata Share",

(ix) contractually subordinate any of Agent's Liens except as otherwise expressly permitted hereunder,

(x) other than in connection with a merger, amalgamation, liquidation, dissolution or sale of such Person expressly permitted by the terms hereof or the other Loan Documents, release any Borrower or any Guarantor from any obligation for the payment of money or consent to the assignment or transfer by any Borrower or any Guarantor of any of its rights or duties under this Agreement or the other Loan Documents,

(xi) amend, modify, or eliminate any of the provisions of Section 2.4(b)(i), 2.4(b)(ii), 2.4(b)(iii), 2.4(f) or 15.12(b),

(xii) amend, modify, or eliminate any of the provisions of Section 13.1 with respect to assignments to, or participations with, Persons who are Loan Parties, Affiliates of Loan Parties, Sponsor, or Affiliates of Sponsor, or

(xiii) at any time that any Real Property is included in the Collateral, increase or extend any Commitment hereunder (other than pursuant to an Increase Amendment so long as such Real Property was Collateral immediately prior to the Increase effected pursuant to such amendment) until the completion of flood due diligence, documentation and coverage as required by the Flood Laws or as otherwise satisfactory to all such affected Lenders.

(b) No amendment, waiver, modification, or consent shall amend, modify, waive, or eliminate,

(i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and Borrowers (and shall not require the written consent of any of the Lenders), or

(ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders.

(c) No amendment, waiver, modification, elimination, or consent shall, without the written consent of Agent, Borrowers and the Supermajority Lenders:

(i) (x) increase the percentages set forth in the definition "Borrowing Base" or add any new classes of eligible assets thereto or (y) otherwise amend, modify, or eliminate the definition of "Borrowing Base" or any of the defined terms (including any of the defined terms for any of the Eligible Assets) that are used in such definition to the extent that any such change results in more credit being made available to Borrowers based upon the Borrowing Base, but not otherwise, or

(ii) amend, modify, or eliminate this Section 14.1(c).

(d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Bank, or any other rights or duties of Issuing Bank under this Agreement or the other Loan Documents, without the written consent of Issuing Bank, Agent, Borrowers, and the Required Lenders.

(e) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrowers, and the Required Lenders.

(f) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of Parent or any Borrower, shall not require consent by or the agreement of any Loan Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender.

(g) Anything in this Section 14.1 to the contrary notwithstanding, if following the Closing Date, Agent and Borrowers shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then Agent and the Loan Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

14.2 Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, (ii) any Lender makes a claim for compensation under Section 16 or (iii) any Lender becomes a Defaulting Lender, then Borrowers or Agent, upon at least five Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a “Non-Consenting Lender”), any Lender that made a claim for compensation (a “Tax Lender”) or any Defaulting Lender, in each case, with one or more Replacement Lenders, and the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due in payable in respect thereof, and (ii) an assumption of its Pro Rata Share of participations in the Letters of Credit). If the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or on behalf of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one

or more Replacement Lenders shall have acquired all of the Obligations, the Revolver Commitments, and the other rights and obligations of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall remain obligated to make the Non-Consenting Lender's, Tax Lender's or Defaulting Lender's, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of participations in such Letters of Credit.

14.3 No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Parent and Borrowers of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1 Appointment and Authorization of Agent. Each Lender hereby designates and appoints Wells Fargo as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (c) make Revolving Loans, for

itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

15.2 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 Liability of Agent. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries.

15.4 Reliance by Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5 Notice of Default or Event of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have

received written notice from a Lender or Borrowers referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a “notice of default.” Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 Credit Decision. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent’s or its Affiliates’ or representatives’ possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7 Costs and Expenses; Indemnification. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by

Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence, willful misconduct or bad faith nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8 Agent in Individual Capacity. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though Wells Fargo were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

15.9 Successor Agent. Agent may resign as Agent upon 30 days (ten days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrowers (unless such notice is waived by Borrowers) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as Issuing Bank or the Swing Lender, such resignation shall also operate to effectuate its resignation as Issuing Bank or the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrowers, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such

event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term “Agent” shall mean such successor Agent and the retiring Agent’s appointment, powers, and duties as Agent shall be terminated. After any retiring Agent’s resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent’s notice of resignation, the retiring Agent’s resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10 Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11 Collateral Matters.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release (or, in the case of clause (v), release or subordinate), and Agent agrees to release (or subordinate as applicable), any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrowers certify to Agent that the sale or disposition thereof is permitted under Section 6.4 or the other Loan Documents (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which Parent or its Subsidiaries did not own any interest at the time Agent’s Lien was granted nor at any time thereafter, (iv) constituting property leased or licensed to Parent or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, (v) constituting assets or property subject, or to become subject to, a Lien permitted by clause (e), (f), (r) or (t) of the definition of “Permitted Lien”, (vi) in connection with a credit bid or purchase authorized under this Section 15.11, or (vii) having a value of less than \$5,000,000 in the aggregate during any calendar year. If Agent releases any Lien pursuant to the foregoing sentence on any motor vehicles (including Fleet Assets), then Agent shall request certificates of title with respect to such motor vehicles from the Custodian in possession of such certificates of title and, upon receipt of such certificates of title, Agent will promptly deliver such certificates of title to the Administrative Borrower. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (a) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, or

any Canadian Insolvency Law, as applicable, (b) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Section 9-610 or 9-620 of the Code or the PPSA or CCQ, as applicable, or (c) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Borrowers at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that (1) anything to the contrary contained in any of the Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrowers in respect of) any and all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Each Lender further hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to irrevocably authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness. Notwithstanding the provisions of this Section 15.11, Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) (i) to verify or assure that the Collateral exists or is owned by Parent or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria

applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise expressly provided herein.

15.12 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, enforcement, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13 Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code, the PPSA or the STA, as applicable, can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14 Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent.

Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15 Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16 Certain Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, (i) a copy of each field examination report respecting Parent or its Subsidiaries, and (ii) a copy of each appraisal of the Collateral obtained by Agent (each, a “Report”) prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any field examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent’s and its Subsidiaries’ books and records, as well as on representations of Borrowers’ personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender’s participation in, or the indemnifying Lender’s purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(f) In addition to the foregoing, (i) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or its Subsidiaries to Agent that has not been contemporaneously provided by Parent or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (ii) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender’s notice to Agent, whereupon Agent promptly shall

request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (iii) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17 Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Revolver Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Revolver Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18 Agent acting as Hypothecary Representative. Without limiting the powers of the Agent under this Agreement and the Canadian Guarantee and Security Agreement, for the purposes of holding any hypothec granted by any Canadian Loan Party pursuant to the laws of the Province of Quebec, each Canadian Loan Party and Lender hereby irrevocably appoints and authorizes the Agent and, to the extent necessary, ratifies the appointment and authorization of the Agent, to act as the hypothecary representative of the Canadian Loan Parties and the Lenders as contemplated under Article 2692 of the CCQ, and to enter into, to take and to hold on its behalf, and for its benefit, any such hypothec, and to exercise the powers and duties that are conferred upon the Agent under any hypothec. The Agent shall (a) have the sole and exclusive right and authority to exercise, except as otherwise specifically restricted by this Agreement, all rights and remedies given to the Agent pursuant to any such hypothec, applicable law or otherwise, (b) benefit from and be subject to all provisions of this Agreement with respect to the Agent mutatis mutandis in its capacity as hypothecary representative, including all such provisions with respect to the liability or responsibility to and indemnification by the Canadian Loan Parties and the Lenders, and (c) be entitled to delegate from time to time any of its powers or duties under any hypothec on such terms and conditions as it may determine from time to time. Any Person who becomes a Lender will, by its execution of an Assignment and Acceptance, be deemed to have consented to and confirmed the Agent as the Person acting as hypothecary representative holding those hypothecs and to have ratified, as of the date it becomes a Lender, all actions taken by the Agent in that capacity. The appointment of a successor Agent pursuant to this Agreement also constitutes the appointment of a successor hypothecary representative under this Section. Notwithstanding anything in this Agreement to the contrary, this Section 15.18 is governed by the laws of the Province of Quebec and the federal laws of Canada applicable in Quebec.

15.19 Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and Documentation Agents. Each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall not have any right, power, obligation, liability, responsibility, or duty under this Agreement other than those applicable to it in its capacity as a Lender, as Agent, as Swing Lender, or as Issuing Bank, as applicable. Without limiting the foregoing, each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall not

have or be deemed to have any fiduciary relationship with any Lender or any Loan Party. Each Lender, Agent, Swing Lender, Issuing Bank, and each Loan Party acknowledges that it has not relied, and will not rely, on the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any) in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Joint Lead Arrangers, Joint Book Runners, Syndication Agent, and documentation agents (if any), in such capacities, shall be entitled to resign solely in such capacities by giving notice to Agent and Borrowers.

16. WITHHOLDING TAXES.

16.1 Payments. All payments made by or on account of any obligation of a Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, except as required by law, and in the event any deduction or withholding of Taxes is required by applicable law, Borrowers shall comply with the next sentence of this Section 16.1. If any Taxes are required to be so withheld or deducted, Borrowers shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then, Borrowers agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts to the extent that the increase in such amount payable results from Agent's or such Lender's own willful misconduct, gross negligence or bad faith (as finally determined by a court of competent jurisdiction). If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Administrative Borrower, then Borrowers may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax. Borrowers will furnish to Agent as promptly as practicable after the date the payment of any Indemnified Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by Borrowers or other documentation reasonably acceptable to Agent. Borrowers agree to pay, or at the option of Agent timely reimburse it for the payment of, any Other Taxes. Borrowers shall indemnify Agent, Issuing Bank or any Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Person or required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Administrative Borrower by a Lender (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

16.2 Exemptions.

(a) Each Lender or Participant agrees with and in favor of Agent and Borrowers, to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation) one of the following (in each case originally signed) before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers or Agent):

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrowers (within the meaning of Section 871(h)(3)(B) of the IRC),

or (III) a controlled foreign corporation related to Borrowers within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, Form W-8BEN-E or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or Form W-8BEN-E;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender or Participant, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is not the beneficial owner of payments made under any Loan Document, (A) a properly completed and executed copy of IRS Form W-8IMY (with proper attachments), and (B) the relevant forms described in clauses (i), (ii), (iii) and (v) of this Section 16.2 that would be required of each such beneficial owner, if such beneficial owner were a Lender or Participant; or

(v) if such Lender or Participant is a U.S. Person (as defined in Section 7701(a)(30) of the IRC) a properly completed and executed copy of IRS Form W-9 certifying that such Lender or Participant is exempt from U.S. federal backup withholding tax.

(b) Each Lender or Participant shall on or prior to the date on which it becomes a Lender or Participant hereunder provide the above forms (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower) and shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and will promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) In the case of a Lender or Participant that would be subject to Tax imposed by FATCA on payments made under this Agreement or any other Loan Document if such Lender or Participant fails to comply with the applicable reporting requirements of FATCA, such Lender or Participant shall provide such documentation prescribed by applicable law and such additional documentation reasonably requested by Borrowers or Agent (which, in the case of a Participant, shall be provided to the Lender granting the participation) as may be necessary for Borrowers or Agent to comply with its obligations under FATCA and to determine that such Lender or Participant has complied with such Lender's or such Participant's obligations under FATCA or to determine the amount to deduct and withhold from any such payments. Solely for purposes of this Section 16.2(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) If a Lender or Participant is entitled to an exemption from or reduction in withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Agent and Administrative Borrower (which, in the case of a Participant, shall be provided to the Lender granting the participation) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower), but only if such Lender or such Participant is legally able to deliver such forms. In addition, any Lender or Participant, if reasonably requested by Agent or Administrative Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or Agent as will enable the Loan

Parties or Agent to determine whether or not such Lender or Participant is subject to backup withholding or information reporting obligations. Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction. Notwithstanding anything to the contrary in the preceding three sentences, nothing in this Section 16.2(d) shall require a Lender or Participant to disclose any information that it reasonably deems to be confidential (including its tax returns) or any documentation or information that, in the Lender's or Participant's reasonable judgment, the completion, execution or submission of which would subject such Lender or Participant to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or Participant.

(e) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent and Administrative Borrower (or, in the case of a Participant, the Lender granting the participation) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent and Borrowers will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(a), 16.2(c) or 16.2(d) as no longer valid. With respect to such percentage amount, such Participant or Assignee shall provide new documentation, pursuant to Section 16.2(a), 16.2(c) or 16.2(d), if applicable. Upon the reasonable request of Agent, a Lender shall also provide to Agent documentation provided to such Lender by a Participant pursuant to Section 16.2(a) or 16.2(c). Borrowers agree that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Revolver Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto and provided that a Participant shall not be entitled to any additional amounts pursuant to this Section 16 in excess of the amount to which Lender granting the participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

16.3 Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent), then Agent (and, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, the Lender granting the participation or Agent) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation or Agent) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (and, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (and, in the case of a Participant, the Lender granting the participation or Agent), as tax or otherwise,

including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent only) under this Section 16, together with all costs and expenses (including attorneys fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4 Refunds. If Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes paid by the Borrowers pursuant to this Section 16, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses (including Taxes) of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agree to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct, gross negligence or bad faith of Agent hereunder) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to Borrowers or any other Person.

16.5 Survival. Each party's obligations under this Section 16 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

17. GENERAL PROVISIONS.

17.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by Parent, each Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Parent or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 Bank Product Providers. Each Bank Product Provider in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits

of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrowers may obtain Bank Products from any Bank Product Provider, although Borrowers are not required to do so. Each Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6 Debtor-Creditor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein. Each Borrower and each other Loan Party and its Subsidiaries acknowledges that its business and financial relationships with the Lenders are unique from its relationship with any other of its creditors. Each Borrower and each other Loan Party and its Subsidiaries agrees that it shall not file any plan of arrangement under the CCAA or proposal under the BIA which provides for, or would permit, directly or indirectly, the Lenders to be classified with any other creditors of such Borrower and each other Loan Party and its Subsidiaries for purposes of such CCAA plan of arrangement, BIA proposal or otherwise.

17.7 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity,

enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

17.8 Revival and Reinstatement of Obligations; Certain Waivers. If any member of the Lender Group or any Bank Product Provider repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of Collateral) previously paid or transferred to such member of the Lender Group or such Bank Product Provider in full or partial satisfaction of any Obligation or on account of any other obligation of any Loan Party under any Loan Document or any Bank Product Agreement, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code or any Canadian Insolvency Law relating to fraudulent transfers, preferences, transfers at undervalue or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group or Bank Product Provider elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group or Bank Product Provider elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys fees of such member of the Lender Group or Bank Product Provider related thereto, (i) the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist, and (ii) Agent's Liens securing such liability shall be effective, revived, and remain in full force and effect, in each case, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) Agent's Liens shall have been released or terminated, or (B) any provision of this Agreement shall have been terminated or cancelled, Agent's Liens, or such provision of this Agreement, shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligation of any Loan Party in respect of such liability or any Collateral securing such liability.

17.9 Confidentiality.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided, that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation, and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process,

provided, that (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process, and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 17.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 17.9 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, (i) Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services, and (ii) Agent may disclose information concerning the terms and conditions of this Agreement, with the prior written consent of the Sponsor (such consent not to be unreasonably withheld, delayed, or conditioned) in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of any Borrower or the other Loan Parties and the Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent. No Lender may make any such announcement without the prior written consent of Agent and Sponsor (such consent of Agent and Sponsor to be given or withheld in Agent's and Sponsor's, as applicable, sole and absolute discretion).

(c) The Loan Parties hereby acknowledge that Agent or its Affiliates may make available to the Lenders materials or information provided by or on behalf of Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks, SyndTrak or another similar electronic system (the "Platform"). The Platform is provided "as is" and "as available". Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. The Loan Parties hereby acknowledge that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Loan

Parties or their securities). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked “PUBLIC” or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor” (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as “Public Investor” (or such other similar term).

17.10 Survival. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Bank, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or been terminated.

17.11 Patriot Act, Due Diligence. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, to the extent any of Agent or any Lender is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners, including (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties, (b) OFAC/PEP searches and customary individual background checks for the Loan Parties’ senior management and key principals and (c) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the legal and beneficial owners of the Loan Parties. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.13 Administrative Borrower as Agent for Borrowers. Each Borrower hereby irrevocably appoints Administrative Borrower, as the borrowing agent and attorney-in-fact for all Borrowers which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (a) to provide Agent with all notices with respect to Revolving Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this

Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from members of the Lender Group (and any notice or instruction provided by any member of the Lender Group to Administrative Borrower in accordance with the terms hereof shall be deemed to have been given to each Borrower), and (c) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Revolving Loans and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that Lender Group shall not incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Lender Group to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify each member of the Lender Group and hold each member of the Lender Group harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender Group by any Borrower or by any third party whosoever, arising from or incurred by reason of (i) the handling of the Loan Account and Collateral of Borrowers as herein provided, or (ii) the Lender Group's relying on any instructions of Administrative Borrower, except that Borrowers will have no liability to the relevant Agent-Related Person or Lender-Related Person under this Section 17.13 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of such Agent-Related Person or Lender-Related Person, as the case may be.

17.14 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

17.15 Canadian Anti-Terrorism Laws.

(a) Each Loan Party acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and “know your client” laws, Agent and Lenders may be required to obtain, verify and record information regarding each Loan Party, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of such Loan Party, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by Agent or any Lender, or any prospective assignee or participant of Agent or a Lender, in order to comply with any such laws, whether now or hereafter in existence.

(b) If Agent has ascertained the identity of any Loan Party or any authorized signatories of any Loan Party for the purposes of the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and “know your client” laws, then Agent:

(i) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a “written agreement” in such regard between each Lender and Agent within the meaning of such laws; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of any Loan Party or any authorized signatories of any Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

17.16 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be the Spot Rate on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable law).

3. Assignee (a) confirms that it has received copies of the Credit Agreement and the other Loan Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment Agreement, (b) agrees that it will, independently and without reliance upon Agent, Assignor, or any other Lender, based upon such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under the Loan Documents, (c) confirms that it is an Eligible Transferee, (d) appoints and authorizes Agent to take such action as agent on its behalf and to exercise such powers under the Loan Documents as are delegated to Agent by the terms thereof, together with such powers as are reasonably incidental thereto, (e) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender, (f) confirms it meets all the requirements to be an assignee under the assignment provisions of the Credit Agreement, and (g) attaches the forms prescribed by the Internal Revenue Service of the United States certifying as to Assignee’s status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to Assignee under the Credit Agreement or such other documents as are necessary to indicate that all such payments are subject to such rates at a rate reduced by an applicable tax treaty.

4. Following the execution of this Assignment Agreement by Assignor and Assignee, Assignor will deliver this Assignment Agreement to Agent for recording by Agent. The effective date of

this Assignment (the “Settlement Date”) shall be the latest to occur of (a) the date of the execution and delivery hereof by Assignor and Assignee, (b) the receipt by Agent for its sole and separate account a processing fee in the amount of \$3,500 (unless waived by Agent), (c) the receipt of any required consent of Borrowers and Agent, (d) the date specified in Annex I, and (e) the date that Assignor receives the full amount of the Purchase Price (as set forth in Annex I) in cash from Assignee.

6. Upon the Settlement Date, Assignee shall pay to Assignor the Purchase Price (as set forth in Annex I). From and after the Settlement Date, Agent shall make all payments that are due and payable to the holder of the interest assigned hereunder (including payments of principal, interest, fees and other amounts) to Assignor for amounts which have accrued up to but excluding the Settlement Date and to Assignee for amounts which have accrued from and after the Settlement Date. Re: Compliance Certificate dated _____, 20__

Ladies and Gentlemen:

Reference hereby is made to that certain Credit Agreement dated as of April 16, 2019 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"), by and among **PROJECT KENWOOD INTERMEDIATE HOLDINGS III, LLC**, a Delaware limited liability company ("Parent"), **PROJECT KENWOOD ACQUISITION, LLC**, a Delaware limited liability company ("Administrative Borrower"), the other borrowers party thereto (together with Administrative Borrower, are referred to hereinafter each individually as a "Borrower", and individually and collectively, jointly and severally, as the "Borrowers"), the lenders party thereto as "Lenders", and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association, as administrative agent for each member of the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, "Agent"). All initially capitalized terms used herein without definition shall have the meanings ascribed thereto in the Credit Agreement (including Schedule 1.1 thereto).

Pursuant to Section 5.1 of the Credit Agreement, the undersigned officer of Administrative Borrower hereby certifies, solely in such Person's capacity as an officer of Administrative Borrower and not in any individual capacity, as of the date hereof that:

1. The financial information of Administrative Borrower and its Subsidiaries furnished in Schedule 1 attached hereto, has been prepared in accordance with [GAAP] [IFRS] [the Target Historical Accounting Principles] (except, in the case of unaudited financial statements, for year-end audit adjustments and the lack of footnotes), and fairly presents in all material respects the financial condition of Administrative Borrower and its Subsidiaries as of the date set forth therein.

2. Such officer has reviewed the terms of the Credit Agreement and has made, or caused to be made under his/her supervision, a review in reasonable detail of the transactions and financial condition of Administrative Borrower and its Subsidiaries during the accounting period covered by the financial statements furnished in Schedule 1 attached hereto.

3. Such review has not disclosed the existence on and as of the date hereof, and the undersigned does not have knowledge of the existence as of the date hereof, of any event or condition that constitutes a Default or Event of Default, except for such conditions or events listed on Schedule 2 attached hereto, in each case specifying the nature and period of existence thereof and what action Parent and/or its Subsidiaries have taken, are taking, or propose to take with respect thereto.

4. The calculation of EBITDA for the Test Period ending _____, 20__, is set forth on Schedule 3.

5. Schedule 4 describes (a) all new Patents (as defined in the Guaranty and Security Agreement and the Canadian Guarantee and Security Agreement, as applicable), new Copyrights (as defined in the Guaranty and Security Agreement and the Canadian Guarantee and Security Agreement, as applicable), and new Trademarks (as defined in the Guaranty and Security Agreement and the Canadian Guarantee and Security Agreement, as applicable) that are registered in the United States or Canada or the subject of pending applications for registration with the United States Patent and Trademark Office, the United States Copyright Office or the Canadian Intellectual Property Office (as applicable) in each case, which were acquired, registered, or for which applications for registration were filed by any Loan Party during the prior quarter, (b) any statement of use or amendment to allege use with respect to intent-to-use trademark applications filed by any Loan Party during the prior quarter, and (c) all new Intellectual Property Licenses (as defined in the Guaranty and Security Agreement and the Canadian Guarantee and Security Agreement, as applicable) that are material to the conduct of a Loan Party's business entered into by such Loan Party during the prior quarter, in each case as required to be disclosed pursuant to Section 7(g)(iv) of the Guaranty and Security Agreement and Section 9(f)(iv) of the Canadian Guarantee and Security Agreement, as applicable. FORM OF SOLVENCY CERTIFICATE

[See Attached]

Solvency Certificate

Date: [_____]

This Solvency Certificate is being executed and delivered on the date hereof after giving effect to the Acquisition and other Transactions pursuant to clause (l) of Schedule 3.1 to that certain Credit Agreement dated as of the date hereof by and among Project Kenwood Intermediate Holdings III, LLC, a Delaware limited liability company (the “Company”), Project Kenwood Acquisition, LLC, a Delaware limited liability company, the other Borrowers listed on the signature pages thereto, the lenders from time to time party thereto, and Wells Fargo Bank, National Association, as Agent (the “Credit Agreement”); the terms defined therein being used herein as therein defined.

I, the undersigned, the authorized officer of the Company, in that capacity only and not in my individual capacity (and without personal liability), do hereby certify as of the date hereof, that I am duly authorized to execute this Solvency Certificate on behalf of the Company pursuant to the Credit Agreement, and based upon facts and circumstances as they exist as of the date hereof (and disclaiming any responsibility for changes in such fact and circumstances after the date hereof), that:

1. For purposes of this certificate, the terms below shall have the following definitions:

- (a) “Fair Value”

The amount at which the assets (both tangible and intangible), in their entirety, of the Company and its Subsidiaries taken as a whole would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

- (b) “Present Fair Salable Value”

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets (both tangible and intangible) of the Company and its Subsidiaries taken as a whole are sold on a going concern basis with reasonable promptness in an arm’s-length transaction under present conditions for the sale of comparable business enterprises insofar as such conditions can be reasonably evaluated.

- (c) “Stated Liabilities”

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of the Company and its Subsidiaries taken as a whole, as of the date hereof after giving effect to the consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof), determined in accordance with GAAP consistently applied.

- (d) “Identified Contingent Liabilities”

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities of the Company and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof) (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of

their nature and estimated magnitude by responsible officers of the Company (irrespective of whether such contingent liabilities meet the criteria for accrual under Statement of Financial Accounting Standard No. 5).

(e) “Will be able to pay their Stated Liabilities and Identified Contingent Liabilities as they mature”

The Company and its Subsidiaries taken as a whole will have sufficient assets and cash flow to pay their respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or (in the case of Identified Contingent Liabilities) otherwise become payable, in light of business conducted or anticipated to be conducted by the Company and its Subsidiaries as reflected in the projected financial statements and in light of the anticipated credit capacity.

(f) “Do not have Unreasonably Small Capital”

The Company and its Subsidiaries taken as a whole after consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof) is a going concern and has sufficient capital to reasonably ensure that it will continue to be a going concern for such period. I understand that “unreasonably small capital” depends upon the nature of the particular business or businesses conducted or to be conducted, and I have reached my conclusion based on the needs and anticipated needs for capital of the business conducted or anticipated to be conducted by the Company and its Subsidiaries as reflected in the projected financial statements and in light of the anticipated credit capacity.

2. For purposes of this certificate, I, or officers of the Company under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

(a) I have reviewed the financial statements (including the pro forma financial statements) referred to in clause (q) of Schedule 3.1 to the Credit Agreement.

(b) I have knowledge of and have reviewed to my satisfaction the Credit Agreement.

(c) As the senior financial officer of the Company, I am familiar with the financial condition of the Company and its Subsidiaries, and I have made such other investigations and inquiries as I have deemed appropriate.

3. Based on and subject to the foregoing, I hereby certify on behalf of the Company that after giving effect to the consummation of the Transactions (including the execution and delivery of the Credit Agreement, the making of the Loans thereunder and the use of proceeds of such Loans on the date hereof), it is my opinion that (i) the Fair Value of the assets of the Company and its Subsidiaries taken as a whole exceed their Stated Liabilities and Identified Contingent Liabilities, (ii) the Present Fair Salable Value of the assets of the Company and its Subsidiaries taken as a whole exceeds the amount that will be required to pay the probable liability of their Stated Liabilities and Identified Contingent Liabilities; (iii) the Company and its Subsidiaries taken as a whole are not engaged in, and are not about to engage in, business for which they have Unreasonably Small Capital; (iv) the Company and its Subsidiaries taken as a whole will be able to pay their Stated Liabilities and Identified Contingent Liabilities as they mature; and (v) the Company and each of its Subsidiaries are not an “insolvent person” as such term is defined in the BIA.

* * *

IN WITNESS WHEREOF, the Company has caused this certificate to be executed on its behalf by the authorized officer as of the date first written above.

EXHIBIT Q-2

FORM OF BENEFICIAL OWNERSHIP CERTIFICATE

[See Attached]

Certification of Beneficial Owners

What is this form?

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed and signed by an authorized person¹ who may open a new account or relationship on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth, and social security number (or in the case of non-U.S. persons, a passport number or other similar government identification number) for each beneficial owner listed on this form:

Beneficial owners are:

- i. Each individual, if any, who owns, directly or indirectly, **25 percent or more** of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- ii. An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section B, depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section B, you must provide the identifying information of one individual under section C. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the president of a company who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section C), and up to five individuals (i.e., one individual under section C and four 25 percent equity holders under section B).

Wells Fargo may also ask to see a copy of a driver's license or other government-issued identification or document for each beneficial owner listed on this form.

¹ An authorized person is defined as a natural person with control or authority on the account.

Certification of Beneficial Owners

Section A: Authorized person and legal entity

The person authorized to open a new account/relationship on behalf of a legal entity must provide the information for this section.

Note: Name and type of legal entity for which the account is being opened **must** match the information listed in the formation documents. Example: Company Name, LLC.

Note: If the legal entity is ultimately owned by a trust, the trustee must be identified.

- ☐ Check this box if no individual, directly or indirectly, has 25 percent or greater ownership of the legal entity. Proceed to Section C (Significant responsibility or control).
- ☐ Check this box if the legal entity listed in Section A above is subject only to the control prong of the beneficial ownership requirements (i.e., a pooled investment vehicle or any legal entity that is established as a nonprofit corporation or similar entity, pursuant to section 1010.230(3) (i) and (ii)). Proceed to Section C (Significant responsibility or control).

Section E: Addendum for additional legal entities

- ☐ Check this box if the beneficial ownership information contained herein applies to all legal entities on the attached addendum, as of the certification date listed above.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

I. GENERAL INSTRUCTIONS

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any other similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, date of birth, address, and Social Security number (or passport number or other similar information, in the case of foreign persons) for the following individuals (i.e., the **beneficial owners**):

- (i) Under the Ownership Prong, each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) Under the Control Prong, a single individual (natural person) with significant responsibility to control, manage or direct a legal entity customer, including an executive officer or senior manager or any other individual who regularly performs similar functions. (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.

NOTE: The following legal entity customers are only subject to the Control Prong of the beneficial ownership requirement, either because ownership interests tend to fluctuate or because they do not exist:

- A Pooled Investment Vehicle that is operated or advised by a financial institution that is **not** an Excluded Legal Entity (such as non-U.S. managed mutual funds, hedge funds and private equity funds); and
- Any legal entity that is established as a nonprofit corporation or similar entity (including a charitable, nonprofit, not-for-profit, nonstock, public benefit or similar corporation) and has filed its organizational documents with the appropriate State authority as necessary.

and

- An executive officer or senior manager (e.g., Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, Treasurer); or

(**Note:** If appropriate, an individual can be identified as both an “owner” and “control party”).
