 - B. the D&O Charge (to the maximum amount of \$3.9 million);
 - C. DIP Charge;
- (c) such further and other relief as this Court deems just;

THE GROUNDS FOR THIS APPLICATION ARE:

2. Capitalized Terms not defined herein have the meanings ascribed to them in the Affidavit of Spencer Ware dated June 13, 2024 (the “**Ware Affidavit**”). Unless otherwise indicated, dollar amounts herein are references to United States Dollars;

3. On June 11, 2024, the Chapter 11 Debtors filed voluntary petitions pursuant to chapter 11 of the U.S. Bankruptcy Code, resulting in an automatic stay of proceedings in respect of the Company in the U.S.;

4. The Company has filed certain “**First Day Motions**” in the Chapter 11 Cases seeking various relief from the U.S. Bankruptcy Court, including the entry of an order authorizing Coach USA to act as the Foreign Representative in respect of the Chapter 11 Cases (the “**Foreign Representative Order**”);

5. A hearing in respect of the First Day Motions (the “**First Day Hearing**”) was heard by the U.S. Bankruptcy Court on June 13, 2024. The U.S. Bankruptcy Court granted the requested First Day Orders, including the Foreign Representative Order;

6. Other than the Chapter 11 Cases, no other foreign proceeding (as defined in subsection 45(1) of the CCAA) in respect of the Canadian Debtors has been commenced;

The Company and the Canadian Debtors

7. The Company is a nearly 100-year-old provider of ground passenger transportation in North America with operations in 25 business segments throughout the United States and Canada, 2,768 employees and a fleet of 2,071 buses;

8. The Canadian Debtors are members of the broader integrated Coach USA group and account for a fraction of the Company’s size, with the revenue they generate only representing 9.7% of the overall revenue generated by the Company per the December 2023, unaudited financial statements and their workforce comprising only 13.2% of the Company’s overall workforce;

9. Trentway-Wagar Inc. (“**Trentway-Wagar**”) is the Company’s main operating entity in Canada and is notable for its inter-city bussing service, providing an affordable means of transit between several of the metropolitan areas in Southern Quebec and Ontario;
10. Trentway-Wagar’s operations also include charter bussing services and sightseeing tour services through hop on/hop off routes;
11. Trentway-Wagar holds various assets on behalf of the Company, including part ownership of the bus fleet located in Canada. Trentway-Wagar is also the signatory of multiple Canadian leases and is the holder of certain parts of the intellectual property utilized by the Canadian Debtors (the “**Canadian IP**”);
12. With the exception of Trentway-Wagar (Properties) Inc., that is the part owner of a portion of the Canadian bus fleet and 4216849 Canada Inc., that has certain revenue and expenses flowing through it, none of the other Canadian Debtors have active business operations;

Integration with U.S Operations

13. The Canadian Debtors are fully integrated with the Company’s U.S. operations. In particular, among other things:
 - (a) Canadian revenue comprises approximately 9.7% of the Company’s annual revenue;
 - (a) the Canadian Debtors are entirely reliant on Coach USA’s corporate headquarters in Paramus, New Jersey (“**U.S. Management**”) for the majority of their back-office operations;

- (b) Coach USA reports on the Canadian Debtors' financials on a consolidated basis;
and
- (c) The Canadian Debtors are all borrowers or guarantors under the Company's primary pre-petition loan facility, the Prepetition ABL Agreement;

14. The Canadian Debtors are also wholly dependent on certain shared services that are provided by the Chapter 11 Debtors located in the U.S. (the "**U.S. Chapter 11 Debtors**"). The Canadian Debtors rely on the U.S. Chapter 11 Debtors for information technology systems that include, among other things, GPS tracking, wifi, systems and bus carrier systems that are managed on a consolidated basis. These systems are a necessity for the regular functioning of the Canadian Debtors;

15. Similarly, the Canadian Debtors are unable to enter into financial arrangements and make financial decisions above a certain level of materiality. For such decisions, the Company must consult with and get the approval of U.S. Management;

16. The Chapter 11 Debtors (including the Canadian Debtors) operate an integrated, centralized cash management system to collect, transfer and disburse funds generated by their operations;

17. A majority of the Canadian IP is owned by Coach USA Inc. or other U.S. Chapter 11 Debtors. Of the 16 trademarks which comprise the Canadian IP, 12 are owned by the U.S. Chapter 11 Debtors. Such U.S.-owned Canadian IP includes trademarks that are vital to the Canadian Debtors' operations and brand recognition. Including, among others, both the Megabus and Coach Canada logos;

Events Precipitating the Chapter 11 Cases

18. The Company suffered substantially as a result of the COVID-19 pandemic. During 2020, the Company was forced to cease operations completely for extended periods of time due to lockdowns and regulatory requirements. As a result, ridership suffered a 90% decline in 2020, as compared to pre-pandemic levels, with ridership reaching only 45% of pre-pandemic levels in 2023;

19. The Company's post-pandemic financial recovery was slowed by numerous factors. These included, among other things, shifts towards hybrid work environments that cause fewer commuters and difficulties in the labor market and in hiring enough drivers to service areas of growth. This slower than expected recovery put further pressure on the Company's liquidity position, causing the Company's management to explore strategic alternatives to enhance value, including a potential sale of its business;

20. In October 2023, the Company engaged Houlihan Lokey to assist it with evaluating all available options to preserve the Company as a going concern, including potential refinancing, recapitalization and sale transactions. Although the Company has made all required payments of principal and interest under the Prepetition ABL Agreement, the Company's lagging revenues triggered certain events of default thereunder. Together with Houlihan, the Company engaged with the Prepetition ABL Lenders regarding various strategic alternatives;

21. On December 1, 2023, the Company entered into a forbearance agreement with their primary pre-petition lenders (the "**First Forbearance Agreement**"). Pursuant to the First Forbearance Agreement, the lenders therein agreed to forbear from exercising remedies in

connection with existing events of default for a certain period of time while the Chapter 11 Debtors continued to explore potential strategic and restructuring alternatives;

22. The Company entered into a second Forbearance Agreement on January 8, 2024 (together with the First Forbearance Agreement, the “**Forbearance Agreements**”), extending the forbearance period thereunder and enabling the Company to continue its pursuit of a going-concern solution;

Sale and Marketing Efforts

23. Since entering into the Forbearance Agreements, the Company has worked with its advisors and made substantial progress towards a value-maximizing sale process for the benefit of all stakeholders;

24. As a result of these efforts, the Company has three proposed sale transactions supported by stalking horse agreements (the “**Stalking Horse APAs**”), each for different business segments of the Company, including a stalking horse agreement that contemplates the purchase of the business of the Canadian Debtors and substantially all of their assets;

25. The Chapter 11 Debtors intend to seek the U.S. Bankruptcy Court’s approval of a Bidding Procedures and Sale Motion for the conduct of an auction for all of their assets with the Stalking Horse APAs as a baseline for their respective assets;

26. If granted by the U.S. Bankruptcy Court, the Foreign Representative intends to bring another motion before this Court seeking recognition of such order as soon as practicable thereafter;

The Chapter 11 Cases are Foreign Main Proceedings

27. The Chapter 11 Cases commenced by the Company under chapter 11 of the U.S. Bankruptcy Code constitute a “foreign proceeding” pursuant to subsection 45(1) of the CCAA;

28. The Canadian Debtors are integrated members of the broader Company that is centrally managed from an overall strategic and financial perspective by U.S. Management, on whom they are entirely reliant for certain key functions;

29. The center of main interest of each of the Canadian Debtors is the United States and the Chapter 11 Cases are a “foreign main proceeding” in respect of the Canadian Debtors pursuant to subsection 47(2) of the CCAA;

A Stay of Proceedings is Required and Appropriate

30. Where this Court recognizes a foreign proceeding, it has the jurisdiction to make any order that it considers appropriate for the protection of the debtor company’s property or the interests of its creditors, including the granting of a stay of proceedings in Canada;

II. THE BUSINESS

A. Overview

14. The Company is one of the leading providers of ground passenger transportation and mobility solutions in North America. The Company is a trusted business partner providing many types of specialized ground transportation solutions to government agencies, airports, colleges and universities and major corporations. With 25 business segments throughout the United States and Canada, 2,768 employees and 2,071 buses, the Coach USA network of companies carries over 38 million passengers throughout the United States and Canada each year.

15. In addition to the household name “Coach USA,” the Company operates under several other brands, including: Megabus and Coach Canada (in Canada) Coach USA Airport Express, Dillon’s Bus Company, and Go Van Galder (in the United States). Through its affiliates and subsidiaries, the Company has been offering passenger transportation solutions portions of the business operations for over 100 years.

16. In April 2019, the private equity firm Variant Equity Advisors purchased the Company from Stagecoach Group plc in a transaction valued at approximately \$270 million. The 2019 transaction was funded in part by the Prepetition ABL Facility and SCUSI Note (each as defined below).

17. As discussed in further detail below, the Canadian Debtors are members of the broader integrated Coach USA group, which enabled the Company to provide seamless passenger transportation across North America. While the Canadian Debtors are an important part of the integrated business, they account for a fraction of the Company’s size, with the revenue they

generated only representing 9.7 % of the Company’s overall annual revenue as per the Company’s December 2023, unaudited financial statements.

18. Following the onset of the COVID-19 pandemic, the Company faced severe declines in ridership and a corresponding decline in revenue. The slow pace of recovery from the lows of the COVID-19 pandemic has decimated the Company’s liquidity and its ability to service its existing debt. Prior to the Petition Date, the Company explored various strategic alternatives including refinancings, recapitalizations, and asset sales. Ultimately, the Company, in consultation with the Prepetition ABL Lenders (as defined below) determined that a series of sale transactions would likely create the most value for all stakeholders. Accordingly, the Company commenced the Chapter 11 Cases to, among other things, continue the sale process that began prepetition (the “**Sale Process**”) and consummate value maximizing transactions.

B. Integration with U.S. Operations

43. The Canadian Debtors are fully integrated with and rely on the Company’s U.S. operations. In particular, among other things:

- (a) Canadian revenue comprises approximately 9.7% of the Company’s overall annual revenue;
- (b) the Canadian Debtors are entirely reliant on Coach USA’s corporate headquarters in Paramus, New Jersey (“**U.S. Management**”) for the majority of their back-office operations;
- (c) Coach USA reports on the Canadian Debtors’ financials on a consolidated basis; and
- (d) the Canadian Debtors are all borrowers or guarantors in connection with the Prepetition ABL Agreement (as defined below) along with certain of the U.S. Chapter 11 Debtors.

(i) Shared Services and Management

44. The Canadian Debtors are wholly dependent on shared services that are provided by the U.S. Chapter 11 Debtors. The Canadian Debtors rely on U.S. Management for information technology systems that include, among other things, GPS tracking, wifi and bus carrier systems that are managed on a consolidated basis. These systems are a necessity for the regular functioning of Canadian operations.

45. Strategically, the Canadian Debtors are entirely reliant on the knowledge and expertise of U.S. Management. The Canadian Debtors are also reliant on U.S. Management for business development related decision making.

46. The Canadian Debtors also completely lack their own legal function. Legal decisions are made by U.S. Management in consultation with external Canadian counsel. As a result, the Canadian Debtors do not enter into legally binding contracts or agreements without the input and approval of U.S. Management.

47. Similarly, the Canadian Debtors are unable to enter into financial arrangements and make financial decisions above a certain level of materiality in value (above CAD \$100,000) without the prior authorization of U.S. Management.

(ii) Cash Management System

48. The Company operates an integrated, centralized cash management system (the “**Cash Management System**”) to collect, transfer and disburse funds generated by their operations, all of which is described in greater detail within the Cash Management Motion. The Cash Management System serves numerous functions including, among other things (i) the ability to

track and control corporate funds; (ii) ensure cash availability; (iii) prompt payment of corporate, employee and vendor-related expenses; and (iv) reduce administrative costs by facilitating the efficient movement of funds.

49. The Cash Management System is comprised of the 98 accounts listed in Exhibit C of the Cash Management Motion. Of these accounts, 9 are located in Canada (collectively, the “**Canadian Bank Accounts**”).

50. Funds are received by the Canadian Debtors in their deposit and merchant accounts. Following deposit in the deposit and merchant accounts, such funds are then deposited into an operating account with Bank of Nova Scotia (the “**Scotia Operating Account**”).

51. Following deposit in the Scotia Operating Account, funds are then typically remitted to a Canadian dollar-denominated interest-bearing account with Wells Fargo (the “**Wells Fargo Interest Bearing Account**”). Funds that are held in the Wells Fargo Interest Bearing Account are included in the Wells Fargo borrowing base under the Main Street and Prepetition ABL Facility.

52. Funds that are in the Scotia Operating Account may be subject to transfer into the Chapter 11 Debtors’ operating bank account in the U.S. at the sole discretion of U.S. Management, based on available balances and funding needs.

(iii) Intellectual Property

53. The majority of intellectual property utilized by the Canadian Debtors (the “**Canadian IP**”) is owned by Coach USA or other U.S. Chapter 11 Debtors. Of the 16 trademarks which comprise the Canadian IP, 12 are owned by the U.S. Chapter 11 Debtors. Such U.S.-owned Canadian IP

includes trademarks that are vital to the Canadian Debtors' operations and brand recognition. This includes, among other things, the Megabus and Coach Canada logos.

C. Canadian Litigation

54. The Canadian Debtors are defendants in approximately three ongoing personal injury claims by individuals who were injured during transit or while receiving services from the Canadian Debtors (collectively, the "**Claimants**"). Currently, two of the cases are in the process of settling with the Travelers Insurance Company of Canada ("**Travelers**") outside of Court (the "**Non-litigation Claimants**"), while the remaining case is ongoing.

55. The Company is also a party to five other litigation cases. The parties opposing the Canadian Debtors therein are hereinafter referred to as the "**Litigation Parties**".

56. To the extent possible, the Claimants and Litigation Parties, or those representing them, have been or will be duly served and notified of these CCAA Proceedings. Travelers has been duly served and asked to inform the Non-litigation Claimants of these proceedings.

E. Registry Searches

58. I am advised by Michael Shakra of Bennett Jones LLP, counsel to the Canadian Debtors, that lien searches were conducted on or about June 11, 2024 against the Canadian Debtors under the *Personal Property Security Act* (or equivalent legislation) in Ontario and Quebec (the “**Searches**”). The Searches are attached hereto as **Exhibit “X”**.

59. I have been advised by Mr. Shakra and believe that the Searches indicate that among other things, Wells Fargo (as defined below) has registered security interests against assets of the Canadian Debtors in both Ontario and Quebec. The collateral held by Wells Fargo in Ontario consists of all present and after acquired property of the Canadian Debtors, including the proceeds

thereof, apart from consumer goods. The Collateral held by Wells Fargo in Quebec consists of all present and future property of the Canadian Debtors.

60. I have also been advised by Mr. Shakra and believe that the Searches disclose a security interest registered by the Bank of Nova Scotia in certain accounts of Trentway Properties and a security interest registered by Wajax Limited in a motor vehicle that is owned by Trentway-Wagar.

IV. PREPETITION CAPITAL STRUCTURE AND DEBT

61. As of June 11, 2024, the Company had funded debt obligations in the aggregate principal of approximately \$197.9 million, including approximately \$144.3 million of Revolving Loans under the Prepetition ABL Agreement (each as defined below), \$35.6 million of letters of credit outstanding under the Prepetition ABL Agreement, \$37.7 million in unsecured debt arising under the Main Street Loan Agreement (as defined below), approximately \$13.5 million owed to capital lessors who are secured by liens over certain of the Company's capital assets and \$2.3 million of bank product obligations.

administrative agent, joint lead arranger and joint lead book runner (“**Wells Fargo**”), MUFG National Bank, N.A. as joint lead arranger, joint book runner and syndication agent (“**MUFG**”) and the Lenders (as defined therein and with Wells Fargo and MUFG, the “**Prepetition ABL Lenders**”) entered into a Credit Agreement (as amended, restated, supplemented, or otherwise modified from time to time, the “**Prepetition ABL Agreement**” and the facility thereunder the “**Prepetition ABL Facility**”). The Canadian Debtors are all Prepetition ABL Borrowers or guarantors of the Prepetition ABL Facility. A copy of the Prepetition ABL Agreement is attached hereto as **Exhibit “Y”**.

65. The Prepetition ABL Facility provided the Prepetition ABL Borrowers with, among other things, up to \$185 million aggregate principal amount of Revolving Loans (as defined in the Prepetition ABL Agreement) and is secured by first-priority liens on substantially all of the Chapter 11 Debtors assets (the “**Collateral**”).²

66. The Collateral is comprised of, among other things, a guaranty agreement dated as of April 16, 2019, between the Canadian Debtors and Wells Fargo (the “**Canadian Guaranty and Security Agreement**”). Pursuant to the Canadian Guaranty and Security Agreement, the Canadian Debtors unconditionally and irrevocably guaranteed the payment of all Guaranteed Obligations (as defined therein) under the Prepetition ABL Facility and granted Wells Fargo (for the benefit of the Secured Parties)(as defined therein)) a security interest in all of the present and after acquired property of the Canadian Debtors. A copy of the Canadian Guaranty and Security Agreement is attached hereto as **Exhibit “Z”**.

² Such Collateral includes the Chapter 11 Debtors’ inventory, general intangibles, intellectual property, documents, deposit accounts, equipment, fixtures, and inventory.

67. As part of the Collateral, Trentway-Wagar and Wells Fargo entered into an intellectual property security agreement (the “**Canadian Intellectual Property Security Agreement**”). Pursuant to the Canadian Intellectual Property Security Agreement, Trentway-Wagar agreed to grant Wells Fargo (for the benefit of the Secured Parties) a security interest in all of their right, title and interest to certain of the Canadian IP. A copy of the Canadian Intellectual Property Security Agreement is attached hereto as **Exhibit “AA”**.

68. As part of the Collateral, the Canadian Debtors also entered into deeds of hypothecs under the laws of the Province of Quebec (the “**Deeds of Hypothec**”). Pursuant to the Deeds of Hypothec the Canadian Debtors granted hypothecs in favour of Wells Fargo over all property located in the Province of Quebec to secure the payment and performance in full of all Obligations under the Prepetition ABL Facility.

B. Main Street Loan and Other Unsecured Debt

69. In addition to the Prepetition ABL Facility, prior to the Petition Date, the Company entered into a Credit Agreement dated December 11, 2020, (the “**Main Street Loan Agreement**”) among certain of the Chapter 11 Debtors (the “**Main Street Loan Debtors**”) and Wells Fargo Bank, National Association as lender (the “**Main Street Lender**”). Megabus, Trentway-Wagar and Trentway Properties are all borrowers under the Main Street Loan Agreement. A copy of the Main Street Loan Agreement is attached hereto as **Exhibit “BB”**.

70. Pursuant to the Main Street Loan Agreement, the Main Street Lender agreed to extend a term loan in the aggregate principal amount of \$35 million to the Main Street Borrowers. The Main Street Loan is unsecured.

71. The Chapter 11 Debtors' other unsecured debt obligations (including trade and other claims) as of the Petition Date total at least \$171.7 million.

C. SCUSI Note

72. Prior to the Petition date, Chapter 11 Debtor, Project Kenwood Intermediate Holdings Inc I Inc. ("**Holdings I**"), entered into a certain secured term promissory note, as obligor with SCUSI Limited ("**SCUSI**") as payee, dated as of April 16, 2019 (as heretofore amended, supplemented or otherwise modified, the "**SCUSI Note**").

73. In connection with the SCUSI Note, Holdings I agreed to pay SCUSI the principal amount of \$87.6 million, with such obligations maturing on October 16, 2024. In connection with the SCUSI Note, Holdings I entered into that certain pledge agreement by and between SCUSI and Holdings I, dated as of April 16, 2019 (the "**SCUSI Pledge Agreement**").

74. Pursuant to the SCUSI Pledge Agreement, Holdings I pledged all of its right, title, and interest in, among other things, the equity interests in Chapter 11 Debtor Project Kenwood Intermediate Holdings II, LLC, ("**Holdings II**") which is the direct and wholly owned subsidiary of Holdings I. Holdings II is a parent company to Coach USA and consequently an ultimate parent company of the Canadian Debtors.

V. EVENTS LEADING TO CHAPTER 11 CASES AND CCAA PROCEEDINGS

75. The Company suffered substantially as a result of the COVID-19 pandemic, concomitant shutdowns and COVID-19's lasting impacts upon commuting patterns. During 2020, the Company was forced to cease operations completely for extended periods of time in multiple markets due to lockdowns and regulatory requirements. Consequently, ridership suffered dramatically, with the

Company seeing a 90% decline in ridership in 2020, as compared to pre-pandemic levels. Ridership in 2021 and 2022 were 26% and 39% of pre-pandemic levels respectively. By 2023, ridership had reached 45% of pre-pandemic levels. This pandemic-induced ridership decline caused considerable strains on the Company's liquidity.

76. The Company explored COVID-19 relief programs, including receiving the Main Street Loan as a part of the U.S. Federal Reserve System's Main Street Lending Program, which was created under the U.S. government's Coronavirus Aid Relief & Economic Security (CARES) Act. The Main Street Loan provided the Company with the liquidity it required to preserve jobs and weather the initial effects of the COVID-19 pandemic.

77. As a result of the pandemic, operating revenues for the Company in 2020 declined by nearly 60% versus 2019. During the ensuing years, revenues slowly rebounded, with revenues reaching nearly 58% of pre-pandemic levels in 2022. However, at the same time, operating expenses increased disproportionately as well, largely due to rising fuel, insurance, and labor costs.

78. Additionally, the Company's post-pandemic recovery was slowed by numerous factors. These included among other things, shifts towards hybrid work environments that cause fewer commuters and difficulties in the labor market and in hiring enough drivers to service areas of growth. This slower than expected recovery put further pressure on the Company's liquidity position, causing the Company's management to explore strategic alternatives to enhance value, including a potential sale of its business and other means of achieving profitability.

79. In November 2023, the Company engaged Houlihan Lokey Capital Inc. ("**Houlihan**") to assist it with evaluating all available options to preserve the Company as a going concern, including potential refinancing, recapitalization and sale transactions. Although the Company has

made all required payments of principal and interest under the Prepetition ABL Agreement, the Company's lagging revenues resulted in a breach of certain financial covenants, which triggered certain events of default thereunder. Together with Houlihan, the Company engaged with the Prepetition ABL Lenders regarding various strategic alternatives.

E. First Forbearance Agreement

80. On December 1, 2023, the Prepetition ABL Borrowers and the Prepetition ABL Lenders entered into a certain sixth amendment to the Prepetition ABL Credit Agreement and Forbearance Agreement (the "**First Forbearance Agreement**"). Pursuant to the First Forbearance Agreement, the Prepetition ABL Lenders agreed to forbear from exercising remedies in connection with existing events of default for a certain period while the Company continued to explore potential strategic and restructuring alternatives.

81. Since entering into the First Forbearance Agreement, the Company has worked with its advisors and made substantial progress in its marketing and Sale Process. Among other things, the Company and its advisors, launched a marketing process for the sale of substantially all of the Company's assets. In conjunction with this process, a data room has been set-up and information regarding the Company's business was populated. Furthermore, Houlihan contacted over 154 potential purchasers which resulted in 70 parties entering into nondisclosure agreements with the Company. As of the Petition Date, 12 parties provided indications of interest, which varied in scope and value. The pre-petition marketing and sale process has resulted in: (i) two going concern stalking horse bids for substantially all of the assets of 16 of the Company's Business Segments, including all of the Canadian operations; and (ii) a stalking horse bid for the liquidation of the Chapter 11 Debtors' double deck buses.

F. Second Forbearance Agreement and the Prepetition Undertakings of the Company Thereunder

82. The forbearance period under the First Forbearance Agreement was set to expire in the midst of the Company's sales and marketing process. For the Company to continue the process, the Prepetition ABL Lenders and the Prepetition ABL Loan Parties entered into a seventh amendment to the Prepetition ABL Credit Agreement and First Amendment to Forbearance Agreement (the "**Second Forbearance Agreement**"). The Second Forbearance Agreement extended the forbearance period to February 4, 2024, and set forth various restructuring milestones, including the sale of certain real property (as described in the First Day Declaration), and required the Prepetition ABL Loan Parties to comply with specified variance reporting covenants.

83. Pursuant to the Second Forbearance Agreement, the Company was required to appoint at least one independent director satisfactory to the Prepetition ABL Administrative Agent and the Prepetition ABL Lenders. On January 10, 2024, during the Company's continued pursuit of a sale transaction for some or all of its assets, Coach USA appointed two independent directors to its board of directors (the "**Former CUSA Independent Directors**").

84. April 10, 2024, the Former CUSA Independent Directors resigned from Coach USA, Inc.'s board of directors. In anticipation of an impending bankruptcy filing, the Former CUSA Independent Directors were replaced on April 22, 2024, by two seasoned professionals Thomas FitzGerald and Lawrence Hirsh, who were appointed to the boards of directors of certain of the Chapter 11 Debtors.

85. On or around January 25, 2024, the forbearance period under the Second Forbearance Agreement was terminated pursuant to a certain Notice of Continuance of Existing Defaults, Termination of Forbearance Period, Discretionary Advances and Reservation of Rights. Notwithstanding the termination of the Second Forbearance Agreement, the Company and their advisors continued to advance the Sale Process. Additionally, the Company continued to work diligently with the Prepetition ABL Lenders to reach a consensus. As a result, the Company was able to formulate a path forward for the Company that will save 2,100 jobs and preserve value for all stakeholders.

G. Restructuring Goals: Preserving Jobs, Maintaining Service and Maximizing Value

86. The Company commenced the Chapter 11 Cases in order to continue the process towards achieving value maximizing transactions. The Company will utilize the Chapter 11 Cases and these CCAA Proceedings to stabilize operations and continue the Sale Process commenced prior to the Petition Date, consummate value maximizing transactions and emerge from the Chapter 11 Cases and CCAA Proceedings. As noted above, the Company has been conducting a sale and marketing process with respect to substantially all of its assets since December 2023.

VI. RELIEF SOUGHT

A. Recognition of Foreign Main Proceedings

87. The Foreign Representative seeks recognition of the Chapter 11 Cases as “foreign main proceedings” pursuant to Part IV of the CCAA. The Canadian Debtors form a small part of the Company which conducts the majority of its business in the U.S.

88. Furthermore, as described above, the Canadian Debtors are managed by and wholly reliant on U.S. Management for back-office, technical and legal services. The Canadian Debtors are dependent on and wholly integrated with the U.S. operations. As such, the Canadian Debtors would not be able to function independently without the corporate functions performed by the U.S. Chapter 11 Debtors.

89. As a result of those efforts, the Company has three proposed sale transactions supported by stalking horse asset purchase agreements:

- (i) a proposed transaction with an affiliate of The Renco Group, Inc. (“**NewCo**”) for substantially all of the assets of the following businesses on a going concern basis (the “**NewCo Stalking Horse APA**”): Dillon’s, Elko, Megabus Retail, Montreal, Olympia, Trentway/Ontario, Perfect Body, Rockland, Shortline, Suburban, Van Galder and Wisconsin (the “**NewCo Business Segments**”);
- (ii) a proposed transaction with AVALON Transportation, LLC or its designee for substantially all of the assets of the following businesses on a going concern basis (the “**Avalon Stalking Horse APA**”): Lenzer, Kerrville, All West, and ACL Atlanta Business Segments; and
- (iii) a proposed transaction with ABC Bus, Inc. (the “**ABC Stalking Horse APA**,” together with the NewCo Stalking Horse APA and Avalon Stalking Horse APA, the “**Stalking Horse APAs**”) with respect to 143 double deck buses based in the U.S.

90. Only the NewCo Stalking Horse APA is relevant to the Company’s Canadian operations and assets. The Avalon Stalking Horse APA and the ABC Stalking Horse APA relate to the Company’s US business and assets.

91. Pursuant to the NewCo Stalking Horse APA, NewCo will assume \$130 million of the secured indebtedness held by Prepetition ABL Lenders and DIP Lenders (as defined below) along with certain other specified liabilities, including the assumption of 22 collective bargaining agreements with 16 unions covering approximately 1,000 union employees associated with the NewCo Business Segments. The proposed transaction will enable the NewCo Business Segments to continue operations and growth and preserve 1,797 union and non-union jobs. NewCo also intends to retain certain members of the Chapter 11 Debtors' current management team, which will allow the NewCo Business Segments to emerge from the Chapter 11 Cases and CCAA Proceedings led by key members with decades of experience with the Company. The Newco Stalking Horse APA contemplates the purchase of the Canadian Debtors and substantially all their assets and operations.

92. The Chapter 11 Debtors intend to seek the U.S. Bankruptcy Court's approval of a Bidding Procedures and Sale Motion (the "**Bidding Procedures Motion**") for the conduct of an auction for all of their assets with the Stalking Horse APAs as a baseline for their respective assets. If granted by the U.S. Bankruptcy Court, the Foreign Representative intends to bring another motion before this Court seeking recognition of such order as soon as practicable thereafter.

93. The Company will continue operating in the ordinary course pending the results of the court-supervised sale process. In the event that, pursuant to the sale and marketing process, a going concern transaction does not materialize with respect to some or all of the Company's operations, the Company will seek to wind down operations. In preparation for this possibility, prior to the Petition Date the Company and their advisors engaged with representatives from various collective bargaining units for employees of certain of the Business Segments regarding the potential shutdown of these businesses.

B. Stay of Proceedings

94. By operation of the U.S. Bankruptcy Code, the Chapter 11 Debtors obtained the benefit of a stay of proceedings upon filing the Petitions with the U.S. Bankruptcy Court. A stay of proceedings in Canada is essential to protect the efforts of the Chapter 11 Debtors to proceed with the Chapter 11 Cases.

C. Recognition of First Day Orders

95. On June 13, 2024 the U.S. Bankruptcy Court heard the First Day Motions and granted the First Day Orders.

96. At this time, the Foreign Representative is seeking recognition in Canada of the following First Day Orders granted by the U.S. Bankruptcy Court:

- (a) **Foreign Representative Order:** The Foreign Representative Order authorizes Coach USA to act as “authorized foreign representative” in order to seek the relief in this Part IV Application;
- (b) **Interim DIP Order:** The Interim DIP Order, among other things: (i) authorizes the Chapter 11 Debtors to obtain postpetition financing on the terms described therein; (ii) authorizes the Chapter 11 Debtors to use cash collateral; (iii) grants adequate protection to the Prepetition ABL Parties (as defined therein); (iv) schedules a hearing with respect to the relief sought therein; and (v) grants related relief.
- (c) **Interim Insurance and Surety Order:** In connection with their business, the Chapter 11 Debtors maintain, several insurance programs for, among other things, directors and officers, employment practices and fiduciary liability, general

liability, property, business automobile and garage, cyber, crime and terrorism, storage tank, environmental, and umbrella and excess liability as set-out in Exhibit A of the Insurance and Surety Motion. In addition to insurance, the Chapter 11 Debtors also hold 33 surety bonds issued by various carriers, as set-out in Exhibit B of the Insurance and Surety Motion. The Interim Insurance and Surety Bond Order, among other things: (i) authorizes but not directs the Chapter 11 Debtors' payment of prepetition obligations in the ordinary course of business in connection with insurance and surety Programs; (ii) authorizes the continuation of insurance premium financing programs; and (iii) authorizes the banks continued honoring and processing of electronic transfer requests related thereto;

- (d) **Interim Taxes and Fees Order:** The Interim Taxes and Fees Order, among other things, authorizes but does not direct the Chapter 11 Debtors to pay prepetition taxes and fees owing on account of periods prior to the Petition Date, subject to the \$610,000.00 cap provided for in the proposed Interim Taxes and Fees Order and authorizes the banks to honor and process check and electronic transfer related requests related thereto. As of the Petition Date, the Company estimates that total amount of prepetition taxes and fees owed is approximately \$1,100,000.00 of which \$485,868 is owed in Canada.
- (e) **Joint Administration Order:** The Joint Administration Order, among other things directs the joint administration of all cases for each of the Chapter 11 Debtors for procedural purposes only;

- (f) **Interim Utilities Order:** The Chapter 11 Debtors receive internet connectivity, electricity, gas, water, waste management services and telecommunications, including those listed at Exhibit A of the Utilities motion. The Interim Utilities motion, among other things: (i) prohibits utility companies from altering, refusing or discontinuing utility services; (ii) deems utility companies adequately assured of future payment; and (iii) establishes procedures for determining additional adequate assurance of payment;
- (g) **Interim Cash Management Order:** The Interim Cash Management Order authorizes the Chapter 11 Debtors to, among other things: (i) maintain the existing cash management system; (ii) maintain existing bank accounts; (iii) continue to utilize existing business forms; and (iv) continue the performance of intercompany transactions in the ordinary course of business and grant administrative expense status for post-petition intercompany claims. As noted above, the Canadian Debtors are dependent on the continued operation of the Cash Management System for numerous key operational functions;
- (h) **Interim Critical Vendors Order:** In the ordinary course of business, the Chapter 11 Debtors engage a number of providers of essential products or services, which the Chapter 11 Debtors historically required to run their operations and service their businesses. As of the Petition Date \$5.6 million is owed to Critical Vendors (as defined therein). The Interim Critical Vendors Order, among other things, authorizes but does not direct the Chapter 11 Debtors to make payments of \$7.8 million and \$1.225 million for critical vendor claims and lien claims respectively.

A failure to pay critical vendors could result in the denial of goods and services that are critical to the continued operation of the business; and

- (i) **Interim Customer Programs Order:** In the ordinary course of the Chapter 11 Debtors' business and as is customary in the industry, the Chapter 11 Debtors offered and engaged in certain customer and other programs and practices including: (i) customer refunds, (ii) customer deposits, (iii) promotional programs, (iv) fare discounts, (v) the use of credit cards and other payment processors, and (vi) interline agreements with other carriers. The Interim Customers Programs Order authorizes, but does not direct, the Chapter 11 Debtors to continue to administer the aforementioned customer programs;
- (j) **Interim Employee Wages Order:** As of the Petition Date, the Company estimates that wage obligations currently owed in the ordinary course of business do not exceed approximately \$6.7 million. The Employee Wages Order, among other things: (i) authorizes but does not direct the Chapter 11 Debtors pay certain prepetition wages and salary obligations; (ii) authorizes certain employee benefits and other obligations; (iii) authorizes the payment of certain prepetition wage obligations; and (iv) authorizes banks to honor and process requests related thereto;
- (k) **Kroll Retention Order:** The Kroll Retention Order authorizes the retention and appointment of Kroll Restructuring Administration LLC ("**Kroll**") as claims and noticing agent to handle the thousands of claims that may arise as a result of the Chapter 11 Cases. Kroll has significant experience in both the legal and administrative aspects of large, complex chapter 11 cases;

- (l) **Creditor Redaction Matrix Order:** The Creditor Redaction Matrix Order authorizes the Chapter 11 Debtors to redact certain personally identifiable information from the creditor matrix which they are to file with the U.S. Bankruptcy Court; and
- (m) **Interim NOL Order:** The Interim Notice and Hearing Procedures Order establishes certain notice and hearing procedures that must be followed for: (i) certain transfers of PKH Stock (as defined therein); and (ii) certain claims of worthlessness for federal or state tax purposes with respect to PKH Stock, that must be complied with before such transfers of PKH Stock or claims of worthless PKH Stock are deemed effective;

97. I believe that the recognition of the First Day Orders is necessary, in the best interests of the Company, its creditors, equity holders and all other parties and will allow the Company to operate with minimal disruption and maximize value preservation during the pendency of these Proceedings. I further believe that the failure to recognize such First Day Orders may result in immediate and irreparable harm to the Company, their businesses, and their estates. Accordingly, for the reasons set forth herein, in the First Day Declaration and in the First Day Motions, I believe that the Court should recognize the First Day Orders.

D. The DIP Agreement ³The Charges and Other Priority Amounts

98. The Company lacks the funding required to maintain their operations or administer the Chapter 11 Cases and CCAA Proceedings. Without access to debtor in possession financing and

³ Capitalized terms used in this section but not defined herein shall have the meanings ascribed to them in the agreement to extend the DIP Facility (the “**DIP Agreement**”), between the Borrowers and Lenders (each as defined therein).

the ability to use cash collateral, the Company would be unable to, among other things, meet employee payroll obligations, default on payments to vendors, and operations would immediately cease. This would result in significant destruction to the Company's estate and harm all stakeholders.

99. The debtor in possession facility (the “**DIP Facility**”) extended by the Prepetition ABL Lenders, in their capacity as postpetition lenders (in such capacity, the “**DIP Lenders**”), provides the Company with approximately \$20 million of new money financing which will enable the Company to fund operations, meet various obligations as they become due, and effectively administer these Chapter 11 Cases and CCAA Proceedings. The DIP Facility is structured as a “creeping-roll up”, pursuant to which all postpetition receipts will be applied to repay prepetition obligations owing to Prepetition ABL Lenders.

100. The DIP Facility represents the best financing available to the Company. Before entry into the postpetition credit agreement, Houlihan launched a marketing process to gauge third-party interest in providing postpetition financing to the Company. Of the 11 parties that engaged with Houlihan, none were willing to extend financing on a junior basis to the Prepetition ABL Facility. Similarly, no party submitted a proposal for financing on terms that were more favorable than the DIP Facility.

101. Some of the key terms of the DIP Facility are summarized below:

102. The Company requires the DIP Facility in order to effectuate the goals of the Chapter 11 Cases and CCAA Proceedings including, among other things, the continued marketing of the Company’s assets with the goal of consummating a sale transaction.

103. The amounts actually borrowed by the Company under the DIP Facility are proposed to be secured by, in Canada, a Court-ordered charge (the “**DIP Charge**”) on the present and future assets, property and undertakings of the Canadian Debtors (the “**Canadian Property**”) that is

consistent with the liens, charges and priorities created by and set forth in the Interim DIP Order (including, with respect to the Carveout and the Prepetition ABL Priority Obligations (each as defined below), that rank in priority to all unsecured claims and are subject to the relative priority of liens as set forth in the Interim DIP Order on the Canadian Property, but subordinate to the proposed Administration Charge and the Directors' Charge. In connection with the Prepetition ABL Facility, the Canadian Debtors have previously extended security over the Canadian Property to the Prepetition ABL Lenders, which are also the lenders under the DIP Facility.

104. The indebtedness accrued under the DIP Facility is also secured pursuant to a Guarantee and Security Agreement (the "**Guarantee**"), wherein the Canadian Debtors unconditionally guarantee the obligations owed to the DIP Lenders thereunder. The entering into of the Guarantee was a requirement by the DIP Lenders to the extension of the DIP Facility.

105. The Interim DIP Order and the DIP Agreement provide for priority status for certain administrative amounts that may become payable in the Chapter 11 Cases (the "**Carveout**"). Pursuant to the Interim DIP Order, the Carveout is defined as (all capitalized terms have the meaning given to them in the Interim DIP Order): (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the Carveout Trigger Notice); plus the sum of (ii) all reasonable fees and expenses up to \$25,000 incurred by a trustee under Bankruptcy Code § 726(b) (without regard to the Carveout Trigger Notice); (iii) to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise, subject to the Budget, all unpaid fees, costs, disbursements and expenses (the "**Allowed Professional Fees**") incurred or earned by the Carveout Professionals at any time before or on the Carveout Trigger Date, whether allowed by the Court prior to, on, or after delivery of a Carveout Trigger Notice (the "**Pre-Trigger Carveout Cap**"); and (iv) Allowed

Professional Fees of the Carveout Professionals incurred after the Carveout Trigger Date in an aggregate amount not to exceed the Post-Carveout Trigger Notice Amount, to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carveout Trigger Notice Cap” and such amounts set forth in clauses (i) through (iv). The proposed Carveout is to rank in priority to the Prepetition ABL Priority Obligations and the DIP Lender’s Charge, but subordinate to the Administration Charge and the Directors’ Charge.

106. The Interim DIP Order and DIP Agreement also provide that certain amounts due to the ABL Lenders pursuant to the Prepetition ABL Facility are to rank in priority to amounts advanced under the DIP Agreement (the “**Prepetition ABL Priority Obligations**”). Each of the Carveout and Prepetition ABL Priority Obligations are exceptions to the priority of the DIP Charge over the Canadian Property.

E. Appointment of Information Officer

107. As part of its application, the Foreign Representative is seeking to appoint A&M as the information officer (the “**Information Officer**”) in this proceeding. A&M is a licensed trustee in bankruptcy in Canada and its principals have acted as an information officer in several previous ancillary proceedings (both under Part IV of the CCAA as well as the former section 18.6 of the CCAA).

108. A&M has consented to acting as Information Officer in this proceeding. A copy of A&M’s consent to act as Information Officer is attached hereto as **Exhibit “CC”**.

F. Administration Charge

109. The proposed Supplemental Order (Foreign Main Proceeding) provides that the Information Officer, along with its counsel, and the Chapter 11 Debtors' Canadian counsel will be granted an administration charge, with respect to their fees and disbursements in the maximum amount of \$500,000 (the "**Administration Charge**") on the Canadian Property. The Administration Charge is proposed to have first priority over all other Charges. I believe the amount of the Administration Charge to be reasonable in the circumstances, having regard to the size of charges approved in similar CCAA proceedings, and the role that will be required of the proposed Information Officer, its legal counsel and the Chapter 11 Debtors' Canadian counsel. Furthermore, I do not believe that the Administration Charge will lead to any unwarranted duplication of advisory roles within these CCAA Proceedings.

G. Directors' Charge

110. I am advised by Mr. Shakra that in certain circumstances, directors can be held liable for certain obligations of a company and that in certain circumstances, directors and officers can be held liable for certain obligations of a company owing to employees and government entities, which may include unpaid accrued wages and unpaid accrued vacation pay, together with unremitted sales, goods and services and harmonized sales taxes.

111. It is my understanding that the Canadian Debtors' directors and its past and former officers who are or were employed, are potential beneficiaries of director and officer liability insurance (the "**D&O Insurance**"). In light of the insolvency, it is unclear whether the D&O Insurance provides adequate coverage against the potential liability that directors and officers could face in relation to these CCAA Proceedings.

112. However, the directors cannot be certain that the insurance providers will not seek to deny or limit coverage and as such, the Company seeks the granting of an order under the CCAA of a charge in favour of the Canadian Debtors' individual directors and officers in the amount of \$3.9 million on the Canadian Property (the "**Directors' Charge**"). The Directors' Charge would be subordinate to the proposed Administration Charge. The Directors' Charge would act as security for the indemnification obligations of the Canadian Debtors for their directors' and officers' potential liabilities incurred after the filing date and a corresponding reduction in exposure for liabilities for the directors and officers of the Canadian Debtors that were secured under the Directors' Charge. The Directors' Charge would only be relied upon to the extent of the insufficiency of the existing D&O Insurance in covering any exposure of the Canadian Debtors' individual directors and officers.

113. The Directors' Charge is also subject to reduction as follows: (i) to the amount of \$450,000 on the consummation of a transaction for all or substantially all of the Canadian Property that provides for the employment of substantially all Canadian employees; or (ii) by such other amount as may be agreed by the Canadian Debtors and the DIP Lenders in consultation with the Information Officer.

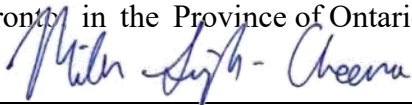

114. The amount of the proposed Charge has been estimated in consultation with the proposed Information Officer and with reference to the Canadian Debtors' potential exposure under the aforementioned obligations.

115. The Prepetition ABL Lenders (and the DIP Lenders), the Canadian Debtors' only material secured creditors, are supportive and have consented to the Directors' Charge.

VII. CONCLUSION

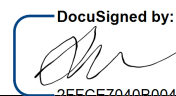

116. I believe that the relief sought in the proposed Initial Recognition Order and Supplemental Order (Foreign Main Proceeding) are necessary to protect the Canadian Debtors and preserve the value of the Canadian Business for a range of stakeholders. The requested relief will provide the Chapter 11 Debtors, including the Canadian Debtors, with the opportunity to pursue an orderly restructuring with a view to maximizing value.

Unless otherwise indicated, all capitalized terms used as defined terms herein have the meanings ascribed thereto in Exhibit A attached hereto and by this reference are made a part hereof.

This Order shall constitute findings of fact and conclusions of law pursuant to Fed. R. Bankr. P. 7052 and shall take effect and be fully enforceable as of the Petition Date.

A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors' mailing address is 160 S Route 17 North, Paramus, NJ 07652.

Having examined the Motion, being fully advised of the relevant facts and circumstances surrounding the Motion, and having completed a hearing pursuant to Bankruptcy Code §§ 363 and 364, Rule 4001(b) and (c), and Local Rule 4001-1 and 4001-2, and objections, if any, having been withdrawn, resolved or overruled by the Court, **THE MOTION IS GRANTED, AND THE COURT HEREBY FINDS THAT:**

A. On the Petition Date, Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Debtors have retained possession of their property and continue to operate their respective businesses as debtors in possession pursuant to Bankruptcy Code §§ 1107 and 1108.

B. The Court has jurisdiction over the Cases and this proceeding pursuant to 28 U.S.C. §§ 157(b) and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. The Court may enter a final order consistent with Article III of the United States Constitution. Determination of the Motion constitutes a core proceeding as defined in 28 U.S.C. § 157(b)(2). Venue over this Motion is proper under 28 U.S.C. § 1409(a).

C. As of the date hereof, no Committee has been appointed in these Cases.

D. Subject to Paragraph 9 of this Order, Applicable Debtors (for themselves and their non-Debtor subsidiaries) admit, stipulate and agree that:

1. the Prepetition ABL Documents evidence and govern the Prepetition Debt, the Prepetition Liens and the prepetition financing relationship among Applicable Debtors, Prepetition ABL Administrative Agent, Prepetition ABL Lenders and the other Prepetition Secured Parties;

2. the Prepetition Debt constitutes the legal, valid and binding obligation of Applicable Debtors, enforceable in accordance with the terms of the Prepetition ABL Documents, all of which are deemed to be reaffirmed by the parties thereto;

3. as of the Petition Date, Applicable Debtors are each liable for the payment and performance of the Prepetition Debt, and the Prepetition Debt shall be an allowed claim in an amount not less than \$182,269,070.45, exclusive of accrued and accruing Allowable 506(b) Amounts;

4. no offsets, defenses or counterclaims to the Prepetition Debt exist, and no portion of the Prepetition Debt is subject to contest, objection, recoupment, defense, counterclaim, offset, avoidance, recharacterization, subordination or other claim, cause of action or challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise;

5. the Prepetition Liens are Priority Liens, subject to Permitted Priority Liens and secure payment of all of the Prepetition Debt;

6. Nothing herein shall prejudice Prepetition ABL Administrative Agent's and any Prepetition ABL Lender's right to: (1) assert that their respective interests in the Prepetition Collateral lack adequate protection; or (2) seek a valuation of the Prepetition Collateral;

7. Debtors do not have, and each of the Debtors hereby absolutely, unconditionally and irrevocably releases, remises, and discharges and is forever barred from bringing or asserting any claims, counterclaims, causes of action, defenses or setoff rights relating to the Prepetition ABL Documents, the Prepetition Liens, the Prepetition Debt or otherwise, against the Prepetition ABL Administrative Agent, any Prepetition ABL Lenders, any other Prepetition Secured Party and each of their respective successors and assigns, and their respective present and former shareholders, members, managers, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, advisors, principals, employees, consultants, agents, legal representatives and other representatives.

E. Prepetition ABL Administrative Agent and Prepetition Secured Parties have consented to the terms of this Order and are entitled to adequate protection as set forth herein pursuant to Bankruptcy Code §§ 361, 362, 363 and 364 for any decrease in the value of their interests in the Prepetition Collateral from and after the Petition Date.

F. Applicable Debtors need to use Cash Collateral and incur Postpetition Debt as provided herein through the conclusion of the Final Hearing, in order to prevent immediate and irreparable harm to the Applicable Debtors' estates and minimize disruption to and avoid the termination of their business operations. Entry of this Order will also enhance the

possibility of maximizing the value of the Applicable Debtors' businesses in connection with an orderly sale or other disposition of the Aggregate Collateral.

G. Debtors are unable to obtain unsecured credit allowable under Bankruptcy Code § 503(b)(1) sufficient to finance the operations of their businesses. Except as provided below, Debtors are unable to obtain credit allowable under Bankruptcy Code §§ 364(c)(1), (c)(2) or (c)(3) on terms more favorable than those offered by DIP Agent and DIP Lenders. An immediate need exists for the Debtors to obtain Postpetition Debt in order to continue operations and to administer and preserve the value of their estates. The Debtors, as of the Petition Date, do not have sufficient cash resources to finance their ongoing operations and require the availability of working capital from Postpetition Debt, the absence of which would immediately and irreparably harm the Debtors, their estates and creditors.

H. The terms of the Postpetition Debt have been negotiated at arm's length, and the Postpetition Debt is being extended in good faith, as that term is used in Bankruptcy Code § 364(e).

I. The terms and conditions of the DIP Documents are fair and reasonable, the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration.

J. Under the circumstances of these Cases, this Order is a fair and reasonable response to Applicable Debtors' request for Agents' and Lenders' consent to the use of Cash Collateral and provision of Postpetition Debt, and the entry of this Order is in the best interest of Applicable Debtors' estates and their creditors.

K. The Interim Hearing was held pursuant to Rule 4001(b)(2). Under the exigent circumstances described in the Declarations, proper, timely, adequate, and sufficient notice of the Motion has been provided in accordance with the Bankruptcy Code, the Rules, and the Local Rules, and no other or further notice of the Motion or the entry of this Order shall be required.

WHEREFORE, IT IS HEREBY ORDERED THAT THE MOTION IS GRANTED, AND THAT:

1. Authorization to Use Cash Collateral. The Applicable Debtors are authorized to use Cash Collateral solely in accordance with the terms and provisions of this Order, to the extent required to pay when due those expenses enumerated in the Budget,

including funding the Carveout Account, and to pay Allowable 506(b) Amounts and the Postpetition Charges.

2. Procedure for Use of Cash Collateral.

(a) Delivery of Cash Collateral to DIP Agent. Applicable Debtors shall deposit all Cash Collateral now or hereafter in their possession or control into the Blocked Account (or otherwise deliver such Cash Collateral to DIP Agent in a manner satisfactory to DIP Agent) promptly upon receipt thereof for application in accordance with Paragraph 2(c) of this Order.

(b) Cash Collateral in Agents' or Lenders' Possession. Agents are authorized to collect upon, convert to cash and enforce checks, drafts, instruments and other forms of payment now or hereafter coming into its or any Agent's or any Lender's possession or control which constitute Aggregate Collateral or proceeds thereof.

(c) Application of Cash Collateral. Except as Agents may otherwise elect in their discretion, Agents are authorized to apply all Cash Collateral now or hereafter in any Agent's or any Lender's possession or control as follows: (1) first, to payment of Prepetition Debt consisting of Allowable 506(b) Amounts, until Paid in Full; (2) second, to the payment of all other Prepetition Debt in accordance with the Prepetition ABL Documents, until Paid in Full; (3) third, to the payment of Postpetition Debt consisting of Postpetition Charges, until Paid in Full; and (4) fourth, to payment of other Postpetition Debt in accordance with the DIP Credit Agreement, until Paid in Full. All such applications to Postpetition Debt shall be final and not subject to challenge by any Person, including any Trustee. All such applications to Prepetition Debt shall be final, subject only to the right of parties in interest to seek a determination in accordance with Paragraph 9 below that such applications to other Prepetition Debt resulted in the payment of a claim that was not an allowed secured claim of Prepetition ABL Administrative Agent and Prepetition Secured Parties. Any amounts that are determined by the Court as a result of any such objection or determination to have been improperly applied to the Prepetition Debt will be first applied to pay Postpetition Debt consisting of Postpetition Charges and then to all other Postpetition Debt, dollar-for-dollar, until Paid in Full.

(d) Prohibition Against Use of Cash Collateral. Unless otherwise consented to by Agents in writing, in Agents' discretion, Applicable Debtors may not use, seek to use, or be permitted to use any Cash Collateral for any purpose until the Aggregate Debt is Paid in Full; provided, however, that Debtors may use Cash Collateral solely as provided for in this Order.

3. Authorization To Incur Postpetition Debt.

(a) DIP Documents. Applicable Debtors are hereby authorized and have agreed to: (1) execute the DIP Documents, including all documents that DIP Agent and DIP Lenders find reasonably necessary or desirable to implement the transactions contemplated by the DIP Documents; and (2) perform their obligations under and comply with all of the terms and provisions of the DIP Documents and this Order (notwithstanding, until the entry of the Final Order, the Unused Line Fee shall be charged only against the unused portion of the \$20,000,000 of new money commitments under the DIP Documents). Upon execution and delivery thereof, the DIP Documents shall constitute valid and binding obligations of Applicable Debtors enforceable in accordance with their terms. To the extent there exists any conflict among the terms of the Motion, the DIP Documents, and this Order, this Order shall govern and control.

(b) Permitted Uses of Postpetition Debt. Applicable Debtors are authorized and have agreed to incur Postpetition Debt solely: (1) in accordance with the terms and provisions of this Order, (2) to the extent required to pay those expenses enumerated in the Budget, including funding the Carveout Account, as and when such expenses become due and payable, subject to the Permitted Variance and the terms of the DIP Documents, and (3) to pay Allowable 506(b) Amounts and the Postpetition Charges. If DIP Lenders advance monies to Applicable Debtors and Applicable Debtors use such monies other than in accordance with the terms or provisions of this Order, such advances shall be considered Postpetition Debt for purposes of this Order. Except as otherwise permitted by Section 6.7(d) of the DIP Credit Agreement, no Applicable Debtor shall, nor shall it permit any of its Subsidiaries (as defined in the DIP Credit Agreement), through any manner or means or through any other person to, directly or indirectly, use proceeds of the Postpetition Debt: (i) to declare or pay any dividend or make any other payment or distribution, directly or indirectly, on account of Equity Interests (as defined in the DIP Credit Agreement) issued by Parent or any of its Subsidiaries (including any

payment in connection with any merger, amalgamation or consolidation involving Parent or any of its Subsidiaries) or to the direct or indirect holders of Equity Interests issued by Parent or any of its Subsidiaries in its capacity as such (other than dividends or distributions payable in Qualified Equity Interests (as defined in the DIP Credit Agreement) issued by Parent or any of its Subsidiaries), (ii) to purchase, redeem, make any sinking fund or similar payment, or otherwise acquire or retire for value (including in connection with any merger, amalgamation or consolidation involving Parent or any of its Subsidiaries) any Equity Interests issued by Parent or any of its Subsidiaries, (iii) to make any payment to retire, or to obtain the surrender of, any outstanding warrants, options, or other rights to acquire Equity Interests of Parent or any of its Subsidiaries now or hereafter outstanding, (iv) in furtherance of an offer, to pay, to promise to pay, or to authorize the payment or giving of money, or anything else of value, to or for the benefit of any Affiliate of Administrative Borrower that is not a Loan Party (as each such term is defined in the DIP Credit Agreement), or (v) in connection with the investigation (including discovery proceedings), initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the Prepetition ABL Administrative Agent, Prepetition ABL Lenders, DIP Agent or DIP Lenders, except for up to \$50,000 permitted for investigation costs of any official statutory committee appointed pursuant to Section 1102 of the Bankruptcy Code.

(c) Additional Terms of Postpetition Debt.

(i) Maximum Amount. The maximum principal amount of Postpetition Debt outstanding shall not at any time exceed \$199,969,560.45 (the "Maximum Amount").

(ii) Interest. The Postpetition Debt shall bear interest at a per annum rate equal to the Base Rate (as defined in the DIP Credit Agreement) plus 4.0% (exclusive of any default rate interest that may be imposed under the DIP Credit Agreement).

(iii) Closing Fee. Applicable Debtors shall pay to DIP Agent, for the benefit of DIP Lenders, a closing fee (the "Closing Fee") in an amount equal to \$600,000, which Closing Fee shall be fully earned, due and payable in kind immediately upon the closing of the DIP Credit Agreement.

(iv) Servicing Fee. A monthly servicing fee in an amount equal to \$12,000.

(v) Contingent Obligations. Upon the entry of this Order, all of the Prepetition Debt consisting of contingent Prepetition Debt (including, without limitation, in respect of "Letters of Credit", "Hedge Obligations" and "Bank Product Obligations", as such terms are defined in the Prepetition ABL Agreement) will be deemed to be assumed by the Debtors and reissued or otherwise incurred by the Debtors under the DIP Documents as Postpetition Debt.

(vi) Maturity. The earliest of (i) the date that is 180 days after the Petition Date, (ii) 28 days following the consummation of a sale of all or substantially all of the Debtors' assets and (iii) the effective date of a plan of reorganization.

(vii) Guarantors. Each Guaranty and all related security documents shall remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order or otherwise providing for the use of Cash Collateral consented to by Agents and Lenders pursuant to Bankruptcy Code § 363 or additional financing by DIP Agent and DIP Lenders pursuant to Bankruptcy Code § 364. Each Guarantor is and shall remain liable for the guaranteed obligations under each such Guaranty, including, without limitation, all Postpetition Debt, and any refinancing thereof.

(viii) Prepetition ABL Documents. Each Prepetition Third Party Document, and other Prepetition ABL Document will remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order or otherwise providing for the use of any Cash Collateral consented to by Agents and Lenders pursuant to Bankruptcy Code § 363 or additional financing by Agents and Lenders pursuant to Bankruptcy Code § 364. Each "Borrower" and "Guarantor" (as each such term is defined in the Prepetition ABL Agreement) is and will remain liable for all guaranteed obligations and indebtedness under the Prepetition ABL Documents.

(ix) Joint and Several Liability of Applicable Debtors. The obligations of each Debtor under this Order shall be joint and several.

(x) Control Agreements. All "Control Agreements" (as defined in the Prepetition ABL Agreement) in effect as of the Petition Date shall remain in full force and effect notwithstanding the entry of this Order and any subsequent orders amending this Order.

(d) Superpriority Administrative Expense Status; Postpetition Liens. The Postpetition Debt is hereby granted superpriority administrative expense status under Bankruptcy Code § 364(c)(1), with priority over all costs and expenses of administration of the Cases that are incurred under any provision of the Bankruptcy Code. In addition, DIP Agent is hereby granted the Postpetition Liens, for the benefit of itself, the DIP Lenders and the other

Postpetition Secured Parties to secure the Postpetition Debt. The Postpetition Liens: (1) are in addition to the Prepetition Liens; (2) are (x) with respect to all Prepetition Collateral, Priority Liens (subject only to Permitted Priority Liens, the Prepetition Liens and Replacement Liens) pursuant to Bankruptcy Code § 364(c)(3) and (y) with respect to all Postpetition Collateral (excluding the Prepetition Collateral), Priority Liens (subject only to Permitted Priority Liens subject to § 364(c)(2), in each case of the foregoing clauses (x) and (y), without any further action by Applicable Debtors or DIP Agent and without the execution, delivery, filing or recordation of any financing statements, security agreements, control agreements, title notations, mortgages, deeds of trust or other documents or instruments; (3) shall not be subject to any security interest or lien which is avoided and preserved under Bankruptcy Code § 551; (4) shall remain in full force and effect notwithstanding any subsequent conversion or dismissal of any Case; (5) shall not be subject to Bankruptcy Code § 510(c); and (6) upon approval of the Final Order, shall not be subject to any landlord's lien, banker's lien, bailee's rights, carrier's lien, right of distraint or levy, security interest, right of setoff, or any other lien, right or interest that any bailee, warehouseman, bank, processor, shipper, carrier, or landlord may have in any or all of the Aggregate Collateral. Without limiting the foregoing, Debtors shall execute and deliver to DIP Agent such financing statements, security agreements, control agreements, title notations, mortgages, deeds of trust, instruments and other documents and instruments as DIP Agent may request from time to time, and any such documents filed by DIP Agent shall be deemed filed as of the Petition Date. Further, Prepetition ABL Administrative Agent shall serve as agent for DIP Agent for purposes of perfecting DIP Agent's security interest in any Postpetition Collateral that may require perfection by possession, control or title notation, including, without limitation, under the Control Agreements. In addition, all Prepetition Third Party Documents shall be deemed to be for the benefit of DIP Agent and Postpetition Secured Parties without further order of Court or action by any Person. Without limiting the foregoing, DIP Agent, for itself and the Postpetition Secured Parties, has, and will be deemed to have, a perfected Postpetition Lien on all existing deposit accounts of each Debtor and any new deposit account that any Applicable Debtor may establish on or after the date hereof without any further action by Debtors or DIP Agent. A copy of this Order (or a notice of this Order in recordable form) may be used by DIP Agent as a financing statement, mortgage, deed of trust or similar instrument for purposes of any public filing made by DIP Agent for the perfection of the Postpetition Liens and the filing of this Order (or a notice of this Order in recordable form) shall have the same effect as if such

instrument had been filed or recorded at the time and on the Petition Date. All state, federal, and county recording officers are authorized and directed to accept a copy of this Order (or a notice of this Order in recordable form) for filing for such purposes.

(e) Prohibition Against Additional Debt. Debtors will not incur or seek to incur debt secured by a lien which is equal to or superior to the Prepetition Liens or the Postpetition Liens, or which is given superpriority administrative expense status under Bankruptcy Code § 364(c)(1), unless, in addition to the satisfaction of all requirements of Bankruptcy Code § 364, Agents have consented to such order.

4. Adequate Protection of Interests of Prepetition ABL Administrative Agent and Prepetition Secured Parties in the Prepetition Collateral and the Prepetition Liens. Prepetition ABL Administrative Agent and Prepetition Secured Parties have consented to the terms of this Order and are entitled to adequate protection as set forth herein and to the extent required under Bankruptcy Code §§ 361, 362, 363 or 364 for any decrease in the value of such interests in the Prepetition Collateral from and after the Petition Date on account of the stay, use, sale, lease, license, grant or other disposition of any Prepetition Collateral.

(a) Payments to Prepetition ABL Lenders. Debtors will timely make (x) monthly payments of interest and letter of credit commissions to the Prepetition ABL Lenders at the default rate as provided for in, and in accordance with, Section 2.6(c) of the Prepetition ABL Agreement commencing on the first scheduled payment date occurring after the Petition Date, whether or not included in the Budget and (y) payments in cash on a current basis of all fees, costs and expenses of Prepetition ABL Administrative Agent's legal counsel (including local and special counsel) and advisors; provided, however, that none of such fees, costs and expenses ("Prepetition ABL Administrative Agent Professional Fees") provided as adequate protection payments under this paragraph (a) shall be subject to approval by the Court or the United States Trustee, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with the Court. Prior to any conversion of the Chapter 11 Cases to chapter 7, any Prepetition ABL Administrative Agent Professional Fees shall be paid by the Debtors within fourteen (14) days after delivery of a summary invoice (redacted for privilege) to the Debtors and without the need for application to or order of this Court. A copy of such summary invoice shall be provided by the Prepetition ABL

Administrative Agent to the U.S. Trustee and counsel to the Committee, if one is appointed, contemporaneously with the Debtors' receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtors, U.S. Trustee, or the Committee object to the reasonableness of a summary invoice submitted by the Prepetition ABL Administrative Agent and (y) the parties cannot resolve such objection, in each case within the fourteen (14)-day period following receipt of such summary invoice, the Debtors, the U.S. Trustee or the Committee, as the case may be, shall file with this Court and serve on the Prepetition ABL Administrative Agent a fee objection (a "Prepetition ABL Administrative Agent Fee Objection"), which objection shall be limited to the issue of the reasonableness of such Prepetition ABL Administrative Agent Professional Fees. The Debtors shall promptly pay any submitted invoice after the expiration of the fourteen (14)-day period if no Prepetition ABL Administrative Agent Fee Objection is filed with this Court and served on the Prepetition ABL Administrative Agent in such fourteen (14)-day period. If a Prepetition ABL Administrative Agent Fee Objection is timely filed and served, the Debtors shall promptly pay the undisputed amount of the summary invoices, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the Prepetition ABL Administrative Agent Fee Objection.

(b) Priority of Prepetition Liens/Allowance of Prepetition ABL Lenders' Claim. Subject to the terms of Paragraph 9 of this Order: (1) the Prepetition Liens constitute Priority Liens, subject only to the Permitted Priority Liens; (2) the Prepetition Debt constitutes the legal, valid, and binding obligation of each Applicable Debtor, enforceable in accordance with the terms of the Prepetition ABL Documents; (3) no offsets, defenses, or counterclaims to the Prepetition Debt exist, and no portion of the Prepetition Debt is subject to avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law; and (4) Prepetition ABL Administrative Agent's and Prepetition Secured Parties' claim with respect to the Prepetition Debt is for all purposes an allowed claim.

(c) Replacement Liens. Prepetition ABL Administrative Agent is hereby granted the Replacement Liens, for the benefit of itself and the Prepetition Secured Parties, as security for the complete payment and performance of the Prepetition Debt. The Replacement Liens: (1) are subject to the Carveout, (2) are in addition to the Prepetition Liens; (3) are properly perfected, valid, and enforceable liens without any other or further action by Applicable Debtors or Prepetition ABL Administrative Agent, and without the execution, filing,

or recordation of any financing statement, security agreement, control agreement, mortgage, deed of trust, title notation, or other document or instrument; and (4) will remain in full force and effect notwithstanding any subsequent conversion or dismissal of any Case. Without limiting the foregoing, Applicable Debtors are authorized to, and must, execute and deliver to Prepetition ABL Administrative Agent any such financing statements, security agreements, control agreements, mortgages, deeds of trust, title notations and other documents and instruments as Prepetition ABL Administrative Agent may request from time to time in its discretion in respect of the Replacement Liens, and any such documents filed by Prepetition ABL Administrative Agent shall be deemed filed as of the Petition Date. A copy of this Order (or a notice of this Order in recordable form) may be used by Prepetition ABL Administrative Agent as a financing statement, mortgage, deed of trust or similar instrument for purposes of any public filing made by Prepetition ABL Administrative Agent for the perfection of the Prepetition Liens and the filing of this Order (or a notice of this Order in recordable form) shall have the same effect as if such instrument had been filed or recorded at the time and on the Petition Date. All state, federal, and county recording officers are authorized to accept a copy of this Order (or a notice of this Order in recordable form) for filing for such purposes.

(d) Allowed Bankruptcy Code § 507(b) Claim. If and to the extent the adequate protection of the interests of Prepetition ABL Administrative Agent and the other Prepetition Secured Parties in the Prepetition Collateral granted pursuant to this Order proves insufficient, Prepetition ABL Administrative Agent and the other Prepetition Secured Parties will have an allowed claim under Bankruptcy Code § 507(b), subject to the Carveout, in the amount of any such insufficiency, with priority over (1) any and all costs and expenses of administration of the Cases (other than the claims of DIP Agent, DIP Lenders, and the other Postpetition Secured Parties under Bankruptcy Code § 364) that are incurred under any provision of the Bankruptcy Code and (2) the claims of any other party in interest under Bankruptcy Code § 507(b).

5. Reporting and Rights of Access and Information. The Applicable Debtors shall timely comply with all reporting requirements set forth in the Prepetition ABL Agreement and the DIP Credit Agreement, as applicable. The Applicable Debtors shall comply with the rights of access and information afforded to the DIP Agent and DIP Lenders under the DIP

Documents and the Prepetition ABL Administrative Agent and the Prepetition ABL Lenders under the Prepetition ABL Documents.

6. Termination Date; Rights and Remedies.

(a) Effect of Termination Date. Upon the Termination Date without further notice or order of Court: (1) Applicable Debtors' authorization to use Cash Collateral and incur Postpetition Debt hereunder will automatically terminate; and (2) at DIP Agent's election: (i) the Postpetition Debt shall be immediately due and payable, (ii) Applicable Debtors shall be prohibited from using Cash Collateral for any purpose other than application to the Aggregate Debt in accordance with Paragraph 2(c) of this Order and (iii) each Agent shall be entitled to setoff any cash in any Agent's or any Lender's possession or control and apply such cash to the Aggregate Debt in accordance with Paragraph 2(c) of this Order.

(b) Rights and Remedies. At the conclusion of the Remedies Notice Period, at DIP Agent's election without further order of the Court: (1) Agents shall have automatic and immediate relief from the automatic stay with respect to the Aggregate Collateral (without regard to the passage of time provided for in Fed. R. Bankr. P. 4001(a)(3)), and shall be entitled to exercise all rights and remedies available to them under the Prepetition ABL Documents, the DIP Documents and applicable non-bankruptcy law (including, with respect to any Aggregate Collateral consisting of Real Property, the right to appoint a receiver, the right to foreclose judicially or non-judicially, and other rights and remedies which, under applicable non-bankruptcy law, could be granted to a mortgagee or to a trustee or to a beneficiary pursuant to the terms of a Mortgage (as defined in the Prepetition ABL Agreement and DIP Credit Agreement)); and (2) Applicable Debtors shall promptly surrender the Aggregate Collateral upon written demand by any Agent and otherwise cooperate and not interfere with Agents and Lenders in the exercise of their rights and remedies under the Prepetition ABL Documents, the DIP Documents and applicable non-bankruptcy law, including, without limitation, by filing a motion to retain one or more agents to sell, lease or otherwise dispose of the Aggregate Collateral upon the request and subject to terms and conditions acceptable to Agents. Notwithstanding the foregoing, during the Remedies Notice Period, Applicable Debtors, any Committee, and the United States Trustee shall be entitled to seek an emergency hearing seeking an order of this Court determining that an Event of Default alleged to have given rise to the Termination Date

did not occur; provided, however, that during the Remedies Notice Period (x) the Applicable Debtors shall be entitled to use Cash Collateral in accordance with the terms of this Order solely to make payroll and other critical expenses (as agreed to by Applicable Debtors and Agent) in accordance with the terms of the Budget and (y) DIP Lenders shall have no obligation to advance Postpetition Debt to Applicable Debtors and may exercise sole dominion over deposit accounts (or otherwise exercise rights under any deposit account control agreements) and except as otherwise set forth in subclause (x), apply all Cash Collateral to the Aggregate Debt in accordance with Paragraph 2(c) of this Order.

(c) Access to Collateral. Upon the entry of the Final Order, notwithstanding anything to the contrary herein or in any Prepetition Third Party Document or DIP Document, upon written notice to the landlord of any of the Applicable Debtors' leased premises that an Event of Default has occurred and is continuing, Agents may elect to (but will not be obligated to) enter upon any such leased premises for the purpose of exercising any right or remedy with respect to the Aggregate Collateral located thereon and will be entitled to such Applicable Debtor's rights and privileges under such lease without any interference from such landlord; provided, however, that such Agent shall pay to such landlord rent first accruing after the date on which such Agent commences occupancy of the leased premises, calculated on a per diem basis at the non-default rate of rent, solely for the period during which Agent actually occupies such leased premises.

7. Carveout.

(a) Carveout Terms. For purposes of this Order, “Carveout” shall mean: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the Carveout Trigger Notice) (collectively, the “Statutory Fees”); plus the sum of (ii) all reasonable fees and expenses up to \$25,000 incurred by a trustee under Bankruptcy Code § 726(b) (without regard to the Carveout Trigger Notice) (the “Chapter 7 Trustee Carveout”); (iii) to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise, subject to the Budget (as set forth below), all unpaid fees, costs, disbursements and expenses (the “Allowed Professional Fees”) incurred or earned by the Carveout Professionals at any time before or on the Carveout Trigger Date, whether allowed by the Court prior to, on, or after delivery of a Carveout Trigger

Notice (the “Pre-Trigger Carveout Cap”); and (iv) Allowed Professional Fees of the Carveout Professionals incurred after the Carveout Trigger Date in an aggregate amount not to exceed the Post-Carveout Trigger Notice Amount, to the extent allowed at any time, whether by final order, interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carveout Trigger Notice Cap” and such amounts set forth in clauses (i) through (iv), the “Carveout Cap”); *provided that*, (A) nothing herein shall be construed to impair any party’s ability to object to Court approval of the fees, expenses, reimbursement of expenses or compensation of any Carveout Professional, (B) the Carveout with respect to each Carveout Professional shall not exceed the aggregate amount provided in the applicable line item in the Budget for such Carveout Professional for the period commencing on the Petition Date and ending on the Carveout Trigger Date, (C) the Carveout with respect to each Carveout Professional shall be reduced dollar-for-dollar by any payments of fees and expenses to the Carveout Professional, (D) the Carveout with respect to each Carveout Professional shall be paid out of any prepetition retainer or property of the estate (other than property subject to an unavoidable security interest or lien in favor of any Agent or any other Secured Party) before such payments are made from proceeds of the Postpetition Debt or the Aggregate Collateral and (E) no Carveout Professional shall be entitled to any portion of the Carveout allocated for any other Carveout Professional in the Budget (provided, however, (x) any Carveout Professional that is counsel for the Applicable Debtors may use any portion of the Carveout allocated for any other Carveout Professional that is counsel for the Applicable Debtors and (y) any Carveout Professional that is counsel for the Committee may use any portion of the Carveout allocated for any other Carveout Professional that is counsel for the Committee). Neither the Agent nor the Lenders shall be responsible for the payment or reimbursement of any fees or disbursements of any Carveout Professional incurred in connection with the Cases, other than payment or reimbursement of any fees or disbursements from proceeds of Aggregate Collateral to the extent of the Carveout as set forth in this Paragraph 7. Nothing in this Order or otherwise shall be construed to obligate the any Agent or any Lender, in any way, to pay compensation to, or to reimburse expenses of, any Carveout Professional or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(b) Carveout Usage. No portion of the Carveout and no Postpetition Debt or Aggregate Collateral may be used to pay any fees or expenses incurred by any Person,

including any Debtor, any Committee, or any Carveout Professional, in connection with claims or causes of action adverse (or which claim an interest adverse) to any Agent, any Lender, any other Secured Party, or any of their respective rights or interests in the Aggregate Collateral, the DIP Documents, or the Prepetition ABL Documents, including, without limitation, (1) preventing, hindering, or delaying any Agent's or any other Secured Party's enforcement or realization upon any of the Aggregate Collateral or the exercise of their rights and remedies under this Order, any DIP Document, any Prepetition ABL Document, or applicable law, in each case, once an Event of Default has occurred, (2) using or seeking to use any Cash Collateral or incurring indebtedness in violation of the terms hereof, or (3) objecting to, or contesting in any manner, or in raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any Aggregate Debt, any Prepetition ABL Document, any DIP Document, or any mortgages, deeds of trust, liens, or security interests with respect thereto or any other rights or interests of any Agent or any other Secured Party, or in asserting any claims or causes of action, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, against any Agent or any other Secured Party; provided, however, that the foregoing shall not apply to costs and expenses, in an aggregate amount not to exceed \$50,000, incurred by all of the Committee's Carveout Professionals in connection with the investigation of a potential Challenge in accordance with Paragraph 9 of this Order; provided, further, however, that the Carveout may be used to pay fees and expenses incurred by the Carveout Professionals in connection with the negotiation, preparation, and entry of this Order or any amendment hereto consented to by DIP Agent.

(c) Carveout Procedure. On the last business day of each week prior to the Carveout Trigger Date, the Debtors shall fund the Carveout Account using proceeds of Postpetition Debt (subject to the terms and conditions of the DIP Credit Agreement) in an amount equal to the professional fees for Carveout Professionals as set forth in the Budget for the week then ended (with the Carveout amount for each Carveout Professional determined in accordance with the provisos set forth subclauses (B) through (E) in Paragraph 7(a) above). Except as set forth in the preceding sentence, DIP Lenders shall have no obligation to fund the Carveout Account or any fees or expenses of Carveout Professionals accrued on, prior to, or after the Carveout Trigger Date and the Carveout Account shall be funded solely with the proceeds of Postpetition Debt as described in this Paragraph 7(a). All funds in the Carveout Account shall be

used to pay the Carveout (whether such fees are allowed on an interim or final basis) for Allowed Professional Fees for the Carveout Professionals in an amount not to exceed the Carveout Cap, and, subject to the Carveout Cap, all Carveout Professionals shall have all professional fees paid from the Carveout Account prior to seeking payment from any other Aggregate Collateral. If, after payment in full of the Carveout (up to the Carveout Cap) for Allowed Professional Fees of Carveout Professionals, all remaining funds in the Carveout Account shall be returned to the Agents on behalf of the Lenders. The Applicable Debtors shall periodically, upon the request of the DIP Agent, provide to the DIP Agent a written report (the "Carveout Report"), in which the Applicable Debtors disclose their then current estimate of (1) the aggregate amount of unpaid professional fees, costs and expenses accrued or incurred by the Carveout Professionals, through the date of the Carveout Report, and (2) projected fees, costs and expenses of the Carveout Professionals for the 30 day period following the date of such Carveout Report. Nothing herein shall be construed as consent by Agents and Lenders to the allowance of any fees or expenses of the Carveout Professionals or shall affect the right of Agents or any Lender to object to the allowance and payment of such fees, costs or expenses, or the right of Agents or any Lender to the return of any portion of the Carveout that is funded with respect to fees and expenses for a Carveout Professional that are approved on an interim basis that are later denied on a final basis.

8. No Surcharge. Applicable Debtors represent that the Budget contains all expenses that are reasonable and necessary for the operation of Applicable Debtors' businesses and the preservation of the Aggregate Collateral through the period for which the Budget runs, and therefore includes any and all items potentially chargeable to Agents and Lenders under Bankruptcy Code § 506(c). Therefore, in the exercise of their business judgment, subject to entry of the Final Order, Applicable Debtors (or any Trustee) agree that there will be no surcharge of the Aggregate Collateral for any purpose unless agreed to in writing by Agents and Lenders, and effective upon entry of the Final Order, each Applicable Debtor (or any Trustee), on behalf of its estate, will be deemed to have waived any and all rights, benefits, or causes of action under Bankruptcy Code § 506(c), the enhancement of collateral provisions of Bankruptcy Code § 552, and under any other legal or equitable doctrine (including, without limitation, unjust enrichment or the "equities of the case" exception under Bankruptcy Code § 552(b)) as they may

relate to, or be asserted against, any Agent, any Lender, or any of the Aggregate Collateral. In reliance on the foregoing, Agents and Lenders have agreed to the entry of this Order.

9. Reservation of Rights; Bar of Challenges and Claims.

(a) Notwithstanding any other provisions of this Interim Order, any interested party with requisite standing (other than the Debtors or their professionals) in these Cases (including, without limitation, any Committee) shall have until the date that is seventy-five (75) days after entry of this Interim Order (such period, the “Challenge Period”, to commence an adversary proceeding against the Prepetition Secured Parties (as applicable) for the purpose (collectively, a “Challenge Action”) of: (i) challenging any of the stipulations contained in Paragraph D, (ii) challenging the validity, extent, priority, perfection, enforceability and non-avoidability of the Prepetition Liens against the Applicable Debtors, (iii) contesting the amount of the Prepetition Secured Parties' asserted claims, (iv) seeking to avoid or challenge (whether pursuant to Chapter 5 of the Bankruptcy Code or otherwise) any transfer made by or on behalf of the Applicable Debtors to or for the benefit of any of the Prepetition Secured Parties, or any of their predecessors in interest under the Prepetition ABL Documents prior to the Petition Date, (v) seeking damages or equitable relief against any of the Prepetition Secured Parties (as applicable) arising from or related to prepetition business and lending relationships of the Prepetition Secured Parties or any of their predecessors in interest under the Prepetition ABL Documents with the Applicable Debtors, including, without limitation, equitable subordination, recharacterization, lender liability and deepening insolvency claims and causes of action or (vi) challenging the application to Prepetition Debt described in Paragraph 2(c); provided, however, that any Chapter 7 trustee subsequently appointed in these Cases shall have until the later of (x) the expiration of the Challenge Period or (y) 20 days after such trustee is appointed, in order to commence a Challenge Action.

(b) All parties in interest, including without limitation the Committee (if any), that fail to act in accordance with the time periods set forth in the preceding paragraph shall be, and hereby are, barred forever from commencing a Challenge Action and shall be bound by the waivers, stipulations, and terms set forth in this Interim Order (including Paragraphs D, 9(e) and 11 of this Interim Order). Any Challenge Action filed shall prohibit application of this paragraph only to the extent of the specific matters set forth in such Challenge

Action on the date of filing unless otherwise ordered. For the avoidance of doubt, if any Challenge Action is timely filed and a final, non-appealable order is entered in favor of the plaintiff sustaining any such Challenge Action, the stipulations described in Paragraph D of this Interim Order shall nonetheless remain binding and preclusive on any Committee and any other person or entity, except to the extent that such stipulations and admissions were raised (subject to Bankruptcy Rule 7015) in an adversary proceeding or contested matter prior to the expiration of the Challenge Period and sustained by the final, non-appealable order. Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee (if appointed) or any non-statutory committees appointed or formed in these Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, and all rights to object to such standing are expressly reserved.

(c) The respective legal and equitable claims, counterclaims, defenses and/or rights of offset and setoff of the Prepetition Secured Parties in response to any such Challenge Action are reserved, and the ability of a party to commence a Challenge Action shall in no event revive, renew or reinstate any applicable statute of limitations which may have expired prior to the date of commencement of such Challenge Action. Despite the commencement of a Challenge Action, the prepetition claims and Liens of the Prepetition Secured Parties shall be deemed valid, binding, properly perfected, enforceable, non-avoidable, not subject to disallowance under Bankruptcy Code § 502(d) and not subject to subordination under Bankruptcy Code § 510 until such time as, and only to the extent that, a final and non-appealable judgment and order is entered sustaining such Challenge Action in favor of the plaintiffs therein. Notwithstanding anything to the contrary contained in this Interim Order, the Court expressly reserves the right to order other appropriate relief against the Prepetition Secured Parties in the event there is a timely and successful Challenge Action by any party in interest to the validity, enforceability, extent, perfection or priority of the Prepetition Liens or the amount, validity, or enforceability of the Prepetition Debt. For the avoidance of doubt, notwithstanding anything to the contrary in this Interim Order or the DIP Documents, the Replacement Liens and Bankruptcy Code § 507(b) claims described in Paragraph 4(d) shall be valid, enforceable, properly perfected, and unavoidable until such time as, and only to the extent that, a final and non-appealable judgment and order is entered sustaining a Challenge Action in favor of the plaintiffs therein.

(d) If a Challenge Action has not been filed during the Challenge Period or a timely-asserted Challenge Action is not successful, then without further order of the Court, the claims, liens and security interests of the Prepetition ABL Administrative Agent, the Prepetition ABL Lenders and the other Prepetition Secured Parties shall and shall be deemed to be allowed for all purposes in these Cases and shall not be subject to challenge by any party in interest, including, without limitation, as to extent, validity, amount, perfection, enforceability, priority or otherwise.

(e) In consideration of and as a condition to, among other things, the Postpetition Secured Parties making the advances under the DIP Documents and providing credit and other financial accommodations to the Applicable Debtors, the Prepetition Secured Parties consenting to, among other things, the use of Cash Collateral, and subordination by the Postpetition Secured Parties and Prepetition Secured Parties of their Liens to the Carveout pursuant to the terms of this Interim Order and the DIP Documents, each of the Applicable Debtors, on behalf of themselves, their estates, and their affiliated obligors under the Prepetition ABL Documents (each a “Releasor” and collectively, the “Releasors”), subject to the other terms of this Paragraph 9, absolutely releases, forever discharges and acquits each of the Prepetition Secured Parties and their respective present and former affiliates, shareholders, subsidiaries, divisions, predecessors, members, managers, directors, officers, attorneys, employees, agents, advisors, principals, consultants, and other representatives (the “Prepetition Releasees”) of and from any and all claims, demands causes of action, damages, choses in action, and all other claims, counterclaims, defenses, setoff rights, and other liabilities whatsoever (the “Prepetition Released Claims”) of every kind, name, nature, and description, whether known or unknown, both at law and equity (including, without limitation, any “lender liability” claims) that any Releasor may now or hereafter own, hold, have or claim against each and every of the Prepetition Releasees arising at any time prior to the entry of this Interim Order (including, without limitation, claims relating to the Debtors, the Prepetition ABL Documents, and other documents executed in connection therewith, and the obligations thereunder); provided, however, that such release shall not be effective with respect to the Debtors until entry of the Final Order, and with respect to the Debtors’ bankruptcy estates, until the expiration of the Challenge Period. In addition, upon the Payment in Full of all Postpetition Debt owed to the Postpetition Secured Parties arising under this Interim Order and the DIP Documents, the

Postpetition Releasees (defined below) shall automatically be released from any and all obligations, actions, duties, responsibilities, and causes of action arising or occurring in connection with or related to the DIP Documents.

10. Sale Milestones. To effectuate the sale process for all, or substantially all, of the assets of Applicable Debtors, Applicable Debtors have agreed to, and are authorized to, timely satisfy each of the Milestones set forth and defined in Section 5.20 (and corresponding Schedule 5.20) of the DIP Credit Agreement. Applicable Debtors, Agent, and requisite Lenders may agree to amend or otherwise modify such sale milestones from time to time, in writing, without the need of any further notice, hearing, or order of this Court (other than a notice of such amendment or modification to be filed with this Court).

11. Right to Credit Bid. In connection with the sale or other disposition of all or any portion of the Aggregate Collateral, whether under Bankruptcy Code § 363, Bankruptcy Code § 1129 or otherwise, pursuant to Bankruptcy Code § 363(k), (a) DIP Agent shall have the right to use the Postpetition Debt or any part thereof to credit bid with respect to any bulk or piecemeal sale of all or any portion of the Aggregate Collateral, and (b) subject to Paragraph 9 of this Order, Prepetition ABL Administrative Agent shall have the right to use the Prepetition Debt or any part thereof to credit bid with respect to any bulk or piecemeal sale of all or any portion of the Aggregate Collateral. With respect to any such sale or other disposition of all or any portion of the Aggregate Collateral, and any auction and sale process relating thereto, each Agent (and its respective designees) is, and will be deemed to be, a qualified bidder for all purposes under any sale and bidding procedures, and any order approving any bidding and sale procedures, and may attend and participate at any auction and any sale hearing, in each case, without regard to any of the requirements or conditions set forth therein and without any other or further action by such Agent or designee.

12. [Reserved].

13. Application of Sale Proceeds. All proceeds from sales or other dispositions of all or any portion of the Aggregate Collateral shall be remitted to Agents for application in accordance with Paragraph 2(c) of this Order.

14. Waiver of Right to Return/Consent to Setoff. Without the prior written consent of Agents, Applicable Debtors will not agree or consent to any of the following: (a) return of any Aggregate Collateral pursuant to Bankruptcy Code § 546(h); (b) any order permitting or allowing any claims pursuant to Bankruptcy Code § 503(b)(9); or (c) any setoff pursuant to Bankruptcy Code § 553.

15. Indemnification. Applicable Debtors shall indemnify and hold harmless Agents, Lenders and each other Prepetition Secured Party and Postpetition Secured Party and such other third parties as set forth in and in accordance with the DIP Credit Agreement and the Prepetition ABL Agreement.

16. No Marshaling. Subject to entry of the Final Order, no Agent, Lender or any of the Aggregate Collateral shall be subject to the doctrine of marshaling.

17. Postpetition Charges. All Postpetition Charges must be promptly paid by Debtors in accordance with this Order and the DIP Documents, without need for filing any application with the Court for approval or payment thereof, within fourteen (14) business days of DIP Agent's written notice to Debtors, any Committee, and the United States Trustee. Prior to any conversion of the Chapter 11 Cases to chapter 7, any DIP Agent professional fees and expenses shall be paid by the Debtors within fourteen (14) days after delivery of a summary invoice (redacted for privilege) to the Debtors and without the need for application to or order of this Court. A copy of such summary invoice shall be provided by the DIP Agent to the U.S. Trustee and counsel to the Committee, if one is appointed, contemporaneously with the Debtors' receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtors, U.S. Trustee, or the Committee object to the reasonableness of a summary invoice submitted by the DIP Agent and (y) the parties cannot resolve such objection, in each case within the fourteen (14)-day period following receipt of such summary invoice, the Debtors, the U.S. Trustee or the Committee, as the case may be, shall file with this Court and serve on the DIP Agent a fee objection (a "DIP Agent Fee Objection"), which objection shall be limited to the issue of the reasonableness of such DIP Agent professional fees. The Debtors shall promptly pay any submitted invoice after the expiration of the fourteen (14)-day period if no DIP Agent Fee Objection is filed with this Court and served on the DIP Agent in such fourteen (14)-day period. If a DIP Agent Fee Objection is timely filed and served, the Debtors shall promptly pay the

undisputed amount of the summary invoices, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the DIP Agent Fee Objection.

18. Force and Effect of Prepetition ABL Documents. Except as modified herein and subject to the other provisions of this Order and the Bankruptcy Code, the Prepetition ABL Documents shall remain in full force and effect with respect to the Prepetition Debt. To the extent there exists any conflict among the terms of the Motion, the Prepetition ABL Documents and this Order, this Order shall govern and control.

19. Conditions Precedent. Except as provided for in the Carveout, neither DIP Agent nor any DIP Lender shall have any obligation to make any loans pursuant to the DIP Documents unless all of the conditions precedent to the making of such extensions of credit under the applicable DIP Documents have been satisfied in full or waived in accordance with such DIP Documents.

20. Modification of Stay. The automatic stay of Bankruptcy Code § 362 is hereby modified with respect to Agents and Lenders to the extent necessary to effectuate the provisions of this Order, including, after the Termination Date, to permit Agents and Lenders to exercise their respective rights contemplated by Paragraph 6 above.

21. Real Property. If, notwithstanding entry of this Order, a lien or security interest in any Real Property would be prohibited or would otherwise not be effective under applicable non-bankruptcy law, (x) the Prepetition Collateral and Postpetition Collateral shall not include such Real Property; provided that all proceeds, products, substitutions or replacements of such Real Property shall be included in the Prepetition Collateral and Postpetition Collateral and subject to the Replacement Liens and Postpetition Liens, respectively and (y) the Applicable Debtors shall not permit any Person (other than Prepetition ABL Administrative Agent and DIP Agent) to obtain directly or indirectly any lien or security interest over such Real Property.

22. No Waiver. None of the Agents, the Lenders, or the other Secured Parties will be deemed to have suspended or waived any of their rights or remedies under this Order, the Prepetition ABL Documents, the DIP Documents, the Bankruptcy Code, or applicable non-bankruptcy law unless such suspension or waiver is hereafter made in writing, signed by a duly

authorized officer of Agents, Lenders, or such other Secured Parties, as applicable, and directed to Applicable Debtors. No failure of any Agent or any other Secured Party to require strict performance by any Applicable Debtor (or by any Trustee) of any provision of this Order will waive, affect, or diminish any right of Agents or any other Secured Party thereafter to demand strict compliance and performance therewith, and no delay on the part of Agents or any other Secured Party in the exercise of any right or remedy under this Order, the Prepetition ABL Documents, the DIP Documents, the Bankruptcy Code, or applicable non-bankruptcy law will preclude the exercise of any right or remedy. Further, this Order does not constitute a waiver by Prepetition ABL Administrative Agent or the other Prepetition Secured Parties of any of their rights under the Prepetition ABL Documents, the Bankruptcy Code, or applicable non-bankruptcy law, including, without limitation, their right to later assert: (a) that any of their interests in the Aggregate Collateral lack adequate protection within the meaning of Bankruptcy Code §§ 362(d) or 363(e) or any other provision thereof or (b) a claim under Bankruptcy Code § 507(b).

23. "Limits on Lender Liability." By taking any actions pursuant to this Order, making any loan under the DIP Credit Agreement, authorizing the use of Cash Collateral, or exercising any rights or remedies available to it under the DIP Documents or this Order, DIP Agent and DIP Lenders shall not: (a) be deemed to be in control of the operations or liquidation of Debtors (e.g. a "controlling person" or "owner or operator"); (b) be deemed to be acting as a "responsible person", with respect to the operation, management or liquidation of Debtors; (c) otherwise cause liability to arise to the federal or state government or the status of responsible person or managing agent to exist under applicable law (as such terms, or any similar terms, are used in the Internal Revenue Code, WARN Act, the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq., as amended, or any similar federal or state statute); or (d) owe any fiduciary duty to any of the Debtors. Furthermore, nothing in this Order shall in any way be construed or interpreted to impose or allow the imposition upon any of DIP Agent or DIP Lenders or, subject to the entry of the Final Order, Prepetition ABL Administrative Agent or Prepetition ABL Lenders, of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code). The foregoing provision of this Paragraph 21 shall not be effective until entry of the Final Order.

24. Release. Without limiting the terms of Paragraph 9(e), upon the date that the Postpetition Debt is Paid in Full and prior to the release of the Postpetition Liens, each Debtor, on behalf of its estate and itself, must execute and deliver to DIP Agent, DIP Lenders, the other Postpetition Secured Parties, and each of their respective successors and assigns, and each of their respective present and former affiliates, shareholders, subsidiaries, divisions, predecessors, members, managers, directors, officers, attorneys, employees, agents, advisors, principals, consultants, and other representatives (collectively, the "Postpetition Releasees"), a general release of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every kind, nature, and description, that Debtors (or any of them) had, have, or hereafter can or may have against the Postpetition Releasees (or any of them), whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, in equity, or otherwise, in respect of events that occurred on or prior to the date on which the Postpetition Debt is Paid in Full.

25. Amendments. Applicable Debtors, DIP Agent and the DIP Lenders required under the DIP Credit Agreement may enter into amendments or modifications of the DIP Documents or the Budget without further notice and hearing or order of this Court; provided, that (a) such modifications or amendments do not materially and adversely affect the rights of any creditor or other party-in-interest and (b) notice of any such amendment or modification is filed with this Court and provided to any Committee and the United States Trustee.

26. Proof of Claim. Neither the Prepetition ABL Administrative Agent nor any of the Prepetition Secured Parties shall be required to file a proof of claim with respect to any of the Prepetition Debt and the stipulations and findings set forth in this Order shall constitute an informal proof of claim in respect thereof. Notwithstanding the foregoing or any subsequent order of Court concerning proof of claim filing requirements, Prepetition ABL Administrative Agent is authorized (but not obligated) to file a single master proof of claim in Case No. 24-11258 on behalf of itself and the Prepetition ABL Lenders on account of their claims arising under the Prepetition ABL Documents and hereunder and such master proof of claim shall be deemed filed as a claim against each of the Debtors.

27. Binding Effect. Except as provided in Paragraph 9 herein, this Order shall be binding on all parties in interest in the Cases and their respective successors and assigns, including any Trustee, except that any Trustee shall have the right to terminate this Order after notice and a hearing. If, in accordance with Bankruptcy Code § 364(e), this Order does not become a final nonappealable order, if a Trustee terminates this Order, or if any of the provisions of the Order are hereafter modified, amended, vacated or stayed by subsequent order of this Court or any other court, such termination or subsequent order shall not affect the validity or enforceability of any Postpetition Debt, Postpetition Liens, the Replacement Liens or the Bankruptcy Code § 507(b) Claims described in Paragraph 4(d) or any other claim, lien, security interest or priority authorized or created hereby or pursuant to the DIP Documents or adequate protection obligations described in Paragraph 4 incurred prior to the actual receipt by the DIP Agent or the Prepetition ABL Administrative Agent, as applicable, of written notice of the effective date of such termination or subsequent order. Notwithstanding any such termination or subsequent order, any use of Cash Collateral or the incurrence of Postpetition Debt, or adequate protection obligations described in Paragraph 4 owing to the Prepetition Secured Parties by the Applicable Debtors prior to the actual receipt by the DIP Agent or Prepetition ABL Administrative Agent, as applicable, of written notice of the effective date of such termination or subsequent order, shall be governed in all respects by the provisions of this Interim Order, and the Prepetition Secured Parties shall be entitled to all of the rights, remedies, protections and benefits granted under Bankruptcy Code § 364(e), this Interim Order, and the DIP Documents with respect to all uses of Cash Collateral and the incurrence of Postpetition Debt and adequate protection obligations described in Paragraph 4 owing to the Prepetition Secured Parties.

28. Survival. The provisions of this Order, and any actions taken pursuant to or in reliance upon the terms hereof, shall survive entry of, and govern in the event of any conflict with, any order which may be entered in the Cases: (a) confirming any chapter 11 plan, (b) converting any Case to a case under chapter 7 of the Bankruptcy Code, (c) dismissing any Case, (d) withdrawing of the reference of any Case from this Court, or (e) providing for abstention from handling or retaining of jurisdiction of any of the Cases in this Court. The terms and provisions of this Order, including, without limitation, the rights granted DIP Agent and Postpetition Secured Parties under Bankruptcy Code §§ 364(c), shall continue in full force and effect until all of the Aggregate Debt is Paid in Full.

DEBTOR-IN-POSSESSION CREDIT AGREEMENT

THIS DEBTOR-IN-POSSESSION CREDIT AGREEMENT, is entered into as of June 12, 2024, by and among the lenders identified on the signature pages hereof (each of such lenders, together with its successors and assigns, is referred to hereinafter as a "Lender", as that term is hereinafter further defined), WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as administrative agent for each member of the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, "Agent"), WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as sole lead arranger (in such capacity, together with its successors and assigns in such capacity, the "Sole Lead Arranger") and as sole book runner (in such capacity, together with its successors and assigns in such capacity, the "Sole Book Runner"), PROJECT KENWOOD INTERMEDIATE HOLDINGS III, LLC, a Delaware limited liability company ("Parent"), and PROJECT KENWOOD ACQUISITION, LLC, a Delaware limited liability company ("Administrative Borrower"; together with each other Subsidiary of Parent that is signatory hereto, each a "Borrower", and individually and collectively, jointly and severally, as the "Borrowers").

WHEREAS, on June 11, 2024 (the "Filing Date"), Parent and Borrowers (each a "Debtor" and collectively, the "Debtors") filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for Delaware (the "Bankruptcy Court");

WHEREAS, the Canadian Loan Parties will be debtors in the Bankruptcy Cases, and, as soon as practicable and in any event, within 3 Business Days following entry of the Interim Financing Order, or as soon as possible in the circumstances thereafter, Parent (or another Loan Party acceptable to Agent), in its capacity as foreign representative on behalf of the Loan Parties (the "Foreign Representative"), will commence a recognition proceeding under Part IV of the CCAA in the Ontario Superior Court of Justice (Commercial List) (the "Canadian Court") to recognize the Bankruptcy Cases as "foreign main proceedings" (the "Recognition Proceedings");

WHEREAS, the Debtors are continuing to operate their businesses and manage their properties as debtors-in-possession under Sections 1107 and 1108 of the Bankruptcy Code and the applicable sections of the CCAA;

WHEREAS, Borrowers have requested that Lenders provide a secured revolving credit facility to Borrowers in order to (i) fund the continued operation of Borrowers' businesses as debtor and debtor-in-possession under the Bankruptcy Code and the CCAA during the pendency of the Bankruptcy Cases and the Recognition Proceedings and (ii) repay in part or in full the Existing Secured Obligations (as hereinafter defined); and

WHEREAS, the Lenders are willing to make available to Borrowers such postpetition loans, other extensions of credit and financial accommodations upon the terms and subject to the conditions set forth herein.

The parties hereto hereby agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 Definitions. Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1.

1.2 Accounting Terms. All accounting terms not specifically defined herein shall be construed in accordance with GAAP; provided that, if Borrowers notify Agent that Borrowers request an amendment to any provision hereof to eliminate the effect of any Accounting Change occurring after the Closing Date or in the application thereof on the operation of such provision (or if Agent notifies Borrowers that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such Accounting Change or in the application thereof, then Agent and Borrowers agree that they will negotiate in good faith amendments to the provisions of this Agreement that are directly affected by such Accounting Change with the intent of having the respective positions of the Lenders and Borrowers after such Accounting Change conform as nearly as possible to their respective positions immediately before such Accounting Change took effect and, until any such amendments have been agreed upon and agreed to by the Required Lenders, the provisions in this Agreement shall be calculated as if no such Accounting Change had occurred. Notwithstanding the foregoing or any other provision in the Loan Documents to the contrary, all leases treated as operating leases for purposes of GAAP on December 19, 2018 shall continue to be accounted for as operating leases hereunder, including for purposes of the definition of "Capitalized Lease Obligations", regardless of any Accounting Changes after such date. When used herein, the term "financial statements" shall include the notes and schedules thereto. Whenever the term "Administrative Borrower" is used in respect of a financial covenant or a related definition, it shall be understood to mean Administrative Borrower and its Subsidiaries on a consolidated basis, unless the context clearly requires otherwise. Notwithstanding anything to the contrary contained herein, (a) all financial statements delivered hereunder shall be prepared, and all financial covenants contained herein shall be calculated, without giving effect to any election under the Statement of Financial Accounting Standards Board's Accounting Standards Codification Topic 825 (or any similar accounting principle) permitting a Person to value its financial liabilities or Indebtedness at the fair value thereof, and (b) the term "unqualified opinion" as used herein to refer to opinions or reports provided by accountants shall mean an opinion or report that is (i) unqualified, and (ii) does not include any explanation, supplemental comment, or other comment concerning the ability of the applicable Person to continue as a going concern or concerning the scope of the audit.

1.3 Code; PPSA; CCQ. Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, that (i) to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern and (ii) any such terms used in this Agreement that are defined in the PPSA or CCQ, shall have the meanings ascribed to such terms in the PPSA or CCQ, as the case may be, when used in relation to Collateral subject to the PPSA or CCQ, as the case may be.

1.4 Construction.

(a) Unless the context of this Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or". The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Agreement or any other Loan Document refer to this Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties. Any reference herein to any Person shall be construed to include such Person's successors and permitted assigns. All references to statutes and related regulations shall include any amendments of the same and any successor statutes and regulations. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record.

(b) Any reference herein or in any other Loan Document to the satisfaction, repayment, or payment in full of the Obligations shall mean (a) the payment or repayment in full in immediately available funds of (i) the principal amount of, and interest accrued and unpaid with respect to, all outstanding Loans and "Loans" (as defined in the Existing Credit Agreement), together with the payment of any premium applicable to the repayment of the Loans and "Loans" (as defined in the Existing Credit Agreement), (ii) all Lender Group Expenses and "Lender Group Expenses" (as defined in the Existing Credit Agreement) that have accrued and are unpaid regardless of whether demand has been made therefor, (iii) all fees or charges that have accrued hereunder or under any other Loan Document or Existing Loan Document and are unpaid, (b) in the case of contingent reimbursement obligations with respect to Letters of Credit or Existing Letters of Credit, providing Letter of Credit Collateralization and "Letter of Credit Collateralization" (as defined in the Existing Credit Agreement), (c) in the case of obligations with respect to Bank Products (other than Hedge Obligations) and "Bank Products" (other than "Hedge Obligations") (each as defined in the Existing Credit Agreement), providing Bank Product Collateralization and "Bank Product Collateralization" (as defined in the Existing Credit Agreement), (d) the receipt by Agent of cash collateral in order to secure any other contingent Obligations or Existing Secured Obligations for which a claim or demand for payment has been made on or prior to such time or that Agent reasonably expects will be made or in respect of matters or circumstances known to Agent, a Lender, Existing Agent or an Existing Lender at such time that are reasonably expected to result in any loss, cost, damage, or expense (including attorneys' fees and legal expenses), such cash collateral to be in such amount as Agent reasonably determines is appropriate to secure such contingent Obligations, (e) the payment or repayment in full in immediately available funds of all other outstanding Obligations and Existing Secured Obligations (including the payment of any termination amount then applicable (or which would or could become applicable as a result of the repayment of the other Obligations or Existing Secured

Obligations) under Hedge Agreements provided by Hedge Providers and "Hedge Agreements" (as defined in the Existing Credit Agreement) provided by "Hedge Providers" (as defined in the Existing Credit Agreement)) other than in each case of clauses (a) to (e) hereof, (i) unasserted contingent indemnification Obligations, (ii) any Bank Product Obligations (other than Hedge Obligations) that, at such time, are allowed by the applicable Bank Product Provider to remain outstanding without being required to be repaid or cash collateralized, and (iii) any Hedge Obligations that, at such time, are allowed by the applicable Hedge Provider to remain outstanding without being required to be repaid, and (f) the termination of all of the Revolver Commitments of the Lenders. Any reference herein to any Person shall be construed to include such Person's permitted successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record.

(c) For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

1.5 Time References. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, all references to time of day refer to Pacific standard time or Pacific daylight saving time, as in effect in Los Angeles, California on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and including"; provided, that with respect to a computation of fees or interest payable to Agent or any Lender, such period shall in any event consist of at least one full day.

1.6 Schedules and Exhibits. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

1.8 Intentionally Omitted.

1.9 Intentionally Omitted.

1.10 Currency Matters. Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agent and the Lenders shall be payable in Dollars. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in currencies other than Dollars shall be converted to the Equivalent Amount of Dollars on the date of calculation, comparison, measurement or determination. Unless expressly provided otherwise, where a reference is made to a Dollar amount, the amount is to be considered as the amount in Dollars and, therefore, each other currency shall be converted into the Equivalent Amount thereof in Dollars. If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

2. LOANS AND TERMS OF PAYMENT.

2.1 Revolving Loans.

(a) Subject to the terms and conditions of this Agreement and subject to the terms and conditions of the Financing Order, and during the term of this Agreement, each Revolving Lender agrees (severally, not jointly or jointly and severally) to make revolving loans ("Revolving Loans") in Dollars to Borrowers in an aggregate amount at any one time outstanding not to exceed the lesser of:

(i) such Lender's Revolver Commitment,

(ii) such Lender's Pro Rata Share of an amount equal to (1) the Maximum Revolver Amount less (2) the sum of (y) the Letter of Credit Usage at such time, plus (z) the principal amount of Swing Loans outstanding at such time, less (3) the principal amount of any Reinstated Existing Secured Obligations less (4) the principal amount of Existing Secured Obligations then outstanding, and

(iii) for any calendar week, one hundred and ten percent of the aggregate uses of cash for such week set forth in the Approved Budget.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Revolving Loans, together with interest accrued and unpaid thereon, shall constitute Obligations and shall be due and payable on the Maturity Date or, if earlier, on the date on which they otherwise become due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation) at any time, in the exercise of its Permitted Discretion, to establish and increase or decrease Reserves against the Maximum Revolver Amount, in its Permitted Discretion. The amount of any Reserve established by Agent shall have a reasonable relationship to the event, condition, other circumstance, or fact that is the basis for such reserve or and shall not be duplicative of any other reserve established and currently maintained.

(d) On the Carveout Termination Date, Lenders will provide Revolving Loans to Borrowers in an amount equal to the remaining Carveout amount plus \$250,000 (to be used for the sole purpose of funding the applicable professionals after the Carveout Termination Date).

(e) On the Maturity Date due to the occurrence of clause (b) of such definition, Lenders will provide Revolving Loans to Borrowers in an amount not to exceed the amount of expenses in the Approved Budget after such date.

2.2 [Intentionally Omitted].

2.3 Borrowing Procedures and Settlements.

(a) Procedure for Borrowing Revolving Loans. Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered through Agent's electronic platform or portal) and received by Agent no later than 11:00 a.m. (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, and (ii) on the Business Day that is one Business Day prior to the requested Funding Date in the case of a request for a Loan, specifying (A) the amount of such Borrowing, (B) the requested Funding Date (which shall be a Business Day) and (C) the expenses enumerated in the Approved Budget to be paid with the proceeds of such Borrowing; provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 11:00 a.m. on the applicable Business Day or U.S. Government Securities Business Day, as applicable. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowing shall not be made until the completion of) Agent's authentication process (with results satisfactory to Agent) prior to the funding of any such requested Borrowing.

(b) Making of Swing Loans. In the case of a request for a Revolving Loan as a Swing Loan and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, minus all payments or other amounts applied to Swing Loans since the last Settlement Date, plus the amount of the requested Swing Loan does not exceed \$20,000,000, or (ii) Swing Lender, in its sole discretion, agrees to make a Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a Revolving Loan (any such Revolving Loan made by Swing Lender pursuant to this Section 2.3(b) being referred to as a "Swing Loan" and all such Revolving Loans being referred to as "Swing Loans") available to Borrowers on the Funding Date applicable thereto by transferring immediately available funds in the amount of such requested Borrowing to the Designated Account. Each Swing Loan shall be deemed to be a Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3 (including, without limitation, the condition precedent set forth in the final paragraph of Section 3.2 hereof)) applicable to other Revolving Loans, except that all payments (including interest) on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make and shall not be obligated to make any Swing Loan if Swing Lender has actual knowledge that (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (2) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The Swing Loans shall be secured by Agent's Liens, constitute Revolving Loans and Obligations, and bear interest at the rate applicable from time to time to Revolving Loans.

(c) Making of Revolving Loans.

(i) In the event that Swing Lender is not obligated to make a Swing Loan, then after receipt of a request for a Borrowing pursuant to Section 2.3(a)(i), Agent shall notify the Lenders by telecopy, telephone, email, or other electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business

Day or U.S. Government Securities Business Day, as applicable, that is at least one Business Day prior to the requested Funding Date. If Agent has notified the Lenders of a requested Borrowing on the Business Day that is one Business Day prior to the Funding Date, then each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, not later than 10:00 a.m. on the Business Day that is the requested Funding Date. After Agent's receipt of the proceeds of such Revolving Loans from the Lenders, Agent shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Account; provided that, subject to the provisions of Section 2.3(d)(ii), no Lender shall have an obligation to make any Revolving Loan, if (1) one or more of the applicable conditions precedent set forth in Section 3 (including, without limitation, the condition precedent set forth in the final paragraph of Section 3.2 hereof) will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (2) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers a corresponding amount. If, on the requested Funding Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrowers such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrowers such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Defaulting Lender Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.3(c)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Revolving Loan for all purposes of this Agreement. If such amount is not made available to Agent by such Lenders on the Business Day following the Funding Date, Agent will notify Administrative Borrower of such failure to fund, and upon demand by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal

to the interest rate applicable at the time to the Revolving Loans composing such Borrowing.

(d) Protective Advances and Optional Overadvances.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), at any time (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, Agent hereby is authorized by Borrowers and the Lenders, from time to time, in Agent's sole discretion, to make Revolving Loans to, or for the benefit of, Borrowers, on behalf of the Revolving Lenders, that Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (the Revolving Loans described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"), or (3) to pay any other amount chargeable to Borrowers pursuant to the terms of this Agreement, including Lender Group Expenses and the costs, fees and expenses described in Section 9 hereof. Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed 10% of the Maximum Revolver Amount (or if the Maximum Revolver Amount is reduced to zero, the amount of the Maximum Revolver Amount immediately prior to such reduction).

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Revolving Loans (including Swing Loans) to Borrowers notwithstanding that an Overadvance exists or would be created thereby, so long as, subject to Section 2.3(d)(iv) below, after giving effect to such Revolving Loans, the outstanding Revolver Usage (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) does not exceed the Maximum Revolver Amount. In the event Agent obtains actual knowledge that the Revolver Usage exceeds the amounts permitted by the immediately foregoing provisions, regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders with Revolver Commitments thereupon shall, together with Agent, jointly determine the terms of arrangements that shall be implemented with Borrowers intended to reduce, within a reasonable time, the outstanding principal amount of the Revolving Loans to Borrowers to an amount permitted by the preceding sentence. In such circumstances, if any Lender with a Revolver Commitment objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. The foregoing provisions are

meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Section 2.4(e)(i). Each Lender with a Revolver Commitment shall be obligated to settle with Agent as provided in Section 2.3(e) (or Section 2.3(g), as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent reported to such Lender, any intentional Overadvances made as permitted under this Section 2.3(d)(ii), and any Overadvances resulting from the charging to the Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be a Revolving Loan hereunder, except that prior to Settlement therefor, all payments on the Extraordinary Advances shall be payable to Agent solely for its own account. The Extraordinary Advances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans. The provisions of this Section 2.3(d) are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrowers (or any other Loan Party) in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: (A) no Extraordinary Advance may be made by Agent if such Extraordinary Advance would cause the aggregate principal amount of Extraordinary Advances outstanding to exceed an amount equal to 10% of the Maximum Revolver Amount in effect at the time such Extraordinary Advance is made, and (B) to the extent that the making of any Extraordinary Advance causes the aggregate Revolver Usage to exceed the Maximum Revolver Amount, such portion of such Extraordinary Advance shall be for Agent's sole and separate account and not for the account of any Lender and shall be entitled to priority in repayment in accordance with Section 2.4(b).

(e) Settlement. It is agreed that each Lender's funded portion of the Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Revolving Loans. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Revolving Loans, the Swing Loans, and the Extraordinary Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent in its sole discretion (1) on behalf of Swing Lender, with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to Borrowers' or any of their Subsidiaries' payments or other amounts received from such Persons, as to each by notifying the Lenders by telecopy, telephone, or other similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the "Settlement Date"). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans, Swing Loans, and Extraordinary Advances for the period since the prior Settlement Date.

Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the Revolving Loans (including Swing Loans and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances), and (z) if the amount of the Revolving Loans (including Swing Loans, and Extraordinary Advances) made by a Lender is less than such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent's Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans and Extraordinary Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans or Extraordinary Advances and, together with the portion of such Swing Loans or Extraordinary Advances representing Swing Lender's Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender's balance of the Revolving Loans, Swing Loans, and Extraordinary Advances is less than, equal to, or greater than such Lender's Pro Rata Share of the Revolving Loans, Swing Loans, and Extraordinary Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrowers and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Extraordinary Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Extraordinary Advances or Swing Loans. Between Settlement Dates, Agent, to the extent no Extraordinary Advances or Swing Loans are outstanding, may pay over to Swing Lender any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Swing Lender's Pro Rata Share of the Revolving Loans. If, as of any Settlement Date, payments or other amounts of Parent or its Subsidiaries received since the then immediately preceding Settlement Date have been applied to Swing Lender's Pro Rata Share of the Revolving Loans other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting

Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Extraordinary Advances, and each Lender with respect to the Revolving Loans other than Swing Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this Section 2.3(e) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(f) Notation. Agent, as a non-fiduciary agent for Borrowers, shall maintain a register showing the principal amount of the Revolving Loans, owing to each Lender, including the Swing Loans owing to Swing Lender, and Extraordinary Advances owing to Agent, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(g) Defaulting Lenders.

(i) Notwithstanding the provisions of Section 2.4(b)(iii), Agent shall not be obligated to transfer to a Defaulting Lender any payments made by Borrowers to Agent for such Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to Agent to the extent of any Extraordinary Advances that were made by Agent and that were required to be, but were not, paid by such Defaulting Lender to Agent, (B) second, to Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, paid by the Defaulting Lender, (C) third, to Issuing Bank, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, paid by the Defaulting Lender, (D) fourth, to each Non-Defaulting Lender ratably in accordance with their Revolver Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of a Revolving Loan (or other funding obligation) was funded by such other Non-Defaulting Lender), (E) fifth, in Agent's sole discretion, to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrowers (upon the request of Borrowers and subject to the conditions set forth in Section 3.2) as if such Defaulting Lender had made its portion of Revolving Loans (or other funding obligations) hereunder, and (F) sixth, from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (N) of Section 2.4(b)(iii). Subject to the foregoing, Agent may hold and, in its discretion, re-lend to Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the

Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fee payable under Section 2.10(b), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Revolver Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Sections 14.1(a)(i) through 14.1(a)(iii). The provisions of this Section 2.3(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, Agent, Issuing Bank, and Borrowers shall have waived, in writing, the application of this Section 2.3(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by Agent pursuant to Section 2.3(g)(ii) shall be released to Borrowers). The operation of this Section 2.3(g) shall not be construed to increase or otherwise affect the Revolver Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to Agent, Issuing Bank, or to the Lenders other than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle Borrowers, at their option, upon written notice to Agent, to arrange for a substitute Lender to assume the Revolver Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than Bank Product Obligations, but including (1) all interest, fees, and other amounts that may then be due and payable in respect thereof, and (2) an assumption of its Pro Rata Share of its participation in the Letters of Credit); provided, that any such assumption of the Revolver Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.3(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.3(g) shall control and govern.

(ii) If any Swing Loan or Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender then:

(A) such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure shall be reallocated among the Non-Defaulting Lenders in

accordance with their respective Pro Rata Shares but only to the extent (x) the sum of all Non-Defaulting Lenders' Revolving Loan Exposures plus such Defaulting Lender's Swing Loan Exposure and Letter of Credit Exposure does not exceed the total of all Non-Defaulting Lenders' Revolver Commitments, and (y) the conditions set forth in Section 3.2 are satisfied at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one Business Day following notice by the Agent (x) first, prepay such Defaulting Lender's Swing Loan Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), and (y) second, cash collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (A) above), pursuant to a cash collateral agreement to be entered into in form and substance reasonably satisfactory to the Agent, for so long as such Letter of Credit Exposure is outstanding; provided, that Borrowers shall not be obligated to cash collateralize any Defaulting Lender's Letter of Credit Exposure if such Defaulting Lender is also the Issuing Bank;

(C) if Borrowers cash collateralize any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to this Section 2.3(g)(ii), Borrowers shall not be required to pay any Letter of Credit Fees to Agent for the account of such Defaulting Lender pursuant to Section 2.6(b) with respect to such cash collateralized portion of such Defaulting Lender's Letter of Credit Exposure during the period such Letter of Credit Exposure is cash collateralized;

(D) to the extent the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.3(g)(ii), then the Letter of Credit Fees payable to the Non-Defaulting Lenders pursuant to Section 2.6(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Letter of Credit Exposure;

(E) to the extent any Defaulting Lender's Letter of Credit Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.3(g)(ii), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all Letter of Credit Fees that would have otherwise been payable to such Defaulting Lender under Section 2.6(b) with respect to such portion of such Letter of Credit Exposure shall instead be payable to the Issuing Bank until such portion of such Defaulting Lender's Letter of Credit Exposure is cash collateralized or reallocated;

(F) so long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to make any Swing Loan and the Issuing Bank shall not be required to issue, amend, or increase any Letter of Credit, in each case, to the extent (x) the Defaulting Lender's Pro Rata Share of such Swing Loans or Letter of Credit cannot be reallocated pursuant to this Section 2.3(g)(ii), or (y) the Swing Lender or Issuing Bank, as applicable, has not otherwise entered into arrangements reasonably satisfactory to the Swing Lender or Issuing Bank, as applicable, and

Borrowers to eliminate the Swing Lender's or Issuing Bank's risk with respect to the Defaulting Lender's participation in Swing Loans or Letters of Credit; and

(G) Agent may release any cash collateral provided by Borrowers pursuant to this Section 2.3(g)(ii) to the Issuing Bank and the Issuing Bank may apply any such cash collateral to the payment of such Defaulting Lender's Pro Rata Share of any Letter of Credit Disbursement that is not reimbursed by Borrowers pursuant to Section 2.11(d). Subject to Section 17.14, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(h) Independent Obligations. All Revolving Loans (other than Swing Loans and Extraordinary Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loan (or other extension of credit) hereunder, nor shall any Revolver Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.4 Payments; Reductions of Commitments; Prepayments.

(a) Payments by Borrowers.

(i) Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds, no later than 1:30 p.m. on the date specified herein; provided that, for the avoidance of doubt, any payments deposited into a Controlled Account (as defined in the Guaranty and Security Agreement) shall be deemed not to be received by Agent on any Business Day unless immediately available funds have been credited to Agent's Account prior to 1:30 p.m. on such Business Day. Any payment received by Agent in immediately available funds in Agent's Account later than 1:30 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrowers prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers do not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such

Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(b) Apportionment and Application.

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account or for the separate account of Issuing Bank) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Revolver Commitment or Obligation to which a particular fee or expense relates.

(ii) Subject to Sections 2.4(b)(v) and 2.4(f) and the terms of the Financing Order, all payments to be made hereunder by Borrowers shall be remitted to Agent and all such payments, and all proceeds of Collateral received by Agent, shall be applied, so long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, first, to reduce the balance of the Existing Secured Obligations in the manner set forth in the Existing Credit Agreement, second, to reduce the balance of the Revolving Loans outstanding and, thereafter, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iii) Subject to the terms of the Financing Order, at any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(A) first, to reduce the balance of the Existing Secured Obligations in the manner set forth in the Existing Credit Agreement;

(B) second, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the Loan Documents, until paid in full and to pay interest and principal on Extraordinary Advances that are held solely by Agent pursuant to the terms of Section 2.3(d)(iv), until paid in full,

(C) third, to pay any fees or premiums then due to Agent under the Loan Documents, until paid in full,

(D) fourth, to pay interest due in respect of all Protective Advances, until paid in full,

(E) fifth, to pay the principal of all Protective Advances, until paid in full,

(F) sixth, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the Loan Documents, until paid in full,

(G) seventh, ratably, to pay any fees or premiums then due to any of the Lenders under the Loan Documents, until paid in full,

(H) eighth, to pay interest accrued in respect of the Swing Loans, until paid in full,

(I) ninth, to pay the principal of all Swing Loans, until paid in full,

(J) tenth, ratably, to pay interest accrued in respect of the Revolving Loans (other than Protective Advances), until paid in full,

(K) eleventh, ratably,

i. to pay the principal of all Revolving Loans (other than Protective Advances), until paid in full,

ii. (1) to Agent, to be held by Agent, for the benefit of Issuing Bank (and for the ratable benefit of each of the Lenders that have an obligation to pay to Agent, for the account of Issuing Bank, a share of each Letter of Credit Disbursement), as cash collateral in an amount up to 105% of the Letter of Credit Usage (to the extent permitted by applicable law, such cash collateral shall be applied to the reimbursement of any Letter of Credit Disbursement as and when such disbursement occurs and, if a Letter of Credit expires undrawn, the cash collateral held by Agent in respect of such Letter of Credit shall, to the extent permitted by applicable law, be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), and (2) in the amount (after taking into account any amounts previously paid pursuant to this clause "ii(2)" during the continuation of the applicable Application Event) of the most recently established Bank Product Reserve, (I) to the Bank Product Providers based upon amounts then certified by the applicable Bank Product Provider to Agent (in form and substance satisfactory to Agent) to be due and payable to such Bank Product Providers on account of Bank Product Obligations, and (II) with any balance to be paid to Agent, to be held by Agent, for the benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment

or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(L) twelfth, ratably, to pay any other Obligations other than Obligations owed to Defaulting Lenders (including being paid, ratably, to the Bank Product Providers on account of all amounts then due and payable in respect of Bank Product Obligations), with any balance to be paid to Agent, to be held by Agent, for the ratable benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.4(b)(iii), beginning with tier (A) hereof), until paid in full,

(M) thirteenth, ratably, to pay any Obligations owed to Defaulting Lenders, until paid in full, and

(N) fourteenth, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iv) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided in Section 2.3(e).

(v) In each instance, so long as no Application Event has occurred and is continuing, Section 2.4(b)(ii) shall not apply to any payment made by Borrowers to Agent and specified by Borrowers to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document.

(vi) For purposes of Section 2.4(b)(iii), "paid in full" of a type of Obligation means payment in cash or immediately available funds of all amounts owing on account of such type of Obligation, including interest accrued after the commencement of any Insolvency Proceeding, default interest, interest on interest, and expense reimbursements, irrespective of whether any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(vii) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.3(g) and this Section 2.4, then the provisions of Section 2.3(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.4 shall control and govern.

(c) Reduction of Revolver Commitments. The Revolver Commitments shall terminate on the Maturity Date or earlier termination thereof pursuant to the terms of this Agreement. Upon five Business Days' prior written notice, Borrowers may reduce the Revolver Commitments, without premium or penalty, to an amount (which may be zero) not less than the sum of (i) the Revolver Usage as of such date, plus (ii) the principal amount of all Revolving Loans not yet made as to which a request has been given by Borrowers under Section 2.3(a), plus (iii) the amount of all Letters of Credit not yet issued as to which a request has been given by Borrowers pursuant to Section 2.11(a). Each such reduction shall be in an amount which is not less than \$10,000,000 (unless the Revolver Commitments are being reduced to zero and the amount of the Revolver Commitments in effect immediately prior to such reduction are less than \$10,000,000), shall be made by providing not less than 10 Business Days (or such shorter period of time as is acceptable to Agent) prior written notice by Administrative Borrower to Agent, and shall be irrevocable, except to the extent delivered in connection with a refinancing of the Obligations or other event, in which case such notice shall not be irrevocable until such refinancing or other event is consummated. Once reduced, the Revolver Commitments may not be increased. Each such reduction of the Revolver Commitments shall reduce the Revolver Commitments of each Lender proportionately in accordance with its ratable share thereof. In connection with any reduction in the Revolver Commitments prior to the Maturity Date, if any Loan Party or any of its Subsidiaries owns any Margin Stock, Borrowers shall deliver to Agent an updated Form U-1 (with sufficient additional originals thereof for each Lender), duly executed and delivered by the Borrowers, together with such other documentation as Agent shall reasonably request, in order to enable Agent and the Lenders to comply with any of the requirements under Regulations T, U or X of the Board of Governors.

(d) Optional Prepayments. Borrowers may prepay the principal of any Revolving Loan at any time in whole or in part, in accordance with Section 2.4(b)(ii), and any such prepayment pursuant to this Section 2.4(d) shall not result in a reduction of the Maximum Revolver Amount or any Revolver Commitments.

(e) Mandatory Prepayments.

(i) Maximum Revolver Amount. If, at any time, (A) the Revolver Usage on such date exceeds (B) the Maximum Revolver Amount, as adjusted for Reserves established by Agent in accordance with Section 2.1(c), then Borrowers shall immediately prepay the Obligations in accordance with Section 2.4(f) in an aggregate amount equal to the amount of such excess.

(ii) Dispositions. In addition to mandatory prepayments pursuant to the foregoing clause (i), within three Business Days following each date on or after the Closing Date upon which any Borrower receives any Net Cash Proceeds from any sale of Collateral (other than any disposition pursuant to any of clauses (b), (c), (d), (f) and (g) of the definition of "Permitted Dispositions"), or from any policy of insurance as a result of a Casualty Event with respect to the loss of, any asset, Borrower shall prepay, without premium or penalty, the Obligations (which shall not, for the avoidance of doubt, result in any reduction in the Maximum Revolver Amount or any Revolver Commitments) in accordance with Section 2.4(b)(ii) in an aggregate amount equal to such Net Cash Proceeds. Nothing contained in this Section 2.4(e)(ii) shall permit Parent or its Subsidiaries to sell or otherwise dispose of any assets other than in accordance with Section 6.4.

(iii) Disgorgement. In the event that Existing Agent or any of the Existing Lenders are required to repay or disgorge to Debtors or any representatives of the Debtors' estate (as agents, with derivative standing or otherwise) all or any portion of the Existing Secured Obligations authorized and directed to be repaid pursuant to the Financing Order, or any payment on account of the Existing Secured Obligations made to Existing Agent or any Existing Lender is rescinded for any reason whatsoever, including, but not limited to, as a result of any Avoidance Action, or any other action, suit, proceeding or claim brought under any other provision of any applicable Bankruptcy Code or any applicable state or provincial law, or any other similar provisions under any other state, federal or provincial statutory or common law (all such amounts being hereafter referred to as the "Avoided Payments"), then, in such event, Borrowers shall prepay the outstanding principal amount of the Revolving Loans in an amount equal to 100% of such Avoided Payments immediately upon receipt of the Avoided Payments by Debtors or any representative of the Debtors' estate.

(iv) Extraordinary Receipts. Within one Business Day of the date of receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of such Extraordinary Receipts, net of any reasonable expenses incurred in collecting such Extraordinary Receipts.

(v) Indebtedness. Within one Business Day of the date of incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such incurrence. The provisions of this Section 2.4(e)(v) shall not be deemed to be implied consent to any such incurrence otherwise prohibited by the terms of this Agreement.

(vi) Equity. Within one Business Day of the date of the issuance by any Loan Party or any of its Subsidiaries of any Equity Interests (other than (A) in the event that any Loan Party or any of its Subsidiaries forms any Subsidiary in accordance with the terms hereof, the issuance by such Subsidiary of Equity Interests to such Loan

Party or such Subsidiary, as applicable, (B) the issuance of Equity Interests by Parent to any Person that is an equity holder of Parent prior to such issuance (a "Subject Holder") so long as such Subject Holder did not acquire any Equity Interests of Parent so as to become a Subject Holder concurrently with, or in contemplation of, the issuance of such Equity Interests to such Subject Holder, (C) the issuance of Equity Interests of Parent to directors, officers and employees of Parent and its Subsidiaries pursuant to employee stock option plans (or other employee incentive plans or other compensation arrangements) approved by the Board of Directors, and (D) the issuance of Equity Interests by a Subsidiary of a Loan Party to its parent or member in connection with the contribution by such parent or member to such Subsidiary of the proceeds of an issuance described in clauses (A) through (C) above), Borrowers shall prepay the outstanding principal amount of the Obligations in accordance with Section 2.4(b)(ii) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such issuance. The provisions of this Section 2.4(e)(vi) shall not be deemed to be implied consent to any such issuance otherwise prohibited by the terms of this Agreement.

(f) Application of Payments. Each prepayment pursuant to Section 2.4(e) shall be applied in the manner set forth in Section 2.4(b)(iii).

2.5 Promise to Pay.

(a) Borrowers agree to pay the Lender Group Expenses on the earlier of (i) the first day of the month following the date on which the applicable Lender Group Expenses were first incurred, or (ii) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (ii)). Borrowers promise to pay all of the Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) in full on the Maturity Date or, if earlier, on the date on which the Obligations (other than the Bank Product Obligations) become due and payable pursuant to the terms of this Agreement. Borrowers agree that their obligations contained in the first sentence of this Section 2.5(a) shall survive payment or satisfaction in full of all other Obligations.

(b) The Revolving Loans (including Swing Loans) made by each Lender are evidenced by this Agreement.

2.6 Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations.

(a) Interest Rates. Except as provided in Section 2.6(c), all Obligations (except for undrawn Letters of Credit) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest at a per annum rate equal to the Base Rate plus the Applicable Margin in effect from time to time applicable to Revolving Loans.

(b) Letter of Credit Fee. Borrowers shall pay Agent (for the ratable benefit of the Revolving Lenders), a Letter of Credit fee (the "Letter of Credit Fee") (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.11(k)) that shall accrue at a per annum rate equal to the Applicable Margin from time to

time used to determine the interest rate on Revolving Loans pursuant to Section 2.6(a)(i) times the average amount of Letter of Credit Usage during the immediately preceding month.

(c) Default Rate. Upon the occurrence and during the continuation of an Event of Default, subject to the Interest Act (Canada):

(i) all Obligations (other than the Letter of Credit Fee) consisting of principal, interest and fees shall bear interest at a per annum rate equal to 2.00 percentage points above the per annum rate otherwise applicable thereunder, and

(ii) the Letter of Credit Fee shall be increased to 2.00 percentage points above the per annum rate otherwise applicable thereto.

(d) Payment. Except to the extent provided to the contrary in Section 2.10 or Section 2.11(k), (i) all interest and all other fees payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each month (or, in the case of any Letter of Credit Fees, the first Business Day of such month), and (ii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all Lender Group Expenses shall be due and payable on (x) with respect to Lender Group Expenses outstanding as of the Closing Date, the Closing Date, and (y) otherwise, the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred, and (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Borrowers hereby authorize Agent, from time to time without prior notice to Borrowers, to charge to the Loan Account (A) on the first day of each month, all interest accrued during the prior month on the Revolving Loans hereunder, (B) on the first Business Day of each month, all unpaid Letter of Credit Fees accrued or chargeable hereunder during the prior month, (C) as and when incurred or accrued, all fees and costs provided for in Section 2.10(a) or (c), (D) on the first day of each month, the Unused Line Fee accrued during the prior month pursuant to Section 2.10(b), (E) as and when due and payable, all other fees payable hereunder or under any of the other Loan Documents, (F) on the Closing Date and thereafter as and when incurred or accrued, all other Lender Group Expenses, and (G) as and when due and payable all other payment obligations payable under any Loan Document or any Bank Product Agreement (including any amounts due and payable to the Bank Product Providers in respect of Bank Products). All amounts (including interest, fees, costs, expenses, Lender Group Expenses, or other amounts payable hereunder or under any other Loan Document or under any Bank Product Agreement) charged to the Loan Account shall thereupon constitute Revolving Loans hereunder, shall constitute Obligations hereunder, and shall initially accrue interest at the rate then applicable to Revolving Loans.

(e) Computation. All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(f) Intent to Limit Charges to Maximum Lawful Rate. In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrowers and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, Borrowers are and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(g) [Intentionally Omitted].

(h) If any provision of this Agreement or of any of the other Loan Documents would obligate a Canadian Loan Party to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (i) first, by reducing the amount or rate of interest required to be paid by such Canadian Loan Party to such Lender pursuant to this Agreement, and (ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by such Canadian Loan Party to such Lender which would constitute "interest" for purposes of Section 347 of the Criminal Code (Canada). Any amount or rate of interest referred to in this Section 2.6(h) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan or other amount remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Agent shall be conclusive for the purposes of such determination.

(i) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively. EACH CANADIAN BORROWER FOR AND ON BEHALF OF ITSELF AND EACH CANADIAN GUARANTOR CONFIRMS THAT IT FULLY UNDERSTANDS AND IS ABLE TO CALCULATE THE RATES OF INTEREST APPLICABLE UNDER THE LOAN DOCUMENTS BASED ON THE METHODOLOGY FOR CALCULATING PER ANNUM RATES PROVIDED FOR IN THIS AGREEMENT. Agent agrees that, if requested in writing by a Canadian Borrower, it will calculate the nominal and effective per annum rate of interest on any Loan or other amount outstanding hereunder at the time

of such request and provide such information to such Canadian Borrower promptly following such request, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve any Canadian Borrower or any Canadian Guarantor of any of its obligations under this Agreement or any other Loan Document, nor result in any liability of Agent or any Lender.

2.7 Crediting Payments. The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrowers shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 1:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 Designated Account. Agent is authorized to make the Revolving Loans, and Issuing Bank is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.6(d). Borrowers agree to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the proceeds of the Revolving Loans requested by Borrowers and made by Agent or the Lenders hereunder. Unless otherwise agreed by Agent and Borrowers, any Revolving Loan or Swing Loan requested by Borrowers and made by Agent or the Lenders hereunder shall be made to the Designated Account.

2.9 Maintenance of Loan Account; Statements of Obligations. Agent shall maintain an account on its books in the name of Borrowers (the "Loan Account") on which Borrowers will be charged with all Revolving Loans (including Extraordinary Advances and Swing Loans) made by Agent, Swing Lender, or the Lenders to Borrowers or for Borrowers' account, the Letters of Credit issued or arranged by Issuing Bank for Borrowers' account, and with all other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and Lender Group Expenses. In accordance with Section 2.7, the Loan Account will be credited with all payments received by Agent from Borrowers or for Borrowers' account. Agent shall make available to Borrowers monthly statements regarding the Loan Account, including the principal amount of the Revolving Loans, interest accrued hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses constituting Lender Group Expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrowers and the Lender Group unless, within 30 days after Agent first makes such a statement available to Borrowers, Borrowers shall deliver to Agent written objection thereto describing the error or errors contained in such statement.

2.10 Fees.

(a) Agent Fees. Borrowers shall pay to Agent, for the account of Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) Unused Line Fee. Borrowers shall pay to Agent, for the ratable account of the Revolving Lenders, an unused line fee (the "Unused Line Fee") in an amount equal to the Applicable Unused Line Fee Percentage per annum times the result of (i) the Maximum Revolver Amount, minus (ii) the average amount of the Revolver Usage during the immediately preceding month (or portion thereof), which Unused Line Fee shall be due and payable, in arrears, on the first day of each month from and after the Closing Date up to the first day of the month prior to the date on which the Obligations are paid in full and on the date on which the Obligations are paid in full.

(c) Field Examination and Other Fees. Borrowers shall pay to Agent field examination, appraisal, and valuation fees and charges when due and payable in accordance with Section 2.6(d), in connection with any inspections permitted by Section 5.7 (subject to clause (b) thereof), which fees and charges shall be as follows: (i) a per diem fee at Wells Fargo's standard rate, per examiner, plus out-of-pocket expenses (including travel, meals, and lodging) for each field examination of any Borrower performed by or on behalf of Agent, and (ii) the fees, charges or expenses paid or incurred by Agent if it elects to employ the services of one or more third Persons to perform field examinations of Parent or its Subsidiaries, to establish electronic collateral reporting systems, to appraise the Collateral, or any portion thereof, or to assess Parent's or its Subsidiaries' business valuation.

2.11 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, upon the request of Borrowers made in accordance herewith, and prior to the Maturity Date, Issuing Bank agrees to issue a requested standby Letter of Credit or a sight commercial Letter of Credit for the account of Borrowers, which Letter of Credit may be related to or to benefit the business of Borrowers' Subsidiaries. By submitting a request to Issuing Bank for the issuance of a Letter of Credit, Borrowers shall be deemed to have requested that Issuing Bank issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment or extension of any outstanding Letter of Credit, shall be (x) irrevocable and made in writing by an Authorized Person, (y) delivered to Agent and Issuing Bank via facsimile or other electronic method of transmission reasonably acceptable to Agent and Issuing Bank and reasonably in advance of the requested date of issuance, amendment or extension and (z) subject to Issuing Bank's authentication procedures satisfactory to Issuing Bank. Each such request shall be in form and substance reasonably satisfactory to Agent and Issuing Bank and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment or extension, identification of the Letter of Credit to be so amended, or extended) as shall be necessary to prepare, amend or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as Agent or Issuing Bank may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that Issuing

Bank generally requests for Letters of Credit in similar circumstances. Issuing Bank's records of the content of any such request will be conclusive. Anything contained herein to the contrary notwithstanding, Issuing Bank may, but shall not be obligated to, issue a Letter of Credit that supports the obligations of a Loan Party or one of its Subsidiaries in respect of (x) a lease of real property, or (y) an employment contract. Notwithstanding anything contained herein to the contrary, no Letters of Credit shall be issued under this Agreement at any time after the Filing Date except in Issuing Bank's sole discretion.

(b) Issuing Bank shall have no obligation to issue, amend or extend a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment or extension:

- (i) the Letter of Credit Usage would exceed \$40,000,000, or
- (ii) the Letter of Credit Usage would exceed the Maximum Revolver Amount less the outstanding amount of Revolving Loans (including Swing Loans) less the principal amount of any Reinstated Existing Secured Obligations less the principal amount of any Existing Secured Obligations, or
- (iii) the obligations to be supported by such Letter of Credit are not enumerated in the Approved Budget.

(c) In the event there is a Defaulting Lender as of the date of any request for the issuance or extension of a Letter of Credit, Issuing Bank shall not be required to issue or arrange for or extend such Letter of Credit to the extent (i) the Defaulting Lender's Letter of Credit Exposure with respect to such Letter of Credit may not be reallocated pursuant to Section 2.3(g)(ii), or (ii) Issuing Bank has not otherwise entered into arrangements reasonably satisfactory to it and Borrowers to eliminate Issuing Bank's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include Borrowers cash collateralizing such Defaulting Lender's Letter of Credit Exposure in accordance with Section 2.3(g)(ii). Additionally, Issuing Bank shall have no obligation to issue or extend a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Bank from issuing such Letter of Credit, or any law applicable to Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Bank shall prohibit or request that Issuing Bank refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (B) the issuance of such Letter of Credit would violate one or more policies of Issuing Bank applicable to letters of credit generally, or (C) amounts demanded to be paid under any Letter of Credit will not or may not be in Dollars.

(d) Any Issuing Bank (other than Wells Fargo or any of its Affiliates) shall notify Agent in writing no later than the Business Day prior to the Business Day on which such Issuing Bank issues any Letter of Credit. In addition, each Issuing Bank (other than Wells Fargo or any of its Affiliates) shall, on the first Business Day of each week, submit to Agent a report detailing the daily undrawn amount of each Letter of Credit issued by such Issuing Bank during the prior calendar week. Each Letter of Credit shall be in form and substance reasonably acceptable to Issuing Bank. If Issuing Bank makes a payment under a Letter of Credit, Borrowers

shall pay to Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to Revolving Loans. If a Letter of Credit Disbursement is deemed to be a Revolving Loan hereunder, Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Issuing Bank shall be automatically converted into an obligation to pay the resulting Revolving Loan. Promptly following receipt by Agent of any payment from Borrowers pursuant to this paragraph, Agent shall distribute such payment to Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.11(e) to reimburse Issuing Bank, then to such Revolving Lenders and Issuing Bank as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(d), each Revolving Lender agrees to fund its Pro Rata Share of any Revolving Loan deemed made pursuant to Section 2.11(d) on the same terms and conditions as if Borrowers had requested the amount thereof as a Revolving Loan and Agent shall promptly pay to Issuing Bank the amounts so received by it from the Revolving Lenders. By the issuance of a Letter of Credit (or an amendment or extension of a Letter of Credit), and without any further action on the part of Issuing Bank or the Revolving Lenders, Issuing Bank shall be deemed to have granted to each Revolving Lender, and each Revolving Lender shall be deemed to have purchased, a participation in each Letter of Credit issued by Issuing Bank, in an amount equal to its Pro Rata Share of such Letter of Credit, and each such Revolving Lender agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of any Letter of Credit Disbursement made by Issuing Bank under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to Agent, for the account of Issuing Bank, such Revolving Lender's Pro Rata Share of each Letter of Credit Disbursement made by Issuing Bank and not reimbursed by Borrowers on the date due as provided in Section 2.11(d), or of any reimbursement payment that is required to be refunded (or that Agent or Issuing Bank elects, based upon the advice of counsel, to refund) to Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to deliver to Agent, for the account of Issuing Bank, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such Revolving Lender fails to make available to Agent the amount of such Revolving Lender's Pro Rata Share of a Letter of Credit Disbursement as provided in this Section, such Revolving Lender shall be deemed to be a Defaulting Lender and Agent (for the account of Issuing Bank) shall be entitled to recover such amount on demand from such Revolving Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) Each Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including Issuing Bank and its branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including Issuing Bank, a "Letter of Credit Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and

disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any such Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of:

- (i) any Letter of Credit or any pre-advice of its issuance;
- (ii) any transfer, sale, delivery, surrender or endorsement (or lack thereof) of any Drawing Document at any time(s) held by any such Letter of Credit Related Person in connection with any Letter of Credit;
- (iii) any action or proceeding arising out of, or in connection with, any Letter of Credit (whether administrative, judicial or in connection with arbitration), including any action or proceeding to compel or restrain any presentation or payment under any Letter of Credit, or for the wrongful dishonor of, or honoring a presentation under, any Letter of Credit;
- (iv) any independent undertakings issued by the beneficiary of any Letter of Credit;
- (v) any unauthorized instruction or request made to Issuing Bank in connection with any Letter of Credit or requested Letter of Credit, or any error, omission, interruption or delay in such instruction or request, whether transmitted by mail, courier, electronic transmission, SWIFT or any other telecommunication, including communications through a correspondent;
- (vi) an adviser, confirmer or other nominated person seeking to be reimbursed, indemnified or compensated;
- (vii) any third party seeking to enforce the rights of an applicant, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds or holder of an instrument or document;
- (viii) the fraud, forgery or illegal action of parties other than the Letter of Credit Related Person;
- (ix) Issuing Bank's performance of the obligations of a confirming institution or entity that wrongfully dishonors a confirmation;
- (x) the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto governmental or regulatory authority or cause or event beyond the control of the Letter of Credit Related Person;
- (xi) any foreign language translation provided to Issuing Bank in connection with any Letter of Credit;

(xii) any foreign law or usage as it relates to Issuing Bank's issuance of a Letter of Credit in support of a foreign guaranty including the expiration of such guaranty after the related Letter of Credit expiration date and any resulting drawing paid by Issuing Bank in connection therewith; or

(xiii) any prohibition on payment or delay in payment of any amount payable by Issuing Bank to a beneficiary or transferee beneficiary of a Letter of Credit arising out of Anti-Corruption Laws, Anti-Money Laundering Laws, or Sanctions;

in each case, including that resulting from the Letter of Credit Related Person's own negligence (other than gross negligence as provided below); provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification under clauses (i) through (xiii) above to the extent that such Letter of Credit Indemnified Costs may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. Borrowers hereby agree to pay the Letter of Credit Related Person claiming indemnity on demand from time to time all amounts owing under this Section 2.11(f). If and to the extent that the obligations of Borrowers under this Section 2.11(f) are unenforceable for any reason, Borrowers agree to make the maximum contribution to the Letter of Credit Indemnified Costs permissible under applicable law. This indemnification provision shall survive termination of this Agreement and all Letters of Credit.

(g) The liability of Issuing Bank (or any other Letter of Credit Related Person) under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by Borrowers that are caused directly by Issuing Bank's gross negligence, or willful misconduct (as determined in a final, non-appealable judgment of a court of competent jurisdiction) in (i) honoring a presentation under a Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. Borrowers' aggregate remedies against Issuing Bank and any Letter of Credit Related Person for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by Borrowers to Issuing Bank in respect of the honored presentation in connection with such Letter of Credit under Section 2.11(d), plus interest at the rate then applicable to Revolving Loans hereunder. Borrowers shall take action to avoid and mitigate the amount of any damages claimed against Issuing Bank or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by Borrowers under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had Borrowers taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing Issuing Bank to effect a cure.

(h) Borrowers are responsible for preparing or approving the final text of the Letter of Credit as issued by Issuing Bank, irrespective of any assistance Issuing Bank may provide such as drafting or recommending text or by Issuing Bank's use or refusal to use text submitted by

Borrowers. Borrowers understand that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by Issuing Bank, and Borrowers hereby consent to such revisions and changes not materially different from the application executed in connection therewith. Borrowers are solely responsible for the suitability of the Letter of Credit for Borrowers' purposes. If Borrowers request Issuing Bank to issue a Letter of Credit for an affiliated or unaffiliated third party (an "Account Party"), (i) such Account Party shall have no rights against Issuing Bank; (ii) Borrowers shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective Letter of Credit shall be among Issuing Bank and Borrowers. Borrowers will examine the copy of the Letter of Credit and any other documents sent by Issuing Bank in connection therewith and shall promptly notify Issuing Bank (not later than three (3) Business Days following Borrowers' receipt of documents from Issuing Bank) of any non-compliance with Borrowers' instructions and of any discrepancy in any document under any presentment or other irregularity. Borrowers understand and agree that Issuing Bank is not required to extend the expiration date of any Letter of Credit for any reason. With respect to any Letter of Credit containing an "automatic amendment" to extend the expiration date of such Letter of Credit, Issuing Bank, in its sole and absolute discretion, may give notice of non-extension of such Letter of Credit and, if Borrowers do not at any time want the then current expiration date of such Letter of Credit to be extended, Borrowers will so notify Agent and Issuing Bank at least 30 calendar days before Issuing Bank is required to notify the beneficiary of such Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Letter of Credit.

(i) Borrowers' reimbursement and payment obligations under this Section 2.11 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit, any Issuer Document, this Agreement or any other Loan Document or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) Issuing Bank or any of its branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) Issuing Bank or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that Parent or any of its Subsidiaries may have at any time against any beneficiary or transferee beneficiary, any assignee of proceeds, Issuing Bank or any other Person;

(vi) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.11(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Borrower's or any of its Subsidiaries' reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against Issuing Bank, the beneficiary or any other Person;

(vii) the fact that any Default or Event of Default shall have occurred and be continuing; or

(viii) Issuing Bank or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at Issuing Bank's counter or are different from the electronic presentation thereof;

provided, that subject to Section 2.11(g), the foregoing shall not release Issuing Bank from such liability to Borrowers as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against Issuing Bank following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to Issuing Bank arising under, or in connection with, this Section 2.11 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, Issuing Bank and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and Issuing Bank's rights and remedies against Borrowers and the obligation of Borrowers to reimburse Issuing Bank for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document, or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than Issuing Bank's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that Issuing Bank in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to Borrowers;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and any Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any presenting bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where Issuing Bank has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by Issuing Bank if subsequently Issuing Bank or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by Issuing Bank to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) Borrowers shall pay immediately upon demand to Agent for the account of Issuing Bank as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Loan Account pursuant to the provisions of Section 2.6(d) shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.11(k)): (i) a fronting fee which shall be imposed by Issuing Bank upon the issuance of each Letter of Credit of 0.125% per annum of the undrawn face amount thereof, plus (ii) any and all other customary commissions, fees and charges then in effect imposed by, and any and all expenses incurred by, Issuing Bank, or by any adviser, confirming institution or entity or other nominated person, relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit

(including transfers, assignments of proceeds, amendments, drawings, extensions or cancellations).

(l) If by reason of (x) any Change in Law, or (y) compliance by Issuing Bank or any other member of the Lender Group with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board of Governors as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued or caused to be issued hereunder or hereby, or any Loans or obligations to make Loans hereunder or hereby, or

(ii) there shall be imposed on Issuing Bank or any other member of the Lender Group any other condition regarding any Letter of Credit, Loans, or obligations to make Loans hereunder,

and the result of the foregoing is to increase, directly or indirectly, the cost to Issuing Bank or any other member of the Lender Group of issuing, making, participating in, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Agent may, at any time within a reasonable period after the additional cost (other than Taxes, which shall be governed by Section 16) is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate Issuing Bank or any other member of the Lender Group for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Revolving Loans hereunder; provided, that (A) Borrowers shall not be required to provide any compensation pursuant to this Section 2.11(l) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Borrowers, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section 2.11(l), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(m) Each standby Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is (i) 1 year after the date of the issuance of such Letter of Credit (or such other longer period of time as Agent and the applicable Issuing Bank may agree and, in the case of any extension thereof, 1 year after such extension) and (ii) unless Letter of Credit Collateralization has been provided with respect thereto or other credit support provided to the reasonable satisfaction of Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than 12 months after the Letter of Credit Expiration Date), the Letter of Credit Expiration Date. Each commercial Letter of Credit shall expire on the earlier of (x) 120 days after the date of the issuance of such commercial Letter of Credit and (y) the Letter of Credit Expiration Date.

(n) If (i) any Event of Default shall occur and be continuing, or (ii) Availability shall at any time be less than zero, then on the Business Day following the date when Administrative Borrower receives notice from Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated in accordance with the terms hereof, Revolving Lenders with Letter of Credit Exposure representing greater than 50% of the total Letter of Credit Exposure) demanding Letter of Credit Collateralization pursuant to this Section 2.11(n), upon such demand, Borrowers shall provide Letter of Credit Collateralization with respect to the then existing Letter of Credit Usage. If Borrowers fail to provide Letter of Credit Collateralization as required by this Section 2.11(n), the Revolving Lenders may (and, upon direction of Agent, shall) advance, as Revolving Loans the amount of the cash collateral required pursuant to the Letter of Credit Collateralization provision so that the then existing Letter of Credit Usage is cash collateralized in accordance with the Letter of Credit Collateralization provision (whether or not the Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 3 are satisfied).

(o) Unless otherwise expressly agreed by Issuing Bank and Borrowers when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(p) In the event of a direct conflict between the provisions of this Section 2.11 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11 shall control and govern.

(q) Issuing Bank shall be deemed to have acted with due diligence and reasonable care if Issuing Bank's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement.

(r) The provisions of this Section 2.11 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(s) At Borrowers' costs and expense, Borrowers shall execute and deliver to Issuing Bank such additional certificates, instruments or documents and take such additional action as may be reasonably requested by Issuing Bank to enable Issuing Bank to issue any Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise or enforce Issuing Banks' rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. In connection with any commercial Letter of Credit issued hereunder, each Borrower irrevocably appoints Issuing Bank as its attorney-in-fact and authorizes Issuing Bank, without notice to Borrowers, to execute and deliver ancillary documents and letters customary in the letter of credit business that may include but are not limited to advisements, indemnities, checks, bills of exchange and issuance documents. The power of attorney granted by the Borrowers is limited solely to such actions related to the issuance, confirmation or amendment of any Letter of Credit and to ancillary documents or letters customary in the letter of credit business. This appointment is coupled with an interest.

(t) Schedule 2.11 hereto contains a list of all Letters of Credit outstanding on the Filing Date pursuant to the Existing Credit Agreement. For the period from and after the effective date of the Interim Financing Order, each such Letter of Credit set forth on Schedule 2.11, including any extension or renewal thereof, that remains outstanding on the effective date of the Interim Financing Order (each, as amended from time to time in accordance with the terms thereof and hereof, an "Existing Letter of Credit") shall be deemed Letters of Credit re-issued hereunder for the account of Borrowers, for all purposes of this Agreement, including, without limitation, calculations of Availability, Letter of Credit Usage and all other fees and expenses relating to the Letters of Credit (including any related indemnification obligations). Issuing Lender hereby assumes and agrees to perform any and all duties, obligations and liabilities to be performed or discharged by the issuers of the Existing Letters of Credit. Borrowers agree to execute and deliver such documentation, if any, requested by Agent, or an Issuing Bank, to evidence, record, or further the foregoing deemed re-issuance.

(u) The expiration date of each Letter of Credit, other than the Existing Letters of Credit, shall be on a date that is not later than five (5) Business Days' prior to the Maturity Date unless Borrowers provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Usage; provided, that a Letter of Credit may provide for automatic extensions of its expiration date for one or more successive periods of up to twelve (12) months for each period; provided, further, that the applicable Issuing Bank has the right to terminate such Letter of Credit on each such expiration date and no renewal term may extend the term of the Letter of Credit to a date that is later than the fifth (5th) Business Day prior to the Maturity Date unless Borrowers provide Letter of Credit Collateralization with respect to outstanding Letter of Credit Collateralization. Upon direction by Agent or Required Lenders, the applicable Issuing Bank shall not renew any such Letter of Credit at any time during the continuance of an Event of Default; provided, that in the case of a direction by Agent or Required Lenders, the Issuing Bank receives such directions prior to the date notice of non-renewal is required to be given by the Issuing Bank and the Issuing Bank has had a reasonable period of time to act on such notice.

2.12 [Intentionally Omitted].

2.13 Capital Requirements.

(a) If, after the date hereof, Issuing Bank or any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies or regarding Taxes to which such Lender is subject (other than Excluded Taxes or Indemnified Taxes), or (ii) compliance by Issuing Bank or such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on Issuing Bank's, such Lender's, or such holding companies' capital or liquidity as a consequence of Issuing Bank's or such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which Issuing Bank, such Lender, or such holding companies could have achieved but for such Change in Law or compliance (taking into consideration Issuing Bank's, such Lender's, or such holding companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount reasonably deemed by Issuing Bank or such Lender to be material, then Issuing Bank or such Lender may notify Borrowers and Agent thereof. Following

receipt of such notice, Borrowers agree to pay Issuing Bank or such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by Issuing Bank or such Lender of a statement in the amount and setting forth in reasonable detail Issuing Bank's or such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Issuing Bank or such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of Issuing Bank or any Lender to demand compensation pursuant to this Section 2.13 shall not constitute a waiver of Issuing Bank's or such Lender's right to demand such compensation; provided, that Borrowers shall not be required to compensate Issuing Bank or a Lender pursuant to this Section 2.13 for any reductions in return incurred more than 180 days prior to the date that Issuing Bank or such Lender notifies Borrowers of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further, that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If Issuing Bank or any Lender requests additional or increased costs referred to in Section 2.11(l) or amounts under Section 2.13(a) or makes a claim for compensation under Section 16 (such Issuing Bank or Lender, an "Affected Lender"), then, at the request of Administrative Borrower, such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 16, Section 2.11(l), or Section 2.13(a), as applicable, and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrowers' obligation to pay any future amounts to such Affected Lender pursuant to Section 16, Section 2.11(l) or Section 2.13(a), as applicable, then Borrowers (without prejudice to any amounts then due to such Affected Lender under Section 16, Section 2.11(l) or Section 2.13(a), as applicable) may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 16, Section 2.11(l) or Section 2.13(a), as applicable, may designate a different Issuing Bank or substitute a Lender or prospective Lender, in each case, reasonably acceptable to Agent to purchase the Obligations owed to such Affected Lender and such Affected Lender's commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender shall assign to the Replacement Lender its Obligations and commitments pursuant to an Assignment and Acceptance in accordance with Section 14.2, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement and such Affected Lender shall cease to be "Issuing Bank" or a "Lender" (as the case may be) for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Sections 2.11(l), and 2.13 shall be available to Issuing Bank and each Lender (as applicable) regardless of

any possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for issuing banks or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, neither Issuing Bank nor any Lender shall demand compensation pursuant to this Section 2.13 if it shall not at the time be the general policy or practice of Issuing Bank or such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.14 [Intentionally Omitted].

2.15 [Intentionally Omitted].

2.16 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.16), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them. Accordingly, each Borrower hereby waives any and all suretyship defenses that would otherwise be available to such Borrower under applicable law.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due, whether upon maturity, acceleration, or otherwise, or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations until such time as all of the Obligations are paid in full, and without the need for demand, protest, or any other notice or formality.

(d) The Obligations of each Borrower under the provisions of this Section 2.16 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.16(d)) or any other circumstances whatsoever.

(e) Without limiting the generality of the foregoing and except as otherwise expressly provided in this Agreement, each Borrower hereby waives presentments, demands for performance, protests and notices, including notices of acceptance of its joint and several liability, notice of any Revolving Loans or any Letters of Credit issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Agreement, notices of the existence, creation, or incurring of new or additional Obligations or other financial accommodations or of

any demand for any payment under this Agreement, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations, any right to proceed against any other Borrower or any other Person, to proceed against or exhaust any security held from any other Borrower or any other Person, to protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Borrower, any other Person, or any collateral, to pursue any other remedy in any member of the Lender Group's or any Bank Product Provider's power whatsoever, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement), any right to assert against any member of the Lender Group or any Bank Product Provider, any defense (legal or equitable), set-off, counterclaim, or claim which each Borrower may now or at any time hereafter have against any other Borrower or any other party liable to any member of the Lender Group or any Bank Product Provider, any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Obligations or any security therefor, and any right or defense arising by reason of any claim or defense based upon an election of remedies by any member of the Lender Group or any Bank Product Provider including any defense based upon an impairment or elimination of such Borrower's rights of subrogation, reimbursement, contribution, or indemnity of such Borrower against any other Borrower. Without limiting the generality of the foregoing, each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by Agent or Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Agent or Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.16 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations under this Section 2.16, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of each Borrower under this Section 2.16 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.16 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or any Agent or Lender. Each of the Borrowers waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement hereof. Any payment by any Borrower or other circumstance which operates to toll any statute of limitations as to any Borrower shall operate to toll the statute of limitations as to each of the Borrowers. Each of the Borrowers waives any defense based on or arising out of any defense of any Borrower or any other Person, other than payment of the Obligations to the extent of such payment, based on or arising out of the

disability of any Borrower or any other Person, or the validity, legality, or unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower other than payment of the Obligations to the extent of such payment. Agent may, at the election of the Required Lenders, foreclose upon any Collateral held by Agent by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy Agent, any other member of the Lender Group, or any Bank Product Provider may have against any Borrower or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Borrowers hereunder except to the extent the Obligations have been paid.

(f) Each Borrower represents and warrants to Agent and Lenders that such Borrower is currently informed of the financial condition of Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) The provisions of this Section 2.16 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and permitted assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or permitted assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.16 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.16 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights that arise from the existence, payment, performance or enforcement of the provisions of this Section 2.16, including rights of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Agent, any other member of the Lender Group, or any Bank Product Provider against any Borrower, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Borrower, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any member of the Lender Group hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without

limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor. If any amount shall be paid to any Borrower in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of Agent, for the benefit of the Lender Group and the Bank Product Providers, and shall forthwith be paid to Agent to be credited and applied to the Obligations and all other amounts payable under this Agreement, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Obligations or other amounts payable under this Agreement thereafter arising. Notwithstanding anything to the contrary contained in this Agreement, no Borrower may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Borrower, including after payment in full of the Obligations, if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of such other Borrower whether pursuant to this Agreement or otherwise.

(i) Each Borrower hereby agrees that after the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to Agent for application to the Obligations in accordance with Section 2.4(b).

(j) Each of the Borrowers hereby acknowledges and affirms that it understands that to the extent the Obligations are secured by Real Property located in California, the Borrowers shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing such Borrower's right to proceed against any other Loan Party. In accordance with Section 2856 of the California Civil Code or any similar laws of any other applicable jurisdiction, each of the Borrowers hereby waives until such time as the Obligations have been paid in full:

(i) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Borrowers by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Civil Code or any similar laws of any other applicable jurisdiction;

(ii) all rights and defenses that the Borrowers may have because the Obligations are secured by Real Property located in California, meaning, among other things, that: (A) Agent, the other members of the Lender Group, and the Bank Product Providers may collect from the Borrowers without first foreclosing on any real or personal property collateral pledged by any Loan Party, and (B) if Agent, on behalf of the Lender Group, forecloses on any Real Property Collateral pledged by any Loan Party,

(1) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Lender Group may collect from the Loan Parties even if, by foreclosing on the Real Property Collateral, Agent or the other members of the Lender Group have destroyed or impaired any right the Borrowers may have to collect from any other Loan Party, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the Borrowers may have because the Obligations are secured by Real Property (including any rights or defenses based upon Sections 580a, 580d, or 726 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction); and

(iii) all rights and defenses arising out of an election of remedies by Agent, the other members of the Lender Group, and the Bank Product Providers, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations, has destroyed the Borrowers' rights of subrogation and reimbursement against any other Loan Party by the operation of Section 580d of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction or otherwise.

(k) Notwithstanding any other provision contained herein or in any other Loan Document, if a "secured creditor" (as that term is defined under the BIA) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint and several basis, then such Person's Obligations (and the Obligations of each other Canadian Loan Party or any other applicable Loan Party), to the extent such Obligations are secured, shall be several obligations and not joint and several obligations.

2.17 Existing Hedging Obligations and other Existing Bank Product Obligations. All Existing Secured Obligations under Existing Hedge Agreements and all other Existing Bank Product Obligations shall be deemed to have been incurred pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof and shall constitute Bank Product Obligations hereunder. Each Hedge Provider and each other Bank Product Provider hereby assumes and agrees to perform any and all duties, obligations and liabilities to be performed or discharged by the "Hedge Provider" (as defined in the Existing Credit Agreement) or other "Bank Product Provider" (as defined in the Existing Credit Agreement) in accordance with and pursuant to the Existing Credit Agreement and this Agreement, as applicable. Borrowers agree to execute and deliver such documentation, if any, requested by Agent, a Hedge Provider or other Bank Product Provider to evidence, record, or further the foregoing deemed re-incurrence.

2.18 Superpriority. Except as set forth herein or in the Financing Order, the DIP Recognition Order or the Canadian Supplemental Order, no other claim having a priority superior or pari passu to that granted to the Agent and the Lenders by the Financing Order and the DIP Recognition Order shall be granted or approved while any Obligations under this Agreement remain outstanding. Except for the Carveout and subject to entry of the Final Financing Order and the DIP Recognition Order, no costs or expenses of administration shall be imposed against the Agent, the Lenders or any of the Collateral or any of the Existing Agent, the Existing Lenders or the Collateral (as defined in the Existing Credit Agreement) under Sections 105, 506(c) or 552 of

the Bankruptcy Code, or otherwise, and each of the Loan Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights under sections 105, 506(c) or 552, or otherwise, to assert or impose or seek to assert or impose, any such costs or expenses of administration against Agent, Lenders or any of the Collateral or any of the Existing Agent or the Existing Lenders.

2.19 Waiver of any Priming Rights. On and after the Closing Date, and on behalf of themselves and their estates, and for so long as any Obligations shall be outstanding, the Borrowers and the Guarantors hereby irrevocably waive any right, pursuant to Sections 364(c) or 364(d) of the Bankruptcy Code or otherwise, to grant any Lien of equal or greater priority than the DIP Liens securing the Obligations, or to approve a claim of equal or greater priority than the Obligations, in each case other than as contemplated herein.

2.20 Bankruptcy Matters.

(a) The Bankruptcy Cases shall have been commenced in the Bankruptcy Court, no trustee or examiner shall have been appointed with respect to the Loan Parties or any property of or any estate of the Loan Parties and the Bankruptcy Court shall have entered all "first day" orders (including the Initial Approved Budget but other than the Final Financing Order), each in form and substance satisfactory to Agent;

(b) The Bankruptcy Court shall have entered the Interim Financing Order within 3 Business Days of the Filing Date, which Interim Financing Order (x) shall have been entered upon an application or motion of the Debtors satisfactory in form and substance satisfactory to Agent is the subject of a pending objection, appeal or motion for reconsideration in any respect, neither the Interim Financing Order, nor the making of the Loans, or the performance by the Debtors of any of the Obligations shall be the subject of a presently effective stay, and (z) shall otherwise satisfy the requirements of the definition of Interim Financing Order set forth herein;

(c) The Bankruptcy Court shall have entered a Cash Management Order authorizing the Borrower to maintain and continue to use their Cash Management Services in the ordinary course of business, in form and substance satisfactory to Agent and the Canadian Court shall have entered the Canadian Supplemental Order recognizing the Cash Management Order within 3 Business days following the entry of the Cash Management Order, or as soon as possible thereafter in the circumstances; and

(d) The Canadian Court shall have entered the Canadian Initial Recognition Order and Canadian Interim DIP Recognition Order within 3 Business Days following entry of the Interim Financing Order, or as soon as possible thereafter in the circumstances, and the Canadian Court shall have issued the Canadian Final DIP Recognition Order within 3 Business Days following the entry of the Final Financing Order, or as soon as possible thereafter in the circumstances.

3. **CONDITIONS; TERM OF AGREEMENT.**

3.1 Conditions Precedent to the Initial Extension of Credit. The effectiveness of this Agreement and the obligation of each Lender to make the initial extensions of credit on the Closing Date requested by Borrowers hereunder is subject solely to the satisfaction (or waiver by Agent

and each Lender), of each of the conditions precedent set forth on Schedule 3.1 (the making of such initial extensions of credit by a Lender being conclusively deemed to be such satisfaction or waiver of the conditions precedent).

3.2 Conditions Precedent to all Extensions of Credit. The foregoing notwithstanding, (a) Borrowers may rescind termination notices relative to proposed payments in full of the Obligations with the proceeds of third party Indebtedness or proceeds of other events if the closing for such issuance or incurrence or such other event does not occur, and (b) Borrowers may extend the date of such requested termination at any time with the consent of Agent (which consent shall not be unreasonably withheld, conditioned, or delayed).

3.6 Conditions Subsequent. The obligation of the Lender Group (or any member thereof) to continue to make Revolving Loans (or otherwise extend credit hereunder) is subject to the fulfillment, on or before the date applicable thereto, of the conditions subsequent set forth on Schedule 3.6 (the failure by Borrowers to so perform or cause to be performed such conditions subsequent as and when required by the terms thereof (unless such date is extended, in writing, by

Agent, which Agent may do without obtaining the consent of the other members of the Lender Group), shall constitute an Event of Default).¹

4. REPRESENTATIONS AND WARRANTIES.

In order to induce the Lender Group to enter into this Agreement, Parent and each Borrower make the following representations and warranties to the Lender Group, which shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the Closing Date, and shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the date of the making of each Revolving Loan (or other extension of credit) made thereafter, as though made on and as of the date of such Revolving Loan (or other extension of credit) (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date), and such representations and warranties shall survive the execution and delivery of this Agreement:

The Projections represent, Administrative Borrower's good faith estimate, on the date such Projections are delivered, of the Administrative Borrower's and its Subsidiaries' future performance for the periods covered thereby based upon assumptions believed by Administrative Borrower to be reasonable at the time of the delivery thereof to Agent (it being understood that such Projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Administrative Borrower and its Subsidiaries, and no assurances can be given that such

Projections will be realized, and although reflecting Administrative Borrower's good faith estimate, projections or forecasts based on methods and assumptions which Administrative Borrower believed to be reasonable at the time such Projections were prepared, are not to be viewed as facts, and that actual results during the period or periods covered by the Projections may differ materially from projected or estimated results). The Initial Approved Budget and each Weekly Cash Flow Forecast delivered thereafter are prepared in good faith based upon estimates and assumptions believed by management of the Borrowers to be reasonable and fair in light of current conditions and facts known to the Borrowers at the time delivered (it being understood that such Approved Budget and the Weekly Cash Flow Forecasts and the assumptions on which they were based, may or may not prove to be correct).

IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN TEN DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). (vii) THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. 13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations owed to it and its Revolver Commitment) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an "Assignee"), with the prior written consent (such consent not be unreasonably withheld, conditioned, or delayed) of:

(A) [Reserved]; and

(B) Agent, Swing Lender, and Issuing Bank.

(ii) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made to a Loan Party, an Affiliate of a Loan Party, or Sponsor,

(B) the amount of the Revolver Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount (unless waived by Agent) of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000),

(C) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement,

(D) the parties to each assignment shall execute and deliver to Agent an Assignment and Acceptance; provided, that Borrowers and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Administrative Borrower and Agent by such Lender and the Assignee,

(E) no assignment may be made to a Defaulting Lender,

(F) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent's separate account, a processing fee in the amount of \$3,500, and

(G) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the "Administrative Questionnaire").

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Sections 10.3 and 16) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Sections 15 and 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other

documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, (vi) [reserved], and (vii) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Revolver Commitments arising therefrom. The Revolver Commitment allocated to each Assignee shall reduce such Revolver Commitments of the assigning Lender pro tanto.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (in each case, other than a Person to which an assignment is not permitted under Section 13.1(a)(ii)(A) or 13.1(a)(ii)(B)) (a "Participant") participating interests in all or any portion of its Obligations, its Revolver Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Revolver Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, in each case of the foregoing clauses (A) through (E), except to the extent any such amendment or consent is permitted to be effected by only the Required Lenders pursuant to Section 14.1 (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to a Loan Party, an Affiliate of a Loan Party, Sponsor, or an Affiliate of Sponsor, and (vii) all

amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrowers, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR § 203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of Borrowers) shall maintain, or cause to be maintained, a register (the "Register") on which it enters the name and address of each Lender as the registered owner of the Revolving Loans (and the principal amount thereof and stated interest thereon) held by such Lender (each, a "Registered Loan"). Other than in connection with an assignment by a Lender of all or any portion of its portion of the Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender (i) a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). The entries in the Register shall be conclusive absent manifest error, and Borrowers, the Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as Lender hereunder for all purposes of this Agreement. Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrowers shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Lender of all or any portion of its Revolving Loans to an Affiliate of such Lender or a Related Fund of such Lender,

and which assignment is not recorded in the Register, the assigning Lender, on behalf of Borrowers, shall maintain a register comparable to the Register. The Register shall be available for inspection by Borrowers and any Lender at any reasonable time during business hours and from time to time upon reasonable notice.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrowers, shall maintain (or cause to be maintained) a register on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(j) Agent shall make a copy of the Register (and each Lender shall make a copy of its Participant Register to the extent required pursuant to clause (i) above) available for review by Borrowers from time to time as Borrowers may reasonably request.

13.2 Successors. This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, that no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void ab initio. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Borrower is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 Amendments and Waivers.

(a) No amendment, waiver or other modification of any provision of this Agreement or any other Loan Document (other than Bank Product Agreements), and no consent with respect to any departure by Parent or any Borrower therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders, in the case of this Agreement), the Agent, in the case of all other Loan Documents, and the Loan Parties that are party thereto, and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that no such waiver, amendment, or consent shall, unless in writing and signed by all of

the Lenders directly affected thereby and all of the Loan Parties that are party thereto, do any of the following:

(i) increase the amount of or extend the expiration date of any Revolver Commitment of any Lender or amend, modify, or eliminate the last sentence of Section 2.4(c), (it being understood that waivers or modifications of conditions precedent, waivers of Defaults, Events of Default or mandatory prepayments or any amendment or modification of financial ratios or defined terms used in the financial covenants in this Agreement shall not constitute an increase of or an extension of the expiration date of the Revolver Commitment of any Lender, and that an increase in the available portion of any Revolver Commitment of any Lender shall not constitute an increase of the Revolver Commitment of such Lender),

(ii) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees, or other amounts due hereunder or under any other Loan Document (other than the date of any mandatory prepayment pursuant to Section 2.4(e)),

(iv) amend, modify, or eliminate this Section 14.1 or any provision of this Agreement providing for consent or other action by all Lenders or all Lenders directly affected thereby, as applicable,

(v) amend, modify, or eliminate Section 3.1 or 3.2,

(vi) amend, modify, or eliminate Section 15.11,

(vii) other than as permitted by Section 15.11, release Agent's Lien in and to any of the Collateral,

(viii) amend, modify, or eliminate the definition of "Required Lenders" or "Pro Rata Share",

(ix) contractually subordinate any of Agent's Liens except as otherwise expressly permitted hereunder,

(x) other than in connection with a merger, amalgamation, liquidation, dissolution or sale of such Person expressly permitted by the terms hereof or the other

Loan Documents, release any Borrower or any Guarantor from any obligation for the payment of money or consent to the assignment or transfer by any Borrower or any Guarantor of any of its rights or duties under this Agreement or the other Loan Documents,

(xi) amend, modify, or eliminate any of the provisions of Section 2.4(b)(i), 2.4(b)(ii), 2.4(b)(iii), 2.4(f) or 15.12(b),

(xii) amend, modify, or eliminate any of the provisions of Section 13.1 with respect to assignments to, or participations with, Persons who are Loan Parties, Affiliates of Loan Parties, Sponsor, or Affiliates of Sponsor, or

(xiii) at any time that any Real Property is included in the Collateral, increase or extend any Revolver Commitment hereunder until the completion of flood due diligence, documentation and coverage as required by the Flood Laws or as otherwise satisfactory to all such affected Lenders.

(b) No amendment, waiver, modification, or consent shall amend, modify, waive, or eliminate,

(i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and Borrowers (and shall not require the written consent of any of the Lenders), or

(ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders.

(c) No amendment, waiver, modification, elimination, or consent shall, without the written consent of Agent, Borrowers and each Lender:

(i) amend, modify, or eliminate this Section 14.1(c).

(ii) amend, modify, or eliminate the definitions of "Initial Approved Budget" or "Approved Budget".

(d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Bank, or any other rights or duties of Issuing Bank under this Agreement or the other Loan Documents, without the written consent of Issuing Bank, Agent, Borrowers, and the Required Lenders.

(e) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrowers, and the Required Lenders.

(f) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of Parent or any Borrower, shall not require consent by or the agreement of any Loan Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender.

14.2 Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, (ii) any Lender makes a claim for compensation under Section 16 or (iii) any Lender becomes a Defaulting Lender, then Borrowers or Agent, upon at least five Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a "Non-Consenting Lender"), any Lender that made a claim for compensation (a "Tax Lender") or any Defaulting Lender, in each case, with one or more Replacement Lenders, and the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due in payable in respect thereof, and (ii) an assumption of its Pro Rata Share of participations in the Letters of Credit). If the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or and on behalf of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Revolver Commitments, and the other rights and obligations of the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender, Tax Lender or Defaulting Lender, as applicable, shall remain obligated to make the Non-Consenting Lender's, Tax Lender's or Defaulting Lender's, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of participations in such Letters of Credit.

14.3 No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Parent and Borrowers of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1 Appointment and Authorization of Agent. Each Lender hereby designates and appoints Wells Fargo as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents or to take any other action with respect to any Collateral or Loan Documents which may be necessary to perfect, and maintain perfected, the security interests and Liens upon

Collateral pursuant to the Loan Documents, (c) make Revolving Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

15.2 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 Liability of Agent. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries. No Agent-Related Person shall have any liability to any Lender, any Loan Party or any of their respective Affiliates if any request for a Loan, Letter of Credit or other extension of credit was not authorized by the applicable Borrower. Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Loan Document or applicable law or regulation.

15.4 Reliance by Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be

indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5 Notice of Default or Event of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrowers referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 Credit Decision. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-

Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7 Costs and Expenses; Indemnification. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence, or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8 Agent in Individual Capacity. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though Wells Fargo were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to

any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

15.9 Successor Agent. Agent may resign as Agent upon 30 days (ten days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrowers (unless such notice is waived by Borrowers or a Default or Event of Default has occurred and is continuing) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as Issuing Bank or the Swing Lender, such resignation shall also operate to effectuate its resignation as Issuing Bank or the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrowers, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10 Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such

information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11 Collateral Matters.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release (or, in the case of clause (v), release or subordinate), and Agent agrees to release (or subordinate as applicable), any Lien on any Collateral (i) upon the termination of the Revolver Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrowers certify to Agent that the sale or disposition thereof is permitted under Section 6.4 or the other Loan Documents (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which Parent or its Subsidiaries did not own any interest at the time Agent's Lien was granted nor at any time thereafter, (iv) constituting property leased or licensed to Parent or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, (v) constituting assets or property subject, or to become subject to, a Lien permitted by clause (e), (f), (r) or (t) of the definition of "Permitted Lien", (vi) in connection with a credit bid or purchase authorized under this Section 15.11, or (vii) having a value of less than \$5,000,000 in the aggregate during any calendar year; provided that anything to the contrary contained in any of the Loan Documents notwithstanding, no Lien on any Collateral shall be released if a Default or Event of Default pursuant to Section 8.1 due failure to comply with Section 2.4(e)(i) exists or would be caused thereby. If Agent releases any Lien pursuant to the foregoing sentence on any motor vehicles (including Fleet Assets), then Agent shall request certificates of title with respect to such motor vehicles from the Custodian in possession of such certificates of title and, upon receipt of such certificates of title, Agent will promptly deliver such certificates of title to the Administrative Borrower. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (a) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, or any other Insolvency Law, as applicable, (b) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Section 9-610 or 9-620 of the Code or the PPSA or CCQ, as applicable, or (c) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims

cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Borrowers at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that (1) anything to the contrary contained in any of the Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrowers in respect of) any and all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Each Lender further hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to irrevocably authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness. Notwithstanding the provisions of this Section 15.11, Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards provided that such building, structure or improvement has an immaterial fair market value.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) (i) to verify or assure that the Collateral exists or is owned by Parent or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) [reserved], (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being

understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise expressly provided herein.

15.12 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, enforcement, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13 Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code, the PPSA or the STA, as applicable, can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14 Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available

funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15 Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16 Certain Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, (i) a copy of each field examination report respecting Parent or its Subsidiaries, and (ii) a copy of each appraisal of the Collateral obtained by Agent (each, a "Report") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any field examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent's and its Subsidiaries' books and records, as well as on representations of Borrowers' personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(f) In addition to the foregoing, (i) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or its Subsidiaries to Agent that has not been contemporaneously provided by Parent or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (ii) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (iii) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17 Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Revolver Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Revolver Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18 Agent acting as Hypothecary Representative. Without limiting the powers of the Agent under this Agreement and the Canadian Guarantee and Security Agreement, for the purposes of holding any hypothec granted by any Canadian Loan Party pursuant to the laws of the Province of Quebec, each Canadian Loan Party and Lender hereby irrevocably appoints and authorizes the Agent and, to the extent necessary, ratifies the appointment and authorization of the Agent, to act as the hypothecary representative of the Canadian Loan Parties and the Lenders as contemplated under Article 2692 of the CCQ, and to enter into, to take and to hold on its behalf, and for its benefit, any such hypothec, and to exercise the powers and duties that are conferred upon the Agent under any hypothec. The Agent shall (a) have the sole and exclusive right and authority to exercise, except as otherwise specifically restricted by this Agreement, all rights and remedies given to the Agent pursuant to any such hypothec, applicable law or otherwise, (b) benefit from and be subject to all provisions of this Agreement with respect to the Agent mutatis mutandis in its capacity as hypothecary representative, including all such provisions with respect to the liability or responsibility to and indemnification by the Canadian Loan Parties and the Lenders, and (c) be entitled to delegate from time to time any of its powers or duties under any hypothec on

such terms and conditions as it may determine from time to time. Any Person who becomes a Lender will, by its execution of an Assignment and Acceptance, be deemed to have consented to and confirmed the Agent as the Person acting as hypothecary representative holding those hypothecs and to have ratified, as of the date it becomes a Lender, all actions taken by the Agent in that capacity. The appointment of a successor Agent pursuant to this Agreement also constitutes the appointment of a successor hypothecary representative under this Section. Notwithstanding anything in this Agreement to the contrary, this Section 15.18 is governed by the laws of the Province of Quebec and the federal laws of Canada applicable in Quebec.

16. WITHHOLDING TAXES.

16.1 Payments. All payments made by or on account of any obligation of a Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, except as required by law, and in the event any deduction or withholding of Taxes is required by applicable law, Borrowers shall comply with the next sentence of this Section 16.1. If any Taxes are required to be so withheld or deducted, Borrowers shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then, Borrowers agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts to the extent that the increase in such amount payable results from Agent's or such Lender's own willful misconduct, gross negligence or bad faith (as finally determined by a court of competent jurisdiction). If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Administrative Borrower, then Borrowers may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax. Borrowers will furnish to Agent as promptly as practicable after the date the payment of any Indemnified Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by Borrowers or other documentation reasonably acceptable to Agent. Borrowers agree to pay, or at the option of Agent timely reimburse it for the payment of, any Other Taxes. Borrowers shall indemnify Agent, Issuing Bank or any Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Person or required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Administrative Borrower by a Lender (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

16.2 Exemptions.

(a) Each Lender or Participant agrees with and in favor of Agent and Borrowers, to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to

the Lender granting the participation) one of the following (in each case originally signed) before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers or Agent):

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrowers (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrowers within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, Form W-8BEN-E or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or Form W-8BEN-E;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender or Participant, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is not the beneficial owner of payments made under any Loan Document, (A) a properly completed and executed copy of IRS Form W-8IMY (with proper attachments), and (B) the relevant forms described in clauses (i), (ii), (iii) and (v) of this Section 16.2 that would be required of each such beneficial owner, if such beneficial owner were a Lender or Participant; or

(v) if such Lender or Participant is a U.S. Person (as defined in Section 7701(a)(30) of the IRC) a properly completed and executed copy of IRS Form W-9 certifying that such Lender or Participant is exempt from U.S. federal backup withholding tax.

(b) Each Lender or Participant shall on or prior to the date on which it becomes a Lender or Participant hereunder provide the above forms (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower) and shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and will promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) In the case of a Lender or Participant that would be subject to Tax imposed by FATCA on payments made under this Agreement or any other Loan Document if such Lender or Participant fails to comply with the applicable reporting requirements of FATCA, such Lender or Participant shall provide such documentation prescribed by applicable law and such additional documentation reasonably requested by Borrowers or Agent (which, in the case of a Participant, shall be provided to the Lender granting the participation) as may be necessary for Borrowers or Agent to comply with its obligations under FATCA and to determine that such Lender or

Participant has complied with such Lender's or such Participant's obligations under FATCA or to determine the amount to deduct and withhold from any such payments. Solely for purposes of this Section 16.2(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) If a Lender or Participant is entitled to an exemption from or reduction in withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Agent and Administrative Borrower (which, in the case of a Participant, shall be provided to the Lender granting the participation) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement (and from time to time thereafter upon the reasonable request of Agent or Administrative Borrower), but only if such Lender or such Participant is legally able to deliver such forms. In addition, any Lender or Participant, if reasonably requested by Agent or Administrative Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or Agent as will enable the Loan Parties or Agent to determine whether or not such Lender or Participant is subject to backup withholding or information reporting obligations. Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify Agent and Administrative Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction. Notwithstanding anything to the contrary in the preceding three sentences, nothing in this Section 16.2(d) shall require a Lender or Participant to disclose any information that it reasonably deems to be confidential (including its tax returns) or any documentation or information that, in the Lender's or Participant's reasonable judgment, the completion, execution or submission of which would subject such Lender or Participant to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or Participant.

(e) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent and Administrative Borrower (or, in the case of a Participant, the Lender granting the participation) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent and Borrowers will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(a), 16.2(c) or 16.2(d) as no longer valid. With respect to such percentage amount, such Participant or Assignee shall provide new documentation, pursuant to Section 16.2(a), 16.2(c) or 16.2(d), if applicable. Upon the reasonable request of Agent, a Lender shall also provide to Agent documentation provided to such Lender by a Participant pursuant to Section 16.2(a) or 16.2(c). Borrowers agree that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Revolver Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto and provided that a Participant shall not be entitled to any additional amounts pursuant to this Section 16 in excess of the amount to which Lender granting the participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

16.3 Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(d) are not delivered to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent), then Agent (and, in the case of a Participant, the Lender granting the participation or Agent) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, the Lender granting the participation or Agent) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation or Agent) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (and, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (and, in the case of a Participant, the Lender granting the participation or Agent), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (and, in the case of a Participant, to the Lender granting the participation or Agent only) under this Section 16, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4 Refunds. If Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes paid by the Borrowers pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses (including Taxes) of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agree to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct, gross negligence of Agent hereunder as finally determined by a court of competent jurisdiction) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to Borrowers or any other Person or require Agent or any Lender to pay any amount to an indemnifying party pursuant to Section 16.4, the payment of which would place Agent or such Lender (or their Affiliates) in a less favorable net after-Tax position than such Person would have been in if the

Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

16.5 Survival. Each party's obligations under this Section 16 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Revolver Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

17. GENERAL PROVISIONS.

17.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by Parent, each Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Parent or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 Bank Product Providers. Each Bank Product Provider in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts

that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrowers may obtain Bank Products from any Bank Product Provider, although Borrowers are not required to do so. Each Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6 Debtor-Creditor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein. Each Borrower and each other Loan Party and its Subsidiaries acknowledges that its business and financial relationships with the Lenders are unique from its relationship with any other of its creditors. Each Borrower and each other Loan Party and its Subsidiaries agrees that it shall not file any plan of arrangement under the CCAA or proposal under the BIA which provides for, or would permit, directly or indirectly, the Lenders to be classified with any other creditors of such Borrower and each other Loan Party and its Subsidiaries for purposes of such CCAA plan of arrangement, BIA proposal or otherwise.

17.7 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Execution of any such counterpart may be by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, as in effect from time to time, state enactments of the Uniform Electronic Transactions Act, as in effect from time to time, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Agent reserves the right, in its discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement. Any party delivering an executed counterpart of this Agreement by faxed, scanned or photocopied manual signature shall also deliver an original manually executed counterpart, but the failure to deliver an original manually

executed counterpart shall not affect the validity, enforceability and binding effect of this Agreement. The foregoing shall apply to each other Loan Document, and any notice delivered hereunder or thereunder, *mutatis mutandis*.

17.8 Revival and Reinstatement of Obligations; Certain Waivers. If any member of the Lender Group or any Bank Product Provider repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of Collateral) previously paid or transferred to such member of the Lender Group or such Bank Product Provider in full or partial satisfaction of any Obligation or on account of any other obligation of any Loan Party under any Loan Document or any Bank Product Agreement, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code or any other Insolvency Law relating to fraudulent transfers, preferences, transfers at undervalue or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group or Bank Product Provider elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group or Bank Product Provider elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys' fees of such member of the Lender Group or Bank Product Provider related thereto, (i) the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist, and (ii) Agent's Liens securing such liability shall be effective, revived, and remain in full force and effect, in each case, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) Agent's Liens shall have been released or terminated, or (B) any provision of this Agreement shall have been terminated or cancelled, Agent's Liens, or such provision of this Agreement, shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligation of any Loan Party in respect of such liability or any Collateral securing such liability. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations.

17.9 Confidentiality.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be

required by statute, decision, or judicial or administrative order, rule, or regulation; provided, that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation, and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process, and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 17.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 17.9 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, (i) Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services, and (ii) Agent may disclose information concerning the terms and conditions of this Agreement in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of any Borrower or the other Loan Parties and the Revolver Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent. No Lender may make any such announcement without the prior written consent of Agent (such consent of Agent to be given or withheld in Agent's sole and absolute discretion).

(c) The Loan Parties hereby acknowledge that Agent or its Affiliates may make available to the Lenders materials or information provided by or on behalf of Borrowers hereunder

(collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks, SyndTrak or another similar electronic system (the "Platform"). The Platform is provided "as is" and "as available". Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. The Loan Parties hereby acknowledge that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Loan Parties or their securities). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked "PUBLIC" or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as "Public Investor" (or such other similar term).

17.10 Survival. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Bank, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid or any Letter of Credit is outstanding and so long as the Revolver Commitments have not expired or been terminated.

17.11 Patriot Act, Due Diligence. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, Agent and each Lender shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners, including (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties, (b) OFAC/PEP searches and customary individual background checks for the Loan

Parties' senior management and key principals and (c) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the legal and beneficial owners of the Loan Parties. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.13 Administrative Borrower as Agent for Borrowers. Each Borrower hereby irrevocably appoints Administrative Borrower, as the borrowing agent and attorney-in-fact for all Borrowers which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (a) to provide Agent with all notices with respect to Revolving Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from members of the Lender Group (and any notice or instruction provided by any member of the Lender Group to Administrative Borrower in accordance with the terms hereof shall be deemed to have been given to each Borrower), and (c) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Revolving Loans and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that Lender Group shall not incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Lender Group to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify each member of the Lender Group and hold each member of the Lender Group harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender Group by any Borrower or by any third party whosoever, arising from or incurred by reason of (i) the handling of the Loan Account and Collateral of Borrowers as herein provided, or (ii) the Lender Group's relying on any instructions of Administrative Borrower, except that Borrowers will have no liability to the relevant Agent-Related Person or Lender-Related Person under this Section 17.13 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence

or willful misconduct of such Agent-Related Person or Lender-Related Person, as the case may be.

17.14 Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Solely to the extent an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

17.15 Canadian Anti-Terrorism Laws.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and "know your client" laws, Agent and Lenders may be required to obtain, verify and record information regarding each Loan Party, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of such Loan Party, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by Agent or any Lender, or any prospective assignee or participant of Agent or a Lender, in order to comply with any such laws, whether now or hereafter in existence.

(b) If Agent has ascertained the identity of any Loan Party or any authorized signatories of any Loan Party for the purposes of the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable Canadian anti-money laundering, anti-terrorist financing, Sanctions and "know your client" laws, then Agent:

(i) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a "written agreement" in such regard between each Lender and Agent within the meaning of such laws; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of any Loan Party or any authorized signatories of any Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

17.16 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be the Spot Rate on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable law). Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support

(and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

17.18 Erroneous Payments.

(a) Each Lender, each Issuing Bank, each other Bank Product Provider and any other party hereto hereby severally agrees that if (i) Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or Issuing Bank or any Bank Product Provider (or the Lender which is an Affiliate of a Lender, Issuing Bank or Bank Product Provider) or any other Person that has received funds from Agent or any of its Affiliates, either for its own account or on behalf of a Lender, Issuing Bank or Bank Product Provider (each such recipient, a "Payment Recipient") that Agent has determined in its sole discretion that any funds received by such Payment Recipient were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in clauses (i) or (ii) of this Section 17.18(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise; individually and collectively, an "Erroneous Payment"), then, in each case, such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; provided that nothing in this Section shall require Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient agrees that it shall not assert any right or claim to any Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly notify Agent in writing of such occurrence.

(c) In the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of Agent, and upon demand from Agent such Payment Recipient

shall (or, shall cause any Person who received any portion of an Erroneous Payment on its behalf to), promptly, but in all events no later than one Business Day thereafter, return to Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to Agent at the greater of the Federal Funds Rate and a rate determined by Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by Agent for any reason, after demand therefor by Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "Erroneous Payment Return Deficiency"), then at the sole discretion of Agent and upon Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Revolver Commitments) with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Loans") to Agent or, at the option of Agent, Agent's applicable lending affiliate (such assignee, the "Agent Assignee") in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as Agent may specify) (such assignment of the Loans (but not Revolver Commitments) of the Erroneous Payment Impacted Loans, the "Erroneous Payment Deficiency Assignment") plus any accrued and unpaid interest on such assigned amount, without further consent or approval of any party hereto and without any payment by Agent Assignee as the assignee of such Erroneous Payment Deficiency Assignment. Without limitation of its rights hereunder, following the effectiveness of the Erroneous Payment Deficiency Assignment, Agent may make a cashless reassignment to the applicable assigning Lender of any Erroneous Payment Deficiency Assignment at any time by written notice to the applicable assigning Lender and upon such reassignment all of the Loans assigned pursuant to such Erroneous Payment Deficiency Assignment shall be reassigned to such Lender without any requirement for payment or other consideration. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 13 and (3) Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, Agent (1) shall be subrogated to all the rights of such Payment Recipient and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by Agent to such Payment Recipient from any source, against any amount due to Agent under this Section 17.18 or under the indemnification provisions of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrowers or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by Agent from the Borrowers or any other Loan Party for the purpose of making a

payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received.

(f) Each party's obligations under this Section 17.18 shall survive the resignation or replacement of Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Revolver Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) The provisions of this Section 17.18 to the contrary notwithstanding, (i) nothing in this Section 17.18 will constitute a waiver or release of any claim of any party hereunder arising from any Payment Recipient's receipt of an Erroneous Payment and (ii) there will only be deemed to be a recovery of the Erroneous Payment to the extent that Agent has received payment from the Payment Recipient in immediately available funds in the amount of the Erroneous Payment, whether directly from the Payment Recipient, as a result of the exercise by Agent of its rights of subrogation or set off as set forth above in clause (e) or as a result of the receipt by Agent Assignee of a payment of the outstanding principal balance of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment, but excluding any other amounts in respect thereof (it being agreed that any payments of interest, fees, expenses or other amounts (other than principal) received by Agent Assignee in respect of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment shall be the sole property of Agent Assignee and shall not constitute a recovery of the Erroneous Payment).

¹ A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors' mailing address is 160 S Route 17 North, Paramus, NJ 07652.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Motion.

and this Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. Subject to the Assurance Procedures set forth below, no Utility Company may:
 - (a) alter, refuse, terminate, or discontinue Utility Services to, or discriminate against, the Debtors on the basis of the commencement of these Chapter 11 Cases or on account of outstanding prepetition invoices, or (b) require additional assurance of payment, other than the Utility Deposit, as a condition to the Debtors receiving such Utility Services.
3. The Debtors shall deposit, as adequate assurance for the Utility Companies, \$223,988.00 in the aggregate (the “Utility Deposit”) into a segregated account maintained at a bank that has entered into a Uniform Depository Agreement in a form prescribed by the Office of the United States Trustee for the District of Delaware (the “Utility Deposit Account”) within twenty (20) days of the Petition Date to be maintained during the pendency of these Chapter 11 Cases as provided for herein, which Utility Deposit shall not be subject to any liens

granted to the Debtors' postpetition lender(s) under any order entered by this Court authorizing debtor in possession financing under section 364 of the Bankruptcy Code.

4. Subject to the Assurance Procedures set forth below, the Utility Deposit constitutes adequate assurance of future payment to the Utility Companies under section 366 of the Bankruptcy Code (the "Adequate Assurance").

5. The following Assurance Procedures are approved in all respects:

- a. Any Utility Company desiring assurance of future payment for utility service beyond the Adequate Assurance must serve a request (an "Additional Assurance Request") so that it is received by the following: (i) Coach USA, Inc., 160 S Route 17 North, Paramus, NJ 07652 (Attn: Chrystal Haag-Morris (chrystal.morris@cr3partners.com)); and (ii) proposed co-counsel to the Debtors, Alston & Bird LLP, 90 Park Avenue, New York, New York 10016 (Attn: William Hao and Andrew T. Frisoli) (william.hao@alston.com, andrew.frisoli@alston.com), Young Conaway Stargatt & Taylor, LLP, 1000 N. King Street, Wilmington, Delaware 19801 (Attn: Joseph M. Mulvihill and Rebecca L. Lamb) (jmulvihill@ycst.com, rlamb@ycst.com).
- b. Any Additional Assurance Request must: (i) be made in writing; (ii) specify the amount and nature of assurance of payment that would be satisfactory to the Utility Company; (iii) set forth the location(s) for which Utility Services are provided and the relevant account number(s); (iv) describe any deposits, prepayments, or other security currently held by the requesting Utility Company; and (v) explain why the requesting Utility Company believes the Adequate Assurance is not sufficient adequate assurance of future payment.
- c. Upon the Debtors' receipt of an Additional Assurance Request at the addresses set forth above, the Debtors shall promptly negotiate with the requesting Utility Company to resolve its Additional Assurance Request.
- d. The Debtors may resolve any Additional Assurance Request by mutual agreement with the requesting Utility Company and without further order of this Court, and may, in connection with any such resolution, in their discretion, provide the requesting Utility Company with additional assurance of future payment in a form satisfactory to the Utility Company, including, but not limited to, cash deposits, prepayments, and/or other forms of security, if the Debtors believe such additional assurance is reasonable. Without the need for any notice to, or action, order, or approval of, this Court, the Debtors may reduce the amount of the Utility Deposit by any amount allocated to a particular Utility Company to the

extent consistent with any alternative adequate assurance arrangements mutually agreed to by the Debtors and the affected Utility Company.

- e. If the Debtors determine that an Additional Assurance Request is not reasonable or are unable to reach an alternative resolution with the applicable Utility Company, the Debtors will request a hearing, upon reasonable notice, before this Court to determine the adequacy of assurances of payment made to the requesting Utility Company (the “Determination Hearing”), pursuant to section 366(c)(3)(A) of the Bankruptcy Code.
- f. Pending the resolution of the Additional Assurance Request at a Determination Hearing, the Utility Company making such request shall be restrained from discontinuing, altering, or refusing service to the Debtors on account of unpaid charges for prepetition services, the commencement of these Chapter 11 Cases, or any objections to the Adequate Assurance, or requiring the Debtors to furnish any additional deposit or other security for the continued provision of services.
- g. The Adequate Assurance shall be deemed adequate assurance of payment for any Utility Company that fails to make an Additional Assurance Request.
- h. The portion of the Utility Deposit attributable to each Utility Company may be returned to the Debtors, without further order of this Court, on the earlier of (i) the reconciliation and payment by the Debtors of the Utility Company’s final invoice following the Debtors’ termination of Utility Services from such Utility Company, provided that such Utility Company does not dispute that it has been paid in full for postpetition services or does not respond to a notice of the Debtors’ intent to reduce the Utility Deposit within fourteen (14) days following the filing and service of such notice upon the affected Utility Company and (ii) the effective date of any chapter 11 plan confirmed in these Chapter 11 Cases.

6. The Debtors are authorized to increase the Utility Deposit by an amount equal to approximately two (2) weeks of the Debtors’ estimated aggregate utility expense for each Additional Utility Company identified subsequent to the Petition Date. The Additional Utility Companies (such as they are defined in the Motion) are subject to the terms of this Interim Order (including the Assurance Procedures).

7. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Any objections or responses to the Motion shall be filed on or before 4:00 p.m.

(prevailing Eastern Time), July 2, 2024 and served on (a) the Office of the United States Trustee for the District of Delaware (Attn: Richard Schepacarter (Richard.Schepacarter@usdoj.gov)), (b) Alston & Bird LLP, 90 Park Avenue, New York, NY 10016 (Attn: J. Eric Wise (eric.wise@alston.com), Matthew K. Kelsey (matthew.kelsey@alston.com), and William Hao (william.hao@alston.com)), (c) Young Conaway Stargatt & Taylor, LLP, 1000 N. King Street, Rodney Square, Wilmington, Delaware 19801 (Attn: Joseph M. Mulvihill (jmulvihill@ycst.com) and Rebecca L. Lamb (rlamb@ycst.com)), (d) counsel to any statutory committee appointed in these Chapter 11 Cases, and (e) counsel to Wells Fargo Bank, National Association, (i) Goldberg Kohn, 55 E. Monroe St., Chicago, Illinois 60603 (Attn: William A. Starshak (William.Starshak@goldbergkohn.com), Dimitri G. Karcazes (Dimitri.Karcazes@goldbergkohn.com), Prisca M. Kim (prisca.kim@goldbergkohn.com), and Nicole P. Bruno (Nicole.Bruno@goldbergkohn.com)) and (ii) Richards, Layton & Finger, P.A., 920 North King Street, Wilmington, Delaware 19801 (Attn: John H. Knight (knight@rlf.com) and Paul N. Heath (heath@rlf.com)). If no objections are timely filed, this Court may enter the Final Order without further notice or hearing.

8. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be deemed or construed as: (a) an admission as to the validity of, or a promise to pay with respect to, any claim or lien against the Debtors or their estates; (b) a waiver of the Debtors' right to dispute any claim or lien; or (c) an admission of the priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise.

9. The Debtors are authorized to reduce the Utility Deposit to the extent that it includes an amount on account of a Utility Company that the Debtors subsequently determine

should be removed from the Utility Deposit Account upon either: (a) obtaining the affected Utility Company's consent to reduce the Utility Deposit or (b) providing such affected Utility Company with fourteen (14) days' notice of their intent to reduce the Utility Deposit and receiving no response thereto.

10. Nothing herein shall be deemed to constitute the postpetition assumption of any executory contract under section 365 of the Bankruptcy Code or authority to lift or modify the automatic stay set forth in section 362 of the Bankruptcy Code.

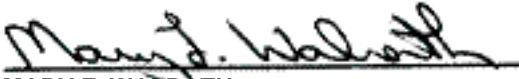

11. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief requested in the Motion, as granted hereby, is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be immediately effective and enforceable upon its entry.

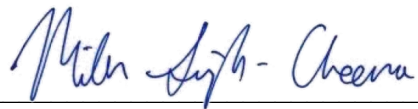

13. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Interim Order in accordance with the Motion.

14. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation of this Interim Order.

having found that this matter is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein until such time as this Court conducts a final hearing on this matter.
2. The Debtors are authorized to maintain and use the Cash Management System as described in the Motion.
3. The Debtors are authorized to (a) continue to use, with the same account numbers, the Bank Accounts, (b) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession, and (c) use, in their present form, all Business Forms, without reference to their status as debtors in possession, except as otherwise provided in this Interim Order.
4. The Banks are hereby authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession without interruption and in the usual and ordinary course, and to receive, process, honor, and pay, to the extent of

available funds, any and all checks, drafts, wires, credit card payments, and automated clearing house transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be; *provided, however*, that, subject to paragraph 6 below, any check drawn or issued by the Debtors before the Petition Date but presented to Banks for payment after the Petition Date may be honored by the Banks only if specifically authorized by order of this Court.

5. Notwithstanding any other provision of this Interim Order, if the Banks honor a prepetition check or other item drawn on any account that is the subject of this Interim Order (a) at the direction of the Debtors, (b) in good faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as the result of an innocent mistake made despite implementation of reasonable item handling procedures, it shall not be deemed to be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Interim Order.

6. The Banks are authorized to debit the Bank Accounts in the ordinary course of business without need for further order of this Court for: (a) all checks drawn on the Debtors' accounts which were cashed at such Bank's counters or exchanged for cashier's checks by the payees thereof prior to the filing of these Chapter 11 Cases, (b) all checks, automated clearing house entries, and other items deposited or credited to the Bank Accounts prior to filing of these Chapter 11 Cases that have been dishonored, reversed, or returned unpaid for any reason, together with any fees and costs in connection therewith, to the same extent the Debtors were responsible for such items prior to filing of these Chapter 11 Cases and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any Bank as service charges for the maintenance of the Cash Management System.

7. The Banks may rely on the representations of the Debtors with respect to whether any check, item, or other payment order drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this or any other order of this Court, and the Banks shall not have any liability to any party for relying on such representations by the Debtors as provided for herein.

8. Those certain existing deposit agreements between the Debtors and the Banks shall continue to govern the postpetition cash management relationship between the Debtors and the Banks, and all of the provisions of such agreements, including, without limitation, the termination, fee provisions, rights, benefits, offset rights, and remedies afforded under such agreements, shall remain in full force and effect. Subject to the terms of this Interim Order, either the Debtors or the Banks may, without further order of this Court, implement changes to the Debtors' Cash Management System in the ordinary course of business pursuant to the terms of those existing deposit agreements, including, without limitation, the opening and closing of bank accounts.

9. The Debtors are authorized in the ordinary course and consistent with prepetition practices, to open new bank accounts, close any existing Bank Account, and enter into any ancillary agreements, including new deposit control agreements, related to the foregoing, as the Debtors may deem necessary and appropriate, subject to the terms and provisions of the Debtors' agreement with the Banks, as applicable; provided that any such new account is with one of the Debtors' existing Banks or with an institution that is a party to a Uniform Depository Agreement with the U.S. Trustee or is willing to immediately execute a Uniform Depository Agreement. The Debtors shall provide written notice to the U.S. Trustee and any statutory committee appointed in these Chapter 11 Cases within ten (10) days of the opening of such account.

10. The Debtors are authorized, but not directed, to continue paying the Bank Fees in the ordinary course of business and to honor and pay obligations in connection with the Bank Fees.

11. The Debtors are authorized to use their existing Business Forms; provided, that once the Debtors' existing stock of Business Forms has been used, the Debtors shall, when reordering checks or other Business Forms, require the designation "Debtor in Possession" and the corresponding bankruptcy case number on all checks.

12. The Debtors are authorized, but not directed, to continue performing Intercompany Transactions in the ordinary course of business and to honor and pay obligations in connection with the Intercompany Transactions; *provided, however*, that, except as contemplated by the Approved Budget (as defined in the DIP Facility), the Debtors shall provide reasonable prior written notice to the DIP Agent and counsel to any statutory committee appointed in these Chapter 11 Cases of any Intercompany Transaction to a non-Debtor or any non-Prepetition ABL Loan Party.

13. The Debtors shall continue to maintain current records with respect to all transfers of cash so that all transactions, including Intercompany Transactions, may be readily ascertained, traced, and recorded properly on applicable intercompany accounts.

14. All Intercompany Claims owed by a Debtor to another Debtor shall be accorded administrative priority status of the kind specified in section 503(b) of the Bankruptcy Code to the extent such obligations arise after the Petition Date.

15. To the extent that any of the Debtors' Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code and any provision of the Guidelines, the Debtors shall have thirty (30) days from the entry of this Interim Order with respect of the Motion, without

prejudice to seeking an additional extension or extensions, to come into compliance with section 345(b) of the Bankruptcy Code and the Guidelines; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the time period set forth in this paragraph by entering into a written stipulation with the U.S. Trustee without the need for further Court order.

16. Notwithstanding the Debtors' authorized use of a consolidated cash management system, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each particular Debtor, regardless of which Debtor remits payment for those disbursements.

17. Within five (5) business days from the date of the entry of this Order, the Debtors shall (i) serve a copy of this Interim Order on the Banks and (ii) request that the Banks internally code the Bank Accounts as "debtor in possession" accounts.

18. For Banks at which the Debtors hold Bank Accounts that are party to a Uniform Depository Agreement with the U.S. Trustee, the Debtors shall immediately: (a) contact the Bank; (b) provide the Bank with each of the Debtors' employer identification numbers; and (c) instruct the Bank to rename the Bank Account(s) as "Debtor in Possession" accounts with the Petition Date and the lead case number included on the account title.

19. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Any objections or responses to the Motion shall be filed on or before 4:00 p.m. (prevailing Eastern Time) on July 2, 2024 and served on (a) the U.S. Trustee (Attn: Richard Schepacarter (Richard.Schepacarter@usdoj.gov)), (b) Alston & Bird LLP, 90 Park Avenue, New York, New York 10016 (Attn: J. Eric Wise (eric.wise@alston.com), Matthew K. Kelsey

(matthew.kelsey@alston.com), and William Hao (william.hao@alston.com)), (c) Young Conaway Stargatt & Taylor, LLP, 1000 N. King Street, Rodney Square, Wilmington, Delaware 19801 (Attn: Joseph M. Mulvihill (jmulvihill@ycst.com) and Rebecca L. Lamb (rlamb@ycst.com)), (d) counsel to any statutory committee appointed in these Chapter 11 Cases, and (e) counsel to Wells Fargo Bank, National Association, (i) Goldberg Kohn, 55 E. Monroe St., Chicago, Illinois 60603 (Attn: William A. Starshak (William.Starshak@goldbergkohn.com), Dimitri G. Karcazes (Dimitri.Karcazes@goldbergkohn.com), Prisca M. Kim (prisca.kim@goldbergkohn.com), and Nicole P. Bruno (Nicole.Bruno@goldbergkohn.com)) and (ii) Richards, Layton & Finger, P.A., 920 North King Street, Wilmington, Delaware 19801 (Attn: John H. Knight (knight@rlf.com) and Paul N. Heath (heath@rlf.com)). If no objections are timely filed, the Court may enter a final order without further notice or hearing.

20. Nothing in the Motion or this Interim Order shall be deemed or construed as: (a) an admission as to the validity of, or a promise to pay with respect to, any claim or lien against the Debtors or their estates, (b) a waiver of the Debtors' right to dispute any claim or lien, or (c) an admission of the priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise.

21. Nothing herein shall be deemed to constitute the postpetition assumption of any executory contract under section 365 of the Bankruptcy Code or authority to lift or modify the automatic stay set forth in section 362 of the Bankruptcy Code.

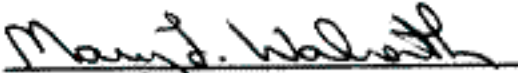

22. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief requested in the Motion, as granted hereby, is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

23. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be immediately effective and enforceable upon its entry.

24. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Interim Order in accordance with the Motion.

Constitution; and this Court having found that notice of the Motion has been given as set forth in the Motion and that such notice is adequate and no other or further notice need be given; and this Court having considered the First Day Declaration; and a hearing having been held to consider the relief requested in the Motion; and upon the record of the hearing on the Motion and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to pay all or part of, on a case-by-case basis, the Critical Vendor Claims, including the 503(b)(9) Claims, in an amount not to exceed \$5.6 million on an interim basis, absent further order of the Court.
3. The Debtors are authorized, but not directed, to pay all or part, on a case-by-case basis, the Lien Claims in an aggregate amount not to exceed \$1,225,000 on an interim basis, absent further order of the Court.
4. The Debtors are authorized, but not directed, to condition payment to any Critical Vendor or Lien Claimant upon an agreement by the party in question to provide Customary Trade Terms, including reasonable and customary price, service, quality and payment terms to the Debtors on a postpetition basis. The Debtors may require more favorable trade terms with any Critical Vendor or Lien Claimants as a condition to payment of any prepetition claim. In the event that the Debtors and the Critical Vendor or Lien Claimant in question are not, despite

diligent efforts, able to come to a resolution pursuant to the Customary Trade Terms, the Debtors are authorized, but not directed, to make full or partial payment to a Critical Vendor or Lien Claimant only to the extent that the Debtors deem such payment is necessary to ensure that the particular vendor will provide necessary goods and services to the Debtors on a postpetition basis.

5. The Debtors are hereby authorized, but not directed, to require a Critical Vendor or Lien Claimant to enter into a Trade Agreement, substantially in the form attached as Exhibit 1 to this Interim Order, before issuing payment to such Critical Vendor or Lien Claimant.

6. For those Critical Vendors and Lien Claimants who have agreed to provide goods and services to the Debtors on terms different from their Customary Trade Terms, the Debtors reserve the right to seek written acknowledgment of such terms on a case-by-case basis. Nothing in this Interim Order should be construed as a waiver by any of the Debtors of their rights to contest any invoice of a Critical Vendor or Lien Claimant under applicable non-bankruptcy law.

7. If a Critical Vendor or Lien Claimant refuses to supply goods or services to the Debtors on Customary Trade Terms following payment of any portion of its Critical Vendor Claim or Lien Claim, or fails to comply with any trade agreement it entered into with the Debtors, the Debtors may, in consultation with the DIP Agent, and without further order of the Court, (i) declare that any trade agreement, including a Trade Agreement, between the Debtors and such Critical Vendor or Lien Claimant is terminated (if applicable), (ii) declare that any payments made to such Critical Vendor or Lien Claimant on account of its Critical Vendor Claim or Lien Claim, whether pursuant to a trade agreement or otherwise, are deemed to have been in payment of then outstanding postpetition claims of such Critical Vendor or Lien

Claimant, or (iii) treat such payments as avoidable unauthorized postpetition transfers of property.

8. In the event the Debtors exercise the rights set forth in the preceding paragraph, the Debtors may also request that the Critical Vendor or Lien Claimant against which the Debtors exercised such rights be required to immediately return to the Debtors any payments made on account of its Critical Vendor Claim or Lien Claim to the extent that such payments exceed the postpetition amounts then owed to such Critical Vendor, without giving effect to any rights of setoff or reclamation.

9. Any payments with respect to prepetition claims hereunder shall first be used to satisfy any allowed claim of the applicable Critical Vendor or Lien Claimant that is entitled to priority under section 503(b)(9) of the Bankruptcy Code, in whole or in part, and thereafter to satisfy the applicable Critical Vendor or Lien Claimant's general unsecured claim(s). A Critical Vendor or Lien Claimant's execution of a Trade Agreement shall not impact the priority of the Critical Vendor or Lien Claimant's claim.

10. Any Critical Vendor or Lien Claimant that accepts payments pursuant to the authority granted in this Interim Order shall be deemed to agree to the terms and provisions of this Interim Order. The Debtors shall provide a copy of this Interim Order to any Critical Vendor or Lien Claimant to whom a payment is made pursuant to this Interim Order.

11. Each of the Banks is authorized to receive, process, honor, and pay all checks and transfers issued or requested by the Debtors, to the extent that sufficient funds are on deposit in the applicable accounts, in accordance with this Interim Order and any other order of this Court.

12. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests

in connection with any of the Critical Vendor Claims or Lien Claims described herein that are dishonored or rejected.

13. The final hearing shall take place on July 9, 2024 at 3:00 p.m. (prevailing Eastern Time). Any objections or responses to the Motion shall be filed on or before 4:00 p.m. (prevailing Eastern Time) on July 2, 2024 and served on (a) the Office of the United States Trustee for the District of Delaware (Attn: Richard Schepacarter (Richard.Schepacarter@usdoj.gov)), (b) Alston & Bird LLP, 90 Park Avenue, New York, New York 10016 (Attn: J. Knight (knight@rlf.com) and Paul N. Heath (heath@rlf.com)). If no objections are timely filed, the Court may enter the Final Order without further notice or hearing.

14. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be deemed or construed as: (a) an admission as to the validity of, or a promise to pay with respect to, any claim or lien against the Debtors or their estates; (b) a waiver of the Debtors' right to dispute any claim or lien; (c) an admission of the

priority status of any claim, whether under section 503(b)(9) of the Bankruptcy Code or otherwise; or (d) a waiver of the Debtors' right to contest any invoice of a Critical Vendor or Lien Claimant under applicable non-bankruptcy law.

15. Nothing herein shall be deemed to constitute the postpetition assumption of any executory contract under section 365 of the Bankruptcy Code or authority to lift or modify the automatic stay set forth in section 362 of the Bankruptcy Code.

16. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief requested in the Motion, as granted hereby, is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

Coach USA, Inc. (the “Company”), on the one hand, and the vendor identified in the signature block below (the “Vendor”), on the other hand, hereby enter into the following trade agreement (this “Trade Agreement”) dated as of the latest date in the signature blocks below.

Recitals

WHEREAS on June 11, 2024 (the “Petition Date”), the Company and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Court”).

WHEREAS on [●], 2024, the Court entered its *[Interim/Final] Order (I) Authorizing Debtors to Pay Prepetition Claims of Certain Critical Vendors, 503(b)(9) Claimants and Lien Claimants; (II) Authorizing Banks to Honor and Process Check and Electronic Transfer Requests Related Thereto; (III) Scheduling a Final Hearing; and (IV) Granting Related Relief* [Docket No. ____] (the “Critical Vendor Order”)¹ authorizing the Debtors [on an interim/a final] basis, under certain conditions, to pay prepetition claims of certain vendors, including the Vendor, subject to the terms and conditions set forth therein.

WHEREAS prior to the Petition Date, the Vendor delivered goods to the Company and/or performed services for the Company, and the Company paid the Vendor for such goods and/or services, according to Customary Trade Terms (as defined herein).

WHEREAS the Company and the Vendor (each a “Party” and, collectively, the “Parties”) agree to the following terms as a condition of payment on account of certain prepetition claims the Vendor may hold against the Company.

Agreement

1. Recitals. The foregoing recitals are incorporated herein by reference as if set forth herein at length.

2. Vendor Payment. The Vendor represents and agrees that, after due investigation, the sum of all prepetition amounts currently due and owing by the Company to the Vendor is \$[] (the “Agreed Vendor Claim”). Following execution of this Trade Agreement, the Company shall, in full and final satisfaction of the Agreed Vendor Claim, pay the Vendor \$[] on account of its Agreed Vendor Claim (the “Vendor Payment”) (without interest, penalties, or other charges), as such invoices become due and payable, which such Vendor Payments shall reduce the agreed amount of the Agreed Vendor Claim dollar-for-dollar.

¹ Capitalized terms used and not defined herein shall have the meanings ascribed to them in the Critical Vendor Order.

3. Agreement to Supply.

- a. The Vendor shall supply goods to and/or perform services for the Company, and the Company shall accept and pay for goods and/or services from the Vendor (to the extent the Company seeks such services), for the duration of the Debtors' Chapter 11 Cases based on the following terms (the "Customary Trade Terms"): those trade terms at least as favorable to the Company as those practices and programs (including, but not limited to, credit limits, pricing, cash discounts, the number of days for timing of payments and payment terms, allowances (as may be incorporated or contemplated by any agreements between the Parties or based on historic practice, as applicable), rebates, product mix, availability, and other applicable terms or programs) in place at any time within the twelve months prior to the Petition Date, or are otherwise acceptable to the Company in light of customary industry practices, except for any partial payments or other payments (or assurances) the Company made with respect to any unfinished product. "Duration of the Debtors' Chapter 11 Cases" means until the earlier of: (i) the effective date of a chapter 11 plan in the Company's Chapter 11 Cases; (ii) the closing of a sale of all or a material portion of the Company's assets pursuant to Bankruptcy Code section 363 resulting in a cessation of the Company's business operations; or (iii) the liquidation of the Company or conversion of the Debtors' Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code.
- b. The Customary Trade Terms may not be modified, adjusted, or reduced in a manner adverse to the Company except as agreed to in writing by the Parties.
- c. The Vendor shall continue to honor any existing allowances, rebates, credits, contractual obligations, or balances that were accrued as of the Petition Date and shall apply all such allowances, credits, or balances towards future orders in the ordinary course of business.
- d. The Vendor shall continue all shipments of goods in the ordinary course and shall fill orders for goods requested by the Company, in the quantities as the Company has requested, to the best of their ability in the ordinary course of business pursuant to the Customary Trade Terms.
- e. The Vendor shall not be permitted to cancel any contract, agreement, or arrangement pursuant to which they provide services to the Debtors for the duration of the Debtors' chapter 11 cases.

4. Payment Terms. The Vendor agrees to supply post-petition goods and services to the Company in accordance with the Customary Trade Terms, which include the following payment terms:

5. Other Matters.

- a. The Vendor agrees that it shall not require a lump-sum payment upon the effective date of a plan in the Debtors' Chapter 11 Cases on account of any outstanding administrative claims the Vendor may assert arising from the delivery of postpetition goods or services, to the extent that payment of such claims is not yet due. The Vendor agrees that such claims will be paid in the ordinary course of business after confirmation of a plan pursuant to the Customary Trade Terms then in effect. The Vendor Payment will be made concurrently with payment of other outstanding administrative claims as provided in a confirmed plan.
- b. The Vendor will not separately seek payment from the Company on account of any prepetition claim (including, without limitation, any reclamation claim or any claim pursuant to section 503(b)(9) of the Bankruptcy Code) outside the terms of this Trade Agreement or a plan confirmed in the Debtors' Chapter 11 Cases.
- c. The Vendor will not file or otherwise assert against the Company, its assets, or any other person or entity or any of their respective assets or property (real or personal) any lien, regardless of the statute or other legal authority upon which the lien is asserted, related in any way to any remaining prepetition amounts allegedly owed to the Vendor by the Company arising from prepetition agreements or transactions. Furthermore, if the Vendor has taken steps to file or assert such a lien prior to entering into this Trade Agreement, the Vendor will promptly take all necessary actions to remove such liens and hereby authorizes the Company to take any such actions on its behalf.

6. Breach.

- a. In the event that the Vendor fails to satisfy its undisputed obligations arising under this Trade Agreement (a "Vendor Breach"), upon written notice to the Vendor, the Vendor shall promptly pay to the Company immediately available funds in an amount equal to, at the election of the Company, the Vendor Payment or any portion of the Vendor Payment which cannot be recovered by the Company from the postpetition receivables then owing to the Vendor from the Company.
- b. In the event that the Company recovers the Vendor Payment, the Agreed Vendor Claim shall be reinstated as if the Vendor Payment had not been made.
- c. The Vendor agrees and acknowledges that irreparable damage would occur in the event of a Vendor Breach and remedies at law would not be adequate to compensate the Company. Accordingly, the Vendor agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Trade Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive relief and/or other equitable relief. The right to equitable

relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Trade Agreement. The Vendor hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance, or other equitable remedies.

Upon the *Debtors' Application for Appointment of Kroll Restructuring Administrator LLC as Claims and Noticing Agent* (the "Section 156(c) Application") filed by the above-captioned debtors and debtors in possession (collectively, the "Debtors"); and this Court having reviewed the Section 156(c) Application; and this Court having found that it has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1334(b) and 157, and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012; and this Court having found that venue of these cases and the Section 156(c) Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that this matter is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having determined that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that notice of the Section 156(c) Application has been given as set forth in the Section 156(c) Application and that such notice is adequate and no other or further notice need be given; and this Court having considered the Steele Declaration; and the Debtors having estimated that there are in excess of 200 creditors in these Chapter 11 Cases,

¹ A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors' mailing address is 160 S Route 17 North, Paramus, NJ 07652.

many of which are expected to file proofs of claim; and it appearing that the receiving, docketing, and maintaining of proofs of claim would be unduly time-consuming and burdensome for the Clerk; and this Court being authorized under 28 U.S.C. § 156(c) to utilize, at the Debtors' expense, outside agents and facilities to provide notices to parties in title 11 cases and to receive, docket, maintain, photocopy, and transmit proofs of claim; and this Court being satisfied that Kroll has the capability and experience to provide such services and that Kroll does not hold an interest adverse to the Debtors or the estates respecting the matters upon which it is to be engaged; and a hearing having been held to consider the relief requested in the Section 156(c) Application; and upon the record of the hearing on the Section 156(c) Application and all of the proceedings had before this Court; and this Court having found and determined that the relief sought in the Section 156(c) Application is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest; and this Court having determined that the legal and factual basis set forth in the Section 156(c) Application establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor;

IT IS HEREBY ORDERED THAT:

1. Notwithstanding the terms of the Engagement Agreement attached to the Section 156(c) Application, the Section 156(c) Application is approved solely as set forth in this Order.
2. The Debtors are authorized to retain Kroll as Claims and Noticing Agent effective as of the Petition Date under the terms of the Engagement Agreement, and Kroll is authorized and directed to perform noticing services and to receive, maintain, record, and otherwise administer the proofs of claim filed in these Chapter 11 Cases, and all related tasks, all as described in the Section 156(c) Application.

3. Kroll shall serve as the custodian of court records and shall be designated as the authorized repository for all proofs of claim filed in these Chapter 11 Cases and is authorized and directed to maintain official claims registers for each of the Debtors, to provide public access to every proof of claim unless otherwise ordered by this Court, and to provide the Clerk with a certified duplicate thereof upon the request of the Clerk.

4. Kroll is authorized and directed to provide an electronic interface for filing proofs of claim and to obtain a post office box or address for the receipt of proofs of claim.

5. Kroll is authorized to take such other action to comply with all duties set forth in the Section 156(c) Application.

6. The Debtors are authorized to compensate Kroll in accordance with the terms of the Engagement Agreement upon the receipt of reasonably detailed invoices setting forth the services provided by Kroll and the rates charged for each, and to reimburse Kroll for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without the need for Kroll to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses.

7. Kroll shall maintain records of all services showing dates, categories of services, fees charged, and expenses incurred, and shall serve monthly invoices on the Debtors, the U.S. Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors, and any party in interest who specifically requests service of the monthly invoices.

8. The parties shall meet and confer in an attempt to resolve any dispute which may arise relating to the Engagement Agreement or monthly invoices; *provided* that the parties may seek resolution of the matter from the Court if resolution is not achieved.

9. Pursuant to section 503(b)(1)(A) of the Bankruptcy Code, the fees and expenses of Kroll under this Order shall be an administrative expense of the Debtors' estates.

10. Kroll may apply its retainer to all prepetition invoices, which retainer shall be replenished to the original retainer amount, and, thereafter, Kroll may hold its retainer under the Engagement Agreement during these Chapter 11 Cases as security for payment of fees and expenses incurred under the Engagement Agreement.

11. The Debtors shall indemnify Kroll under the terms of the Engagement Agreement, as modified pursuant to this Order.

12. Kroll shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Agreement for services other than the services provided under the Engagement Agreement, unless such services and the indemnification, contribution, or reimbursement therefor are approved by the Court.

13. The limitation of liability section of the Engagement Agreement is deemed to be of no force or effect with regard to the services provided pursuant to this Order.

14. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation to indemnify Kroll, or provide contribution or reimbursement to Kroll, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from Kroll's gross negligence, willful misconduct, or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of Kroll's contractual obligations if the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) settled prior to a judicial determination under (i) or (ii), but determined by this Court, after notice and a hearing, to be a claim or expense for which Kroll should not receive indemnity,

contribution, or reimbursement under the terms of the Engagement Agreement as modified by this Order.

15. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these Chapter 11 Cases, Kroll believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Engagement Agreement (as modified by this Order), including the advancement of defense costs, Kroll must file an application therefor in this Court, and the Debtors may not pay any such amounts to Kroll before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses by Kroll for indemnification, contribution, or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Kroll. All parties in interest shall retain the right to object to any demand by Kroll for indemnification, contribution, or reimbursement.

16. In the event that Kroll is unable to provide the services set out in this Order, Kroll will immediately notify the Clerk and the Debtors' counsel and, upon approval of this Court, cause to have all original proofs of claim and computer information turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' attorney.

17. The Debtors may submit a separate retention application, pursuant to section 327 of the Bankruptcy Code and/or any applicable law, for work that is to be performed by Kroll but is not specifically authorized by this Order.

18. The Debtors and Kroll are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Section 156(c) Application.

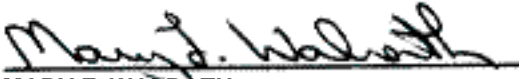

19. Notwithstanding any term in the Engagement Agreement to the contrary, this Court shall retain exclusive jurisdiction with respect to all matters arising from or related to the implementation of this Order.

20. Notwithstanding any provision in the Bankruptcy Rules to the contrary, this Order shall be immediately effective and enforceable upon its entry.

21. Kroll shall not cease providing claims processing services during the Chapter 11 Cases for any reason, including nonpayment, without an order of this Court.

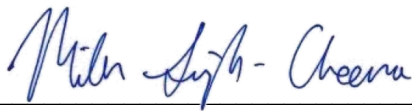

22. In the event of any inconsistency between the Engagement Agreement, the Section 156(c) Application and the Order, this Order shall govern.

An "Option" to acquire stock includes any contingent purchase, warrant, convertible debt, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

5. The Debtors may waive any and all restrictions, stays and notification procedures contained in this Interim Order.

Chapter 11

Case No. 24-11258 (____)

(Joint Administration Requested)

**DECLARATION OF SPENCER WARE IN SUPPORT OF THE DEBTORS’
CHAPTER 11 PETITIONS AND REQUESTS FOR FIRST DAY RELIEF**

Spencer Ware, pursuant to 28 U.S.C. § 1746, declares as follows:

1. I am the Chief Restructuring Officer for the above-captioned debtors and debtors in possession (collectively, “Coach USA,” the “Company,” or the “Debtors”).

2. I have over 20 years of experience in corporate turnaround and restructuring. I have served as the chief restructuring officer or in other officer roles, including as chief executive officer, for Eastern Mountain Sports, Bob’s Stores, J.C. Penney, and BHCosmetics. I have advised a wide range of organizations in connection with distressed situations, including CEVA Logistics, General Growth Properties, Port Authority of Puerto Rico, The Von Drehle Corporation, and SemGroup Energy Partners. I received a Bachelor of Arts in Economics from Haverford College, attended the London School of Economics, and have achieved the designations of Certified Insolvency and Restructuring Advisor and Certified Turnaround Professional.

3. The Company retained CR3 Partners, LLC in December of 2023, and I have been working closely with the Company and its management team from the outset of the engagement.

¹ A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.ra.kroll.com/CoachUSA>. The Debtors’ mailing address is 160 S Route 17 North, Paramus, NJ 07652.

I was appointed as Chief Restructuring Officer in connection with the commencement of these chapter 11 cases (the “Chapter 11 Cases”). As a result of my involvement with the Debtors, my review of Company documents, and my discussions with other members of the Debtors’ management team and the Debtors’ professionals, I am familiar with the Debtors’ business, financial condition, policies and procedures, day-to-day operations, and books and records. Except as otherwise noted, all facts set forth herein are based upon my personal knowledge of the Debtors’ operations and finances, information learned from my review of relevant documents, information supplied to me by other members of the Debtors’ management and the Debtors’ professional advisors, or my opinion based on my experience, knowledge, and information concerning the Debtors’ operations and financial condition. I am authorized to submit this Declaration on behalf of the Debtors and, if called upon to testify, I could and would testify competently to the facts set forth in herein.

4. On the date hereof (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Court”). The Debtors will continue to operate their businesses and manage their properties as debtors in possession.

5. I submit this Declaration on behalf of the Debtors in support of the Debtors’ (a) voluntary petitions for relief under chapter 11 of the Bankruptcy Code, and (b) “first day” motions, which are being filed contemporaneously with the voluntary petitions (collectively, the “First Day Motions”). The Debtors seek the relief set forth in the First Day Motions to minimize the impact of the commencement of these chapter 11 cases on their business as well as to ensure a smooth transition into chapter 11 for the Debtors’ employees, customers, vendors, and suppliers. I have reviewed the Debtors’ petitions and the First Day Motions, or have otherwise

had their contents explained to me, and it is my conclusion that the relief sought in each First Day Motion is essential to avoid immediate and irreparable harm and ensure the uninterrupted operation of the Debtors' business and the success of these Chapter 11 Cases.

6. Part I of this Declaration provides an overview of the Debtors' business, organizational structure, capital structure, and significant prepetition indebtedness, as well as a discussion of the Debtors' financial performance and the events leading to the Debtors' chapter 11 filings. Part II sets forth the support for the First Day Motions and the relief sought by such motions.

PART I

A. Business Overview

7. Coach USA is one of the leading providers of ground passenger transportation and mobility solutions in North America. The Company is a trusted business partner providing many types of specialized ground transportation solutions to government agencies, airports, colleges and universities, and major corporations. With 25 business segments throughout the United States and Canada employing approximately 2,700 employees and operating approximately 2,070 buses, the Coach USA network of companies carries millions of passengers throughout the United States and Canada each year.

8. In addition to the household name "Coach USA," the Company operates under several other brands, including: Megabus, Coach Canada, Coach USA Airport Express, Dillon's Bus Company, and Go Van Galder. Through its affiliates and subsidiaries, and under various brand names, the Company has been offering passenger transportation solutions for over 100 years.

9. In April 2019, the private equity firm Variant Equity Advisors purchased Coach USA from Stagecoach Group plc in a transaction valued at approximately \$270 million. The 2019 transaction was funded in part by the Prepetition ABL Facility and SCUSI Note (both as defined herein and described further below).

10. Coach USA provides a broad range of service offerings, generally categorized as follows:

Contract Services	<ul style="list-style-type: none"> Fixed route and commuter bus services for transit agencies and services for private corporations such as employee shuttles.
Commuter and Scheduled Services	<ul style="list-style-type: none"> Reliable and convenient scheduled bus services for intra- and intercity, commuter, and leisure travels, as well as local transit bus services.
Intercity & Retail	<ul style="list-style-type: none"> High-quality, affordable intercity bus carrier and asset-light retail platform offering state of the art services.
Airport Services	<ul style="list-style-type: none"> Scheduled services to and from several major airport hubs.
Charter Services	<ul style="list-style-type: none"> Charter services for large, national sporting events and concerts as well as school field trips, special events and tours.

11. The services provided by the Company are vital to North America's passenger transportation network. Coach USA connects people with employment, education and training, healthcare, leisure, entertainment, and friends and relatives, as well as providing an essential link between rural and suburban communities and urban areas. The Company provides these services through 25 distinct business segments described in further detail in Section I.B. below.

12. At the core of the Debtors' business are its employees. The Debtors' employees perform critical functions for the Debtors' business, including, among many other things, driving

the buses and other vehicles, providing maintenance for such vehicles, sales, accounting, legal, finance, management, supervisory, administrative functions, and customer service. The workforce totals approximately 2,700 full- and part-time employees, of which approximately 1,600 are members of collective bargaining units (together, the “Unions”).

13. The Company invests significant resources to recruit, train, and retain the best drivers and other employees, which is crucial to the Company’s success and safety record. Since the onset of the COVID-19 pandemic, the Company, along with others in the transportation industry, has suffered from driver shortages, which has contributed to the challenge of recovering from the severe declines in ridership caused by the pandemic. In response thereto, in 2022, the Company implemented several initiatives to increase driver recruitment and retention, including increasing referral incentives for drivers and instituting a Company-wide rewards and recognition program.

14. Coach USA has a strong reputation in the transportation industry for safety and features a best-in-class safety culture. Over the past several years, the Company has made substantial investments in new state-of-the-art safety technology, which includes fleet management systems, driver cameras, and training and evaluation systems. Most of the Company’s buses and other vehicles are equipped with integrated cameras and other sensors to collect data points and events from which safety evaluations can be made on a day-to-day basis.

15. The Company possesses a strong platform that is well-positioned for growth as demand for transportation services continues to rebound. Unfortunately, however, the slow pace of recovery from the ridership lows of the COVID-19 pandemic has negatively impacted the Company’s liquidity position and its ability to service its existing debt. As described further below, prior to the Petition Date, the Company explored various strategic alternatives.

Ultimately, the Debtors, in consultation with the Prepetition ABL Lenders, determined that a series of sale transactions would likely create the most value for all stakeholders and preserve the most jobs. Accordingly, the Debtors have commenced these Chapter 11 Cases to, among other things, continue the sale process that began prepetition and consummate value-maximizing transactions. In addition, following the filing of these Chapter 11 Cases, the Debtors intend to commence an ancillary proceeding (the “Ancillary Proceeding”) under Part IV of the *Companies’ Creditors Arrangement Act* (Canada), R.S.C. 1985, c. C-36 (as amended, the “CCAA”), in the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”).² Coach USA, Inc. as the proposed foreign representative for the Debtors in the Ancillary Proceeding, intends to seek recognition of these Chapter 11 Cases and certain orders entered in the Chapter 11 Cases.

B. The Company’s Business Segments

16. The Debtors’ transportation services operations span the continental United States and two provinces in Canada. These operations are organized in 25 distinct business segments (the “Business Segments”) which provide the following services in various geographical locations:

Business Segment	Location	Description
Dillon’s	Hanover, MD	<ul style="list-style-type: none"> • Offers extensive, daily commuter services (under contract) to and from Washington, D.C. and the broader Maryland area • Scheduled service contracts • Contract services in Towson MD, as well as contracted scheduled service originating in Virginia

² The Debtors intend to propose that Alvarez & Marsal Canada Inc. be appointed by the Canadian Court as information officer in the CCAA proceedings (the “Information Officer”). The Information Officer will serve as an officer of the Canadian Court and report to the Canadian Court from time to time (including at the hearing on the initial application) on the status of these Chapter 11 Cases, the Debtors’ proposed restructuring, and any other information that may be material to the Canadian Court.

C. The Debtors' Organizational Structure

17. Debtors Project Kenwood, Holdings, Inc., Project Kenwood Intermediate Holdings I, Inc., Project Kenwood Intermediate Holdings II, LLC, Projected Kenwood Intermediate Holdings III, LLC, Project Kenwood Acquisition, LLC, Coach Administration, Inc. and Coach USA, Inc. do not maintain active busing operations, but instead provide various administrative functions or serve as holding companies. Debtor Coach USA, Inc. is the direct or indirect parent of all Debtors with ongoing operations.

18. Though the Debtors' operations spread among the various divisions and entities, several key functions are provided by just a handful of the entities. For example, the Debtors' buses are generally owned and titled with three Debtor entities: Debtors CAM Leasing, LLC, Coach Leasing, Inc., and Trentway-Wagar (Properties) Inc. (collectively, the "Bus Owner Debtors"). Through certain lease agreements, the Bus Owner Debtors lease buses to the other Debtors. Other functions are centralized at specific entities, including, but not limited to, Debtor Paramus Northeast Mgt. Co. L.L.C. administering the Debtors' payroll and Debtor Coach USA, Inc. administering numerous overhead functions, such as accounting, legal, and finance.

19. Over the course of the Debtors' history, which includes some lines that have been in service for more than 100 years, and for a variety of reasons, some of the Debtors no longer maintain ongoing operations and have limited to no assets or liabilities. Accordingly, those entities will be wound down throughout these Chapter 11 Cases.

20. A corporate organization chart reflecting the relationship between each of the Debtors is attached hereto as Exhibit 1.³

³ GACCTO Limited, an Ontario corporation, is not a debtor in these Chapter 11 Cases, but rather it is a dormant joint venture that is currently winding down. Momentum Risk Retention Group, Inc., a South Carolina corporation, is a captive insurer for the Company and it is not a debtor in these Chapter 11 Cases.

D. Prepetition Indebtedness and Capital Structure

21. As of the Petition Date, the Debtors had outstanding funded debt obligations in the aggregate principal amount of approximately \$197.8 million including approximately \$146.6 million in secured debt arising under the Prepetition ABL Agreement (as defined below), \$37.7 million in unsecured debt arising under the Main Street Loan Credit Agreement (as defined below), and approximately \$13.5 million owed to certain capital lessors who are secured by liens over certain of the Debtors' capital assets. In addition, the Debtors had outstanding approximately \$35.6 million of letters of credit outstanding under the Prepetition ABL Agreement, which if drawn would be funded through the mechanics of the Prepetition ABL Agreement increasing the amount of funded debt thereunder.

22. In addition, the Debtors' other unsecured obligations (including trade and other claims) as of the Petition Date total at least \$134 million.

23. As of the Petition Date, Debtor Holdings I (as defined below) had an outstanding secured debt obligation in the aggregate principal amount of \$87.6 million arising under the SCUSI Note (as defined below).

(i) Prepetition ABL Facility

24. Pursuant to that certain Credit Agreement dated as of April 16, 2019 (as amended, restated, supplemented, or otherwise modified from time to time, the "Prepetition ABL Agreement," and collectively with the Loan Documents (as defined in the Prepetition ABL Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, supplemented, waived or otherwise modified from time to time, the "Prepetition ABL Documents"), among (a) Debtor Project Kenwood Intermediate Holdings III, LLC ("Parent"), Debtor Project Kenwood Acquisition, LLC ("Administrative Borrower"), certain other Debtors identified as borrowers thereunder (together

with the Administrative Borrower, the “Prepetition ABL Borrowers” and each a “Prepetition ABL Borrower”),⁴ (b) certain other Debtors identified as guarantors thereunder (together with Parent, the “Prepetition ABL Guarantors,” together with the Prepetition ABL Borrowers, the “Prepetition ABL Loan Parties”),⁵ (c) Wells Fargo Bank, National Association, as administrative agent (in such capacity, the “Prepetition ABL Administrative Agent”); (d) Wells Fargo Bank, National Association and MUFG Union Bank, N.A., as Joint Lead Arrangers and as Joint Book Runners, (e) MUFG Union Bank, N.A., as syndication agent (in such capacity, the “Prepetition ABL Syndication Agent”); (f) the “Lenders” (as defined in the Prepetition ABL Agreement) party thereto (and including the Prepetition ABL Administrative Agent and the Prepetition ABL Syndication Agent, the “Prepetition ABL Lenders”), the Prepetition ABL Lenders provided revolving credit and other financial accommodations to, and issued letters of credit for the account of, the Prepetition ABL Borrowers pursuant to the Prepetition ABL Documents (the “Prepetition ABL Facility”).

25. The Prepetition ABL Facility provided the Prepetition ABL Borrowers with, among other things, up to \$185 million aggregate principal amount of Revolving Loans (as defined in the Prepetition ABL Agreement). As of the Petition Date, the aggregate principal amount of loans, letters of credit, and Bank Product Obligations (as defined in the Prepetition ABL Agreement) outstanding under the Prepetition ABL Facility was not less than \$180 million (collectively, together with accrued and unpaid interest, outstanding letters of credit and bankers’ acceptances, any reimbursement obligations (contingent or otherwise) in respect of letters of credit and bankers’ acceptances, any fees, expenses and disbursements (including attorneys’ fees, accountants’ fees, auditor fees, appraisers’ fees and financial advisors’ fees, and related expenses

and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition ABL Borrowers' or the Prepetition ABL Guarantors' obligations pursuant to, or secured by, the Prepetition ABL Documents, including all applicable "Obligations" as defined in the Prepetition ABL Agreement, and all interest, fees (including amendment fees), prepayment premiums, costs and other charges allowable under section 506(b) of the Bankruptcy Code, the "Prepetition ABL Obligations"), including not less than approximately (i) \$144.3 million in outstanding Revolving Loans, (ii) \$35.6 million in respect of letters of credit issued and outstanding, and (iii) \$2.3 million in respect of Bank Product Obligations outstanding. The letters of credit outstanding under the Prepetition ABL Facility are collateral primarily for the Debtor's self-insured retention insurance program.

26. The Prepetition ABL Facility obligations are secured by (i) first priority liens on substantially all of the Prepetition ABL Loan Parties' personal property assets, including receivables, inventory, general intangibles, intellectual property, documents, deposit accounts, equipment, fixtures, and inventory, all as set forth in that certain (i) Guaranty and Security Agreement (as may be amended, restated, supplemented, waived or otherwise modified from time to time), dated as of April 16, 2019, (ii) Canadian Guarantee and Security Agreement (as may be amended, restated, supplemented, waived or otherwise modified from time to time), dated as of April 16, 2019, (iii) Trademark Security Agreement (as may be amended, restated, supplemented, waived, or otherwise modified from time to time), dated as of April 16, 2019, and (iv) the other Loan Documents (as defined in the Prepetition ABL Agreement) and by two real properties, known as Elko Property (as defined below) and the Rockford Property (as defined

below), pursuant to that certain Mortgage and Assignment of Rents and Leases (as may be amended, restated, supplemented, waived or otherwise modified from time to time), dated as of February 7, 2024, and that certain Deed of Trust and Assignment of Rents and Leases (as may be amended, restated, supplemented, waived or otherwise modified from time to time), dated as of February 7, 2024 (such liens collectively, the “Prepetition ABL Liens” and such collateral, the “Prepetition ABL Collateral”).

(ii) Main Street Loan and Other Unsecured Debt

27. Prior to the Petition Date, the Debtors entered into that certain Credit Agreement dated as of December 11, 2020 (as heretofore amended, supplemented or otherwise modified, the “Main Street Loan Credit Agreement” and together with the Prepetition ABL Agreement, the “Prepetition Credit Agreements”) by and among Debtor Project Kenwood Acquisition, LLC (the “Main Street Loan Borrower”) and Wells Fargo Bank, National Association, as lender (the “Main Street Lender”). A list of certain Debtor entities that are guarantors under the Main Street Loan Credit Agreement is attached hereto as Exhibit 2. Pursuant to the Main Street Loan Credit Agreement, the Main Street Lender agreed to extend a term loan in the aggregate principal amount of \$37.7 million to the Main Street Borrowers.

28. As of the Petition Date, the Main Street Borrowers owe approximately \$37.9 million with respect to the term loan under the Main Street Loan Credit Agreement plus accrued and unpaid interest thereon and all other liabilities and obligations arising out of or in connection with the Main Street Loan Credit Agreement (collectively, the “Main Street Loan Debt”).

29. The Main Street Loan Debt is unsecured.

30. The Debtors’ unsecured obligations (including the Main Street Loan Debt, trade, and other claims) as of the Petition Date total at least \$171.7 million.

(iii) SCUSI Note

31. Prior to the Petition Date, Debtor Project Kenwood Intermediate Holdings I, Inc. (“Holdings I”) entered into that certain secured term promissory note as obligor with SCUSI Limited (“SCUSI”) as payee, dated as of April 16, 2019 (as heretofore amended, supplemented or otherwise modified, the “SCUSI Note”). Pursuant to the SCUSI Note, Holdings I agreed to pay SCUSI the principal amount of \$87.6 million, with such obligations maturing on October 16, 2024. In connection with the SCUSI Note, Holdings I entered into that certain pledge agreement by and between SCUSI and Holdings I, dated as of April 16, 2019 (the “SCUSI Pledge Agreement”). Pursuant to the SCUSI Pledge Agreement, Holdings I pledged all of its right, title, and interest in, among other things, the equity interests in Debtor Project Kenwood Intermediate Holdings II, LLC (“Holdings II”), which is the direct and wholly-owned subsidiary of Holdings I.

E. Events Leading To Commencement of the Chapter 11 Cases

32. The Debtors suffered substantial declines during the COVID-19 pandemic, which triggered widespread business shutdowns and more lasting impacts upon commuting and travel patterns. Indeed, during 2020, the Company ceased operations completely for extended periods of time in a number of markets due to lockdowns and other regulatory requirements, causing dramatic ridership declines and concomitant deterioration in revenue. This created substantial strains on the Debtors’ liquidity. To keep the Company afloat and preserve its workforce, the Debtors explored their eligibility for various COVID-19 relief programs. To that end, in the third quarter of 2020 the Company applied for and, in December 2020, received, a loan in the principal amount of \$35 million through the Federal Reserve System’s Main Street Lending Program, which was created under the Coronavirus Aid Relief & Economic Security (CARES)

Act. The Main Street Loan Credit Agreement provided the Company with much-needed liquidity, which allowed it to weather the initial effects of the COVID-19 pandemic and preserve jobs.

33. Furthermore, in July 2021, the Company applied for, and in August and October 2021 received, a total of \$78.3 million in grants from the federal government's Coronavirus Economic Relief for Transportation Services program.

34. During 2020, commuter ridership declined by 90% compared to pre-pandemic ridership. While ridership has slowly increased over the past two years, it has not recovered to pre-pandemic levels. Ridership in 2021 and 2022 were 26% and 39% of pre-pandemic levels, respectively. By 2023, ridership had only reached 45% of pre-pandemic levels.

35. As a result of the pandemic, operating revenues for the Company in 2020 declined by nearly 60% compared to 2019. After the initial onset of the COVID-19 pandemic in the first quarter of 2020, the Company's revenues slowly rebounded, with revenues reaching nearly 58% of pre-pandemic levels in 2022. At the same time, however, operating expenses increased disproportionately, largely due to rising fuel, insurance, labor costs and other inflationary impacts on the cost base.

36. Additionally, the Company's post-pandemic recovery was slowed by numerous headwinds, such as the cultural shift towards a hybrid work environment in many markets, which results in fewer commuters, as well as difficulties in the labor market and in hiring enough drivers to service areas of business growth. As the Company's slower than expected recovery continued to exert extreme pressure on the Debtors' liquidity, the Company's management began to explore strategic alternatives to enhance value, including a potential sale of its businesses, and other means of achieving profitability.

(i) Assessment of Strategic Alternatives

37. In November 2023, the Company engaged Houlihan Lokey Capital, Inc. (“Houlihan”) to assist it in evaluating all available options to preserve the Company as a going concern, including potential refinancing, recapitalization, and sale transactions. Although the Prepetition ABL Loan Parties have made all required payments of principal and interest under the Prepetition ABL Credit Agreement, the Debtors’ lagging revenues resulted in a breach of certain financial covenants, which triggered certain events of default thereunder. Together with Houlihan, the Company engaged with the Prepetition ABL Lenders regarding various strategic alternatives.

38. On December 1, 2023, the Prepetition ABL Lenders and the Prepetition ABL Loan Parties entered into that certain sixth amendment to the Prepetition ABL Credit Agreement and Forbearance Agreement (the “First Forbearance Agreement”). Pursuant to the First Forbearance Agreement, the Prepetition ABL Lenders agreed to forbear from exercising remedies in connection with existing events of default for a certain period while the Debtors continued to explore potential strategic and restructuring alternatives.

(ii) Commencement of Sale and Marketing Process

39. Since entering into the First Forbearance Agreement, the Company worked with its advisors to conduct a thorough marketing and sale process. Commencing on December 4, 2023, the Company and its advisors launched a marketing process for the sale of substantially all of the Debtors’ assets. In conjunction with this process, the Company populated a data room containing documents and information regarding the Debtors’ businesses. Houlihan contacted over 154 potential purchasers, which resulted in 70 parties executing nondisclosure agreements with the Company to further explore a transaction.

40. The Debtors and their advisors set an initial deadline for the submission of indications of interest for January 12, 2024, although, thereafter, the Debtors received several additional indications of interests. As of the Petition Date, 16 parties provided indications of interest. The indications of interest were varied in scope and value. For example, certain of the indications of interest contemplated liquidation of some or all of the Company's assets, at least one indication of interest was for the purchase of all of the Company's assets on a going concern basis,⁶ and other indications of interest were only for specific business lines or divisions. As described further in Section I.F. below, the prepetition sale marketing and sale process has resulted in (i) two going concern stalking horse bids for substantially all of the assets of 16 of the Debtors' Business Segments; and (ii) a stalking horse bid for the liquidation of 143 of the Debtor's double deck buses.

(iii) Second Forbearance Agreement and Prepetition Undertakings of the Debtors Thereunder

41. The forbearance period under the First Forbearance Agreement was set to expire during the Debtors' sales and marketing process. For the Debtors to continue this process, the Prepetition ABL Lenders and the Prepetition ABL Loan Parties entered into that certain seventh amendment to the Prepetition ABL Credit Agreement and First Amendment to Forbearance Agreement (the "Second Forbearance Agreement"). The Second Forbearance Agreement extended the forbearance period to February 4, 2024, and set forth various restructuring milestones, including the sale of certain real property (as described below), and required the Prepetition ABL Loan Parties to comply with specified budget variance reporting covenants.

⁶ This indication of interest was subsequently revised to include only a subset of the Business Segments and later was withdrawn as the buyer no longer remained interested in the opportunity.

a. Sale and Leaseback of New Brunswick Property

42. Pursuant to the Second Forbearance Agreement, the Debtors were required to enter a sale leaseback transaction for the real property located at 710 and 750 Somerset Street, New Brunswick, New Jersey 08901 (the “New Brunswick Property”), which was used by the Debtors in connection with their operations pursuant to a lease (the “New Brunswick Lease”) with an unaffiliated third party (the “New Brunswick Landlord”). Under the New Brunswick Lease, the Debtors held a purchase option for the New Brunswick Property in the amount of approximately \$4.9 million (the “Strike Price”). In or around August 2023, the Debtors retained a broker, Transwestern, in connection with the New Brunswick Property and determined that the value of the New Brunswick Property was significantly higher than the Strike Price. As a result of Transwestern’s marketing process, a buyer emerged to purchase the New Brunswick Property for consideration totaling \$16 million and an agreement to lease back the New Brunswick Property to the Debtors for their continued use of the premises in connection with their operations (the “New Brunswick Sale and Leaseback Transaction”).

43. On or about November 22, 2023, the Debtors informed the New Brunswick Landlord of their intention to exercise the purchase option under the New Brunswick Lease. On January 16, 2024, the Debtors closed on the purchase of the New Brunswick Property from the New Brunswick Landlord for the Strike Price and on January 16, 2024, the Debtors consummated the sale leaseback transaction (the “New Brunswick Transaction”), resulting in approximately \$8.225 million in net proceeds to the Debtors. The proceeds from the New Brunswick Transaction provided the Debtors with much needed liquidity to continue operating their businesses.

b. Appointment of Independent Directors

44. Pursuant to the Second Forbearance Agreement, the Company was required to appoint at least one independent director satisfactory to the Prepetition ABL Administrative Agent and the Prepetition ABL Lenders. On January 10, 2024, during the Company's continued pursuit of a sale transaction of some or all of its assets, Debtor Coach USA, Inc. appointed two independent directors to its board of directors (the "Former CUSA Independent Directors").⁷

45. On April 10, 2024, the Former CUSA Independent Directors resigned from Debtor Coach USA, Inc.'s board of directors.⁸ In anticipation of a potential bankruptcy filing, the Former CUSA Independent Directors were replaced on April 22, 2024, by two seasoned restructuring professionals—Thomas FitzGerald and Lawrence Hirsh, who are both serving as independent directors of each of the Debtors.

c. Transfer of Real Properties

46. Also pursuant to the Second Forbearance Agreement, as an inducement to support the Company with additional funding, the Prepetition ABL Lenders required certain unencumbered real property be added to their collateral base, thereby constituting Prepetition ABL Collateral securing the Prepetition ABL Obligations. Per its agreement with the Prepetition ABL Lenders, the Debtors transferred title to certain real property to a newly formed affiliate entity, Debtor CUSARE, Inc. Specifically, Debtor Sam Van Galder, Inc. transferred to Debtor

⁷ Coach USA is the direct or indirect parent of each of the Debtors that are domiciled in Canada, which include 3329003 Canada Inc., Megabus Canada Inc., 3376249 Canada Inc., 4216849 Canada Inc., Trentway-Wagar (Properties) Inc., Trentway-Wagar Inc., and Douglas Braund Investments Limited (collectively, the "Canadian Debtors"). The board composition for the Canadian Debtors has remained unchanged since April of 2019.

⁸ Pursuant to the terms of their respective engagement letters, the Former CUSA Independent Directors agreed to endeavor in good faith to join the boards of directors or managers, as applicable, of certain other Debtors. Despite the best efforts of the Debtors, the Former CUSA Independent Directors did not join any boards of directors or managers of any other Debtor.

CUSARE, Inc. title to the real property located at 7595 Walton Street, Rockford, Illinois 61108 (the “Rockford Property”) and Debtor Elko, Inc. transferred to Debtor CUSARE, Inc. title to the real property located at 4105 W. Idaho Street, Elko, Nevada 89801 (the “Elko Property” and together with the Rockford Property, the “Real Properties”). Thereafter, Debtor CUSARE, Inc. executed security instruments thereby granting the Prepetition ABL Administrative Agent security interests in the Real Properties, recording the same on or about February 20, 2024.

47. On or around January 25, 2024, the forbearance period under the Second Forbearance Agreement was terminated pursuant to that certain Notice of Continuance of Existing Defaults, Termination of Forbearance Period, Discretionary Advances and Reservation of Rights. Notwithstanding the termination of the forbearance period under the Second Forbearance Agreement, the Prepetition ABL Administrative Agent did not commence the exercise of remedies and the Debtors and their advisors continued the sale and marketing process. Additionally, the Debtors continued to work diligently with the Prepetition ABL Lenders to reach consensus with respect to how best to maximize the value of the Debtors’ enterprise. As a result, the Debtors were able to negotiate a path forward for the Company that will save at least 2,129 jobs and maximize value for all stakeholders as described further below.

(iv) The Debtors’ Efforts to Obtain Debtor in Possession Financing

48. The Debtors lack the funds necessary to maintain their operations or to administer these Chapter 11 Cases. Without access to debtor in possession financing and the ability to use cash collateral, the Debtors would be unable to, among other things, meet employee payroll obligations, make payments to vendors, and operations would immediately cease. This would result in significant destruction to the Debtors’ estates and harm all stakeholders.

49. The debtor in possession facility (the “DIP Facility”) extended by the Prepetition ABL Lenders, in their capacity as postpetition lenders together with Wells Fargo Bank, National Association (in its capacity as administrative agent and collateral agent under such DIP Facility, the “DIP Agent”) (the “DIP Lenders”), provides the Prepetition ABL Borrowers, in their capacity as borrowers under the DIP Facility (the “Borrowers”) with approximately \$20 million of new money financing which will enable the Debtors to fund operations, meet various obligations as they become due, and effectively administer these Chapter 11 Cases.

50. The DIP Facility also represents the best financing available to the Debtors. Before entry into the postpetition credit agreement, Houlihan launched a marketing process to gauge third-party interest in providing postpetition financing to the Debtors. Of the 11 parties that engaged with Houlihan, none were willing to extend financing on a junior basis to the Prepetition ABL Facility. Similarly, no party submitted a proposal for financing on terms that were more favorable than the DIP Facility.

51. Additional information regarding the DIP Facility can be found in the *Declaration of John Sallstrom in Support of Debtors’ Motion for Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Secured Financing; (II) Authorizing the Debtors’ Use of Cash Collateral; (III) Granting Adequate Protection to Prepetition ABL Parties; (IV) Scheduling a Final Hearing; and (V) Granting Related Relief* (the “DIP Declaration”), filed contemporaneously herewith.

F. Restructuring Goals: Preserving Jobs, Maintaining Service and Maximizing Value

52. The Debtors commenced these Chapter 11 Cases to continue the process towards achieving value maximizing transactions. The Company will utilize the chapter 11 filings to stabilize operations, continue the sale process commenced prepetition, and consummate value

maximizing transactions, and preserve as many jobs and business lines on a going-concern basis as possible. As noted above, the Debtors have been conducting a sale and marketing process with respect to substantially all of their assets since December 2023.

53. As a result of those efforts, the Debtors enter these Chapter 11 Cases with three proposed sale transactions supported by stalking horse asset purchase agreements:

- (i) a proposed transaction with an affiliate of The Renco Group, Inc. (“NewCo”) for substantially all of the assets of the following businesses on a going concern basis (the “NewCo Stalking Horse APA”): Dillon’s, Elko, Megabus Retail, Montreal, Olympia, Trentway/Ontario, Perfect Body, Rockland, Shortline, Suburban, Van Galder, and Wisconsin (the “NewCo Business Segments” or “NewCo Assets”),⁹
- (ii) a proposed transaction with AVALON Transportation, LLC or its designee (“Avalon”) for substantially all of the assets of the following businesses on a going concern basis (the “Avalon Stalking Horse APA”): Lenzner, Kerrville, All West, and ACL Atlanta (the “Avalon Business Segments” or the “Avalon Assets”), and
- (iii) a proposed transaction with ABC Bus, Inc. (“ABC”) (the “ABC Stalking Horse APA,” together with the NewCo Stalking Horse APA and Avalon Stalking Horse APA, the “Stalking Horse APAs”) with respect to 143 double deck buses (the “ABC Assets”).

54. Pursuant to the NewCo Stalking Horse APA, NewCo will assume \$130 million of the secured indebtedness held by the Prepetition ABL Lenders and Postpetition Lenders along

⁹ Pursuant to the NewCo Stalking Horse APA, the NewCo Assets also include all IP assets and certain contracts and other assets held by Remaining Business Segments Megabus Northeast and Community Coach. For the avoidance of doubt, the Megabus operations in the United States are Remaining Business Segments, except for Megabus Retail. Megabus Retail is a NewCo Business Segment, and the Megabus operations in Canada are part of NewCo Business Segments: Montreal and Trentway/Ontario.

with certain other specified liabilities, including the assumption of 22 CBAs with 16 Unions covering approximately 1,000 Union employees associated with the NewCo Business Segments. The proposed transaction will enable the NewCo Business Segments to continue operations and growth and preserve over 1,797 Union and non-Union jobs. NewCo also intends to retain certain members of the Debtors' current management team, which will allow NewCo to emerge from these Chapter 11 Cases led by key members with decades of experience with Coach USA.

55. Pursuant to the Avalon Stalking Horse APA, Avalon has agreed to purchase substantially all of the assets of the Avalon Business Segments on a going concern basis. Avalon has also agreed to recognize the only Union with a CBA relating to the Avalon Business Segments—which is at Lenzner—and has agreed to accept the terms of the CBA subject only to the necessary changes needed to provide substantially equivalent benefits and policies to Avalon's benefit plans and policies, as well as to offer employment to at least 80% of the Debtors' approximately 332 employees that work for the Avalon Business Segments.

56. Pursuant to the ABC Stalking Horse APA, the Debtors would liquidate substantially all of the double deck buses held by the Debtors in the United States.

57. The Debtors intend to promptly file their Bidding Procedures and Sale Motion (the "Bidding Procedures Motion")¹⁰ to seek Court approval to expeditiously conduct an auction for all of their Assets, with the Stalking Horse APAs as a baseline for their respective Assets.

¹⁰ Contemporaneously with the filing of the First Day Motions, the Debtors filed the *Debtors' Motion for Entry of (A) an Order (I) Approving Bid Procedures in Connection with the Sale of the Debtors' A&GP Assets, (II) Designation of Stalking Horse Bidder and Stalking Horse Bidder Protections, (III) Scheduling Auction and Hearing to Approve Sale of Assets, (IV) Approving Notice of Respective Date, Time and Place for Auction and for Hearing on Approval of Sale, (V) Approving Procedures for the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, (VI) Approving Form and Manner of Notice Thereof, and (VII) Granting Related Relief, and (B) an Order Authorizing and Approving (I) the Sale of the Debtors' A&GP Assets Free and Clear of Liens, Claims, Rights, Encumbrances, and Other Interests, (II) the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (III) Granting Related Relief.*

With respect to the assets of the Debtors' nine remaining Business Segments—namely Butler (including charter bus and body shop operations), Powder River, Anaheim,¹¹ Community Coach, ONE Bus, Megabus Atlanta, Megabus Florida, Megabus Northeast, and Megabus Texas (the “Remaining Business Segments” or the “Remaining Assets”)¹²—the Debtors intend to seek Court approval pursuant to the Bidding Procedures Motion to continue the prepetition marketing process and hold an auction for those assets as well.

58. Thus, the Debtors intend to continue operating their Business Segments in the ordinary course pending the results of the court-supervised sale process. If, pursuant to the sale and marketing process, a going concern transaction does not materialize with respect to some or all of the Remaining Business Segments, the Debtors will seek to winddown their operations. In preparation for this possibility, prior to the Petition Date the Debtors and their advisors engaged with representatives from various collective bargaining units for employees of the Remaining Business Segments regarding the potential shutdown of these businesses.

59. Together, the Stalking Horse APAs represent going concern sales of 16 of the Debtors' 25 Business Segments, encompassing approximately 2,129 employees, and the liquidation of substantially all of the double deck buses no longer used by the Company's Business Segments, all subject to higher and better offers. The sale of the NewCo Business Segments and Avalon Business Segments will ensure uninterrupted passenger transportation services to millions of passengers throughout the United States and Canada, many of whom rely on the Debtors' transportation network.

¹¹ The Anaheim Business Segment was closed prior to the Petition Date.

¹² As noted above at fn. 10, all IP assets and certain contracts and other assets held by Remaining Business Segments Megabus Northeast and Community Coach are part of the NewCo Assets and will not be offered for sale separately.

PART II

60. The Debtors filed the First Day Motions concurrently with the filing of their chapter 11 petitions. The Debtors request that each of the following First Day Motions be granted, as each constitutes a critical element in achieving a successful and smooth transition to chapter 11:

- **Debtor in Possession Financing Motion.** *Debtors' Motion for Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Secured Financing; (II) Authorizing the Debtors' Use of Cash Collateral; (III) Granting Adequate Protection to Prepetition ABL Parties; (IV) Scheduling a Final Hearing; and (V) Granting Related Relief.*

- **Insurance and Surety Bond Motion.** *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing (A) Payment of Prepetition Obligations Incurred in the Ordinary Course of Business in connection with Insurance and Surety Programs, including Payment of Policy Premiums, Self-Insured Retention Fees, Broker Fees, and Claims Administrator Fees, and (B) Continuation of Insurance Premium Financing Program; (II) Authorizing Banks to Honor and Process Check and Electronic Transfer Requests Related Thereto; (III) Scheduling a Final Hearing; and (IV) Granting Related Relief.*

- **Taxes Motion.** *Debtors' Motion for Entry of Interim and Final Orders, (I) Authorizing the Debtors to Pay Certain Prepetition Taxes and Fees and Related Obligations, (II) Authorizing Banks to Honor and Process Check and Electronic Transfer Requests Related Thereto, (III) Scheduling a Final Hearing, and (IV) Granting Related Relief.*
- **Customer Programs.** *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to Honor and Continue Certain Customer Programs and Customer Obligations in the Ordinary Course of Business; (II) Authorizing Banks to Honor and Process Check and Electronic Transfer Requests Related Thereto; (III) Scheduling a Final Hearing; and (IV) Granting Related Relief.*

- **NOL Motion.** *Debtors' Motion for Entry of Interim and Final Orders Establishing Certain Notice and Hearing Procedures for (I) Certain Transfers of Equity in (A) Project Kenwood Holdings, Inc., (B) Project Kenwood Intermediate Holdings I, Inc., (C) Project Kenwood Intermediate Holdings II, LLC and (D) Project Kenwood Intermediate Holdings III, LLC, and (II) Certain Claims of Worthlessness With Respect to the Foregoing Equity Interests.*

61. Several of the First Day Motions request authority to pay certain prepetition claims. I understand that Federal Rule of Bankruptcy Procedure 6003 provides, in relevant part, that the Court shall not consider motions to pay prepetition claims during the first 21 days following the filing of a chapter 11 petition, “except to the extent relief is necessary to avoid immediate and irreparable harm.” In light of this requirement, the Debtors have narrowly tailored their requests for immediate authority to pay certain prepetition claims to those circumstances where the failure to pay such claims would cause immediate and irreparable harm to the Debtors and their estates. Other relief will be deferred for consideration at a later hearing.

62. Contemporaneously with the filing of the First Day Motions, the Debtors have also submitted a certification of counsel requesting entry of an *Emergency Order Authorizing (A) The Limited Continued Use of the Debtors' Cash Management System and Existing Bank Accounts, and (B) the Pre-Funding of Certain Prepetition Employee Obligations, on a Limited Basis, Pending First Day Hearing* (the "Emergency Order"). As set forth in the proposed Emergency Order, the Debtors require authority to continue use of their existing cash management system and fund their current payroll to pre-fund certain employee obligations in an amount not to exceed \$3.75 million pending the First Day Hearing (the "Emergency Relief"). The Emergency Relief is necessary to avoid disruption to the Debtors' operations and employee morale that would result from failing to timely meet payroll and the Office of the United States Trustee and the DIP Agent have no objection to entry of the Emergency Order in advance of the first day hearing.

63. I have consulted with the Company and the Debtors' advisors regarding the relief requested in the First Day Motions, and understand each of the First Day Motions and the relief requested therein. To the best of my knowledge and belief, the factual statements contained in each of the First Day Motions are true and accurate, and each such factual statement is incorporated herein by reference.

64. I believe that the relief requested in the First Day Motions is necessary, in the best interests of the Debtors' estates, their creditors, equityholders, and all other parties in interest, and will allow the Debtors to operate with minimal disruption and maximize value preservation during the pendency of these Chapter 11 Cases. I further believe that failure to grant the relief requested in any of the First Day Motions may result in immediate and irreparable harm to the Debtors, their businesses, and their estates. Accordingly, for the reasons set forth herein and in

each respective First Day Motion, I believe that the Court should grant the relief requested in each of the First Day Motions.

CONCLUSION

65. The Debtors' ultimate goal in these Chapter 11 Cases is to consummate value-maximizing sale transactions for the benefit of all stakeholders. In the near term, however, to minimize any loss of value of to their businesses and assets during these Chapter 11 Cases, the Debtors' immediate objective is to maintain a business-as-usual atmosphere during the early stages of these proceedings, with as little interruption or disruption to the Debtors' operations as possible.

66. I believe that if the Court grants the relief requested in each of the First Day Motions, the prospect for achieving these objectives and completing a successful chapter 11 process and sale of the Debtors' businesses will be substantially enhanced.

67. I declare under the penalty of perjury under the laws of the United States of America that the foregoing statements are true and correct to the best of my knowledge, information and belief, and respectfully request that all of the relief requested in the First Day Motions be granted, together with such other and further relief as is just.

Respectfully submitted,

COACH USA, Inc., et al.

Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

b) Collection.

Upon the occurrence of an Event of Default which is continuing, the Hypothecary Representative may, upon prior written notice to the applicable Grantor, collect all claims and other Charged Property referred to in Section 1.1.5 (collectively the "Claims"), in accordance with what is provided for by law; it may further exercise any rights regarding such property and more particularly, it may grant or refuse any consent which may be required from a Grantor in its capacity as owner of such property, and shall not, in the exercise of such right, be required to obtain the consent of any Grantor, nor shall it be under any obligation to establish that any Grantor has refused or neglected to exercise such rights, grant delays, take or abandon any security, transact with debtors of the hypothecated Claims, make compromises, grant releases and may generally deal at its discretion with matters concerning all Claims without the intervention or consent of any Grantor.

c) Authorization to Collect.

Save and except for: (i) claims resulting from an expropriation, (ii) the proceeds of any sale or other disposition of any other Charged Property prohibited under the Credit Agreement, and (iii) any other claims whose collection is otherwise dealt with pursuant to any

agreement entered into with the Hypothecary Representative or any other Person (the "Specified Claims"), the Hypothecary Representative hereby authorizes each Grantor to collect the Claims. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing in accordance with what is provided for by law, with respect to all or any part of the hypothecated Claims, and the Hypothecary Representative may then effect such collection and shall then be entitled to any of the rights referred to in paragraph b) above; each Grantor shall, upon request of the Hypothecary Representative then remit to the Hypothecary Representative all records, books, invoices, bills, contracts, titles, papers and other documents related to the Claims. If at any time with respect to Specified Claims, and if, after such authorization is withdrawn with respect to other Claims during the continuance of an Event of Default (and even if such withdrawal is not yet registered or served upon the holders of such claims), sums payable under such Claims are paid to a Grantor, it shall receive same for the benefit of and as mandatary of the Hypothecary Representative, shall hold them in trust and segregated from its other moneys and shall remit same to the Hypothecary Representative promptly without the necessity of any demand to this effect.

continuance of the amount of hypothec: from the date of the Deed at the rate of 25% per annum, calculated semi-annually, not in advance.

a) The Hypothecary Representative hereby authorizes each Grantor to collect all Rent; however, each Grantor shall not collect in advance more than one (1) month of Rent nor (other than a security deposit) shall it renounce to the payment of any Rent. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing; in such a case, the Hypothecary Representative may exercise as it deems appropriate, to the exclusion of each Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of any Grantor in order to maintain, renew, grant or terminate any Lease, and to further protect or collect Rent.

b) Collection.

Upon the occurrence of an Event of Default which is continuing, the Hypothecary Representative may, upon prior written notice to the applicable Grantor, collect all claims and other Charged Property referred to in Section 1.1.5 (collectively the "Claims"), in accordance with what is provided for by law; it may further exercise any rights regarding such property and more particularly, it may grant or refuse any consent which may be required from a Grantor in its capacity as owner of such property, and shall not, in the exercise of such right, be required to obtain the consent of any Grantor, nor shall it be under any obligation to establish that any Grantor has refused or neglected to exercise such rights, grant delays, take or abandon any security, transact with debtors of the hypothecated Claims, make compromises, grant releases and may generally deal at its discretion with matters concerning all Claims without the intervention or consent of any Grantor.

agreement entered into with the Hypothecary Representative or any other Person (the "Specified Claims"), the Hypothecary Representative hereby authorizes each Grantor to collect the Claims. Such authorization may be withdrawn by the Hypothecary Representative upon the occurrence of an Event of Default which is continuing in accordance with what is provided for by law, with respect to all or any part of the hypothecated Claims, and the Hypothecary Representative may then effect such collection and shall then be entitled to any of the rights referred to in paragraph b) above; each Grantor shall, upon request of the Hypothecary Representative then remit to the Hypothecary Representative all records, books, invoices, bills, contracts, titles, papers and other documents related to the Claims. If at any time with respect to Specified Claims, and if, after such authorization is withdrawn with respect to other Claims during the continuance of an Event of Default (and even if such withdrawal is not yet registered or served upon the holders of such claims), sums payable under such Claims are paid to a Grantor, it shall receive same for the benefit of and as mandatary of the Hypothecary Representative, shall hold them in trust and segregated from its other moneys and shall remit same to the Hypothecary Representative promptly without the necessity of any demand to this effect.
