Ann,

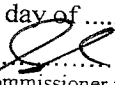

The attached (118 pages) was being faxed to Credit Management but stopped at page 32. I called Scott Boucher and asked him to email the document to me instead of faxing that many pages and told him I would forward to the appropriate department. Elaine O'Connell suggested that I forward this to you.

Please let me know if you have any questions.

Thank you! ☺

VOICE MAIL TRANSCRIPTION

TO: Scott M. Boucher
FROM: Steve Young
DATE: December 2, 2015
RE: Atna Resources Ltd.

Hi Scott. My name is Steve Young. Your message was just passed on to me. I'm general counsel with Glencore Canada Corporation. And yes, I have your fax from Bull, Housser on the Atna matter.

You know it's an extremely immaterial property and we have a registered, you know a smelter interest on this - and they're not even in production. So we don't have an interest in attending the hearing, so don't expect us to be there. But if you want to speak to me, my phone number in Toronto is 416-775-1556. And it's Steve Young and I am a director and the vice-president legal of Glencore Canada Corporation.

Thank you. Bye now.
