AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Amendments to Credit Agreement.

(a) Schedule 1.1 of the Credit Agreement is hereby amended by inserting the following new defined terms in their appropriate alphabetical order:

““QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. § 5390(c)(8)(D).”

““QFC Credit Support” has the meaning specified therefor in Section 17.17 of this Agreement.”

““Supported QFC” has the meaning specified therefor in Section 17.17 of this Agreement.”

““U.S. Special Resolution Regimes” has the meaning specified therefor in Section 17.17 of this Agreement.”

(b) Section 17 of the Credit Agreement is hereby amended by adding the following new subsection 17.17 to the end thereof:

“17.17 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a

state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.”

2. Conditions Precedent to Effectiveness of this Amendment. The effectiveness of this Amendment is conditioned upon the satisfaction (or waiver by the Agent and each Lender party hereto) of the following conditions precedent:

(a) The Agent shall have received this Amendment, duly executed by the Lenders constituting Required Lenders, the Agent, the Parent and the Borrowers.

(b) No Default or Event of Default shall have occurred and be continuing.

The execution, delivery and performance by each Loan Party party hereto of this Amendment have been duly authorized by all necessary action on the part of such Loan Party. As to each Loan Party party hereto, the execution, delivery, and performance by such Loan Party of this Amendment does not and will not violate any material provision of federal, provincial, territorial, state, or local law or regulation applicable to such Loan Party.

(b) Enforceability. This Amendment has been duly executed and delivered by each Loan Party party hereto and is the legally valid and binding obligation of such Loan Party, enforceable against each such Loan Party in accordance with its terms, except as enforcement may be limited by equitable principles or by bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or limiting creditors’ rights generally.

(c) Representations and Warranties. The representations and warranties of the Loan Parties contained in this Amendment and in each other Loan Document are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on and as of the date hereof as though made on and as of the date hereof (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties were true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date).

(d) No Default. No Default or Event of Default has occurred and is continuing.

5. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, ETC. THE VALIDITY OF THIS AMENDMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO, AND ANY CLAIMS, CONTROVERSIES OR

DISPUTES ARISING HEREUNDER OR RELATED SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. WITHOUT LIMITING THE FOREGOING, THIS AMENDMENT SHALL BE SUBJECT TO THE PROVISIONS (INCLUDING WITH RESPECT TO VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE) SET FORTH IN SECTION 12(b)-(f) (INCLUSIVE) OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN *MUTATIS MUTANDIS*.

This Amendment may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same agreement. Delivery of an executed counterpart of this Amendment by facsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by facsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Amendment but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

7. Reference to and Effect on the Loan Documents.

(a) Upon and after the effectiveness of this Amendment, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof” or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to “the Credit Agreement”, “thereof” or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement as amended hereby.

(b) Except as specifically set forth in this Amendment, the Credit Agreement and all other Loan Documents, have been duly executed and delivered by each Loan Party that is a party thereto and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed and shall constitute the legally valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its respective terms, except as enforcement may be limited by equitable principles or by bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or limiting creditors’ rights generally.

(c) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Agent or any Lender under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

8. Reaffirmation and Confirmation. The Loan Parties party hereto hereby (a) acknowledge and reaffirm their respective obligations as set forth in each Loan Document (as amended by this Amendment), (b) agree to continue to comply with, and be subject to, all of the terms, provisions, conditions, covenants, agreements and obligations applicable to them set forth in each Loan Document (as amended by this Amendment), which remain in full force and effect, and (c) confirm, ratify and reaffirm that (i) the guarantees and indemnities given by them pursuant to the Credit Agreement and/or any other Loan Document continue in full force and effect, following and notwithstanding, any waiver thereto pursuant to this Amendment; and (ii) the security interest granted to Agent, for the benefit of each member of the Lender Group, pursuant to the Loan Documents in all of their right, title, and interest in all then existing and thereafter acquired or arising Collateral in order to secure prompt payment and performance of the Obligations, is continuing and is and shall remain unimpaired and continue to constitute a first priority security interest (subject to Permitted Liens) in favor of the Agent, for the benefit

of each member of the Lender Group, with the same force, effect and priority in effect immediately prior to entering into this Amendment.

9. Integration. This Amendment, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the matters contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

10. Severability. Each provision of this Amendment shall be severable from every other provision of this Amendment for the purpose of determining the legal enforceability of any specific provision.

11. No Waiver. This Amendment shall have no binding force or effect until all of the conditions to the effectiveness of this Amendment have been satisfied as set forth herein. The amendments set forth in Section 1 above are effective solely for the purposes set forth herein and shall be limited precisely as written and, except as expressly provided in this Amendment, shall not be deemed to (a) be a consent to any amendment, waiver or modification of any term or condition of the Credit Agreement or of any other Loan Document or (b) prejudice, impair or effect any right or remedies that Agent or the Lenders may have or may have in the future under or in connection with the Credit Agreement or any other Loan Document.

12. Further Assurances. Each Loan Party party hereto agrees to execute and deliver any documents, agreements, instruments, certificates, notices or any other arrangements and take any and all further action that, in each case, may be required under applicable law or that the Agent or the Required Lenders may request in order to effectuate to more fully reflect the intent of the parties hereto and the matters contemplated by this Amendment or the Credit Agreement (as amended by this Amendment) or any other Loan Documents.

RECITALS

A. Parent, the Borrowers, the lenders party thereto from time to time (collectively, the "Lenders") and the Agent have previously entered into that certain Credit Agreement dated as of April 16, 2019 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have made certain loans and financial accommodations available to the Borrowers. Capitalized terms used herein without definition shall have the meanings ascribed to them in the Credit Agreement.

B. Events of Default exist (a) under Section 8.2(a) of the Credit Agreement as a result of Borrowers' failure to (i) maintain a Fixed Charge Coverage Ratio of at least 1.00:1.00, and (ii) have a Senior Secured Net Leverage Ratio of not more than 4.75 to 1.00, in each case, for the September 30, 2020 Test Date in violation of Section 7 of the Credit Agreement, and (b) under Sections 8.2(a) and 8.2(c) of the Credit Agreement as a result of Borrowers' failure to give the notice required under clause (j) and clause (l), respectively, of Schedule 5.1 of the Credit Agreement (collectively, the "Specified Events of Default").

C. The parties hereto have agreed to, among other things, (i) waive the Existing Defaults (as defined below) and (ii) amend the Credit Agreement pursuant to the terms and conditions set forth herein.

D. Parent and the Borrowers are entering into this Amendment with the understanding and agreement that, except as specifically provided herein, none of the Agent's nor any Lender's rights or remedies as set forth in the Credit Agreement or any other Loan Document are being waived or modified by the terms of this Amendment.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Waiver; Acknowledgments. Subject to the satisfaction of the conditions set forth in Section 3 below, and in reliance on the representations and warranties of the Loan Parties set

forth in Section 4 below, Agent and Lenders hereby waive (i) the Specified Events of Default and (ii) any Default or Event of Default arising solely from the making, or deemed making, of any inaccurate representation or warranty in the Credit Agreement or the other Loan Documents solely as a result of the existence of a Default or Event of Default described in this sentence (the Defaults and Events of Default described in the foregoing clauses, collectively, the “Existing Defaults”). The foregoing is a limited waiver and shall not be deemed to constitute a consent or waiver of any other term, provision or condition of the Credit Agreement or any other Loan Document, as applicable, or to prejudice any right or remedy that Agent or any Lender may now have or may have in the future under or in connection with the Credit Agreement or any other Loan Document. In connection with and as consideration for this waiver, each Loan Party acknowledges and agrees that the cash dominion provisions set forth in Section 5.16 of the Credit Agreement are in, and shall remain in, full force and effect with respect to bank accounts of the Loan Parties maintained with Wells Fargo (other than accounts that contain proceeds of loans from the Main Street Lending Program) until the first date on or after June 30, 2021 when a Liquidity Period is not in effect, and this Amendment shall constitute delivery to the Administrative Borrower of a copy of a Liquidity Notice in respect of such accounts as contemplated by Section 5.16(i) of the Credit Agreement. It is agreed and understood by the Loan Parties, Agent and the Lenders that, notwithstanding anything in the Credit Agreement or any other Loan Document to the contrary, prior to June 30, 2021, so long as no Event of Default has occurred and is continuing: (i) the Agent shall only deliver a Liquidity Notice with respect to deposit and securities accounts (other than Excluded Accounts) of the Loan Parties maintained with Wells Fargo and other deposit and securities accounts (other than Excluded Accounts) with balances in excess of \$4,000,000 in the aggregate maintained at other financial institutions, (ii) the increased reporting required under Schedule 5.2 of the Credit Agreement shall not be required and (iii) clause (h) of the definition of “Eligible Accounts” shall apply as if a Liquidity Period does not exist.

2. Amendments to Credit Agreement. Subject to the satisfaction of the conditions set forth in Section 3 below, the Credit Agreement is hereby amended as follows:

(a) Section 1.4(a) of the Credit Agreement is hereby amended by inserting the following new sentence at the end thereof: "Notwithstanding anything in this Agreement to the contrary, to the extent a determination is to be made hereunder with respect to the Borrowing Base or any component thereof on any date, such determination shall be based on the Borrowing Base and such components as set forth in the most recently delivered Borrowing Base Certificate hereunder (provided that (x) the amount of Qualified Cash included in the Borrowing Base pursuant to clause (i) thereof may be adjusted subsequent to such date of delivery as set forth in the definition of Qualified Cash and (y) the Borrowing Base may be adjusted by Agent subsequent to such date of delivery to reflect the results of any Current Appraisal)."

(b) Section 1.4(c) of the Credit Agreement is hereby amended and restated in its entirety as follows:

(c) For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent

Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

(c) Section 2.1(a)(ii)(B) is hereby amended by deleting the reference to "(based upon the most recent Borrowing Base Certificate delivered by Borrowers to Agent)" and inserting "(based upon the most recent Borrowing Base Certificate delivered by Borrowers to Agent, as the amount of Qualified Cash included therein may be adjusted subsequent to the date of such Borrowing Base Certificate pursuant to the definition of Qualified Cash and as adjusted subsequent to such date of delivery to reflect the results of any Current Appraisal).

(d) Section 2.4(e)(ii) is hereby amended and restated as follows:

(ii) In addition to mandatory prepayments pursuant to the foregoing clause (i), within 10 days following each date on or after the Closing Date upon which any Borrower receives any Net Cash Proceeds from any sale of Eligible Fleet Assets or Eligible Real Property or any other disposition pursuant to any of clauses (r) through (v) of the definition of "Permitted Dispositions", or from any policy of insurance as a result of a Casualty Event with respect to the loss of, any asset, Borrower shall prepay, without premium or penalty, the Obligations (which shall not, for the avoidance of doubt, result in any reduction in the Maximum Revolver Amount or any Revolver Commitments) in accordance with Section 2.4(b)(ii) in an aggregate amount equal to such Net Cash Proceed.

(e) Section 5.7 of the Credit Agreement is hereby amended by inserting a new Section 5.7(c) therein as follows:

(c) Notwithstanding anything in Section 5.7(a) and (b) to the contrary, unless an Event of Default has occurred and is continuing, Agent agrees not to conduct an appraisal of Fleet Assets until June 30, 2021.

(f) Section 6.10(e) of the Credit Agreement is hereby amended by inserting the following proviso at the end of such Section as follows: "; provided that notwithstanding any other terms of this Agreement or other Loan Documents, at all times from and after the Second Amendment Effective Date through and including June 30, 2021, no payments shall be made to Sponsor or any of its Affiliates by any Loan Party or any of its Subsidiaries other than payments to reimburse reasonable out-of-pocket costs and expenses of Sponsor in connection with the management, consulting, monitoring or advising the Loan Parties in an amount not to exceed \$50,000 per calendar month after the Second Amendment Effective Date so long as no Event of Default has occurred and is continuing on the date of such payment, or would occur on such date as a result of such payment."

(g) Section 7 of the Credit Agreement is hereby amended by inserting the following sentence at the end of such section: "Each Borrower covenants and agrees that Borrowers will maintain Excess Availability in an amount not less than (a) \$5,000,000 at all times during the period beginning on the Second Amendment Effective Date and ending on March 30, 2021, (b) \$7,500,000 at all times during the period beginning on March 31, 2021 and ending on

May 30, 2021 and (c) \$8,500,000 at all times during the period beginning on May 31, 2021 and ending on June 30, 2021. Each Borrower covenants and agrees that Borrowers will maintain Excess Availability plus Qualified Cash (without any duplication of Qualified Cash included in the Borrowing Base in the calculation of Excess Availability) of at least \$20,000,000 during a consecutive five (5) Business Day period commencing after the Second Amendment Date, which consecutive five (5) Business Day period shall commence no later than January 8, 2021 (the "Minimum Liquidity Covenant").

(h) Section 15.11(a) of the Credit Agreement is hereby amended by inserting the following proviso at the end of the first sentence thereof: "; provided that anything to the contrary contained in any of the Loan Documents notwithstanding, no Lien on any Collateral shall be released if a Default or Event of Default pursuant to Section 8.1 due failure to comply with Section 2.4(e)(i) exists or would be caused thereby."

(i) The following definitions in Schedule 1.1 of the Credit Agreement are hereby amended and restated in their entirety as follows:

"Financial Covenant Period" means the period commencing on the first date upon which a Liquidity Event has occurred and terminating on the end of such Liquidity Event; provided that no Financial Covenant Period shall be in effect during the period beginning on the Second Amendment Effective Date and ending on June 30, 2021.

"Liquidity Event" means the occurrence of a date when (i) Excess Availability shall have been less than an amount equal to 10.00% of the Maximum Revolver Amount, until such date as (ii) Excess Availability shall have been at least equal to 10.00% of the Maximum Revolver Amount for 30 consecutive calendar days.

SCHEDULE 2.3
TO
CREDIT AGREEMENT

Fees and Expenses

1. Origination Fee. The Borrowers will pay to Lender, for the account of Lender, an origination fee (the "Origination Fee") of 1.00% of the principal amount of the Loan. The Origination Fee shall be earned in full and due and payable on the Funding Date.
2. Transaction Fee. The Borrowers will pay to the SPV, on behalf of Lender, a transaction fee (the "Transaction Fee") of 1.00% of the principal amount of the Loan. The Transaction Fee shall be earned in full and due and payable on the Funding Date.
3. Lender Expenses. The Borrowers shall pay to Lender the Lender Expenses on the earlier of (a) the first day of the month following the date on which the applicable Lender Expenses were first incurred, or (b) the date on which demand therefor is made by Lender (it being acknowledged and agreed that any charging of such costs, expenses or Lender Expenses to the account maintained on its books in the name of each Borrower shall be deemed to constitute a demand for payment thereof for the purposes hereof). The Borrowers agree that their obligations contained in this Schedule 2.3 shall survive payment in full of all other Obligations.

SCHEDULE 2.5
TO
CREDIT AGREEMENT

LIBOR Replacement

Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document:

(a) Benchmark Replacement. If a Benchmark Transition Event or an Early Opt-in Election, as applicable, occurs, the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes under this Agreement or under any other Loan Document; provided, that any Hedge Agreement shall be deemed not to be a “Loan Document” for purposes of this Schedule 2.5. Any Benchmark Replacement will become effective on the applicable Benchmark Replacement Date without any further action or consent of the Borrowers.

(b) Benchmark Replacement Conforming Changes. Lender will have the right to make Benchmark Replacement Conforming Changes from time to time and any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of the Borrowers.

(c) Notices; Standards for Decisions and Determinations. Lender will promptly notify the Borrowers of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, and (iii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by Lender pursuant to the provisions set forth on this Schedule 2.5, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and will be made in its sole discretion and without the Borrowers’ consent.

(d) Certain Defined Terms. As used in this Agreement, each of the following capitalized terms has the meaning given to such term below:

“Benchmark” means, initially, LIBOR; provided, however, that if a Benchmark Transition Event or an Early Opt-in Election, as applicable, has occurred with respect to LIBOR or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has become effective pursuant to the provisions of this Agreement.

“Benchmark Administrator” means, initially, ICE Benchmark Administration Limited, a United Kingdom company, or any successor administrator of the then-current Benchmark or any insolvency or resolution official with authority over such administrator.

“Benchmark Replacement” means the first alternative set forth in the order below that can be determined by Lender as of the applicable Benchmark Replacement Date:

(1) the sum of: (A) Term SOFR or, if Lender determines that Term SOFR for the Corresponding Tenor cannot be determined, Term SOFR for the longest tenor that can be determined by Lender that is shorter than the Corresponding Tenor, and (B) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for Term SOFR; provided, however, that this clause (1) shall not apply to any borrowings under

the Loan if a Hedge Agreement between Lender (or any of its Affiliates) and the Borrowers is in effect with respect to all or any portion of the Loan as of the Benchmark Transition Event or Early Opt-in Election;

(2) the sum of: (A) the alternate rate of interest that has been selected by Lender as the replacement for the then-current Benchmark for the Corresponding Tenor (which, without limitation, may be compounded SOFR in arrears, or another benchmark selected by Lender); and (B) the spread adjustment or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by Lender.

With respect to Lender's decisions under this paragraph 2:

(i) if a Hedge Agreement between Lender (or any of its Affiliates) and the Borrowers relating to a portion of the Loan is in effect as of the Benchmark Transition Event or Early Opt-in Election, then Lender may without limitation, select (i) the benchmark referenced in the Hedge Agreement, which may be the sum of a fallback rate and spread adjustment, for the entire balance of the Loan, or (ii) the benchmark referenced in the Hedge Agreement, which may be the sum of a fallback rate and spread adjustment, for the hedged portion of the Loan, and the applicable Benchmark Replacement for the remaining non-hedged portion of the Loan; and

(ii) Lender's selection of any applicable Benchmark Replacement shall give due consideration to any selection or recommendation by the Relevant Governmental Body at such time and any evolving or then-prevailing market convention at such time for the mechanism for determining a replacement rate and the methodology or conventions applicable to a replacement rate. If publicly available, Lender will use any selection or recommendation by the Relevant Governmental Body at such time for the spread adjustment, or method for calculating or determining such spread adjustment, for any Benchmark Replacement selected by Lender.

"Benchmark Replacement Conforming Changes" means any technical, administrative or operational changes (including changes to the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, prepayment provisions and other administrative matters) that Lender decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by Lender.

"Benchmark Replacement Date" means the date specified by Lender in a notice to the Borrowers following a Benchmark Transition Event or Early Opt-in Election.

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark: a public statement or publication of information by or on behalf of the Benchmark Administrator or a regulatory supervisor for the Benchmark Administrator announcing that (A) the Benchmark Administrator has ceased or will cease to provide the Benchmark permanently or indefinitely or (B) the Benchmark is no longer representative of underlying markets.

"Corresponding Tenor" means a tenor having approximately the same length as the applicable Interest Period.

"Early Opt-in Election" means the occurrence of: (1) a determination by Lender that at least five currently outstanding U.S. dollar denominated syndicated or bilateral credit facilities at such time contain (as a result of amendment or as originally executed) as a benchmark interest rate, in lieu of LIBOR, a new

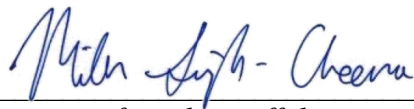

benchmark interest rate to replace LIBOR, and (2) the election by Lender to declare that an Early Opt-in Election has occurred and the provision by Lender of written notice of such election to the Borrowers.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“SOFR” with respect to any day means the secured overnight financing rate published for such day by the Federal Reserve Bank of New York, as the administrator thereof, (or a successor administrator) on its website.

“Term SOFR” means the forward-looking term rate for the Corresponding Tenor based on SOFR that has been selected or recommended by the Relevant Governmental Body.

¹ Under section 47 the Canadian Court must be satisfied that the application for the recognition of a foreign proceeding relates to a foreign proceeding and that the applicant is a foreign representative in respect of that foreign proceeding, and then determine if the foreign proceeding is a foreign "main" or a foreign "non-main" proceeding. If the Canadian Court recognizes a foreign proceeding as a "main" proceeding, then section 48 of the CCAA provides that the Court must grant certain relief, subject to any terms and conditions it considers appropriate. The provisions of this model Order are minimal, and based on the mandatory relief set out in section 48 of the CCAA with respect to a foreign main proceeding. As noted below, supplemental and other relief is set out in the model Supplemental Order (Foreign Main Proceeding).

² Part IV of the CCAA governs cross-border insolvencies.

A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors' mailing address is 160 S Route 17 North, Paramus, NJ 07652.

Having examined the Motion, being fully advised of the relevant facts and circumstances surrounding the Motion, and having completed a hearing pursuant to Bankruptcy Code §§ 363 and 364, Rule 4001(b) and (c), and Local Rule 4001-1 and 4001-2, and objections, if any, having been withdrawn, resolved or overruled by the Court, **THE MOTION IS GRANTED, AND THE COURT HEREBY FINDS THAT:**

A. On the Petition Date, Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Debtors have retained possession of their property and continue to operate their respective businesses as debtors in possession pursuant to Bankruptcy Code §§ 1107 and 1108.

B. The Court has jurisdiction over the Cases and this proceeding pursuant to 28 U.S.C. §§ 157(b) and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. The Court may enter a final order consistent with Article III of the United States Constitution. Determination of the Motion constitutes a core proceeding as defined in 28 U.S.C. § 157(b)(2). Venue over this Motion is proper under 28 U.S.C. § 1409(a).

C. As of the date hereof, no Committee has been appointed in these Cases.

D. Subject to Paragraph 9 of this Order, Applicable Debtors (for themselves and their non-Debtor subsidiaries) admit, stipulate and agree that:

1. the Prepetition ABL Documents evidence and govern the Prepetition Debt, the Prepetition Liens and the prepetition financing relationship among Applicable Debtors, Prepetition ABL Administrative Agent, Prepetition ABL Lenders and the other Prepetition Secured Parties;

2. the Prepetition Debt constitutes the legal, valid and binding obligation of Applicable Debtors, enforceable in accordance with the terms of the Prepetition ABL Documents, all of which are deemed to be reaffirmed by the parties thereto;

3. as of the Petition Date, Applicable Debtors are each liable for the payment and performance of the Prepetition Debt, and the Prepetition Debt shall be an allowed claim in an amount not less than \$182,269,070.45, exclusive of accrued and accruing Allowable 506(b) Amounts;

4. no offsets, defenses or counterclaims to the Prepetition Debt exist, and no portion of the Prepetition Debt is subject to contest, objection, recoupment, defense, counterclaim, offset, avoidance, recharacterization, subordination or other claim, cause of action or challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise;

5. the Prepetition Liens are Priority Liens, subject to Permitted Priority Liens and secure payment of all of the Prepetition Debt;

6. Nothing herein shall prejudice Prepetition ABL Administrative Agent's and any Prepetition ABL Lender's right to: (1) assert that their respective interests in the Prepetition Collateral lack adequate protection; or (2) seek a valuation of the Prepetition Collateral;

7. Debtors do not have, and each of the Debtors hereby absolutely, unconditionally and irrevocably releases, remises, and discharges and is forever barred from bringing or asserting any claims, counterclaims, causes of action, defenses or setoff rights relating to the Prepetition ABL Documents, the Prepetition Liens, the Prepetition Debt or otherwise, against the Prepetition ABL Administrative Agent, any Prepetition ABL Lenders, any other Prepetition Secured Party and each of their respective successors and assigns, and their respective present and former shareholders, members, managers, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, advisors, principals, employees, consultants, agents, legal representatives and other representatives.

E. Prepetition ABL Administrative Agent and Prepetition Secured Parties have consented to the terms of this Order and are entitled to adequate protection as set forth herein pursuant to Bankruptcy Code §§ 361, 362, 363 and 364 for any decrease in the value of their interests in the Prepetition Collateral from and after the Petition Date.

F. Applicable Debtors need to use Cash Collateral and incur Postpetition Debt as provided herein through the conclusion of the Final Hearing, in order to prevent immediate and irreparable harm to the Applicable Debtors' estates and minimize disruption to and avoid the termination of their business operations. Entry of this Order will also enhance the

possibility of maximizing the value of the Applicable Debtors' businesses in connection with an orderly sale or other disposition of the Aggregate Collateral.

G. Debtors are unable to obtain unsecured credit allowable under Bankruptcy Code § 503(b)(1) sufficient to finance the operations of their businesses. Except as provided below, Debtors are unable to obtain credit allowable under Bankruptcy Code §§ 364(c)(1), (c)(2) or (c)(3) on terms more favorable than those offered by DIP Agent and DIP Lenders. An immediate need exists for the Debtors to obtain Postpetition Debt in order to continue operations and to administer and preserve the value of their estates. The Debtors, as of the Petition Date, do not have sufficient cash resources to finance their ongoing operations and require the availability of working capital from Postpetition Debt, the absence of which would immediately and irreparably harm the Debtors, their estates and creditors.

H. The terms of the Postpetition Debt have been negotiated at arm's length, and the Postpetition Debt is being extended in good faith, as that term is used in Bankruptcy Code § 364(e).

I. The terms and conditions of the DIP Documents are fair and reasonable, the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration.

J. Under the circumstances of these Cases, this Order is a fair and reasonable response to Applicable Debtors' request for Agents' and Lenders' consent to the use of Cash Collateral and provision of Postpetition Debt, and the entry of this Order is in the best interest of Applicable Debtors' estates and their creditors.

K. The Interim Hearing was held pursuant to Rule 4001(b)(2). Under the exigent circumstances described in the Declarations, proper, timely, adequate, and sufficient notice of the Motion has been provided in accordance with the Bankruptcy Code, the Rules, and the Local Rules, and no other or further notice of the Motion or the entry of this Order shall be required.

WHEREFORE, IT IS HEREBY ORDERED THAT THE MOTION IS GRANTED, AND THAT:

1. Authorization to Use Cash Collateral. The Applicable Debtors are authorized to use Cash Collateral solely in accordance with the terms and provisions of this Order, to the extent required to pay when due those expenses enumerated in the Budget,

including funding the Carveout Account, and to pay Allowable 506(b) Amounts and the Postpetition Charges.

2. Procedure for Use of Cash Collateral.

(a) Delivery of Cash Collateral to DIP Agent. Applicable Debtors shall deposit all Cash Collateral now or hereafter in their possession or control into the Blocked Account (or otherwise deliver such Cash Collateral to DIP Agent in a manner satisfactory to DIP Agent) promptly upon receipt thereof for application in accordance with Paragraph 2(c) of this Order.

(b) Cash Collateral in Agents' or Lenders' Possession. Agents are authorized to collect upon, convert to cash and enforce checks, drafts, instruments and other forms of payment now or hereafter coming into its or any Agent's or any Lender's possession or control which constitute Aggregate Collateral or proceeds thereof.

(c) Application of Cash Collateral. Except as Agents may otherwise elect in their discretion, Agents are authorized to apply all Cash Collateral now or hereafter in any Agent's or any Lender's possession or control as follows: (1) first, to payment of Prepetition Debt consisting of Allowable 506(b) Amounts, until Paid in Full; (2) second, to the payment of all other Prepetition Debt in accordance with the Prepetition ABL Documents, until Paid in Full; (3) third, to the payment of Postpetition Debt consisting of Postpetition Charges, until Paid in Full; and (4) fourth, to payment of other Postpetition Debt in accordance with the DIP Credit Agreement, until Paid in Full. All such applications to Postpetition Debt shall be final and not subject to challenge by any Person, including any Trustee. All such applications to Prepetition Debt shall be final, subject only to the right of parties in interest to seek a determination in accordance with Paragraph 9 below that such applications to other Prepetition Debt resulted in the payment of a claim that was not an allowed secured claim of Prepetition ABL Administrative Agent and Prepetition Secured Parties. Any amounts that are determined by the Court as a result of any such objection or determination to have been improperly applied to the Prepetition Debt will be first applied to pay Postpetition Debt consisting of Postpetition Charges and then to all other Postpetition Debt, dollar-for-dollar, until Paid in Full.

(d) Prohibition Against Use of Cash Collateral. Unless otherwise consented to by Agents in writing, in Agents' discretion, Applicable Debtors may not use, seek to use, or be permitted to use any Cash Collateral for any purpose until the Aggregate Debt is Paid in Full; provided, however, that Debtors may use Cash Collateral solely as provided for in this Order.

3. Authorization To Incur Postpetition Debt.

(a) DIP Documents. Applicable Debtors are hereby authorized and have agreed to: (1) execute the DIP Documents, including all documents that DIP Agent and DIP Lenders find reasonably necessary or desirable to implement the transactions contemplated by the DIP Documents; and (2) perform their obligations under and comply with all of the terms and provisions of the DIP Documents and this Order (notwithstanding, until the entry of the Final Order, the Unused Line Fee shall be charged only against the unused portion of the \$20,000,000 of new money commitments under the DIP Documents). Upon execution and delivery thereof, the DIP Documents shall constitute valid and binding obligations of Applicable Debtors enforceable in accordance with their terms. To the extent there exists any conflict among the terms of the Motion, the DIP Documents, and this Order, this Order shall govern and control.

(b) Permitted Uses of Postpetition Debt. Applicable Debtors are authorized and have agreed to incur Postpetition Debt solely: (1) in accordance with the terms and provisions of this Order, (2) to the extent required to pay those expenses enumerated in the Budget, including funding the Carveout Account, as and when such expenses become due and payable, subject to the Permitted Variance and the terms of the DIP Documents, and (3) to pay Allowable 506(b) Amounts and the Postpetition Charges. If DIP Lenders advance monies to Applicable Debtors and Applicable Debtors use such monies other than in accordance with the terms or provisions of this Order, such advances shall be considered Postpetition Debt for purposes of this Order. Except as otherwise permitted by Section 6.7(d) of the DIP Credit Agreement, no Applicable Debtor shall, nor shall it permit any of its Subsidiaries (as defined in the DIP Credit Agreement), through any manner or means or through any other person to, directly or indirectly, use proceeds of the Postpetition Debt: (i) to declare or pay any dividend or make any other payment or distribution, directly or indirectly, on account of Equity Interests (as defined in the DIP Credit Agreement) issued by Parent or any of its Subsidiaries (including any

payment in connection with any merger, amalgamation or consolidation involving Parent or any of its Subsidiaries) or to the direct or indirect holders of Equity Interests issued by Parent or any of its Subsidiaries in its capacity as such (other than dividends or distributions payable in Qualified Equity Interests (as defined in the DIP Credit Agreement) issued by Parent or any of its Subsidiaries), (ii) to purchase, redeem, make any sinking fund or similar payment, or otherwise acquire or retire for value (including in connection with any merger, amalgamation or consolidation involving Parent or any of its Subsidiaries) any Equity Interests issued by Parent or any of its Subsidiaries, (iii) to make any payment to retire, or to obtain the surrender of, any outstanding warrants, options, or other rights to acquire Equity Interests of Parent or any of its Subsidiaries now or hereafter outstanding, (iv) in furtherance of an offer, to pay, to promise to pay, or to authorize the payment or giving of money, or anything else of value, to or for the benefit of any Affiliate of Administrative Borrower that is not a Loan Party (as each such term is defined in the DIP Credit Agreement), or (v) in connection with the investigation (including discovery proceedings), initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the Prepetition ABL Administrative Agent, Prepetition ABL Lenders, DIP Agent or DIP Lenders, except for up to \$50,000 permitted for investigation costs of any official statutory committee appointed pursuant to Section 1102 of the Bankruptcy Code.

(c) Additional Terms of Postpetition Debt.

(i) Maximum Amount. The maximum principal amount of Postpetition Debt outstanding shall not at any time exceed \$199,969,560.45 (the "Maximum Amount").

(ii) Interest. The Postpetition Debt shall bear interest at a per annum rate equal to the Base Rate (as defined in the DIP Credit Agreement) plus 4.0% (exclusive of any default rate interest that may be imposed under the DIP Credit Agreement).

(iii) Closing Fee. Applicable Debtors shall pay to DIP Agent, for the benefit of DIP Lenders, a closing fee (the "Closing Fee") in an amount equal to \$600,000, which Closing Fee shall be fully earned, due and payable in kind immediately upon the closing of the DIP Credit Agreement.

(iv) Servicing Fee. A monthly servicing fee in an amount equal to \$12,000.

(v) Contingent Obligations. Upon the entry of this Order, all of the Prepetition Debt consisting of contingent Prepetition Debt (including, without limitation, in respect of "Letters of Credit", "Hedge Obligations" and "Bank Product Obligations", as such terms are defined in the Prepetition ABL Agreement) will be deemed to be assumed by the Debtors and reissued or otherwise incurred by the Debtors under the DIP Documents as Postpetition Debt.

(vi) Maturity. The earliest of (i) the date that is 180 days after the Petition Date, (ii) 28 days following the consummation of a sale of all or substantially all of the Debtors' assets and (iii) the effective date of a plan of reorganization.

(vii) Guarantors. Each Guaranty and all related security documents shall remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order or otherwise providing for the use of Cash Collateral consented to by Agents and Lenders pursuant to Bankruptcy Code § 363 or additional financing by DIP Agent and DIP Lenders pursuant to Bankruptcy Code § 364. Each Guarantor is and shall remain liable for the guaranteed obligations under each such Guaranty, including, without limitation, all Postpetition Debt, and any refinancing thereof.

(viii) Prepetition ABL Documents. Each Prepetition Third Party Document, and other Prepetition ABL Document will remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order or otherwise providing for the use of any Cash Collateral consented to by Agents and Lenders pursuant to Bankruptcy Code § 363 or additional financing by Agents and Lenders pursuant to Bankruptcy Code § 364. Each "Borrower" and "Guarantor" (as each such term is defined in the Prepetition ABL Agreement) is and will remain liable for all guaranteed obligations and indebtedness under the Prepetition ABL Documents.

(ix) Joint and Several Liability of Applicable Debtors. The obligations of each Debtor under this Order shall be joint and several.

(x) Control Agreements. All "Control Agreements" (as defined in the Prepetition ABL Agreement) in effect as of the Petition Date shall remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order.

(d) Superpriority Administrative Expense Status; Postpetition Liens. The Postpetition Debt is hereby granted superpriority administrative expense status under Bankruptcy Code § 364(c)(1), with priority over all costs and expenses of administration of the Cases that are incurred under any provision of the Bankruptcy Code. In addition, DIP Agent is hereby granted the Postpetition Liens, for the benefit of itself, the DIP Lenders and the other

Postpetition Secured Parties to secure the Postpetition Debt. The Postpetition Liens: (1) are in addition to the Prepetition Liens; (2) are (x) with respect to all Prepetition Collateral, Priority Liens (subject only to Permitted Priority Liens, the Prepetition Liens and Replacement Liens) pursuant to Bankruptcy Code § 364(c)(3) and (y) with respect to all Postpetition Collateral (excluding the Prepetition Collateral), Priority Liens (subject only to Permitted Priority Liens subject to § 364(c)(2), in each case of the foregoing clauses (x) and (y), without any further action by Applicable Debtors or DIP Agent and without the execution, delivery, filing or recordation of any financing statements, security agreements, control agreements, title notations, mortgages, deeds of trust or other documents or instruments; (3) shall not be subject to any security interest or lien which is avoided and preserved under Bankruptcy Code § 551; (4) shall remain in full force and effect notwithstanding any subsequent conversion or dismissal of any Case; (5) shall not be subject to Bankruptcy Code § 510(c); and (6) upon approval of the Final Order, shall not be subject to any landlord's lien, banker's lien, bailee's rights, carrier's lien, right of distraint or levy, security interest, right of setoff, or any other lien, right or interest that any bailee, warehouseman, bank, processor, shipper, carrier, or landlord may have in any or all of the Aggregate Collateral. Without limiting the foregoing, Debtors shall execute and deliver to DIP Agent such financing statements, security agreements, control agreements, title notations, mortgages, deeds of trust, instruments and other documents and instruments as DIP Agent may request from time to time, and any such documents filed by DIP Agent shall be deemed filed as of the Petition Date. Further, Prepetition ABL Administrative Agent shall serve as agent for DIP Agent for purposes of perfecting DIP Agent's security interest in any Postpetition Collateral that may require perfection by possession, control or title notation, including, without limitation, under the Control Agreements. In addition, all Prepetition Third Party Documents shall be deemed to be for the benefit of DIP Agent and Postpetition Secured Parties without further order of Court or action by any Person. Without limiting the foregoing, DIP Agent, for itself and the Postpetition Secured Parties, has, and will be deemed to have, a perfected Postpetition Lien on all existing deposit accounts of each Debtor and any new deposit account that any Applicable Debtor may establish on or after the date hereof without any further action by Debtors or DIP Agent. A copy of this Order (or a notice of this Order in recordable form) may be used by DIP Agent as a financing statement, mortgage, deed of trust or similar instrument for purposes of any public filing made by DIP Agent for the perfection of the Postpetition Liens and the filing of this Order (or a notice of this Order in recordable form) shall have the same effect as if such

instrument had been filed or recorded at the time and on the Petition Date. All state, federal, and county recording officers are authorized and directed to accept a copy of this Order (or a notice of this Order in recordable form) for filing for such purposes.

(e) Prohibition Against Additional Debt. Debtors will not incur or seek to incur debt secured by a lien which is equal to or superior to the Prepetition Liens or the Postpetition Liens, or which is given superpriority administrative expense status under Bankruptcy Code § 364(c)(1), unless, in addition to the satisfaction of all requirements of Bankruptcy Code § 364, Agents have consented to such order.

4. Adequate Protection of Interests of Prepetition ABL Administrative Agent and Prepetition Secured Parties in the Prepetition Collateral and the Prepetition Liens. Prepetition ABL Administrative Agent and Prepetition Secured Parties have consented to the terms of this Order and are entitled to adequate protection as set forth herein and to the extent required under Bankruptcy Code §§ 361, 362, 363 or 364 for any decrease in the value of such interests in the Prepetition Collateral from and after the Petition Date on account of the stay, use, sale, lease, license, grant or other disposition of any Prepetition Collateral.

(a) Payments to Prepetition ABL Lenders. Debtors will timely make (x) monthly payments of interest and letter of credit commissions to the Prepetition ABL Lenders at the default rate as provided for in, and in accordance with, Section 2.6(c) of the Prepetition ABL Agreement commencing on the first scheduled payment date occurring after the Petition Date, whether or not included in the Budget and (y) payments in cash on a current basis of all fees, costs and expenses of Prepetition ABL Administrative Agent's legal counsel (including local and special counsel) and advisors; provided, however, that none of such fees, costs and expenses ("Prepetition ABL Administrative Agent Professional Fees") provided as adequate protection payments under this paragraph (a) shall be subject to approval by the Court or the United States Trustee, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with the Court. Prior to any conversion of the Chapter 11 Cases to chapter 7, any Prepetition ABL Administrative Agent Professional Fees shall be paid by the Debtors within fourteen (14) days after delivery of a summary invoice (redacted for privilege) to the Debtors and without the need for application to or order of this Court. A copy of such summary invoice shall be provided by the Prepetition ABL

Administrative Agent to the U.S. Trustee and counsel to the Committee, if one is appointed, contemporaneously with the Debtors' receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtors, U.S. Trustee, or the Committee object to the reasonableness of a summary invoice submitted by the Prepetition ABL Administrative Agent and (y) the parties cannot resolve such objection, in each case within the fourteen (14)-day period following receipt of such summary invoice, the Debtors, the U.S. Trustee or the Committee, as the case may be, shall file with this Court and serve on the Prepetition ABL Administrative Agent a fee objection (a "Prepetition ABL Administrative Agent Fee Objection"), which objection shall be limited to the issue of the reasonableness of such Prepetition ABL Administrative Agent Professional Fees. The Debtors shall promptly pay any submitted invoice after the expiration of the fourteen (14)-day period if no Prepetition ABL Administrative Agent Fee Objection is filed with this Court and served on the Prepetition ABL Administrative Agent in such fourteen (14)-day period. If a Prepetition ABL Administrative Agent Fee Objection is timely filed and served, the Debtors shall promptly pay the undisputed amount of the summary invoices, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the Prepetition ABL Administrative Agent Fee Objection.

(b) Priority of Prepetition Liens/Allowance of Prepetition ABL Lenders' Claim. Subject to the terms of Paragraph 9 of this Order: (1) the Prepetition Liens constitute Priority Liens, subject only to the Permitted Priority Liens; (2) the Prepetition Debt constitutes the legal, valid, and binding obligation of each Applicable Debtor, enforceable in accordance with the terms of the Prepetition ABL Documents; (3) no offsets, defenses, or counterclaims to the Prepetition Debt exist, and no portion of the Prepetition Debt is subject to avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law; and (4) Prepetition ABL Administrative Agent's and Prepetition Secured Parties' claim with respect to the Prepetition Debt is for all purposes an allowed claim.

(c) Replacement Liens. Prepetition ABL Administrative Agent is hereby granted the Replacement Liens, for the benefit of itself and the Prepetition Secured Parties, as security for the complete payment and performance of the Prepetition Debt. The Replacement Liens: (1) are subject to the Carveout, (2) are in addition to the Prepetition Liens; (3) are properly perfected, valid, and enforceable liens without any other or further action by Applicable Debtors or Prepetition ABL Administrative Agent, and without the execution, filing,

or recordation of any financing statement, security agreement, control agreement, mortgage, deed of trust, title notation, or other document or instrument; and (4) will remain in full force and effect notwithstanding any subsequent conversion or dismissal of any Case. Without limiting the foregoing, Applicable Debtors are authorized to, and must, execute and deliver to Prepetition ABL Administrative Agent any such financing statements, security agreements, control agreements, mortgages, deeds of trust, title notations and other documents and instruments as Prepetition ABL Administrative Agent may request from time to time in its discretion in respect of the Replacement Liens, and any such documents filed by Prepetition ABL Administrative Agent shall be deemed filed as of the Petition Date. A copy of this Order (or a notice of this Order in recordable form) may be used by Prepetition ABL Administrative Agent as a financing statement, mortgage, deed of trust or similar instrument for purposes of any public filing made by Prepetition ABL Administrative Agent for the perfection of the Prepetition Liens and the filing of this Order (or a notice of this Order in recordable form) shall have the same effect as if such instrument had been filed or recorded at the time and on the Petition Date. All state, federal, and county recording officers are authorized to accept a copy of this Order (or a notice of this Order in recordable form) for filing for such purposes.

(d) Allowed Bankruptcy Code § 507(b) Claim. If and to the extent the adequate protection of the interests of Prepetition ABL Administrative Agent and the other Prepetition Secured Parties in the Prepetition Collateral granted pursuant to this Order proves insufficient, Prepetition ABL Administrative Agent and the other Prepetition Secured Parties will have an allowed claim under Bankruptcy Code § 507(b), subject to the Carveout, in the amount of any such insufficiency, with priority over (1) any and all costs and expenses of administration of the Cases (other than the claims of DIP Agent, DIP Lenders, and the other Postpetition Secured Parties under Bankruptcy Code § 364) that are incurred under any provision of the Bankruptcy Code and (2) the claims of any other party in interest under Bankruptcy Code § 507(b).

5. Reporting and Rights of Access and Information. The Applicable Debtors shall timely comply with all reporting requirements set forth in the Prepetition ABL Agreement and the DIP Credit Agreement, as applicable. The Applicable Debtors shall comply with the rights of access and information afforded to the DIP Agent and DIP Lenders under the DIP

Documents and the Prepetition ABL Administrative Agent and the Prepetition ABL Lenders under the Prepetition ABL Documents.

6. Termination Date; Rights and Remedies.

(a) Effect of Termination Date. Upon the Termination Date without further notice or order of Court: (1) Applicable Debtors' authorization to use Cash Collateral and incur Postpetition Debt hereunder will automatically terminate; and (2) at DIP Agent's election: (i) the Postpetition Debt shall be immediately due and payable, (ii) Applicable Debtors shall be prohibited from using Cash Collateral for any purpose other than application to the Aggregate Debt in accordance with Paragraph 2(c) of this Order and (iii) each Agent shall be entitled to setoff any cash in any Agent's or any Lender's possession or control and apply such cash to the Aggregate Debt in accordance with Paragraph 2(c) of this Order.

(b) Rights and Remedies. At the conclusion of the Remedies Notice Period, at DIP Agent's election without further order of the Court: (1) Agents shall have automatic and immediate relief from the automatic stay with respect to the Aggregate Collateral (without regard to the passage of time provided for in Fed. R. Bankr. P. 4001(a)(3)), and shall be entitled to exercise all rights and remedies available to them under the Prepetition ABL Documents, the DIP Documents and applicable non-bankruptcy law (including, with respect to any Aggregate Collateral consisting of Real Property, the right to appoint a receiver, the right to foreclose judicially or non-judicially, and other rights and remedies which, under applicable non-bankruptcy law, could be granted to a mortgagee or to a trustee or to a beneficiary pursuant to the terms of a Mortgage (as defined in the Prepetition ABL Agreement and DIP Credit Agreement)); and (2) Applicable Debtors shall promptly surrender the Aggregate Collateral upon written demand by any Agent and otherwise cooperate and not interfere with Agents and Lenders in the exercise of their rights and remedies under the Prepetition ABL Documents, the DIP Documents and applicable non-bankruptcy law, including, without limitation, by filing a motion to retain one or more agents to sell, lease or otherwise dispose of the Aggregate Collateral upon the request and subject to terms and conditions acceptable to Agents. Notwithstanding the foregoing, during the Remedies Notice Period, Applicable Debtors, any Committee, and the United States Trustee shall be entitled to seek an emergency hearing seeking an order of this Court determining that an Event of Default alleged to have given rise to the Termination Date

did not occur; provided, however, that during the Remedies Notice Period (x) the Applicable Debtors shall be entitled to use Cash Collateral in accordance with the terms of this Order solely to make payroll and other critical expenses (as agreed to by Applicable Debtors and Agent) in accordance with the terms of the Budget and (y) DIP Lenders shall have no obligation to advance Postpetition Debt to Applicable Debtors and may exercise sole dominion over deposit accounts (or otherwise exercise rights under any deposit account control agreements) and except as otherwise set forth in subclause (x), apply all Cash Collateral to the Aggregate Debt in accordance with Paragraph 2(c) of this Order.

(c) Access to Collateral. Upon the entry of the Final Order, notwithstanding anything to the contrary herein or in any Prepetition Third Party Document or DIP Document, upon written notice to the landlord of any of the Applicable Debtors' leased premises that an Event of Default has occurred and is continuing, Agents may elect to (but will not be obligated to) enter upon any such leased premises for the purpose of exercising any right or remedy with respect to the Aggregate Collateral located thereon and will be entitled to such Applicable Debtor's rights and privileges under such lease without any interference from such landlord; provided, however, that such Agent shall pay to such landlord rent first accruing after the date on which such Agent commences occupancy of the leased premises, calculated on a per diem basis at the non-default rate of rent, solely for the period during which Agent actually occupies such leased premises.

7. Carveout.

(a) Carveout Terms. For purposes of this Order, “Carveout” shall mean: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the Carveout Trigger Notice) (collectively, the “Statutory Fees”); plus the sum of (ii) all reasonable fees and expenses up to \$25,000 incurred by a trustee under Bankruptcy Code § 726(b) (without regard to the Carveout Trigger Notice) (the “Chapter 7 Trustee Carveout”); (iii) to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise, subject to the Budget (as set forth below), all unpaid fees, costs, disbursements and expenses (the “Allowed Professional Fees”) incurred or earned by the Carveout Professionals at any time before or on the Carveout Trigger Date, whether allowed by the Court prior to, on, or after delivery of a Carveout Trigger

Notice (the “Pre-Trigger Carveout Cap”); and (iv) Allowed Professional Fees of the Carveout Professionals incurred after the Carveout Trigger Date in an aggregate amount not to exceed the Post-Carveout Trigger Notice Amount, to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carveout Trigger Notice Cap” and such amounts set forth in clauses (i) through (iv), the “Carveout Cap”); *provided that*, (A) nothing herein shall be construed to impair any party’s ability to object to Court approval of the fees, expenses, reimbursement of expenses or compensation of any Carveout Professional, (B) the Carveout with respect to each Carveout Professional shall not exceed the aggregate amount provided in the applicable line item in the Budget for such Carveout Professional for the period commencing on the Petition Date and ending on the Carveout Trigger Date, (C) the Carveout with respect to each Carveout Professional shall be reduced dollar-for-dollar by any payments of fees and expenses to the Carveout Professional, (D) the Carveout with respect to each Carveout Professional shall be paid out of any prepetition retainer or property of the estate (other than property subject to an unavoidable security interest or lien in favor of any Agent or any other Secured Party) before such payments are made from proceeds of the Postpetition Debt or the Aggregate Collateral and (E) no Carveout Professional shall be entitled to any portion of the Carveout allocated for any other Carveout Professional in the Budget (provided, however, (x) any Carveout Professional that is counsel for the Applicable Debtors may use any portion of the Carveout allocated for any other Carveout Professional that is counsel for the Applicable Debtors and (y) any Carveout Professional that is counsel for the Committee may use any portion of the Carveout allocated for any other Carveout Professional that is counsel for the Committee). Neither the Agent nor the Lenders shall be responsible for the payment or reimbursement of any fees or disbursements of any Carveout Professional incurred in connection with the Cases, other than payment or reimbursement of any fees or disbursements from proceeds of Aggregate Collateral to the extent of the Carveout as set forth in this Paragraph 7. Nothing in this Order or otherwise shall be construed to obligate the any Agent or any Lender, in any way, to pay compensation to, or to reimburse expenses of, any Carveout Professional or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(b) Carveout Usage. No portion of the Carveout and no Postpetition Debt or Aggregate Collateral may be used to pay any fees or expenses incurred by any Person,

including any Debtor, any Committee, or any Carveout Professional, in connection with claims or causes of action adverse (or which claim an interest adverse) to any Agent, any Lender, any other Secured Party, or any of their respective rights or interests in the Aggregate Collateral, the DIP Documents, or the Prepetition ABL Documents, including, without limitation, (1) preventing, hindering, or delaying any Agent's or any other Secured Party's enforcement or realization upon any of the Aggregate Collateral or the exercise of their rights and remedies under this Order, any DIP Document, any Prepetition ABL Document, or applicable law, in each case, once an Event of Default has occurred, (2) using or seeking to use any Cash Collateral or incurring indebtedness in violation of the terms hereof, or (3) objecting to, or contesting in any manner, or in raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any Aggregate Debt, any Prepetition ABL Document, any DIP Document, or any mortgages, deeds of trust, liens, or security interests with respect thereto or any other rights or interests of any Agent or any other Secured Party, or in asserting any claims or causes of action, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, against any Agent or any other Secured Party; provided, however, that the foregoing shall not apply to costs and expenses, in an aggregate amount not to exceed \$50,000, incurred by all of the Committee's Carveout Professionals in connection with the investigation of a potential Challenge in accordance with Paragraph 9 of this Order; provided, further, however, that the Carveout may be used to pay fees and expenses incurred by the Carveout Professionals in connection with the negotiation, preparation, and entry of this Order or any amendment hereto consented to by DIP Agent.

(c) Carveout Procedure. On the last business day of each week prior to the Carveout Trigger Date, the Debtors shall fund the Carveout Account using proceeds of Postpetition Debt (subject to the terms and conditions of the DIP Credit Agreement) in an amount equal to the professional fees for Carveout Professionals as set forth in the Budget for the week then ended (with the Carveout amount for each Carveout Professional determined in accordance with the provisos set forth subclauses (B) through (E) in Paragraph 7(a) above). Except as set forth in the preceding sentence, DIP Lenders shall have no obligation to fund the Carveout Account or any fees or expenses of Carveout Professionals accrued on, prior to, or after the Carveout Trigger Date and the Carveout Account shall be funded solely with the proceeds of Postpetition Debt as described in this Paragraph 7(a). All funds in the Carveout Account shall be

used to pay the Carveout (whether such fees are allowed on an interim or final basis) for Allowed Professional Fees for the Carveout Professionals in an amount not to exceed the Carveout Cap, and, subject to the Carveout Cap, all Carveout Professionals shall have all professional fees paid from the Carveout Account prior to seeking payment from any other Aggregate Collateral. If, after payment in full of the Carveout (up to the Carveout Cap) for Allowed Professional Fees of Carveout Professionals, all remaining funds in the Carveout Account shall be returned to the Agents on behalf of the Lenders. The Applicable Debtors shall periodically, upon the request of the DIP Agent, provide to the DIP Agent a written report (the "Carveout Report"), in which the Applicable Debtors disclose their then current estimate of (1) the aggregate amount of unpaid professional fees, costs and expenses accrued or incurred by the Carveout Professionals, through the date of the Carveout Report, and (2) projected fees, costs and expenses of the Carveout Professionals for the 30 day period following the date of such Carveout Report. Nothing herein shall be construed as consent by Agents and Lenders to the allowance of any fees or expenses of the Carveout Professionals or shall affect the right of Agents or any Lender to object to the allowance and payment of such fees, costs or expenses, or the right of Agents or any Lender to the return of any portion of the Carveout that is funded with respect to fees and expenses for a Carveout Professional that are approved on an interim basis that are later denied on a final basis.

8. No Surcharge. Applicable Debtors represent that the Budget contains all expenses that are reasonable and necessary for the operation of Applicable Debtors' businesses and the preservation of the Aggregate Collateral through the period for which the Budget runs, and therefore includes any and all items potentially chargeable to Agents and Lenders under Bankruptcy Code § 506(c). Therefore, in the exercise of their business judgment, subject to entry of the Final Order, Applicable Debtors (or any Trustee) agree that there will be no surcharge of the Aggregate Collateral for any purpose unless agreed to in writing by Agents and Lenders, and effective upon entry of the Final Order, each Applicable Debtor (or any Trustee), on behalf of its estate, will be deemed to have waived any and all rights, benefits, or causes of action under Bankruptcy Code § 506(c), the enhancement of collateral provisions of Bankruptcy Code § 552, and under any other legal or equitable doctrine (including, without limitation, unjust enrichment or the "equities of the case" exception under Bankruptcy Code § 552(b)) as they may

relate to, or be asserted against, any Agent, any Lender, or any of the Aggregate Collateral. In reliance on the foregoing, Agents and Lenders have agreed to the entry of this Order.

9. Reservation of Rights; Bar of Challenges and Claims.

(a) Notwithstanding any other provisions of this Interim Order, any interested party with requisite standing (other than the Debtors or their professionals) in these Cases (including, without limitation, any Committee) shall have until the date that is seventy-five (75) days after entry of this Interim Order (such period, the “Challenge Period”, to commence an adversary proceeding against the Prepetition Secured Parties (as applicable) for the purpose (collectively, a “Challenge Action”) of: (i) challenging any of the stipulations contained in Paragraph D, (ii) challenging the validity, extent, priority, perfection, enforceability and non-avoidability of the Prepetition Liens against the Applicable Debtors, (iii) contesting the amount of the Prepetition Secured Parties' asserted claims, (iv) seeking to avoid or challenge (whether pursuant to Chapter 5 of the Bankruptcy Code or otherwise) any transfer made by or on behalf of the Applicable Debtors to or for the benefit of any of the Prepetition Secured Parties, or any of their predecessors in interest under the Prepetition ABL Documents prior to the Petition Date, (v) seeking damages or equitable relief against any of the Prepetition Secured Parties (as applicable) arising from or related to prepetition business and lending relationships of the Prepetition Secured Parties or any of their predecessors in interest under the Prepetition ABL Documents with the Applicable Debtors, including, without limitation, equitable subordination, recharacterization, lender liability and deepening insolvency claims and causes of action or (vi) challenging the application to Prepetition Debt described in Paragraph 2(c); provided, however, that any Chapter 7 trustee subsequently appointed in these Cases shall have until the later of (x) the expiration of the Challenge Period or (y) 20 days after such trustee is appointed, in order to commence a Challenge Action.

(b) All parties in interest, including without limitation the Committee (if any), that fail to act in accordance with the time periods set forth in the preceding paragraph shall be, and hereby are, barred forever from commencing a Challenge Action and shall be bound by the waivers, stipulations, and terms set forth in this Interim Order (including Paragraphs D, 9(e) and 11 of this Interim Order). Any Challenge Action filed shall prohibit application of this paragraph only to the extent of the specific matters set forth in such Challenge

Action on the date of filing unless otherwise ordered. For the avoidance of doubt, if any Challenge Action is timely filed and a final, non-appealable order is entered in favor of the plaintiff sustaining any such Challenge Action, the stipulations described in Paragraph D of this Interim Order shall nonetheless remain binding and preclusive on any Committee and any other person or entity, except to the extent that such stipulations and admissions were raised (subject to Bankruptcy Rule 7015) in an adversary proceeding or contested matter prior to the expiration of the Challenge Period and sustained by the final, non-appealable order. Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee (if appointed) or any non-statutory committees appointed or formed in these Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, and all rights to object to such standing are expressly reserved.

(c) The respective legal and equitable claims, counterclaims, defenses and/or rights of offset and setoff of the Prepetition Secured Parties in response to any such Challenge Action are reserved, and the ability of a party to commence a Challenge Action shall in no event revive, renew or reinstate any applicable statute of limitations which may have expired prior to the date of commencement of such Challenge Action. Despite the commencement of a Challenge Action, the prepetition claims and Liens of the Prepetition Secured Parties shall be deemed valid, binding, properly perfected, enforceable, non-avoidable, not subject to disallowance under Bankruptcy Code § 502(d) and not subject to subordination under Bankruptcy Code § 510 until such time as, and only to the extent that, a final and non-appealable judgment and order is entered sustaining such Challenge Action in favor of the plaintiffs therein. Notwithstanding anything to the contrary contained in this Interim Order, the Court expressly reserves the right to order other appropriate relief against the Prepetition Secured Parties in the event there is a timely and successful Challenge Action by any party in interest to the validity, enforceability, extent, perfection or priority of the Prepetition Liens or the amount, validity, or enforceability of the Prepetition Debt. For the avoidance of doubt, notwithstanding anything to the contrary in this Interim Order or the DIP Documents, the Replacement Liens and Bankruptcy Code § 507(b) claims described in Paragraph 4(d) shall be valid, enforceable, properly perfected, and unavoidable until such time as, and only to the extent that, a final and non-appealable judgment and order is entered sustaining a Challenge Action in favor of the plaintiffs therein.

(d) If a Challenge Action has not been filed during the Challenge Period or a timely-asserted Challenge Action is not successful, then without further order of the Court, the claims, liens and security interests of the Prepetition ABL Administrative Agent, the Prepetition ABL Lenders and the other Prepetition Secured Parties shall and shall be deemed to be allowed for all purposes in these Cases and shall not be subject to challenge by any party in interest, including, without limitation, as to extent, validity, amount, perfection, enforceability, priority or otherwise.

(e) In consideration of and as a condition to, among other things, the Postpetition Secured Parties making the advances under the DIP Documents and providing credit and other financial accommodations to the Applicable Debtors, the Prepetition Secured Parties consenting to, among other things, the use of Cash Collateral, and subordination by the Postpetition Secured Parties and Prepetition Secured Parties of their Liens to the Carveout pursuant to the terms of this Interim Order and the DIP Documents, each of the Applicable Debtors, on behalf of themselves, their estates, and their affiliated obligors under the Prepetition ABL Documents (each a “Releasor” and collectively, the “Releasors”), subject to the other terms of this Paragraph 9, absolutely releases, forever discharges and acquits each of the Prepetition Secured Parties and their respective present and former affiliates, shareholders, subsidiaries, divisions, predecessors, members, managers, directors, officers, attorneys, employees, agents, advisors, principals, consultants, and other representatives (the “Prepetition Releasees”) of and from any and all claims, demands causes of action, damages, choses in action, and all other claims, counterclaims, defenses, setoff rights, and other liabilities whatsoever (the “Prepetition Released Claims”) of every kind, name, nature, and description, whether known or unknown, both at law and equity (including, without limitation, any “lender liability” claims) that any Releasor may now or hereafter own, hold, have or claim against each and every of the Prepetition Releasees arising at any time prior to the entry of this Interim Order (including, without limitation, claims relating to the Debtors, the Prepetition ABL Documents, and other documents executed in connection therewith, and the obligations thereunder); provided, however, that such release shall not be effective with respect to the Debtors until entry of the Final Order, and with respect to the Debtors’ bankruptcy estates, until the expiration of the Challenge Period. In addition, upon the Payment in Full of all Postpetition Debt owed to the Postpetition Secured Parties arising under this Interim Order and the DIP Documents, the

Postpetition Releasees (defined below) shall automatically be released from any and all obligations, actions, duties, responsibilities, and causes of action arising or occurring in connection with or related to the DIP Documents.

10. Sale Milestones. To effectuate the sale process for all, or substantially all, of the assets of Applicable Debtors, Applicable Debtors have agreed to, and are authorized to, timely satisfy each of the Milestones set forth and defined in Section 5.20 (and corresponding Schedule 5.20) of the DIP Credit Agreement. Applicable Debtors, Agent, and requisite Lenders may agree to amend or otherwise modify such sale milestones from time to time, in writing, without the need of any further notice, hearing, or order of this Court (other than a notice of such amendment or modification to be filed with this Court).

11. Right to Credit Bid. In connection with the sale or other disposition of all or any portion of the Aggregate Collateral, whether under Bankruptcy Code § 363, Bankruptcy Code § 1129 or otherwise, pursuant to Bankruptcy Code § 363(k), (a) DIP Agent shall have the right to use the Postpetition Debt or any part thereof to credit bid with respect to any bulk or piecemeal sale of all or any portion of the Aggregate Collateral, and (b) subject to Paragraph 9 of this Order, Prepetition ABL Administrative Agent shall have the right to use the Prepetition Debt or any part thereof to credit bid with respect to any bulk or piecemeal sale of all or any portion of the Aggregate Collateral. With respect to any such sale or other disposition of all or any portion of the Aggregate Collateral, and any auction and sale process relating thereto, each Agent (and its respective designees) is, and will be deemed to be, a qualified bidder for all purposes under any sale and bidding procedures, and any order approving any bidding and sale procedures, and may attend and participate at any auction and any sale hearing, in each case, without regard to any of the requirements or conditions set forth therein and without any other or further action by such Agent or designee.

12. [Reserved].

13. Application of Sale Proceeds. All proceeds from sales or other dispositions of all or any portion of the Aggregate Collateral shall be remitted to Agents for application in accordance with Paragraph 2(c) of this Order.

14. Waiver of Right to Return/Consent to Setoff. Without the prior written consent of Agents, Applicable Debtors will not agree or consent to any of the following: (a) return of any Aggregate Collateral pursuant to Bankruptcy Code § 546(h); (b) any order permitting or allowing any claims pursuant to Bankruptcy Code § 503(b)(9); or (c) any setoff pursuant to Bankruptcy Code § 553.

15. Indemnification. Applicable Debtors shall indemnify and hold harmless Agents, Lenders and each other Prepetition Secured Party and Postpetition Secured Party and such other third parties as set forth in and in accordance with the DIP Credit Agreement and the Prepetition ABL Agreement.

16. No Marshaling. Subject to entry of the Final Order, no Agent, Lender or any of the Aggregate Collateral shall be subject to the doctrine of marshaling.

17. Postpetition Charges. All Postpetition Charges must be promptly paid by Debtors in accordance with this Order and the DIP Documents, without need for filing any application with the Court for approval or payment thereof, within fourteen (14) business days of DIP Agent's written notice to Debtors, any Committee, and the United States Trustee. Prior to any conversion of the Chapter 11 Cases to chapter 7, any DIP Agent professional fees and expenses shall be paid by the Debtors within fourteen (14) days after delivery of a summary invoice (redacted for privilege) to the Debtors and without the need for application to or order of this Court. A copy of such summary invoice shall be provided by the DIP Agent to the U.S. Trustee and counsel to the Committee, if one is appointed, contemporaneously with the Debtors' receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtors, U.S. Trustee, or the Committee object to the reasonableness of a summary invoice submitted by the DIP Agent and (y) the parties cannot resolve such objection, in each case within the fourteen (14)-day period following receipt of such summary invoice, the Debtors, the U.S. Trustee or the Committee, as the case may be, shall file with this Court and serve on the DIP Agent a fee objection (a "DIP Agent Fee Objection"), which objection shall be limited to the issue of the reasonableness of such DIP Agent professional fees. The Debtors shall promptly pay any submitted invoice after the expiration of the fourteen (14)-day period if no DIP Agent Fee Objection is filed with this Court and served on the DIP Agent in such fourteen (14)-day period. If a DIP Agent Fee Objection is timely filed and served, the Debtors shall promptly pay the

undisputed amount of the summary invoices, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the DIP Agent Fee Objection.

18. Force and Effect of Prepetition ABL Documents. Except as modified herein and subject to the other provisions of this Order and the Bankruptcy Code, the Prepetition ABL Documents shall remain in full force and effect with respect to the Prepetition Debt. To the extent there exists any conflict among the terms of the Motion, the Prepetition ABL Documents and this Order, this Order shall govern and control.

19. Conditions Precedent. Except as provided for in the Carveout, neither DIP Agent nor any DIP Lender shall have any obligation to make any loans pursuant to the DIP Documents unless all of the conditions precedent to the making of such extensions of credit under the applicable DIP Documents have been satisfied in full or waived in accordance with such DIP Documents.

20. Modification of Stay. The automatic stay of Bankruptcy Code § 362 is hereby modified with respect to Agents and Lenders to the extent necessary to effectuate the provisions of this Order, including, after the Termination Date, to permit Agents and Lenders to exercise their respective rights contemplated by Paragraph 6 above.

21. Real Property. If, notwithstanding entry of this Order, a lien or security interest in any Real Property would be prohibited or would otherwise not be effective under applicable non-bankruptcy law, (x) the Prepetition Collateral and Postpetition Collateral shall not include such Real Property; provided that all proceeds, products, substitutions or replacements of such Real Property shall be included in the Prepetition Collateral and Postpetition Collateral and subject to the Replacement Liens and Postpetition Liens, respectively and (y) the Applicable Debtors shall not permit any Person (other than Prepetition ABL Administrative Agent and DIP Agent) to obtain directly or indirectly any lien or security interest over such Real Property.

22. No Waiver. None of the Agents, the Lenders, or the other Secured Parties will be deemed to have suspended or waived any of their rights or remedies under this Order, the Prepetition ABL Documents, the DIP Documents, the Bankruptcy Code, or applicable non-bankruptcy law unless such suspension or waiver is hereafter made in writing, signed by a duly

authorized officer of Agents, Lenders, or such other Secured Parties, as applicable, and directed to Applicable Debtors. No failure of any Agent or any other Secured Party to require strict performance by any Applicable Debtor (or by any Trustee) of any provision of this Order will waive, affect, or diminish any right of Agents or any other Secured Party thereafter to demand strict compliance and performance therewith, and no delay on the part of Agents or any other Secured Party in the exercise of any right or remedy under this Order, the Prepetition ABL Documents, the DIP Documents, the Bankruptcy Code, or applicable non-bankruptcy law will preclude the exercise of any right or remedy. Further, this Order does not constitute a waiver by Prepetition ABL Administrative Agent or the other Prepetition Secured Parties of any of their rights under the Prepetition ABL Documents, the Bankruptcy Code, or applicable non-bankruptcy law, including, without limitation, their right to later assert: (a) that any of their interests in the Aggregate Collateral lack adequate protection within the meaning of Bankruptcy Code §§ 362(d) or 363(e) or any other provision thereof or (b) a claim under Bankruptcy Code § 507(b).

23. "Limits on Lender Liability." By taking any actions pursuant to this Order, making any loan under the DIP Credit Agreement, authorizing the use of Cash Collateral, or exercising any rights or remedies available to it under the DIP Documents or this Order, DIP Agent and DIP Lenders shall not: (a) be deemed to be in control of the operations or liquidation of Debtors (e.g. a "controlling person" or "owner or operator"); (b) be deemed to be acting as a "responsible person", with respect to the operation, management or liquidation of Debtors; (c) otherwise cause liability to arise to the federal or state government or the status of responsible person or managing agent to exist under applicable law (as such terms, or any similar terms, are used in the Internal Revenue Code, WARN Act, the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq., as amended, or any similar federal or state statute); or (d) owe any fiduciary duty to any of the Debtors. Furthermore, nothing in this Order shall in any way be construed or interpreted to impose or allow the imposition upon any of DIP Agent or DIP Lenders or, subject to the entry of the Final Order, Prepetition ABL Administrative Agent or Prepetition ABL Lenders, of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code). The foregoing provision of this Paragraph 21 shall not be effective until entry of the Final Order.

24. Release. Without limiting the terms of Paragraph 9(e), upon the date that the Postpetition Debt is Paid in Full and prior to the release of the Postpetition Liens, each Debtor, on behalf of its estate and itself, must execute and deliver to DIP Agent, DIP Lenders, the other Postpetition Secured Parties, and each of their respective successors and assigns, and each of their respective present and former affiliates, shareholders, subsidiaries, divisions, predecessors, members, managers, directors, officers, attorneys, employees, agents, advisors, principals, consultants, and other representatives (collectively, the "Postpetition Releasees"), a general release of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every kind, nature, and description, that Debtors (or any of them) had, have, or hereafter can or may have against the Postpetition Releasees (or any of them), whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, in equity, or otherwise, in respect of events that occurred on or prior to the date on which the Postpetition Debt is Paid in Full.

25. Amendments. Applicable Debtors, DIP Agent and the DIP Lenders required under the DIP Credit Agreement may enter into amendments or modifications of the DIP Documents or the Budget without further notice and hearing or order of this Court; provided, that (a) such modifications or amendments do not materially and adversely affect the rights of any creditor or other party-in-interest and (b) notice of any such amendment or modification is filed with this Court and provided to any Committee and the United States Trustee.

26. Proof of Claim. Neither the Prepetition ABL Administrative Agent nor any of the Prepetition Secured Parties shall be required to file a proof of claim with respect to any of the Prepetition Debt and the stipulations and findings set forth in this Order shall constitute an informal proof of claim in respect thereof. Notwithstanding the foregoing or any subsequent order of Court concerning proof of claim filing requirements, Prepetition ABL Administrative Agent is authorized (but not obligated) to file a single master proof of claim in Case No. 24-11258 on behalf of itself and the Prepetition ABL Lenders on account of their claims arising under the Prepetition ABL Documents and hereunder and such master proof of claim shall be deemed filed as a claim against each of the Debtors.

27. Binding Effect. Except as provided in Paragraph 9 herein, this Order shall be binding on all parties in interest in the Cases and their respective successors and assigns, including any Trustee, except that any Trustee shall have the right to terminate this Order after notice and a hearing. If, in accordance with Bankruptcy Code § 364(e), this Order does not become a final nonappealable order, if a Trustee terminates this Order, or if any of the provisions of the Order are hereafter modified, amended, vacated or stayed by subsequent order of this Court or any other court, such termination or subsequent order shall not affect the validity or enforceability of any Postpetition Debt, Postpetition Liens, the Replacement Liens or the Bankruptcy Code § 507(b) Claims described in Paragraph 4(d) or any other claim, lien, security interest or priority authorized or created hereby or pursuant to the DIP Documents or adequate protection obligations described in Paragraph 4 incurred prior to the actual receipt by the DIP Agent or the Prepetition ABL Administrative Agent, as applicable, of written notice of the effective date of such termination or subsequent order. Notwithstanding any such termination or subsequent order, any use of Cash Collateral or the incurrence of Postpetition Debt, or adequate protection obligations described in Paragraph 4 owing to the Prepetition Secured Parties by the Applicable Debtors prior to the actual receipt by the DIP Agent or Prepetition ABL Administrative Agent, as applicable, of written notice of the effective date of such termination or subsequent order, shall be governed in all respects by the provisions of this Interim Order, and the Prepetition Secured Parties shall be entitled to all of the rights, remedies, protections and benefits granted under Bankruptcy Code § 364(e), this Interim Order, and the DIP Documents with respect to all uses of Cash Collateral and the incurrence of Postpetition Debt and adequate protection obligations described in Paragraph 4 owing to the Prepetition Secured Parties.

28. Survival. The provisions of this Order, and any actions taken pursuant to or in reliance upon the terms hereof, shall survive entry of, and govern in the event of any conflict with, any order which may be entered in the Cases: (a) confirming any chapter 11 plan, (b) converting any Case to a case under chapter 7 of the Bankruptcy Code, (c) dismissing any Case, (d) withdrawing of the reference of any Case from this Court, or (e) providing for abstention from handling or retaining of jurisdiction of any of the Cases in this Court. The terms and provisions of this Order, including, without limitation, the rights granted DIP Agent and Postpetition Secured Parties under Bankruptcy Code §§ 364(c), shall continue in full force and effect until all of the Aggregate Debt is Paid in Full.

29. Order Effective. This Interim Order shall be effective as of the date of the date of the signature by the Court.

30. Notice of Final Hearing. The Final Hearing is scheduled for July 9, 2024, at 3:00 p.m. (ET), and may be continued from time to time without further notice other than that given in open court. Debtors are directed to immediately serve a copy of this Interim Order by first class mail, postage prepaid, on counsel for Agents, Debtors' other secured creditors, Debtors' thirty (30) largest unsecured creditors, and the United States Trustee, which service shall constitute adequate and proper notice of the Final Hearing. Any objection to the Order must be filed with the Court and received by counsel for the Debtors, the Agents, and the United States Trustee no later than seventy-two (72) hours prior to the commencement of the Final Hearing. Any timely and properly filed and served objection will be heard at the Final Hearing.

1. DEFINITIONS AND CONSTRUCTION.

1.1 Definitions. Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1.

1.2 Accounting Terms. All accounting terms not specifically defined herein shall be construed in accordance with GAAP; provided that, if Borrowers notify Agent that Borrowers request an amendment to any provision hereof to eliminate the effect of any Accounting Change occurring after the Closing Date or in the application thereof on the operation of such provision (or if Agent notifies Borrowers that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such Accounting Change or in the application thereof, then Agent and Borrowers agree that they will negotiate in good faith amendments to the provisions of this Agreement that are directly affected by such Accounting Change with the intent of having the respective positions of the Lenders and Borrowers after such Accounting Change conform as nearly as possible to their respective positions immediately before such Accounting Change took effect and, until any such amendments have been agreed upon and agreed to by the Required Lenders, the provisions in this Agreement shall be calculated as if no such Accounting Change had occurred. Notwithstanding the foregoing or any other provision in the Loan Documents to the contrary, all leases treated as operating leases for purposes of GAAP on December 19, 2018 shall continue to be accounted for as operating leases hereunder, including for purposes of the definition of "Capitalized Lease Obligations", regardless of any Accounting Changes after such date. When used herein, the term "financial statements" shall include the notes and schedules thereto. Whenever the term "Administrative Borrower" is used in respect of a financial covenant or a related definition, it shall be understood to mean Administrative Borrower and its Subsidiaries on a consolidated basis, unless the context clearly requires otherwise. Notwithstanding anything to the contrary contained herein, (a) all financial statements delivered hereunder shall be prepared, and all financial covenants contained herein shall be calculated, without giving effect to any election under the Statement of Financial Accounting Standards Board's Accounting Standards Codification Topic 825 (or any similar accounting principle) permitting a Person to value its financial liabilities or Indebtedness at the fair value thereof, and (b) the term "unqualified opinion" as used herein to refer to opinions or reports provided by accountants shall mean an opinion or report that is (i) unqualified, and (ii) does not include any explanation, supplemental comment, or other comment concerning the ability of the applicable Person to continue as a going concern or concerning the scope of the audit.

1.3 Code; PPSA; CCQ. Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, that (i) to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern and (ii) any such terms used in this Agreement that are defined in the PPSA or CCQ, shall have the meanings ascribed to such terms in the PPSA or CCQ, as the case may be, when used in relation to Collateral subject to the PPSA or CCQ, as the case may be.

1.5 Time References. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, all references to time of day refer to Pacific standard time or Pacific daylight saving time, as in effect in Los Angeles, California on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and including"; provided, that with respect to a computation of fees or interest payable to Agent or any Lender, such period shall in any event consist of at least one full day.

1.6 Schedules and Exhibits. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

1.7 Intentionally Omitted.

1.8 Intentionally Omitted.

1.9 Intentionally Omitted.

1.10 Currency Matters. Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agent and the Lenders shall be payable in Dollars. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in currencies other than Dollars shall be converted to the Equivalent Amount of Dollars on the date of calculation, comparison, measurement or determination. Unless expressly provided otherwise, where a reference is made to a Dollar amount, the amount is to be considered as the amount in Dollars and, therefore, each other currency shall be converted into the Equivalent Amount thereof in Dollars. If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

2. LOANS AND TERMS OF PAYMENT.

2.1 Revolving Loans.

(a) Subject to the terms and conditions of this Agreement and subject to the terms and conditions of the Financing Order, and during the term of this Agreement, each Revolving Lender agrees (severally, not jointly or jointly and severally) to make revolving loans ("Revolving Loans") in Dollars to Borrowers in an aggregate amount at any one time outstanding not to exceed the lesser of:

(i) such Lender's Revolver Commitment,

(ii) such Lender's Pro Rata Share of an amount equal to (1) the Maximum Revolver Amount less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time, less (3) the principal amount of any Reinstated Existing Secured Obligations less (4) the principal amount of Existing Secured Obligations then outstanding, and

(iii) for any calendar week, one hundred and ten percent of the aggregate uses of cash for such week set forth in the Approved Budget.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Revolving Loans, together with interest accrued and unpaid thereon, shall constitute Obligations and shall be due and payable on the Maturity Date or, if earlier, on the date on which they otherwise become due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation) at any time, in the exercise of its Permitted Discretion, to establish and increase or decrease Reserves against the Maximum Revolver Amount, in its Permitted Discretion. The amount of any Reserve established by Agent shall have a reasonable relationship to the event, condition, other circumstance, or fact that is the basis for such reserve or and shall not be duplicative of any other reserve established and currently maintained.

(d) On the Carveout Termination Date, Lenders will provide Revolving Loans to Borrowers in an amount equal to the remaining Carveout amount plus \$250,000 (to be used for the sole purpose of funding the applicable professionals after the Carveout Termination Date).

(e) On the Maturity Date due to the occurrence of clause (b) of such definition, Lenders will provide Revolving Loans to Borrowers in an amount not to exceed the amount of expenses in the Approved Budget after such date.

2.2 [Intentionally Omitted].

2.3 Borrowing Procedures and Settlements.

(a) Procedure for Borrowing Revolving Loans. Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered through Agent's electronic platform or portal) and received by Agent no later than 11:00 a.m. (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, and (ii) on the Business Day that is one Business Day prior to the requested Funding Date in the case of a request for a Loan, specifying (A) the amount of such Borrowing, (B) the requested Funding Date (which shall be a Business Day) and (C) the expenses enumerated in the Approved Budget to be paid with the proceeds of such Borrowing; provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 11:00 a.m. on the applicable Business Day or U.S. Government Securities Business Day, as applicable. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowing shall not be made until the completion of) Agent's authentication process (with results satisfactory to Agent) prior to the funding of any such requested Borrowing.

(b) Making of Swing Loans. In the case of a request for a Revolving Loan as a Swing Loan and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, minus all payments or other amounts applied to Swing Loans since the last Settlement Date, plus the amount of the requested Swing Loan does not exceed \$20,000,000, or (ii) Swing Lender, in its sole discretion, agrees to make a Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a Revolving Loan (any such Revolving Loan made by Swing Lender pursuant to this Section 2.3(b) being referred to as a "Swing Loan" and all such Revolving Loans being referred to as "Swing Loans") available to Borrowers on the Funding Date applicable thereto by transferring immediately available funds in the amount of such requested Borrowing to the Designated Account. Each Swing Loan shall be deemed to be a Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3 (including, without limitation, the condition precedent set forth in the final paragraph of Section 3.2 hereof)) applicable to other Revolving Loans, except that all payments (including interest) on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make and shall not be obligated to make any Swing Loan if Swing Lender has actual knowledge that (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (2) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The Swing Loans shall be secured by Agent's Liens, constitute Revolving Loans and Obligations, and bear interest at the rate applicable from time to time to Revolving Loans.

(c) Making of Revolving Loans.

(i) In the event that Swing Lender is not obligated to make a Swing Loan, then after receipt of a request for a Borrowing pursuant to Section 2.3(a)(i), Agent shall notify the Lenders by telecopy, telephone, email, or other electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business

Day or U.S. Government Securities Business Day, as applicable, that is at least one Business Day prior to the requested Funding Date. If Agent has notified the Lenders of a requested Borrowing on the Business Day that is one Business Day prior to the Funding Date, then each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, not later than 10:00 a.m. on the Business Day that is the requested Funding Date. After Agent's receipt of the proceeds of such Revolving Loans from the Lenders, Agent shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Account; provided that, subject to the provisions of Section 2.3(d)(ii), no Lender shall have an obligation to make any Revolving Loan, if (1) one or more of the applicable conditions precedent set forth in Section 3 (including, without limitation, the condition precedent set forth in the final paragraph of Section 3.2 hereof) will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (2) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers a corresponding amount. If, on the requested Funding Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrowers such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrowers such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Defaulting Lender Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.3(c)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Revolving Loan for all purposes of this Agreement. If such amount is not made available to Agent by such Lenders on the Business Day following the Funding Date, Agent will notify Administrative Borrower of such failure to fund, and upon demand by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal

to the interest rate applicable at the time to the Revolving Loans composing such Borrowing.

(d) Protective Advances and Optional Overadvances.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), at any time (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, Agent hereby is authorized by Borrowers and the Lenders, from time to time, in Agent's sole discretion, to make Revolving Loans to, or for the benefit of, Borrowers, on behalf of the Revolving Lenders, that Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (the Revolving Loans described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"), or (3) to pay any other amount chargeable to Borrowers pursuant to the terms of this Agreement, including Lender Group Expenses and the costs, fees and expenses described in Section 9 hereof. Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed 10% of the Maximum Revolver Amount (or if the Maximum Revolver Amount is reduced to zero, the amount of the Maximum Revolver Amount immediately prior to such reduction).

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Revolving Loans (including Swing Loans) to Borrowers notwithstanding that an Overadvance exists or would be created thereby, so long as, subject to Section 2.3(d)(iv) below, after giving effect to such Revolving Loans, the outstanding Revolver Usage (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) does not exceed the Maximum Revolver Amount. In the event Agent obtains actual knowledge that the Revolver Usage exceeds the amounts permitted by the immediately foregoing provisions, regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders with Revolver Commitments thereupon shall, together with Agent, jointly determine the terms of arrangements that shall be implemented with Borrowers intended to reduce, within a reasonable time, the outstanding principal amount of the Revolving Loans to Borrowers to an amount permitted by the preceding sentence. In such circumstances, if any Lender with a Revolver Commitment objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. The foregoing provisions are

meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Section 2.4(e)(i). Each Lender with a Revolver Commitment shall be obligated to settle with Agent as provided in Section 2.3(e) (or Section 2.3(g), as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent reported to such Lender, any intentional Overadvances made as permitted under this Section 2.3(d)(ii), and any Overadvances resulting from the charging to the Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be a Revolving Loan hereunder, except that prior to Settlement therefor, all payments on the Extraordinary Advances shall be payable to Agent solely for its own account. The Extraordinary Advances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans. The provisions of this Section 2.3(d) are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrowers (or any other Loan Party) in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: (A) no Extraordinary Advance may be made by Agent if such Extraordinary Advance would cause the aggregate principal amount of Extraordinary Advances outstanding to exceed an amount equal to 10% of the Maximum Revolver Amount in effect at the time such Extraordinary Advance is made, and (B) to the extent that the making of any Extraordinary Advance causes the aggregate Revolver Usage to exceed the Maximum Revolver Amount, such portion of such Extraordinary Advance shall be for Agent's sole and separate account and not for the account of any Lender and shall be entitled to priority in repayment in accordance with Section 2.4(b).

(e) Settlement. It is agreed that each Lender's funded portion of the Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Revolving Loans. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Revolving Loans, the Swing Loans, and the Extraordinary Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent in its sole discretion (1) on behalf of Swing Lender, with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to Borrowers' or any of their Subsidiaries' payments or other amounts received from such Persons, as to each by notifying the Lenders by telecopy, telephone, or other similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the "Settlement Date"). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans, Swing Loans, and Extraordinary Advances for the period since the prior Settlement Date.

Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the Revolving Loans (including Swing Loans and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances), and (z) if the amount of the Revolving Loans (including Swing Loans, and Extraordinary Advances) made by a Lender is less than such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent's Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans or Extraordinary Advances and, together with the portion of such Swing Loans or Extraordinary Advances representing Swing Lender's Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender's balance of the Revolving Loans, Swing Loans, and Extraordinary Advances is less than, equal to, or greater than such Lender's Pro Rata Share of the Revolving Loans, Swing Loans, and Extraordinary Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrowers and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Extraordinary Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Extraordinary Advances or Swing Loans. Between Settlement Dates, Agent, to the extent no Extraordinary Advances or Swing Loans are outstanding, may pay over to Swing Lender any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Swing Lender's Pro Rata Share of the Revolving Loans. If, as of any Settlement Date, payments or other amounts of Parent or its Subsidiaries received since the then immediately preceding Settlement Date have been applied to Swing Lender's Pro Rata Share of the Revolving Loans other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting

Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Extraordinary Advances, and each Lender with respect to the Revolving Loans other than Swing Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this Section 2.3(e) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(f) Notation. Agent, as a non-fiduciary agent for Borrowers, shall maintain a register showing the principal amount of the Revolving Loans, owing to each Lender, including the Swing Loans owing to Swing Lender, and Extraordinary Advances owing to Agent, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(g) Defaulting Lenders.

(i) Notwithstanding the provisions of Section 2.4(b)(iii), Agent shall not be obligated to transfer to a Defaulting Lender any payments made by Borrowers to Agent for such Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to Agent to the extent of any Extraordinary Advances that were made by Agent and that were required to be, but were not, paid by such Defaulting Lender to Agent, (B) second, to Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, paid by the Defaulting Lender, (C) third, to Issuing Bank, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, paid by the Defaulting Lender, (D) fourth, to each Non-Defaulting Lender ratably in accordance with their Revolver Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of a Revolving Loan (or other funding obligation) was funded by such other Non-Defaulting Lender), (E) fifth, in Agent's sole discretion, to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrowers (upon the request of Borrowers and subject to the conditions set forth in Section 3.2) as if such Defaulting Lender had made its portion of Revolving Loans (or other funding obligations) hereunder, and (F) sixth, from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (N) of Section 2.4(b)(iii). Subject to the foregoing, Agent may hold and, in its discretion, re-lend to Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the

Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fee payable under Section 2.10(b), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Revolver Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Sections 14.1(a)(i) through 14.1(a)(iii). The provisions of this Section 2.3(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, Agent, Issuing Bank, and Borrowers shall have waived, in writing, the application of this Section 2.3(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by Agent pursuant to Section 2.3(g)(ii) shall be released to Borrowers). The operation of this Section 2.3(g) shall not be construed to increase or otherwise affect the Revolver Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to Agent, Issuing Bank, or to the Lenders other than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle Borrowers, at their option, upon written notice to Agent, to arrange for a substitute Lender to assume the Revolver Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than Bank Product Obligations, but including (1) all interest, fees, and other amounts that may then be due and payable in respect thereof, and (2) an assumption of its Pro Rata Share of its participation in the Letters of Credit); provided, that any such assumption of the Revolver Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.3(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.3(g) shall control and govern.

(ii) If any Swing Loan or Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender then:

(A) such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure shall be reallocated among the Non-Defaulting Lenders in

accordance with their respective Pro Rata Shares but only to the extent (x) the sum of all Non-Defaulting Lenders' Revolving Loan Exposures plus such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure does not exceed the total of all Non-Defaulting Lenders' Revolver Commitments, and (y) the conditions set forth in Section 3.2 are satisfied at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one Business Day following notice by the Agent (x) first, prepay such Defaulting Lender's Swing Loan Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), and (y) second, cash collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), pursuant to a cash collateral agreement to be entered into in form and substance reasonably satisfactory to the Agent, for so long as such Letter of Credit Exposure is outstanding; provided, that Borrowers shall not be obligated to cash collateralize any Defaulting Lender's Letter of Credit Exposure if such Defaulting Lender is also the Issuing Bank;

(C) if Borrowers cash collateralize any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to this Section 2.3(g)(ii), Borrowers shall not be required to pay any Letter of Credit Fees to Agent for the account of such Defaulting Lender pursuant to Section 2.6(b) with respect to such cash collateralized portion of such Defaulting Lender's Letter of Credit Exposure during the period such Letter of Credit Exposure is cash collateralized;

(D) to the extent the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.3(g)(ii), then the Letter of Credit Fees payable to the Non-Defaulting Lenders pursuant to Section 2.6(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Letter of Credit Exposure;

(E) to the extent any Defaulting Lender's Letter of Credit Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.3(g)(ii), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all Letter of Credit Fees that would have otherwise been payable to such Defaulting Lender under Section 2.6(b) with respect to such portion of such Letter of Credit Exposure shall instead be payable to the Issuing Bank until such portion of such Defaulting Lender's Letter of Credit Exposure is cash collateralized or reallocated;

(F) so long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to make any Swing Loan and the Issuing Bank shall not be required to issue, amend, or increase any Letter of Credit, in each case, to the extent (x) the Defaulting Lender's Pro Rata Share of such Swing Loans or Letter of Credit cannot be reallocated pursuant to this Section 2.3(g)(ii), or (y) the Swing Lender or Issuing Bank, as applicable, has not otherwise entered into arrangements reasonably satisfactory to the Swing Lender or Issuing Bank, as applicable, and

Borrowers to eliminate the Swing Lender's or Issuing Bank's risk with respect to the Defaulting Lender's participation in Swing Loans or Letters of Credit; and

(G) Agent may release any cash collateral provided by Borrowers pursuant to this Section 2.3(g)(ii) to the Issuing Bank and the Issuing Bank may apply any such cash collateral to the payment of such Defaulting Lender's Pro Rata Share of any Letter of Credit Disbursement that is not reimbursed by Borrowers pursuant to Section 2.11(d). Subject to Section 17.14, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(h) Independent Obligations. All Revolving Loans (other than Swing Loans and Extraordinary Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loan (or other extension of credit) hereunder, nor shall any Revolver Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.4 Payments; Reductions of Commitments; Prepayments.

(a) Payments by Borrowers.

(i) Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds, no later than 1:30 p.m. on the date specified herein; provided that, for the avoidance of doubt, any payments deposited into a Controlled Account (as defined in the Guaranty and Security Agreement) shall be deemed not to be received by Agent on any Business Day unless immediately available funds have been credited to Agent's Account prior to 1:30 p.m. on such Business Day. Any payment received by Agent in immediately available funds in Agent's Account later than 1:30 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrowers prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers do not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such

Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(b) Apportionment and Application.

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account or for the separate account of Issuing Bank) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Revolver Commitment or Obligation to which a particular fee or expense relates.

(ii) Subject to Sections 2.4(b)(v) and 2.4(f) and the terms of the Financing Order, all payments to be made hereunder by Borrowers shall be remitted to Agent and all such payments, and all proceeds of Collateral received by Agent, shall be applied, so long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, first, to reduce the balance of the Existing Secured Obligations in the manner set forth in the Existing Credit Agreement, second, to reduce the balance of the Revolving Loans outstanding and, thereafter, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iii) Subject to the terms of the Financing Order, at any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(A) first, to reduce the balance of the Existing Secured Obligations in the manner set forth in the Existing Credit Agreement;

(B) second, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the Loan Documents, until paid in full and to pay interest and principal on Extraordinary Advances that are held solely by Agent pursuant to the terms of Section 2.3(d)(iv), until paid in full,

(C) third, to pay any fees or premiums then due to Agent under the Loan Documents, until paid in full,

(D) fourth, to pay interest due in respect of all Protective Advances, until paid in full,

(E) fifth, to pay the principal of all Protective Advances, until paid in full,

(F) sixth, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the Loan Documents, until paid in full,

(G) seventh, ratably, to pay any fees or premiums then due to any of the Lenders under the Loan Documents, until paid in full,

(H) eighth, to pay interest accrued in respect of the Swing Loans, until paid in full,

(I) ninth, to pay the principal of all Swing Loans, until paid in full,

(J) tenth, ratably, to pay interest accrued in respect of the Revolving Loans (other than Protective Advances), until paid in full,

(K) eleventh, ratably,

i. to pay the principal of all Revolving Loans (other than Protective Advances), until paid in full,

ii. (1) to Agent, to be held by Agent, for the benefit of Issuing Bank (and for the ratable benefit of each of the Lenders that have an obligation to pay to Agent, for the account of Issuing Bank, a share of each Letter of Credit Disbursement), as cash collateral in an amount up to 105% of the Letter of Credit Usage (to the extent permitted by applicable law, such cash collateral shall be applied to the reimbursement of any Letter of Credit Disbursement as and when such disbursement occurs and, if a Letter of Credit expires undrawn, the cash collateral held by Agent in respect of such Letter of Credit shall, to the extent permitted by applicable law, be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), and (2) in the amount (after taking into account any amounts previously paid pursuant to this clause "ii(2)" during the continuation of the applicable Application Event) of the most recently established Bank Product Reserve, (I) to the Bank Product Providers based upon amounts then certified by the applicable Bank Product Provider to Agent (in form and substance satisfactory to Agent) to be due and payable to such Bank Product Providers on account of Bank Product Obligations, and (II) with any balance to be paid to Agent, to be held by Agent, for the benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment

or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(L) twelfth, ratably, to pay any other Obligations other than Obligations owed to Defaulting Lenders (including being paid, ratably, to the Bank Product Providers on account of all amounts then due and payable in respect of Bank Product Obligations), with any balance to be paid to Agent, to be held by Agent, for the ratable benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(M) thirteenth, ratably, to pay any Obligations owed to Defaulting Lenders, until paid in full, and

(N) fourteenth, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iv) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided in Section 2.3(e).

(v) In each instance, so long as no Application Event has occurred and is continuing, Section 2.4(b)(ii) shall not apply to any payment made by Borrowers to Agent and specified by Borrowers to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document.

(vi) For purposes of Section 2.4(b)(iii), "paid in full" of a type of Obligation means payment in cash or immediately available funds of all amounts owing on account of such type of Obligation, including interest accrued after the commencement of any Insolvency Proceeding, default interest, interest on interest, and expense reimbursements, irrespective of whether any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(vii) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.3(g) and this Section 2.4, then the provisions of Section 2.3(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.4 shall control and govern.

(c) Reduction of Revolver Commitments. The Revolver Commitments shall terminate on the Maturity Date or earlier termination thereof pursuant to the terms of this Agreement. Upon five Business Days' prior written notice, Borrowers may reduce the Revolver Commitments, without premium or penalty, to an amount (which may be zero) not less than the sum of (i) the Revolver Usage as of such date, plus (ii) the principal amount of all Revolving Loans not yet made as to which a request has been given by Borrowers under Section 2.3(a), plus (iii) the amount of all Letters of Credit not yet issued as to which a request has been given by Borrowers pursuant to Section 2.11(a). Each such reduction shall be in an amount which is not less than \$10,000,000 (unless the Revolver Commitments are being reduced to zero and the amount of the Revolver Commitments in effect immediately prior to such reduction are less than \$10,000,000), shall be made by providing not less than 10 Business Days (or such shorter period of time as is acceptable to Agent) prior written notice by Administrative Borrower to Agent, and shall be irrevocable, except to the extent delivered in connection with a refinancing of the Obligations or other event, in which case such notice shall not be irrevocable until such refinancing or other event is consummated. Once reduced, the Revolver Commitments may not be increased. Each such reduction of the Revolver Commitments shall reduce the Revolver Commitments of each Lender proportionately in accordance with its ratable share thereof. In connection with any reduction in the Revolver Commitments prior to the Maturity Date, if any Loan Party or any of its Subsidiaries owns any Margin Stock, Borrowers shall deliver to Agent an updated Form U-1 (with sufficient additional originals thereof for each Lender), duly executed and delivered by the Borrowers, together with such other documentation as Agent shall reasonably request, in order to enable Agent and the Lenders to comply with any of the requirements under Regulations T, U or X of the Board of Governors.

(d) Optional Prepayments. Borrowers may prepay the principal of any Revolving Loan at any time in whole or in part, in accordance with Section 2.4(b)(ii), and any such prepayment pursuant to this Section 2.4(d) shall not result in a reduction of the Maximum Revolver Amount or any Revolver Commitments.

(e) Mandatory Prepayments.

(i) Maximum Revolver Amount. If, at any time, (A) the Revolver Usage on such date exceeds (B) the Maximum Revolver Amount, as adjusted for Reserves established by Agent in accordance with Section 2.1(c), then Borrowers shall immediately prepay the Obligations in accordance with Section 2.4(f) in an aggregate amount equal to the amount of such excess.

(ii) Dispositions. In addition to mandatory prepayments pursuant to the foregoing clause (i), within three Business Days following each date on or after the Closing Date upon which any Borrower receives any Net Cash Proceeds from any sale of Collateral (other than any disposition pursuant to any of clauses (b), (c), (d), (f) and (g) of the definition of "Permitted Dispositions"), or from any policy of insurance as a result of a Casualty Event with respect to the loss of, any asset, Borrower shall prepay, without premium or penalty, the Obligations (which shall not, for the avoidance of doubt, result in any reduction in the Maximum Revolver Amount or any Revolver Commitments) in accordance with Section 2.4(b)(ii) in an aggregate amount equal to such Net Cash Proceeds. Nothing contained in this Section 2.4(e)(ii) shall permit Parent or its Subsidiaries to sell or otherwise dispose of any assets other than in accordance with Section 6.4.

(iii) Disgorgement. In the event that Existing Agent or any of the Existing Lenders are required to repay or disgorge to Debtors or any representatives of the Debtors' estate (as agents, with derivative standing or otherwise) all or any portion of the Existing Secured Obligations authorized and directed to be repaid pursuant to the Financing Order, or any payment on account of the Existing Secured Obligations made to Existing Agent or any Existing Lender is rescinded for any reason whatsoever, including, but not limited to, as a result of any Avoidance Action, or any other action, suit, proceeding or claim brought under any other provision of any applicable Bankruptcy Code or any applicable state or provincial law, or any other similar provisions under any other state, federal or provincial statutory or common law (all such amounts being hereafter referred to as the "Avoided Payments"), then, in such event, Borrowers shall prepay the outstanding principal amount of the Revolving Loans in an amount equal to 100% of such Avoided Payments immediately upon receipt of the Avoided Payments by Debtors or any representative of the Debtors' estate.

(iv) Extraordinary Receipts. Within one Business Day of the date of receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of such Extraordinary Receipts, net of any reasonable expenses incurred in collecting such Extraordinary Receipts.

(v) Indebtedness. Within one Business Day of the date of incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such incurrence. The provisions of this Section 2.4(e)(v) shall not be deemed to be implied consent to any such incurrence otherwise prohibited by the terms of this Agreement.

(vi) Equity. Within one Business Day of the date of the issuance by any Loan Party or any of its Subsidiaries of any Equity Interests (other than (A) in the event that any Loan Party or any of its Subsidiaries forms any Subsidiary in accordance with the terms hereof, the issuance by such Subsidiary of Equity Interests to such Loan

Party or such Subsidiary, as applicable, (B) the issuance of Equity Interests by Parent to any Person that is an equity holder of Parent prior to such issuance (a "Subject Holder") so long as such Subject Holder did not acquire any Equity Interests of Parent so as to become a Subject Holder concurrently with, or in contemplation of, the issuance of such Equity Interests to such Subject Holder, (C) the issuance of Equity Interests of Parent to directors, officers and employees of Parent and its Subsidiaries pursuant to employee stock option plans (or other employee incentive plans or other compensation arrangements) approved by the Board of Directors, and (D) the issuance of Equity Interests by a Subsidiary of a Loan Party to its parent or member in connection with the contribution by such parent or member to such Subsidiary of the proceeds of an issuance described in clauses (A) through (C) above), Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such issuance. The provisions of this Section 2.4(e)(vi) shall not be deemed to be implied consent to any such issuance otherwise prohibited by the terms of this Agreement.

(f) Application of Payments. Each prepayment pursuant to Section 2.4(e) shall be applied in the manner set forth in Section 2.4(b)(iii).

2.5 Promise to Pay.

(a) Borrowers agree to pay the Lender Group Expenses on the earlier of (i) the first day of the month following the date on which the applicable Lender Group Expenses were first incurred, or (ii) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (ii)). Borrowers promise to pay all of the Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) in full on the Maturity Date or, if earlier, on the date on which the Obligations (other than the Bank Product Obligations) become due and payable pursuant to the terms of this Agreement. Borrowers agree that their obligations contained in the first sentence of this Section 2.5(a) shall survive payment or satisfaction in full of all other Obligations.

(b) The Revolving Loans (including Swing Loans) made by each Lender are evidenced by this Agreement.

2.6 Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations.

(a) Interest Rates. Except as provided in Section 2.6(c), all Obligations (except for undrawn Letters of Credit) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest at a per annum rate equal to the Base Rate plus the Applicable Margin in effect from time to time applicable to Revolving Loans.

(b) Letter of Credit Fee. Borrowers shall pay Agent (for the ratable benefit of the Revolving Lenders), a Letter of Credit fee (the "Letter of Credit Fee") (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.11(k)) that shall accrue at a per annum rate equal to the Applicable Margin from time to

time used to determine the interest rate on Revolving Loans pursuant to Section 2.6(a)(i) times the average amount of Letter of Credit Usage during the immediately preceding month.

(c) Default Rate. Upon the occurrence and during the continuation of an Event of Default, subject to the Interest Act (Canada):

(i) all Obligations (other than the Letter of Credit Fee) consisting of principal, interest and fees shall bear interest at a per annum rate equal to 2.00 percentage points above the per annum rate otherwise applicable thereunder, and

(ii) the Letter of Credit Fee shall be increased to 2.00 percentage points above the per annum rate otherwise applicable thereto.

(d) Payment. Except to the extent provided to the contrary in Section 2.10 or Section 2.11(k), (i) all interest and all other fees payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each month (or, in the case of any Letter of Credit Fees, the first Business Day of such month), and (ii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all Lender Group Expenses shall be due and payable on (x) with respect to Lender Group Expenses outstanding as of the Closing Date, the Closing Date, and (y) otherwise, the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred, and (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Borrowers hereby authorize Agent, from time to time without prior notice to Borrowers, to charge to the Loan Account (A) on the first day of each month, all interest accrued during the prior month on the Revolving Loans hereunder, (B) on the first Business Day of each month, all unpaid Letter of Credit Fees accrued or chargeable hereunder during the prior month, (C) as and when incurred or accrued, all fees and costs provided for in Section 2.10(a) or (c), (D) on the first day of each month, the Unused Line Fee accrued during the prior month pursuant to Section 2.10(b), (E) as and when due and payable, all other fees payable hereunder or under any of the other Loan Documents, (F) on the Closing Date and thereafter as and when incurred or accrued, all other Lender Group Expenses, and (G) as and when due and payable all other payment obligations payable under any Loan Document or any Bank Product Agreement (including any amounts due and payable to the Bank Product Providers in respect of Bank Products). All amounts (including interest, fees, costs, expenses, Lender Group Expenses, or other amounts payable hereunder or under any other Loan Document or under any Bank Product Agreement) charged to the Loan Account shall thereupon constitute Revolving Loans hereunder, shall constitute Obligations hereunder, and shall initially accrue interest at the rate then applicable to Revolving Loans.

(e) Computation. All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(f) Intent to Limit Charges to Maximum Lawful Rate. In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrowers and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, Borrowers are and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(g) [Intentionally Omitted].

(h) If any provision of this Agreement or of any of the other Loan Documents would obligate a Canadian Loan Party to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (i) first, by reducing the amount or rate of interest required to be paid by such Canadian Loan Party to such Lender pursuant to this Agreement, and (ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by such Canadian Loan Party to such Lender which would constitute "interest" for purposes of Section 347 of the Criminal Code (Canada). Any amount or rate of interest referred to in this Section 2.6(h) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan or other amount remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Agent shall be conclusive for the purposes of such determination.

(i) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively. EACH CANADIAN BORROWER FOR AND ON BEHALF OF ITSELF AND EACH CANADIAN GUARANTOR CONFIRMS THAT IT FULLY UNDERSTANDS AND IS ABLE TO CALCULATE THE RATES OF INTEREST APPLICABLE UNDER THE LOAN DOCUMENTS BASED ON THE METHODOLOGY FOR CALCULATING PER ANNUM RATES PROVIDED FOR IN THIS AGREEMENT. Agent agrees that, if requested in writing by a Canadian Borrower, it will calculate the nominal and effective per annum rate of interest on any Loan or other amount outstanding hereunder at the time

of such request and provide such information to such Canadian Borrower promptly following such request, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve any Canadian Borrower or any Canadian Guarantor of any of its obligations under this Agreement or any other Loan Document, nor result in any liability of Agent or any Lender.

2.7 Crediting Payments. The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrowers shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 1:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 Designated Account. Agent is authorized to make the Revolving Loans, and Issuing Bank is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.6(d). Borrowers agree to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the proceeds of the Revolving Loans requested by Borrowers and made by Agent or the Lenders hereunder. Unless otherwise agreed by Agent and Borrowers, any Revolving Loan or Swing Loan requested by Borrowers and made by Agent or the Lenders hereunder shall be made to the Designated Account.

2.9 Maintenance of Loan Account; Statements of Obligations. Agent shall maintain an account on its books in the name of Borrowers (the "Loan Account") on which Borrowers will be charged with all Revolving Loans (including Extraordinary Advances and Swing Loans) made by Agent, Swing Lender, or the Lenders to Borrowers or for Borrowers' account, the Letters of Credit issued or arranged by Issuing Bank for Borrowers' account, and with all other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and Lender Group Expenses. In accordance with Section 2.7, the Loan Account will be credited with all payments received by Agent from Borrowers or for Borrowers' account. Agent shall make available to Borrowers monthly statements regarding the Loan Account, including the principal amount of the Revolving Loans, interest accrued hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses constituting Lender Group Expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrowers and the Lender Group unless, within 30 days after Agent first makes such a statement available to Borrowers, Borrowers shall deliver to Agent written objection thereto describing the error or errors contained in such statement.

2.10 Fees.

(a) Agent Fees. Borrowers shall pay to Agent, for the account of Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) Unused Line Fee. Borrowers shall pay to Agent, for the ratable account of the Revolving Lenders, an unused line fee (the "Unused Line Fee") in an amount equal to the Applicable Unused Line Fee Percentage per annum times the result of (i) the Maximum Revolver Amount, minus (ii) the average amount of the Revolver Usage during the immediately preceding month (or portion thereof), which Unused Line Fee shall be due and payable, in arrears, on the first day of each month from and after the Closing Date up to the first day of the month prior to the date on which the Obligations are paid in full and on the date on which the Obligations are paid in full.

(c) Field Examination and Other Fees. Borrowers shall pay to Agent field examination, appraisal, and valuation fees and charges when due and payable in accordance with Section 2.6(d), in connection with any inspections permitted by Section 5.7 (subject to clause (b) thereof), which fees and charges shall be as follows: (i) a per diem fee at Wells Fargo's standard rate, per examiner, plus out-of-pocket expenses (including travel, meals, and lodging) for each field examination of any Borrower performed by or on behalf of Agent, and (ii) the fees, charges or expenses paid or incurred by Agent if it elects to employ the services of one or more third Persons to perform field examinations of Parent or its Subsidiaries, to establish electronic collateral reporting systems, to appraise the Collateral, or any portion thereof, or to assess Parent's or its Subsidiaries' business valuation.

2.11 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, upon the request of Borrowers made in accordance herewith, and prior to the Maturity Date, Issuing Bank agrees to issue a requested standby Letter of Credit or a sight commercial Letter of Credit for the account of Borrowers, which Letter of Credit may be related to or to benefit the business of Borrowers' Subsidiaries. By submitting a request to Issuing Bank for the issuance of a Letter of Credit, Borrowers shall be deemed to have requested that Issuing Bank issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment or extension of any outstanding Letter of Credit, shall be (x) irrevocable and made in writing by an Authorized Person, (y) delivered to Agent and Issuing Bank via facsimile or other electronic method of transmission reasonably acceptable to Agent and Issuing Bank and reasonably in advance of the requested date of issuance, amendment or extension and (z) subject to Issuing Bank's authentication procedures satisfactory to Issuing Bank. Each such request shall be in form and substance reasonably satisfactory to Agent and Issuing Bank and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment or extension, identification of the Letter of Credit to be so amended, or extended) as shall be necessary to prepare, amend or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as Agent or Issuing Bank may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that Issuing

Bank generally requests for Letters of Credit in similar circumstances. Issuing Bank's records of the content of any such request will be conclusive. Anything contained herein to the contrary notwithstanding, Issuing Bank may, but shall not be obligated to, issue a Letter of Credit that supports the obligations of a Loan Party or one of its Subsidiaries in respect of (x) a lease of real property, or (y) an employment contract. Notwithstanding anything contained herein to the contrary, no Letters of Credit shall be issued under this Agreement at any time after the Filing Date except in Issuing Bank's sole discretion.

(b) Issuing Bank shall have no obligation to issue, amend or extend a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment or extension:

- (i) the Letter of Credit Usage would exceed \$40,000,000, or
- (ii) the Letter of Credit Usage would exceed the Maximum Revolver Amount less the outstanding amount of Revolving Loans (including Swing Loans) less the principal amount of any Reinstated Existing Secured Obligations less the principal amount of any Existing Secured Obligations, or
- (iii) the obligations to be supported by such Letter of Credit are not enumerated in the Approved Budget.

(c) In the event there is a Defaulting Lender as of the date of any request for the issuance or extension of a Letter of Credit, Issuing Bank shall not be required to issue or arrange for or extend such Letter of Credit to the extent (i) the Defaulting Lender's Letter of Credit Exposure with respect to such Letter of Credit may not be reallocated pursuant to Section 2.3(g)(ii), or (ii) Issuing Bank has not otherwise entered into arrangements reasonably satisfactory to it and Borrowers to eliminate Issuing Bank's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include Borrowers cash collateralizing such Defaulting Lender's Letter of Credit Exposure in accordance with Section 2.3(g)(ii). Additionally, Issuing Bank shall have no obligation to issue or extend a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Bank from issuing such Letter of Credit, or any law applicable to Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Bank shall prohibit or request that Issuing Bank refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (B) the issuance of such Letter of Credit would violate one or more policies of Issuing Bank applicable to letters of credit generally, or (C) amounts demanded to be paid under any Letter of Credit will not or may not be in Dollars.

(d) Any Issuing Bank (other than Wells Fargo or any of its Affiliates) shall notify Agent in writing no later than the Business Day prior to the Business Day on which such Issuing Bank issues any Letter of Credit. In addition, each Issuing Bank (other than Wells Fargo or any of its Affiliates) shall, on the first Business Day of each week, submit to Agent a report detailing the daily undrawn amount of each Letter of Credit issued by such Issuing Bank during the prior calendar week. Each Letter of Credit shall be in form and substance reasonably acceptable to Issuing Bank. If Issuing Bank makes a payment under a Letter of Credit, Borrowers

shall pay to Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to Revolving Loans. If a Letter of Credit Disbursement is deemed to be a Revolving Loan hereunder, Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Issuing Bank shall be automatically converted into an obligation to pay the resulting Revolving Loan. Promptly following receipt by Agent of any payment from Borrowers pursuant to this paragraph, Agent shall distribute such payment to Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.11(e) to reimburse Issuing Bank, then to such Revolving Lenders and Issuing Bank as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(d), each Revolving Lender agrees to fund its Pro Rata Share of any Revolving Loan deemed made pursuant to Section 2.11(d) on the same terms and conditions as if Borrowers had requested the amount thereof as a Revolving Loan and Agent shall promptly pay to Issuing Bank the amounts so received by it from the Revolving Lenders. By the issuance of a Letter of Credit (or an amendment or extension of a Letter of Credit), and without any further action on the part of Issuing Bank or the Revolving Lenders, Issuing Bank shall be deemed to have granted to each Revolving Lender, and each Revolving Lender shall be deemed to have purchased, a participation in each Letter of Credit issued by Issuing Bank, in an amount equal to its Pro Rata Share of such Letter of Credit, and each such Revolving Lender agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of any Letter of Credit Disbursement made by Issuing Bank under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of each Letter of Credit Disbursement made by Issuing Bank and not reimbursed by Borrowers on the date due as provided in Section 2.11(d), or of any reimbursement payment that is required to be refunded (or that Agent or Issuing Bank elects, based upon the advice of counsel, to refund) to Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to deliver to Agent, for the account of Issuing Bank, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such Revolving Lender fails to make available to Agent the amount of such Revolving Lender's Pro Rata Share of a Letter of Credit Disbursement as provided in this Section, such Revolving Lender shall be deemed to be a Defaulting Lender and Agent (for the account of Issuing Bank) shall be entitled to recover such amount on demand from such Revolving Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) Each Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including Issuing Bank and its branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including Issuing Bank, a "Letter of Credit Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and

disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any such Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of:

- (i) any Letter of Credit or any pre-advice of its issuance;
- (ii) any transfer, sale, delivery, surrender or endorsement (or lack thereof) of any Drawing Document at any time(s) held by any such Letter of Credit Related Person in connection with any Letter of Credit;
- (iii) any action or proceeding arising out of, or in connection with, any Letter of Credit (whether administrative, judicial or in connection with arbitration), including any action or proceeding to compel or restrain any presentation or payment under any Letter of Credit, or for the wrongful dishonor of, or honoring a presentation under, any Letter of Credit;
- (iv) any independent undertakings issued by the beneficiary of any Letter of Credit;
- (v) any unauthorized instruction or request made to Issuing Bank in connection with any Letter of Credit or requested Letter of Credit, or any error, omission, interruption or delay in such instruction or request, whether transmitted by mail, courier, electronic transmission, SWIFT or any other telecommunication, including communications through a correspondent;
- (vi) an adviser, confirmer or other nominated person seeking to be reimbursed, indemnified or compensated;
- (vii) any third party seeking to enforce the rights of an applicant, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds or holder of an instrument or document;
- (viii) the fraud, forgery or illegal action of parties other than the Letter of Credit Related Person;
- (ix) Issuing Bank's performance of the obligations of a confirming institution or entity that wrongfully dishonors a confirmation;
- (x) the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto governmental or regulatory authority or cause or event beyond the control of the Letter of Credit Related Person;
- (xi) any foreign language translation provided to Issuing Bank in connection with any Letter of Credit;

(xii) any foreign law or usage as it relates to Issuing Bank's issuance of a Letter of Credit in support of a foreign guaranty including the expiration of such guaranty after the related Letter of Credit expiration date and any resulting drawing paid by Issuing Bank in connection therewith; or

(xiii) any prohibition on payment or delay in payment of any amount payable by Issuing Bank to a beneficiary or transferee beneficiary of a Letter of Credit arising out of Anti-Corruption Laws, Anti-Money Laundering Laws, or Sanctions;

in each case, including that resulting from the Letter of Credit Related Person's own negligence (other than gross negligence as provided below); provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification under clauses (i) through (xiii) above to the extent that such Letter of Credit Indemnified Costs may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. Borrowers hereby agree to pay the Letter of Credit Related Person claiming indemnity on demand from time to time all amounts owing under this Section 2.11(f). If and to the extent that the obligations of Borrowers under this Section 2.11(f) are unenforceable for any reason, Borrowers agree to make the maximum contribution to the Letter of Credit Indemnified Costs permissible under applicable law. This indemnification provision shall survive termination of this Agreement and all Letters of Credit.

(g) The liability of Issuing Bank (or any other Letter of Credit Related Person) under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by Borrowers that are caused directly by Issuing Bank's gross negligence, or willful misconduct (as determined in a final, non-appealable judgment of a court of competent jurisdiction) in (i) honoring a presentation under a Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. Borrowers' aggregate remedies against Issuing Bank and any Letter of Credit Related Person for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by Borrowers to Issuing Bank in respect of the honored presentation in connection with such Letter of Credit under Section 2.11(d), plus interest at the rate then applicable to Revolving Loans hereunder. Borrowers shall take action to avoid and mitigate the amount of any damages claimed against Issuing Bank or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by Borrowers under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had Borrowers taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing Issuing Bank to effect a cure.

(h) Borrowers are responsible for preparing or approving the final text of the Letter of Credit as issued by Issuing Bank, irrespective of any assistance Issuing Bank may provide such as drafting or recommending text or by Issuing Bank's use or refusal to use text submitted by

Borrowers. Borrowers understand that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by Issuing Bank, and Borrowers hereby consent to such revisions and changes not materially different from the application executed in connection therewith. Borrowers are solely responsible for the suitability of the Letter of Credit for Borrowers' purposes. If Borrowers request Issuing Bank to issue a Letter of Credit for an affiliated or unaffiliated third party (an "Account Party"), (i) such Account Party shall have no rights against Issuing Bank; (ii) Borrowers shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective Letter of Credit shall be among Issuing Bank and Borrowers. Borrowers will examine the copy of the Letter of Credit and any other documents sent by Issuing Bank in connection therewith and shall promptly notify Issuing Bank (not later than three (3) Business Days following Borrowers' receipt of documents from Issuing Bank) of any non-compliance with Borrowers' instructions and of any discrepancy in any document under any presentment or other irregularity. Borrowers understand and agree that Issuing Bank is not required to extend the expiration date of any Letter of Credit for any reason. With respect to any Letter of Credit containing an "automatic amendment" to extend the expiration date of such Letter of Credit, Issuing Bank, in its sole and absolute discretion, may give notice of non-extension of such Letter of Credit and, if Borrowers do not at any time want the then current expiration date of such Letter of Credit to be extended, Borrowers will so notify Agent and Issuing Bank at least 30 calendar days before Issuing Bank is required to notify the beneficiary of such Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Letter of Credit.

(i) Borrowers' reimbursement and payment obligations under this Section 2.11 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit, any Issuer Document, this Agreement or any other Loan Document or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) Issuing Bank or any of its branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) Issuing Bank or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that Parent or any of its Subsidiaries may have at any time against any beneficiary or transferee beneficiary, any assignee of proceeds, Issuing Bank or any other Person;

(vi) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.11(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Borrower's or any of its Subsidiaries' reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against Issuing Bank, the beneficiary or any other Person;

(vii) the fact that any Default or Event of Default shall have occurred and be continuing; or

(viii) Issuing Bank or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at Issuing Bank's counter or are different from the electronic presentation thereof;

provided, that subject to Section 2.11(g), the foregoing shall not release Issuing Bank from such liability to Borrowers as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against Issuing Bank following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to Issuing Bank arising under, or in connection with, this Section 2.11 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, Issuing Bank and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and Issuing Bank's rights and remedies against Borrowers and the obligation of Borrowers to reimburse Issuing Bank for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document, or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than Issuing Bank's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that Issuing Bank in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to Borrowers;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and any Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any presenting bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where Issuing Bank has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by Issuing Bank if subsequently Issuing Bank or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by Issuing Bank to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) Borrowers shall pay immediately upon demand to Agent for the account of Issuing Bank as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.11(k)): (i) a fronting fee which shall be imposed by Issuing Bank upon the issuance of each Letter of Credit of 0.125% per annum of the undrawn face amount thereof, plus (ii) any and all other customary commissions, fees and charges then in effect imposed by, and any and all expenses incurred by, Issuing Bank, or by any adviser, confirming institution or entity or other nominated person, relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit

(including transfers, assignments of proceeds, amendments, drawings, extensions or cancellations).

(l) If by reason of (x) any Change in Law, or (y) compliance by Issuing Bank or any other member of the Lender Group with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board of Governors as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued or caused to be issued hereunder or hereby, or any Loans or obligations to make Loans hereunder or hereby, or

(ii) there shall be imposed on Issuing Bank or any other member of the Lender Group any other condition regarding any Letter of Credit, Loans, or obligations to make Loans hereunder,

and the result of the foregoing is to increase, directly or indirectly, the cost to Issuing Bank or any other member of the Lender Group of issuing, making, participating in, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Agent may, at any time within a reasonable period after the additional cost (other than Taxes, which shall be governed by Section 16) is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate Issuing Bank or any other member of the Lender Group for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Revolving Loans hereunder; provided, that (A) Borrowers shall not be required to provide any compensation pursuant to this Section 2.11(l) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Borrowers, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section 2.11(l), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(m) Each standby Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is (i) 1 year after the date of the issuance of such Letter of Credit (or such other longer period of time as Agent and the applicable Issuing Bank may agree and, in the case of any extension thereof, 1 year after such extension) and (ii) unless Letter of Credit Collateralization has been provided with respect thereto or other credit support provided to the reasonable satisfaction of Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than 12 months after the Letter of Credit Expiration Date), the Letter of Credit Expiration Date. Each commercial Letter of Credit shall expire on the earlier of (x) 120 days after the date of the issuance of such commercial Letter of Credit and (y) the Letter of Credit Expiration Date.

(n) If (i) any Event of Default shall occur and be continuing, or (ii) Availability shall at any time be less than zero, then on the Business Day following the date when Administrative Borrower receives notice from Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated in accordance with the terms hereof, Revolving Lenders with Letter of Credit Exposure representing greater than 50% of the total Letter of Credit Exposure) demanding Letter of Credit Collateralization pursuant to this Section 2.11(n), upon such demand, Borrowers shall provide Letter of Credit Collateralization with respect to the then existing Letter of Credit Usage. If Borrowers fail to provide Letter of Credit Collateralization as required by this Section 2.11(n), the Revolving Lenders may (and, upon direction of Agent, shall) advance, as Revolving Loans the amount of the cash collateral required pursuant to the Letter of Credit Collateralization provision so that the then existing Letter of Credit Usage is cash collateralized in accordance with the Letter of Credit Collateralization provision (whether or not the Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 3 are satisfied).

(o) Unless otherwise expressly agreed by Issuing Bank and Borrowers when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(p) In the event of a direct conflict between the provisions of this Section 2.11 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11 shall control and govern.

(q) Issuing Bank shall be deemed to have acted with due diligence and reasonable care if Issuing Bank's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement.

(r) The provisions of this Section 2.11 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(s) At Borrowers' costs and expense, Borrowers shall execute and deliver to Issuing Bank such additional certificates, instruments or documents and take such additional action as may be reasonably requested by Issuing Bank to enable Issuing Bank to issue any Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise or enforce Issuing Banks' rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. In connection with any commercial Letter of Credit issued hereunder, each Borrower irrevocably appoints Issuing Bank as its attorney-in-fact and authorizes Issuing Bank, without notice to Borrowers, to execute and deliver ancillary documents and letters customary in the letter of credit business that may include but are not limited to advisements, indemnities, checks, bills of exchange and issuance documents. The power of attorney granted by the Borrowers is limited solely to such actions related to the issuance, confirmation or amendment of any Letter of Credit and to ancillary documents or letters customary in the letter of credit business. This appointment is coupled with an interest.

(t) Schedule 2.11 hereto contains a list of all Letters of Credit outstanding on the Filing Date pursuant to the Existing Credit Agreement. For the period from and after the effective date of the Interim Financing Order, each such Letter of Credit set forth on Schedule 2.11, including any extension or renewal thereof, that remains outstanding on the effective date of the Interim Financing Order (each, as amended from time to time in accordance with the terms thereof and hereof, an "Existing Letter of Credit") shall be deemed Letters of Credit re-issued hereunder for the account of Borrowers, for all purposes of this Agreement, including, without limitation, calculations of Availability, Letter of Credit Usage and all other fees and expenses relating to the Letters of Credit (including any related indemnification obligations). Issuing Lender hereby assumes and agrees to perform any and all duties, obligations and liabilities to be performed or discharged by the issuers of the Existing Letters of Credit. Borrowers agree to execute and deliver such documentation, if any, requested by Agent, or an Issuing Bank, to evidence, record, or further the foregoing deemed re-issuance.

(u) The expiration date of each Letter of Credit, other than the Existing Letters of Credit, shall be on a date that is not later than five (5) Business Days' prior to the Maturity Date unless Borrowers provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Usage; provided, that a Letter of Credit may provide for automatic extensions of its expiration date for one or more successive periods of up to twelve (12) months for each period; provided, further, that the applicable Issuing Bank has the right to terminate such Letter of Credit on each such expiration date and no renewal term may extend the term of the Letter of Credit to a date that is later than the fifth (5th) Business Day prior to the Maturity Date unless Borrowers provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Collateralization. Upon direction by Agent or Required Lenders, the applicable Issuing Bank shall not renew any such Letter of Credit at any time during the continuance of an Event of Default; provided, that in the case of a direction by Agent or Required Lenders, the Issuing Bank receives such directions prior to the date notice of non-renewal is required to be given by the Issuing Bank and the Issuing Bank has had a reasonable period of time to act on such notice.

2.12 [Intentionally Omitted].

2.13 Capital Requirements.

(a) If, after the date hereof, Issuing Bank or any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies or regarding Taxes to which such Lender is subject (other than Excluded Taxes or Indemnified Taxes), or (ii) compliance by Issuing Bank or such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on Issuing Bank's, such Lender's, or such holding companies' capital or liquidity as a consequence of Issuing Bank's or such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which Issuing Bank, such Lender, or such holding companies could have achieved but for such Change in Law or compliance (taking into consideration Issuing Bank's, such Lender's, or such holding companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount reasonably deemed by Issuing Bank or such Lender to be material, then Issuing Bank or such Lender may notify Borrowers and Agent thereof. Following

receipt of such notice, Borrowers agree to pay Issuing Bank or such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by Issuing Bank or such Lender of a statement in the amount and setting forth in reasonable detail Issuing Bank's or such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Issuing Bank or such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of Issuing Bank or any Lender to demand compensation pursuant to this Section 2.13 shall not constitute a waiver of Issuing Bank's or such Lender's right to demand such compensation; provided, that Borrowers shall not be required to compensate Issuing Bank or a Lender pursuant to this Section 2.13 for any reductions in return incurred more than 180 days prior to the date that Issuing Bank or such Lender notifies Borrowers of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further, that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If Issuing Bank or any Lender requests additional or increased costs referred to in Section 2.11(l) or amounts under Section 2.13(a) or makes a claim for compensation under Section 16 (such Issuing Bank or Lender, an "Affected Lender"), then, at the request of Administrative Borrower, such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 16, Section 2.11(l), or Section 2.13(a), as applicable, and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrowers' obligation to pay any future amounts to such Affected Lender pursuant to Section 16, Section 2.11(l) or Section 2.13(a), as applicable, then Borrowers (without prejudice to any amounts then due to such Affected Lender under Section 16, Section 2.11(l) or Section 2.13(a), as applicable) may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 16, Section 2.11(l) or Section 2.13(a), as applicable, may designate a different Issuing Bank or substitute a Lender or prospective Lender, in each case, reasonably acceptable to Agent to purchase the Obligations owed to such Affected Lender and such Affected Lender's commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender shall assign to the Replacement Lender its Obligations and commitments pursuant to an Assignment and Acceptance in accordance with Section 14.2, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement and such Affected Lender shall cease to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Sections 2.11(l), and 2.13 shall be available to Issuing Bank and each Lender (as applicable) regardless of

any possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for issuing banks or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, neither Issuing Bank nor any Lender shall demand compensation pursuant to this Section 2.13 if it shall not at the time be the general policy or practice of Issuing Bank or such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.14 [Intentionally Omitted].

2.15 [Intentionally Omitted].

2.16 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.16), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them. Accordingly, each Borrower hereby waives any and all suretyship defenses that would otherwise be available to such Borrower under applicable law.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due, whether upon maturity, acceleration, or otherwise, or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations until such time as all of the Obligations are paid in full, and without the need for demand, protest, or any other notice or formality.

(d) The Obligations of each Borrower under the provisions of this Section 2.16 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.16(d)) or any other circumstances whatsoever.

(e) Without limiting the generality of the foregoing and except as otherwise expressly provided in this Agreement, each Borrower hereby waives presentments, demands for performance, protests and notices, including notices of acceptance of its joint and several liability, notice of any Revolving Loans or any Letters of Credit issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Agreement, notices of the existence, creation, or incurring of new or additional Obligations or other financial accommodations or of

any demand for any payment under this Agreement, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations, any right to proceed against any other Borrower or any other Person, to proceed against or exhaust any security held from any other Borrower or any other Person, to protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Borrower, any other Person, or any collateral, to pursue any other remedy in any member of the Lender Group's or any Bank Product Provider's power whatsoever, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement), any right to assert against any member of the Lender Group or any Bank Product Provider, any defense (legal or equitable), set-off, counterclaim, or claim which each Borrower may now or at any time hereafter have against any other Borrower or any other party liable to any member of the Lender Group or any Bank Product Provider, any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Obligations or any security therefor, and any right or defense arising by reason of any claim or defense based upon an election of remedies by any member of the Lender Group or any Bank Product Provider including any defense based upon an impairment or elimination of such Borrower's rights of subrogation, reimbursement, contribution, or indemnity of such Borrower against any other Borrower. Without limiting the generality of the foregoing, each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by Agent or Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Agent or Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.16 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations under this Section 2.16, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of each Borrower under this Section 2.16 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.16 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or any Agent or Lender. Each of the Borrowers waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement hereof. Any payment by any Borrower or other circumstance which operates to toll any statute of limitations as to any Borrower shall operate to toll the statute of limitations as to each of the Borrowers. Each of the Borrowers waives any defense based on or arising out of any defense of any Borrower or any other Person, other than payment of the Obligations to the extent of such payment, based on or arising out of the

disability of any Borrower or any other Person, or the validity, legality, or unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower other than payment of the Obligations to the extent of such payment. Agent may, at the election of the Required Lenders, foreclose upon any Collateral held by Agent by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy Agent, any other member of the Lender Group, or any Bank Product Provider may have against any Borrower or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Borrowers hereunder except to the extent the Obligations have been paid.

(f) Each Borrower represents and warrants to Agent and Lenders that such Borrower is currently informed of the financial condition of Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) The provisions of this Section 2.16 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and permitted assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or permitted assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.16 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.16 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights that arise from the existence, payment, performance or enforcement of the provisions of this Section 2.16, including rights of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Agent, any other member of the Lender Group, or any Bank Product Provider against any Borrower, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Borrower, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any member of the Lender Group hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without

limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor. If any amount shall be paid to any Borrower in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of Agent, for the benefit of the Lender Group and the Bank Product Providers, and shall forthwith be paid to Agent to be credited and applied to the Obligations and all other amounts payable under this Agreement, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Obligations or other amounts payable under this Agreement thereafter arising. Notwithstanding anything to the contrary contained in this Agreement, no Borrower may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Borrower, including after payment in full of the Obligations, if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of such other Borrower whether pursuant to this Agreement or otherwise.

(i) Each Borrower hereby agrees that after the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to Agent for application to the Obligations in accordance with Section 2.4(b).

(j) Each of the Borrowers hereby acknowledges and affirms that it understands that to the extent the Obligations are secured by Real Property located in California, the Borrowers shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing such Borrower's right to proceed against any other Loan Party. In accordance with Section 2856 of the California Civil Code or any similar laws of any other applicable jurisdiction, each of the Borrowers hereby waives until such time as the Obligations have been paid in full:

(i) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Borrowers by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Civil Code or any similar laws of any other applicable jurisdiction;

(ii) all rights and defenses that the Borrowers may have because the Obligations are secured by Real Property located in California, meaning, among other things, that: (A) Agent, the other members of the Lender Group, and the Bank Product Providers may collect from the Borrowers without first foreclosing on any real or personal property collateral pledged by any Loan Party, and (B) if Agent, on behalf of the Lender Group, forecloses on any Real Property Collateral pledged by any Loan Party,

(1) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Lender Group may collect from the Loan Parties even if, by foreclosing on the Real Property Collateral, Agent or the other members of the Lender Group have destroyed or impaired any right the Borrowers may have to collect from any other Loan Party, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the Borrowers may have because the Obligations are secured by Real Property (including any rights or defenses based upon Sections 580a, 580d, or 726 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction); and

(iii) all rights and defenses arising out of an election of remedies by Agent, the other members of the Lender Group, and the Bank Product Providers, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations, has destroyed the Borrowers' rights of subrogation and reimbursement against any other Loan Party by the operation of Section 580d of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction or otherwise.

(k) Notwithstanding any other provision contained herein or in any other Loan Document, if a "secured creditor" (as that term is defined under the BIA) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint and several basis, then such Person's Obligations (and the Obligations of each other Canadian Loan Party or any other applicable Loan Party), to the extent such Obligations are secured, shall be several obligations and not joint and several obligations.

2.17 Existing Hedging Obligations and other Existing Bank Product Obligations. All Existing Secured Obligations under Existing Hedge Agreements and all other Existing Bank Product Obligations shall be deemed to have been incurred pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof and shall constitute Bank Product Obligations hereunder. Each Hedge Provider and each other Bank Product Provider hereby assumes and agrees to perform any and all duties, obligations and liabilities to be performed or discharged by the "Hedge Provider" (as defined in the Existing Credit Agreement) or other "Bank Product Provider" (as defined in the Existing Credit Agreement) in accordance with and pursuant to the Existing Credit Agreement and this Agreement, as applicable. Borrowers agree to execute and deliver such documentation, if any, requested by Agent, a Hedge Provider or other Bank Product Provider to evidence, record, or further the foregoing deemed re-incurrence.

2.18 Superpriority. Except as set forth herein or in the Financing Order, the DIP Recognition Order or the Canadian Supplemental Order, no other claim having a priority superior or pari passu to that granted to the Agent and the Lenders by the Financing Order and the DIP Recognition Order shall be granted or approved while any Obligations under this Agreement remain outstanding. Except for the Carveout and subject to entry of the Final Financing Order and the DIP Recognition Order, no costs or expenses of administration shall be imposed against the Agent, the Lenders or any of the Collateral or any of the Existing Agent, the Existing Lenders or the Collateral (as defined in the Existing Credit Agreement) under Sections 105, 506(c) or 552 of

the Bankruptcy Code, or otherwise, and each of the Loan Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights under sections 105, 506(c) or 552, or otherwise, to assert or impose or seek to assert or impose, any such costs or expenses of administration against Agent, Lenders or any of the Collateral or any of the Existing Agent or the Existing Lenders.

2.19 Waiver of any Priming Rights. On and after the Closing Date, and on behalf of themselves and their estates, and for so long as any Obligations shall be outstanding, the Borrowers and the Guarantors hereby irrevocably waive any right, pursuant to Sections 364(c) or 364(d) of the Bankruptcy Code or otherwise, to grant any Lien of equal or greater priority than the DIP Liens securing the Obligations, or to approve a claim of equal or greater priority than the Obligations, in each case other than as contemplated herein.

2.20 Bankruptcy Matters.

(a) The Bankruptcy Cases shall have been commenced in the Bankruptcy Court, no trustee or examiner shall have been appointed with respect to the Loan Parties or any property of or any estate of the Loan Parties and the Bankruptcy Court shall have entered all "first day" orders (including the Initial Approved Budget but other than the Final Financing Order), each in form and substance satisfactory to Agent;

(b) The Bankruptcy Court shall have entered the Interim Financing Order within 3 Business Days of the Filing Date, which Interim Financing Order (x) shall have been entered upon an application or motion of the Debtors satisfactory in form and substance satisfactory to Agent is the subject of a pending objection, appeal or motion for reconsideration in any respect, neither the Interim Financing Order, nor the making of the Loans, or the performance by the Debtors of any of the Obligations shall be the subject of a presently effective stay, and (z) shall otherwise satisfy the requirements of the definition of Interim Financing Order set forth herein;

(c) The Bankruptcy Court shall have entered a Cash Management Order authorizing the Borrower to maintain and continue to use their Cash Management Services in the ordinary course of business, in form and substance satisfactory to Agent and the Canadian Court shall have entered the Canadian Supplemental Order recognizing the Cash Management Order within 3 Business days following the entry of the Cash Management Order, or as soon as possible thereafter in the circumstances; and

(d) The Canadian Court shall have entered the Canadian Initial Recognition Order and Canadian Interim DIP Recognition Order within 3 Business Days following entry of the Interim Financing Order, or as soon as possible thereafter in the circumstances, and the Canadian Court shall have issued the Canadian Final DIP Recognition Order within 3 Business Days following the entry of the Final Financing Order, or as soon as possible thereafter in the circumstances.

3. **CONDITIONS; TERM OF AGREEMENT.**

3.1 Conditions Precedent to the Initial Extension of Credit. The effectiveness of this Agreement and the obligation of each Lender to make the initial extensions of credit on the Closing Date requested by Borrowers hereunder is subject solely to the satisfaction (or waiver by Agent

and each Lender), of each of the conditions precedent set forth on Schedule 3.1 (the making of such initial extensions of credit by a Lender being conclusively deemed to be such satisfaction or waiver of the conditions precedent).

3.2 Conditions Precedent to all Extensions of Credit. The obligation of the Lender Group (or any member thereof) to make any Revolving Loans hereunder (or to extend any other credit hereunder (including any amendment to, or any extension of, any Letters of Credit)) at any time after the Closing Date shall be subject solely to the following conditions precedent:

(a) the representations and warranties of Parent or its Subsidiaries contained in this Agreement or in the other Loan Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on and as of the date of such extension of credit, as though made on and as of such date (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date);

(b) no Default or Event of Default shall have occurred and be continuing on the date of such extension of credit, nor shall either result from the making thereof;

(c) in the case of a request for Borrowing Revolving Loans, Agent shall have received a notice requesting such Borrowing meeting the requirements of Section 2.3 and in the case of a request for a Letter of Credit (including any amendment thereto or extension thereof), Issuing Bank shall have received a notice requesting such issuance (or amendment thereto or extension thereof) meeting the requirements of Section 2.11;

(d) Availability immediately prior to such Borrowing or issuance of Letter of Credit shall not be less than the amount of such Borrowing or Letter of Credit, as applicable;

(e) no injunction, writ, restraining order, or other order of any nature restricting or prohibiting, directly or indirectly, the extending of such credit shall have been issued and remain in force by any Governmental Authority against any Borrower, Agent, or any Lender;

(f) no Material Adverse Effect shall have occurred since the Closing Date;

(g) with respect to any Loan or Letter of Credit to be made or issued on or after forty (40) days from the entry of the Interim Financing Order, the Bankruptcy Court shall have entered the Final Financing Order and within two Business Days after entry of such Final Financing Order, the Canadian Court shall have issued the Canadian Final DIP Recognition Order, which Final Financing Order and Canadian Final DIP Recognition Order shall be in full force and effect and shall not have been reversed, vacated or stayed, and shall not have been amended, supplemented or otherwise modified without the prior written consent of Agent; and

(h) with respect to the making of any Revolving Loans or other extension of credit to Canadian Borrowers hereunder, the Canadian Court shall have entered the Canadian Initial Recognition Order, the Canadian Supplemental Order and the Canadian Interim DIP

Recognition Order, which orders (i) shall have been issued by the Canadian Court upon an application or motion of the Foreign Representative satisfactory in form and substance to Agent in its sole discretion and upon prior notice to such parties required to receive such notice and such other parties as may be reasonably requested by Agent; and (ii) shall be in full force and effect and shall not have been amended, modified or stayed, or reversed (other than in respect of the Canadian Interim DIP Recognition Order by the Canadian Final DIP Recognition Order); and, if the Canadian Interim DIP Recognition Order is the subject of a pending objection, appeal or motion for reconsideration in any respect (other than in respect of the Canadian Interim DIP Recognition Order by the Canadian Final DIP Recognition Order), neither the Canadian Interim DIP Recognition Order, nor the making of the Loans or the performance by the Loan Parties of any of the Obligations shall be the subject of a presently effective stay.

3.3 Maturity. This Agreement shall continue in full force and effect for a term ending on the Maturity Date (unless terminated earlier in accordance with the terms hereof).

3.4 Effect of Maturity. On the Maturity Date, all commitments of the Lender Group to provide additional credit hereunder shall automatically be terminated and all of the Obligations (excluding any unasserted contingent indemnification Obligations) immediately shall become due and payable without notice or demand and Borrowers shall be required to repay all of the Obligations in full. No termination of the obligations of the Lender Group or termination of the term of this Agreement as provided in Section 3.3 shall relieve or discharge any Loan Party of its duties, obligations, or covenants hereunder (including under Section 10.3) or under any other Loan Document and Agent's Liens in the Collateral shall continue to secure the Obligations and shall remain in effect, in each case until all Obligations have been paid in full. When all of the Obligations have been paid in full, Agent will, at Borrowers' sole expense, execute and deliver any termination statements, lien releases, discharges of security interests, and other similar discharge or release documents (and, if applicable, in recordable form) as are reasonably necessary to release, as of record, Agent's Liens and all notices of security interests and liens previously filed by Agent.

3.5 Early Termination by Borrowers. Borrowers have the option, at any time upon 10 Business Days prior written notice to Agent, to terminate this Agreement and terminate the Revolver Commitments hereunder by repaying to Agent all of the Obligations in full. 9. RIGHTS AND REMEDIES.

9.1 Rights and Remedies. Notwithstanding the provisions of Section 362 of the Bankruptcy Code, upon the occurrence and during the continuation of an Event of Default-and subject to any notice required under the Financing Order or any DIP Recognition Order, the Required Lenders (at their election but without notice of their election and without demand) may authorize and instruct Agent to do any one or more of the following on behalf of the Lender Group (and Agent, acting upon the instructions of the Required Lenders, shall do the same on behalf of the Lender Group), all of which are authorized by Borrowers:

(a) (i) declare the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents to be immediately due and payable, whereupon the same shall become and be immediately due and payable and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by each Borrower, and (ii) direct Borrowers to provide (and Borrowers agree that upon receipt of such notice Borrowers will provide) Letter of Credit Collateralization to Agent to be

held as security for Borrowers' reimbursement obligations for drawings that may subsequently occur under issued and outstanding Letters of Credit;

(b) declare the Revolver Commitments terminated, whereupon the Revolver Commitments shall immediately be terminated together with (i) any obligation of any Revolving Lender to make Revolving Loans, (ii) the obligation of the Swing Lender to make Swing Loans, and (iii) the obligation of Issuing Bank to issue Letters of Credit;

(c) terminate the Loan Parties' right to use Cash Collateral by written notice thereof to counsel for the Loan Parties, counsel for the Committee (if any) and the U.S. Trustee, and the Information Officer, without further notice, application or order of the Bankruptcy Court or the Canadian Court;

(d) subject to the applicable terms, if any, of the Financing Order, exercise all other rights and remedies available to Agent or the Lenders under the Loan Documents, under applicable law, or in equity (subject to any notice provisions in the Loan Documents).

9.2 Remedies Cumulative. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, the PPSA, the CCQ, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election, and no waiver by the Lender Group of any Event of Default shall be deemed a waiver of any other Event of Default or future Event of Default. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

9.3 [Intentionally Omitted].

10. WAIVERS; INDEMNIFICATION.

10.1 Demand; Protest; etc. Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which any Borrower may in any way be liable.

10.2 The Lender Group's Liability for Collateral. Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the PPSA or CCQ, as applicable, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3 Indemnification. Each Borrower shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons, the Issuing Bank and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the

enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrowers shall not be liable for costs and expenses (including attorneys' fees) of any Lender (other than Wells Fargo) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto and in connection with the Bankruptcy Cases and the Recognition Proceedings) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Parent's and its Subsidiaries' compliance with the terms of the Loan Documents or any Existing Loan Documents (provided, that the indemnification in this clause (a) shall not extend to claims that a court of competent jurisdiction finally determines to have resulted from (i) disputes solely between or among the Lenders that do not involve any acts or omissions of any Loan Party, or (ii) disputes solely between or among the Lenders and their respective Affiliates that do not involve any acts or omissions of any Loan Party; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders unless the dispute involves an act or omission of a Loan Party) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) any Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim), (b) with respect to any actual or prospective investigation, litigation, or proceeding related to this Agreement or the Existing Credit Agreement, any other Loan Document or Existing Loan Document, the making of any Loans or issuance of any Letters of Credit hereunder or under the Existing Credit Agreement, or the use of the proceeds of the Loans or the Letters of Credit provided hereunder or under the Existing Credit Agreement (irrespective of whether any Indemnified Person is a party thereto, but including if any Loan Party is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by any Borrower or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of any Borrower or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, no Borrower shall have any obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or agents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrowers were required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrowers with respect thereto. WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON.

EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. (i) WITH THE EXCEPTION OF THE MATTERS SPECIFIED IN SUBCLAUSE (ii) BELOW, ANY CLAIM SHALL BE DETERMINED BY A GENERAL REFERENCE PROCEEDING IN ACCORDANCE WITH THE PROVISIONS OF CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 638 THROUGH 645.1. THE PARTIES INTEND THIS GENERAL REFERENCE AGREEMENT TO BE SPECIFICALLY ENFORCEABLE. VENUE FOR THE REFERENCE PROCEEDING SHALL BE IN THE COUNTY OF LOS ANGELES, CALIFORNIA.

THIS AGREEMENT DOES NOT LIMIT THE RIGHT OF ANY PARTY TO EXERCISE OR OPPOSE ANY OF THE RIGHTS AND REMEDIES DESCRIBED IN CLAUSES (A) THROUGH (D) AND ANY SUCH EXERCISE OR OPPOSITION DOES NOT WAIVE THE RIGHT OF ANY PARTY TO PARTICIPATE IN A REFERENCE PROCEEDING PURSUANT TO THIS AGREEMENT WITH RESPECT TO ANY OTHER MATTER.

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN TEN DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). THE REFEREE SHALL BE APPOINTED TO SIT WITH ALL OF THE POWERS PROVIDED BY LAW. PENDING APPOINTMENT OF THE

REFEREE, THE COURT SHALL HAVE THE POWER TO ISSUE TEMPORARY OR PROVISIONAL REMEDIES.

(iv) EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE REFEREE SHALL DETERMINE THE MANNER IN WHICH THE REFERENCE PROCEEDING IS CONDUCTED INCLUDING THE TIME AND PLACE OF HEARINGS, THE ORDER OF PRESENTATION OF EVIDENCE, AND ALL OTHER QUESTIONS THAT ARISE WITH RESPECT TO THE COURSE OF THE REFERENCE PROCEEDING. ALL PROCEEDINGS AND HEARINGS CONDUCTED BEFORE THE REFEREE, EXCEPT FOR TRIAL, SHALL BE CONDUCTED WITHOUT A COURT REPORTER, EXCEPT WHEN ANY PARTY SO REQUESTS A COURT REPORTER AND A TRANSCRIPT IS ORDERED, A COURT REPORTER SHALL BE USED AND THE REFEREE SHALL BE PROVIDED A COURTESY COPY OF THE TRANSCRIPT. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY JUDGMENT. THE REFEREE SHALL REPORT HIS OR HER DECISION, WHICH REPORT SHALL ALSO INCLUDE FINDINGS OF FACT AND CONCLUSIONS OF LAW. THE REFEREE SHALL ISSUE A DECISION AND PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE, SECTION 644, THE REFEREE'S DECISION SHALL BE ENTERED BY THE COURT AS A JUDGMENT IN THE SAME MANNER AS IF THE ACTION HAD BEEN TRIED BY THE COURT. THE FINAL JUDGMENT OR ORDER FROM ANY APPEALABLE DECISION OR ORDER ENTERED BY THE REFEREE SHALL BE FULLY APPEALABLE AS IF IT HAS BEEN ENTERED BY THE COURT.

(vii) THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR OWN CHOICE, EACH PARTY HERETO KNOWINGLY AND VOLUNTARILY AND FOR THEIR MUTUAL BENEFIT AGREES THAT THIS REFERENCE PROVISION SHALL APPLY TO ANY DISPUTE BETWEEN THEM THAT ARISES OUT OF OR IS RELATED TO THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

NOTWITHSTANDING ANY OTHER PROVISION OF THIS SECTION 12, THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION OVER ANY ACTION OR DISPUTE INVOLVING, RELATING TO OR ARISING OUT OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS. THE PARTIES ACKNOWLEDGE THAT THE CANADIAN COURT SHALL HAVE EXCLUSIVE JURISDICTION OVER THE RECOGNITION PROCEEDINGS.

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations owed to it and its Revolver Commitment) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an "Assignee"), with the prior written consent (such consent not be unreasonably withheld, conditioned, or delayed) of:

(A) [Reserved]; and

(B) Agent, Swing Lender, and Issuing Bank.

(ii) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made to a Loan Party, an Affiliate of a Loan Party, or Sponsor,

(B) the amount of the Revolver Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount (unless waived by Agent) of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000),

(C) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement,

(D) the parties to each assignment shall execute and deliver to Agent an Assignment and Acceptance; provided, that Borrowers and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Administrative Borrower and Agent by such Lender and the Assignee,

(E) no assignment may be made to a Defaulting Lender,

(F) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent's separate account, a processing fee in the amount of \$3,500, and

(G) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the "Administrative Questionnaire").

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Sections 10.3 and 16) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Sections 15 and 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other

documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, (vi) [reserved], and (vii) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Revolver Commitments arising therefrom. The Revolver Commitment allocated to each Assignee shall reduce such Revolver Commitments of the assigning Lender pro tanto.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (in each case, other than a Person to which an assignment is not permitted under Section 13.1(a)(ii)(A) or 13.1(a)(ii)(B)) (a "Participant") participating interests in all or any portion of its Obligations, its Revolver Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Revolver Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, in each case of the foregoing clauses (A) through (E), except to the extent any such amendment or consent is permitted to be effected by only the Required Lenders pursuant to Section 14.1 (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to a Loan Party, an Affiliate of a Loan Party, Sponsor, or an Affiliate of Sponsor, and (vii) all

amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrowers, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR § 203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of Borrowers) shall maintain, or cause to be maintained, a register (the "Register") on which it enters the name and address of each Lender as the registered owner of the Revolving Loans (and the principal amount thereof and stated interest thereon) held by such Lender (each, a "Registered Loan"). Other than in connection with an assignment by a Lender of all or any portion of its portion of the Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender (i) a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). The entries in the Register shall be conclusive absent manifest error, and Borrowers, the Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as Lender hereunder for all purposes of this Agreement. Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrowers shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Lender of all or any portion of its Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender,

and which assignment is not recorded in the Register, the assigning Lender, on behalf of Borrowers, shall maintain a register comparable to the Register. The Register shall be available for inspection by Borrowers and any Lender at any reasonable time during business hours and from time to time upon reasonable notice.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrowers, shall maintain (or cause to be maintained) a register on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(j) Agent shall make a copy of the Register (and each Lender shall make a copy of its Participant Register to the extent required pursuant to clause (i) above) available for review by Borrowers from time to time as Borrowers may reasonably request.

13.2 Successors. This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, that no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void ab initio. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Borrower is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 Amendments and Waivers.

(b) No amendment, waiver, modification, or consent shall amend, modify, waive, or eliminate,

(i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and Borrowers (and shall not require the written consent of any of the Lenders), or

(ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders.

(i) amend, modify, or eliminate this Section 14.1(c).

(ii) amend, modify, or eliminate the definitions of "Initial Approved Budget" or "Approved Budget".

(d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Bank, or any other rights or duties of Issuing Bank under this Agreement or the other Loan Documents, without the written consent of Issuing Bank, Agent, Borrowers, and the Required Lenders.

(e) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrowers, and the Required Lenders.

(f) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of Parent or any Borrower, shall not require consent by or the agreement of any Loan Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender.

14.2 Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, (ii) any Lender makes a claim for compensation under Section 16 or (iii) any Lender becomes a Defaulting Lender, then Borrowers or Agent, upon at least five Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a "Non-Consenting Lender"), any Lender that made a claim for compensation (a "Tax Lender") or any Defaulting Lender, in each case, with one or more Replacement Lenders, and the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due in payable in respect thereof, and (ii) an assumption of its Pro Rata Share of participations in the Letters of Credit). If the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or and on behalf of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Revolver Commitments, and the other rights and obligations of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall remain obligated to make the Non-Consenting Lender's, Tax Lender's or Defaulting Lender's, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of participations in such Letters of Credit.

14.3 No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Parent and Borrowers of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1 Appointment and Authorization of Agent. Each Lender hereby designates and appoints Wells Fargo as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents or to take any other action with respect to any Collateral or Loan Documents which may be necessary to perfect, and maintain perfected, the security interests and Liens upon

Collateral pursuant to the Loan Documents, (c) make Revolving Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

15.2 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 Liability of Agent. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries. No Agent-Related Person shall have any liability to any Lender, any Loan Party or any of their respective Affiliates if any request for a Loan, Letter of Credit or other extension of credit was not authorized by the applicable Borrower. Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Loan Document or applicable law or regulation.

15.4 Reliance by Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be

indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5 Notice of Default or Event of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrowers referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 Credit Decision. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-

Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7 Costs and Expenses; Indemnification. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence, or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8 Agent in Individual Capacity. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though Wells Fargo were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to

any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

15.9 Successor Agent. Agent may resign as Agent upon 30 days (ten days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrowers (unless such notice is waived by Borrowers or a Default or Event of Default has occurred and is continuing) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as Issuing Bank or the Swing Lender, such resignation shall also operate to effectuate its resignation as Issuing Bank or the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrowers, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10 Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such

information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11 Collateral Matters.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release (or, in the case of clause (v), release or subordinate), and Agent agrees to release (or subordinate as applicable), any Lien on any Collateral (i) upon the termination of the Revolver Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrowers certify to Agent that the sale or disposition thereof is permitted under Section 6.4 or the other Loan Documents (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which Parent or its Subsidiaries did not own any interest at the time Agent's Lien was granted nor at any time thereafter, (iv) constituting property leased or licensed to Parent or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, (v) constituting assets or property subject, or to become subject to, a Lien permitted by clause (e), (f), (r) or (t) of the definition of "Permitted Lien", (vi) in connection with a credit bid or purchase authorized under this Section 15.11, or (vii) having a value of less than \$5,000,000 in the aggregate during any calendar year; provided that anything to the contrary contained in any of the Loan Documents notwithstanding, no Lien on any Collateral shall be released if a Default or Event of Default pursuant to Section 8.1 due failure to comply with Section 2.4(e)(i) exists or would be caused thereby. If Agent releases any Lien pursuant to the foregoing sentence on any motor vehicles (including Fleet Assets), then Agent shall request certificates of title with respect to such motor vehicles from the Custodian in possession of such certificates of title and, upon receipt of such certificates of title, Agent will promptly deliver such certificates of title to the Administrative Borrower. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (a) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, or any other Insolvency Law, as applicable, (b) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Section 9-610 or 9-620 of the Code or the PPSA or CCQ, as applicable, or (c) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims

cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Borrowers at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that (1) anything to the contrary contained in any of the Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrowers in respect of) any and all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Each Lender further hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to irrevocably authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness. Notwithstanding the provisions of this Section 15.11, Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards provided that such building, structure or improvement has an immaterial fair market value.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) (i) to verify or assure that the Collateral exists or is owned by Parent or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) [reserved], (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being

understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise expressly provided herein.

15.12 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, enforcement, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13 Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code, the PPSA or the STA, as applicable, can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14 Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available

funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15 Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16 Certain Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, (i) a copy of each field examination report respecting Parent or its Subsidiaries, and (ii) a copy of each appraisal of the Collateral obtained by Agent (each, a "Report") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any field examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent's and its Subsidiaries' books and records, as well as on representations of Borrowers' personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(f) In addition to the foregoing, (i) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or its Subsidiaries to Agent that has not been contemporaneously provided by Parent or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (ii) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (iii) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17 Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Revolver Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Revolver Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18 Agent acting as Hypothecary Representative. Without limiting the powers of the Agent under this Agreement and the Canadian Guarantee and Security Agreement, for the purposes of holding any hypothec granted by any Canadian Loan Party pursuant to the laws of the Province of Quebec, each Canadian Loan Party and Lender hereby irrevocably appoints and authorizes the Agent and, to the extent necessary, ratifies the appointment and authorization of the Agent, to act as the hypothecary representative of the Canadian Loan Parties and the Lenders as contemplated under Article 2692 of the CCQ, and to enter into, to take and to hold on its behalf, and for its benefit, any such hypothec, and to exercise the powers and duties that are conferred upon the Agent under any hypothec. The Agent shall (a) have the sole and exclusive right and authority to exercise, except as otherwise specifically restricted by this Agreement, all rights and remedies given to the Agent pursuant to any such hypothec, applicable law or otherwise, (b) benefit from and be subject to all provisions of this Agreement with respect to the Agent mutatis mutandis in its capacity as hypothecary representative, including all such provisions with respect to the liability or responsibility to and indemnification by the Canadian Loan Parties and the Lenders, and (c) be entitled to delegate from time to time any of its powers or duties under any hypothec on

such terms and conditions as it may determine from time to time. Any Person who becomes a Lender will, by its execution of an Assignment and Acceptance, be deemed to have consented to and confirmed the Agent as the Person acting as hypothecary representative holding those hypothecs and to have ratified, as of the date it becomes a Lender, all actions taken by the Agent in that capacity. The appointment of a successor Agent pursuant to this Agreement also constitutes the appointment of a successor hypothecary representative under this Section. Notwithstanding anything in this Agreement to the contrary, this Section 15.18 is governed by the laws of the Province of Quebec and the federal laws of Canada applicable in Quebec.

16. WITHHOLDING TAXES.

16.1 Payments. All payments made by or on account of any obligation of a Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, except as required by law, and in the event any deduction or withholding of Taxes is required by applicable law, Borrowers shall comply with the next sentence of this Section 16.1. If any Taxes are required to be so withheld or deducted, Borrowers shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then, Borrowers agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts to the extent that the increase in such amount payable results from Agent's or such Lender's own willful misconduct, gross negligence or bad faith (as finally determined by a court of competent jurisdiction). If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Administrative Borrower, then Borrowers may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax. Borrowers will furnish to Agent as promptly as practicable after the date the payment of any Indemnified Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by Borrowers or other documentation reasonably acceptable to Agent. Borrowers agree to pay, or at the option of Agent timely reimburse it for the payment of, any Other Taxes. Borrowers shall indemnify Agent, Issuing Bank or any Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Person or required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Administrative Borrower by a Lender (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

16.2 Exemptions.

(a) Each Lender or Participant agrees with and in favor of Agent and Borrowers, to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to

the Lender granting the participation) one of the following (in each case originally signed) before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers or Agent):

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrowers (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrowers within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, Form W-8BEN-E or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or Form W-8BEN-E;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender or Participant, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is not the beneficial owner of payments made under any Loan Document, (A) a properly completed and executed copy of IRS Form W-8IMY (with proper attachments), and (B) the relevant forms described in clauses (i), (ii), (iii) and (v) of this Section 16.2 that would be required of each such beneficial owner, if such beneficial owner were a Lender or Participant; or

(v) if such Lender or Participant is a U.S. Person (as defined in Section 7701(a)(30) of the IRC) a properly completed and executed copy of IRS Form W-9 certifying that such Lender or Participant is exempt from U.S. federal backup withholding tax.

(b) Each Lender or Participant shall on or prior to the date on which it becomes a Lender or Participant hereunder provide the above forms (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower) and shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and will promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) In the case of a Lender or Participant that would be subject to Tax imposed by FATCA on payments made under this Agreement or any other Loan Document if such Lender or Participant fails to comply with the applicable reporting requirements of FATCA, such Lender or Participant shall provide such documentation prescribed by applicable law and such additional documentation reasonably requested by Borrowers or Agent (which, in the case of a Participant, shall be provided to the Lender granting the participation) as may be necessary for Borrowers or Agent to comply with its obligations under FATCA and to determine that such Lender or

Participant has complied with such Lender's or such Participant's obligations under FATCA or to determine the amount to deduct and withhold from any such payments. Solely for purposes of this Section 16.2(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) If a Lender or Participant is entitled to an exemption from or reduction in withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Agent and Administrative Borrower (which, in the case of a Participant, shall be provided to the Lender granting the participation) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower), but only if such Lender or such Participant is legally able to deliver such forms. In addition, any Lender or Participant, if reasonably requested by Agent or Administrative Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or Agent as will enable the Loan Parties or Agent to determine whether or not such Lender or Participant is subject to backup withholding or information reporting obligations. Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction. Notwithstanding anything to the contrary in the preceding three sentences, nothing in this Section 16.2(d) shall require a Lender or Participant to disclose any information that it reasonably deems to be confidential (including its tax returns) or any documentation or information that, in the Lender's or Participant's reasonable judgment, the completion, execution or submission of which would subject such Lender or Participant to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or Participant.

(e) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent and Administrative Borrower (or, in the case of a Participant, the Lender granting the participation) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent and Borrowers will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(a), 16.2(c) or 16.2(d) as no longer valid. With respect to such percentage amount, such Participant or Assignee shall provide new documentation, pursuant to Section 16.2(a), 16.2(c) or 16.2(d), if applicable. Upon the reasonable request of Agent, a Lender shall also provide to Agent documentation provided to such Lender by a Participant pursuant to Section 16.2(a) or 16.2(c). Borrowers agree that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Revolver Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto and provided that a Participant shall not be entitled to any additional amounts pursuant to this Section 16 in excess of the amount to which Lender granting the participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

16.3 Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent), then Agent (and, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, the Lender granting the participation or Agent) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation or Agent) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (and, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (and, in the case of a Participant, the Lender granting the participation or Agent), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent only) under this Section 16, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4 Refunds. If Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes paid by the Borrowers pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses (including Taxes) of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agree to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct, gross negligence of Agent hereunder as finally determined by a court of competent jurisdiction) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to Borrowers or any other Person or require Agent or any Lender to pay any amount to an indemnifying party pursuant to Section 16.4, the payment of which would place Agent or such Lender (or their Affiliates) in a less favorable net after-Tax position than such Person would have been in if the

Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

16.5 Survival. Each party's obligations under this Section 16 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Revolver Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

17. GENERAL PROVISIONS.

17.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by Parent, each Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Parent or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 Bank Product Providers. Each Bank Product Provider in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts

that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrowers may obtain Bank Products from any Bank Product Provider, although Borrowers are not required to do so. Each Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6 Debtor-Creditor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein. Each Borrower and each other Loan Party and its Subsidiaries acknowledges that its business and financial relationships with the Lenders are unique from its relationship with any other of its creditors. Each Borrower and each other Loan Party and its Subsidiaries agrees that it shall not file any plan of arrangement under the CCAA or proposal under the BIA which provides for, or would permit, directly or indirectly, the Lenders to be classified with any other creditors of such Borrower and each other Loan Party and its Subsidiaries for purposes of such CCAA plan of arrangement, BIA proposal or otherwise.

17.7 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Execution of any such counterpart may be by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, as in effect from time to time, state enactments of the Uniform Electronic Transactions Act, as in effect from time to time, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Agent reserves the right, in its discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement. Any party delivering an executed counterpart of this Agreement by faxed, scanned or photocopied manual signature shall also deliver an original manually executed counterpart, but the failure to deliver an original manually

executed counterpart shall not affect the validity, enforceability and binding effect of this Agreement. The foregoing shall apply to each other Loan Document, and any notice delivered hereunder or thereunder, *mutatis mutandis*.

17.8 Revival and Reinstatement of Obligations; Certain Waivers. If any member of the Lender Group or any Bank Product Provider repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of Collateral) previously paid or transferred to such member of the Lender Group or such Bank Product Provider in full or partial satisfaction of any Obligation or on account of any other obligation of any Loan Party under any Loan Document or any Bank Product Agreement, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code or any other Insolvency Law relating to fraudulent transfers, preferences, transfers at undervalue or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group or Bank Product Provider elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group or Bank Product Provider elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys' fees of such member of the Lender Group or Bank Product Provider related thereto, (i) the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist, and (ii) Agent's Liens securing such liability shall be effective, revived, and remain in full force and effect, in each case, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) Agent's Liens shall have been released or terminated, or (B) any provision of this Agreement shall have been terminated or cancelled, Agent's Liens, or such provision of this Agreement, shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligation of any Loan Party in respect of such liability or any Collateral securing such liability. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations.

17.9 Confidentiality.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be

required by statute, decision, or judicial or administrative order, rule, or regulation; provided, that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation, and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process, and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 17.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 17.9 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, (i) Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services, and (ii) Agent may disclose information concerning the terms and conditions of this Agreement in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of any Borrower or the other Loan Parties and the Revolver Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent. No Lender may make any such announcement without the prior written consent of Agent (such consent of Agent to be given or withheld in Agent's sole and absolute discretion).

(c) The Loan Parties hereby acknowledge that Agent or its Affiliates may make available to the Lenders materials or information provided by or on behalf of Borrowers hereunder

(collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks, SyndTrak or another similar electronic system (the "Platform"). The Platform is provided "as is" and "as available". Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. The Loan Parties hereby acknowledge that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Loan Parties or their securities). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked "PUBLIC" or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as "Public Investor" (or such other similar term).

17.10 Survival. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Bank, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid or any Letter of Credit is outstanding and so long as the Revolver Commitments have not expired or been terminated.

17.11 Patriot Act, Due Diligence. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, Agent and each Lender shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners, including (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties, (b) OFAC/PEP searches and customary individual background checks for the Loan

Parties' senior management and key principals and (c) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the legal and beneficial owners of the Loan Parties. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.13 Administrative Borrower as Agent for Borrowers. Each Borrower hereby irrevocably appoints Administrative Borrower, as the borrowing agent and attorney-in-fact for all Borrowers which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (a) to provide Agent with all notices with respect to Revolving Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from members of the Lender Group (and any notice or instruction provided by any member of the Lender Group to Administrative Borrower in accordance with the terms hereof shall be deemed to have been given to each Borrower), and (c) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Revolving Loans and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that Lender Group shall not incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Lender Group to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify each member of the Lender Group and hold each member of the Lender Group harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender Group by any Borrower or by any third party whosoever, arising from or incurred by reason of (i) the handling of the Loan Account and Collateral of Borrowers as herein provided, or (ii) the Lender Group's relying on any instructions of Administrative Borrower, except that Borrowers will have no liability to the relevant Agent-Related Person or Lender-Related Person under this Section 17.13 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence

or willful misconduct of such Agent-Related Person or Lender-Related Person, as the case may be.

17.14 Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Solely to the extent an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

17.15 Canadian Anti-Terrorism Laws.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and "know your client" laws, Agent and Lenders may be required to obtain, verify and record information regarding each Loan Party, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of such Loan Party, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by Agent or any Lender, or any prospective assignee or participant of Agent or a Lender, in order to comply with any such laws, whether now or hereafter in existence.

(b) If Agent has ascertained the identity of any Loan Party or any authorized signatories of any Loan Party for the purposes of the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and "know your client" laws, then Agent:

(i) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a "written agreement" in such regard between each Lender and Agent within the meaning of such laws; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of any Loan Party or any authorized signatories of any Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

17.16 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be the Spot Rate on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable law). Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support

(and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

17.18 Erroneous Payments.

(a) Each Lender, each Issuing Bank, each other Bank Product Provider and any other party hereto hereby severally agrees that if (i) Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or Issuing Bank or any Bank Product Provider (or the Lender which is an Affiliate of a Lender, Issuing Bank or Bank Product Provider) or any other Person that has received funds from Agent or any of its Affiliates, either for its own account or on behalf of a Lender, Issuing Bank or Bank Product Provider (each such recipient, a "Payment Recipient") that Agent has determined in its sole discretion that any funds received by such Payment Recipient were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in clauses (i) or (ii) of this Section 17.18(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise; individually and collectively, an "Erroneous Payment"), then, in each case, such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; provided that nothing in this Section shall require Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient agrees that it shall not assert any right or claim to any Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly notify Agent in writing of such occurrence.

(c) In the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of Agent, and upon demand from Agent such Payment Recipient

shall (or, shall cause any Person who received any portion of an Erroneous Payment on its behalf to), promptly, but in all events no later than one Business Day thereafter, return to Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to Agent at the greater of the Federal Funds Rate and a rate determined by Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by Agent for any reason, after demand therefor by Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "Erroneous Payment Return Deficiency"), then at the sole discretion of Agent and upon Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Revolver Commitments) with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Loans") to Agent or, at the option of Agent, Agent's applicable lending affiliate (such assignee, the "Agent Assignee") in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as Agent may specify) (such assignment of the Loans (but not Revolver Commitments) of the Erroneous Payment Impacted Loans, the "Erroneous Payment Deficiency Assignment") plus any accrued and unpaid interest on such assigned amount, without further consent or approval of any party hereto and without any payment by Agent Assignee as the assignee of such Erroneous Payment Deficiency Assignment. Without limitation of its rights hereunder, following the effectiveness of the Erroneous Payment Deficiency Assignment, Agent may make a cashless reassignment to the applicable assigning Lender of any Erroneous Payment Deficiency Assignment at any time by written notice to the applicable assigning Lender and upon such reassignment all of the Loans assigned pursuant to such Erroneous Payment Deficiency Assignment shall be reassigned to such Lender without any requirement for payment or other consideration. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 13 and (3) Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, Agent (1) shall be subrogated to all the rights of such Payment Recipient and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by Agent to such Payment Recipient from any source, against any amount due to Agent under this Section 17.18 or under the indemnification provisions of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrowers or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by Agent from the Borrowers or any other Loan Party for the purpose of making a

payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received.

(f) Each party's obligations under this Section 17.18 shall survive the resignation or replacement of Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Revolver Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) The provisions of this Section 17.18 to the contrary notwithstanding, (i) nothing in this Section 17.18 will constitute a waiver or release of any claim of any party hereunder arising from any Payment Recipient's receipt of an Erroneous Payment and (ii) there will only be deemed to be a recovery of the Erroneous Payment to the extent that Agent has received payment from the Payment Recipient in immediately available funds in the amount of the Erroneous Payment, whether directly from the Payment Recipient, as a result of the exercise by Agent of its rights of subrogation or set off as set forth above in clause (e) or as a result of the receipt by Agent Assignee of a payment of the outstanding principal balance of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment, but excluding any other amounts in respect thereof (it being agreed that any payments of interest, fees, expenses or other amounts (other than principal) received by Agent Assignee in respect of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment shall be the sole property of Agent Assignee and shall not constitute a recovery of the Erroneous Payment).

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Motion.

and this Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. Subject to the Assurance Procedures set forth below, no Utility Company may:
 - (a) alter, refuse, terminate, or discontinue Utility Services to, or discriminate against, the Debtors on the basis of the commencement of these Chapter 11 Cases or on account of outstanding prepetition invoices, or (b) require additional assurance of payment, other than the Utility Deposit, as a condition to the Debtors receiving such Utility Services.
3. The Debtors shall deposit, as adequate assurance for the Utility Companies, \$223,988.00 in the aggregate (the “Utility Deposit”) into a segregated account maintained at a bank that has entered into a Uniform Depository Agreement in a form prescribed by the Office of the United States Trustee for the District of Delaware (the “Utility Deposit Account”) within twenty (20) days of the Petition Date to be maintained during the pendency of these Chapter 11 Cases as provided for herein, which Utility Deposit shall not be subject to any liens

granted to the Debtors' postpetition lender(s) under any order entered by this Court authorizing debtor in possession financing under section 364 of the Bankruptcy Code.

4. Subject to the Assurance Procedures set forth below, the Utility Deposit constitutes adequate assurance of future payment to the Utility Companies under section 366 of the Bankruptcy Code (the "Adequate Assurance").

5. The following Assurance Procedures are approved in all respects:

- a. Any Utility Company desiring assurance of future payment for utility service beyond the Adequate Assurance must serve a request (an "Additional Assurance Request") so that it is received by the following: (i) Coach USA, Inc., 160 S Route 17 North, Paramus, NJ 07652 (Attn: Chrystal Haag-Morris (chrystal.morris@cr3partners.com)); and (ii) proposed co-counsel to the Debtors, Alston & Bird LLP, 90 Park Avenue, New York, New York 10016 (Attn: William Hao and Andrew T. Frisoli) (william.hao@alston.com, andrew.frisoli@alston.com), Young Conaway Stargatt & Taylor, LLP, 1000 N. King Street, Wilmington, Delaware 19801 (Attn: Joseph M. Mulvihill and Rebecca L. Lamb) (jmulvihill@ycst.com, rlamb@ycst.com).
- b. Any Additional Assurance Request must: (i) be made in writing; (ii) specify the amount and nature of assurance of payment that would be satisfactory to the Utility Company; (iii) set forth the location(s) for which Utility Services are provided and the relevant account number(s); (iv) describe any deposits, prepayments, or other security currently held by the requesting Utility Company; and (v) explain why the requesting Utility Company believes the Adequate Assurance is not sufficient adequate assurance of future payment.
- c. Upon the Debtors' receipt of an Additional Assurance Request at the addresses set forth above, the Debtors shall promptly negotiate with the requesting Utility Company to resolve its Additional Assurance Request.
- d. The Debtors may resolve any Additional Assurance Request by mutual agreement with the requesting Utility Company and without further order of this Court, and may, in connection with any such resolution, in their discretion, provide the requesting Utility Company with additional assurance of future payment in a form satisfactory to the Utility Company, including, but not limited to, cash deposits, prepayments, and/or other forms of security, if the Debtors believe such additional assurance is reasonable. Without the need for any notice to, or action, order, or approval of, this Court, the Debtors may reduce the amount of the Utility Deposit by any amount allocated to a particular Utility Company to the

extent consistent with any alternative adequate assurance arrangements mutually agreed to by the Debtors and the affected Utility Company.

- e. If the Debtors determine that an Additional Assurance Request is not reasonable or are unable to reach an alternative resolution with the applicable Utility Company, the Debtors will request a hearing, upon reasonable notice, before this Court to determine the adequacy of assurances of payment made to the requesting Utility Company (the “Determination Hearing”), pursuant to section 366(c)(3)(A) of the Bankruptcy Code.
- f. Pending the resolution of the Additional Assurance Request at a Determination Hearing, the Utility Company making such request shall be restrained from discontinuing, altering, or refusing service to the Debtors on account of unpaid charges for prepetition services, the commencement of these Chapter 11 Cases, or any objections to the Adequate Assurance, or requiring the Debtors to furnish any additional deposit or other security for the continued provision of services.
- g. The Adequate Assurance shall be deemed adequate assurance of payment for any Utility Company that fails to make an Additional Assurance Request.
- h. The portion of the Utility Deposit attributable to each Utility Company may be returned to the Debtors, without further order of this Court, on the earlier of (i) the reconciliation and payment by the Debtors of the Utility Company’s final invoice following the Debtors’ termination of Utility Services from such Utility Company, provided that such Utility Company does not dispute that it has been paid in full for postpetition services or does not respond to a notice of the Debtors’ intent to reduce the Utility Deposit within fourteen (14) days following the filing and service of such notice upon the affected Utility Company and (ii) the effective date of any chapter 11 plan confirmed in these Chapter 11 Cases.

6. The Debtors are authorized to increase the Utility Deposit by an amount equal to approximately two (2) weeks of the Debtors’ estimated aggregate utility expense for each Additional Utility Company identified subsequent to the Petition Date. The Additional Utility Companies (such as they are defined in the Motion) are subject to the terms of this Interim Order (including the Assurance Procedures).

7. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Any objections or responses to the Motion shall be filed on or before 4:00 p.m.

(prevailing Eastern Time), July 2, 2024 and served on (a) the Office of the United States Trustee for the District of Delaware (Attn: Richard Schepacarter (Richard.Schepacarter@usdoj.gov)), (b) Alston & Bird LLP, 90 Park Avenue, New York, NY 10016 (Attn: J. having found that this matter is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein until such time as this Court conducts a final hearing on this matter.
2. The Debtors are authorized to maintain and use the Cash Management System as described in the Motion.
3. The Debtors are authorized to (a) continue to use, with the same account numbers, the Bank Accounts, (b) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession, and (c) use, in their present form, all Business Forms, without reference to their status as debtors in possession, except as otherwise provided in this Interim Order.
4. The Banks are hereby authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession without interruption and in the usual and ordinary course, and to receive, process, honor, and pay, to the extent of

available funds, any and all checks, drafts, wires, credit card payments, and automated clearing house transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be; *provided, however*, that, subject to paragraph 6 below, any check drawn or issued by the Debtors before the Petition Date but presented to Banks for payment after the Petition Date may be honored by the Banks only if specifically authorized by order of this Court.

5. Notwithstanding any other provision of this Interim Order, if the Banks honor a prepetition check or other item drawn on any account that is the subject of this Interim Order (a) at the direction of the Debtors, (b) in good faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as the result of an innocent mistake made despite implementation of reasonable item handling procedures, it shall not be deemed to be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Interim Order.

6. The Banks are authorized to debit the Bank Accounts in the ordinary course of business without need for further order of this Court for: (a) all checks drawn on the Debtors' accounts which were cashed at such Bank's counters or exchanged for cashier's checks by the payees thereof prior to the filing of these Chapter 11 Cases, (b) all checks, automated clearing house entries, and other items deposited or credited to the Bank Accounts prior to filing of these Chapter 11 Cases that have been dishonored, reversed, or returned unpaid for any reason, together with any fees and costs in connection therewith, to the same extent the Debtors were responsible for such items prior to filing of these Chapter 11 Cases and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any Bank as service charges for the maintenance of the Cash Management System.

7. The Banks may rely on the representations of the Debtors with respect to whether any check, item, or other payment order drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this or any other order of this Court, and the Banks shall not have any liability to any party for relying on such representations by the Debtors as provided for herein.

8. Those certain existing deposit agreements between the Debtors and the Banks shall continue to govern the postpetition cash management relationship between the Debtors and the Banks, and all of the provisions of such agreements, including, without limitation, the termination, fee provisions, rights, benefits, offset rights, and remedies afforded under such agreements, shall remain in full force and effect. Subject to the terms of this Interim Order, either the Debtors or the Banks may, without further order of this Court, implement changes to the Debtors' Cash Management System in the ordinary course of business pursuant to the terms of those existing deposit agreements, including, without limitation, the opening and closing of bank accounts.

9. The Debtors are authorized in the ordinary course and consistent with prepetition practices, to open new bank accounts, close any existing Bank Account, and enter into any ancillary agreements, including new deposit control agreements, related to the foregoing, as the Debtors may deem necessary and appropriate, subject to the terms and provisions of the Debtors' agreement with the Banks, as applicable; provided that any such new account is with one of the Debtors' existing Banks or with an institution that is a party to a Uniform Depository Agreement with the U.S. Trustee or is willing to immediately execute a Uniform Depository Agreement. The Debtors shall provide written notice to the U.S. Trustee and any statutory committee appointed in these Chapter 11 Cases within ten (10) days of the opening of such account.

10. The Debtors are authorized, but not directed, to continue paying the Bank Fees in the ordinary course of business and to honor and pay obligations in connection with the Bank Fees.

11. The Debtors are authorized to use their existing Business Forms; provided, that once the Debtors' existing stock of Business Forms has been used, the Debtors shall, when reordering checks or other Business Forms, require the designation "Debtor in Possession" and the corresponding bankruptcy case number on all checks.

12. The Debtors are authorized, but not directed, to continue performing Intercompany Transactions in the ordinary course of business and to honor and pay obligations in connection with the Intercompany Transactions; *provided, however*, that, except as contemplated by the Approved Budget (as defined in the DIP Facility), the Debtors shall provide reasonable prior written notice to the DIP Agent and counsel to any statutory committee appointed in these Chapter 11 Cases of any Intercompany Transaction to a non-Debtor or any non-Prepetition ABL Loan Party.

13. The Debtors shall continue to maintain current records with respect to all transfers of cash so that all transactions, including Intercompany Transactions, may be readily ascertained, traced, and recorded properly on applicable intercompany accounts.

14. All Intercompany Claims owed by a Debtor to another Debtor shall be accorded administrative priority status of the kind specified in section 503(b) of the Bankruptcy Code to the extent such obligations arise after the Petition Date.

15. To the extent that any of the Debtors' Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code and any provision of the Guidelines, the Debtors shall have thirty (30) days from the entry of this Interim Order with respect of the Motion, without

prejudice to seeking an additional extension or extensions, to come into compliance with section 345(b) of the Bankruptcy Code and the Guidelines; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the time period set forth in this paragraph by entering into a written stipulation with the U.S. Trustee without the need for further Court order.

16. Notwithstanding the Debtors' authorized use of a consolidated cash management system, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each particular Debtor, regardless of which Debtor remits payment for those disbursements.

17. Within five (5) business days from the date of the entry of this Order, the Debtors shall (i) serve a copy of this Interim Order on the Banks and (ii) request that the Banks internally code the Bank Accounts as "debtor in possession" accounts.

18. For Banks at which the Debtors hold Bank Accounts that are party to a Uniform Depository Agreement with the U.S. Trustee, the Debtors shall immediately: (a) contact the Bank; (b) provide the Bank with each of the Debtors' employer identification numbers; and (c) instruct the Bank to rename the Bank Account(s) as "Debtor in Possession" accounts with the Petition Date and the lead case number included on the account title.

19. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Any objections or responses to the Motion shall be filed on or before 4:00 p.m. (prevailing Eastern Time) on July 2, 2024 and served on (a) the U.S. Trustee (Attn: Richard Schepacarter (Richard.Schepacarter@usdoj.gov)), (b) Alston & Bird LLP, 90 Park Avenue, New York, New York 10016 (Attn: J. Eric Wise (eric.wise@alston.com), Matthew K. Kelsey

(matthew.kelsey@alston.com), and William Hao (william.hao@alston.com)), (c) Young Conaway Stargatt & Taylor, LLP, 1000 N. King Street, Rodney Square, Wilmington, Delaware 19801 (Attn: Joseph M. Mulvihill (jmulvihill@ycst.com) and Rebecca L. Lamb (rlamb@ycst.com)), (d) counsel to any statutory committee appointed in these Chapter 11 Cases, and (e) counsel to Wells Fargo Bank, National Association, (i) Goldberg Kohn, 55 E. Monroe St., Chicago, Illinois 60603 (Attn: William A. Starshak (William.Starshak@goldbergkohn.com), Dimitri G. Karcazes (Dimitri.Karcazes@goldbergkohn.com), Prisca M. Kim (prisca.kim@goldbergkohn.com), and Nicole P. Bruno (Nicole.Bruno@goldbergkohn.com)) and (ii) Richards, Layton & Finger, P.A., 920 North King Street, Wilmington, Delaware 19801 (Attn: John H. Knight (knight@rlf.com) and Paul N. Heath (heath@rlf.com)). If no objections are timely filed, the Court may enter a final order without further notice or hearing.

20. Nothing in the Motion or this Interim Order shall be deemed or construed as: (a) an admission as to the validity of, or a promise to pay with respect to, any claim or lien against the Debtors or their estates, (b) a waiver of the Debtors' right to dispute any claim or lien, or (c) an admission of the priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise.

21. Nothing herein shall be deemed to constitute the postpetition assumption of any executory contract under section 365 of the Bankruptcy Code or authority to lift or modify the automatic stay set forth in section 362 of the Bankruptcy Code.

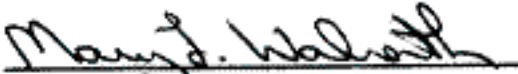

22. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief requested in the Motion, as granted hereby, is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

23. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be immediately effective and enforceable upon its entry.

24. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Interim Order in accordance with the Motion.

25. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation of this Interim Order.

Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to pay all or part of, on a case-by-case basis, the Critical Vendor Claims, including the 503(b)(9) Claims, in an amount not to exceed \$5.6 million on an interim basis, absent further order of the Court.
3. The Debtors are authorized, but not directed, to pay all or part, on a case-by-case basis, the Lien Claims in an aggregate amount not to exceed \$1,225,000 on an interim basis, absent further order of the Court.
4. The Debtors are authorized, but not directed, to condition payment to any Critical Vendor or Lien Claimant upon an agreement by the party in question to provide Customary Trade Terms, including reasonable and customary price, service, quality and payment terms to the Debtors on a postpetition basis. The Debtors may require more favorable trade terms with any Critical Vendor or Lien Claimants as a condition to payment of any prepetition claim. In the event that the Debtors and the Critical Vendor or Lien Claimant in question are not, despite

diligent efforts, able to come to a resolution pursuant to the Customary Trade Terms, the Debtors are authorized, but not directed, to make full or partial payment to a Critical Vendor or Lien Claimant only to the extent that the Debtors deem such payment is necessary to ensure that the particular vendor will provide necessary goods and services to the Debtors on a postpetition basis.

5. The Debtors are hereby authorized, but not directed, to require a Critical Vendor or Lien Claimant to enter into a Trade Agreement, substantially in the form attached as Exhibit 1 to this Interim Order, before issuing payment to such Critical Vendor or Lien Claimant.

6. For those Critical Vendors and Lien Claimants who have agreed to provide goods and services to the Debtors on terms different from their Customary Trade Terms, the Debtors reserve the right to seek written acknowledgment of such terms on a case-by-case basis. Nothing in this Interim Order should be construed as a waiver by any of the Debtors of their rights to contest any invoice of a Critical Vendor or Lien Claimant under applicable non-bankruptcy law.

7. If a Critical Vendor or Lien Claimant refuses to supply goods or services to the Debtors on Customary Trade Terms following payment of any portion of its Critical Vendor Claim or Lien Claim, or fails to comply with any trade agreement it entered into with the Debtors, the Debtors may, in consultation with the DIP Agent, and without further order of the Court, (i) declare that any trade agreement, including a Trade Agreement, between the Debtors and such Critical Vendor or Lien Claimant is terminated (if applicable), (ii) declare that any payments made to such Critical Vendor or Lien Claimant on account of its Critical Vendor Claim or Lien Claim, whether pursuant to a trade agreement or otherwise, are deemed to have been in payment of then outstanding postpetition claims of such Critical Vendor or Lien

Claimant, or (iii) treat such payments as avoidable unauthorized postpetition transfers of property.

8. In the event the Debtors exercise the rights set forth in the preceding paragraph, the Debtors may also request that the Critical Vendor or Lien Claimant against which the Debtors exercised such rights be required to immediately return to the Debtors any payments made on account of its Critical Vendor Claim or Lien Claim to the extent that such payments exceed the postpetition amounts then owed to such Critical Vendor, without giving effect to any rights of setoff or reclamation.

9. Any payments with respect to prepetition claims hereunder shall first be used to satisfy any allowed claim of the applicable Critical Vendor or Lien Claimant that is entitled to priority under section 503(b)(9) of the Bankruptcy Code, in whole or in part, and thereafter to satisfy the applicable Critical Vendor or Lien Claimant's general unsecured claim(s). A Critical Vendor or Lien Claimant's execution of a Trade Agreement shall not impact the priority of the Critical Vendor or Lien Claimant's claim.

10. Any Critical Vendor or Lien Claimant that accepts payments pursuant to the authority granted in this Interim Order shall be deemed to agree to the terms and provisions of this Interim Order. The Debtors shall provide a copy of this Interim Order to any Critical Vendor or Lien Claimant to whom a payment is made pursuant to this Interim Order.

11. Each of the Banks is authorized to receive, process, honor, and pay all checks and transfers issued or requested by the Debtors, to the extent that sufficient funds are on deposit in the applicable accounts, in accordance with this Interim Order and any other order of this Court.

12. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests

in connection with any of the Critical Vendor Claims or Lien Claims described herein that are dishonored or rejected.

13. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Knight (knight@rlf.com) and Paul N. Heath (heath@rlf.com)). If no objections are timely filed, the Court may enter the Final Order without further notice or hearing.

14. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be deemed or construed as: (a) an admission as to the validity of, or a promise to pay with respect to, any claim or lien against the Debtors or their estates; (b) a waiver of the Debtors' right to dispute any claim or lien; (c) an admission of the

priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise; or (d) a waiver of the Debtors' right to contest any invoice of a Critical Vendor or Lien Claimant under applicable non-bankruptcy law.

15. Nothing herein shall be deemed to constitute the postpetition assumption of any executory contract under section 365 of the Bankruptcy Code or authority to lift or modify the automatic stay set forth in section 362 of the Bankruptcy Code.

WHEREAS on June 11, 2024 (the “Petition Date”), the Company and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Court”).

WHEREAS on [●], 2024, the Court entered its *[Interim/Final] Order (I) Authorizing Debtors to Pay Prepetition Claims of Certain Critical Vendors, 503(b)(9) Claimants and Lien Claimants; (II) Authorizing Banks to Honor and Process Check and Electronic Transfer Requests Related Thereto; (III) Scheduling a Final Hearing; and (IV) Granting Related Relief* [Docket No. ____] (the “Critical Vendor Order”)¹ authorizing the Debtors [on an interim/a final] basis, under certain conditions, to pay prepetition claims of certain vendors, including the Vendor, subject to the terms and conditions set forth therein.

WHEREAS prior to the Petition Date, the Vendor delivered goods to the Company and/or performed services for the Company, and the Company paid the Vendor for such goods and/or services, according to Customary Trade Terms (as defined herein).

WHEREAS the Company and the Vendor (each a “Party” and, collectively, the “Parties”) agree to the following terms as a condition of payment on account of certain prepetition claims the Vendor may hold against the Company.

Agreement

1. Recitals. The foregoing recitals are incorporated herein by reference as if set forth herein at length.

2. Vendor Payment. The Vendor represents and agrees that, after due investigation, the sum of all prepetition amounts currently due and owing by the Company to the Vendor is \$[____] (the “Agreed Vendor Claim”). Following execution of this Trade Agreement, the Company shall, in full and final satisfaction of the Agreed Vendor Claim, pay the Vendor \$[____] on account of its Agreed Vendor Claim (the “Vendor Payment”) (without interest, penalties, or other charges), as such invoices become due and payable, which such Vendor Payments shall reduce the agreed amount of the Agreed Vendor Claim dollar-for-dollar.

¹ Capitalized terms used and not defined herein shall have the meanings ascribed to them in the Critical Vendor Order.

3. Agreement to Supply.

- a. The Vendor shall supply goods to and/or perform services for the Company, and the Company shall accept and pay for goods and/or services from the Vendor (to the extent the Company seeks such services), for the duration of the Debtors' Chapter 11 Cases based on the following terms (the "Customary Trade Terms"): those trade terms at least as favorable to the Company as those practices and programs (including, but not limited to, credit limits, pricing, cash discounts, the number of days for timing of payments and payment terms, allowances (as may be incorporated or contemplated by any agreements between the Parties or based on historic practice, as applicable), rebates, product mix, availability, and other applicable terms or programs) in place at any time within the twelve months prior to the Petition Date, or are otherwise acceptable to the Company in light of customary industry practices, except for any partial payments or other payments (or assurances) the Company made with respect to any unfinished product. "Duration of the Debtors' Chapter 11 Cases" means until the earlier of: (i) the effective date of a chapter 11 plan in the Company's Chapter 11 Cases; (ii) the closing of a sale of all or a material portion of the Company's assets pursuant to Bankruptcy Code section 363 resulting in a cessation of the Company's business operations; or (iii) the liquidation of the Company or conversion of the Debtors' Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code.
- b. The Customary Trade Terms may not be modified, adjusted, or reduced in a manner adverse to the Company except as agreed to in writing by the Parties.
- c. The Vendor shall continue to honor any existing allowances, rebates, credits, contractual obligations, or balances that were accrued as of the Petition Date and shall apply all such allowances, credits, or balances towards future orders in the ordinary course of business.
- d. The Vendor shall continue all shipments of goods in the ordinary course and shall fill orders for goods requested by the Company, in the quantities as the Company has requested, to the best of their ability in the ordinary course of business pursuant to the Customary Trade Terms.
- e. The Vendor shall not be permitted to cancel any contract, agreement, or arrangement pursuant to which they provide services to the Debtors for the duration of the Debtors' chapter 11 cases.

4. Payment Terms. The Vendor agrees to supply post-petition goods and services to the Company in accordance with the Customary Trade Terms, which include the following payment terms:
-
-
-

5. Other Matters.

- a. The Vendor agrees that it shall not require a lump-sum payment upon the effective date of a plan in the Debtors' Chapter 11 Cases on account of any outstanding administrative claims the Vendor may assert arising from the delivery of postpetition goods or services, to the extent that payment of such claims is not yet due. The Vendor agrees that such claims will be paid in the ordinary course of business after confirmation of a plan pursuant to the Customary Trade Terms then in effect. The Vendor Payment will be made concurrently with payment of other outstanding administrative claims as provided in a confirmed plan.
- b. The Vendor will not separately seek payment from the Company on account of any prepetition claim (including, without limitation, any reclamation claim or any claim pursuant to section 503(b)(9) of the Bankruptcy Code) outside the terms of this Trade Agreement or a plan confirmed in the Debtors' Chapter 11 Cases.
- c. The Vendor will not file or otherwise assert against the Company, its assets, or any other person or entity or any of their respective assets or property (real or personal) any lien, regardless of the statute or other legal authority upon which the lien is asserted, related in any way to any remaining prepetition amounts allegedly owed to the Vendor by the Company arising from prepetition agreements or transactions. Furthermore, if the Vendor has taken steps to file or assert such a lien prior to entering into this Trade Agreement, the Vendor will promptly take all necessary actions to remove such liens and hereby authorizes the Company to take any such actions on its behalf.

6. Breach.

- a. In the event that the Vendor fails to satisfy its undisputed obligations arising under this Trade Agreement (a "Vendor Breach"), upon written notice to the Vendor, the Vendor shall promptly pay to the Company immediately available funds in an amount equal to, at the election of the Company, the Vendor Payment or any portion of the Vendor Payment which cannot be recovered by the Company from the postpetition receivables then owing to the Vendor from the Company.
- b. In the event that the Company recovers the Vendor Payment, the Agreed Vendor Claim shall be reinstated as if the Vendor Payment had not been made.
- c. The Vendor agrees and acknowledges that irreparable damage would occur in the event of a Vendor Breach and remedies at law would not be adequate to compensate the Company. Accordingly, the Vendor agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Trade Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive relief and/or other equitable relief. The right to equitable

relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Trade Agreement. The Vendor hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance, or other equitable remedies.

¹ A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors' mailing address is 160 S Route 17 North, Paramus, NJ 07652.

many of which are expected to file proofs of claim; and it appearing that the receiving, docketing, and maintaining of proofs of claim would be unduly time-consuming and burdensome for the Clerk; and this Court being authorized under 28 U.S.C. § 156(c) to utilize, at the Debtors' expense, outside agents and facilities to provide notices to parties in title 11 cases and to receive, docket, maintain, photocopy, and transmit proofs of claim; and this Court being satisfied that Kroll has the capability and experience to provide such services and that Kroll does not hold an interest adverse to the Debtors or the estates respecting the matters upon which it is to be engaged; and a hearing having been held to consider the relief requested in the Section 156(c) Application; and upon the record of the hearing on the Section 156(c) Application and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Section 156(c) Application is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Section 156(c) Application establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor;

IT IS HEREBY ORDERED THAT:

1. Notwithstanding the terms of the Engagement Agreement attached to the Section 156(c) Application, the Section 156(c) Application is approved solely as set forth in this Order.
2. The Debtors are authorized to retain Kroll as Claims and Noticing Agent effective as of the Petition Date under the terms of the Engagement Agreement, and Kroll is authorized and directed to perform noticing services and to receive, maintain, record, and otherwise administer the proofs of claim filed in these Chapter 11 Cases, and all related tasks, all as described in the Section 156(c) Application.

3. Kroll shall serve as the custodian of court records and shall be designated as the authorized repository for all proofs of claim filed in these Chapter 11 Cases and is authorized and directed to maintain official claims registers for each of the Debtors, to provide public access to every proof of claim unless otherwise ordered by this Court, and to provide the Clerk with a certified duplicate thereof upon the request of the Clerk.

4. Kroll is authorized and directed to provide an electronic interface for filing proofs of claim and to obtain a post office box or address for the receipt of proofs of claim.

5. Kroll is authorized to take such other action to comply with all duties set forth in the Section 156(c) Application.

6. The Debtors are authorized to compensate Kroll in accordance with the terms of the Engagement Agreement upon the receipt of reasonably detailed invoices setting forth the services provided by Kroll and the rates charged for each, and to reimburse Kroll for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without the need for Kroll to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses.

7. Kroll shall maintain records of all services showing dates, categories of services, fees charged, and expenses incurred, and shall serve monthly invoices on the Debtors, the U.S. Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors, and any party in interest who specifically requests service of the monthly invoices.

8. The parties shall meet and confer in an attempt to resolve any dispute which may arise relating to the Engagement Agreement or monthly invoices; *provided* that the parties may seek resolution of the matter from the Court if resolution is not achieved.

9. Pursuant to section 503(b)(1)(A) of the Bankruptcy Code, the fees and expenses of Kroll under this Order shall be an administrative expense of the Debtors' estates.

10. Kroll may apply its retainer to all prepetition invoices, which retainer shall be replenished to the original retainer amount, and, thereafter, Kroll may hold its retainer under the Engagement Agreement during these Chapter 11 Cases as security for payment of fees and expenses incurred under the Engagement Agreement.

11. The Debtors shall indemnify Kroll under the terms of the Engagement Agreement, as modified pursuant to this Order.

12. Kroll shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Agreement for services other than the services provided under the Engagement Agreement, unless such services and the indemnification, contribution, or reimbursement therefor are approved by the Court.

13. The limitation of liability section of the Engagement Agreement is deemed to be of no force or effect with regard to the services provided pursuant to this Order.

14. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation to indemnify Kroll, or provide contribution or reimbursement to Kroll, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from Kroll's gross negligence, willful misconduct, or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of Kroll's contractual obligations if the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) settled prior to a judicial determination under (i) or (ii), but determined by this Court, after notice and a hearing, to be a claim or expense for which Kroll should not receive indemnity,

contribution, or reimbursement under the terms of the Engagement Agreement as modified by this Order.

15. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these Chapter 11 Cases, Kroll believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Engagement Agreement (as modified by this Order), including the advancement of defense costs, Kroll must file an application therefor in this Court, and the Debtors may not pay any such amounts to Kroll before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses by Kroll for indemnification, contribution, or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Kroll. All parties in interest shall retain the right to object to any demand by Kroll for indemnification, contribution, or reimbursement.

16. In the event that Kroll is unable to provide the services set out in this Order, Kroll will immediately notify the Clerk and the Debtors' counsel and, upon approval of this Court, cause to have all original proofs of claim and computer information turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' attorney.

17. The Debtors may submit a separate retention application, pursuant to section 327 of the Bankruptcy Code and/or any applicable law, for work that is to be performed by Kroll but is not specifically authorized by this Order.

18. The Debtors and Kroll are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Section 156(c) Application.

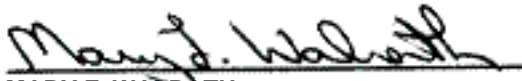

19. Notwithstanding any term in the Engagement Agreement to the contrary, this Court shall retain exclusive jurisdiction with respect to all matters arising from or related to the implementation of this Order.

20. Notwithstanding any provision in the Bankruptcy Rules to the contrary, this Order shall be immediately effective and enforceable upon its entry.

21. Kroll shall not cease providing claims processing services during the Chapter 11 Cases for any reason, including nonpayment, without an order of this Court.

22. In the event of any inconsistency between the Engagement Agreement, the Section 156(c) Application and the Order, this Order shall govern.

The Debtor (or party-in-interest) s shall have seven (7) calendar days after receipt of a Notice of Proposed Transfer to file with the Court and serve on such Substantial Shareholder (or person or entity that may become a Substantial Shareholder) an objection to the proposed transfer of PKH Stock described in the Notice of Proposed Transfer on the grounds that such transfer may adversely affect the Debtors’ ability to utilize their Tax Attributes. During such 7-day period, and while any objection by the Debtors (or any other party in interest) to the proposed transfer is pending, such Substantial Shareholder (or person or entity that may become a Substantial Shareholder) shall not effectuate the proposed transfer to which the Notice of Proposed Transfer relates and thereafter shall do so only in accordance with the Court’s ruling, and, as applicable, any appellate rules and procedures. If the Debtors (and parties-in-interest) do not object within

such 7-day period, such transaction may proceed solely as set forth in the Notice of Proposed Transfer. Further transactions within the scope of this subparagraph (e) must be the subject of additional notices as set forth herein, with an additional 7-day waiting period.

- f. For purposes of these procedures, (A) a “Substantial Shareholder” is any person or entity (as defined in Treasury Regulations Section 1.382-3(a)(1)) which has Beneficial Ownership of at least 4.5% of all issued and outstanding shares of PKH Stock, and (B) “Beneficial Ownership” or any variation thereof of PKH Stock shall be determined in accordance with applicable rules under Section 382, Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (i) direct and indirect ownership (*e.g.*, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (ii) ownership by the holder’s family members and persons acting in concert with the holder to make a coordinated acquisition of stock, and (iii) ownership of an Option to acquire PKH Stock, but only to the extent such Option is treated, or would be treated, as exercised under Treasury Regulations Section 1.382-4(d). An “Option” to acquire stock includes any contingent purchase, warrant, convertible debt, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

4. The following procedures shall apply to claims of worthlessness for federal or state tax purposes with respect to PKH Stock (a “Worthless Stock Deduction”):

- a. Any Worthless Stock Deduction on or after the Petition Date for any tax purpose in violation of the procedures set forth herein shall be null and void *ab initio* as an act in violation of the automatic stay under section 362 of the Bankruptcy Code.
- b. Any person or entity (as defined in Treasury Regulations Section 1.382-3(a)(1)) who currently is or becomes a 50% Shareholder (as defined in subparagraph e below) shall file with the Court, and serve on counsel to the Debtors, a notice of such status, in the form attached to the Motion as **Exhibit A-4**, on or before the later of (i) twenty (20) calendar days after the date of the Notice of Interim Order or Notice of Final Order (as defined below and as applicable) and (ii) ten (10) calendar days after becoming a 50% Shareholder.
- c. At least fourteen (14) calendar days prior to filing any federal or state tax return, or any amendment to such a return, claiming any Worthless Stock Deduction, for a tax year ending before the Debtors’ emergence from chapter 11, such 50% Shareholder shall file with the Court, and serve on counsel to the Debtors, an advance written notice, in the form attached to the Motion as **Exhibit A-5** (a “Notice of Intent to Claim a Worthless Stock Deduction”) of the intended claim of worthlessness.

- d. The Debtors (and any party-in-interest) will have ten (10) calendar days after receipt of a Notice of Intent to Claim a Worthless Stock Deduction to file with the Court and serve on such 50% Shareholder an objection to any proposed claim of worthlessness described in the Notice of Intent to Claim a Worthless Stock Deduction on the grounds that such claim might adversely affect the Debtors' ability to utilize their Tax Attributes. During such 10-day period, and while any objection by the Debtors (or any other party in interest) to the proposed claim is pending, such 50% Shareholder shall not claim, or cause to be claimed, the proposed worthless stock deduction to which the Notice of Intent to Claim a Worthless Stock Deduction relates and thereafter shall do so only in accordance with the Court's ruling, and, as applicable, any appellate rules and procedures. If the Debtors (and parties-in-interest) do not object within such 10-day period, the filing of the tax return with such claim would be permitted only as set forth in the Notice of Intent to Claim a Worthless Stock Deduction. Additional tax returns or amendments within the scope of this subparagraph must be the subject of additional notices as set forth herein, with an additional 10-day waiting period.
- e. For purposes of these procedures, (A) a "50% Shareholder" is any person or entity that, at any time during the three-year period ending on the Petition Date, has had Beneficial Ownership of 50% or more of PKH Stock (determined in accordance with Section 382(g)(4)(D) of the IRC and the applicable regulations thereunder), and (B) "Beneficial Ownership" or any variation thereof of PKH Stock and Options to acquire PKH Stock) shall be determined in accordance with applicable rules under Section 382, Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (i) direct and indirect ownership (*e.g.*, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (ii) ownership by the holder's family members and persons acting in concert with the holder to make a coordinated acquisition of stock, and (iii) ownership of an Option to acquire PKH Stock, but only to the extent such Option is treated as exercised under Treasury Regulations Section 1.382-4(d). An "Option" to acquire stock includes any contingent purchase, warrant, convertible debt, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

5. The Debtors may waive any and all restrictions, stays and notification procedures contained in this Interim Order.

6. The Debtors shall serve the Notice of Interim Order, substantially in the form attached to the Motion as Exhibit A-7 (the "Notice of Interim Order"), on the following: (a) the Office of the United States Trustee for the District of Delaware; (b) holders of the 30 largest unsecured claims on a consolidated basis against the Debtors; (c) counsel to Wells Fargo Bank,

National Association; (d) counsel to Variant Equity; and (e) all parties that have filed a notice of appearance and request for service of papers pursuant to Bankruptcy Rule 2002.

7. Any person or entity (or any broker or agent acting on their behalf) who sells 4.5% or more of all issued and outstanding shares of PKH Stock to another person or entity shall be required to provide the Notice of Interim Order to such purchaser (or any broker or agent acting on their behalf) (unless the Court has already entered the Final Order). If at the time of purchase, the Court has entered the Final Order, any person or entity (or any broker or agent acting on their behalf) who sells 4.5% or more of all issued and outstanding shares of PKH Stock to another person or entity shall provide the purchaser (or any broker or agent acting on their behalf) with the Notice of Final Order pursuant to the terms of the Final Order.

8. The requirements set forth in this Interim Order are in addition to the requirements of Bankruptcy Rule 3001(e) and applicable securities, corporate and other laws, and do not excuse compliance therewith.

9. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Interim Order.

10. The Debtors shall keep all information provided in any notices delivered to it pursuant to the procedures set forth herein strictly confidential, to the extent such information has been redacted in the versions of such notices filed with the Court, and shall not disclose the contents thereof to any person except (i) to the extent necessary to respond to a petition or objection filed with the Court, (ii) to the extent otherwise required by law, or (iii) to the extent that the information contained therein is already available to the public; *provided, however*, that the Debtors may disclose the contents thereof to their attorneys and financial advisors, who shall keep all such notices strictly confidential in the same manner as the Debtors are required to do,

subject to further Court order. To the extent confidential information is necessary to respond to a petition or objection filed with the Court, such confidential information shall be filed under seal in accordance with the procedures set forth in Local Rule 9018-1(d).

11. A final hearing (the “Final Hearing”) to consider the relief requested in the Motion shall be held on July 9, 2024 at 3:00 p.m. (ET). SCHEDULE N JIN GUIDELINES

GUIDELINES FOR COMMUNICATION AND COOPERATION BETWEEN COURTS IN CROSS-BORDER INSOLVENCY MATTERS

INTRODUCTION

- A. The overarching objective of these Guidelines is to improve in the interests of all stakeholders the efficiency and effectiveness of cross-border proceedings relating to insolvency or adjustment of debt opened in more than one jurisdiction (“Parallel Proceedings”) by enhancing coordination and cooperation amongst courts under whose supervision such proceedings are being conducted. These Guidelines represent best practice for dealing with Parallel Proceedings.
- B. In all Parallel Proceedings, these Guidelines should be considered at the earliest practicable opportunity.
- C. In particular, these Guidelines aim to promote:
- (i) the efficient and timely coordination and administration of Parallel Proceedings;
 - (ii) the administration of Parallel Proceedings with a view to ensuring relevant stakeholders’ interests are respected;
 - (iii) the identification, preservation, and maximisation of the value of the debtor’s assets, including the debtor’s business;
 - (iv) the management of the debtor’s estate in ways that are proportionate to the amount of money involved, the nature of the case, the complexity of the issues, the number of creditors, and the number of jurisdictions involved in Parallel Proceedings;
 - (v) the sharing of information in order to reduce costs; and
 - (vi) the avoidance or minimisation of litigation, costs, and inconvenience to the parties¹ in Parallel Proceedings.
- D. These Guidelines should be implemented in each jurisdiction in such manner as the jurisdiction deems fit.²
- E. These Guidelines are not intended to be exhaustive and in each case consideration ought to be given to the special requirements in that case.
- F. Courts should consider in all cases involving Parallel Proceedings whether and how to implement these Guidelines. Courts should encourage and where necessary direct, if they have the power to do so, the parties to make the necessary applications to the court to facilitate such implementation by a protocol or order derived from these Guidelines, and encourage them to act so as to promote the objectives and aims of these Guidelines wherever possible.

¹ The term “parties” when used in these Guidelines shall be interpreted broadly.

² Possible modalities for the implementation of these Guidelines include practice directions and commercial guides.

ADOPTION & INTERPRETATION

Guideline 1: In furtherance of paragraph F above, the courts should encourage administrators in Parallel Proceedings to cooperate in all aspects of the case, including the necessity of notifying the courts at the earliest practicable opportunity of issues present and potential that may (a) affect those proceedings; and (b) benefit from communication and coordination between the courts. For the purpose of these Guidelines, “administrator” includes a liquidator, trustee, judicial manager, administrator in administration proceedings, debtor-in-possession in a reorganisation or scheme of arrangement, or any fiduciary of the estate or person appointed by the court.

Guideline 2: Where a court intends to apply these Guidelines (whether in whole or in part and with or without modification) in particular Parallel Proceedings, it will need to do so by a protocol or an order,³ following an application by the parties or pursuant to a direction of the court if the court has the power to do so.

Guideline 3: Such protocol or order should promote the efficient and timely administration of Parallel Proceedings. It should address the coordination of requests for court approvals of related decisions and actions when required and communication with creditors and other parties. To the extent possible, it should also provide for timesaving procedures to avoid unnecessary and costly court hearings and other proceedings.

Guideline 4: These Guidelines when implemented are not intended to:

- (i) interfere with or derogate from the jurisdiction or the exercise of jurisdiction by a court in any proceedings including its authority or supervision over an administrator in those proceedings;
- (ii) interfere with or derogate from the rules or ethical principles by which an administrator is bound according to any applicable law and professional rules;
- (iii) prevent a court from refusing to take an action that would be manifestly contrary to the public policy of the jurisdiction; or
- (iv) confer or change jurisdiction, alter substantive rights, interfere with any function or duty arising out of any applicable law, or encroach upon any applicable law.

Guideline 5: For the avoidance of doubt, a protocol or order under these Guidelines is procedural in nature. It should not constitute a limitation on or waiver by the court of any powers, responsibilities, or authority or a substantive determination of any matter in controversy before the court or before the other court or a waiver by any of the parties of any of their substantive rights and claims.

Guideline 6: In the interpretation of these Guidelines or any protocol or order under these Guidelines, due regard shall be given to their international origin and to the need to promote good faith and uniformity in their application.

³ In the normal case, the parties will agree on a protocol derived from these Guidelines and obtain the approval of each court in which the protocol is to apply.

COMMUNICATION BETWEEN COURTS

Guideline 7: A court may receive communications from a foreign court and may respond directly to them. Such communications may occur for the purpose of the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to any joint hearing where Annex A is applicable. Such communications may take place through the following methods or such other method as may be agreed by the two courts in a specific case:

- (i) Sending or transmitting copies of formal orders, judgments, opinions, reasons for decision, endorsements, transcripts of proceedings or other documents directly to the other court and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (ii) Directing counsel or other appropriate person to transmit or deliver copies of documents, pleadings, affidavits, briefs or other documents that are filed or to be filed with the court to the other court in such fashion as may be appropriate and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (iii) Participating in two-way communications with the other court, by telephone or video conference call or other electronic means, in which case Guideline 8 should be considered.

Guideline 8: In the event of communications between courts, other than on administrative matters, unless otherwise directed by any court involved in the communications whether on an *ex parte* basis or otherwise, or permitted by a protocol, the following shall apply:

- (i) In the normal case, parties may be present.
- (ii) If the parties are entitled to be present, advance notice of the communications shall be given to all parties in accordance with the rules of procedure applicable in each of the courts to be involved in the communications.
- (iii) The communications between the courts shall be recorded and may be transcribed. A written transcript may be prepared from a recording of the communications that, with the approval of each court involved in the communications, may be treated as the official transcript of the communications.
- (iv) Copies of any recording of the communications, of any transcript of the communications prepared pursuant to any direction of any court involved in the communications, and of any official transcript prepared from a recording may be filed as part of the record in the proceedings and made available to the parties and subject to such directions as to confidentiality as any court may consider appropriate.
- (v) The time and place for communications between the courts shall be as directed by the courts. Personnel other than judges in each court may communicate with each other to establish appropriate arrangements for the communications without the presence of the parties.

Guideline 9: A court may direct that notice of its proceedings be given to parties in proceedings in another jurisdiction. All notices, applications, motions, and other materials served for purposes of the proceedings before the court may be ordered to be provided to such other parties by making such materials available electronically in a publicly accessible system or by facsimile transmission, certified or registered mail or delivery by courier, or in such other manner as may be directed by the court in accordance with the procedures applicable in the court.

APPEARANCE IN COURT

Guideline 10: A court may authorise a party, or an appropriate person, to appear before and be heard by a foreign court, subject to approval of the foreign court to such appearance.

Guideline 11: If permitted by its law and otherwise appropriate, a court may authorise a party to a foreign proceeding, or an appropriate person, to appear and be heard by it without thereby becoming subject to its jurisdiction.

CONSEQUENTIAL PROVISIONS

Guideline 12: A court shall, except on proper objection on valid grounds and then only to the extent of such objection, recognise and accept as authentic the provisions of statutes, statutory or administrative regulations, and rules of court of general application applicable to the proceedings in other jurisdictions without further proof. For the avoidance of doubt, such recognition and acceptance does not constitute recognition or acceptance of their legal effect or implications.

Guideline 13: A court shall, except upon proper objection on valid grounds and then only to the extent of such objection, accept that orders made in the proceedings in other jurisdictions were duly and properly made or entered on their respective dates and accept that such orders require no further proof for purposes of the proceedings before it, subject to its law and all such proper reservations as in the opinion of the court are appropriate regarding proceedings by way of appeal or review that are actually pending in respect of any such orders. Notice of any amendments, modifications, extensions, or appellate decisions with respect to such orders shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

Guideline 14: A protocol, order or directions made by a court under these Guidelines is subject to such amendments, modifications, and extensions as may be considered appropriate by the court, and to reflect the changes and developments from time to time in any Parallel Proceedings. Notice of such amendments, modifications, or extensions shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

ANNEX A (JOINT HEARINGS)

Annex A to these Guidelines relates to guidelines on the conduct of joint hearings. Annex A shall be applicable to, and shall form a part of these Guidelines, with respect to courts that may signify their assent to Annex A from time to time. Parties are encouraged to address the matters set out in Annex A in a protocol or order.

ANNEX A: JOINT HEARINGS

A court may conduct a joint hearing with another court. In connection with any such joint hearing, the following shall apply, or where relevant, be considered for inclusion in a protocol or order:

- (i) The implementation of this Annex shall not divest nor diminish any court's respective independent jurisdiction over the subject matter of proceedings. By implementing this Annex, neither a court nor any party shall be deemed to have approved or engaged in any infringement on the sovereignty of the other jurisdiction.
- (ii) Each court shall have sole and exclusive jurisdiction and power over the conduct of its own proceedings and the hearing and determination of matters arising in its proceedings.
- (iii) Each court should be able simultaneously to hear the proceedings in the other court. Consideration should be given as to how to provide the best audio-visual access possible.
- (iv) Consideration should be given to coordination of the process and format for submissions and evidence filed or to be filed in each court.
- (v) A court may make an order permitting foreign counsel or any party in another jurisdiction to appear and be heard by it. If such an order is made, consideration needs to be given as to whether foreign counsel or any party would be submitting to the jurisdiction of the relevant court and/or its professional regulations.
- (vi) A court should be entitled to communicate with the other court in advance of a joint hearing, with or without counsel being present, to establish the procedures for the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to the joint hearing.
- (vii) A court, subsequent to the joint hearing, should be entitled to communicate with the other court, with or without counsel present, for the purpose of determining outstanding issues. Consideration should be given as to whether the issues include procedural and/or substantive matters. Consideration should also be given as to whether some or all of such communications should be recorded and preserved.

3329003 Canada Inc., Megabus Canada Inc., 3376249 Canada Inc., 4216849 Canada Inc.,

¹-As noted in several footnotes in this model order, practice under Part IV of the CCAA is still developing, and as certain issues are determined by Canadian courts, this model order will be amended to reflect the development of the law in this area.

²-If the Canadian Court has recognized a foreign proceeding as a "main" proceeding, then section 48 of the CCAA provides that the Court must grant certain relief, subject to any terms and conditions it considers appropriate. The provisions of the model Initial Recognition Order (Foreign Main Proceeding) fulfill the mandatory requirements of section 48 with respect to a foreign main proceeding. Section 49 of the CCAA also allows the Court to make any order that it considers appropriate for the protection of the debtor company's property or the interests of a creditor or creditors. This Supplemental Order contains discretionary relief that might be granted by the Court in the appropriate circumstances. The Model Order Subcommittee has attempted to make the provisions of this model Order consistent with similar provisions in other model Orders. Supplemental relief (whether contained in this Order or in subsequent Orders) may also include provisions dealing with the sale of assets, the recognition of critical vendors, a claims process, or any number of other matters, or may recognize foreign orders or laws granting such relief.

Trentway-Wagar (Properties) Inc., Trentway-Wagar Inc. and Douglas Braund Investments Limited (collectively, the “Canadian Debtors”), pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “CCAA”) for an Order substantially in the form enclosed in the Application Record, was heard this day by judicial videoconference via Zoom at ~~330 University Avenue~~, Toronto, Ontario.

ON READING the Notice of Application, the affidavit of ~~[NAME]~~ sworn [DATE] Spencer Ware affirmed June 13, [2024 (the ~~preliminary report of [NAME], in its capacity as proposed information officer dated [DATE]]~~ “Ware Affidavit”), and ~~on being advised that the secured creditors who are likely to be affected by the charges created herein were given notice, and on hearing~~ the affidavit of service of Milan Singh-Cheema affirmed June 13, 2024, filed,

AND UPON HEARING the submissions of counsel for the Foreign Representative, ~~[counsel for the Alvarez & Marsal Canada Inc. 2. THIS COURT ORDERS that capitalized terms used herein and not otherwise defined have the meaning given to them in the Ware Affidavit.

³ ~~Include names of secured creditors or other persons who must be served before certain relief in this model Order may be granted. See, for example, CCAA Sections 11.2(1) and 11.52(1).~~

⁴ ~~If service is effected in a manner other than as authorized by the Ontario Rules of Civil Procedure, an order validating irregular service is required pursuant to Rule 16.08 of the Rules of Civil Procedure and may be granted in the appropriate circumstances.~~

INITIAL RECOGNITION ORDER

3. ~~2.~~ THIS COURT ORDERS that ~~any capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Initial Recognition Order (Foreign Main Proceeding) dated [DATE] (the "Recognition Order").~~

~~3.~~ ~~THIS COURT ORDERS that~~ the provisions of this ~~Supplemental~~ Order shall be interpreted in a manner complementary and supplementary to the provisions of the Initial Recognition Order (Foreign Main Proceeding) dated [DATE] (the "Recognition Order") ~~as of June 14, 2024~~ (the "Recognition Order"), provided that in the event of a conflict between the provisions of this ~~Supplemental~~ Order and the provisions of the Recognition Order, the provisions of the Recognition Order shall govern.

RECOGNITION OF FOREIGN ORDERS⁵

4. THIS COURT ORDERS that the following orders of the United States Bankruptcy Court for the District of Delaware ~~(collectively, the "Foreign Orders")~~ of ~~[NAME OF FOREIGN COURT]~~ "U.S. Bankruptcy Court" made in the Foreign Proceeding (as defined in the Recognition Order) (the "Foreign Orders") are hereby recognized and given full force and effect⁶ in all provinces and territories of Canada pursuant to ~~S~~section 49 of the CCAA:

- (a) ~~[list Foreign Orders, or portions of Foreign Orders, copies of which should be attached as schedules to this Order], attached as Schedule A to this Order,~~ Order (I) Authorizing Coach USA Inc. to Act as Foreign Representative of the Debtors and (II) Granting Related Relief (the "Foreign Representative Order");

⁵ This model Order adopts an approach that might be applicable to some foreign proceedings, but not others. For example, U.S. proceedings will typically generate court orders that will be brought to the Canadian Courts for recognition. Other jurisdictions may have statutory or regulatory rights (rather than court orders) that need to be recognized in Canada.

⁶ Section 50 of the CCAA provides that an order made under Part IV of the CCAA may be made on any terms and conditions that the Court considers appropriate in the circumstances. Such terms and conditions would presumably need to be consistent with the orders or laws applicable to the foreign proceeding, subject to (i) the limitations imposed by section 48(2) (an order made under section 48(1) must be consistent with any order made under the CCAA), and (ii) the limitations imposed in section 61 (which provides that the Court may apply legal or equitable rules that are not inconsistent with the CCAA, and further that the Court may refuse to do something that would be contrary to public policy). All of the Foreign Orders should be reviewed by counsel with these issues in mind, and the Court may require confirmation from counsel that there is nothing in the Foreign Orders that is inconsistent with the CCAA or that would raise the public policy exception referenced in section 61 of the CCAA.

provided, however, that in the event of any conflict between the terms of the Foreign Orders and the Orders of this Court made in the within proceedings, the Orders of this Court shall govern with respect to Property (as defined below) ~~in Canada. Copies of which are attached as Schedules "A" to "M" hereto, respectively.~~

APPOINTMENT OF INFORMATION OFFICER⁷

5. THIS COURT ORDERS that ~~[NAME OF INFORMATION OFFICER]~~ (the ~~"Information Officer"~~) A&M is hereby appointed as an officer of this Court (in such capacity, the "Information Officer"), with the powers and duties set out herein.

NO PROCEEDINGS AGAINST THE CANADIAN DEBTORS OR THE PROPERTY⁸

6. THIS COURT ORDERS that until such date as this Court may order (the ~~"Stay Period"~~) no proceeding or enforcement process in any court or tribunal in Canada (each, a ~~"Proceeding"~~) shall be commenced or continued against or in respect of the Canadian Debtors, or their employees or representatives acting in such capacities, or affecting their business (the ~~"Business"~~) or their current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate including all proceeds thereof (the ~~"Property"~~), except with the written consent of the Canadian Debtors or with leave of this Court,⁹ and any and all Proceedings currently under way against or in respect of any of the Canadian Debtors or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

⁷ The appointment of an Information Officer is not required by the CCAA, and is in the discretion of the Court. Information Officers are normally trustees licensed under the *Bankruptcy and Insolvency Act*.

⁸ The Model Order Subcommittee notes that a "Non-Derogation of Rights" section (found, for example, in the Model Initial CCAA Order) has not been included in this model Order. In a 'full' CCAA proceeding, which would typically include a stay of proceedings made under section 11.02 of the CCAA, a number of actions or steps cannot be stayed, or the stay is subject to certain limits and restrictions. See, for example, CCAA Sections 11.01, 11.04, 11.06, 11.07, 11.08, and 11.1(2). However, in a Part IV proceeding, section 48 of the CCAA (rather than section 11.02 of the CCAA) is being relied upon when a stay of proceedings is being sought, and despite the wording of section 48(2) and section 61, it is not clear if the restrictions applicable to a section 11.02 stay of proceedings are also applicable to a section 48 stay of proceedings, or would restrict the recognition of foreign proceedings or foreign orders that include a stay of proceedings broader than permitted in a section 11.02 stay of proceedings. These issues remain open for determination by Canadian courts.

⁹ Where the Court considers it to be appropriate, it may authorize other Persons, including a Court appointed Information Officer, to provide consent to any Proceeding. This same comment applies in paragraphs 6 through 11 of this Order.

NO EXERCISE OF RIGHTS OR REMEDIES

7. **THIS COURT ORDERS** that, without limiting the stay of proceedings provided for in the Recognition Order, during the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being "Persons") and each being a "Person") against or in respect of the Canadian Debtors ~~{or the Foreign Representative}~~ their employees and representatives acting in such capacities, or affecting the Business or the Property, are hereby stayed and suspended except with the written consent of the Canadian Debtors or leave of this Court, provided that nothing in this Order shall ~~(i)a~~ prevent the assertion of or the exercise of rights and remedies outside of Canada, ~~(ii)b~~ empower any of the Canadian Debtors to carry on any business in Canada which that Canadian Debtor is not lawfully entitled to carry on, ~~(iii)c~~ ~~{~~ affect such investigations or Proceedings by a regulatory body as are permitted by section 11.1 of the CCAA, ~~{~~ ~~(iv)d~~ prevent the filing of any registration to preserve or perfect a security interest, or ~~(v)e~~ prevent the registration of a claim for lien.

NO INTERFERENCE WITH RIGHTS

8. **THIS COURT ORDERS** that during the Stay Period, no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by any of the Canadian Debtors and affecting the Business in Canada, except with leave of this Court.

ADDITIONAL PROTECTIONS

the continued use in Canada of their current premises, telephone numbers, facsimile numbers, internet addresses and domain names.¹⁰

10. ~~{~~**THIS COURT ORDERS** that during the Stay Period, and except as permitted by subsection 11.03(2) of the CCAA, no Proceeding may be commenced or continued against any of the former, current or future directors or officers of the Canadian Debtors with respect to any claim against the directors or officers that arose before the date hereof and that relates to any obligations of the Canadian Debtors whereby the directors or officers are alleged under any law to be liable in their capacity as directors or officers for the payment or performance of such obligations.~~}~~¹¹

11. **THIS COURT ORDERS** that no Proceeding shall be commenced or continued against or in respect of the Information Officer, except with leave of this Court. In addition to the rights and protections afforded the Information Officer herein, or as an officer of this Court, the Information Officer shall have the benefit of all of the rights and protections afforded to a Monitor under the CCAA, and shall incur no liability or obligation as a result of its appointment or the carrying out of the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part.

It is unclear whether these provisions also apply to an order made pursuant to section 48 of the CCAA. Please see the discussion in footnote 8 above.~~

In the case of information that the Information Officer has been advised by the Canadian Debtors is privileged or confidential, the Information Officer shall not provide such information to creditors unless otherwise directed by this Court or on such terms as the Information Officer, the Foreign Representative and the relevant Canadian Debtors may agree.

17. **THIS COURT ORDERS** that the Information Officer and counsel to the Information Officer shall be paid by the Canadian Debtors their reasonable fees and disbursements incurred in respect of these proceedings, both before and after the making of this Order, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts. The Canadian Debtors are hereby authorized and directed to pay the accounts of the Information Officer and counsel for the Information Officer on ~~a [TIME INTERVAL] basis~~ such terms as such parties may agree and, in addition, the Canadian Debtors are hereby authorized to pay to Canadian counsel to the Canadian Debtors, the Information Officer and counsel to the Information Officer, retainers ~~in the amount[s] of \$[AMOUNT OR AMOUNTS],~~ respectively, nunc pro tunc, to be held by them as security for payment of their respective fees and disbursements outstanding from time to time.

20. THIS COURT ORDERS that Canadian Debtors shall indemnify its directors and officers against obligations and liabilities that they may incur as directors or officers of Canadian Debtors after the commencement of the within proceedings, except to the extent that, with respect to any officer or director, the obligation or liability was incurred as a result of the director's or officer's gross negligence or wilful misconduct.

21. ~~20.~~ THIS COURT ORDERS that the ~~DIP Lender~~ directors and officers of Canadian Debtors shall be entitled to the benefit of and ~~is~~are hereby granted a charge (the "~~DIP Lender's~~Directors' Charge") on the Property ~~in Canada~~, which ~~DIP Lender's Charge shall be consistent with the liens and~~ charge shall not exceed an aggregate amount of US\$3,900,000, as security for the indemnity provided in paragraph 20 of this Order. The Directors' Charge ~~in Canada~~, shall have the priority set out in paragraphs 25 and 27 hereof.

22. THIS COURT ORDERS that, notwithstanding any language in any applicable insurance policy to the contrary, (a) no insurer shall be entitled to be subrogated to or claim the benefit of the Directors' Charge, and (b) the Canadian Debtors' directors and officers shall only be entitled to the benefit of the Directors' Charge to the extent that they do not have coverage under any directors' and officers' insurance policy, or to the extent that such coverage is insufficient to pay amounts indemnified in accordance with paragraph 20 of this Order.

REDUCTION OF DIRECTORS' CHARGE

23. THIS COURT ORDERS that the amount of the Directors' Charge granted in paragraph 23 of the Supplemental Order shall be reduced: (i) to US\$450,000 upon the completion of one or more transactions for the sale of all or substantially all of the Property providing for the employment of substantially all employees of the Canadian Debtors and a corresponding reduction in exposure for liabilities for the directors and

VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

25. 21. THIS COURT ORDERS that the priorities of the Administration Charge, the Directors' Charge and the DIP Lender's Charge (collectively, the "Charges"), as among them, shall be as follows.¹⁴

¹³ This restriction appears in the interim financing provisions found in section 11.2(1) of the CCAA. It is unclear if this prohibits the recognition of a foreign order that creates a DIP Lender's Charge securing pre-filing obligations.

¹⁴ The ranking of these Charges is for illustration purposes only, and is not meant to be determinative. This ranking may be subject to negotiation, and should be tailored to the circumstances of the case before the Court. Similarly, the quantum and caps applicable to the Charges should be considered in each case. Please also note that the CCAA now permits Charges in favour of critical suppliers and others, which should also be incorporated into this Order (and the rankings, above), where appropriate.

(a) First – Administration Charge (to the maximum amount of US\$[AMOUNT]500,000); and

~~Second~~

(b) Second – Directors’ Charge (subject to paragraph 23 to the maximum amount of US\$3,900,000); and

(c) Third – ~~DIP Lender’s~~ Charge.

26. ~~22.~~ **THIS COURT ORDERS** that the filing, registration or perfection of the ~~Administration Charge or the DIP Lender’s Charge (collectively, the “Charges”)~~ shall not be required, and that the Charges shall be valid and enforceable for all purposes, including as against any right, title or interest filed, registered, recorded or perfected subsequent to the Charges coming into existence, notwithstanding any such failure to file, register, record or perfect the Charges.

27. ~~23.~~ **THIS COURT ORDERS** that ~~each of the Administration Charge and the DIP Lender’s Charge~~ Charges (~~all~~ as constituted and defined herein) shall constitute a charge on the Property ~~in Canada~~ and such Charges, subject to paragraph 24 herein with respect to the DIP Charge, shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, “Encumbrances”) in favour of any Person.

28. ~~24.~~ **THIS COURT ORDERS** that except as otherwise expressly provided for herein, or as may be approved by this Court, the Canadian Debtors shall not grant any Encumbrances over any Property ~~in Canada~~ that rank in priority to, or *pari passu* with, the ~~Administration Charge or the DIP Lender’s Charge, unless the Debtors also obtain the prior written consent of the Information Officer and the DIP Lender~~ Charges.

29. ~~25.~~ **THIS COURT ORDERS** that the ~~Administration Charge and the DIP Lender’s Charge~~ Charges shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Charges (collectively, the “Chargees”) shall not otherwise be limited or impaired in any way by (i) the pendency of these proceedings and the declarations of insolvency made herein; (ii) any application(s) for bankruptcy order(s) issued pursuant to the Bankruptcy and Insolvency Act, RSC 1985, c B-3 (the “BIA”), or any

bankruptcy order made pursuant to such applications; (~~iii~~c) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (~~iv~~d) the provisions of any federal or provincial statutes; or (~~v~~e) any negative covenants, prohibitions or other similar provisions with respect to borrowings, incurring debt or the creation of Encumbrances, contained in any existing loan documents, lease, sublease, offer to lease or other agreement (collectively, an "Agreement") which binds any Canadian Debtor, and notwithstanding any provision to the contrary in any Agreement:

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by a Canadian Debtor of any Agreement to which it is a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by the Canadian Debtors to the Chargees pursuant to this Order, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

30. ~~26.~~ **THIS COURT ORDERS** that ~~any~~ the Charges created by this Order over leases of real property in Canada shall only be a Charge in the applicable ~~Debtor's~~ Canadian Debtors' interest in such real property leases.

SERVICE AND NOTICE

31. ~~27.~~ **THIS COURT ORDERS** ~~that~~ that the E-Service Protocol of the Commercial List (the "**Protocol**") is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Protocol (which can be found on the Commercial List website at <http://www.ontariocourts.ca/scj/practice/practice-directions/toronto/e-service-protocol/>) shall be valid and effective service. GUIDELINES FOR COMMUNICATION AND COOPERATION BETWEEN
COURTS IN CROSS-BORDER INSOLVENCY MATTERS

INTRODUCTION

- A. The overarching objective of these Guidelines is to improve in the interests of all stakeholders the efficiency and effectiveness of cross-border proceedings relating to insolvency or adjustment of debt opened in more than one jurisdiction (“Parallel Proceedings”) by enhancing coordination and cooperation amongst courts under whose supervision such proceedings are being conducted. These Guidelines represent best practice for dealing with Parallel Proceedings.
- B. In all Parallel Proceedings, these Guidelines should be considered at the earliest practicable opportunity.
- C. In particular, these Guidelines aim to promote:
- (i) the efficient and timely coordination and administration of Parallel Proceedings;
 - (ii) the administration of Parallel Proceedings with a view to ensuring relevant stakeholders’ interests are respected;
 - (iii) the identification, preservation, and maximisation of the value of the debtor’s assets, including the debtor’s business;
 - (iv) the management of the debtor’s estate in ways that are proportionate to the amount of money involved, the nature of the case, the complexity of the issues, the number of creditors, and the number of jurisdictions involved in Parallel Proceedings;
 - (v) the sharing of information in order to reduce costs; and
 - (vi) the avoidance or minimisation of litigation, costs, and inconvenience to the parties¹ in Parallel Proceedings.
- D. These Guidelines should be implemented in each jurisdiction in such manner as the jurisdiction deems fit.²
- E. These Guidelines are not intended to be exhaustive and in each case consideration ought to be given to the special requirements in that case.

¹ The term “parties” when used in these Guidelines shall be interpreted broadly.

² Possible modalities for the implementation of these Guidelines include practice directions and commercial guides.

F. Courts should consider in all cases involving Parallel Proceedings whether and how to implement these Guidelines. Courts should encourage and where necessary direct, if they have the power to do so, the parties to make the necessary applications to the court to facilitate such implementation by a protocol or order derived from these Guidelines, and encourage them to act so as to promote the objectives and aims of these Guidelines wherever possible.

ADOPTION & INTERPRETATION

Guideline 1: In furtherance of paragraph F above, the courts should encourage administrators in Parallel Proceedings to cooperate in all aspects of the case, including the necessity of notifying the courts at the earliest practicable opportunity of issues present and potential that may (a) affect those proceedings; and (b) benefit from communication and coordination between the courts. For the purpose of these Guidelines, “administrator” includes a liquidator, trustee, judicial manager, administrator in administration proceedings, debtor-in-possession in a reorganisation or scheme of arrangement, or any fiduciary of the estate or person appointed by the court.

Guideline 2: Where a court intends to apply these Guidelines (whether in whole or in part and with or without modification) in particular Parallel Proceedings, it will need to do so by a protocol or an order,³ following an application by the parties or pursuant to a direction of the court if the court has the power to do so.

Guideline 3: Such protocol or order should promote the efficient and timely administration of Parallel Proceedings. It should address the coordination of requests for court approvals of related decisions and actions when required and communication with creditors and other parties. To the extent possible, it should also provide for timesaving procedures to avoid unnecessary and costly court hearings and other proceedings.

Guideline 4: These Guidelines when implemented are not intended to:

- (i) interfere with or derogate from the jurisdiction or the exercise of jurisdiction by a court in any proceedings including its authority or supervision over an administrator in those proceedings;
- (ii) interfere with or derogate from the rules or ethical principles by which an administrator is bound according to any applicable law and professional rules;
- (iii) prevent a court from refusing to take an action that would be manifestly contrary to the public policy of the jurisdiction; or
- (iv) confer or change jurisdiction, alter substantive rights, interfere with any function or duty arising out of any applicable law, or encroach upon any applicable law.

Guideline 5: For the avoidance of doubt, a protocol or order under these Guidelines is procedural in nature. It should not constitute a limitation on or waiver by the court of any powers,

³ In the normal case, the parties will agree on a protocol derived from these Guidelines and obtain the approval of each court in which the protocol is to apply.

responsibilities, or authority or a substantive determination of any matter in controversy before the court or before the other court or a waiver by any of the parties of any of their substantive rights and claims.

Guideline 6: In the interpretation of these Guidelines or any protocol or order under these Guidelines, due regard shall be given to their international origin and to the need to promote good faith and uniformity in their application.

COMMUNICATION BETWEEN COURTS

Guideline 7: A court may receive communications from a foreign court and may respond directly to them. Such communications may occur for the purpose of the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to any joint hearing where Annex A is applicable. Such communications may take place through the following methods or such other method as may be agreed by the two courts in a specific case:

- (i) Sending or transmitting copies of formal orders, judgments, opinions, reasons for decision, endorsements, transcripts of proceedings or other documents directly to the other court and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (ii) Directing counsel or other appropriate person to transmit or deliver copies of documents, pleadings, affidavits, briefs or other documents that are filed or to be filed with the court to the other court in such fashion as may be appropriate and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (iii) Participating in two-way communications with the other court, by telephone or video conference call or other electronic means, in which case Guideline 8 should be considered.

Guideline 8: In the event of communications between courts, other than on administrative matters, unless otherwise directed by any court involved in the communications whether on an ex parte basis or otherwise, or permitted by a protocol, the following shall apply:

- (i) In the normal case, parties may be present.
- (ii) If the parties are entitled to be present, advance notice of the communications shall be given to all parties in accordance with the rules of procedure applicable in each of the courts to be involved in the communications.
- (iii) The communications between the courts shall be recorded and may be transcribed. A written transcript may be prepared from a recording of the communications that, with the approval of each court involved in the communications, may be treated as the official transcript of the communications.
- (iv) Copies of any recording of the communications, of any transcript of the communications prepared pursuant to any direction of any court involved in the communications, and of any official transcript prepared from a recording may be filed as part of the record in the proceedings and made available to the parties and subject to such directions as to confidentiality as any court may consider appropriate.
- (v) The time and place for communications between the courts shall be as directed by the courts. Personnel other than judges in each court may

communicate with each other to establish appropriate arrangements for the communications without the presence of the parties.

Guideline 9: A court may direct that notice of its proceedings be given to parties in proceedings in another jurisdiction. All notices, applications, motions, and other materials served for purposes of the proceedings before the court may be ordered to be provided to such other parties by making such materials available electronically in a publicly accessible system or by facsimile transmission, certified or registered mail or delivery by courier, or in such other manner as may be directed by the court in accordance with the procedures applicable in the court.

APPEARANCE IN COURT

Guideline 10: A court may authorise a party, or an appropriate person, to appear before and be heard by a foreign court, subject to approval of the foreign court to such appearance.

Guideline 11: If permitted by its law and otherwise appropriate, a court may authorise a party to a foreign proceeding, or an appropriate person, to appear and be heard by it without thereby becoming subject to its jurisdiction.

CONSEQUENTIAL PROVISIONS

Guideline 12: A court shall, except on proper objection on valid grounds and then only to the extent of such objection, recognise and accept as authentic the provisions of statutes, statutory or administrative regulations, and rules of court of general application applicable to the proceedings in other jurisdictions without further proof. For the avoidance of doubt, such recognition and acceptance does not constitute recognition or acceptance of their legal effect or implications.

Guideline 13: A court shall, except upon proper objection on valid grounds and then only to the extent of such objection, accept that orders made in the proceedings in other jurisdictions were duly and properly made or entered on their respective dates and accept that such orders require no further proof for purposes of the proceedings before it, subject to its law and all such proper reservations as in the opinion of the court are appropriate regarding proceedings by way of appeal or review that are actually pending in respect of any such orders. Notice of any amendments, modifications, extensions, or appellate decisions with respect to such orders shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

Guideline 14: A protocol, order or directions made by a court under these Guidelines is subject to such amendments, modifications, and extensions as may be considered appropriate by the court, and to reflect the changes and developments from time to time in any Parallel Proceedings. Notice of such amendments, modifications, or extensions shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

ANNEX A (JOINT HEARINGS)

Annex A to these Guidelines relates to guidelines on the conduct of joint hearings. Annex A shall be applicable to, and shall form a part of these Guidelines, with respect to courts that may signify their assent to Annex A from time to time. Parties are encouraged to address the matters set out in Annex A in a protocol or order.

ANNEX A: JOINT HEARINGS

A court may conduct a joint hearing with another court. In connection with any such joint hearing, the following shall apply, or where relevant, be considered for inclusion in a protocol or order:

- (i) The implementation of this Annex shall not divest nor diminish any court's respective independent jurisdiction over the subject matter of proceedings. By implementing this Annex, neither a court nor any party shall be deemed to have approved or engaged in any infringement on the sovereignty of the other jurisdiction.
- (ii) Each court shall have sole and exclusive jurisdiction and power over the conduct of its own proceedings and the hearing and determination of matters arising in its proceedings.
- (iii) Each court should be able simultaneously to hear the proceedings in the other court. Consideration should be given as to how to provide the best audio-visual access possible.
- (iv) Consideration should be given to coordination of the process and format for submissions and evidence filed or to be filed in each court.
- (v) A court may make an order permitting foreign counsel or any party in another jurisdiction to appear and be heard by it. If such an order is made, consideration needs to be given as to whether foreign counsel or any party would be submitting to the jurisdiction of the relevant court and/or its professional regulations.
- (vi) A court should be entitled to communicate with the other court in advance of a joint hearing, with or without counsel being present, to establish the procedures for the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to the joint hearing.
- (vii) A court, subsequent to the joint hearing, should be entitled to communicate with the other court, with or without counsel present, for the purpose of determining outstanding issues. Consideration should be given as to whether the issues include procedural and/or substantive matters. Consideration should also be given as to whether some or all of such communications should be recorded and preserved.
