Court File No. CV-15-10832-00CL

J. Dacks for Applicant December 7, 2018.

W. Wagner for Attorney & Target, Intervenor.

The motion was not opposed. The Intervenor
#0th Report commits on the program
that has been made in resolving
outstanding issues. The section on
unresolved claims concentrates on CRA
claims and I note that these
claims would be the subject of
a settlement conference scheduled for
December 12, 2019. If matters are

matters are not resolved, it seems to me that the CCRA should be made aware of that fact as it will impact the timing of future proceedings.

~~Address~~
With respect to the request for an extension of the stay period, I am satisfied that the parties are working in good faith and with due diligence such that an extension of the stay period is warranted.

However, given the status of the CIRA claims, I am of the view that an extension to March 27, 2019 is more appropriate than the requested date of June 26, 2019 and I order accordingly.

When granted. Order signed in amended form ~~attest~~ extending the stay period to March 27, 2019
